A PROGRAM for the people....

I. FOR THE YOUNG PEOPLE:

Recreational Centers and Swimming Pool.

II. FOR THE HOME OWNERS AND SMALL BUSINESS MAN:

More equitable taxation and license fees.

III. FOR LABOR:

The fundamental rights of labor--to organize, to strike, and to picket--to be guaranteed without police interference and brutality. Union wages for all city employees. WPA projects for the unemployed.

IV. GENERAL IMPROVEMENTS FOR EUREKA:

Modern transportation system, sidewalk and street improvement, and adequate sewage and drainage systems, through use of WPA and PWA grants for lowest possible cost to taxpayers.

V. STOP MONOPOLY CORRUPTION OF CITY GOVERNMENT:

Public investigation of Mad River Dam project, and complete report to the people of Eureka on costs, lack of filter system, reservoir, etc. Enforce Ordinance #331 which sets ground rental rate of 10¢ per pole per year for telephone and electric poles. Stop favoritism to large corporations which are best able to pay.

EUREKA BRANCH, COMMUNIST PARTY OF THE U.S.A.
Election Campaign Headquarters: 1404 Albee St., Eureka

A glaring record **OF INCOMPETENCE**

RESIDENTS OF EUREKA, ATTENTION:

The Council shall have the power "....to do and perform all acts and things appropriate to a municipal corporation, or which may be for the general welfare and good of its inhabitants...."

The Mayor "shall from time to time communicate to the Council, in writing, a statement of the affairs of the city and shall recommend such measures....as he may deem proper or beneficial to its (city's) interests." (Taken from: Charter and Revised Ordinances of the City of Eureka.)

Following is how this administration "fulfilled" its duties:

1. No swimming Pool! No recreational center! No playgrounds!
2. A toonerville trolley system yearly going into debt.
3. Miles of unpaved and treacherous streets.
4. Endless blocks of wooden sidewalks, unsightly and unsafe.
5. Inadequate drainage and sewage systems, a menace to health and property.
6. Failure to obtain and use WPA and PWA grants which would have made possible these improvements at reduced cost to taxpayers, would have employed Building Trades and unemployed workers, and would have helped local business through increased purchasing power.
7. An inexcusable bungling of Mad River Dam project for which the taxpayers will foot the bill.
8. Out of date and unjust license ordinances which scalp Little Business.

This is perhaps the highest record of incompetence ever achieved by any city administration.

Improvements and services, however, are possible, but only through an administration which is competent, which is concerned with the welfare of the city's residents, and has a real community pride. Only such an administration can BUILD A BETTER EUREKA!
