Who is cast as Charles Donkin, central figure in "Bachelor Born." Donkin is a housemaster in an English public school.

MARELLA WHITE

Who has the role of Rosemary Faringdon, one of a trio of sisters who are central characters in "Bachelor Born."

ZANE NICHOLS

Has the role of Victor Beamish, cocky young instructor at the school.

MARJORIE CLONEY

Who will portray Chris Faringdon, Rosemary's sister.

CLARKE NELLIST

Will be Frank Hastings, lifelong friend of Donkins, and also a housemaster at the school.

Lansing Hatfield To Present First Concert Tonight

Lansing Hatfield, handsome young baritone, will present the opening concert of the Community Concert Association in the Eureka Junior High auditorium tonight.

Mr. Hatfield was born in Virginia, grew up in North Carolina, and trained for his career in Baltimore. He topped his successes last March when he secured his Metropolitan contract.

Mr. Hatfield is twenty-nine years old and has been heralded by critics as one of the finest young baritones of Metropolitan.

Humboldt students are reminded that their ticket receipts will not admit them to the concert. They must have obtained their concert Association tickets from Miss Davies' office.

Men interested in C. P. T. Aviation Course may sign up in President's Gist's office this week.

Pat Dillon was elected vice-president of the Associated Women Students last week in a special election.

RALLY COM TO SPONSOR JIG AFTER GAME

Jack Sutherland, campus social chairman, announced Monday that the Rally Committee will sponsor a dance after the Compton game Friday night.

Full particulars were not available at the time the Lumberjack went to press (Monday night), but Sutherland asks all students to watch the bulletin boards for further announcements concerning where the dance will be held, admission, orchestra, etc.

The Compton players will attend, and a big crowd is expected to wind-up the grid season with the "strictly sport" shindig.

Club Honors New Pledges At Sunday Dinner

With the presentation of pledges pins, Misses Jean Bolger, Mona Taubman, Ruth Sequist, Irene Jensen, Sadie Ranta, Pat Bartlett and Nadine Swan were admitted to the College Mutsuhito Club at a dinner held at the Big Four Inn Sunday, November 9, at 3 P. M.

Regular Mutsuhito members attending were Eleanor Shaw, Sarah Southworth, Shirley Kirkpatrick, Vivienne Nelson, Helen Hartsook, Rosie Ivancich, Jean Schussman, Muriel Yaley, Hazel Hagne, Alice Wilkinson, Gilberta Negro Phyllis Grey, Dolores Scholl, Mrs. Fred Telonicher, advisor, and Mrs. Homer Arnold, honorary advisor, were also present.

The set for the play is being executed, as usual, by John Van Duzer and members of dramatic workshop crew.

Students, don't miss this top dramatic event!

CHI SIGMA EPSILON HOLDS 10th ANNIVERSARY INITIATION

Commemorating its Tenth Anniversary Chi Sigma Epsilon, college upper division honor society, held an impressive candlelight initiation ceremony in the Social Unit Friday evening, November 7th. Rho Sigma, sophomore honor society, held its Fall initiation in conjunction with Chi Sigma.

The society's colors of crimson and silver formed a striking background for the ten tapers which represented the ten years of Chi Sigma Epsilon at Humboldt.

TAPERS LIT

The taper-lighting ritual began with a toast by Mr. Clyde Patenaude, alumnus member, who followed his brief speech with the lighting of the first taper. Next in order with toasts were: Mrs. Mae Wilda Downing, Miss Marie Nordquist, Miss Eleanor McKay, Miss Mary Borneman, Mrs. Miller, Mr. John Van Duzer, Miss Ruth Carroll, Miss Adella Johnson, advisor, and President Arthur Gist. Each lighted a taper in turn, until all ten tapers were burning.

PLEDGES ADMITTED

Pledges admitted to Chi Sigma at this time were: Mary Esda, Hazel Hagne, Eleanor Shaw, Milton Carlson, Stelen Roscoe, Norma Villa and Zelma Woodcock.

