This Humboldt State University Campus is brought to you for free and open access by the Open Educational Resources and Data at Digital Commons @ Humboldt State University. It has been accepted for inclusion in Botanical Studies by an authorized administrator of Digital Commons @ Humboldt State University. For more information, please contact kyle.morgan@humboldt.edu.

PLANTS OF THE HUMBOLDT STATE UNIVERSITY CAMPUS

James P. Smith, Jr.
Professor Emeritus of Botany
Department of Biological Sciences
Humboldt State University
Arcata, California

17 December 2014

The purpose of this checklist is an accounting of the flowering plants, conifers, and ferns that occur on the Humboldt State University campus. Most of the plants are ornamentals; a few are native species.

From a botanical standpoint, the most outstanding feature of our campus flora is its conifer collection, due largely to the dedication and efforts of Dennis K. Walker, Professor of Botany, Emeritus and the late William C. Lancaster, former Greenhouse and Conservatory Manager. This may well be the most diverse assemblage of conifers to be found on any campus in North America.

Several conifers are in cultivation in the Conservatory. They include: *Actinostrobus arenarius* (sandplain-cypress), *Agathis robusta* (smooth-barked kauri), *Retrophyllum comptonii* (New Caledonian flip-leaf), *Pseudotaxus chienii* (white-cupped-yew), *Falcatifolium taxoides* (New Caledonian sickle-pine), *Tetraclinis articulata* (arar tree), *Sundacarpus amarus* (black-pine, broad-leaved miro), and *Wollemia nobilis* (Wollemi-pine).

The basic work of collecting and identifying the campus flora began with the efforts of the Advanced Plant Taxonomy classes of 1970 (Mike Athey, Tom DeCew, Steve Dorei, Steve Dowty, Chuck Fellows, Jana Kattenhorn, Cherry Kline, Dave LaConte, Tom Nelson, Pete Peterson, and Don Santana), and of 1971 (Bill Amundsen, Dave Browning, Roger Bucholtz, Valerie Bundy, Roger Carr, Larry Catton, Dave Crosgrave, Rodney Ernst, Ned Frederick, John Glennon, Rich Holm, Tina Lamon, John Miller, Maralyn O'Meara, Bernie Rios, and Mary Spindler). Their efforts resulted in the "*Campus Flora Atlas: a Guide to the Cultivated and Native Plants of the California State University, Humboldt Campus*" that appeared in 1972. As the term "atlas" implies, it contained maps of the major campus buildings and their associated trees, shrubs, and herbs. A copy of the atlas is in the HSU Vascular Plant Herbarium library (Science D 161).

After several years, I issued revisions of the checklist of plants from the atlas, as part of the HSU Herbarium Checklist Series. The maps in my own copy were corrected and modified from time to time as construction projects caused major changes in the campus. Several individuals were most helpful in updating the checklist. It is a pleasure to thank Wayne Hawkins, William Lancaster, Virginia Rumble, John Sawyer, John Stuart, William Vinyard, and Dennis Walker for their assistance.

A third phase of the campus flora was completed by Susan Carter, Sandy Floyd, and Coleman McCleneghan, as their senior problem in botany. They revised several of the maps that appeared in the

original atlas and they also found a number of new plants on the campus.

The plants themselves are shown in two formats. In List 1, they are arranged first by botanical groups (ferns, conifers, and their allies, and flowering plants), and then alphabetically by plant family and scientific name. Growth form (herb, shrub, tree, etc.) and a location are also included. List 2 allows you to go from the common name of a plant family to its technical name. In List 3, plants appear alphabetically by common name. Unfortunately, not all of the campus plants have common names. The purpose of this list is to allow you to go from the common name of a plant to its scientific name, family, and Group (A, B, or C). In this way, you can use the main list.

Voucher specimens for many of the plants are deposited in the HSU Herbarium in Science D 161. They may be examined there.

Construction projects, recent changes in landscaping, and loss of individual plants have removed the known locations for several plants. They are indicated by the annotation ??.

Please send additions, corrections and suggestions to jps2@humboldt.edu

LIST 1 - PLANTS BY FAMILY & SCIENTIFIC NAME

GROUP 1A: FERNS

BLECHNACEAE — CHAIN FERN FAMILY

Struthiopteris spicant • Deer fern • Herb • Under trees in small park area north of Sci. A
Woodwardia fimbriata • Chain fern • Herb • Northeast corner of Sci. A
Woodwardia radicans • European chain fern • Herb • Northwest corner of Sunset Hall
Woodwardia virginica • Virginia chain fern • Herb • East of Sci. A

CYATHEACEAE — TREE FERN FAMILY

Alsophila australis • Australian tree fern • Tree fern • Northeast corner of Sci. A; north side of Van Duzer Theatre

DENNSTAEDTIACEAE — BRACKEN FERN FAMILY

Pteridium aquilinum • Bracken fern • Herb • North of Fern Lake and Tennis Courts

DRYOPTERIDACEAE — HOLLY FERN OR SWORD FERN FAMILY

Athyrium distentifolium var. *americanum* • Lady fern • Herb • West end of Art Building (2A)
Athyrium filix-femina • Lady fern • Herb • ??
Polystichum acrostichoides • Christmas fern • Herb • North end of Music Building
Polystichum munitum • Sword fern • Herb • Beneath Monterey cypress at NW corner of Sci. A

EQUISETACEAE — HORSETAIL FAMILY

Equisetum hyemale var. *affinis* • Horsetail • Herb • ??
Equisetum telmateia var. *braunii* • Horsetail • Herb • Elevated bed along west side of Campus Events Area

PTERIDACEAE — CLIFF BRAKE FAMILY

Adiantum pedatum • Maidenhair fern • Herb • North of Van Matre Hall under 'bridge' to Founders Hall

GROUP 1B: CONIFERS AND THEIR ALLIES

ARAUCARIACEAE — ARAUCARIA FAMILY

Agathis australis • Kauri, Kauri-pine • Tree • Slope between Sci. A and Sci. B
Araucaria bidwillii • Bunya-bunya, bunya-pine, false monkey puzzle tree • Tree • Slope between Sci. A & B
Araucaria heterophylla • Norfolk Island-pine • Tree • East end of Sci. B

CEPHALOTAXACEAE — PLUM -YEW FAMILY

Cephalotaxus fortunei • Fortune's Chinese plum-yew • Steps between Sci. D and the Conservatory
Cephalotaxus harringtonii • Japanese plum-yew • Shrub • North of Conservatory

CUPRESSACEAE — CYPRESS OR CEDAR FAMILY

Athrotaxis cupressoides • Tasmanian cedar, pencil-pine • Tree • North side of Sci. D
Austrocedrus chilensis • Chilean cedar • Tree • North side of Sci. D; south side of Campus Events Area
Callitris columellaris • White cypress-pine, coastal cypress-pine • Tree • South side of Campus Events Area
Callitris oblonga • South Esk-pine, Tasmanian cypress-pine • Tree • South side of Campus Events Area
Callitris preissii • Rottneest Island-pine, slender cypress-pine • Tree • South side of Campus Events Area
Callitris verrucosa • Mallee-pine, scrub cypress-pine • Tree • South side of Campus Events Area
Callitropsis nootkatensis • Alaska cedar • Tree • Northwest corner of Founders Hall
Calocedrus decurrens • Incense cedar • Tree • North side of 17th St • across from Forestry Bldg.
Chamaecyparis lawsoniana • Port Orford cedar • Tree • Path from 14th St • to Natural Resources Bldg.

