## GAELS SWAMP HISLO 53-0

SIXTH ANNUAL PLAYDAY TO BE  
CALLED SATURDAY, NOV. 15

The sixth annual playday sponsored by the Women's Athletic Association will be held on Sat. November 15. Beginning at 1 p.m. an athletic program on the field and in the gymnasium will occupy most of the afternoon. Girls from the county high schools will participate in speedball, hockey, soccer, basketball, tennis, and volleyball. There will also be an archery exhibition and tumbling exhibits.

From 4:30 to 5:30 a program will be held in the College auditorium, consisting of five-minute entertainments by each school in addition to numbers by College girls. The banquet and program in the Commons will start at 5:30 and will be followed by an informal dance.

Invitations to attend play day have been extended to the five high schools in the county, Eureka Junior high, and Del Norte High.

According to general chairman, Lois Cottrell, all her committees are working hard to make play day as successful as it has been in previous years. Chairmen of the various committees are as follows: Field events, Evelyn Fielding and Ethel Sweet; Registration, Katherine Duffy; Hospitality, Hazel Christensen and Geraldine Wilson; Decoration, Jane Cotter; Banquet, Zelma Tomlinson; Program, Ione Russell; Clean-up, Gertrude Hunter; Publicity, Leona Beebe.

### ART EXHIBIT TO BE HELD

Mrs. Stella Little of the H.S.T.C. art department, and Miss Pearl Degenhart of the Arcata High School are planning to hold an exhibit of original paintings in the college Social Unit beginning on Saturday, Nov. 15, and continuing through the following week from 3 to 5 in the afternoon. The exhibit will include still life studies, landscape studies and marine views in oil paintings, water colors, dry color, and pen and wash work.

ST. MARYS BABES TROUNCE H.S.T.C.

For half of the game last Saturday afternoon Coach Ike Frankian and his St. Mary's Frosh eleven had its hands full with the State Teachers College team, but such a performance was too good to last and the Gaels, after being held to a 7 to 0 score for the first two periods came out on top with a 53 to 0 score in their favor. Humboldt's only excuse for not holding up in the last half is that she did not have a very strong reserve squad while St. Mary's kept sending in new men to tire our boys out, which they did.

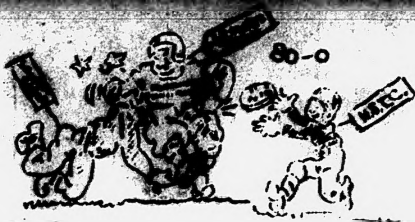

Once the Gaels got started they played with a vengeance, sparing neither themselves nor their opponents. Along toward the last of the game on one of the kick-offs, a great big brute on the St. Marys squad weighing at least 200 pounds came charging down the field and upset one of our men and the, while our boy was stretched out cold, on the ground this man-mountain said, "Well, how'd ya like it, big boy?" This wasn't exactly sportsmanlike but it happened just the same. Perhaps the Gaels were angry because they could make but little headway in the opening half. Bob Johnson and Ab. Brantly were Humboldt's backfield stars during the first half, while Derby and Parton stood out as luminaries on the line. Dodson, McMahon, Dison, Parton and Gilbert did good work in carrying the ball for St. Marys while Bunce at end and Georgeson at tackle stopped many plays through their line.

Only four of St. Marys touch downs were scored as a result of straight football, three scoring on intercepted passes and another on a blocked punt.

St. Mary's most effective play seemed to be a wide run round left end and it was very seldom that less than five yards was gained when it was pulled. As much as thirty yards was gained on one end play. Penalties hampered the babe Gaels considerably as they were bound to clip from behind, no less than four

(continued on p. 4, col. 1)

## MIDNIGHT REMINISCENCES

You know Mr. Editor I think this game of football is an awful rough game. I was up in the locker room the other day and I saw "AB" and "Brandy" with their heads together. I didn't pay no "tention to them till I heard what they were sayin'. It sounded something like this----

Ab-"A good way is to swing your elbow as hard as you can to his solar plexis."

Brandy-"A surer way is to bring both your fists down on the back of his head."

Ab-"A better way than that is to get your shoulder under his chin and heave up as hard as you can."

I listened to this for a while and some of it was even worse. Then I couldn't stand it no longer as I am sorta curious anyway, so I says to somebody who was standing near me, "What are those guys cooking up anyway? Are they going to set up somebody, or are they plannin' a initiation to a Jiu Jitsu class?" "Aw, you poor fool," says my informant, "They are just talkin' football."

Gosh, Mr. Editor, I always liked to watch a football game, and thought I'd like to play it but it looks like I missed all these fine points that make these fellows such good players.

"Hoot" Owls

Step bang! Step bang! Step bang!

Haven't you noticed a sound like that resounding through the corridors? It's only Eldrid Hogan who is making an attempt to get along without his crutches and the step on his injured limb is very soft and easy.

