

# Rainbows, 'Jacks' Clash Here

## Lumberjack

OF HUMBOLDT STATE COLLEGE

VOL. XXXI

ARCATA, CALIF., FRIDAY, SEPT. 27, 1957

No. 1

### Visiting Hawaiians Met At Airport By HSC Rally

The University of Hawaii team arrived at the McKinleyville airport Wednesday evening amid the cheering of HSC students and the playing of the Lumberjack band.

Welcoming speeches were given by Dr. Cornelius Siemens, president of Humboldt State College and by Dale Callahan, student body president. After a proper welcome and more entertainment by the HSC song queens, the Rainbow warriors were driven to the Eureka Inn for a coffee hour. They were guests of the Eureka and Arcata Chambers of Commerce.

Early Thursday morning found the Rainbows traveling to Big Lagoon to watch a logging show put on by the Hammond-California Lumber Company. The team had a tour of the Ingotmar Club in Eureka in the afternoon. The University of Hawaii football team take their last trip today. The Eureka Chamber of Commerce will furnish transportation to Scotia and the Pacific Lumber Company in Scotia. The team will go sightseeing in the giant mill. They will also travel south to come of the giant redwood groves from there.

All the entertainment provided for the Rainbows is an attempt to repay the hospitality they showed our visiting football team when they played in the Islands last year.

### Hugh Monda Is Appointed Head Of Yearbook

Hugh Monda was named editor of the 1958 Sempervirens this week.

He will be in direct charge of production of all phases of the yearbook. The appointment was presented to the student executive council Wednesday night for confirmation.

Monda announced that he was contacting prospective staff members, and invited any interested photographers, writers "in just hard working organizers" to apply.

Staff members may register for Journalism 27 or 127, Journalism Laboratory, and earn credit for working on the book, was pointed out by Dr. Haldestein, publications adviser.

Following the trend of the past three years, this year's book will be the largest ever in terms of number of pages and copies produced. A theme appropriate to this year at Humboldt will be chosen by staff members.

Monda is a second semester sophomore and a premedical sciences major with a minor in art. He was a member of the Arcata High School class of 1953, served in the Navy as a hospital corpsman attached to the U.S. Marine Corps, and saw duty in Korea and Japan.

Sempervirens office have moved this year from room 203, upstairs in the Comp. to a nearby office, room 201, which formerly housed the student body offices.

### TWO APPOINTED TO HSC COUNCIL

Two new members were appointed to the Executive Council at a meeting of the group last Monday. The appointments will take effect immediately.

Don Peterson, a junior, majoring in Political Science was the first appointee. Don is a graduate of Arcata Union High School and has been very active in HSC politics. Don served as Assemblyman Commissioner last year and thus has a year's experience in the executive council.

Joyce Hedberg, freshman, majoring in Art is the next appointee. Joyce is a graduate of Eureka High School where she was active in a wide variety of fields. Among her activities were the student council, Quill and Scroll, GAA and Logarithms to mention a few. Joyce was also a cheerleader and elected Miss Senior.

Don Peterson is replacing Chip Braden, who did not return to HSC this year, as representative at large. Joyce Hedberg is replacing Sandy Wahlund who took a new job on the executive council.

### Miss Platt Is 'Woman Of Year'

Miss Imogene Platt, faculty member of Humboldt State College for the past 31 years, was chosen "Woman of the Year" by the Arcata Business and Professional Women in observance of Business Women's Week which is sponsored by all Business Women's clubs of the nation.

Miss Platt began her career at the Milling college in 1926 as the first registrar and placement director. From 1933 on she was part-time instructor in English and business instruction and was director of research.

She became full time registrar in 1935 with the title of professor of business administration. She taught business English, business mathematics, machine and typewriting. Miss Platt was also head resident of the women's dormitory from 1938-1943. She is now associate professor of business administration and teaches business English, correspondence and machines.

In addition to her many teaching duties, Miss Platt is a member of numerous service organizations and clubs in the Eureka-Arcata area.

### FIRST CHAMBER PROGRAM SUNDAY

The first program of this year's Chamber Music series will be presented at 8 p. m. in the new Music building.

This program will consist of the Haydn Sonata in A major by pianist Charles Fulkerson; the Beethoven Quintet for Strings, played by Elaine Sox and Jean Fulkerson, cellists, Floyd Glende and Esther Thomson, violinists, and Dan Beckman, violator. Charles Fulkerson, Jean Fulkerson and Floyd Glende will present a Mozart Trio, and the Sonata in A minor by Beethoven will be a piano and cello duo, done by the Fulkersons.

JON MITTS

GORDON TURNER

### Homecoming Festivities Will Begin With Alumni Banquet, Oct. 18

The annual Homecoming festivities will begin on campus Oct. 18. Theme of this year's Homecoming is "Showers of Stars". Since Homecoming occurs on the weekend following the county institute many of the alumni will stay over for the three-day event.

A generation assembly will be held Friday afternoon, Oct. 18, for the Homecoming queen. Each club and organization on campus is eligible to enter a senior or junior woman in the queen contest. The clubs may also enter a float for the parade.

The queen will be presented to the audience at the Homecoming game between HSC and the Cal Aggies Saturday night on the winning floor.

The traditional headline rally will be held Friday night. After the headline a variety show will be held in the college auditorium. Students and alumni will present the show.

Some 200 alumni will gather for their annual banquet in the Home Economics building at Redwood Avenue Friday night, with a former HSC athlete selected as the third member of the HSC Hall of Fame as guest of honor. Dinner chairman is Francis Gyles, HSC basketball coach and ex-alumnus.

Saturday will see the dedication of three new buildings, the gymnasium, music and home economics buildings. State officials will participate in the official dedication ceremonies. Open house will be held the afternoon of October 19.

