Men's Association To Sponsor Dance After Chico Game

Humboldt's Men's Association is sponsoring the first after-the-game dance Saturday night, October 18, after the Chico game. Dancing is scheduled from 10:30 p. m. until 12:30 a. m. in the clubhouse of the Eureka Women's Club.

Admission has been set at 50¢ per couple, and 25¢ stag. Len Longholm, Men's Association president, has announced that the Chico players will attend the dance, and he hopes Humboldt students will also attend "en masse" and make this first football dance as successful as these dances have been in the past.

Pezzotti Resigns As 'Sempervirens' Editor; Job Open

Last week Dan Pezzotti, SEMPERVIRENS editor, handed in his resignation to the Executive Council. Fred Slack, member of the Board of Control, has announced on behalf of the council that the editorship is now open to application by any qualified student.

Requirements include a minimum of 32 units work completed, and one semester's experience on the SEMPERVIRENS' staff. No student on probation may qualify.

The position of assistant editor is also open, but one semester's experience is not required.

Charles Moore is Business Manager, and Stanhope Pedley is yearbook photographer. The remainder of the positions on the staff will not be filled until the new editor is appointed. Students wishing to apply will please hand in written applications to any member of the Executive Council.

Plan ahead for the DANSE MACABRE on Halloween—sponsored by the Lumberjack staff—a wild night's in store for YOU and YOU and YOU—Date your spook now!

BIG RALLY, BEAN FEED

FRIDAY NIGHT

BY THURSTON WOMACK

"Hear Ye! Hear Ye!—Oh yez, oh yez, and didn't you know that the Annual Bean Feed and Rally is finally going to be held Friday night, October 17th, at Nelson Hall?" Things will start booming at 6 P. M. sharp, when the feed officially gets under way with rally chairman Stan Roscoe in charge.

"Sutherland's Perennial Sophomore Five" will "give out" with a red hot jam session to open the program. Sutherland's musical aggregation consists of Claude Gribble, pianist from Eureka; "Chick," casual clarinetist from Portland; Jack Herney, tenor sax player from Eureka; Ray Posic, drums; Jim Fasullo, Eureka, and Sutherland, trombone.

Versatile Rod Belcher will "render" songs and imitations from Lower Basin Street. Lee Flink and Maurice Ayala will present a jitterbug number entitled "Slightly Hepped." Plus much more!

The Bean Feed will be followed by a serpentine and rally in downtown Arcata and Eureka, led by the HSC Pep Band.

If Tuesday's Frosh Initiation is any criterion, the Frosh class, some 200-odd strong, has plenty of howling spirit this year—and the Pre-game rally is the place to show it. Incidentally, there will be a slight fee of 25¢ per plate.

A Cappella Choir To Sing for Redwood Empire Meeting

The Humboldt State A Cappella choir will sing for the Redwood Empire Association at the Eureka Inn on Friday, October 17. They will sing two numbers: Ave Maria, from the Seventeenth Century and an English madrigal, Mother I Will Have A Husband.

This is the earliest in the season the choir has ever performed. The choir has been practising only for three and one half weeks.

Tom Hansen Will Take Over

FORREST WATERS LEAVES SCHOOL

The Executive Council accepted Monday the resignation of student body president Forrest "Doughnut" Waters, popular Humboldt Junior. Waters was forced to resign the presidency in order to assume his new duties as a Humboldt county deputy sheriff. His promotion last week to the new position follows several months' work as a special traffic officer in the Eureka Police Department. It is in line with the type of work he intends to follow.

HANSEN NEW PRESIDENT
As vice-president of the student body, Tom Hansen automatically becomes student body president upon Waters' resignation. A new vice-president will be appointed at an early date. The vice-president heads the Board of Control, and several students are being considered at present by the council. The news of Waters' leaving school has been received with surprise and regret on the part of the student body. He was acknowledged an able, popular president and an enthusiastic leader in campus affairs.

His widely varied career at Humboldt began when he was elected class president during his freshman year. Since then he has played Varsity football for 2 years (star halfback), was active in the Men's Association, member of the Executive Council, co-publisher of the Humboldt Gridiron, and student body president.

Sutherland Made Social Chairman

Jack Sutherland has been appointed Social Chairman of the year's campus events by the Executive Council. Any organizations wishing to schedule dances or other similar affairs should consult Sutherland. Any student body function must have the approval of the council before being announced.

Students, faculty and the public are cordially invited to attend.