Chamaecyparis pisifera var. *pisifera* • Sawara cypress • Tree • South corner of main entrance to Founders Hall
Chamaecyparis pisifera cv. 'cyano-iridis' • Sawara cypress • Shrub • Southeast corner of Library
Cryptomeria japonica • Japanese cedar • Tree • Slope east of Art Building (2A)
Cryptomeria japonica cv. 'elegans' • Japanese-cedar • Tree • Beside steps leading from Sci. A to Van Matre Hall
Cunninghamia konishii • Taiwan China-fir • Tree • Planter on south side of Sci. A
Cunninghamia lanceolata • China-fir • Tree • Slope between Sci. A & C; planters at nw corner of Sci. A
Cupressus guadalupensis var. *forbesii* • Tecate cypress • Tree • Northwest of Founders Hall
Cupressus macrocarpa • Monterey cypress • Tree • Northwest corner of Sci. A
Diselma archeri • Cheshunt-pine, chestnut-pine • Shrub • Beside steps northwest of Conservatory
Fitzroya cupressoides • Patagonian-cypress, alerce • Tree • Corner of Wildlife Lane and 17th St.
Fokienia hodginsii • Fugian cedar • Tree • Northwest of Conservatory
Glyptostrobus pensilis • Chinese water-pine, Chinese swamp-cypress • Tree • Slope between Sci. A & C
Juniperus chinensis cv. 'hetzii' • Chinese juniper • ??
Juniperus chinensis cv. 'torulosus' • Chinese juniper • Tree • South side of Health Center
Juniperus communis var. *saxatilis* • Mountain juniper • Tree • Southwest side of Art Building (2A)
Juniperus conferta • Shore juniper • East end of Sci. B
Juniperus x pfitzeriana • Chinese juniper • Shrub • West of playground at Child Development Laboratory
Juniperus horizontalis cv. 'plumosa' • Creeping juniper • ??
Juniperus sabina cv. 'tamariscifolia' • Savin • Shrub • North side of Child Development Laboratory
Juniperus virginiana cv. 'elegantissima' • Red cedar • Tree • North side of Gist Hall
Juniperus virginiana cv. 'hillii' • Red cedar • Tree • Southwest corner of Gist Hall
Juniperus virginiana cv. 'kosteri' • Red cedar • Tree • North side of Gist Hall
Libocedrus plumosa • Kawaka, New Zealand cedar • Tree • South side of Campus Events Area
Metasequoia glyptostroboides • Dawn-redwood • Tree • Slope between Sci. A and Sci. C
Microbiota decussata • Siberian cypress, Russian carpet cypress • Shrub • North entrance of Sci. D
Pilgerodendron uviferum • Cypress-of-the-Guaitecas • Tree • South side of the Campus Events Area
Platycladus orientalis • Chinese arborvitae • Tree • South side of Campus Events Area
Sequoia sempervirens • Redwood • Tree • West end of Sci. A
Sequoiadendron giganteum • California big tree, giant sequoia • Tree • Slope between Sci. A & C
Taiwania cryptomerioides • Coffin tree, Taiwan-redwood • Tree • West end of Experimental Greenhouse
Taxodium distichum • Bald cypress • Tree • Between north end of Sci. C and curved sidewalk
Thuja occidentalis • White cedar, American arborvitae • Tree • SW side of Founders, near Van Matre Hall
Thuja plicata • Western red cedar • Tree • East of Art Building (2A)
Thuja standishii • Japanese arborvitae • Tree • North side of Gist Hall
Thujopsis dolabrata • False arborvitae, hiba-arborvitae • Tree • Edge of ivy border, southwest of Sci. C

GINKGOACEAE — GINKGO OR MAIDENHAIR TREE FAMILY

Ginkgo biloba • Maidenhair tree • Tree • Parking lot south of Harry Griffith Hall

PHYLLOCLADACEAE — CELERY-PINE FAMILY

Phyllocladus trichomanes var. *alpinus* • Alpine celery-pine • Shrub • North of Conservatory
Phyllocladus aspleniifolius • Celery-top-pine • Shrub • North of Conservatory

PINACEAE — PINE FAMILY

Abies amabilis • Pacific silver fir • Tree • Redwood Residence Court
Abies concolor • White fir • Tree • ??
Abies grandis • Grand fir • Tree • Northwest corner of Founders Hall
Abies procera • Noble fir • Tree •
Cathaya argyrophylla • Silver-leaved cathaya • Tree • North of Conservatory Dome ??
Cedrus atlantica • Atlas cedar • Tree • North side of Child Development Laboratory
Cedrus deodara • Deodar cedar • Tree • Northwest corner of Field House
Keteleeria davidiana • Common keleleeria • Tree • Slope below Sci. A
Keteleeria fortunei • Fortune keteleeria, foothill keteleeria • Tree • Slope between Sci. A and Sci. C
Larix decidua • European larch • Tree • Southeast corner of Experimental Greenhouse
Picea engelmannii • Engelmann spruce • Tree • Southwest corner of Redwood Residence Hall
Picea orientalis cv. 'atrovirens' • Oriental spruce, Caucasian spruce • Tree • Southwest of Conservatory
Picea pungens • Blue spruce, Colorado blue spruce • Tree • Lawn south of Sci. D
Picea sitchensis • Sitka spruce • Tree • South of Forestry Building
Pinus aristata • Bristlecone pine • Tree • Slope between Sci. A & C, near Experimental Greenhouse
Pinus canariensis • Canary pine • Tree • Southwest corner of Siemens Hall
Pinus contorta • Shore pine • Tree • Southeast of Founders Hall
Pinus flexilis cv. 'Vanderwolf's pyramid' • Tree • North side of Gist Hall along Laurel Drive
Pinus mugo var. *mugo* • Mountain pine • Tree • South of Gist Hall
Pinus muricata • Bishop pine • Tree • ??
Pinus palustris • Long-leaved pine • Tree • South side of Campus Events Area
Pinus radiata • Monterey pine • Tree • Parking area near Union and A St.
Pinus strobus • Eastern white pine • Tree • Planter southeast of Sci. B
Pinus sylvestris • Scots pine, Scotch pine • Tree • East of Experimental Garden ??
Pinus thunbergii • Japanese black pine • Tree • Planters on steps at west side of Art Building
Pinus torreyana • Torrey pine • Tree • Native Plant Garden at L. K. Wood and Plaza
Pinus uncinata • Mountain pine • Shrub • ??
Pseudolarix amabilis • Golden-larch • Tree • Southeast corner of Experimental Greenhouse
Pseudotsuga menziesii • Douglas-fir • Tree • Slope between Sci. A & C
Tsuga heterophylla • Western hemlock • Tree • Hillside north of Founders Hall

PODOCARPACEAE — PODOCARP OR YELLOW WOOD FAMILY

Afrocarpus gracilior • African fern-pine, common yellow wood • Tree • West of steps at ne corner Sci. B
Dacrydium dacrydioides • New Zealand darcy berry • Shrub • North of Conservatory
Dacrydium cupressinum • Red-pine, rimu tree • Slope southwest of Sci. C
Manoao colensoi • Silver-pine, westland-pine • Tree • North of Conservatory Dome
Microcachrys tetragona • Creeping-pine, strawberry-pine • Shrub • Head of steps northwest of Conservatory
Podocarpus acutifolius • Needle-leaved totara • Tree • North of Conservatory
Podocarpus elongatus • African yellowwood • Tree • Northeast corner of Siemens Hall
Podocarpus cunninghamii • Hall's podocarpus • Shrub • North of Conservatory
Podocarpus lawrencei • Mountain plum-pine • Shrub • North of Conservatory
Podocarpus macrophyllum • Southern-yew, Buddhist-pine • Tree • South side of Siemens Hall
Podocarpus nivalis • Alpine totara, snow totara • Shrub • North of Conservatory
Podocarpus nubigenus • Chilean podocarpus • Shrub • North of Conservatory
Podocarpus salignus • Willow-leaved podocarpus • Shrub • North of Conservatory
Podocarpus totara • Totara • Tree • East of entrance to Conservatory
Prumnopitys andina • Plum-fruited-yew, Chilean miro • Shrub • North of Conservatory
Prumnopitys ferruginea • Miro, brown-pine • Tree • South side of Sci. B
Prumnopitys ladei • Mt. Spurgeon black-pine, Queensland miro • Tree • Southeast corner of Sci. B
Saxegothaea conspicua • Prince Albert-yew • Shrub • North of Conservatory; south side of Sci. B

SCIADOPITYACEAE — UMBRELLA-PINE FAMILY

Sciadopitys verticillata • Japanese umbrella-pine • Tree • Southwest corner of Sci. A

TAXACEAE — YEW FAMILY

Amentotaxus formosana • Taiwan amentotaxus, Taiwan catkin-yew • Tree • Stairs between Sci. A & B
Taxus baccata • English yew • Shrub • Southwest and west side of Founders Hall courtyard; side of Art Bldg.
Taxus brevifolia • Western yew • Shrub • Southwest corner of Sunset Residence

GROUP 1C: FLOWERING PLANTS

ACANTHACEAE — ACANTHUS FAMILY

Acanthus mollis cv. 'latifolius' • Bear's-breech • Herb • Northwest corner of Bret Harte House