### Radio KHSC Set To Go On Air

KHSC, the Humboldt State on-campus radio station, goes on the air Monday. Broadcasting hours will be from 8 a. m. to 2 in the afternoon, and 3 to 5 p. m.

Program manager Bill Simon, says that most of the staff are well backgrounded in broadcasting and many are working at present with local radio and T.V. stations. The staff for this enterprise is Jean Sylvia, Hal Lewis, Gary Mead, Walter Sinclair, St. Clair Adams, Norman Benkinson, Joe Koppke, Fred Sheffler and Bill Simon.

The station will operate on 700 kilocycles, with an increase in power intended to extend the station range as far as Redwood Hall, explains instructor Dale N. Anderson.

During half-time Saturday night, numerous activities will be presented by the alumni and students. Following the game will be the traditional Homecoming dance. All students and alumni are invited.

The celebration of Homecoming festivities will be a concert by Mu Epsilon Psi society, Sunday.

The new Hall of Fame member will be honorary guest at all functions during Homecoming.

Jon Mitts is chairman of the Homecoming activities and Gordon Turner is co-chairman.

### Strahan Appointed Division Chairman

The appointment of Dr. Donald Strahan as chairman of the Division of Education and Psychology has been announced by President Cornelius Siemens.

Dr. Strahan, assistant professor of education, replaces Dr. Harry Griffith, who has served as chairman for the past three years, and has asked to be relieved in order to devote full time to teaching. Dr. Strahan's appointment is also for a three year period.

Dr. Strahan joined the HSC teaching staff last year, coming here from the University of Iowa, Iowa City, where he completed work on his doctorate in 1956. While working on his Ph. D. degree he served as principal of the University High School in Iowa City.

The Division of Education and Psychology has the largest enrollment on campus, and has had sizeable increases in the past three years. It is estimated that of the nearly 1600 students enrolled, about 40% of those who graduate will be eligible for teaching certificates.

### GENERAL BUDGET

The general budget capital outlay, and housing for 39-50 has been sent to Sacramento. This is the budget requested for our operation for the fiscal year of 39-50 which the governor will include in his message to the legislature.

By DON HARRIS  
Lumberjack Sports Editor

Faced with the prospect of meeting their toughest opponent on a grueling 12 game slate, the Humboldt State College Lumberjacks host the powerful University of Hawaii Rainbows in one of the highlights of the football season tomorrow night under the lights at Redwood Bowl starting at 7 p.m.

Owning a 0-2 record after their first two games, the Jacks enter the contest decided underdogs to the guests from Honolulu, who last season swamped Humboldt 34-6 over three.

With most of last year's squad returning and a host of new top-flight performers on hand, the Rainbows are considered to be stronger than ever. In fact, Hawaii Coach Henry Vasconcellos reports that it is the best looking squad he has had at the University, where in the past five years he has compiled a 28-21-2 record.

Tomorrow night's contest will mark the second meeting in history of the two schools football teams; the 1956 game being the opener of a three year contract that was due to run out when HSC returned to Hawaii next fall.

### FACT EXTENDED

However, the pact has been extended another two years, which means local fans can look forward to the return of the 'Bows to Arcata in 1959.

The Island visitors have been on the mainland for the past three weeks, splitting a pair of contests in that time. Their last to the Utah State Utes of the big time Rocky Mountain Conference, by own scoreboard and last week ramblered over Lewis and Clark by a big score.

Although the Utah game was the official season opener, the Rainbows started practice in mid-August and have staged several "scrimmages" with various service teams.

For this reason, Lumberjack Coach Phil Sarboe, filled with nothing but praise for Hawaii, stated, "We will be meeting a team that is in top-flight, mid-season form. And what is just as important is that we'll be facing a squad full of fight and spirit."

### DYER GONE

Skippy Dyer, the Rainbows great "catchback" who gave the Jacks such fits last year in Honolulu, is gone, having signed a professional baseball contract. While Dyer will be missed, Hawaii still packs a great running game.

The Rainbows boast what is undoubtedly one of the greatest number combinations to be found in intercollegiate football in the fabulous George brothers, Henry, Nolan and Talbot.

Henry George is rated one of the finest open field runners to come out of Hawaii. A transfer backfield from Casper, N. Henry is billed as the boy to fill Skippy Dyer's shoes and, according to all reports, is doing a tremendous job of doing the same.

At the other backfield will be brother Nolan, who is the small fry of the brothers at 160. Back for his second year, Nolan had the top average among the team's backs last year with 33 yards gained per try.

Completing the George brothers combination is quarterback Talbot, who aims horns as a starter. (Continued on Page Four)

### El Toro Marines To Perform Here

Widely known El Toro Marines Band will add to the activities at Redwood Bowl Saturday night when the Humboldt State Lumberjacks take on the University of Hawaii Rainbows.

The famed marine band will represent the University of Hawaii at the game and will also be added to the activities at Redwood Bowl Saturday night when the Humboldt State Lumberjacks take on the University of Hawaii Rainbows.

The famed marine band will represent the University of Hawaii at the game and will also be added to the activities at Redwood Bowl Saturday night when the Humboldt State Lumberjacks take on the University of Hawaii Rainbows.

Various Junior Chamber of Commerce, American Legion and Veterans of Foreign Wars are responsible for the band's appearance in Humboldt county.

## DICK'S DUNGEON

By Dick Wassmuth

It happened just the other day as I was taking my morning constitutional down the main hall of the Ad building. I was wondering why it was so crowded when my first enlightening thought of the day came hurtling through the voids of my subconscious. To wit:

"Gadzooks man could this enormous crowd of people mean that school has started again?"

Not being one to ignore myself I straightaway proceeded to check and find out. At the registrar's office I posed the intricately worded and subtly implicated question, "When do classes start?"

"Just a moment and I'll check your records. What's your name, age, year in school, class, grade point average and GLFIA rating?"

