

FIRST 'SCALPEL' PERFORMANCE TONITE

Third Journalism Day Being Observed Here

HI SCHOOLERS TO TALK SHOP HERE TODAY

School publications staff members from throughout northern California will be on campus today to talk shop at the third annual Journalism Day program here.

Some 150 high school students and HSC publications staff members will attend a series of discussions, winding up with a luncheon program in Nelson Hall at 1:30 p.m.

Journalism Day is sponsored by the college in cooperation with the Eureka Newspapers, Inc.

Students will be registering in the foyer of the Administration Building from 9:15 a.m. to 10 a.m. and early arrivals will be hosted at an open house in the Lumberjack and Semperparva offices upstairs in the Co-op.

A general assembly is scheduled at 10 a.m. in the Green and Gold Room, with a greeting and introductions to be made there by Dr. Milton Hollstein, assistant professor of journalism. At 10:15 a.m. students will hear short talks by four professional journalists, Mrs. Monica Hadley, women's editor of the Arcata Union; "Scoup" Deal, managing editor of the Humboldt Standard; Arnie Gabrielson, public relations director of Simpson Redwood Company, and Andrew Genelli, regional editor and columnist of the Humboldt Times.

This session will be followed by a question-answer period.

GLIDE EXHIBIT

After refreshments the students will see a slide exhibit by Jim Turk, promotion manager of the ENL, then will attend critiques of yearbooks and newspapers. Among guest advisers will be Gene A. Smith, publisher of the (Continued on Page 6)

No. 6

Six Named To Green, Gold Key, Senior Honorary, At Friday's Assembly

Six new members were named to Green and Gold Key, Senior Honorary, last week at Friday's assembly. New members are Marilyn Wright, Frances Singleton, Carolyn Falkenberg, James Ennis, James Ely and James Shaver.

Dr. Don Karshner, dean of students, said, "Seniors admitted to Green and Gold Key must be active in at least two fields and have given the college outstanding service for three years." Dr. Karshner is adviser to the group.

The Green and Gold Key clarification committee consists of president of the college, the Green and Gold members and the ASB president. Their purpose is to analyze and suggest solutions for various problems which fall between the jurisdiction of the College Administration and that of the Associated Students.

NEW MEMBERS

Frances Singleton is a pre-med major from Eureka. She has served as secretary and president of AWS. Fran has also been active in the Rally, Snow Ball and the Homecoming committees.

Carolyn Nalley Falkenberg is a business education major from Eureka. Carolyn has served as president of Chi Sigma and secretary of the business club. She has also been active in Rho Sigma, OETA, Newman Club and the Phoenix Club.

The other new woman member of Gold Key is Marilyn Wright.

Marilyn is an elementary education major from Miranda, Calif. She held the office of Assemblies Commissioner in her sophomore year and is CSTA president in this, her senior year. Marilyn has been active in the Fresh Camp, the Snow Ball and the Rally committees.

One of three "James" to be chosen for Green Key was James Ennis. Ennis is a transfer from Everett Junior College in Washington. He is a physical education major. Since his arrival on the Humboldt State College campus he has played one year of JV football and is now in his second year on the varsity football team.

Ennis served as Head Resident of Alpha House last year and also did a creditable job as Intramural president. Along with his (Continued on page 3)

Author-director of tonight's "The Barbic Scapell" is Herbert B. McLellan, graduate drama major from Eureka, who created the full-length play as part of his Master's degree requirements. Reserved tickets for the performance tonight and tomorrow night may be obtained in the office of the division of Language Arts.

HERB McLELLAN IS WRITER AND DIRECTOR

"In every walk of life we find those who excel and those who fulfill our expectations. There are, however, a few whose actions degrade their profession. No profession is without them. This is a story about one such man in the medical field . . . these incidents do happen . . . there is such a doctor practicing somewhere."

So states Herbert McLellan in his introductory program notes for tonight's production, "The Barbic Scapell," the first student-written, student-directed full-length play ever to be staged at Humboldt State College.

McLellan has based "The Barbic Scapell" on experiences in the Army Medical Corps during the war in Korea, experiences which were caused in part by the mistakes of educational institutions, deference to professional ethics and to military formalities, and the attitudes of individuals.