Dear Sir:

Dr. Spoofoendeifer--Through the Lumberjack I am offered this opportunity to testify to the splendid effects of your famous "Cure-all". For years I suffered with gastro-spoopiditis but after using two quarts of your "Cure-all" I feel like a new man. (Doctor, I love you Signed-----

H. Cousins, noted for his ability to deceive the wary quail and ducks, announces that even though his shooting average to date is 20 shots per bird, in the future he will seek to make old Humboldt proud of him, Atta Boy! Howard!

Coach Fred Telonicher comes to Humboldt State Teachers College from Fresno where he attended Fresno State Teachers College. During his work at Fresno, Mr. Telonicher has gained the reputation of being one of the fastest basketball players on the Coast. He then took up coaching and entered Stanford. He agreed to teach and coach at Humboldt State in '22. The 1929 football season was the first opportunity Mr. Telonicher had to put this college on the map in the sports world. He deserves lots of credit in the way he has carried on this program but in order to do so he needs the full strength of the student body support behind him. He hasn't had it in the past, but now let's get behind him and help him and his cohorts take the remainder of the games this season. Boost for a bigger and better 1931 season!

# ABOUT THE CAMPUS

## KIDS DAY IN KID LIT.

Miss Lucy McLane's class in Children's Literature has been putting on some interesting pantomimes and dramatizations during the past few weeks in the college auditorium.

Stories such as "The Three Little Pigs", "The Elves and the Shoemaker", "Humpty Dumpty", "Little Miss Muffet", "The Queen of Hearts" and "Sing a Song of Sixpence", have been pantomimed. Miss McLane believes work in pantomime is valuable for the students, so that they may have abandon enough to tell a story without words before they attempt dramatization.

Stories such as "The Boy Who Called Wolk", "Three Billy Goats Gruff", "The House in the Wood", and "Hansel and Gretel", have been dramatized. Miss McLane believes students of Children's Literature should have actual experience in dramatizing children's stories, so they may appreciate the child's problem before they attempt training children to dramatize.

## DICTAPHONE INSTALLED

A dictaphone was installed in the president's office last week.

The apparatus consists of two parts; a recording machine which is in President Gist's office and a receiving set which is near the secretary's desk.

Miss McLane of the dramatic department also plans to use the dictaphone in correcting speech defects.

## CAMPUS HARRY SAYE

Me and Miss Herron was talking it over the other day and she was wishing for the good old days when everybody felt that nothin would succeed unless they had a personal part in putting it over. When Laura first come here there was lots more pep and spunk and personal intrest in these here student body activities. Mebbe she can tell us what is wrong but I think it is just a lack of school spirit. What is school spirit? Well, we'll discuss that next week.

## MINIKIN AND MANIKIN TO BE PRESENTED BY WORKSHOP

Two one-act plays by members of the Dramatic Workshop, and two talks by students of the Public Speaking class who have not yet been decided upon, will feature the program of the Loyal Knights of the Round Table which will be held in the College Auditorium after the banquet at the Commons on Friday evening, Nov. 14.

"Nevertheless" and "Minikin and Manikin" are the plays which will be given. In "Nevertheless" the part of the girl will be taken by Louise Wood, the boy by Karl Goepferrider, and the burglar by Dale Merriam.

In "Minikin and Manikin" the part of Minikin will be played by Ione Hamilton and Manikin will be played by Mildred Moe.

The speeches by students will be about college life. A contest is now being held in the Public Speaking classes to determine who the speakers will be.

The one act plays will be presented at a college assembly on Nov. 17.

## MISS PLATT TO ATTEND CONFERENCE.

Miss Imogene Platt, registrar at Humboldt State Teachers College, will attend a conference at Berkeley on November 5 with Evelyn A. Clement, chief of the Bureau of Teacher Training and Certification. On November 6-8 she will attend a meeting of the Pacific Coast Association of Collegiate Registrars.

On November 6, this meeting will be held at the University of California in the new International House; on November 7 at San Jose State Teachers College; and on November 8 at Stanford University. Saturday afternoon the registrars will be guests of the University at the football game between Stanford and University of Washington.

Miss Platt plans to take additional time to visit Mills College, San Francisco Teachers College, and Armstrong College of Business Administration. She intends to leave Los Angeles November 4th and return November 10.

## PEP DANCE HELD

Following the general course of events in the College semester, the students of H.S.T.C. staged a free pep dance in the new gym Wednesday at noon. The purpose of the affair was to create a better spirit of friendship among students and to give the team "once last dance before their long trip south." Of course Toddy was there, and Rollo Guthridge was there celebrating the fact that he is coming out for practice again. Our little Campus Sweetheart Anne DeLuca was also among those present, still cheering over the fact that she has added another inch to her total height. Anne now stands four feet, two and a half.

