## Three Memes in Three Minutes by Barbara Ruth

Stay in the cabin one month,  
water  
firewood  
and food all provided.  
No internet  
cell phones  
TV.  
Would I do it for \$100,000?

The Harvard Graduate School of Emojis declares  
my brain is hardwired for negatives  
but learning new skills and affirmations  
brings me fresh neurons  
at the backslash  
/Biology of Positive Habits.  
Will I follow the link?

Sungazing.com says: Everything Heals  
with an image of lotus-eared Buddha  
My soul repairs itself day by day  
they say.  
Would Sungazing Buddha lie?

Facebook now gives me six  
emoticons to convey my reactions  
I hover among them.  
Too many? Too few? Will I click?