Not knowing what a GLFIA rating was I decided against answering that one. "Uh... lady, all I want to know is when classes start?"

"If you'll fill out this form, get your residence card and your advisor's signature, I may be able to help you."

Where Am I?

By this time I was beginning to think I was in the wrong place and was about to head for the Coop and get a couple of shots (coffee) to straighten me out. (That coffee even straightens out the spoons.) But instead I tried once more. "WHEN DO CLASSES START?"

"I'm very sorry sir, but you'll have to check with the business office first. Go north, young man."

With this exceptional example of passing the buck still vibrating in my eardrums, I began wending my way down the hallway.

Always have been one to cut corners, (also classes) I stopped one of the more intelligent looking persons jamming the hall.

"Excuse me but could you tell me when instruction begins?"

"DOOH MAN, You're piercing me. Go away. Step back man, you're piercing me. Go away. GO AWAY!"

Crowded Crowd

As I passed the main entrance I noticed that the crowd was denser... more dense... the crowd was pretty thick around a small table by the door. Good old subconscious came through again. "Daily bulletins man. Get with it. Lay claim to one."

Using some old infantry tactics and my trusty penknife, I politely hacked my way to the table just as some freshman mouse picked off the last one.

After I snatched one away from the smallest girl around I discovered that classes had started two weeks ago.

Not being one to waste time getting started, I decided to get my registration out of the way in record time and start classes.

"That shouldn't be hard for an old pro like you," my subcon ventured. I agreed. I know the ropes I figured... should be through by lunchtime.

Six days later I started classes. club presidents on Tuesday at 12 noon in the Green and Gold Room.

It was moved, seconded and passed to adjourn. Respectfully submitted, Roberta Johnson ASB Vice President Diane Johnson ASB Secretary

## Quantity AND Quality

Perhaps it is selfish or conceited to begin the year with a "pat on our own backs." But I wanted to take this opportunity to say "Watch the Lumberjack." We have always strived to serve our readers to the best of our ability and this year is no exception.

This semester we are extremely fortunate, in my estimation, to have the largest Lumberjack staff in HSC history; however, QUANTITY is of no advantage without QUALITY. This latter trait I want to stress. I feel we DO have this quality. If experience and talent help in making up newspaper quality, then our staff has that virtue. Practically all of the Lumberjack staffers have had high school journalistic training and many of these held high school editorships. Several other staff members have held and are now holding positions on a daily newspaper while others, through natural ability perhaps, and plain hard work are good writers.

With this quality we hope to bring you a Lumberjack that is, to us a worn-out cliché, "bigger and better than ever." I believe that we can put real meaning into those words. I am CERTAIN that we can produce a paper that will hold much more interest for many more readers.

All in all, I believe that this year's Lumberjack will take its place among the best HSC has ever produced... if not THE best.

## Minutes of the Student Council

The meeting was called to order by vice president Roberta Johnson. Those present were Jim Ely, Joe Chappelle, Sandi Wahlund, Tony Vasquez, Jon Mitts, Larry Westlake, Pat Duffy, Warren Baker, Dale Callihan, Howard Goodwin, Dr. Karshner and Diane Johnson.

The minutes of the Interim Government for June 27, July 24 and August 21 were approved as submitted. The minutes for Sept. 5 were corrected to read "It was moved, seconded and passed to transfer \$110.75 from unallocated to take care of this raise. (Edna Johnson's) plus any other adjustments to cover payroll taxes."

### CORRESPONDENCE

A letter was received from Mike Fielding emphasizing the importance of the Council's duty to the Student Body and expressing his best wishes to the Council for a good year.

### NEW BUSINESS

Warren Baker was appointed to a committee with Dale Callihan and Roberta Johnson to work out a plan for the student directory. Jon Mitts reported on Homecoming. Some committee chairman have been appointed and others will be selected through KCS. Don Peterson is in charge of half-time at the game and has most of his plans worked out already.

The University of Hawaii football team will arrive at 7:09 p.m. Wednesday. Sandi Wahlund reported that there will be a rally and a 12-car caravan for the team. President Siemens, Dale, Phil Sarboe, the other coach, team captains, yell leaders and song queens will take part in the rally. Gary Mead will see to the cars which will be decorated. There will be a coffee hour following the rally to which the council is invited. The council should be in front of the Coop at 6 p.m. to decorate the cars and arrive at the airport at 6:45.

The possibility of having a send-off for the team at the air there will be a meeting of the

### COMMISSIONER REPORTS

Assemblies — Larry Westlake reported that he has met with the faculty in a small meeting and will meet again.

Board of Finance — The Board of Finance has not been formed as of yet so Jim Ely reported that he accepted the prices for the after-game dance sponsored by Delta Sigma Phi, the Howdy-Doody Hop and the Hawaiian dance at 75 cents with activity cards and \$1 without. Roberta Johnson requested \$25 for the Leadership Conference to cover expenses which is to be taken from unallocated. Sandi Wahlund requested \$23.68 from unallocated for favors for the Hawaii team (letter openers of redwood burl with "Hawaii vs. Humboldt" on them). It was moved, seconded and passed to approve all of the above.

### PRESIDENT'S REPORT

A letter was received from Van Tonkin stating that it will be possible to have "Jazz Showcase" here in the early part of October. C. E. "Chip" Brodie's resignation as representative-at-large was received and accepted. Dale recommended Don Peterson to replace Chip and Joyce Hedberg to fill the vacancy left by Sandi Wahlund. It was moved, seconded and passed to accept Don Peterson and Joyce Hedberg as the new representatives-at-large to serve until January.

Tony Vasquez was appointed to see about putting the axe back over the fireplace.

Joe Chappelle reported that

Alexander Schreiner, noted concert organist appeared Tuesday, September 17 in the college auditorium in a recital featuring Romantic and Baroque selections. Left to right Cornelius M. Siemens, Mr. Peru Johnson and Schreiner.

