*Vive con la fé que siempre tendrás algo bueno en tu vida.
For some mysterious or unexplainable reason, things happen to
us.*

*Quiero vivir una vida segura sabiendo que siempre estaremos
libres.*

An unspoken thing that only she knows best how to grieve.

*For some mysterious or unexplainable reason, things happen to
us.*

*She sat down and began to cry, endless tears as if her eyes held
oceans.*

An unspoken thing that only she knows best how to grieve.

*Absence fills my imagination of what could have been and what
should have been.*

*She sat down and began to cry, endless tears as if her eyes held
oceans.*

*I want to run away from it, but the things you live are what makes
up the person you are today.*

*Their absence fills my imagination of what could have been and
what should have been.*

Con la música, te recuerdo.

*I want to run away from it, but the things you live are what makes
up the person you are today.*

*With small but curious eyes the color of dark chocolate, only to
melt in the sunlight.*

Con la música, te recuerdo.

*I feel like I'll keep learning from faith, it has so much to teach and I
am willing to listen.*

With small but curious eyes the color of dark chocolate, only to melt in the sunlight.

Quiero vivir una vida segura sabiendo que siempre estaremos libres.

I feel like I'll keep learning from faith, it has so much to teach and I am willing to listen.

Vive con la fé que siempre tendrás algo bueno en tu vida.