Pledges admitted to Rho Sigma included: June Fountain, Marjorie Johnson, Dorothy Todd, Kenneth Hosier, Bill Jackson, Floyd Marchi, Jack Sutherland.

Dorothy Hunt welcomed the new members of Chi Sigma, and Eleanor Shaw gave the response on behalf of the pledges. The welcoming toast to the new Rho Sigma members was given by Zelma Woodcock, and the response was

Listening Room Session Now Can Be Heard During Day

In order to make the Listening Room hours more convenient for Humboldt students, Mr. Charles Fulkerson has announced that additional listening hours now include 2 to 4 P. M. on Tuesdays, 1 to 3 P. M. on Wednesdays and 11 A. M. on Thursdays (if assemblies do not conflict).

The original listening hours of 7 to 9 P. M. on the first and third Wednesdays of every month are still in effect for students and the public alike.

During the afternoon sessions, students are urged to bring their own recordings. Swing and classical will be equally welcome.

Pre-Compton Rally Thursday Morning In Auditorium

"Great big huge" things are cookin' for the pre-Compton rally tomorrow."

So quoth Don Hurst, pinch-hitting as chairman of the Rally committee in Neb Roscoe's absence. Further pressed for vital details, Mr. Hurst divulged that at 11 o'clock a regular assembly will be held in the auditorium.

"Songs and dances and stuff. No kiddin'. It's super. No kiddin'."

DRAMA READY FOR ANNUAL PLAY FESTIVAL

"Bachelor Born," Ian Hay's comedy of English public school life, which is to be the first offering of the 1941-42 drama season at Humboldt, will be presented at San Francisco State College on Friday night, and in the Humboldt College auditorium on Monday and Tuesday nights, Nov. 17 and 18.

The performance at San Francisco will be given as part of the annual play festival between the two schools. Monday night's show will be for college students—free to them on presentation of student body cards, and on Tuesday night, the play will be given for the public audience. Both performances will start at 8:15.

WHO KNOWS

I think it was in the Lumberjack that I first saw it. It was about some radio broadcasts that were going to be put on. Well one was actually staged on the air. Recorded I should say. But I won't believe more than ten students in the entire student body heard it. And since then what has been done about this activity? I'll leave that question in the air until someone can supply me with an answer. But think of the possibilities provided by a broadcast. It can explain the work of the college, it gives students in all classes a chance to show their learning. Why let this opportunity slide?

Another thing. Is anything being done about that song contest that was spoken of in one of the assemblies? You know as well as I do that most of the college songs of today are outmoded. We need something in keeping with the times. Something with a little swing and rock to it. Something besides these old 1890 marches. What do you think? It is up to us students to throw one together. Can we do it?

(Signed)
Nickerson.

BOIL IT IN OIL

Dear Editor:

What Humboldt needs beside a hundred other things is an orchestra made up college students! Why don't we have a dance band that will play for one-third, one-half, or even three-quarters of the profits made on the dance? Students are kicking about the high prices of admission but they don't think about the sponsors at least paying off the orchestra! Most organizations are afraid to throw a jig because of the figures on the wrong side of the ledger!

So here's what we need and the results. We need a dance orchestra that will play for a share of the PROFITS. No profits, no pay. But there would be profits because the sponsors of the dances would not have to pay a terrific price for the music. Here's the chance for a musician to have lots of fun and make a little dough on the side!

—Don Hurst.

State Students Purchase Records

Donations from commercial students of Humboldt State College, and a small sum of money from classes of previous years, made possible the purchase of a group of phonograph records for the commercial department. The records portray a person applying for a job, a secretary's duties at work, and the answering of the telephone. The records demonstrate both the right and the wrong way of doing these things.

Professor Murphy To Leave Friday For National Meet

GEORGE MURPHY

Pictured above is English Prof. George Murphy, President of the California State Association of English Teachers, and director of the National Council of Teachers of English, who will leave by bus Friday, November 14, to join a caravan of teachers en route to Atlanta, Georgia for a meeting of the National Council, Nov. 20-22.