## Review Given Of Organ Recital By Alexander Schreiner Held Here

By PAUL JOHNSON

The Humboldt State College faculty and student body had the privilege of hearing the celebrated organist Alexander Schreiner play a recital of Baroque and Romantic music in the college auditorium on Tuesday, Sept. 17. On the program were works by J. S. Bach, Hensel, Mendelssohn and Viennese. The Salt Lake City artist performed, on the whole, quite competently and in good style.

The highlight of the morning recital came early on the program with the performance of the difficult Toccata, Adagio and Fugue in C major by Bach. Particularly praiseworthy was Mr. Schreiner's excellent command of the pedals. The artist's fine technique and the natural brilliance of the Toccata brought the first movement to successful completion.

The Mendelssohn Sonata for Organ in F minor was written about one hundred years after the Bach work, but the influence of the former master is quite evident.

The Sonata reveals a curious mixture of musical styles, that of Mendelssohn's contemporaries and that of the late Baroque. This seems particularly true of the finale which is the least original and least successful movement in the work. Although Mr. Schreiner played well he could not bring to life a rather monotonous finale.

The closing work by Louis Vierne "Fantasy for Organ" is not especially praiseworthy, owing to its obvious rhythmic structure and banal use of the Westminster Chimes Theme. After the first few measures very little is left formed with a restrained expressive quality well suited to the music, and the climax in the closing measures was rendered with both power and excitement. Rapid contrapuntal lines played with clarity and precision gave the Fugue a sparkling quality.

# Jim Ely Accepted As ASB Officer

Jim Ely was officially accepted as the new ASB treasurer at the student council meeting of Sept. 19. Jim is a senior majoring in Business Administration and a graduate of Arcata High School.

He is replacing Donald "Snuffy" Smith who was killed in an auto accident this summer.

Among Jim's other activities he has served as Freshman class president, Circle K president and has been active in ICS, band and choir.

With Jim's appointment the executive council is now complete. Officers are Dale Callihan, president; Roberta Johnson, vice-president; Diane Johnson, secretary and Jim Ely, treasurer.

The five commissioners are as follows: Sandy Wahland, rally; Joe Chappelle, activities; Tony Vasquez, publicity and publications; Larry Westlake, assemblies and Warren Baker, awards commissioner.

The four representatives at-large are Pat Duffy, Joyce Hedberg, Jon Mitts and Don Peterson. The executive council meets once a week. Meetings are now being held Wednesdays at 5 p.m.

**DRAMA PLANS DISCUSSED**  
Drama plans for the upcoming year were outlined at the All-College Dramatic meeting held Thursday, Sept. 19 at 7:30 at the college.

## We Ask, You Answer

### OUR PARKING PROBLEM

By Jack Geary

Have you noticed that glassy look and dazed expression being worn by so many of your contemporaries stumbling around school, or perhaps you too are one of the affected ones.

If your not, watch out! This condition is contagious and your only immunity is to be blessed with the knowledge, or rather lack of knowledge of knowing how to drive.

This reporter striving to start the year off by rendering the greatest of all services to HSC humanity (and get a passing grade in journalism) has been working tirelessly and relentlessly day and night in an effort to solve this perennial dilemma of parking.

Unfortunately I had to give up my night work as a developed a stamp in my right elbow the other evening. However, not to be thwarted as easily I took a sampling of public opinion around campus and discovered that many solutions are perhaps close at hand.

Here are some of them - what do you think?

**SHARON JOHNSON** - Freshman Business Administration major  
Bring new on campus I haven't found all the parking lots yet so I'm really handicapped. I think that if enough space could be found for everyone, then all spaces should be reserved, thereby guaranteeing a parking place for everyone.

**ROLAND ATTERBURY** - Junior Social Science major  
There is no real solution. Perhaps we should have off campus parking, with only laptops allowed on campus.

**DAVE NULL** - Senior Psychology major  
I usually come on campus around 7:15 a.m. and haven't experienced much trouble yet. I think the apple orchard would be the most feasible area to convert into a parking lot to alleviate the present shortage.

**MARILYN WRIGHT** - Senior General Education major  
I leave my car home and walk. Sometimes I hitchhike. That solves it very slowly.

**BETTY FAULKNER** - Senior Business Education major  
It's definitely too crowded - off campus parking might solve the situation. A systematic parking area should be established that is centralized, eliminating the confusion that exists now.

**JOHN MARCUS** - Graduate Social Science  
Give all students parking permits and have the faculty walk.

**2 Players Needed**  
Two students to play the part of participants are still needed to complete the cast of this season's first play, "The Barbaric Invasions."

Work is moving rapidly on the production, reports actress-director Herb McLellan. Booking has been largely completed and the actors are concentrating on development of character.

**HUTCHINS GROCERY**  
OPEN 7 DAYS A WEEK  
8:00 a.m. to 9:00 p.m.

Phone Vandyke 2-1965

# HSC Marching Band Will Present First Season Show In San Francisco

First show of the season by the Humboldt State College marching band will be presented at halftime of the HSC-San Francisco State football game in San Francisco Oct. 4.

Director Don Backman said the band would leave Arcata at 6:30 a.m. on the day of the game and hold a rehearsal at the San Francisco field the same afternoon. The band members will stay at the same hotel and will see the Michigan State-Col game at Berkeley on Saturday afternoon before returning to Arcata.

The band will appear with the Sacramento State band, the first state college band to visit the HSC campus, at the HSC-Sac State football game Oct. 12. The Homecoming halftime program will be presented by the Lumberjack band and the traditional comic Alumni band. The Dad's Day celebration scheduled Nov. 9 will include an appropriate band number.

Mr. Backman said the band has some 30 members. "The group is well balanced and we look forward to an excellent marching and concert band before the season is over," he said.

