Redwood Roots would like to acknowledge that Humboldt State University sits on the unceded ancestral and current homelands of the many local tribes, such as the Wiyot and Yurok people, who live, and have lived, in this area since time immemorial. We encourage the community to continue to take action to move toward a future where local tribes have sovereignty over their homeland. You can take action to further this vision: take part in efforts to give land back to local tribes and/or pay an [honor tax](#) to the tribe whose land you reside on.