Mr. Murphy will join teachers from California, Oregon and Washington in San Francisco. From there, the group will take the Southern Pacific Train on the South route stopping at the Carlsbad Caverns in New Mexico and in the city of New Orleans.

PANEL DISCUSSION

As director of the National Council, Mr. Murphy will take charge on a panel discussion on "Providing for Varied Intellectual Abilities in English Classes." This discussion will be held in the Hotel Biltmore in Atlanta.

AWAY TWO WEEKS

Mr. Murphy will be away from

Out Of The Fog

When it comes to student body presidents, we not only get quality but quantity too. To wit: Forrest Waters was elected last semester, but resigned last month. Tom Hanson took over automatically (he was V. P., you know). Fred Slack was appointed to fill the vacant V. P.'s shoes. And now? And now rumor has it that Mr. H. will resign early next year—the Draft, perhaps! Ah well—variety, spice of life, wheel go 'round, and all that stuff!—

STUFF

On the way down to Cal-Poly, Fred Iten, Len Longholm and Harvey Del Fatti got off the train at San Rafael to get some candy—and darn near got left for their trouble. It seems Ernie Caro had a notion to pinch hit for the conductor and yelled: "Booard!"—and the train pulled out thinking Ernie's call the real McCoy.... that battered bit of humanity wandering around this week is Loy Montgomery: bad shoulder, charlie horse, black eye, etc.... the Lumberjack staff cleared nearly five bucks on the Danse Macabre (not bad, considering the fact that expenses were 57 bucks)—but Morgenthau hasn't taken his cut, yet....

BLESSED EVENTUALITIES:

By now you've probably heard about Mr. and Mrs. Hunter (mehby this month).... Then there's always the news and the Don Karshners are slated to receive shipment soon (O. P. M. or no O. P. M.)....

HAPPY TALE:

Whazzis we hear about Compton dropping their game with Ven-

Humboldt State two weeks, and will return the weekend of November 28. Assignments for class work are being given out this week, and Mr. Murphy will resume his duties Monday morning, December 1.

Not Dog!

FLAME:

A late-hour unconfirmed communique has it that the Charles Follenberg MAY be infatigable.

NO-DOZ BAIT:

Those guysnals wandering around the halls with their eyes shut aint playing games—they're Don Karshner's slaves. Mr. K. (of the red-rimmed eyes) has been rehearsing the kiddies for the coming dramatic sally at the S. F. Play Festival. As Plato put it: "Ars Gratia Artis"—Oh, yeah?

MAN ABOUT THE JOINT

We see Richie "tradition" Jarboe is back in town again. Smatter, Rich—get homesick in New York? Speaking of Traditions returning home, we noticed that Fred Telonicher's Cadaver arrived.

INTELLECTUALITY:

Hartbook is starting a reference lib in the Lumberjack office Census: 3 Esquires, 1 Coronet, 2 Harper's Bazaar, 1 Hooey Annual, and that's only the beginning.

FURORE:

Much shuffling of haggard student teachers this week at the Elementary School as those who taught in the lower grades for the first nine weeks shift to the upper grades "for the duration"—and vice-versa.

And this is totally irrelevant, of course, but how about a real turoret for the final game of the season Friday night—and incidentally, the Rally Com's Wind-up sport dance afterwards—there will be an abundance of Compton wai-vals.

AMATEUR TRYOUTS

There will be Amateur Hour try-outs today in Room K, 12:30 to 1 P. M. Mu Epsilon Psi is sponsoring this program, which will be given at an early date for the student body. If you have talent, here's your chance.

"Coffee Cantata" Scheduled Thursday December 4th

College Chorus, Orchestra Are Rehearsing Daily

The College chorus of one hundred voices and a carefully picked orchestra of strings and woodwinds consisting of twenty players are in daily rehearsal of Bach's "Coffee Cantata," under the direction of Mr. Edmund Jeffers. The Cantata will be presented as part of the Christmas Music program presented by Humboldt State on December 4th in Eureka.

Mr. Jeffers has chosen the Coffee Cantata to introduce the public to some of the culture of the eighteenth century, and one of the "lighter musical masterpieces" of Johann Sebastian Bach.

