Five New Buildings To Be Dedicated Saturday, Oct. 19.

Dedication ceremonies for five new buildings on the college campus will be held Saturday, Oct. 19, at 7:40 pm preceding the Homecoming annual football game. The dedication of the buildings is scheduled to occur in the Redwood Bowl at 8:30 pm.

Wildlife Building was completed last May and was attended by invited guests who have been invited to attend the dedication.

The five new buildings are:
1. Wildlife Building
2. Art and Home Economics Building
3. Cafeteria
4. Bachelor House
5. Administration Building

The dedication program will feature speeches by the college president, Dr. George C. Scheppler, and other administrators and guest speakers. The event will be attended by faculty, staff, and students of the college.

High Schoolers

Six Candidates Vieing For Queen

Six Humboldt State College students are vying for the crown of Starship Queen with the school's first Homecoming festivities scheduled to begin Saturday, Oct. 19, at 7:40 pm in the Administration Building.

Candidates are Jose Ann Dunford, junior educational major; Delores Jo Ann Fauerbach, senior English major; Jack Reiner, junior Environmental Education major; Jacquie McLeod, elementary education major; Karen Wongsato, chemistry major; and Roberta Johnson, master of science in education.

Voting will be held Wednesday, Oct. 16, in the main hall of the Administration Building. The winner will be announced Saturday afternoon by the Homecoming committee.

SAC GAME POSTPONED

The Humboldt State Sacramento State football game scheduled for this Saturday night has been postponed because of the ongoing labor dispute. The game has been rescheduled for either Nov. 1 or 2.

After conferring with Phil Sanborn, HSC athletic director, Dr. George C. Scheppler, president of Humboldt State, made the decision to postpone the game.

The postponed game will now be held on the HSC campus, and the HSC-Sacramento State game will be rescheduled for one of the dates mentioned above.

All but one member of the Sacramento State football team had the flu Thursday or were recovering from it. (See sports page for an earlier story and more complete details on the situation between the two teams.)

High Schoolers To Visit Campus

Some 375 juniors and seniors from eight high schools in the Eureka area were hosted here last week for the first Natural Science Variations Day.

The event was held on Tuesday, Oct. 16, and featured the following activities:

1. A day of science films and demonstrations in the Green and Science buildings.
2. A day of lectures and discussions in the Administration Building.
3. A day of question-and-answer sessions with the students and faculty.

The event was sponsored by the department of science and the Interdepartmental Science Committee.

Charles T. Duncan To Be Featured Speaker At Annual Journalism Day

Charles T. Duncan, dean of the School of Journalism at the University of Oregon, will be the featured speaker at the annual Journalism Day here Friday, Oct. 25, at 1:30 pm in Nelson Hall.

Duncan will speak to more than 100 high school newspapermen from throughout the state on the subject of "The Supervising Editor." He will also discuss "The Editor's Role in the Modern Newsroom." Duncan is a graduate of the University of Oregon and has been at the university for 25 years.

The event is sponsored by the Journalism Association of Oregon and is open to all high school newspapermen in the state.
CONCLUSION

The meeting was called to order by Vice President Roberta Johnson. President Siemens, who had returned from a trip to New York, was present. The council president announced that the council would be held on campus today at 11 a.m. to 12 noon.

Forensics Workshop For High Schools Will Be Held On Campus Today

A forensics workshop for high schools will be held on campus today. The workshop will focus on the various aspects of forensics in law enforcement.

Parking Situation To Be Eased

The parking situation on the Humboldt campus should be eased by next fall with a new lot west of Sequoia Ave., according to Dr. Cornelius H. Siemens, college president. Siemens said that in meeting of all state college presidents the state Department of Finance, the biggest problem of the hand was the problem of student parking on campus. He stated that the problem was so obvious that the state has asked for an overall plan on which to proceed.

The parking situation on the Humboldt campus should be eased by next fall with a new lot west of Sequoia Ave., according to Dr. Cornelius H. Siemens, college president. Acquaint Yourself With The Library

Have you acquainted yourself with the library at HSC? It is really easy for you to add this help you may need in your studies.

The main library contains almost 60,000 books and bound magazines, including recent periodicals; reference books, 400 magazines, and over 3,000 phonograph records which include plays, musicals, poetry, readings, short hand, and American bird songs. There are 18 newspapers with the current news as well as old newspapers reproduced on microfilm.

The library has two branches - the College Elementary School, and the CES Library, which is in the main building. It contains 8000 children's books and periodicals. The latter is the Curriculum Library which contains class room material, teaching material, texts, and studies.

A very interesting service rendered by the library is the maintaining of the HSC history collection. This includes "ancient" copies of the Lumberjack, catalogues and newspaper clippings. HSC students will find some very enjoyable readings in this section of the library, Mrs. Helen Everitt, librarian, urges us all to organize its contents and publish a history of the record.