Joe Chappelle, junior music major, a band member for the past two years and last year's student body rally commissioner, will take over as drum major this year, replacing Jimmy Nameth, who has graduated after four years in the post.

Drum majorettes are Marjorie (Berbe) Clifton, sophomore, who served last year; Merle McCormick, sophomore, and Elen Sebeck, freshman.

Song queens, who will work again with the band this year in addition to leading songs on the sidelines, are Pat Dugg, junior, head song queen; Jacquelyn (Jackie) McLeod, junior, Pat Hodge, junior, and Deanne Brown, sophomore. Barbara Urner and Darlene Forest, named as song

queens last spring, have resigned. Other band officers are James Ely, senior, president; Chappelle, vice president; Kay Renwick, junior, secretary-treasurer; and Keith Renwick, junior, KS representative.

## Forensics Meeting Is In Progress

"Will a major forensics tournament be held at Humboldt State in January?" This is one of the questions to be discussed at the Northern California Forensics Association Annual Fall Coaches Meeting being held today and tomorrow on the University of San Francisco campus. There will be two representatives of HSC present: Mr. Milton Dobbin, who will preside over the meeting and Dr. Edward D. Steele, who will cast Humboldt's vote.

Other topics scheduled for consideration are the forensics schedule for this year and any revisions of policy. Representatives of the 17 other member colleges, such as Chico State, Stanford, Sacramento State, University of California at Berkeley and San Francisco State, will be present.

HSC has been an active member of the Association for two years and a participant for four years. The forensics group itself has been in existence since shortly after World War II.

## FOOTBALL THROUGH THE AGES

The football frenzy is upon us. But let us in the midst of this pandemonium call time. Let us pause for a moment of tranquil reflection. What is this great American game called football? What is its history? Its origins?

First of all, to call football an American game is somewhat misleading. True, the game is now played almost exclusively in America, but it comes to us from a land far away and a civilization long dead.

Football was first played in ancient Rome. Introduced by Julius Caesar, it became one of the most popular Roman sports by the time of Nero's reign. The eminent historian, Sigafous, reports a crowd of MMCLXXXVIII people at the Colosseum one Saturday afternoon to see the Christians play the Lions.

With the decline of the Roman empire, football fell into disuse. The barbaric Huns and Visigoths preferred chaos. Not until the fifteenth century A. D. did football emerge from its twilight and rise to its rightful place in the firmament of European sports.

Which brings us to September 29, 1442, a date dear to the hearts of all football fans. It was on this date, according to the eminent historian Sigafous, that a sixteen-year-old lad named Christopher Columbus tried out for the football team at Genoa Tech. He failed to make the team because he was too long. (He weighed at the time only twelve pounds.)

And why, you ask, is this date—September 29, 1442—so dear to the hearts of all football fans? Because young Columbus was so heartbroken at not making the team that he ran away to sea. And if that hadn't happened, he never would have discovered America. And if Columbus hadn't discovered America, the world would never have discovered tobacco. And if the world hadn't discovered tobacco, football fans never would have discovered Marlboro—which, as every fan knows, is the perfect companion to football. And why shouldn't it be? Look what Marlboro's got... Filter... Flavor... Flip-top Box... You can't buy a better smoke. You can't smoke a better buy.

The end of football in Europe came with the notorious "Black Hot Scandal" of 1587, in which Ed Machiavelli, one of the Hot mob, paid off the University of Heidelberg to throw the championship game to the Charlemagne A. and M. Gophers. It was a mortal blow to football on the continent.

But the game took hold in the American colonies and thrived as it had never thrived before. Which brings us to another date that remains evergreen in the hearts of football lovers: December 10, 1773.

On that date a British packet loaded with tea sailed into Boston harbor. The colonies had long been smarting under the English king's tax on tea. "Taxation without representation," they called it, and feelings ran high.

When on December 16, 1773, the British ship docked at Boston, a semi-pro football team called the Nonpareil Tigers, coached by Samuel (Whiffy) Adams, was swimming near the harbor. "Come land," cried Whiffy, seeing the ship. "Let's dump the tea in the ocean!"

With many a laugh and cheer the Nonpareil Tigers followed Whiffy aboard and proceeded to dump the cargo overboard in a wild, disorganized and abandoned manner. "Here now!" called Whiffy sharply. "That's no way to dump tea overboard. Let's get into some kind of formation."

And that, fans, is how the tea formation was born. © Mac Sholman, 1987

## County Tennis Tournament Play Starts Today

Play in the Annual Humboldt County Tennis Tournament will start this afternoon at the Eureka High School Courts, with several Humboldt State College students expected to participate in the three day affair.

Action today will be only for those who cannot take part in play tomorrow morning. However, entrants who have matches this afternoon will also have to be on hand tomorrow afternoon. The tourney will wind up Sunday.

Jack Geary, number one player on the Humboldt State College net squad last spring, will team up in defense of their mens doubles crown won in 1956. Williamson is also defending singles winner.

Several defending and former champions will be participating in the affair, which is open only to residents of Humboldt and Del Norte Counties.

HSC made history last September when the Football team flew to Hawaii to take on the University of Hawaii gridgers. The Rainbows won, 33-6.

## JACKS FACE POWERFUL RAINBOWS IN CONTEST

(continued from page 1)

A deceptive runner Talbot likes to carry the ball and will undoubtedly be dangerous on the split-T attack of Hawaii.

Fullback Lloyd Yamanda is the other first string back. A two year veteran, Yamanda is expected to blossom fourth into a great running star after being used sparingly for ball carrying duties previously.

As if the backfield isn't potent enough, it is the Rainbow line that is rated the strong point of the team. Loaded with five starters as well as seven monogram winners and five capable reserves, Hawaii appears well bet along the line, with only the end position lacking depth.

However, even there they have a four year veteran in co-captain Colin Chock. Fighting it out for the other spot are Bob Wilkes from Southern Methodist and a pair of lettermen.