MEET THE GANG AT RUSS'S

Hilarious Spirit Reigns During Frosh Initiation

BY BARBARA BIRD

Proud! That's how the student body feels—proud of the freshman class, motley-looking crew though they were yesterday during initiation. It is admitted that faces and forms were scarcely recognizable as the girls appeared in classes minus all make-up, stockings, wearing slippers, hair-nets, hair-curlers and dresses wrong-side out.

TRANSFORMATIONS

Transformations were equally startling when the men were examined by overbearing sophs. Lipstick, rouge, and mascara produced unbelievably lovely masculine visages, while many a shapely male calf was revealed when pants were rolled above the knee.

Before the assembly (at which the initiation reached its peak), the freshmen men filled the halls with a thunderous clamor as they marched around and around singing a funeral chant. (The library was unable to function all morning.)

"President (Jack Sutherland) Gist" conducted the initiation ceremonies at the general assembly, the highlight being various frosh "wooing and wolfing" approaches to be learned at Humboldt State. Dr. Balabanis proved his good sportsmanship by singing a request solo.

This year marks the doing-away with of actual "brawling"—and yesterday's informal initiation went off without a casualty—May next year's be half as good!

"Listening Room" Session Again October 22

One week from tonight, October 22, Mr. Charles Fulkerson, of Humboldt's Music department, will again conduct a "Listening Evening" session beginning at 7:30 P. M. in Room "K." The program is to be entirely of request numbers, and will range from snappy swing and "boogie-woogie" to the finest concertos and symphonies. Requests should be turned in to Mr. Fulkerson. Anyone may bring personal recordings also.

The "Listening Room" idea is something new in musical enjoyment at Humboldt, presenting an opportunity for informal acquaint-

STAN ROSCOE

Above is pictured Stan Roscoe, junior student, who wrote an editorial on "WHY NO BEAN FEED AND RALLY BEFORE THE GAMES?"—so they made him Rally Chairman. Roscoe personally urges all Humboldters to "eat plenty of beans at the pre-game rally Friday night, make the rooting section a solid block at the game, and plan to attend the after-the-Chico-game-dance Saturday night in Eureka." Roscoe was appointed by the Executive Council last week.

Council Members Introduced At A. W. S. Meet

Vivienne Nelson introduced council members at the opening meeting of the A.W.S. Thursday, Oct. 9. Recording secretary is Jane Morrow; corresponding secretary, Susan Wilson; treasurer, Warren Elmore; program chairman, Pat Bartlett; publicity chairman, Jean Bolger.

After the regular business meeting and approval of the new constitution, the program chairman introduced Helen Peterson, who sang, accompanied by Kay Sway. Co-ed chairman, "Wiggs" Elmore welcomed the freshmen girls. All the new girls were assigned to their various coed counselors. Vivienne Nelson, Sadie Ranta, Ilene Jensen, Alice Wilkenson, Ruth Sequist, Pat Dillon, Pat Bartlett, Jean Bolger, Ellen Hurlbutt, Mary Acheson, Alta Fulton, Phyllis Gray, Zzelma Woodcock, Jane Morrow, and Margery Cloney compose the coed council.

FOR MEN ONLY

Come on, youse guys—
How's about giving us gals
a break?

We like to dance too. But
this staggin' business—it
really gets us down! We don't
enjoy keeping the benches
warm. WE WANT ACTION!

The scarcity of gals at the
Fall Frolic was NO ACCI-
DENT. It was PREMEDITAT-
ED.

And from what we hear,
dirty work throve. There was
wolfing afoot. For a change,
the men (?) were wall flow-
ers. And did they pull a
White Fang? They were the
guys who moaned morbidly
Monday morning.

"We want women!" wailed
they.

"We want men!" wail we.
Comes the moral:

"....."

P. S. Ask us early, too!

ONE SWELL RALLY

The rats and mice around
the campus of old Humboldt
State decided that they were
lacking in pep, so one fine
afternoon, 1/4 after twelve to
be exact, they gathered in the
auditorium. One of the main
Lumberjacks, namely Don
Hurst, and a couple of lovely
Lumberjackettes, Janie Brun-
ner and Annie Bassi, rose to
the stage and really gave out
with their lungs on some
sharp yells and then the en-
tire congregation let loose
with some song-singing such
as Alma Mater and stuff.

Pep abounded in the hall and
How! The kids really showed
that they had plenty of vita-
min B1 and things like that
there. It was really swell and
this earthworm would like to
commend the student body on
their keen spirit.