ACERACEAE — MAPLE FAMILY

Acer circinatum • Vine maple • Shrub • Railing at north-east corner of Home Economics
Acer macrophyllum • Bigleaf maple • Tree • South of Experimental Greenhouse
Acer palmatum • Japanese maple • Tree • Southwest corner of Little Apartments
Acer platanoides • Norway maple • Tree • Southeast corner of Art Building (2A); north side of Library
Acer platanoides cv. 'schwedleri' • Schwedler maple • Tree • Corner of B and 17th St.
Acer pseudoplatanus cv. 'atropurpureus' • Sycamore maple • Tree • East side of Student/Bus. Services
Acer rubrum • Red maple • Tree • South side of Library; east of Art Bldg.
Acer saccharinum • Silver maple • Tree • South side of Library
Acer saccharum • Sugar maple • Tree • Statues between Sci. A and Forbes Complex

AGAVACEAE — AGAVE OR CENTURY PLANT FAMILY

Cordylone stricta • Dracaena • Tree-like herb • Center planter in Redwood-Sunset Residence Hall quad
Dracaena marginata • Corn plant • Robust herb • Southwest corner of Founders Hall
Phormium tenax • New Zealand-flax • Robust herb • Southeast corner of Harry Griffith Hall
Phormium tenax cv. 'variegatum' • New Zealand-flax • Robust herb • Retaining wall northeast of Art Building

AIZOACEAE — ICE PLANT FAMILY

Lampranthus coccineus • Succulent herb • Van Matre Hall
Lampranthus multiradiatus • Succulent herb • Southwest border of Campus Events Area

APOCYNACEAE — DOGBANE OR MILKWEED FAMILY

Trachelospermum jasminoides • Star jasmine • Herb • East, west, and south sides of Sci. B
Vinca major • Greater periwinkle • Herb • B St • at sidewalk leading behind Natural Resources Building
Vinca minor • Common periwinkle • Herb • Flanking interior steps of central section of Art Building

AQUIFOLIACEAE — HOLLY FAMILY

Ilex aquifolium • English holly • Shrub • Lower tier below Founders Hall
Ilex cornuta cv. 'burfordii' • Chinese holly • Shrub • East of steps on south side of Jenkins Hall

ARACEAE — AROID OR PHILODENDRON FAMILY

Philodendron selloum • Philodendron • Herb • Along sidewalk below east end of Sci. A
Zantedeschia aethiopica • Calla-lily • Herb • North side of Sci. A

ARALIACEAE — GINSENG FAMILY

Fatsia japonica • Japanese fatsia • Herb • West of entrance to Forestry Building
Hedera canariensis • Algerian ivy • Groundcover • North and west sides of Natural Resources Building
Helix canariensis cv. 'variegata' • Algerian ivy • Groundcover • Slopes below Founders Hall
Hedera helix var. *helix* • English ivy • Groundcover • Southwest corner of Library
Hedera helix var. *hahnii* • Hahn's English ivy • Groundcover ??
Tetrapanax papyrifera • Rice-paper plant • Herb • East of Comstock House

ARISTOLOCHIACEAE — DUTCHMAN'S PIPE FAMILY

Asarum caudatum • Wild ginger • Herb • Beside west set of steps on south side of Van Duzer Plaza

BEGONIACEAE — BEGONIA FAMILY

Begonia cucullata var. *hookeri* • Begonia • Herb • Near southwest entrance to University Center

BERBERIDACEAE — BARBERRY FAMILY

Berberis buxifolia • Magellan barberry • Shrub • Northwest corner of Sci. A
Berberis darwinii • Darwin's barberry • Shrub • West side of Field House
Berberis julianae • Wintergreen barberry • Shrub • North side of Gist Hall
Berberis thunbergii cv. 'atropurpurea' • Japanese barberry • Shrub • Steps at west end of Sci. A
Berberis wilsoniae • Wilson's barberry • Shrub • Southeast of Gist Hall on Pine St.
Mahonia aquifolium • Oregon-grape • Shrub • West end of Sci. A
Mahonia bealei • Leatherleaf barberry • Shrub • Southeast corner of Health Center
Mahonia lomariifolia • Barberry • Shrub • Southeast corner of Library
Mahonia nervosa • Cascades barberry • Shrub • East of Fern Lake
Nandina domestica • Heavenly-bamboo • Shrub • Flanking east entrance to Siemens Hall
Vancouveria hexandra • Inside-out-flower • Herb • ??

BETULACEAE — BIRCH FAMILY

Alnus cordata • Italian alder • Tree • Circular planter southwest of Van Matre Hall
Alnus rhombifolia • White alder • Tree • East of steps north of Music Building
Alnus rubra • Red alder • Tree • Behind Forestry Building
Betula alleghaniensis • Yellow birch • Tree • West side of Health Center
Betula occidentalis • Water birch • Tree • Adjacent to L. K. Wood, northwest of Library
Betula pendula • European white birch • Tree • Northwest corner of Siemens Hall (possibly *B. verrucosa*)
Betula populifolia • Gray birch • Tree • Along B St • at south end of Plant Operations

BIGNONIACEAE — BIGNON OR TRUMPET CREEPER FAMILY

Macfadyena unguis-cati • Cat's claw • Vine • Along retaining wall at northeast corner of Sci. A

BORAGINACEAE — BORAGE FAMILY

Symphytum officinale • Comfrey • Herb • Back steps of Werner Duplex at 14th & B

BUXACEAE — BOXWOOD FAMILY

Buxus microphylla var. *japonica* • Japanese boxwood • Shrub • Southeast side of Music Building
Buxus microphylla var. *microphylla* • Boxwood • Shrub • Lining main steps to Founders Hall
Buxus sempervirens • Common boxwood • Shrub • Planters at west end of central part of Art Building
Pachysandra terminalis • Japanese-spurge • Herb • West end of Sci. A below loading dock

CALYCANTHACEAE — SPICE BUSH FAMILY

Calycanthus occidentalis • California spice bush • Shrub • Between Sci. C and Sci. D

CAMPANULACEAE — BELLFLOWER FAMILY

Laurentia fluvialtilis • Blue star creeper • Groundcover • Southwest entrance to Siemens Hall
Lobelia erinus • Lobelia • Herb • Ephemeral used as border plant at various sites around campus

CAPRIFOLIACEAE — HONEYSUCKLE FAMILY

Abelia chinensis • Abelia • Shrub • Bordering parking lot south of Van Matre Hall
Abelia floribunda • Mexican abelia • Shrub • East side of University Center
Abelia x grandiflora • Glossy abelia • Shrub • North side of Gist Hall
Lonicera japonica • Japanese honeysuckle • Vine • Southeast corner of Jenkins Hall
Lonicera nitida • Honeysuckle • Shrub • North side of Sci. A
Viburnum carlesii • Arrow wood • Shrub • Founders Hall Courtyard
Viburnum davidii • Arrow wood • Low shrub • Right of entrance to Forestry Building
Viburnum dentatum • Southern arrow wood • Shrub • ??
Viburnum plicatum • Arrow wood • Shrub • South entrance to Founders Hall
Viburnum suspensum • Sandankwa viburnum • Shrub • East end of Siemens Hall
Weigela floribunda • Shrub • ??
Weigela florida • Old-fashioned weigela • Shrub • Slope below Bret Harte House

CELASTRACEAE — BITTERSWEET FAMILY

Euonymus japonica cv. 'aureo-marginata' • Spindle tree • Shrub • Near steps, Laurel Ave. to West Gymnasium
Maytenus boaria • Mayten • Shrub • East end of Redwood Hall

CISTACEAE — ROCK-ROSE FAMILY

Cistus monspeliensis • Rock-rose • Shrub • Along B St . adjacent to Campus Events Area
Cistus x purpureus • Rock-rose • Shrub • South of Forbes Complex

CLETHRACEAE — CLETHRA FAMILY

Clethra arborea • Lily-of-the-valley tree, white-alder • Shrub • Southeast corner of Library

COMPOSITAE (ASTERACEAE) — SUNFLOWER, ASTER, OR DAISY FAMILY

Ageratum conyzoides • Floss flower, pussy-foot • Herb • Ephemeral planting in several beds
Arctotheca calendula • Cape weed • Herb • Planter in parking lot south of Van Matre Hall
Baccharis pilularis var. *pilularis* • Coyote brush • Low shrub • ??

