# VOTE WISE

ISSUED BY: Labor's Non-Partisan League of Humboldt County, California.  
Vol. 1, No. 4 November 2, 1939.

## POLITICS IS WHAT YOU MAKE IT

Our government is the best in the world -- so the giant dailies tell us (when they want us to go to war for their interests).

Our government officials are irresponsible spendthrifts, incompetent crack-pots, yea, even dupes of radicals -- so these same dailies and the interests they represent tell us also!

What's more -- they often make the two statements on the same page!

The inference is that politics is rotten and that such as you and I -- wage earners, farmers and housewives -- should not contaminate ourselves by engaging in politics.

That is just the same as saying: "Don't go to the polls to vote."

WHY? Because the people's apathy is the big fellow's gain. How simple it is to control an election if the people don't bother to vote!

Labor's Non-Partisan League believes that the American people are too intelligent to fall in this trap.

Labor's Non-Partisan League believes that democracy is the best form of government and that what we want is more, not less, democracy.

Labor's Non-Partisan League believes that we can extend democracy in just the proportion in which all of the people participate in their government.

November 2, 1939.

Labor's Non-Partisan League knows that when an enlightened and an aroused American people go to the polls they can and do elect into office good officials and enact good laws.

Labor's Non-Partisan League reminds you that your first duty as a citizen is to vote; to make democracy work and to bring to all the benefits of good government.

Labor's Non-Partisan League is convinced that POLITICS IS WHAT YOU MAKE IT. Yea, even dupes of radicals -- so these same dailies and the interests they represent tell us also! LET'S MAKE IT SYNONYMOUS WITH GOOD GOVERNMENT.