Nickerson—'45.

We can't resist a whole-
heartedly enthusiastic "Plug"
for this year's freshman class!
Their snappy spirit through-
out yesterday's intiation was
the most potent we've seen at
Humboldt State since 1937 (in
the much publicized days of
Franny Moore, John Mc-
Grath, and so forth, remem-
ber???). The way in which
every single frosh "dressed as
ordered," and cooperated to
make the frosh assembly a
howling success was heart-
warming to say the least.

The freshmen are more
than 200 strong—twice as
many as in any other class
in school. We trust the
praise won't go to their heads
when we say that everyone
on the campus is talking
about their outstanding spirit.
If the entire student body will
back the coming pre-game
rally and bean feed just as
heavily, Humboldt will be
hard to beat. May we suggest
that the results just might
be amazing??

KAREN LOFT MARRIED

Miss Karen Loft, former Hum-
boldt student majoring in music,
is now Mrs. Keith Elkman, ac-
cording to word received last
week from San Francisco. Mrs.
Elkman was soloist with the A
Cappella Choir last year, and will
be remembered for her appear-
ances as Contralto soloist in Hum-
boldt's major musical productions
during the past several years.

Out Of The Fog

Here we sit, two minutes before
the deadline, with nothing but a
few bars of Piazze Concerto run-
ning crazily through our heads.
The bedlam is getting even the
mice down, for today we found
propped in our dusty typewriter
a note from Morelun, the office
mouse who beg-g-ed us to quiet
down... "I've got a wife and kids,
millions of kids..." the note ran.

LEST WE FORGET

To the roll of drums, the college
elementary kids came through the
arcades of old Humboldt, with
their numerous pets and
hobbies. These kids really
worked hard putting this parade
across, and this is just to let them
know that we enjoyed seeing
Rover, Butch and Tige put
through the paces. Nice work
there, young 'uns, and let's see it
again next year...

LATER, MAYBE

Dr. Raymond Fisher, history
prof, wishes to proclaim this fact
to all the students who have been
hanging around, apparently ex-
pecting a cigar or asking "Boy or
girl, Doot?" He missed his history
classes Thursday because he had
a bad cold—and for no other rea-
son, say ye!

Drama Season Tickets Go On Sale

Reserve seats for five dramatic performances by the Humboldt College Players all for \$2.00! That is the price set by Humboldt's Drama department for Season tickets good throughout the college year, and will include plays, variety shows, experimental plays, and the Chico State-Humboldt Play Festival.

The first play of the season, now in rehearsal, will be Ian Hunter's "BACHELOR BORN," a whimsical, lively comedy of English public school life. This will be presented November 17 and 18. First performance of this play anywhere in the West.

Second production of the year will be an evening of experimental plays given early next February. Interesting Short Plays.

VARIETY SHOW

Third event: A student-written variety show—combining the most outstanding talent of the Music, Art, Dramatic, and Dance departments—at Humboldt State—to be given March 12 and 13.

Fourth, and in conjunction with the Variety show, will be the Chico players' presentation of "AH WILDERNESS," Eugene O'Neill's most successful comedy-drama, scheduled for March 14th.

Fifth will be "ACCENT ON YOUTH," a sparkling comedy, done in Penthouse Theatre style—to be presented May 12, 13, 14th.

No bigger entertainment value is offered in Humboldt County at this price.

Mu Epsilon Psi Holds Candlelight Initiation Fete

The new members of Mu Epsilon Psi were initiated last Tuesday night at a candle light ceremony held at 7:00 in the college College Social Unit. The initiates were led before Jack Sutherland, Nadine Swan, and Kathryn Morgan, and welcomed into the club. The new members taken in were: Pat Bertrand, Mary Eads, Shirley Pratt, Susan Wilson, Elizabeth Williamson, Maury Ayala, Joe Barkdull, Ardith Anderson, Pearl Rand, Wilda Tomlinson.

Clarke Nellist Plays Leading Role in New Drama

CLARKE NELLIST

Clarke Nellist, veteran of three plays while still a sophomore at Humboldt, will again have a leading role in the first offering of the dramatic season, "Bachelor Born," which is to be presented in mid-November under the direction of Don W. Karshner.

Nellist's role is that of Frank Hastings, an elderly teacher in a British boys' school who is noted for his sarcasm. The role offers a fine opportunity for Nellist to display his wares as an actor, as evident last year in "Margin for Error," "French Without Tears," and in the one-act, "Slope of a Hill."