The outline of the Cantata is that of a light little play concerning a father who wishes his daughter to cease her coffee drinking or give up the prospects of birthday presents and a husband.

CRAFTY PLAN

The daughter, bright child that she is, resigns herself to the fate of having no coffee rather than give up the joys of married life. As a last aria she sings of the crafty plan she has devised. She plans to marry and make her husband promise to let her have her coffee whenever she wishes.

SOLISTS ANNOUNCED

Soloists for the performance will be Mrs. Merrill Butler (soprano), Mrs. Carl Peterson, soprano from Los Angeles; Joel Carter, baritone from San Jose; Ed Rung, and Rico Bongio, tenors from Humboldt State. Mrs. Butler will be well-remembered here for her past performances in "Carmen," "Faust," and many others. Mr. Carter was last year's soloist in the "Ballad For Americans."

Lumberjack Staff Enjoys Banquet

By BILL FIEDLER

Eleven members of the Lumberjack staff enjoyed a hilarious banquet at the Buon Gusto Hotel on the evening of the Danse Macabre, October 31st. Special guests of the staff were Miss Sarah Davis and Mr. George Murphy.

A mild sensation was created when Helen Hartsock and Wallace Look arrived in nightshirt plus long woolen underwear, and a gay-nineties bathing suit respectively.

Staff members attending were: Mary Westbrook, Bernice Brown, Ledo Matteoli, Nancy Cran, Helen Hartsock, Fred Smith, Wally Look, Don Hurst, Sheldon Reaume, Nick Nickerson, and Bill Fiedler.

Boomerang Throw Slated At Games

Horace Jenkins, of the industrial education department at Humboldt State College, is making plans for a boomerang exhibition between the halves of one of the basketball games this season.

Although basketball has not started, Mr. Jenkins is now preparing for the half-time stunts. He is teaching the principles and use of the boomerang to many students who will help him in putting on his exhibition.

The boomerang has always been a mystery to many people but the principle is rather simple according to Mr. Jenkins. The blades on the boomerang are shaped like airplane wings and have the same action. The leading edge of the blade is thick, and tapers back to a thin trailing edge. This shape causes a partial vacuum above the blade when the boomerang is thrown, the vacuum furnishing the lifting power. The way the boomerang is thrown gives it the curved path.

Accidents were plentiful at the Cal-Poly game Saturday. Injured were: Loy Montgomery, right guard; Billy Lee, quarterback; Herb McCain, left halfback; and Art McGrath, right end.

In juvenile roles are three Arcata High School students, Phyllis Peugh, Stribley Schussman, and Don Christianson.

COST LEAVES TOMORROW

The cast and technical staff will leave for San Francisco by bus Thursday morning, arriving there that evening. The party will view San Francisco's play Thursday evening, and will present "Bachelor Born" Friday evening, returning Saturday. After a rehearsal Sunday in the college auditorium, they will be ready for the two home performances on Monday and Tuesday.

Mix-up In Radio Program Schedule Is Explained

For the benefit of those students who wonder if the first official radio program scheduled for Thursdays night, October 30th, at 8:45 P. M. over KJEM was only another fiction of the Hallowe'en issue of the Lumberjack the announcement comes from Dick Thompson that it was necessary to shift the broadcast at 10:45 P. M. at the last minute. Why the station did not announce the change in schedule was not explained.

Furthermore, the program was planned to be a re-broadcast of the Danse Macabre Assembly program given by the staff on the 30. Mr. Thompson, who is in charge of the college radio programs, was unable to get his recording equipment to the college the morning of the assembly in time to record the program. In place of the program planned, Mr. Thompson recorded an impromptu interview program Thursday afternoon which was broadcast at 10:45 P. M. on the 30th.

Campus organizations and classes are urged to contact Dick Thompson for the scheduling and planning of any proposed college air program.

given by Bill Jackson.

Following the initiation, the group enjoyed a banquet at Hunters, where an interesting program was presented.