Forgetting the personal side of the drag, it was a big success.

## DICTAPHONE USED IN DRAMATICS

The voice that is nearest to one is the hardest to recognize when he hears it for the first time. That has been the experience of the students in Miss McLane's speech classes when they first hear their voice over the dictaphone.

All of the students in the speech classes have had the opportunity during the past two weeks to make a record of their voices on the dictaphone. Later when they listened to their voices, many interesting facts were noted.

Some of the men were amazed to find that their voices were so weak and soft. A few students discovered that they talk through their noses, or that their voices are "pinched", and several realized for the first time that their voices are not at all pleasing to listen to. Some of the girls' voices were so weak that they hardly registered on the dictaphone at all but a few boomed out quite as loudly as the strongest of the men's.

Now that each student has discovered his voice weakness, Miss McLane is giving special voice exercises to overcome the various difficulties. Voice tests will be given again after the students have practiced their exercises, in order that any improvement may be noted.

## DO YOU KNOW THAT By Clyde Patensude and Glen Waldner

The handshake originated during the time when everyone carried sword or knife. Extending the right hand was to show that it held no knife.

In the drier part of Texas when the sky is usually cloudless, any two counties among the 245 receive enough energy from the sun to run all the factories and transportation facilities of the United States.

Coconut trees may bend to touch the ground, in a storm, without breaking.

The aviators in the early part of the World War threw bricks at each other. Several Allied and German planes were brought

down this way.

Army drafts show that Texas men averaged the tallest in the United States and Rhode Island men were the shortest.

The height limit for skyscrapers in London has been reduced from 90 to 80 feet.

The American dollar will buy more today than it has since 1917

# Guard Tackle

## HISTORIC SET FOR MENLOITES

### GARLS TROUNCE H.S.T.C. (contd. from p.1)

penalties being called for that offense, each of 25 yards.

This game, played on the Arcata Union High School gridiron, attracted a fairly large crowd and much trouble was experienced in handling it. Most of the people insisted on running up and down the side lines and were constantly getting out on the playing field.

The sun was shining brightly up until time for the game to start, but then fog came in and by the time the final whistle blew the turf was quite wet.

The starting lineup was:

HUMBOLDT	POS	ST. MARYS
Enderst	E	Bunce
Jenkins	T	Hubbs
Derby	G	Johnson
Gregerson	C	Culjis
Farton	G	Giardin
Fenn	T	Georgenson
Waldner	E	Reinbochel
Johnson	Q	Lane
Simpson	H	Clark
Marshall	H	Dixon
Brantly	F	Partee

Score by quarters

St. Marys	0	7	27	19-53
Humboldt	0	0	0	0-0

Officials: Red Dungan, referee; W.B. McKittrick, umpire; Allen Ham, held linesman; Jack Simpson timer.

### LINEUPS FOR HOCKEY GAME

2nd period 6th period

Johnston	CF	G. McKeown
Ludwig	RIF	E. Sweet
J. Stewart	LGF	N. Thornton
M. Cannam	RWF	L. Robinson
L. Winter	LWF	H. Finne
M. Gould (capt)	RHB	A. Johnson
K. Delaney	CHB	R. Carroll
G. Bartley	LHB	B. Sturrock (cap)
I. Cartwright	RFB	B. Hughes
E. Genzoli	LFB	E. Quarnehm
Z. Tomlinson	GK	H. Small

### TEACHERS TO TANGLE WITH MENLO JAYSEE SATURDAY

With old king football more than half over, Fred Telonicher's H.S.T.C. varsity gridders have still two games to play before they hand in their football togs for the season. Menlo and Santa Rosa are the chief obstacles in order as mentioned above.

The Menlo tilt will be played Saturday on the Southern gridiron and all indications point o anything but an easy battle. The Menloites have a great record to date, having whipped the mighty Santa Ana team and Kentfield's Main Outfit in a thorough manner. We can't forget that Menlo trounced Dick Blewett's Red and Blue boys 80-0 last Saturday.

However, overlooking all obstacles, the Humboldt Green and Gold has a chance to shine before they take DeGoats boys down the line for a touchdown or two Saturday at Menlo. Telonicher has again swung his cohorts into the full practice grind before the trip South Friday, and they are out to give DeGoat's men something to think about.

### SAN MATEO LEADS JAYSEE CONFERENCE

In a lone league tilt of the Junior College Grid Conference San Mateo Junior College Bulldogs maintained her league lead by defeating the Modesto Collegians 14-7 on the Bulldog gridiron before a big crowd. The Peninsula eleven were given quite a tussle by the Pirates who battled hard against their highly touted opponents. Both outfits resorted to straight football, Fleming, San Matean back, scoring both touchdowns for his team mates, while the Modesto squad made a drive down the field, but tallied via the aerial route with captain Waterbury taking the ball over for the score.