At tackle, Roland Lanui, at 225 pounds, will team up with either Henry Pang or Glenn Derr. Pang is an island product while Derr, a 263 pound giant, is from Florida.

A flock of six guards are headed by starters Lou Silva and Bill

Tam. At center the Rainbows are stronger where Sam Akeo, a 220 pound ex-Marine has taken over for Sam Foster, 1956's starter.

Summing it up the Rainbows are loaded, to put it mildly. As a release from Honolulu puts it: "With a starting line of better than 200 pounds, and a backfield which can average a ten second hundred, the 1957 Rainbows could have their best season this fall. The generally pessimistic Vasconcellos is all smiles when questioned about the coming season, and this may be bad for the 1957 opponents."

On the other side of the fence the Lumberjacks have devoted the past week in spirited practice for the big game tomorrow.

Of the season thus far Sarboe commented, "We have benefited tremendously from the two practice games thus far and are much better off than if we hadn't played them. Naturally we intend to do as well as we can in these practice games but our season really opens against San Francisco next week."

Sarboe was referring to the Jacks engagement with the Golden Gators next Saturday in the Bay City in a contest that will open their Far Western Conference action.

Starting for the Jacks will be Dave Thomas and Pete Cengia at ends, Jerry Bartlett and Bill Hicks at tackles, Gordon Moore and Jim Ennis at guards and Zeke Van Deventer at center. Ennis is team captain for the contest.

In the backfield it will be Warren Baker at quarterback, Earl Barnum and Marion Mays at the halves and Chuck McAninch at fullback.

Lone injury to Humboldt thus far has been to halfback Mike Reopelle who broke a small bone on his left hand last Saturday

## SPORTS

## JUNIOR JACKS EXPLODE WITH 44-0 TRIUMPH IN OPENER

In an awesome display of initial game power, the Humboldt State College Junior Jacks relicked to a 44-0 triumph over the Lassen Junior College eleven last Saturday at Redwood Bowl.

Scoring in every period, and seemingly almost at will, the Junior Jacks got in front quickly and stayed there. Coaches Henry Cooper and Bob Hughes were able to clear the bench and let all the jayvees record some playing time.

End Ray Flemming was the top scorer of the evening as he snared a trio of touchdown aerials, one from Ron Reynolds and a pair from Pete Dye.

While the offensive unit was going spectacularly wild, the HSC defensive squad was also giving a good account of itself. In fact the outclasssed but game visitors were never able to get a sustained scoring threat going.

With less than five minutes gone in the first quarter Reynolds hit Flemming with a 28 yard fling for the first score.

The Junior Jacks had their second chance following a blocked punt. After HSC gained possession Dye spotted Flemming and threw to him for 41 yards and a score on the next play.

Two more touchdowns gave the victors a 25-0 advantage by the

time halftime rolled around, and in the second half the reserves took over to tally three more times.

Manuel Vasquez carried the ball just three times but gained a total of 62 yards and scored one touchdown in the top running display of the game.

# COLLEGE OF IDAHO TOPS LUMBERJACKS

## HSC OPPONENTS STAGE POWERFUL WEEKEND SHOWING

While the Lumberjacks were suffering their second disheartening defeat of the yet young grid campaign last weekend, four future HSC opponents were grinding out victories and a fifth was battling its way to a tie score.

In winning efforts were the University of Hawaii. Humboldt's opponent Saturday, the Sacramento State Hornets, the Chico State Wildcats and the San Francisco State Golden Gators. The Cal Aggies tied Willamette.

The Rainbows, who invade Redwood Bowl tomorrow night, romped to an easy 40-6 victory over Lewis and Clark in an extremely one-sided affair. The losers are also on the HSC schedule, slated to appear here on Thanksgiving Day.

Thriller of the group was the Hornets' battle with the Los Angeles State Diablos. With 15 seconds left quarterback Fred Smith hit Terry Cummings from eight yards out for the tying score for Sacramento. The extra point was good making the final score 14-13 for the Hornets.

Chico, the Lumberjacks' arch-rival, had an easy time of it, drubbing Pacific University 49-6. The Wildcats were led by the running of half back Manuel Tarango and fullback Jim Englin.

The Aggies, only team in the Far Western Conference to top the Jacks in 1956, had an early two touchdown lead but couldn't hold it as Willamette rallied for a 13-13 final. Quarterback Nat Carassoli passed for both touchdowns for the Aggies, connecting with Myrel Moore for 23 yards in the first half and hitting Al Vornsteeg for 35 in the third period.

The Golden Gators, defending FWC co-champs along with the Aggies and the Jacks, fumbled to a 32-13 triumph over the San Quentin eleven on "the Rock." Fullback Bub Rodriguez scored twice and kicked two extra points. Sophomore quarterback Jim See, as called a fine game and his brother John also showed well on the ground.

In September of last year Spurs, the sophomore women's service organization, replaced the local Spokes group.

ARCATA EUREKA

BUY NOTHING--BUT  
BUTTERNUT!

Rainbow halfback Henry George, above, is one of the big threats the Lumberjacks will face tomorrow night when they meet the University of Hawaii. First, and one third of a terrific backfield brother combination, George is taking over for Skippy Dyer, who last season gave the Jacks plenty of headaches.

Well, Call It

## SOMETHING

(Ed note - Some names is better than no name, and with dead-line pressing, someone muttered "Well, call it something" - so here we are.)

By Tom Ford

It would seem that the Humboldt State athletic scene is being taken over by the underclassmen. Take a look at football. In the backfield there are 13 freshmen and sophomores who are doing outstanding jobs now and show the potential to be the nucleus of a fine squad later on.