Parking

(Parking continued from page 21)

The informal party held after the Lumberjacks' game was quite successful, and a good time had by all. It was decided to continue these excursions after unaccustomed weather following the next football games.

SEQOIA

SEQOIA is an entity that all the students should be familiar with. The college maintains a neat lot of the west end of the campus.

ACQUEDOT

ACQUEDOT is a group of students who are interested in making the campus a better place to live. They are working on a number of projects which will be completed by September 1st. Among the projects under consideration are:

1. A new library
2. A new gymnasium
3. A new student center

CUES STUDENTS EVALUATING TRIP

CUES students will evaluate their trip to Camp Ravencliff after the trip has been completed. The evaluation program of their trip to Camp Ravencliff is now being planned, including the election of officers.

PETRICE CLUB

The club held their meeting for the election of officers on Thursday, Oct. 3. The new officers for the fall semester are: Joe Rivas, president; Mary Shumaker, secretary-treasurer.

INTERCOLLEGIATE KNIGHTS

The I. K.'s recently elected two new officers for the coming term due to resignations. Dick Faison, new secretary, and Rich Machado, new treasurer, were elected.

STUDENT WIVES

The HSC Student Wives Club will sponsor a dance on Saturday, Oct. 20, to be held to the music of "Jazzy" from College Cove.

FUTURE PROFESSIONALS

The Future Professionals will have a dance on Saturday, Oct. 20, at the home of the co-sponsors, Mrs. and Mrs. A. E. Beckman.

CETA

CETA Headquarters is the main office for the CETA Leaders Conference. It is located on the main floor of the CETA Building, room 240. The CETA Leaders Conference is held in the evening from 7:00 p.m. to 9:00 p.m. The main focus of the conference is "Where To Go and How To Get There." Students are encouraged to attend for the opportunity to network with other students and professionals in the field.

CRAZI

CRAZI stands for "College Republicans Association of the State". It is an organization that works to promote the Republican Party on campus. They host events such as debates and guest speakers to educate students on the issues.

CRS CHURCH

Co-sponsored by Comus and W.A.A.

Kris Church for Homecoming Queen

Someone is in the process of putting together a special package for the Homecoming Queen ballot. The ballot will contain a list of candidates and a brief biography of each candidate. The ballot will be available at the homecoming events and in the student union.

CES STUDENTS EVALUATING TRIP

An evaluation program of their trip to Camp Ravencliff is now being planned. It will be held on the first weekend of November.

ELECTRICITY

A special meeting of the CES Students was held on Friday night to discuss the evaluation program. The evaluation program will be held on Saturday night.

FACULTY PICNIC SET TOMORROW

The faculty picnic set for tomorrow is a tradition at HSC. It will be held on the campus lawn and will feature a cookout and games.

FUTURE PROFESSIONALS

The Future Professionals will have a dance on Saturday, Oct. 20, at the home of the co-sponsors, Mrs. and Mrs. A. E. Beckman.

H.O.L. JOSEPH

H.O.L. JOSEPH is a co-ed sorority that provides opportunities for leadership and service to its members. The group will meet on Tuesdays at 7:00 p.m. in the student union.

MAY I SAY SOMETHING?

Oct. 8, 1957

To the Firefighters of HSC:

Thank you for your assistance in fighting the (Jazzy) Fire! I am sure that the community joins me in this "salute" to you.

Sincerely,

Fred Hanes, Pastor
First Methodist Church Aroca

The theme of the conference is "Professionalism in the Classroom". The main focus of the conference is "Professionalism in the Classroom".
Dedication (Continued From Page 1) will be the main speaker at the dinner. Following the dinner, participants and guests will be ushered from the gym and seated on the dedication platform on the north end of the field. Executive Dean Dr. Lawrence E. Turner will be the narrator for the dedication ceremonies in which ten speakers will take part with speeches not exceeding three minutes.

Dad's Day (continued from page 1) Gym. Following the dinner the University of Oregon drama group will perform a play at the HSC and University of Nevada football game.

“Dad’s Day” is being selected by the HSC and University of Nevada football game.

“The Barbaric Scalpel” took two and one-half years to write, and forms part of the work required for the Master of Arts degree. In addition to the actual writing of it, McLellan is also student teaching, and plans to later teach the course as part of his work for the M.A. degree. "The Barbaric Scalpel" is based on true incidents during the Korean war. Four Scholarships in Music Awarded

The Federated Women's Clubs of Humboldt County awarded four music scholarships to HSC students after an audition held here recently.

Winners were Dawn Wastmouth, piano, Keith Anderson, clarinet, Carli Lehmansohn, voice and Joe Chapelle, trombone.

