HSC Professors Participating in Teachers' Institute

Humboldt State professors are playing a prominent role in an annual Humboldt County Teachers' Institute which opened Wednesday and continues through today in Eureka Junior High School. In section meetings teachers have heard or will hear talks by E. Charles Parke, Eleanor Kellenberger, Laura Palermo, Dr. Ralph Samuels, Dr. Archie Jones, Hap Gilliland, Dr. Robert Woodhead, Dr. Richard Berhankes, Dr. Doris Riles, Dr. Gilson Sinclair, Helen MacPherson, Hervin Griffler, Charles McDonald, Francis Griffler, Mary Fark, Dr. Frank S. Wood, Leland Barlow, Dr. Louis Wagner, Milton Doakins, Dr. Joseph M. Forbes and James T. Minnie.

Mr. and Mrs. Charles Fulkerson and their daughter, Julie, were scheduled to present talks on their trip to Europe at a dinner sponsored by the North Coast section, California Music Educators Association, last night at Lewis' Supper Club in Eureka. Mr. Fulkerson played organ melodies and Mr. Barlow was director of singing in the general sessions Wednesday and Thursday.

BUILDING DEDICATION CEREMONIES WILL BE HELD HERE TOMORROW

Dedication ceremonies will be held tomorrow, Oct. 15, for five new buildings on campus, starting with an open house of the buildings from 3 p.m. to 5 p.m. and concluding with the dedication of the gymnasium at 7:30 p.m.

The five new buildings to be dedicated are the Gymnasium, Wildlife Building, Music Building, Home Economics Building and the Home Economics Cottage.

Dr. O. Meredith Wilson, president of the University of Oregon, will be the featured speaker at the dedication dinner which will be held in the new gymnasium.

Dr. Wilson has been president of the University of Oregon since 1954 and is now the president of the State Universities Association and chairman of the committee on College Teaching of the American Council on Education, as well as a member of several other educational organizations.

The dinner will be attended by 400 persons, most of whom will be business and professional leaders of North California, especially invited in the dedication.

Following the dinner, the guests and participants will be transported from the gymnasium to the Redwood Bowl.

TURNER TO SPEAK

Dr. Lawrence Turner, executive director of the college, will give the dedication program under way at 7:30 p.m. speaking from the public address booth using the stadium loud speakers.

Dr. Turner will introduce the speakers, give the order of progression of the program, identify the symbols used and generally explain what is going on.

Dr. Burton Kendrick, chief of the Division of Basic Education, will be the first speaker. He will give a short talk on the development of all colleges with special emphasis on the Humboldt College Master Plan.

Mr. T. H. Magoff, deputy director of the Department of Finance, will speak on the development of the state budget followed by a short talk by Gov. Newcomb.

Word was not available at press time whether or not Governor Knight would appear in person. If he is not able to appear personally, he will send a message which will be played at this time.

Senator Carl Christiansen of the Third District will be the next speaker on the program.

MELOTTI TO SPEAK

Assemblyman of the Fourth District (Continued On Page 2)
A "Coming Home"

Homecoming is again upon us, and from all indications, in full force.

Homecoming has always been a gala event, check full of activities and meaning. This year it is that, and more besides.

This year's festivities include pre-game and post-game events, the game itself, the naming of the third member to the HSC Alumni Hall of Fame (Ray "Dobe" Harrison), and perhaps the biggest event of all, the dedication of Humboldt's very new and very modern facility, the Underwood House under the leadership of a lovely queen, an HSC coed chosen by her classmates.

So much for activities, but what of this meaning that has been mentioned? Homecoming, of course, will mean the uncloistering of some of the HSC students, for his alma mater as when he is now on the outside looking in. THEY know the real meaning of Homecoming. It is to those alumni who would like to extend a very hearty and sincere "welcome home."

THE CLUB CORNER

Ed note: Copy for this column should be at the club office for Box 66 by 4 p.m. every Monday.

INTERCOLLEGATE KNIGHTS

It was decided at the last meeting to postpone all nominations for new pledges until after Homecoming. The present pledges will be initiated after the Homecoming weekend and scheduled.

Reports were given by Honorable Duke Frank Zab as to the progress of the float and the Homecoming pageant.

Discussion as to moving the meetings from the auditorium to the new Green and Gold room took place. The new room is ideally suited for meetings in the auditorium for the present.