Baccharis pilularis var. *consanguinea* • Coyote brush • Shrub • Southwest corner of Van Matre Hall
Bellis perennis • English daisy, white-flowered daisy • Herb • Weedy in many lawn areas
Chrysanthemum frutescens • Marguerite • Herb • West side of Harry Griffith Hall, next to parking lot
Chrysanthemum x morifolium • Florist's chrysanthemum • Herb • Between Van Matre Hall & Founders Hall
Euryops pectinatus • Gray-leaved euryops • Yellow-flowered shrub • ??
Gazania linearis • Herb • Planter south of Harry Griffith Hall, along B St.
Gazania ringens var. *leucolaena* cv. 'mitsui' • Treasure flower • ??
Osteospermum fruticosum • Herb • ??
Tagetes erecta • Marigold • Herb • Ephemeral planting in several beds around campus
Tripleurospermum maritimum • Sweet false chamomile, bridal robe • Herb • SW wall of Founders Hall Courtyard

CONVOLVULACEAE — MORNING GLORY FAMILY

Convolvulus cneorum • Silver bush • Shrub • ??

CORNACEAE — DOGWOOD FAMILY

Cornus capitata • Japanese dogwood • Tree • Southeast entrance of Sci. A
Cornus florida • Flowering dogwood • Tree • Northeast corner of Sci. A
Cornus nuttallii • Mountain dogwood • Tree • Next to sidewalk at northeast corner of Sci. A
Corokia cotoneaster • Corokia • Bonzai • Northwest corner of Art Building
Griselinia littoralis • Shrub • Retaining wall at west end of Sci. C

CRASSULACEAE — STONECROP FAMILY

Sedum dendroideum • Stonecrop • Succulent herb • Along southwest wall of Founders Hall Courtyard

CRUCIFERAE (BRASSICACEAE) — MUSTARD FAMILY

Aurinia saxatilis • Basket-of-gold • Herb • Planter at southwest corner of Art Building
Iberis sempervirens • Candy tufts • Herb • North side of Sequoia Plaza
Lobularia maritima • Sweet alyssum • Herb • South side of Theatre Arts Building

CUNONIACEAE — LIGHTWOOD OR COACHWOOD FAMILY

Eucryphia cordifolia • Ulmo, brush bush • Tree • East end of Sci. D

CYPERACEAE — SEDGE FAMILY

Cyperus albobstriatus • Umbrella sedge • Herb • ??

ELAEAGNACEAE — OLEASTER FAMILY

Elaeagnus pungens cv. 'maculata' • Thorny elaeagnus • Shrub • Southeast corner of Siemens Hall
Hippophaë salicifolia • Willow-leaved sea-buckthorn • Tree • Slope between Sci. C & D

ERICACEAE — HEATH FAMILY

Arbutus menziesii • Madrone • Tree • N end of passageway between Sci. A & B; near south side of Bret Harte House
Arbutus unedo • Strawberry tree • Shrub • Northwest end of Founders Hall
Arctostaphylos uva-ursi • Kinnikinnick, bear berry • Low shrub • North end of Sci. D
Calluna vulgaris var. *alba* • Heather • Shrub • Circular planter east of Siemens Hall
Erica canaliculata • Christmas heather • Shrub • West corner of planter in front of Forestry Building
Erica carnea cv. 'vivelli' • Spring heather • Low shrub • Circular planter at east end of Siemens Hall
Erica carnea var. *alba* • Spring heather • Shrub • NW corner of Sci. A; circular planter at E end of Siemens Hall
Erica ciliaris • Fringed heather • Shrub • Planter on north side of west end of Sci. A
Erica x darleyensis • Heather • Shrub • Central walkway of Founders Hall Courtyard
Erica lusitanica • Spanish heather • Shrub • West side of Tennis Courts
Erica macrantha • Heather • Shrub • Northwest section of Campus Events Area
Erica mediterranea • Irish heather • Shrub • Below walkway at southwest corner of Founders Hall
Erica vagans • Cornish heather • Shrub • Planter on west side of Van Matre Hall
Gaultheria shallon • Salal • Shrub • Northeast corner of Founders Hall
Pieris floribunda • Fetter bush • Shrub • Southeast corner of Art Building
Pieris japonica cv. 'mountain fire' • Japanese andromeda • Student & Business Services Bldg.
Pieris forrestii • Chinese pieris • Shrub • Southeast corner of Library
Pieris sp. • Fetterbush • Shrub • Harry Griffith Hall
Rhododendron macabeum • Shrub • North side of Siemens Hall
Rhododendron macrophyllum • California rosebay • Shrub • South side of Balabanis House
Rhododendron molle • Chinese azalea • Shrub • South section of upper tier of Founders Hall
Rhododendron mucronatum • Snow azalea • ??
Rhododendron occidentale cv. 'exbury' • Western azalea • Shrub • Slope in front of Founders Hall
Rhododendron occidentale cv. 'mollis' • Western azalea • Shrub • Slope in front of Founders Hall
Rhododendron sinogrande • Shrub • North side of Siemens Hall ??
Rhododendron cv. 'David' • Shrub • West side of Siemens Hall ??
Rhododendron cv. 'Mrs. G. W. Leak' • Shrub • Left of sidewalk leading to southwest entrance of Siemens Hall
Rhododendron cv. 'unknown warrior' • Shrub • Left of southwest entrance to Siemens Hall
Vaccinium ovatum • California huckleberry • Shrub • Southeast of East Gym
Vaccinium parvifolium • Red huckleberry • Shrub • Southeast of East Gym

FAGACEAE — BEECH OR OAK FAMILY

Fagus grandifolia • American beech • Tree • Between Karshner House and Forestry Greenhouse
Quercus agrifolia • California live oak • Tree • North side of Sci. A
Quercus alba • White oak • Tree • Between Sci. A & C

Quercus ilex • Holly oak • Tree • West side of Library
Quercus lobata • Valley oak • Tree • Southeast corner of Health Center
Quercus palustris • Pin oak • Tree • Head of stairs across from Biological Sci.s Greenhouse
Quercus rubra • Red oak • Tree • Next to Forestry Greenhouse
Quercus suber • Cork oak • Tree • Northeast corner of Library
Quercus velutina • Black oak • Tree • Planter east of Child Development Laboratory

GARRYACEAE — SILK TASSEL FAMILY

Aucuba japonica • Japanese acuba, Japanese-laurel • Shrub • South wall of Founders Hall Courtyard

GERANIACEAE — GERANIUM FAMILY

Pelargonium hortense • Geranium • Herb • Northeast of Comstock House
Pelargonium hortorum • Fish geranium • Herb • ??
Pelargonium peltatum • Ivy geranium • Herb • ??

GRAMINEAE (POACEAE) — GRASS FAMILY

Agrostis stolonifera • Creeping bent • Herb • Lawn on west and south sides of Sci. D
Bambusa oldhamii • Oldham's bamboo • Bamboo • Southeast corner of Sci. A
Calamagrostis sp • Reed grass • Herb • Southeast corner of Sci. D
Cortaderia jubata • Pampas grass • Robust herb • South side of Tennis Courts
Cynosurus cristatus • Dogtail grass • Herb • Uncommon weed
Festuca ovina var. *glauca* • Blue fescue • Herb • ??
Festuca rubra • Red fescue • Herb • Lawn on west and south sides of Sci. D
Muhlenbergia capillaris • Pink muhly, gulf muhly, mist grass • Herb • Planter east of Art Building
Phyllostachys aurea • Fishpole bamboo • Bamboo • West end of Experimental Greenhouse
Phyllostachys nigra • Black bamboo • Bamboo • South and west sides of Harry Griffith Hall
Stipa sp • Needle grass • Herb • Front of Hopkins and Spidell Houses

GROSSULARIACEAE — GOOSEBERRY FAMILY

Escallonia rubra var. *macrantha* • Red escallonia • Shrub • Slope south of Sci. D
Escallonia rubra var. *rubra* • Red escallonia • Shrub • ??
Ribes sanguineum • Red-flowering currant • Shrub • South side of Library

GUNNERACEAE — Gunnera Family

Gunnera insignis • Poor man's umbrella • Shrub • Pool between Sci. B & C

HAMAMELIDACEAE — WITCH HAZEL FAMILY

Liquidambar styraciflua • Sweet gum • Tree • South side of Siemens Hall; east side of B St.
Loropetalum chinense cv. 'rubrum' • Razzleberry, Chinese fringe bush • Shrub • North entrance of Sci. D

HIPPOCASTANACEAE — BUCKEYE FAMILY

Aesculus californica • California buckeye • Tree • Native plant garden at L. K. Wood and Plaza

HYDRANGEACEAE — HYDRANGEA FAMILY

Deutzia gracilis • Slender deutzia • Shrub • ??
Deutzia x rosea • Shrub • ??
Hydrangea macrophylla • French hydrangea • Shrub • Northeast corner of Sci. B
Philadelphus lewisii • Mock orange • Shrub • ??