What occurs in the story is not to be limited to the medical field alone, for, as the author states, "in every walk of life . . . there are a few . . . no profession is without them." The time and the scene of the play are relatively unimportant; they constitute spectacle. What is important is what happens, how the conflict (Continued on Page 6)

1957 HOMECOMING SAID TO BE ONE OF FINEST EVER HELD HERE

By SID FAUERBACH

Reaching beyond expectations, HSC's 1957 Homecoming proved itself to be one of the finest Homecomings ever held on this campus.

Gratifying student participation and planning, along with an abundance of all-campus attendance were large factors of this year's "Shower of Stars."

Kita Church, sponsored by Comet and WAA was chosen by over student body to be singing queen over the three-day affair.

Comet Club took another honor in winning the first prize of \$25 in the foot contest. Second place of \$15 went to the Conservation Club and entry with the IK flyer. Being awarded honorable mention. Judging was done by three Arcata merchants.

The old house behind Sequoia House went up in flames as the Freshmen held their bonfire last Friday night. Fire warden and house warden were served to those attending the rally.

The Variety Show, following the bonfire, presented talent new and old to the HSC scene. Gary Mead starred the show which was watched by a packed house.

The Alumni Reception took place last Saturday during open house of the new buildings on campus. Sigma House girls did the serving.

The Dedication dinner was held Saturday evening. Following the dedication Saturday night, HSC graduates rambled over the Cal Aggies 25-6.

Wrapping up the festivities were the Green and Gold Key breakfast held Sunday morning in the Eureka Inn and the Mu Epsilon Psi sponsored concert Sunday afternoon here on campus.

Downtown Arcata merchants showed their backing of the campus by holding a Plaza Decoration contest. IK and Spore

were awarded the first prize of \$25. The Forestry, Home Economics and Ski Clubs also participated.

BULLETIN

The Humboldt State Western Washington football game scheduled for Saturday night at Bellingham, Washington, was cancelled Thursday as the request of the Washington school.

The request came after the visiting team was decimated by the flu bug. A similar situation caused Humboldt to postpone the Sacramento State game originally scheduled for October 12th.

The Western Washington game will be played here two years hence on October 17th, 1959.

For similar story, see Sports page.

Chamber Music Program Sunday

The second in a series of monthly chamber music programs will be given in the new music building Sunday at 8 p.m.

The program will include a group of vocal selections by Dr. Leon Wagner, tenor; Quintet for French horn and strings with J.F. McCoy as horn soloist; a duet for cello and viola with Jean Fulkerson, cellist, and Daniel Backman, violist.

Forensics Team Is At Stanford For First Debate

The first forensics trip of the fall season for HSC debaters will be made this weekend.

First stop will be Stanford University. The second day will be spent at the University of San Francisco. Three of Humboldt's veteran debate teams will participate in the practice debates.

Sacramento State College will be the site of the second forensics trip. This meet is sponsored by the Northern California Forensic Association and will be held on Nov. 1, 2 and 3. This is for both inexperienced and veteran debaters. Each participant must enter one other event in this tournament, as well as debate.

A team from Cambridge University in England, will be present at HSC on Nov. 18 to debate against a Humboldt team to be chosen in late October. This debate is to be open to the public. It will begin at 8 p.m. in the college auditorium.

Nov. 23, 26 and 27 are the dates for the Western Speech Association's Western Intercollegiate College in Los Angeles. Eleven Western states will be entering this premium tournament, with a total of about 300 entrants. Each of the 50 entering colleges will be allowed a team of 16.

A position is scheduled to take place on Jan. 10 and 11 at HSC. This event is open to NCTA member colleges, each of whom may send four participants who must enter all events. These events are to be symposium debate, extemporaneous speaking, manuscript oratory, after dinner speaking and interpretative recital.

An intra-debate is also being planned for practice in November. The trip to the College of the Pacific and Shasta on Oct. 18 and 19 was cancelled since it conflicted with the Homecoming events.

A special tribute is presented to Homecoming Queen Rita Church by Don Padden, Arcata businessman. Rita was sponsored in her bid for the title by Comet Club and the Women's Athletic Association. She is shown on the float that was in last Friday's Homecoming parade.

