## GAELS TO BATTLE HSC HERE

VOL. 1

ARCATA, CALIFORNIA

NOV. 29, 1929

NO. 1

### BARN DANCE HELD

The students of H.S.T.C. enjoyed the old fragrance of new mown hay in a good oldtime barn dance given by the Freshmen class Friday night at 9:00 o'clock in the college library.

Overalls, gingham, and baled hay were the outstanding decorations of the annual Frosh return shindig.

A short entertainment during the orchestra intermission consisted of a catter tap demonstration by our peppy little coquette of the Frosh class, Amy Vance. Ione Russell and Hazel Mackley, our collegian twins, then offered a soft shoe duet which ended in a downfall of the house in applause and shouts for encore. Two "red hot" sax numbers followed, featuring Mac Armstrong and Glenn Early.

The Frosh Master of Ceremonies, Wayne Simpson, was no slouch when it came to showing us a good time. The way he danced with Squeal Winters wasn't slow--the hit of the evening. "Anyway, what's a barn dance for?" protested Wayne.

Leo Schussman, head of the education department at Humboldt has been visiting schools taught by Humboldt alumni during the past few weeks, and he plans to visit all such schools before the end of the semester.

Mr. Schussmann is making these visits so that the college may be of service to those in the teaching field, to strengthen the bond between the college and the alumni, and to make a study of the rural school situation in order to better adjust the courses here at college to the actual situation.

The schools he has already visited are the Crick School

### TEACHERS TO CLASH WITH SAINTS SATURDAY

The Humboldt State grid team will again clash with the all-powerful St. Mary's Frosh squad Saturday afternoon, November 1. The game will be played on the Arcata high school gridiron and will start promptly at 1:00 o'clock.

St. Mary's Frosh made the trip north in 1929 with an undefeated record chalked up, in fact, St. Mary's had not been scored upon up to the time of their clash with Humboldt State. The Humboldt gridgers upset all dogs in the third period of this game, when they steadily drove the heavier team before them to be the first gridgers of the season to score on the Gaels. The Saints record marred by Humboldt have returned to take home that lost touchdown of 1929.

Couch Fred Telonicher has steadily been training his cohorts in their final grind before the tilt Saturday to have them in shape for this coming encounter.

The St. Mary's team is probably the fastest team H.S.T.C. has met this season. As a matter of fact, the Frosh boast of the toughest team in years. Saturday last, these baby Gaels walloped the Cardinal Babes by a score of 21-0 at the Palo Alto Stadium. A week previous these same St. Mary's Frosh, decisively defeated the Cal. from 22-7. The Moraga boys will arrive Friday night and make their headquarters at the Hotel Arcata.

taught by Elta Cartwright, the Klamath Glen school taught by Lyle Allison, the Holmes school taught by Ellen Larsen and Edith Long, Shuff Prairie school taught by Lillian Baldry and Marjorie Eglin, and the South Fork school taught by Lee Baird.

## W.A.A. PLAY DAY

Question: What is the bulletin board?

Answer: A place to post notices

Q. What is a committee?

A. A group of trusted members of any organization, appointed to do a special piece of work, and carrying a responsibility not delegated to the mob.

Q. Do committees have to hold meetings?

A. Yes, it is absolutely necessary.

Q. How many members should attend?

A. 100%

### Logical Conclusion

Committee meetings are important. They must be attended by all of their members. Notices for committee meetings will be posted on the bulletin board. They must be noticed by the students.

Now that you understand the general, here's the specific.

W.A.A. is having a Play Day in less than three weeks. Is the W.A.A. president going to put it over alone? Are the officers of W.A.A. going to do it? Is anyone going to do it alone? NO! This project demands 100% co-operation. The greater part of the responsibility is in the hands of the various committees. If Play Day is going to be a success, the committee members will have to watch the bulletin board. Every day. We talk of Humboldt Spirit. Where is it? If you've got a date to go strolling at noon, and there is a committee meeting, postpone that date.

Now, get this. Play Day is for you as well as anyone else. Therefore, you ought to be for Play Day if you are for Humboldt. If not--What are you doing here?

Let's go--

W.A.A. Play Day, all day, Saturday, November 15, 1930 (that's this year--remember!)

## ARTHUR GIST OFF FOR SAN JOSE

President Gist left college Tuesday noon for San Jose in attendance of a business meeting of the presidents of the Teachers Colleges of this state.

The meeting will be held at the San Jose State Teachers College. Mr. Gist will be back in Arcata Sunday night.

## INDUSTRIAL ACTIVITIES

Anyone with a good appetite, a strong arm, and 15 cents is invited to a taffy-pull to be given under the auspices of Horace R. Jenkins of the industrial education department. Sniff and inquire about it if you wish to know when and where it is to be held.

The club whose name varies according to the day when it meets, gives a party about once every other week and is open to all members of H.S.T.C. All that is necessary is a deposit of money (not over 25¢) with Mr. Jenkins a day in advance of the party.