HYPERICACEAE — MANGOSTEEN FAMILY

Hypericum calycinum • Creeping St • John's wort • Shrub • Southwest corner of Campus Events Area

IRIDACEAE — IRIS FAMILY

Crocasmia x crocosmiiflora • Montbretia • Herb • ??
Crocasmia masonorum • Montbretia • Herb • Planter at northwest corner of Sci. A
Dietes vegeta • Butterfly or African-iris • Herb • Northeast corner of Music Building
Iris pseudacorus • Iris • Herb • ??
Moraea tricuspidata • Butterfly-iris • Herb • ??
Sparaxis grandiflora • Wand flower • Herb • ??
Watsonia sp • Bugle-lily • Herb • Adjacent to Mai-Kai Wash House

LABIATAE (LAMIACEAE) — MINT FAMILY

Ajuga reptans • Bugle weed • Groundcover • Just north of Music Building along sidewalk
Rosmarinus officinalis • Rosemary • Aromatic shrub • Along B St. beside Campus Events Area
Salvia splendens • Scarlet sage • Herb • ??

LARDIZABALACEAE — LARDIZABALA FAMILY

Akebia quinata • Chocolate vine • Vine • Growing on an alder below path between Sci. C & D

LAURACEAE — LAUREL FAMILY

Cinnamomum camphora • Camphor tree • Tree • Planter south of Sci. C and west of Sci. B
Persea americana • Avocado • Tree • ??
Umbellularia californica • California bay • Tree • East of Jolly Giant Complex

LEGUMINOSAE (FABACEAE) — BEAN, PEA, OR LEGUME FAMILY

Acacia baileyana • Bailey's acacia • Shrub • West edge of campus along L. K. Wood Blvd.

Acacia longifolia • Sydney golden wattle • Tree • Next to Tennis Courts
Acacia melanoxylon • Blackwood acacia • Tree • South side of Field House
Acacia pycnantha • Golden wattle • Tree • Behind Fish Hatchery water tank
Acacia verticillata • Prickly Moses • Tree • Steps at west end of Conservatory
Cercis canadensis var. *orbiculata* • Western redbud • Tree • East side of Sci. B
Clianthus puniceus • Parrot's-beak, kaka-beak • Shrub • East of Conservatory entrance
Cytisus scoparius • Scotch broom • Shrub • East of Jolly Giant Complex
Cytisus scoparius cv. 'andreaanus' • Normandy broom • ??
Genista monspessulana • Montpelier broom • Shrub • Southeast corner of Wildlife Building
Laburnum anagyroides • Golden chain tree • Tree • Southwest corner of Health Center; west of Tennis Courts
Lathyrus latifolius • Perennial pea, sweet pea • Vine • West of parking lot behind Library
Robinia pseudoacacia • Black locust • Tree • Behind Forestry Building
Wisteria floribunda • Japanese wisteria • Vine • Fence at southwest corner of Plant Operations

LILIACEAE — LILY FAMILY

Agapanthus africanus • African lily • Herb • Courtyard between Sunset & Redwood Residence Halls
Agapanthus orientalis • Lily-of-the-Nile • Herb • Southeast corner of Health Center
Allium triquetrum • Wild onion • Herb • B St. between Natural Resources Building and parking lot
Amaryllis belladonna • Belladonna lily, naked ladies • Herb • Corner of 17th St. and Wildlife Lane
Leucojum aestivum • Giant snowflake • Herb • ??
Hemerocallis sp • Daylily • Herb • Southwest corner of Library
Kniphofia uvaria • Red-hot-poker • Herb • ??
Lilium sp • Lily • Herb • Next to west set of steps south of Van Duzer Plaza
Maianthemum dilatatum • False lily-of-the-valley • Herb • ??
Ophiopogon japonicus • Mondo-grass • Herb • Planter at west end of Sci. B

MAGNOLIACEAE — MAGNOLIA FAMILY

Liriodendron tulipifera • Tulip tree • Tree • Northwest corner of Child Development Lab
Magnolia grandiflora • Bull bay • Tree • Wildlife Lane
Magnolia grandiflora cv. 'St. Mary' • Glen St. Mary magnolia • Steps at west end of Conservatory
Magnolia sieboldii • Oyama magnolia • Tree • West of Sunset Hall
Magnolia x soulangeana • Chinese magnolia • Tree • Northwest corner of Siemens Hall
Magnolia stellata • Star magnolia • Tree • South side of Language Arts Building
Michelia doltsopa • Michelia • Shrub • Slope between Sci. C & Sci. D
Michelia figo • Banana shrub • Shrub • Slope between Sci. C & Sci. D

MALVACEAE — MALLOW OR COTTON FAMILY

Abutilon pictum • Flowering-maple • Tree • East of entrance to Forestry Building
Alcea rosea • Hollyhock • Shrub • Along southwest wall of Founders Hall Courtyard

MELASTOMATACEAE — MELASTOME FAMILY

Tibouchina urvilleana • Glory bush • Shrub • Next to southwest entrance to Siemens Hall

MELIANTHACEAE — MELIANTHUS FAMILY

Melianthus major • Honey flower • Robust herb • W of se entrance to Siemens Hall; N entrance to Sci. D

MENISPERMACEAE — MOONSEED FAMILY

Cocculus laurifolius • Laurel-leaved snail tree, platter-leaf • Shrub • Southwest corner of Sunset Hall

MORACEAE — MULBERRY FAMILY

Ficus pumila • Creeping fig • Spreading shrub • West side of Student Health Center

MYRICACEAE — BAYBERRY FAMILY

Morella californica • California wax myrtle • Tree • West of Library; east of steps north of ne entrance of Sci. A
Myrica cerifera • Wax myrtle • Tree • Planters northwest of Jolly Giant Commons

MYRSINACEAE

Myrsine africana • Cape myrtle, African boxwood • Tree • East end of Sci. D

MYRTACEAE — MYRTLE FAMILY

Callistemon citrinus • Crimson bottle brush • Tree • Flanking sidewalk south of University Center
Callistemon rigidus • Bottle brush • Tree • South side of Forestry Greenhouse
Eucalyptus globosus • Blue gum • Tree • Behind Founders Hall
Eucalyptus nicholii • Narrow-leaved black pepper-mint • Tree • ??
Eucalyptus polyanthemos • Silver dollar gum • Tree • North of Sci. A
Feijoa sellowiana • Pineapple guava • Tree • Planter at northwest corner of Sci. A
Leptospermum laevigatum • Australian tea tree • Tree • West side of Library
Leptospermum scoparium • Tea tree • Tree • Southwest corner of B St. and Laurel St.
Metrosideros excelsus • New Zealand Christmas tree • Tree • Circular planter at east end of Siemens Hall
Syzygium paniculatum • Brush-cherry • Tree • South side of Plant Operations along 14th St.