The meeting was adjourned early so members could return to work on float projects and preparations.

Ed note: Copy for this column should be at the club office for Box 66 by 4 p.m. every Monday.

Concert Scheduled Sunday Afternoon

The Homecoming Concert will be presented by members of the music department Sunday in the rehearsal hall of the new Music Building at 2:30 p.m.

PROGRAM
I. Torace and Virgin in D Major
II. Mendelssohn, Organ
III. Who is Sylvia? Student Strandschen
IV. Beethoven, Piano

The Whistlin' Whirls
(Shanty Horns)
All songs by Paul Hindemith
Dr. Leon Wagner, Tenor
Piano Quartet in E Flat

The Women's Army Corps is now offering direct commissions to Second and First Lieutenants for college graduates between the ages of 20 and 33 who have the mental, physical and moral qualifications required of officers in the Corps.

A newly constituted program is directed towards college jurors, who now can become acquainted with military life during the summer by spending a month with pay at the WAC Center.

Lt. Bennett states that WAC officers are now serving at home and abroad in over ten different career fields, each one of which offers infinite variety of special assignments.

Women wishing to inform themselves about opportunities in the military establishment are invited to talk with Lt. Bennett. She will be in the Student Union from 11 a.m. to 3 p.m.

The Board of Lectureship was established February, 1898 by alumni to a lecture by Robert S. Van Atta. Mr. Van Atta will discuss how scientific Christianity can and is being applied in daily life with concrete and practical benefit.

Mr. Van Atta will be interview ed on Wednesday at 8:05 p.m. over KIEM. He will answer questions concerning Christian Science.

Humboldt State forestry and wildlife students who helped quell the Garwood HI forest fire of Sept. 13-15 were commended this week by W. Segar, supervising Forester of Six Rivers National Forest.

In a letter to Dr. Charles Yeoman, chairman of the division of natural resources, Mr. Segar pointed out that "those men did an excellent job."

The letter was written primarily to praise John Dell's suggestion to us, at the time of the fire, that we utilize a volunteer suppression crew from Humboldt State College. We understand that most of the men are studying forestry, wildlife or fisheries, the letter said.

"All fire control personnel know the added efficiency which is given a group of men through proper organization. This 42-man crew was organized and staffed physically able and willing, and our report is it was an encouraging sight to observe the manner in which the members of the crew conducted themselves, both on the fireline and in the camp."

Dell, a junior, is past president of the college Forestry Club and a part-time employee of the Forest Service.

The group was divided into four crews. Crew houses were Vital, Eel, Eureka and Price.

Gerald Partain, assistant pro- ceedings of forestry, flew over the state in a private airplane to observe the operations.

Other forestry and wildlife pro- ceedings assisted in recruiting the firefighters.

Mr. Partain said a permanent stand by fire-fighting unit was being organized among students, with the Forestry Club and other Gaument firefighters as a nucleus.

The group, known as the "Humboldt Hotshots," met two weeks ago with two representatives of the U.S. Forest Service.

Christian Science

Lecture Thursday

The Christian Science Organization at Humboldt State College invites all students, faculty and alumni to a lecture by Robert S. Van Atta, C. S. of Rochester, Thursday at 8 p.m. on Oct. 14th. Mr. Van Atta is a member of The Christian Science Board of Lecture of the First Church of Christ, Scientist, in Boston, Massachusetts.

The Board of Lectureship was established February, 1898, by Mrs. Baker Eddy, the discoverer, founder and leader of Christian Science.

This lecture will deal with current situations which concern mankind — health, business, world affairs, security, social trends, happy homes, etc. Mr. Van Atta will discuss how scientific Christianity can and is being applied in daily life with concrete and practical benefit.

Mr. Van Atta will be interview ed on Wednesday at 8:05 p.m. over KIEM. He will answer questions concerning Christian Science.

How to Get More From Your Cigarettes

Get Viceroy! Get 20,000 filter traps, for smoother taste!

Twice as many filter traps as the other largest-selling filter brands

Viceroy = twice as many filter traps as the other two largest-selling filter brands — for that smoother taste!

Filter traps... twice as many... for smoother taste!

Twice as many filter traps as the other two largest-selling filter brands — for that smoother taste!

HALF AS MANY FILTER TRAPS in the other two largest-selling brands — for extra smoothness!