These backfield men include Gordon Bobell, F. South Fork; Manuel Vastard, a period senior; freshman speedster H. B. Ernie Tennings, H.F. from Idaho; Ron Reynolds, J. V. Quarterback; Terry Simpson, F. Fort Bragg; Dennis Giuntini, H. B. Eureka; Bob Gay, Y. B. Mike Call, H. B. Billy Caver, H. B. Joe Brown, H. B. Ron Olson, H. B. Fred Whisman, Q. B. and Ron Peterson, H. B.

The talent isn't confined to the backfield either. Some of these fellows along the line are really giving the regulars a battle for position on the line. Among the outstanding are Bill Bartlett, Fortuna; John Bobell, South Fork; Vester Flannagan and Ray Fleming, Oakland; Randy James, Pittsburgh; Ron Moore, Bill Nichols and Jim Ziegenheim, Eureka; Wally Chase, Bay Savage and Charles Atkinson.

There have been five scholarships given to entering freshmen in physical education. These scholarships go to the top F. E. student from each high school in

the country. Don Keyes, from Arcata, will be most active in tumbling and acrobatics. He was outstanding as a member of the Arcata Hi "Flying Tigers". Mel Bert, from Fortuna, will be active as basketball. Ron Peterson, former Eureka High football star is one of Humboldt's most promising backfield men, and is playing J. V. ball this year.

Dwayne Wyatt, who received the grant to South Fork High, and was a fine prospect for a tackle position, was injured during the summer and will be unable to engage in football this year. However, he will play basketball this year and football next year.

A slightly unusual case turned up, as Lynn Masmer from Paradise, who was granted a scholarship, was unable to attend, and this was given to a sophomore, Billy Caver. According to Coach Phil Sarbu, it is unusual for a sophomore to receive one of these scholarships, but Caver is a good student, as well as a fine basketball and football player.

All these fellows, plus many more, will be carrying the "Green & Gold" banner onto the athletic fields for the next few years.

Oh yes! It seems there was a night mix-up between two of these fresh athletes. In the J. V. game against Shasta J. C. it seems Vester Flannagan, an end

## HUMBOLDT DROPS SECOND IN A ROW AS COYOTES GARNER THRILLING 20-14 VICTORY

Humboldt's Lumberjack football squad took it on the chin for the second time last Saturday night, losing to the College of Idaho Coyotes in a thriller, 20-14 at Heyman Field in Caldwell, Idaho.

The Jacks ran into a tough defensive club, and although they outgained the Coyotes, Idaho's defensive platoon stood their ground when the Humboldters threatened and stopped two drives short of the goal line.

The Jacks outgained Idaho in the air, 186 yards to 113 and had 17 first downs to the Coyotes 14. The big difference was Rich Maggard, 210 pound Idaho fullback, who gained 104 yards in 11 carries, for an average of 9.4 yards per carry. Maggard also turned in a 49 yard touchdown run, the longest of the game.

Halfback Earl Barnum was the Jacks' top ground gainer with an even 100 yards in 27 carries for an average of 3.7.

Warren Baker, Jack Menzia and Barnum accounted for 16 completions out of 28 passing attempts for 186 yards in the air.

The Coyotes first score came midway in the first quarter, going 74 yards in 13 plays with the help of a 15 yard penalty against the Lumberjacks. Maggard scored from three yards out to cap the drive.

Idaho took the opening kickoff in the second half and moved 80 yards quickly to the goal line in 12 plays. The big play was a 54 yard pass run from Charlie Alvarez to Ron Morrison, which gave Idaho a first down on the one. Morrison went into the end zone on the next play.

Humboldt's first scoring drive came at the end of the third quarter and carried into the fourth. Baker took to the air and completed four of five passes

## Junior Jacks To Play Mustangs

Humboldt State's Junior Jacks are after their second win of the season tomorrow night when they meet the Cal Aggie Mustang Junior Varsity at the Ukiah High School field at 8 p. m.

In their first outing of the year last week, the Junior Jacks bowed over Lassen JC by a 44-8 score in a one-sided contest.

from McClintock high in California, received credit for receiving three touchdowns passes. Actually, two boys, Flannagan and Ray Fleming, were the same men, born on their jerseys and it was Fleming who received the T. D. passes. Both boys, who were team-mates at McClintock, are fine ends.

Looks like the Jacks are in for another rough one this week end. They meet the colorful University of Hawaii Rainbows tomorrow night at Redwood Bowl, and the "Bears" are loaded - But watch for some of those athletes to turn in fine performances.

during the drive after an Idaho punt had gone out of bounds on the Jack 20.

Baker threw to Barnum from 20 yards out for the score. Chuck McAninch kicked the extra point true, and it was 12-7.

After the ensuing kickoff, the Coyotes moved upfield to the Jack 20. Barnum then intercepted a pass in the end zone and it was ruled a safety to make it 14-7.

The Jacks kicked off from their 20 and Idaho returned to HSC's 49. On the next play, Maggard raced the distance to the goal line to set it up for the C. of I.

With one minute six seconds left, Menzia hit Earl Barnum in the end zone for 49 yards and six points to make it 20-14 after McAninch kicked the conversion.

Humboldt's attempted onside kick failed and Idaho took the ball. The Jacks got the ball for one play before the final gun sounded but a desperation pass fell astray.

Humboldt had a touchdown called back early in the second period, after halfback Marion Mayers had scored from five yards out on an end run. A clipping penalty against the Jacks put the ball back out on the host's 18 and Humboldt was unable to move back in.

## Marilee Ammer Receives Award

Miss Marilee Ammer, Humboldt State Junior, has been awarded a \$500 scholarship by the California Honey Advisory Board.

Miss Ammer will receive her award at the Home Economist's Tea, Oct. 5, in the new Art and Home Economics Building.

This scholarship is the only one presented in California for the 1957-58 school year and is the first scholarship presented by the Board.

Mrs. Thelma Littlefield, national vice president of the Women's Auxiliary of the American Beekeeping Federation will present the award. Mrs. Mona Schaffer, home economist and manager of the Advisory Board will be guest speaker at the tea.