NYCTAGINACEAE — FOUR O'CLOCK FAMILY

Bougainvillea spectabilis • Bougainvillea • Vine • South of entrance to Library
Marabilis jalapa • Four-o'clock • Herb • Northeast corner of Gist Hall

OLEACEAE — OLIVE FAMILY

Ligustrum japonicum cv. 'variegatum' • Wax-leaf privet • Tree • ??
Ligustrum japonicum cv. 'texanum' • Texas privet • Shrub • South side of Campus Events Area
Ligustrum ovalifolium • California privet • Shrub • Southwest corner of Experimental Greenhouse
Osmanthus delavayi • Delavayi osmanthus • Shrub • East side of Founders Hall Courtyard
Osmanthus x fortunei • Shrub • Between Harry Griffith Hall & Child Development Laboratory
Osmanthus fragrans • Fragrant-olive, tea-olive • Shrub • North side of Library
Osmanthus heterophyllus • Holly-olive, false holly, Chinese holly • Shrub • ??
Syringa vulgaris • Lilac • Shrub • Opposite north entrance of Sci. A

ONAGRACEAE — EVENING-PRIMROSE FAMILY

Epilobium canum ssp. *latifolium* • California-fuchsia • Herb • Along path below sw corner of Bret Harte House
Fuchsia boliviana • Fuchsia • Shrub • Near corner of Union St. and road to Forbes Complex
Fuchsia coccinea • Fuchsia • Shrub • ??
Fuchsia x hybrida • Fuchsia • Shrub • Houses south of Harpst Avenue
Fuchsia japonica • Japanese fuchsia • Shrub • ??
Fuchsia magellanica • Hardy fuchsia • Shrub • Houses south of Harpst Avenue
Fuchsia splendens • Fuchsia • Shrub • Northwest entrance to Founders Hall

OXALIDACEAE — OXALIS OR SORREL FAMILY

Oxalis oregana • Redwood sorrel • Herb • South side of Library; north side of Sci. A
Oxalis pes-caprae • Bermuda-buttercup • Herb • Slopes below Experimental Greenhouse

PALMAE (ARECACEAE) — PALM FAMILY

Chamaerops humilis • European fan palm • Tree • Flanking steps between Music Bldg. and Siemens Hall

PAPAVERACEAE — POPPY FAMILY

Dicentra formosa • Bleeding hearts • Herb • ??

PITTIOSPORACEAE — PITTIOSPORUM FAMILY

Pittosporum eugenioides • Tarata • Tree • Just west of Experimental Greenhouse
Pittosporum tenuifolium • Tawhiwhi • Tree • Plant Operations parking lot on B St. side
Pittosporum tobira • Japanese pittosporum • Tree • West side of Jenkins Hall
Pittosporum undulatum • Victorian box • Tree • Northwest of Alder Residence Hall

PLATANACEAE — SYCAMORE FAMILY

Platanus x acerifolia • London plane tree • Tree • South side of Van Matre Hall

POLYGONACEAE — KNOTWEED OR SMARTWEED FAMILY

Muhlenbeckia complexa • Maidenhair vine • Vine • On redwood stump below Warren House

PROTEACEAE — PROTEA FAMILY

Grevillea juniperina • Spider flower • Shrub • East side of Gist Hall
Grevillea rosmarinifolia • Spider flower • Shrub • West side of Brookins House
Grevillea robusta • Silk-oak • Shrub • Between Redwood and Sunset Residence Halls
Grevillea thelemanniana • Spider flower • Shrub • ??
Stenocarpus sinuatus • Tall firewheel tree • Shrub • Southwest corner of Music Building

RHAMNACEAE — COFFEE BERRY FAMILY

Ceanothus gloriosus • Pt. Reyes creeper • Prostrate shrub • North side of east wing of Nelson Hall
Ceanothus griseus var. *horizontalis* • Carmel creeper • Groundcover • East end of Art Building (2A)
Ceanothus thyrsiflorus • Blue blossom • Shrub • Northeast of Plant Operations
Frangula purshiana • Cascara • Tree • Along B St. at southwest corner of Natural Resources Building

ROSACEAE — ROSE FAMILY

Cercocarpus betuloides • Mountain-mahogany • Shrub • Native plant garden at L. K. Wood and Plaza
Chaenomeles japonica • Flowering quince • Tree • South side of Telonicher House
Chaenomeles speciosa • Japanese quince • Tree • Left of stairs at northeast corner of Sci. A
Cotoneaster franchetii • Franchet's cotoneaster • Shrub • ??
Cotoneaster horizontalis • Rock cotoneaster • Shrub • West of Sci. A
Cotoneaster lactea • Cotoneaster • Shrub • South side of Library
Cotoneaster pannosa • Silver-leaved cotoneaster • Steps at west end of Conservatory
Cotoneaster pannosa cv. 'nanus' • Silver-leaved cotoneaster • Shrub • ??
Cotoneaster parneyi • Parney's cotoneaster, Parney's red clusterberry • Shrub •
Cotoneaster salicifolia • Willow-leaved cotoneaster • Shrub • Between Harry Griffith & Swetman Laboratory
Cotoneaster simonsii • Himalayan cotoneaster • Shrub • ??
Crataegus laevigata • English hawthorn • Tree • South side of Art Bldg., opposite n entrance of Sci. A
Crataegus x lavalleyi • Hawthorn • Tree • ??
Crataegus sp. • Hawthorn • Tree • East side of Harry Griffith Hall
Eriobotrya japonica • Loquat • Tree • Between Sci. C & D
Fragaria chiloensis • Wild strawberry • Herb • East side of Sci. B below shrubs
Heteromeles arbutifolia • Toyon • Shrub • North of Experimental Greenhouse
Holodiscus discolor • Ocean spray • Shrub • Intersection of L. K. Wood & Sunset
Lyonothamnus floribundus • Catalina ironwood • Tree • Native Plant Garden west of Library Parking Lot
Malus sp. • Apple • Tree • Northeast corner of Harry Griffith Hall along B St.
Photinia x fraseri • Photinia • Shrub • Southeast corner of Library

Photinia serrulata • Chinese photinia • Shrub • Southwest side of Siemens Hall
Prunus x blirieana • Double cherry-plum • Tree • West of entrance to Forestry Building
Prunus ceraceus cv. 'thundercloud' • Sour cherry • Tree • Planter in parking lot south of Warren House
Prunus laurocerasus cv. 'zabeliana' • Cherry laurel • Shrub • NE corner, Library; planters at nw corner, Sci. A
Prunus lyonii • Catalina cherry • Shrub • Northwest entrance to University Center
Prunus serrulata • Japanese flowering cherry • Tree • B St. in front of Plant Operations
Prunus yedoensis • Yoshino flowering cherry • Tree • Student & Business Services Bldg.
Pyracantha angustifolia • Firethorn • Shrub • ??
Pyracantha coccinea cv. 'lalendei' • Firethorn • Shrub • South side of Jenkins Hall
Pyracantha crenato-serrata • Firethorn • Shrub • Northwest corner of Sci. A
Pyracantha fortuneana • Firethorn • Shrub • West end of Sci. A
Pyracantha koidzumii • Firethorn • Shrub • South side of Jenkins Hall
Pyracantha prostratus • Prostrate firethorn • Shrub • South of entrance to Library
Pyrus kawakamii • Evergreen pear • Tree • ??
Rhaphiolepis indica cv. 'rosea' • Indian hawthorn, Indian plum • Shrub • South side of Health Center
Rhaphiolepis umbellata • Indian hawthorn • Shrub • Southwest corner of Siemens Hall
Rosa spp • Roses • Shrubs • West of Music Building
Rubus parviflorus • Thimbleberry • Shrub • ??
Rubus discolor • Himalaya berry • Shrub • ??
Rubus vitifolius • California blackberry • Shrub • ??
Spiraea douglasii • Douglas' spiraea • Shrub • Native Plant Garden west of Library
Spiraea x vanhouttei • Bridal wreath • Shrub • South side of Sci. A

RUBIACEAE — MADDER FAMILY

Coprosma kirkii • Mirror plant • Shrub • South and west sides of Sci. D
Coprosma repens • Mirror plant • Shrub • Next to Tennis Courts; beside Theatre Arts loading dock

RUTACEAE — CITRUS FAMILY

Choisya ternata • Mexican-orange • Shrub • Either side of main entrance of Library
Citrus limon cv. 'meyer' • Meyer lemon • Shrub • Central walkway of Founders Hall Courtyard
Coleonema pulchrum • Pink breath-of-heaven • Shrub • Sidewalk leading to sw entrance of Siemens Hall
Ptelea trifoliata • Hop tree • Tree • North side of Swetman Child Development Laboratory
Skimmia japonica • Japanese skimmia • Shrub • South wall of Founders Hall Courtyard

SALICACEAE — WILLOW FAMILY

Populus nigra cv. 'italica' • Black poplar • Tree • Behind Forestry Building
Populus tremula • European aspen • Tree • Game Pens
Populus tremuloides • Quaking aspen • Tree • Southwest corner of Sci. D
Salix alba var. *tristis* • White willow • Tree • ??
Salix matsudana cv. 'tortuosa' • Dragon claw willow • Tree • Lawn on south side of Sci. C
Xylosma congestum • Shiny xylosma • Shrub • Southeast side of Redwood Hall; southeast corner of Library

SAPINDACEAE — SOAPBERRY FAMILY

Dodonaea viscosa • Hop bush • Shrub • Northeast corner of Forestry Greenhouse
Dodonaea viscosa cv. 'purpurea' • Hop bush • Shrub • South side of Library