Receiving faculty awards were Vernon Ludwick, Martin Glaude, Memorial grant in violin; Don Morthke, David Barkman, voice scholarship; and Barbara Sanford, Charles Fullerton scholarship in piano.

Claydon Ray West was awarded the Margaret Jacknich scholarship in voice.

Korean Incidents Woven Into Pattern Of Stage Drama In 'Barbaric Scalpel'

By DIANE ANDERSON

Somehow the Korean Incidents During the war in Korea, actual events which changed lives, and with a tragic irony, destoyed them, are woven into the pattern of stage drama in "The Barbaric Scalpel," which will be presented Oct. 25 and 26 in the college auditorium, curtain time being 8:30 p.m.

According to playwright Herbert B. McLellan, who also directed the play as part of his Master's thesis, the events in the play actually happened to men who lived - and died - as the front lines and, alas, that such an incident as an individual about whom the conflict rages is alive and is somewhere continuing his marital duties.

McLellan, son of Dr. and Mrs. J. A. MacPherson of Eureka, is no stranger to this area. After graduating from Eureka High School, he entered HSC for two and a half years before military service, he returned and last year received his Bachelor of Arts degree in Speech Drama. During his un-graduated years he played the lead and featured roles in "The Silver Whistle," "The Barber of Seville," "My Sister Eileen," and "The Beggar's Opera."

Frost Discuss Bonfire Plans

Publicity plans for the Bonfire rally, being sponsored by the freshman class were discussed at a recent meeting of the publicity committee.

The bonfire rally, part of the "Homecoming Festival," will be held Friday, Oct. 11. The site of the bonfire has not been disclosed. It is reported that Ron Siemens, vice-president of the class, is the only one who knows the location of the fire. Following the bonfire rally a variety show put on by students and alumni will be presented.

Publicity committee members are Ella Jean Schaefer, Arlene Dono, Jeanne Enberg, Pat Walters, Larry Holmes, Carroll Johnson, Jack Richardson, Sandra Lawrence, Carol Kittly and John Payne.

Letters to the editor may be submitted to room 205, upstair in the Coop or box 500 in the Administration building. Names will be withheld upon request.

BUY NOTHING... BUT BUTTERNUT!

Queen Candidates

Cheryl Participation in the HSC art gallery in the upper and lower lobbies will be held Sunday. This exhibit of pottery, sculpture, water and oil paintings, drawings and photography, done by HSC art instructors during the 1956-57 school year, will continue through Oct. 23, 1957.

Queen Candidates

(continued from page 1)

Saturday night Harrison will be honored at the halftime special ceremonies during the HSC and Cal Aggies football clash at Redwood Bowl.

New campus buildings will be dedicated Saturday afternoon with several state officials taking part in the ceremonies.

The final Homecoming activity will be the Mu Epsilon Psi concert Sunday.

Feelin' blue? Need money, too? Students, we've got news for you!

Most Popular Game that ever went to college— that's Sticklers! Just write a simple riddle and a two-word rhyming answer. For example: What's a big cat shot full of lemons? (Answer: peppered lemon.) Both words must have the same number of syllables-black bands, found truant, vinny fan, budding rascal. Send Sticklers with your name, address college and class to Happy Joe—scraps of paper. As soon as we get in, we'll pay $25 for every Stickler we use in our ads—and for hundreds that never see print. While you're Stickling, light up a lucky! You'll say it's the best-tasting cigarette you've ever smoked!
May Cancel Jacks-Hornet Clash

Pioneers Lose To Willamette

The Lewis and Clark Pioneers were beaten by the Willamette University Bearcats 25-14 last weekend in a Northwest Conference game. LC will play Humboldt State here on Thanksgiving Day. The Pioneers held a 14-12 lead at the half before the Bearcats rallied to win going away.

If you hear of anyone down with the "mongolian bug" don't be too surprised. It's just another name for the Asiatic flu.

S P O R T S

HARD HIT BY FLU, JUNIOR JACKS TO PLAY GAME IN CC

Handstrapped by severe flu losses, the Humboldt State College Junior Jacks, are slated to meet the Southern Oregon Red Raider Junior Varsity tomorrow at 2 p.m. at Crescent City.

The Junior Jacks, who had been well enough of these 30 players to break into the win column, met their third straight win of the year.

Coach Hensy Cooper stated that all players who have been able to play have played despite the condition of the team.

There is a possibility that some of the players may be called upon to serve double duty, performing in the jayvee game in the afternoon in Crescent City and then returning to Arcata to suit up for the varsity game.

This would be done if only the varsity players who have been ill are not ready for the game and some of the Junior Jacks would be needed to bolster the varsity.

Most versatile player on the 1957 Lumberjack football squad is Chuck McAninch. An All-Conference end last season, he has playing time recorded at end, quarterback, halfback and fullback for Humboldt this season.