THE CLUB CORNER

Ed. note: Copy for this column must be in the Lumberjack office or Box 425 no later than 12 noon Monday preceding the issue the story is to appear in.

INTERCOLLEGIATE KNIGHTS

A short talk was heard from Dr. Don Karshner at the last regular meeting concerning the parking situation at football games. A general discussion was held afterwards as to the means of obtaining more efficient parking methods. The matter was left in the hands of Roland Atterbury, parking chairman, who will report at the next meeting.

Two weeks are left for the payment of dues. All members are urged to meet this deadline as a fine will be levied against those who are delinquent.

Due to lack of time the Pledge Initiation and kindred activities have been postponed till after the football season.

Atterbury volunteered to serve as chairman for the Bunny Hop dance to take place next spring. Watch for this one!!

LUTHERAN STUDENTS

The Lutheran Student Group met for a social dinner on Oct. 17, at CES. During a short business meeting Wimpy Teasley was elected vice president, Margot Philippa was appointed chairman of a cookie-cake sale.

Meeting times were discussed

and it was decided to hold cost dinner meetings twice a month on Thursday evenings from 5:30 to 7 p.m. The next meeting will be held at Dr. Ingebritson's home. The rumor that Dr. Ingebritson will do the cooking can not be verified at this time.

Marilyn Potter told about her trip to Minneapolis to the meeting of the Lutheran World Federation and to Ashram.

SPUR NEWS

Mrs. Katherine Corbett's home was the scene of a very delightful and very delicious pot luck supper. The dinner consisted of appetizers, spaghetti, French bread and pie. A short business meeting followed the dinner. Maylon Johnson was elected the Spur AWS representative.

Marta Flak was chairman for the Spurs who sold programs and ushered at the Homecoming game. Her assistant was Judy McDonald, Judy will be chairman for the next home game.

WESLEY FELLOWSHIP

Sunday night the group heard the first of a series of four lectures on the arguments and differences of the Catholics and Protestants. Next Sunday the group will meet at 6 p.m. for dinner. The movie Martin Luther will be shown afterwards. Everyone is welcome to come — First Methodist Church in Arcata.

DICK'S DUNGEON

By Dick Wassmuth

I was accosted the other day by some blue-nosed character who apparently had been waiting his time reading the "Dungeon," while waiting for the library to open so he could get in and grab the last remaining copy of "How to Lose Friends and Influence Squares."

"What, pray tell, is this schlop that has been appearing in the Lumberjack under the title of a column?" The clam asked.

"SCHLOPS?" I was intrigued — not only in the meaning of the word, but by the fact that this cat's eyes blinked in unison as he talked. All three of them.

It turned out that my erstwhile acquaintance was appalled at the lack of culture pouring from the well-worn typing machine (1887 vintage) operated by your's truly.

Not being one to disappoint even the squearest of the square, I thereupon decided to enhance this column with some high-class, cultural "schlops."

The following is a strictly classical review of a recent motion picture with emphasis on the esthetic and philosophical viewpoint. (Good grief man, this is nowhere already.)

"A Hatful of Nothing" — This flick was about some cat who was strictly out of it. (I mean he knew from nothing, you dig?)

Well, this square who was tagged Mo the Mule, was hooked — but bad. He resided in a real cool pad with wife and brother, neither of whom was a shirker, but went out and worked for cabbage with which Mo would purchase some trash.

Now things are going fine until the old Dad pops in from sunny Florida. (It's really not sunny but I've been promised a kick back from the Florida Chamber of Commerce.)

The old Dad gets peeved because Mo's big-hearted brother has parted with all his loot. This really blows his stack when he finds that Mo is making like Silver using a monkey for the Lame Ranger.

"Man, you're carrying this kick a little too far," bellows Pops obviously an alias, and ended the play right there.

Mo, not being in any mood to argue, pines the word along to his number one wife to give a single to the boys in blue.

Not wanting to show poor Mo starved in the corner on a strict diet of bean soup, the cinema company ended the flick there and Little Red Riding Hood lived happily ever after. I guess.