President Gist gave the main address of the evening, speaking on "Leadership." Musical numbers included a piano solo by Dorothy Todd, a trombone solo by Jack Sutherland, and a vocal solo by Jean Schussman.

SPECIAL LETTER

Among the many letters from alumni members of Chi Sigma was one especially worthy of note. This was a letter from Mrs. Lillian Gist, who became an honorary member of Chi Sigma Epsilon a few years ago.

MISS JOHNSON HONORED

Miss Adella Johnson, who for the past five years has been the society's sponsor and advisor, was honored for her unflinching efforts on behalf of high scholarship at Humboldt State. Chi Sigma Epsilon received its charter ten years ago this month, in November, '31.

Alumni present were: Mae Wilda Downing, Marie Nordquist, Ruth Carroll, Clyde Patenaude, John Van Duzer. Honorary members: Dr. and Mrs. Homer Balabanis, Dr. and Mrs. H. D. MacGinitie, President and Mrs. Arthur Gist, and Miss Adella Johnson.

College "Y" Holds Annual Assembly

The College "Y" held its annual Fall assembly last Thursday, November 6, in the auditorium with Wallace Williams presiding.

Jack Burg, assembly chairman, arranged the program which began with Stan Roscoe's reading of "The House That Jack Built." Roscoe next presented a parody on the "Raven."

Adith Anderson played a trumpet solo "My Regards," with Joyce Brunner accompanying her at the piano. The feature of the assembly was the speech by Reverend Dodds Bunch, of the First Methodist Church, on "The Place of College Youth in This World Crisis."

Concluding the program, Katherine Jean Pratt, secretary of the "Y," lead the singing of the Alma Mater.

Keith Emenegger Leaves For Duty

Keith Emenegger, popular and widely known local newspaper man and former Humboldt State College student, left Wednesday for Oakland for flight training in the Naval Reserve. He will train in Oakland for two months and then be transferred to Corpus Christi, Texas, for further training towards his commission.

Lumberjacks Favored Over Compton Tartars Friday

--- TIMBER LINES ---

DON HURST

I'm happy! You're happy! We're all happy! Why? Because the boys went out and won that game for the old Alma Mater! The score was 7-0, as you all know, and the playing was darn good. Spirit did the trick and this week the Green and Gold should see that a defeated Compton team wends its weary way home. The score will be no less than two touchdowns in Humboldt's favor.

There are two main kinds of publicity. They are favorable and unfavorable. What I can't understand is the fact that one of the Eureka papers has done Humboldt a bit of dirt, in my opinion. This paper has given the team splendid support in the past and I can't see why they should bog down now!

Before the game the paper played up the fact that the Polyites would probably take us. This was strengthened by the fact that Cal Poly had a total of eight lettermen returning to the squad this year. And then, after Humboldt had won the game, the paper came out with a big spread on the game. This was all right but the headline and story led to the conclusion that Cal Poly had been left weak by the draft and defense works and that we were picking on cripples!

This is the way that I see it. We try to present a good clean brand of football to the public. It costs money and we need crowds at our games to pay for the kind of game the fans want. So how about it? The more FAVORABLE publicity we get from a certain Eureka paper, the better the crowds at the game. And, consequently, better games.

Get out your tennis shoes because basketball practice starts next Monday night. Humboldt always had a humdinger of a basketball squad and this year will be no exception. The loss of Jim Savage will be felt but in the ranks of the Frosh there is a lad or two that can handle the old ball.

Compton has a total of sixty men on their roster! Most of us think that this fact will mean that our boys will be swamped when they get tired. But remember the old adage that it is "Quality not Quantity" that wins out in the end. How can we loose if the team has the same fight and grit that they displayed in the recent Cal Poly game?

Lumberjacks Lose Thrilling Game To C. O. P.; Dispute

Fighting gamely throughout the contest a spirited Humboldt team went down to defeat at the hands of a strong Bengal eleven in the last quarter of the game, played on the College of the Pacific field on November 1, 1941.