A lunch was held last Friday. Rolls, hamburger, apple pie with ice cream, and coffee, was the menu.

The club in no way interferes with classes although it meets during the day. When the weather is good it usually meets out-of-doors. Other times it meets in the industrial workshop.

## HALLOWEEN PARTY TO BE HELD

Two groups of Literati are combining to make Literati Halloween party Thursday night the most successful party ever held by Literati. Dale Merriam's group and Melvin Pinkham's group are working on plans for the party.

The first part of the affair will be held in the auditorium where a program of the Halloween spirit will be held. After that, the members will adjourn to a very sleepy place where spooks will abound in great numbers. The rest of the plans are being kept secret, but they promise a real treat for those coming to the party.

## LETTER H HOLDS FIRST MEETING

The initial meeting of the Letter H Club was held in room 15 Thursday, Oct. 22. Officers elected were as follows: President, Rollo Guthridge; Vice-Pres., Gregerson; Sec. & Treas., Rude Kaski; and Sergeant of Arms, Suse Brundin.

The second official meeting of the organization was announced today by president Guthridge to be held Thursday noon in room 15.

# Sports

## FROSH WIN

SCRUBS TIE FERNDALE 13-13

Staging a brilliant rally that ended with a 70 yard run for a touchdown in the closing minutes of the game, the Ferndale High School football team covered it self with glory last Saturday afternoon by earning a 13 to 13 tie with the considerably heavier and more experienced Humboldt State Teachers College Reserved at Ferndale.

Our boys scored a touchdown early in the game and added another just after the second quarter started. Ferndale, however, was not to be denied, starting a 70 yard march for a score and then adding the extra point before the half ended.

The third quarter was fairly even but late in the fourth quarter, Lee Brightman, captain of the Cream City boys, galloped around right end, out in, and then down through an open field 70 yards to a touchdown. A slight mixup on the signals caused the failure for the try for point.

Bob Murphy, reserves fullback was the outstanding player in the college backfield, and although he has not had as much experience as most of the others he turned in a great game. Wayne Simpson, halfback, also played a fast, clean game. Walt Abrahamson, guard, was the star of the line on defense, while Hale and Endert, both tackles, showed flashes of form both on defense and offense.

The starting line-up:

RESERVES	POS.	FERNDAL
Waldner	E	C. Brownlow
Hale	T	E. Brownlow
Cousins	G	Stafford
Kaski	C	Prust
Abrahamson	G	Hanna
Endert	T	Goff
Flaherty	E	Ambrosini
Tatman	Q	Fowler
Simpson	H	Brightman
Todd	H	Grossi
Murphy	F	Redden

Curry, Dolf and Baxter also got in the game for Humboldt.

FROSH TAKE CHAMPIONSHIP IN GAME WITH SOPH

Completely bewildering the Sophs with a smooth running forward attack, the Frosh upset the dope and defeated the second year players, 5-2. The sophs started the scoring on the first play with Fielding scoring the goal. The Frosh evened things up a few seconds later when McKeown scored after receiving the ball in front of the goal. Finne put the frosh ahead with a goal immediately afterwards. No more scoring was done in the first quarter.

The Freshmen scored again in the second quarter with a fine attack, Robinson putting the ball in the cage. Score at half time was 3-1, favor of the Freshmen. The frosh continued their good playing in the third quarter scoring two goals. In the fourth quarter many substitutions were made in the frosh line-up. Sophs took advantage of this and scored a goal but the frosh held them for the rest of the game. The starting line-ups were as follows:

FROSH	POS.	SOPES
Vance	CF	Reinfroe
McKeown	RIF	Carter
Quarnheim	LIF	Sanberg
Robinson	RWG	Christensen
Finne	LWF	Fielding
Cannam	RH	Hartley
Carroll	CH	Delaney
Small	LH	Gould
Stewart	RF	John Doe
Cochrane	LF	Calanchini
Winter	GK	Genzoli

Referees--(pardon us)--Laura Herron and Bettie Martin.

### BRANDSTETTER WINS GOLF TOURNAMENT

Clifton Brandstetter is the proud possessor of a beautiful loving cup won in the finals of the Redwood Empire Golf Club's annual tournament which was held on Sunday, October 12.

The qualifying rounds were played on the four Sundays preceding Oct. 12, in which "Brandys" qualifying round was played the same day that he returned from the Humboldt State-Chico football game.

### MUSICAL PROGRAM PLANNED

A program of modern music, under the direction of Francis McKay, music instructor, will be given in the college auditorium Nov. 4 at 1:45 p.m. during an assembly meeting.

The program to be presented is as follows:

Drink to Me Only With Thine  
Eyes-----Old English  
Thrush Song-----Pierne  
The Sun upon the Lake is  
Low-----Sibelius  
Humboldt Mixed Chorus  
Song of Rest-----Bach  
Romance-----DeBussey  
In a Dream-----McKay  
Marjorie Lane  
The Evening Star-D. Inday  
Humboldt Mixed Chorus  
Farewell-----Franz  
Women's Choral  
Sailor's Song---Hegar  
Windlass Song---Elger  
Men's Choral

### DINNER DANCE TO BE HELD

A birthday dinner will be held in the College Commons Wednesday night, October 29, under the direction of Miss Johnson and her committee.