All those not wishing to be enlightened by the above bit of culture may now unread what you have read. But remember to tell them you heard it on K DAD!! (K for KOOOOL man.)

An Education In Life

Today scores of high school journalists are on campus. Some of these are doing high school yearbook and newspaper work just as an extra-curricular activity; others are working on the publications to gain experience as they plan to pursue the field of journalism further. It is to this latter group that I wish to speak.

There are many things to consider before making up one mind to enter the newspaper profession and other related fields. Books have been written covering this very subject so I will only attempt to touch on one small aspect — that of the personal traits of a reporter.

First of all, as Ben J. Cope so aptly put it over a quarter of a century ago, the reporter must be a "constant student of life, its materials, its incidents, its actors." All the business of life must be the reporter's business.

Again, according to Cope, seriousness, thoughtfulness and energy are "prime requisites of the successful reporter."

Reliability, tact, diplomacy and courtesy are very important traits. One could also list resourcefulness, clear-mindedness, self-confidence, poise, good nature and good taste — all attributes of a good reporter.

If one possesses these traits plus a reasonable amount of ability and an enthusiasm for work, chances are he would be making the right decision in choosing journalism as a career.

Notice, though, that all these traits of a good reporter could and should very well apply to a good citizen. Journalism also has such a "double connection" — besides being a means of earning a living, it is educational in the ways of life.

Minutes of the Student Council

The meeting was called to order by vice president Roberta Johnson. Those present were Joe Chappelle, Jon Mitts, Don Peterson, Jim Ely, Larry Westlake, Dale Callahan, Joyce Hedberg, Pat Duffy, Sandi Wahlund, Dr. Karshner and Diane Johnson.

CORRESPONDENCE

A letter from Jim Messinger, PSFA, president, accepting and thanking us for our invitation to be keynote speaker for the Leadership Conference was read.

Correspondence was received and read from the Marlboro Company regarding Student Council awards which they sell. The matter was turned over to the Awards Commission, Warren Baker.

Conservation Unlimited wrote a letter stating that they will be interested in handling concessions for the basketball games this year. They will submit a formal bid later.

COMMITTEE REPORTS

Student Directory — It was moved, seconded and passed to accept Conservation Unlimited's bid for the Student Directory. They will attempt to have it on sale by early November.

Juke Box — The hours between 9 a.m. and 12 noon have been established as hours when jukeboxes are held upstairs and the jukebox must be turned down. A notice to this effect has been posted on the juke box.

High School Game Prices — After talking to the Eureka High School Student Council adviser, it was reported that college students are charged more because they come under the adult admission. The High School Council will not discuss this matter until

a college representative is present. Dale will try to attend their next meeting.

Leadership Conference — Roberta reported on the planning meeting and appointed committees for the Conference.

Ice Cream Prices — It was moved, seconded and passed to charge 10 cents for one scoop of ice cream and 15 cents for two. Dale is to inform Howard Goodwin of this reduction from 20 cents to 15 cents.

NEW BUSINESS

Don Peterson reported that there is a problem of files in the Coop. He was appointed in charge of remedying the situation.

A notice is to be placed in the Lumberjack and the daily bulletin asking students to park more carefully and closer so as to make room for more cars. It was suggested that a special parking space be set aside for sports cars, since they occupy less space. Larry Westlake will check into this.

COMMISSIONERS' REPORT

Activities — KCS has sent out a questionnaire to clubs concerning their club activities and they expect replies in the near future.

Board of Finance — Jim Ely reported that the Board of Finance has met and will meet every Tuesday at 9 p.m. in the Coop unless there is no business. The Board of Finance received a request from Forenals for \$300 more to help them continue their program. It was moved, seconded and passed to approve this request and to take the money from unallocated.

PRESIDENT'S REPORT

Dale reported on a travel policy

Collins Named Toyon Editor

Todd Collins, Trinidad, a senior majoring in business, has been named editor of the Toyon, campus creative writing magazine. Two sophomores, Mrs. Dathene Stanley and Ronald Sells, both of Arcata, have been appointed assistant editors.

The Toyon was established two years ago to provide an outlet for the best creative writing by students, and to give beginning students in writing an audience for their work. Dr. Ralph E. Samuelson, assistant professor of English, is faculty adviser.

