RENTERS ATTENTION!

EUREKA NEEDS RENT CONTROL

Other states have rent control. Most large cities in California have rent control. Why should Eureka be an Orphan! We demand that rent control be adopted here as of the 1942 levels in conformance with OPA regulations.

If you are paying more (and a great many of us will be paying more) than the 1942 levels, come to the meeting called by the Eureka City Council Monday, August 26, 1946 at 7:00 p.m., to guarantee the adoption of a good rent control ordinance.

Greedy landlords, speculating realtors and Big Business interests are doing their utmost to oppose any and all rent control measures.

Numerous affidavits showing unreasonable rent increases and evidence of constant eviction will be presented.

For further information phone or call in person at the office of Reverend Emerson Harris.

Labor Unions support it. Eureka Ministers support it.

Protect your income, too, by supporting it.

Make it possible for others to live decently.

Come to this meeting and come early.