SAXIFRAGACEAE — SAXIFRAGE FAMILY

Bergenia ciliata • Winter begonia • Herb • Planter boxes on north side of Music Building
Carpenteria californica • Tree-anemone • Shrub • East of steps at southeast corner of Sci. A
Heuchera sanguinea • Coral bells • Herb • Planter at northwest corner of Sci. A

SCROPHULARIACEAE — SCROPH OR SNAPDRAGON FAMILY

Buddleja davidii • Summer-lilac • Shrub • Southwest of Bret Harte House
Digitalis purpurea • Foxglove • Herb • Slope along B St. south of Natural Resources Building
Hebe amplexicaulis • Hebe • Shrub • Southwest of Founders Hall
Hebe buxifolia • Hebe • Shrub • South side of Library
Hebe buxifolia cv. 'Patty's purple' • Shrub • East, north, and west sides of Library
Hebe salicifolia • Hebe • Shrub • Right of southwest entrance to Siemens Hall
Hebe speciosa • Showy hebe • Shrub • South side of Library
Nemesia strumosa • Herb • Ephemeral planting, as at southwest corner of Art Building (2A)

SOLANACEAE — NIGHTSHADE OR POTATO FAMILY

Petunia hybrida • Petunia • Herb • Ephemeral plantings around campus

THEACEAE — CAMELLIA OR TEA FAMILY

Camellia hiemalis cv. 'shishi-gashira' • Camellia • Shrub • South side of Library
Camellia hiemalis cv. 'showa-no-sakae' • Camellia • Shrub • South side of Library
Camellia japonica • Common camellia • Shrub • Southwest corner of Founders Hall
Camellia reticulata • Camellia • Shrub • North and south sides of Little Apartments
Camellia sasanqua • Sasanqua camellia • Shrub • North side of entrance to Brookins House

TROCHODENDRACEAE — WHEEL TREE FAMILY

Trochodendron aralioides • Wheel tree • Tree • Slope below lawn south of Sci. C

TROPAEOLACEAE — NASTURTIUM FAMILY

Tropaeolum majus • Nasturtium • Herb • Elevated bed along B St. adjacent to Campus Events Area

ULMACEAE — ELM FAMILY

Ulmus procera • English elm • Tree • Planter between Bret Harte House & Gist Hall
Ulmus pumila • Siberian elm • Tree • North side of Little Apartments

URTICACEAE — NETTLE FAMILY

Soleirolia soleirolii • Baby's tears • Herb • Circular planter at east end of Siemens Hall

VERBENACEAE — VERVAIN OR VERBENA FAMILY

Verbena bonariensis • Purple-top vervain, tall verbena • Herb • Slope below Experimental Greenhouse

VIOLACEAE — VIOLET FAMILY

Viola tricolor • Pansy • Herb • Ephemeral plantings
Viola sp. • Violet • Herb • Circular planter on Van Duzer Plaza

VITACEAE — GRAPE FAMILY

Cissus striata • Miniature grape ivy • Vine • ??
Parthenocissus quinquefolia • Virginia creeper • Vine • Student & Business Services Bldg.
Parthenocissus tricuspidata • Boston ivy • Vine • South side of Library

WINTERACEAE — WINTER'S BARK FAMILY

Drimys lanceolata • Mountain-pepper, Tasmannian-pepper • Shrub • Stairs west of Conservatory
Drimys winteri • Winter's bark, canelo • Tree • Slope between Sci. C & D

LIST 2 - FAMILIES: COMMON NAMES TO TECHNICAL NAMES

Acanthus →	Acanthaceae	Dogwood →	Cornaceae	Morning glory →	Convolvulaceae
Akebia →	Lardizabalaceae	Dutchman's pipe →	Aristolochiaceae	Mulberry →	Moraceae
Alder →	Betulaceae			Mustard →	Cruciferae
Amaryllis →	Liliaceae	Elm →	Ulmaceae	Myrsine →	Myrsinaceae
Aralia →	Araliaceae	Evening-primrose →	Onagraceae	Myrtle →	Myrtaceae
Araucaria →	Araucariaceae				
Aroid →	Araceae	Four o'clock →	Nyctaginaceae	Nasturtium →	Tropaeolaceae
Aster →	Compositae	Geranium →	Geraniaceae	Nettle →	Urticaceae
Avocado →	Lauraceae	Ginkgo →	Ginkgoaceae	Nightshade →	Solanaceae
		Ginseng →	Araliaceae		
Bald cypress →	Cupressaceae	Gooseberry →	Grossulariaceae	Oak →	Fagaceae
Barberry →	Berberidaceae	Grape →	Vitaceae	Oleander →	Apocynaceae
Basswood →	Malvaceae	Grass →	Gramineae	Oleaster →	Elaeagnaceae
Bayberry →	Myricaceae	Gunnera →	Gunneraceae	Olive →	Oleaceae
Bean →	Leguminosae			Oxalis →	Oxalidaceae
Beech →	Fagaceae				
Begonia →	Begoniaceae	Harebell →	Campanulaceae	Palm →	Palmae
Bellflower →	Campanulaceae	Heath →	Ericaceae	Pea →	Leguminosae
Bignon →	Bignoniaceae	Holly →	Aquifoliaceae	Philodendron →	Araceae
Birch →	Betulaceae	Holly fern →	Dryopteridaceae	Pine →	Pinaceae
Birthwort →	Aristolochiaceae	Honey bush →	Melianthaceae	Pittosporum →	Pittosporaceae
Bittersweet →	Celastraceae	Honeysuckle →	Caprifoliaceae	Podocarpus →	Podocarpaceae
Bluebell →	Campanulaceae	Horsetail →	Equisetaceae	Poppy →	Papaveraceae
Borage →	Boraginaceae	Hydrangea →	Hydrangeaceae	Potato →	Solanaceae
Box →	Buxaceae			Protea →	Proteaceae
Boxwood →	Buxaceae	Ice plant →	Aizoaceae	Pulse →	Leguminosae
Bracken fern →	Dennstaedtiaceae	Iris →	Iridaceae		
Brake fern →	Pteridaceae			Rock-rose →	Cistaceae
Buckeye →	Hippocastanaceae	Juniper →	Cupressaceae	Rose →	Rosaceae
Buckthorn →	Rhamnaceae				
		Knotweed →	Polygonaceae	Saxifrage →	Saxifragaceae
Camellia →	Theaceae			Sedge →	Cyperaceae
Cedar →	Cupressaceae	Laurel →	Lauraceae	Smartweed →	Polygonaceae
Celery-pine →	Phyllocladaceae	Legume →	Leguminosae	Sorrel →	Oxalidaceae
Citrus →	Rutaceae	Lily →	Liliaceae	Spice bush →	Calycanthaceae
Clethra →	Clethraceae	Lightwood →	Cunoniaceae	Stonecrop →	Crassulaceae
Cliff brake fern →	Pteridaceae			Sunflower →	Compositae
Club-moss →	Lycopodiaceae	Madder →	Rubiaceae	Sycamore →	Platanaceae
Coachwood →	Cunoniaceae	Magnolia →	Magnoliaceae		
Coffeeberry →	Rhamnaceae	Maidenhair →	Ginkgoaceae	Tea →	Theaceae
Cotton →	Malvaceae	Mallow →	Malvaceae	Tree fern →	Cyatheaceae
Cypress →	Cupressaceae	Maple →	Aceraceae		
		Melastome →	Melastomaceae	Umbrella-pine →	Sciadopityaceae
Daisy →	Compositae	Milkweed →	Apocynaceae		
Deer fern →	Blechnaceae	Mint →	Labiatae	Verbena →	Verbenaceae
Dogbane →	Apocynaceae	Moonseed →	Menispermaceae	Vervain →	Verbenaceae

Violet →	Violaceae	Willow →	Salicaceae	Yellow wood →	Podocarpaceae
Wax myrtle →	Myricaceae	Winter's bark →	Winteraceae	Yew →	Taxaceae
Wheel tree →	Trochodendraceae	Witch hazel →	Hamamelidaceae		
		Wood fern →	Dryopteridaceae		