In addition McAninch is a spark plug on the HSC defensive unit.

Cal Aggies Lose To Long Beach

The Cal Aggie Mustangs lost to Long Beach State 12-6 in a practice contest last weekend as quarterback Jimmy Coon flipped a 12 yard pass in the last quarter for the winning score.

The Mustangs were unable to field a quarterback because of injuries and finally get permission to play Dick Downey, a student coach.

CHUCK McANINCH

In addition McAninch is a spark plug on the HSC defensive unit.

Cal Aggie Mustangs lost to Long Beach State 12-6 in a practice contest last weekend as quarterback Jimmy Coon flipped a 12 yard pass in the last quarter for the winning score.

The Mustangs were unable to field a quarterback because of injuries and finally get permission to play Dick Downey, a student coach.

In fact only six of 30 players were suited up for Monday's and Tuesday's practices.

Although it was uncertain at press time, Coach Phil Sarboe had expressed hope that enough of the squad would be present Wednesday and yesterday to enable the team to get in at least a few units of practice.

Hornets Strong

Word from Sacramento is that the Hornets have their strongest team since they started football 12 years ago. Coach John Baker, in his first year at SSC, has his former team at his disposal.

At the first pair of practices sessions this week only a handful of varsity Lumberjacks gridironers were physically capable to take part.

Flu causes President to ask for postponement of tomorrow's game

(For latest developments... See Page 1)

Negotiations were underway late Wednesday evening between Humboldt State College and Sacramento State on the possibility of canceling tomorrow night's scheduled Far Western Conference football game between the two schools.

Due to the flu outbreak among Humboldt State College gridironer, College President Cornelius Siemens contacted Sacramento late Wednesday on the possibility of postponing the game.

Siemens said at press deadline time, "We have proposed two alternative dates to play the game if it is cancelled Saturday. If Sacramento State can accept either date the game will be postponed. If they are unable to take either one, we will try to decide tomorrow (Thursday) morning if we can play it at all.

Coach Phil Sarboe reported as of Wednesday that it didn't seem possible the Jacks would be able to field a team for the game.

If Sacramento is unable to accept either alternative date and the game remains scheduled for tomorrow night, but Humboldt is unable to field a team, it is undecided what action will be taken by the conference. School administrators were uncertain as to whether a forfeit would be called in favor of Sacramento because the present situation is a unique one and would probably require a conference decision.

Two weeks ago the HSC bug and the Sacramento State Hornets, will face the Humboldt State College Lightning. Last night's game was played at Redwood Bowl as they attempt to break two day losing streaks.

At the first pair of practice sessions this week only a handful of varsity Lumberjacks gridironers were physically capable to take part.

LUMBERJACKS DROP FWC OPENER

GOLDEN GATORS RALLY TO STOP HUMBOLDT BY A 28-14 SCORE

Humboldt State's hopes for a successful beginning to their 1957 Far Western Conference season took a 14-minute dead end Friday when the San Francisco State Golden Gators spotted the Lumberjacks a 14-point lead and then came back strong to post a 14-13 victory at the Cox Stadium in San Francisco.

The Jacks held a 14-6 halftime edge, but the superior power and speed of the Gators' ground game soon began to take its toll on the Reserve fullback Henry Marshall carried for big ones in the air attack, throwing one touchdown with 30 seconds left in the quarter. The losers almost came out with a win in the second half after Bob Puccetti had been injured. The Reserve fullback Bob Rodroig was hurt during the week previous to the game and his playing was limited in a pair of running plays and kicking a field goal.

Humboldt scored first late in the opening period after Gordon Moore recovered a San Francisco fumble on the Gator 38. The Gators scored almost at will when Jim Sochor intercepted Fred Whitlim's pass on the Lumberjack 5. After a pair of penalties had put the ball back to the 24, Sochor passed to his brother John in the end zone for the final touchdown.

BASKETBALL PRACTICE TO BEGIN FOR HSC TUESDAY

Although football is presently in the sports highlight, Humboldt State's basketball players will begin to share the spotlight soon with basketball coach Frank Givins giving the call for the first 1957 practice session next Tuesday.

The Jacks ended the 1956-57 season first in third place in the Far West. They finished strong with five wins in their last six league contests. That helped give Humboldt a better seasonal record than the Gators, who were a regular two years ago. It is back after a year's absence.

Warren Baker, the only football player who also plays basketball, will be able to work with the rest of his squad from the beginning and not like previous years when half of the basketballers also played football.

All is well. Givins should be in good shape for the season. Baker, Bob Lawsom, Don Robinson, Grant Ekhart, all returners from last year's team are back and Hatha and Taylor are expected to give them plenty of competition.

Other returning lettermen are Jack Evans, Joe Miller, Tom