DISPUTE TOUCHDOWN

The final score was 19-0 but there was a question raised over the last touchdown the Bengals made. On the first try of the play, when the ball rested near the goal line, both sides were offside. This fact should have ended the game as there were only second left to play. However the referee allowed another play and the College of Pacific eleven was penalized 15 yards for holding and the referee allowed them another play! On this play they took to the air and made the last six points.

The Humboldt boys showed themselves good sports despite the raw deal and have been commended in many papers for their fight and spirit against the favored Pacific eleven. For the first three quarters the Lumberjacks held the Bengals to a scoreless tie and that was good playing!

Nelson Hall Holds Three-Purpose Celebration

The combined Men's and Women's Units of Nelson Hall sponsored a party with a three-fold purpose Wednesday night, November 5, honoring Hazel Hagne, Bill Hutchins and Lloyd Huse.

Miss Hagne was honored for having recently achieved the highest scholarship rating at Nelson Hall. Huse, just back from the Salton Sea Championship Races, was honored for having broken three World's records in the C-Service division. The celebration was also a farewell party for Bill Hutchins, draftee, who left on the Wednesday midnight bus.

Entertainment for the evening featured Ethel French, Hawaiian dancer; Miss Lolly Scholl, who performed a "Russian" dance; and Miss Muriel Yaley, clarinetist.

Women's Hockey Teams Wind Up Game Series

By MARGARET HAYFIELD

Despite a wet and extremely muddy field, the college women's Hockey teams played "bang-up" ball last week. The first game, Tuesday, Nov. 4, between the Frosh and mixed upper-classmen, ended 1 to 1. Nadine Swan made the lone score for the upper-classmen, and "Vickie" Petrovich scored for the freshmen.

In Wednesday's game, the sophomores walloped the mixed upper-classmen 4 to 1, with Ilene Jensen shooting the ball through for the upperclassmen and Sadie Ranta scoring for the sophomores.

The third game of the week, played on Thursday, saw the Frosh I team defeat the Frosh II team 2 to 0. Esther Pifferini and Florence Getchell scored through the goals. Officials for the games were Mrs. Monica Hadely and Miss Prue Illingworth.

The final game between the Frosh and Sophomores, will be played sometime this week, and promises to be a hot contest. Watch for the announcement of the date for this game and the Hockey Banquet this week.

HUMBOLDT VS. COMPTON IN FINAL TILT

Humboldt State Lumberjacks will be heavy favorites to cap their final game of the season from the Compton J. C. eleven Friday night in Albee Stadium.

Compton's 40 to 0 defeat at the hands of an unknown element, namely Ventura J. C., will make the Lumberjacks heavy favorites. **PRIMED TO WIN**

After taking a big Cal Poly team last Saturday 7 to 0, the Lumberjacks are primed to make it two in a row, a feat not accomplished since the beginning of last season. Regardless of the outcome, it will be the second successive season that Humboldt has lost more games than she has won.

The Lumberjacks dropped five straight to some of the biggest and toughest opponents in the school's history. Humboldt looked ready when they stopped San Francisco State cold in the first game by a score of 13 to 2, but succeeding defeats hit their morale hard.

LAST GAME FOR FIVE

Friday night Humboldt fans will see five favorite footballers play in the green and gold colors for the last time, for they have completed their college eligibility. Art McGrath, end; Len Longholm, back; Billy Lee, back; Ernie Caro, center; and Monte Montgomery, tackle, are the seniors who will be lost to the '42 squad by graduation.

Humboldt Defeats Mustangs 7-0 In Tough Battle

Scoring on a quarterback sneak in the last of the second quarter, Bill Lee slipped over the goal line from the two yard stripe to score the only touchdown of the game. But that was enough! Humboldt held like the seven blocks of granite and at the end of the game the score stood Humboldt 7 Cal Poly 0.

TOUCHDOWN SET-UP

The scene of the touchdown was setup by a long pass from Lee to McGrath which advanced the ball from the 30 yard line to the 2. The game was the annual Cal Poly homecoming game and also was added to by the fact that our Coach Hoos formerly taught at San Luis.