TO SAN FRANCISCO

Besides the two regular performances of "Bachelor Born" in the college auditorium, another performance will be given at San Francisco College as part of the annual play festivals between the two schools.

Others in the cast include Marella White, Gladys Smith, Zane Nichols, Ellen Purse, Rae Bengston, Rod Belcher, Jerry Falor, Thurston Womack, Marjorie Cloney, Stanley Roscoe, Jack Sutherland, Phyllis Peugh, Stribley Schussman, Donnie Christensen, and Robert Oliveira. Marilyn Brown is stage manager.

Rally Committee Announces Song And Yell Contest

The Rally committee announced yesterday that it will sponsor a song and yell contest, which will begin this week. "Humboldt State should have an original school song—a song entirely its own," Mr. Charlie Fulkerson, music prof, said yesterday.

Stan Roscoe, Rally chairman, made a plea for "new yells—unusual yells, and lots of them!"

Mr. Fulkerson urged students who were sincerely interested to begin setting their ideas to music immediately. He added that if a student couldn't write both the music and words alone, two students should collaborate—one to write the music and one the lyrics.

Miss Helen Garvin, Mr. Edmund Jeffers and Mr. Fulkerson will judge the entries. The best songs and yells will be submitted to the student body for approval.

Songs should be turned in to Mr. Fulkerson, and yells to Stan Roscoe.

Little Symphony In Rehearsal on Bach "Coffee Cantata"

Under the direction of Mr. Edmund V. Jeffers, the college Little Symphony Orchestra is now working on the chorus accompaniment to "The Coffee Cantata" by Johann Sebastian Bach, "The Moldau," by Smetana, and "Fugue in G Minor," by Bach.

Mr. Jeffers has announced the orchestral parts as follows:

Violin: Mrs. Lloyd Anderson, William Crane, Jr., Ellen Hurlbutt, Millicent Hyman, Peggy Hibbert, Meta Johnson, Lucinda Parr, Marianne Lambert, Edward Ruud, Katherine Swap, Dolly Toole.

Viola: Nancy Crane, Mrs. William Crane, Wallace Look.

Cello: William Crane, Mrs. Charles Fulkerson.

Bass: Lorraine Mitchell.

Flutes: Joyce Bruner, Charles Fulkerson.

Oboe: Linda Mabry.

Clarinets: Katherine Morgan, Thais Baldwin.

Trumpets: Ardith Anderson, Robert Bryan.

Trombone: Jack Sutherland.

Percussion: Margaret Moore.

The orchestra meets from 4 to 6 on Wednesdays at the College Elementary School.

The new sousaphone that was purchased for the music department arrived Friday.

Jeffers Selects Trained Voices For Madrigals

Edmund V. Jeffers has announced the selection of ten trained voices for Madrigal singing. The group will specialize in English Madrigals. They also hope to use Italian and French Madrigals if they can be secured in this country.

At the Christmas Concert the group will appear with a short concert of Christmas Carols.

The members of the group are: First Sopranos, Katherine Swap, Katherine Pratt; Second Sopranos, Ellen Petersen, Nancy Jo Bernie; Tenors, Eddie Ruud, Edmund Jeffers; Basses, Bob Oliveira, Charles Fulkerson; Altos, Nancy Crane, Warren Elmore.

LUMBERJACKS MEET CHICO 'CATS SATURDAY

SPORTS

Chico Gridders Will Be Out To Break Losing Streak

Both the Chico State Wildcats and the Humboldt State Lumberjacks will be gunning for their first Far-Western Conference win when they meet Saturday night at Albee Stadium.

The Lumberjacks, dumped last week by Cal Aggies 21-0, are determined to stop their two game losing streak and beat Chico. The Wildcats, one of Humboldt's oldest grid rivals, have yet to win a game this season.

Chico dropped their first two games with scores of 28-0 and 6-0 to Moffett Field and College of Pacific respectively. Last Saturday she held Cal Poly to a scoreless tie on the Wildcat Field.

PROBABLE LINE-UP

Coach Earl Hoos will probably start the following line up:

Fred Iten and Art McGrath, ends; Harvey Del Fatti and Arlo Murray, tackles; Dick Fitzpatrick, Gene Ward or Elmo Giulieri, guards; Ernie Caro, center; Billy Lee, quarter; Jack Piersall and Red Briggs, halves; Len Longholm, fullback.