The presentation will receive national recognition. Miss Ammer's picture will be used on the cover of the Federation's national monthly magazine. In November she will represent the state as California Honey Queen.

## CES Students Attend Camp

Attending the fourth annual camping trip to Camp Ravencliff, this past week, have been the sixth, seventh and eighth grade students of the College Elementary school.

The students left early Monday morning from the YMCA camp, which is located just north of Garberville.

Study of the group was mainly on conservation with emphasis on the social and scientific aspects, while the main object is to show the association between class room work, and the actual workings of the outside world.

The College Elementary School is the first in this area to try an experiment of this type, although several other schools in the area are now tentatively planning excursions of this nature as a result of success of the College Elementary School's venture.

## LIVE JAZZ

### Blows Into Town!

Local live jazz blew a reverberating note, of originality throughout the area this past week-end to tremendous response — proving the fast growing popularity of this completely American art form and emphasizing the excellent standard of musical calibre available for local enthusiasts to hear and appreciate.

Too long the impression that all fine artists must be imported from other areas has caused jazz enthusiasts to hie to San Francisco and other metropolitan cities or to stay home with ill-fittingly aware that we have local craftsmen who can hold their own — and more!

To the complete satisfaction of all attending, an entirely local group are proving that talent is abundantly available here.

Leader — composer — arranger Jerry Moore and his high swinging aggregation of ex-HSC men, a sextet who are perfectly at home with every expression of jazz, has made arrangements with Ted Teach of the Gay 90's in Eureka to make last Sunday's experiment in music, a steady date.

For the special convenience of college students, the sessions have been planned for Sunday afternoon—a time most students have expressed their particular preference and with enthusiastic attendance, the affair should put Humboldt on the map as a healthy, swinging area when the jazz idiom is both understood, appreciated, and excellently portrayed.

Guest artists, both local and from afar, will attend from time to time and should any HSC'ers have any suggestions either to the hosts of the affair or anything pertaining to jazz, they are cordially invited to call Ted Teach, at the Gay 90's — or Jerry Moore on Sundays at the sessions.

## Jones Captures Frosh Presidency

Robert Jones, freshman sociology student at Humboldt State college, captured the votes of the largest freshman class in the history of the college, to win office of president of the class.

Jones, a Salinas Union High graduate, is living at Nelson Hall. In his four years at Salinas he lettered in basketball, was vice president of the Science club and was class representative.

The posted results of the election also showed victories for Ronald Siemens, vice president; JoAnne Phifer, secretary; Linda Sarboe, treasurer and John Payne, Inter Club Senate representative.

Siemens, Payne and Miss Sarboe are graduates of Arcata Union High school where they were active in student government and class activities.

Miss Phifer was graduated from Eureka Senior High school where she participated in student affairs.

Thomas Knight, instructor in art, is class adviser.

## Telonicher First Forum Speaker

The Faculty Forum series will be held again this year, with Fred Telonicher, professor of biological sciences, giving the first lecture Oct. 15 at 7 p.m. in the auditorium of the Wildlife Building. His topic will be the relationship between radiation and genetics.

The substance of the lecture will be on what could happen to a human being after being continually exposed to radiation. Professor Telonicher will deal largely not in what happens to a human who might be exposed to the radiation, but to the generations that follow.

The main object of the Faculty Forum is to educate people to the problems facing the world today. All of the subjects selected are of general interest to the public.

These lectures will be held every month, and students, faculty and public are invited.

## Humboldt State Choir, Chorus Plans Show, Busy Schedule

Choir and chorus at Humboldt State College will have a busy schedule according to plans outlined by Dr. Leon Wagner, director.

Choir plans for the coming year include an appearance on the Homecoming program, participation in the community Christmas program, the annual Spring concert and excursions to as many high schools and communities in the county as can be arranged.

According to Dr. Wagner, membership in the college choir and chorus is still open to students. Students interested may contact the director in room 128 of the new music building or simply attend rehearsal. Choir rehearsal is at 4 p.m. on Monday, Wednesday and Friday. Chorus rehearses at 1 p.m. Monday and Friday for women and Wednesday and Friday for men.

To date, the choir group numbers in the forties with several additional singers in prospect. In the first rehearsals of choir held this week at the college a number of choir veterans appeared in addition to the large turnout of freshmen students.

The choir roster includes soprano, Nancy Lindstrom, Kay Renwick, Marilyn Potter, Jo Anne DePino, Nylah Everaole, Jacquie McLeod, Rella Mae Hammond, Donna Snyder, Jean Taylor, Wanda McCray, Bill Lewis, Sue Brown, Bonnie Montgomery and Jeannie Holt; altos are Gloria Anita Prechia, Patricia Miller, Gloria Kallio, Joyce Hedberg, Bernice Scheepker, Grace Miller, Patricia Hodges, Anita Shraun, Nancy

Hickok, Georgia McDaniel, Linda Rae Woodruff and Ida Harris.

Among the men members of the choir are basses Robert Harris, Buck Downard, William Young, Donald Johnson, Henry Pierson, Peter Louquet, Gordon Krinea, James Anderson and John Smith. Tenors are Donald Moe-hnke, Norman Harris, Joseph Cuny, Keith Barnhart, Howard Wilson, Gordon Bertach, Leslie Detrick and Robert Cutting.

The freshman class in 1952 composed 40% of HSC's enrollment. It numbered 241, the largest ever for a fall term.

HAVE A REAL CIGARETTE—

HAVE A

Camel

Sure are lots of fads and fancy stuff to smoke these days. Look 'em over — then settle down with Camel, a real cigarette. The exclusive Camel blend of costly tobaccos has never been equalled for rich flavor and easygoing mildness. Today, more people smoke Camels than any other cigarette.

So good and mild...  
the finest taste in smoking!