Get Viceroy! Get 20,000 filter traps, for smoother taste!
"Disappearing-Reappearing"Lumberjack Axe Again Is Making HSC History

By TONY VASQUEZ

Remember the "Lumberjack Axe"? It is making history again despite a long absence from the public eye.

Just over a month ago, the axe was returned to the Department of Natural Sciences after a nearly month-long absence. The axe had been stolen from the Department's office and recovered several days later by campus security.

The axe has a long history at HSC. It was first used in 1933 and has been a symbol of the college's athletic success ever since.

The axe was presented to the college by the Gamma House fraternity in 1933. It was used to mark the winner of the first game ever played by the college's football team. The axe has been presented to the winner of every game since then.

In addition to its use as a symbol of athletic success, the axe has also been used as a decoration in various locations on campus.

The axe is housed in the Department of Natural Sciences and is on display in the hallways of the building. It is available for viewing by the public during normal business hours.

"It's great to see the axe back where it belongs," said Professor John Smith, head of the Department of Natural Sciences. "The axe is an important part of our college's history and we take pride in preserving it for future generations."

The axe will continue to be used in various events throughout the year, including Homecoming and a forthcoming football game.

The axe has also been used as a donation to the college's athletic department in the past. A recent donation was made by the Gamma House fraternity, which also presents the axe during Homecoming.

The axe is a symbol of the college's athletic heritage and is respected by students and alumni alike. The college is proud to continue the tradition of using the axe as a symbol of athletic success.

The axe will be on display in the Department of Natural Sciences and is available for viewing by the public during normal business hours.

"LUMBERJACK ---Fri, Oct. 18, 1957"
HONOR SOCIETY INITIATES SIX

Six new members were initiated to Chi Sigma Epsilon honor society in the Green and Gold room of the Administration building Sunday afternoon.

New members elected were Martha Dudley, Donald Peterson, John Phegley, Sylvia Plankon, Carol Sue Snellin and Mary Louise Stewart. Chi Sigma Epsilon is an upper division honor society that gives recognition to the outstanding scholars in the junior and senior classes. Candidates must have a grade point average of 3.30.

Gayle Melvin Bland, Arcata, was presented with the Freshman Medal, awarded annually to the student with the highest scholastic record during the freshman year.

Principal speaker was James Meents, associate professor of music.

George Washington served as president of the United States from 1789 to 1797.

Cpl. Haney, left, (Wally Sinclair) pleads with Corporal Easley, right, (Bob Lloyd), for medical aid as Lt. Mac. (Larry West) tries to maintain equilibrium in a tense scene from "The Barbaric Scalpel," which will be produced next Friday and Saturday nights on the ISC stage. "The Barbaric Scalpel" forms part of the Master's thesis of student Herb McLellan.

NO CLASSES

No classes will be held after 3 p.m. today to enable students to participate in and observe the Homecoming Parade. Band members will participate in a Concert on the Arcata Plaza beginning at 1 p.m. and will not be able to attend classes after that hour.

PATRONIZE OUR ADVERTISERS . . . THEY PATRONIZE US!

A filter that means business. An easy draw that's all flavor. And the flip-top box that ends crushed cigarettes.
Wildcats Take Fourth Win
Chico State's Wildcats posted their fourth straight triumph of the season last Saturday with a 13-8 victory over the tough Lewis and Clark Pioneers in Portland. Chico's first touchdown came in the second quarter on a 34 yard dash that ended a 79 yard drive. Manuel Tarango set up the winning score with a 43 yard punt return.

Red Raiders Win Close Contest
Southern Oregon's Red Raiders sneaked by the Portland State Vikings to the margin of an extra point as they kicked a 7-6 triumph last week. After halfback Jim Maurer put the Red Raiders on the scoreboard in the second quarter with a 58 yard touchdown scamper through mud and rain, quarterback Lance Locke split the uprights with what proved to be the winning score with a 43 yard punt return.

Jack Hoopsters Open Practice
Basketball coach Franny Givins awarded his whistle for the first time Tuesday as he began his first practice for the 1957-58 season. Ten returning lettermen plus numerous others hopefuls were on hand Tuesday and Wednesday to give Givins his early start of what he hopes will be a highly successful season.

The squad will be working on fundamentals with drills and conditioning emphasized for the first few weeks. Later the freshmen who do not stay on the varsity team will go make up a jayvee squad which will be coached by Hank Cooper. Lettermen Jim Babcock has decided against playing and will not turn out. Givins announced. Otherwise, the team should come along fast, with eleven of last year's team members playing. Warren Baker will also be out after the conclusion of the football season.