LIST 3 - PLANTS BY COMMON NAME

COMMON NAME	SCIENTIFIC NAME	FAMILY	GROUP
abelia	<i>Abelia</i> spp.	Caprifoliaceae	C
acacia	<i>Acacia</i> spp.	Leguminosae	C
alder	<i>Alnus</i> spp.	Betulaceae	C
alder, white	<i>Clethra arborea</i>	Clethraceae	C
alerce	<i>Fitzroya cupressoides</i>	Cupressaceae	B
alyssum, sweet	<i>Lobularia maritima</i>	Cruciferae	C
amaryllis	<i>Amaryllis</i> spp.	Liliaceae	C
amentotaxus, Taiwan	<i>Amentotaxus formosana</i>	Taxaceae	B
andromeda, Japanese	<i>Pieris japonica</i>	Ericaceae	C
anemone, bush	<i>Carpenteria californica</i>	Saxifragaceae	C
anemone, tree	<i>Carpenteria californica</i>	Saxifragaceae	C
apple	<i>Malus</i> spp.	Rosaceae	C
aralia, Japanese	<i>Fatsia japonica</i>	Araliaceae	C
arbor, Japanese	<i>Thuja standishii</i>	Cupressaceae	B
arbor-vitae, American	<i>Thuja occidentalis</i>	Cupressaceae	B
arbor-vitae, Chinese	<i>Platyclusus orientalis</i>	Cupressaceae	B
arbor-vitae, false (hiba)	<i>Thujopsis dolabrata</i>	Cupressaceae	B
arbor-vitae, giant	<i>Thuja plicata</i>	Cupressaceae	B
arrow wood	<i>Viburnum</i> spp.	Caprifoliaceae	C
ash, wafer	<i>Ptelea trifoliata</i>	Rutaceae	C
aspen	<i>Populus</i> spp.	Salicaceae	C
Atlas cedar	<i>Cedrus atlantica</i>	Pinaceae	B
aucuba, Japanese	<i>Aucuba japonica</i>	Garryaceae	C
avocado	<i>Persea americana</i>	Lauraceae	C
azalea	<i>Rhododendron</i> spp.	Ericaceae	B
baby's tears	<i>Soleirolia soleirolii</i>	Urticaceae	C
bamboo, black	<i>Phyllostachys nigra</i>	Gramineae	C
bamboo, fishpole	<i>Phyllostachys aurea</i>	Gramineae	C
bamboo, heavenly	<i>Nandina domestica</i>	Berberidaceae	C
bamboo, Oldham's	<i>Bambusa oldhamii</i>	Gramineae	C
banana shrub	<i>Michelia figo</i>	Magnoliaceae	C
barberry	<i>Berberis</i> spp.	Berberidaceae	C
barberry	<i>Mahonia</i> spp.	Berberidaceae	C
bay, California	<i>Umbellularia californica</i>	Lauraceae	C
bear berry	<i>Arctostaphylos uva-ursi</i>	Ericaceae	C
bear's-breech	<i>Acanthus mollis</i> cv. 'latifolius'	Acanthaceae	C
beech, American	<i>Fagus grandifolia</i>	Fagaceae	C
beech, Australian	<i>Eucalyptus polyanthemos</i>	Myrtaceae	C
begonia	<i>Begonia</i> spp.	Begoniaceae	C
begonia, winter	<i>Bergenia ciliata</i>	Saxifragaceae	C
big tree, California	<i>Sequoiadendron giganteum</i>	Cupressaceae	B
birch	<i>Betula</i> spp.	Betulaceae	C
blackberry	<i>Rubus vitifolius</i>	Rosaceae	C
bleeding hearts	<i>Dicentra formosa</i>	Papaveraceae	C
blue blossom	<i>Ceanothus thyrsiflorus</i>	Rhamnaceae	C
bottle brush tree	<i>Callistemon</i> spp.	Myrtaceae	C
bougainvillea	<i>Bougainvillea spectabilis</i>	Nyctaginaceae	C
box	<i>Buxus</i> spp.	Buxaceae	C
box, Victorian	<i>Pittosporum undulatum</i>	Pittosporaceae	C
boxwood	<i>Buxus</i> spp.	Buxaceae	C
boxwood, African	<i>Myrsine africana</i>	Myrsinaceae	C
boxwood, Japanese	<i>Buxus microphylla</i> var. <i>japonica</i>	Buxaceae	C
brambles	<i>Rubus</i> spp.	Rosaceae	C
breath-of-heaven, pink	<i>Coleonema pulchrum</i>	Rutaceae	C
bridal robe	<i>Tripleurispermum maritimum</i>	Compositae	C
bridal wreath	<i>Spiraea x vanhouttei</i>	Rosaceae	C
broom	<i>Cytisus</i> spp.	Leguminosae	C
broom, French	<i>Genista monspessulana</i>	Leguminosae	C
brown-pine	<i>Prumnopitys ferruginea</i>	Podocarpaceae	B
brush bush	<i>Eucryphia cordifolia</i>	Cunoniaceae	C
brush cherry, Australian	<i>Syzygium paniculatum</i>	Myrtaceae	C

buckeye, California	<i>Aesculus californica</i>	Hippocastanaceae	C
buckthorn	<i>Rhamnus</i> spp.	Rhamnaceae	C
buckthorn, willow-leaved sea-	<i>Hippophaë salicifolia</i>	Elaeagnaceae	C
Buddhist-pine	<i>Podocarpus macrophyllus</i>	Podocarpaceae	B
bugle weed, carpet	<i>Ajuga reptans</i>	Labiatae	C
bull bay	<i>Magnolia grandiflora</i>	Magnoliaceae	C
bunya-bunya	<i>Araucaria bidwillii</i>	Araucariaceae	B
bunya-pine	<i>Araucaria bidwillii</i>	Araucariaceae	B
buttercup, Bermuda	<i>Oxalis pes-caprae</i>	Oxalidaceae	C
butterfly bush	<i>Buddleja davidii</i>	Scrophulariaceae	C
camellia	<i>Camellia</i> spp.	Theaceae	C
camphor tree	<i>Cinnamomum camphora</i>	Lauraceae	C
candy tufts	<i>Iberis sempervirens</i>	Cruciferae	C
canelo	<i>Drimys winteri</i>	Winteraceae	C
Cape weed	<i>Arctotheca calendula</i>	Compositae	C
carnation	<i>Dianthus</i> spp.	Caryophyllaceae	C
casacara	<i>Rhamnus purshiana</i>	Rhamnaceae	C
casacara sagrada	<i>Rhamnus purshiana</i>	Rhamnaceae	C
cathaya, silver-leaved	<i>Cathaya argyrophylla</i>	Pinaceae	B
cat's claw	<i>Macfadyena unguis-cati</i>	Bignoniaceae	C
cedar, Alaska	<i>Chamaecyparis nootkatensis</i>	Cupressaceae	B
cedar, Atlas	<i>Cedrus atlantica</i>	Pinaceae	B
cedar, Chilean	<i>Austrocedrus chilensis</i>	Cupressaceae	B
cedar, creeping	<i>Juniperus horizontalis</i>	Cupressaceae	B
cedar, deodar	<i>Cedrus deodara</i>	Pinaceae	B
cedar, Fujian	<i>Fokienia hodginsii</i>	Cupressaceae	B
cedar, incense	<i>Calocedrus decurrens</i>	Cupressaceae	B
cedar, Japanese	<i>Cryptomeria japonica</i>	Cupressaceae	B
cedar, New Zealand	<i>Libocedrus plumosa</i>	Cupressaceae	B
cedar, Port Orford	<i>Chamaecyparis lawsoniana</i>	Cupressaceae	B
cedar, red	<i>Juniperus virginiana</i>	Cupressaceae	B
cedar, Tasmanian	<i>Athrotaxis cupressoides</i>	Cupressaceae	B
cedar, western red	<i>Thuja plicata</i>	Cupressaceae	B
cedar, white	<i>Thuja occidentalis</i>	Cupressaceae	B
celery-pine, alpine	<i>Phyllocladus trichomanes</i>	Phyllocladaceae	B
celer-top-pine	<i>Phyllocladus aspleniifolius</i>	Phyllocladaceae	B
chamomile, sweet false	<i>Tripleurispermum maritimum</i>	Compositae	C
cherry, Catalina	<i>Prunus</i> spp.	Rosaceae	C
Cheshunt-pine	<i>Diselma archeri</i>	Cupressaceae	B
chocolate vine	<i>Akebia quinata</i>	Lardizabalaceae	C
Christmas berry	<i>Heteromeles arbutifolia</i>	Rosaceae	C