Looking up the statistics, we find that Humboldt had the edge over the Polyites in yards gained from scrimmage. Numerous Lumberjack fumbles spoiled the chance for another one or two scores. The main attribute in the victory of the Green and Gold was the fact that the team had PLENTY of spirit!

The first day's race he broke the five-mile competition record attaining a speed of 43.227 miles per hour, beating the previous record of 42.230.

The second day he raced in the one-mile trial straight-away and broke the previous record by a speed of 45.285 miles per hour.

The third day he broke his own record of the day before; so the world's record now stands at 45.822 miles per hour in this class.

There were fifteen entries in the C-Service division, and a crowd of approximately five thousand people attended.

Lumberjacks Favored Over Compton Tartars Friday

--- TIMBER LINES ---

DON HURST

I'm happy! You're happy! We're all happy! Why? Because the boys went out and won that game for the old Alma Mater! The score was 7-0, as you all know, and the playing was darn good. Spirit did the trick and this week the Green and Gold should see that a defeated Compton team wends its weary way home. The score will be no less than two touchdowns in Humboldt's favor.

There are two main kinds of publicity. They are favorable and unfavorable. What I can't understand is the fact that one of the Eureka papers has done Humboldt a bit of dirt, in my opinion. This paper has given the team splendid support in the past and I can't see why they should bog down now!

Before the game the paper played up the fact that the Polyites would probably take us. This was strengthened by the fact that Cal Poly had a total of eight lettermen returning to the squad this year. And then, after Humboldt had won the game, the paper came out with a big spread on the game. This was all right but the headline and story led to the conclusion that Cal Poly had been left weak by the draft and defense works and that we were picking on cripples!

This is the way that I see it. We try to present a good clean brand of football to the public. It costs money and we need crowds at our games to pay for the kind of game the fans want. So how about it? The more FAVORABLE publicity we get from a certain Eureka paper, the better the crowds at the game. And, consequently, better games.

Get out your tennis shoes because basketball practice starts next Monday night. Humboldt always had a humdinger of a campaign and this year will be no exception. The loss of Jim Savage will be felt but in the ranks of the Frosh there is a lad or two that can handle the old pill.

Compton has a total of sixty men on their roster! Most of us think that this fact will mean that our boys will be swamped when they get tired. But remember the old adage that it is "Quality not Quantity" that wins out in the end. How can we loose if the team has the same fight and grit that they displayed in the recent Cal Poly game?

Lumberjacks Lose Thrilling Game To C. O. P.; Dispute

Fighting gamely throughout the contest a spirited Humboldt team went down to defeat at the hands of a strong Bengal eleven in the last quarter of the game, played on the College of the Pacific field on November 1, 1941.

DISPUTE TOUCHDOWN

The final score was 19-0 but there was a question raised over the last touchdown the Bengals made. On the first try of the play, when the ball rested near the goal line, both sides were offside. This fact should have ended the game as there were only second left to play. However the referee allowed another play and the College of Pacific eleven was penalized 15 yards for holding and the referee allowed them another play! On this play they took to the air and made the last six points.

The Humboldt boys showed themselves good sports despite the raw deal and have been commended in many papers for their fight and spirit against the favored Pacific eleven. For the first three quarters the Lumberjacks held the Bengals to a scoreless tie and that was good playing!

Basketball Season Near; Practices Begin Monday

By HARRY GRIFFITH

Basketball practice will start on Monday afternoon at 3 P. M. Men turning out are expected to furnish their own equipment and be prepared for their first workout at that time.

Men who have been out for football are urged not to come out until December 1st. It is hoped they will use this time to catch up with their studies if they are

Nelson Hall Holds Three-Purpose Celebration

The combined Men's and Women's Units of Nelson Hall sponsored a party with a three-fold purpose Wednesday night, November 5, honoring Hazel Hagne, Bill Hutchins and Lloyd Huse.

Miss Hagne was honored for having recently achieved the highest scholarship rating at Nelson Hall. Huse, just back from the Salton Sea Championship Races, was honored for having broken three World's records in the C-Service division. The celebration was also a farewell party for Bill Hutchins, draftee, who left on the Wednesday midnight bus.