Those whose birthdays come in a certain month will sit together and the tables will be decorated according to the month. There will also be birthday cakes and candles.

There will be special music and dancing in the gymnasium from seven until eight. Miss Herron will have charge of the dance and Herb Inskip will play. New faculty members will be invited to the affair.

The members of the committee who are helping Miss Johnson to plan the affair are: Geraldine Wilson, Olive Torgerson, Helen Foster, Grace McKenna, Bonita Hughes, Gertrude Hartley, Marjorie Kausen, Harriet Finne, Hazel Christensen, Alyce Finne, Selma

### TWO REPORTED MISSING IN BIOLOGICAL FIELD TRIP

Two girls, believed to have wandered away seeking fossils at Gold Bluffs near Orick, were found by Harold Brogan, student, and Robert Poulteney, of the science department of Humboldt State Teachers College, Saturday afternoon during an all-day field trip taken by Mr. Poulteney's two Physical World classes. Brogan saw something moving up the beach and upon investigation found it to be the girls, Grace Cochrane and Ruth Carson.

The girls' absence was not noticed until a majority of the party had left Gold Bluffs, where lunch had been eaten. Thinking that the girls had gone ahead, the men were about to leave when they saw the girls on the beach.

The two classes, approximately fifty persons in number, left the college about nine o'clock Saturday morning and made the first stop near Clam Beach to study earth formations. Further stops were made near Moonstone Beach, another north of Trinidad. The fourth stop was on the point overlooking Freshwater Lagoon, and the fifth at Gold Bluffs, about six miles northwest of Orick.

After lunch, the party took snapshots of formations and collected fossils along the beach.

### FINANCIAL SECRETARY BACK

Mrs. Jessie Woodcock, financial secretary of Humboldt State Teachers College, has returned to her office at the college, after having spent the week at a convention of the Grand Chapter of the Order of the Eastern Star held in the Civic Auditorium at Oakland.

While away, Mrs. Woodcock also visited friends and relatives in Berkeley and San Francisco.

## IS THIS SUPPORT?

It seemed peculiar that the people attending special type of dance could not dress accordingly. It seemed strange, to say the least, to see the Freshmen president appearing at a barn dance in a suit.

## ELEMENTARY READING DEMONSTRATION GIVEN

Clyde Curry, practice teacher in the College Elementary School, gave a demonstration lesson on the appreciation of poems to the members of the "Reading in the Elementary School" class Thursday morning.

The poems Curry taught to the seventh grade were: "Sea Fever" by Massfield, and "The Golden City of St. Marys" by Massfield.

## H.S.T.C. CO-EDS PARTICIPATE IN INDOOR CIRCUS

Ione Russel of Arcata, and Hazel Mackley of Ferndale, Teachers College students, will appear at the indoor circus given by the Arcata Fireman at the Firemans Hall on October 29, 30, 31, and November 1. They will do tap and soft shoe dancing.

The girls will give practically the same numbers that were such a success in the Collegians this spring.

Ione and "Bill" will also act as models in the fashion show which will be given on the opening night of the indoor circus.

## PAUL BUNYAN SEZ----

There is a collidge here in californy wot has every freshman at every football game. The sophomores see to that and they backed up by a court of traditions that means business. Traditions are a part of the frosh course of study until they become part of his code of ethics.

## MIDNIGHT REMINISCENCES

You know, Mr. Editor, I don't know what us men are gonna do when we wanta get married. This is a secret: I don't think I'm gonna get married, ever, an' I'll tell you why.

Once in a class I was in, the prof. asked all the girls to put down how much they wanted the man they were gonna marry to be earning when they got hooked up. You'd be shocked Mr. Editor, some of those educated females wanted their future dishwashers to earn as much as \$50,000 a year, before they would agree to say, "I promise to love, honor, and not obey." Whata you think of that? If I ain't forgot, the lowest estimate was a lot higher than the average school teacher makes, too. Gee don't that make it tough for us men, how we gonna earn so much money?

I read once where the women spend 85% of the money spent in the U.S. I'll betcha if they had to earn it they wouldn't spend it so fast.

Yes sir, Mr. Editor, I think us poor fellows oughta hunt around an find us a nice lil' girl raised on a ranch, who can raise chickens an eat the eggs on week days an kill the hen for Sun.dinne. and who can milk a cow an hoe the garden. Yes, sir, Mr.Editor, I think that is the only logical procedure in a case of this kind.

"Hoot" Owle.

Paddles, duckings, and hard work bring the frosh to the realization that collodge is something besides a place for learning books. The seat of their pants is a seat of education and after they get their education they realize what it is worth and understand why it must be passed on.