The teams, both varsity and jayvee will practice from noon to 2 p.m. every Monday through Friday until the end of the season, which will be late in February. The Vikings scored in the third period on a 19 yard pass from Ken Humphery to Sam Roberts. The extra point attempt was wide.

Our new gym had its official "breaking in" last Tuesday. Coach Franny Givins made the call for basketball players, and the team was rewarded with a good turn out. Prospects look real fine this year — many veterans and lettermen returning. And, of course, some are still playing football. Humboldt will have bright this year — furnished by two sophomores, Don Robinson, and Grant Erhart; and by 6'4" Warren Baker, who was last year's high scorer. A joy to Coach Givins should be the return of Larry Taylor, a three year standout who wasn't in school last year. Taylor, a deadly long-shot artist, last played on the PWC championship team of 1954-55. Up from the JV's will be Jerry Hathaway, who will probably see plenty of action in the pivot area this year. And around the outside, Humboldt is strong with a host of sharp-shooting guards including Eddie Thomas, Jack Evans, Billy Caver and Bob Law.

Well, Call It SOMETHING
The ble-fug has hit everyone — including the HSC football and basketball teams — as a result of canceling the game with the Portland State Vikings by the margin of an extra point as they eked out a 76-67 triumph last week. Coach Baker decided that, because of transportation problems if the game were played on the proposed Nov 22 or 23 date, he would prefer to re-schedule the game. Humboldt is strong with a host of sharp-shooting guards including Eddie Thomas, Jack Evans, Billy Caver and Bob Law.

Humboldt State College this week initiated a move to re-schedule the canceled Far West Conference game between the Lumberjacks and the Scandinavians, and the Southland's finest tobaccos manufactured has carried this promise: "A blend of premium quality tobaccos including special aromatic types."

UNDEFEATED IN THREE GAMES, THE JUNIOR JACKS draw their toughest assignment yet tomorrow night when they take on the powerful Shasta Jacks.

With the Battle of the Fins under their belts, the Jacks have emerged victorious to date and their fill-in, Don Tauche, has completed 28 attempts in the three games they have played.

Ron Olson and Ron Moore at guards, Joe Franc in at center, Ron Reynolds at quarterback. Ray Crawford and Dennis Giuntini at tackles, Mike Shiro rammed over left guard and Tom Parker who was honored a veteran was twice named player of the Week, during last season. The Knights loom as one of the top offensive with an equally strong defense.

Winning all their games thus far, and allowing only seven points against them, the Knights are a top notch team. They have scored 72 points while only giving up six in three games to date. And his fill-in, Don Tauche, has completed 28 attempts in the three games they have played.

Review of Faculty Art Show Given By Bernice Zumwalt, ENS Instructor

By BERNICE ZUMWALT

Faculty Art Show, now open, in the new Art Building, is more than an exhibit. It is a "show case" for the art-minded high school student as well as people looking forward to post-graduate work. They need not have any guilt about placing themselves in the hands of the six artist instructors who make up the faculty of the Art Department.

The exhibit covers a broad scope in technique, media and material. The pottery and sculpture have been arranged at various levels to provide the viewer space to move around and study all of the work. A good effect has been achieved by giving the viewer a variety of ways to approach the art.Bruce Bullen's respect for good clay work is evident in the sculptures he has displayed. Bulls has made himself conscious of the virtues of clay. His grease crayon drawing of a head might be almost in a monotone, but the origin of the thought is still there. He has mentally visualized the original idea Knight has brought back from Mexico some wonderful original oil paintings . These have been done without the use of violent traits in oil. These have been done almost in a monotone of an artist it is necessary to continue working and studying. The oil paintings are a result of his concentrated and sensitive surface treatment with his painting as an expression of truth. Avoiding the surface treatments paint on the simple expression of truth. The finished portrait expresses not only the character of the model but also the artist's originality in regard to the person portrayed.

Tom Knight has demonstrated that the creative force is when the artist is working without the use of color or form, and is concentrating on the rest of his life. He has been through the paintings give the feeling of sunlight filtering through the canopies and of the warm and lightness of color. The composition of four paintings, La Lomita, plays the role of Sgt. Sumtic, who, until a crisis develops, carries on his own war to keep the world in order in the cheering sections in the near future.
