Alexander Schreiner, noted concert organist appeared Tuesday, September 17 in the college auditorium in a recital featuring Romanti and Baroque selections. Left to right Cornelius H. Siemens, Ms. Paula Johnson and Schreiner.

Review Given Of Organ Recital
By Alexander Schreiner Held Here

The Humboldt State College faculty and student body had the privilege of hearing the celebrated organist, Alexander Schreiner play a recital of Baroque and Romantic music in the college auditorium on Tuesday, Sept. 17. On the program were works by J. S. Bach, Mendelssohn and Vienne. The Salt Lake City artist performed on the whole quite competently and in good style.

The highlight of the morning was certainly early on the program the performance of the difficult Toccata, Adagio and Fugue in C major by Bach. Particularly praiseworthy was Mr. Schreiner's excellent command of the pedals. The artist's fine technique and the musical approach of the former master is quite evident.

Mr. Schreiner is the holder of his degree and with three years of practice is a very fine organist. The Sonata for Organ in F minor was written about one hundred years after the Bach work, but the influence of the former master is quite evident.

FOOTBALL THROUGH THE AGES

The football frenzy is upon us. But let us in the midst of this pandemonium call out. Let us pace for a moment the history of how we arrived at the football you hear so much called football? What is its history? Its origins?

First of all, to call football an American game is somewhat misleading. The game, according to sports historians, has been played the world over since the time of the ancient Greeks. The Romans, though, are credited with having invented the first version of football. They played a game known as "Ludus Latrunculorum," which was essentially a form of rugby.

Football as we know it today began in England in the 1800s. The game evolved over the years, with the addition of rules and equipment, and eventually made its way to the United States in the late 19th century.

The first recorded football game in the U.S. took place in 1829 in Orange County, New York. The game was a friendly match between two local teams. Over the next few decades, football clubs sprang up across the country, and the game gained popularity among universities and colleges.

The first formal college football game was played in 1869 between Rutgers University and Princeton University. The game was played with a baseball bat and a large, inflated ball.

Football as we know it today, with its standardized rules and equipment, was established in the late 19th century. The first set of rules was drawn up in 1874 by the Intercollegiate Football Association (now known as the National Collegiate Athletic Association, or NCAA).

Football has undergone many changes over the years, with the addition of new rules and equipment, and the game continues to evolve. The game has become a source of national pride, with millions of fans tuning in to watch the big games every year.

HSC OPPONENTS STAGE POWERFUL WEEKEND SHOWING

In winning efforts were the University of Hawaii, Humboldt's opponent Saturday, the Sacramento State Hornets, the Chico State Wildcats and the San Francisco State Golden Gators. The Tulare Fliers and the Williamsport Spartans.

The Golden Gators, defending FCW-ousters along with the Chico State and Sacramento State, were defeated by the running of half back. Manuel Barnum of the Hornets for a final score of 14-13 for the Hornets.

Chico, the Lumberjacks arch-rival, had an easy 13-12 win over the玩耍 in the running of half back. Manuel Turango and full back. Jim Eaglin.

HUMBOLDT DROPS SECOND IN A ROW AS COYOTES GARNER THRILLING 20-14 VICTORY

Humboldt's Lumberjack football team took it on the chin for the second time this season last Saturday by a 20-14 loss to the Idaho Coyotes in a thriller, 30-14 at Raymond Field in Caldwell, Idaho.

The Coyotes took the lead with a 13-7 first half as they used the running of half back. Manuel Barnum of the Hornets for a final score of 14-13 for the Hornets.

The Coyotes first score came on an end run. A clipping penalty against the Jacks put the Coyotes in the end zone and it was ruled a safety in making it 7-0. The Coyotes kicked off from their 30 and Idaho returned to the HSC's 49. On the next play, Maggard ran the distance to the goal line to set up for the first touchdown of the game.

One minute six seconds left. Menias hit end Bernard Mount and the Jacks took the lead 13-7.

Humboldt's attempted onside kick failed and Idaho took the ball. The Jacks got the ball for a second and after the final gun sounded but a desperation pass fell incomplete.

Humboldt had a touchdown called back early in the second quarter. A clipping penalty against the Jacks put the ball out on an end run.