GAELETS SWAMP LUMBERJACKS 35 TO 6

The big, fast St. Mary's galets swarmed over Humboldt State Sunday, October 5 by a score of 35 to 6.

From their first play when Norales stepped off 68 yards to a touchdown it was all St. Mary's. The Lone Lumberjack score came in the first quarter when Art McGrath, Star Humboldt End, caught Bill Lee's pass over the goal line while being crowded by two galets.

THREE SCORES

St. Mary's scored three times in the third quarter. Once on a pass, again on a 23 yard end run, and two points were added on a safety. A 50 yard run-back of an intercepted pass in the fourth quarter gave St. Mary's their final score.

Season Ticket Sales Go "Over The Top"

Interest was brought to bear this week on the advance ticket sales and its progress this week. To date the sale has brought in \$749, \$349 over the amount estimated by the Student Budget, and sales are still going strong.

This sale started last August when the Eureka Junior Chamber voted to boost Humboldt and give a banquet for Coach Hoos. The sale was to have ended Sept. 27, but the fine showing of the first month kept the sale open.

Outstanding sales were made by Forrest Waters, who sold \$150 worth, and Ledo Matteoli, whose sales reached \$100. Juanita Kennedy and Sadie Ranta sold \$125 between them. Other salesmen were Pat Dillon, Marge Cloney, Frances Prather, Doris Hansen, Vivian Nelson, Nadine Swan, Marilyn Brown, Alta Fulton, Barbara Bird, Mary Acheson, Jean Bolger, Nadine Vann, Barbara Heasman, and Gladys Grove. The money from these sales will go into the Athletic fund.

The Athletic Dept. wish to voice its thanks to all salesmen, with special thanks to Barbara Bird, according to Harry Griffith, Director of Athletics.

Above is pictured Art McGrath, Varsity end, who was undisputed sparkplug of the Humboldt gridgers during the last two quarters of the Cal-Aggie game. Watch Art in Saturday night's contest with the Chico Wildcats—he is a valuable and consistent player.

BOIL IT IN OIL

The Mutsuhito Fall Frolic was a pretty smooth affair but one thing spoiled it for a lot—the presence of absolutely too many stags. Such Casanovas only cut down their own chance for a good time when they fail to drag someone, because girls don't like to come alone (and I don't blame them). And I, like most other guys, am not going to have a string in tow for someone else's use, because I'm only capable of dealing adequately with one woman in the course of an evening.

An overbearing stag line is a disgrace at any college rat race, and it's all the more silly here, for Humboldt is noted for its friendliness. I've seen lots of pretty coeds around the campus who weren't among those absent at the hop, and with five or six chicks to every glomorpuss, I can't sanction any alibis.

Maybe we need a date bureau!!!

DON HURST

Well, this has to be it! After losing to St. Mary's Frosh and to Cal Aggies, we should show Chico our real stuff this coming weekend. Let's all hope that the team is in swell shape and comes through with flying colors.

By the by, Aggies won their first game this season when they defeated us. That, according to the record books, places Humboldt and the Mustangs on common grounds. Lost two, won one, and no pun intended.

CARO DIDN'T PLAY

Too bad for the Lumberjacks that Ernie Caro was unable to play in the Aggie game. Although Giulieri, Orlando, and Galloway plugged the hole in center numerous times it seems that the Blue and Gold cleaned up on their plays through center.

It seems to me that the boys on our team folded after the Aggies first touchdown. After playing a terrific offensive and defensive

game, the boys just were heartbroken by the Aggies first score. More follows.

All during the first half at Davis it looked as though Fate would smile on Humboldt but in the second half the trick turned and "we was took." Art McGrath was the sparkplug of the Humboldt line all during the last two quarters.

NO MASCOT?

How come no mascot for us? The Aggies had a white horse covered with a blue and gold blanket for their mascot. They are called Mustangs. If we can't think up a mascot suitable for the name Lumberjacks, then let's get a name to fit a mascot. O.K.?

STASHUK LOOKED FINE

Stashuk looked plenty good in the last half as he plowed through the Aggie line for a first down. The stars for the "Farmers" were Anderson, the captain, and Richards, a half-back.

Don't forget the big bean feed and rally this week-end before the Chico game. This is bound to be a lot of fun if you and you support it. If beans are good enough for the army and navy, you can eat 'em too!

You must come in costume for the DANSE MACABRE on Halloween—even if you only wear a pillow case or a sheet.
