ROU DALAGURR FOOD FUTURES

A Food Sovereignty Lab Magazine

Cover Art by Michaela Rain

Bitch this is my land
The land of my ancestors
Land with reverberations of old songs
Echoes of children's laughter

Land that holds their bodies around schools
that kidnapped incarcerated and
killed us. Shovels full of dark earth around
mass graves soaked in our babies blood.
Land that embraces their bones with love.
Waiting for justice.

Our land. Our relationship. Our Justice.
Land titles that only say indian land.
Feet rooted sole to soil. To heal means.give
us our fucking
Land Back.