Entertainment for the evening featured Ethel French, Hawaiian dancer; Miss Lolly Scholl, who performed a "Russian" dance; and Miss Muriel Yaley, clarinetist.

Women's Hockey Teams Wind Up Game Series

By MARGARET HAYFIELD

Despite a wet and extremely muddy field, the college women's Hockey teams played "bang-up" ball last week. The first game, Tuesday, Nov. 4, between the Frosh and mixed upper-classmen, ended 1 to 1. Nadine Swan made the lone score for the upper-classmen, and "Vickie" Petrovich scored for the freshmen.

In Wednesday's game, the sophomores walloped the mixed upper-classmen 4 to 1, with Ilene Jensen shooting the ball through for the upperclassmen and Sadie Ranta scoring for the sophomores.

The third game of the week, played on Thursday, saw the Frosh I team defeat the Frosh II team 2 to 0. Esther Pifferini and Florence Getchell scored through the goals. Officials for the games were Mrs. Monica Hadely and Miss Prue Illingworth.

The final game between the Frosh and Sophomores, will be played sometime this week, and promises to be a hot contest. Watch for the announcement of the date for this game and the Hockey Banquet this week.

behind.

Plans for the coming basketball season include scheduling a season of competition for a varsity team, a junior varsity, and a freshman squad. All men interested are urged to come out regardless of the amount of experience they have had.

HUMBOLDT VS. COMPTON IN FINAL TILT

Humboldt State Lumberjacks will be heavy favorites to cap their final game of the season from the Compton J. C. eleven Friday night in Albee Stadium.

Compton's 40 to 0 defeat at the hands of an unknown element, namely Ventura J. C., will make the Lumberjacks heavy favorites. **PRIMED TO WIN**

After taking a big Cal Poly team last Saturday 7 to 0, the Lumberjacks are primed to make it two in a row, a feat not accomplished since the beginning of last season. Regardless of the outcome, it will be the second successive season that Humboldt has lost more games than she has won.

The Lumberjacks dropped five straight to some of the biggest and toughest opponents in the school's history. Humboldt looked ready when they stopped San Francisco State cold in the first game by a score of 13 to 2, but succeeding defeats hit their morale hard.

LAST GAME FOR FIVE

Friday night Humboldt fans will see five favorite footballers play in the green and gold colors for the last time, for they have completed their college eligibility. Art McGrath, end; Len Longholm, back; Billy Lee, back; Ernie Caro, center; and Monte Montgomery, tackle, are the seniors who will be lost to the '42 squad by graduation.

HSC Race Pilot Cracks 3 World Records At Meet

Lloyd Huse, Humboldt College student, is back from the Salton Sea Championship races and reports he broke three world's records in the C-Service division. This division requires a thirteen-foot boat and a twenty-two and one half horsepower motor.

Humboldt Defeats Mustangs 7-0 In Tough Battle

Scoring on a quarterback sneak in the last of the second quarter, Bill Lee slipped over the goal line from the two yard stripe to score the only touchdown of the game. But that was enough! Humboldt held like the seven blocks of granite and at the end of the game the score stood Humboldt 7 Cal Poly 0.

TOUCHDOWN SET-UP

The scene of the touchdown was setup by a long pass from Lee to McGrath which advanced the ball from the 30 yard line to the 2. The game was the annual Cal Poly homecoming game and also was added to by the fact that our Coach Hoos formerly taught at San Luis.

Looking up the statistics, we find that Humboldt had the edge over the Polyites in yards gained from scrimmage. Numerous Lumberjack fumbles spoiled the chance for another one or two scores. The main attribute in the victory of the Green and Gold was the fact that the team had PLENTY of spirit!

The first day's race he broke the five-mile competition record attaining a speed of 43.227 miles per hour, beating the previous record of 42.230.

The second day he raced in the one-mile trial straight-away and broke the previous record by a speed of 45.285 miles per hour.

The third day he broke his own record of the day before; so the world's record now stands at 45.822 miles per hour in this class.

There were fifteen entries in the C-Service division, and a crowd of approximately five thousand people attended.