Himself a writer with several publications to his credit, Dr. Samuelson says that during its two year existence, the Toyon has maintained a quality on a par with any similar campus magazine in the U.S.

The 1957-58 Toyon will be published early in the spring semester, and because of the increased registration, is expected to be the biggest edition yet produced.

There will be a meeting of all those interested in contributing material to Toyon or serving on its staff, on Wednesday, Oct. 30, at 12 noon in the College Auditorium. Freshman and lower division students are especially welcome. Bring your lunch.

which was presented to him by Dr. Karshner. It concerns student trips which are subsidized by the Student Body. Pat Duffy and Dale were appointed to look into the plan and report back.

DEAN OF STUDENTS' REPORT

Dr. Karshner reported that Dave Zabo will give "Red Bunyan," the paper mache mechanical figure which is now at the airport to HSC if we want to use it as a mascot. Rally will handle the matter.

Respectfully submitted,
Roberta Johnson
ASB Vice President
Diane Johnson
ASB Secretary

Western Washington Next For 'Jacks

HUMBOLDT TO TANGLE WITH VIKINGS TOMORROW NIGHT AT BELLINGHAM

Fresh from their first victory of the season, the Humboldt State Lumberjack footballers will take the week off from Far Western Conference play and travel to Bellingham, Washington to play the Western Washington College of Education Vikings Saturday night.

Last year the same two teams tangled in Redwood Bowl and the Jacks won that one by a 20-13 score. Earl Barnum was practically a one man show as he scored twice on kickoff and punt returns.

This year the Vikings are rated somewhat stronger and are considered the top competition to the College of Puget Sound, which won the Evergreen Conference with a six win-no loss record.

John Kulbitzki, in his second year as head coach of the Vikings has reputedly built a stronger and sounder team and the Washington squad will have the benefit of their home field.

Also on the dim side, Humboldt has two key tacklers, Bill Hicks and Dick Cahill, both on the injury list. Hicks has an eye injury but should be ready to go Saturday; Cahill is suffering from a shoulder separation and probably will not make the trip and may be out for a couple of weeks.

WAA Playday Set Tomorrow

The Women's Athletic Association of Humboldt State College will sponsor a Playday tomorrow, beginning at 9 a.m., and running through until 2 p.m. in the HSC woman's gymnasium.

Invitations are being issued to all of the Girls Athletic Associations of the eight high schools in the area, and each group is expected to bring between 25 and 30 girls who will participate in the Playday.

The object of the Playday, according to Miss Betty Siegle, advisor of the WAA, is to have girls from different schools get acquainted with each other, while at the same time get acquainted with Humboldt State.

Intramural Sports Now Underway

Intramural sports have made their appearance on the field for the 1967-68 school year. Football, the first sport, is now well underway. Leading the pack with clean slates on Oct. 21 were the IQ's, the Ramblers and Redwood Hall with identical 4-0 records.

Dr. Gene Asprey is the intramural director this year. He has taken over Dr. Jack Neicher's post. A meeting of all the old intramural officers was held Wednesday, Oct. 23. Dr. Asprey stated the purpose of the meeting was to revise the intramural handbook and to elect new intramural officers.

Intramural flag football started Monday, Oct. 14. In the first game played Humboldt Village defeated Alpha House, 12-6. In the other games the scores were as follows: IQ's 7, Block H, 6; Delta Sigma Phi Fraternity 13, Nelson Hall 6; Redwood Hall 6, CU 0; and in the last game of the evening Comus club forfeited to the Ramblers.

Tuesday night found the IQ's, the Ramblers and Redwood Hall continuing on their winning ways. The IQ's beat Alpha House 13-6. The Ramblers beat Nelson Hall 13-6 and Redwood Hall swamped Humboldt Village 25-6.

In other games Tuesday night the Fraternity won over Block H by forfeit and CU beat the Comus club over the forfeit route.

There were three forfeits Thursday, Oct. 17. Humboldt Village forfeited to the IQ's, Block H forfeited to the Ramblers and Comus club forfeited to Redwood Hall. The other two games that night ended in ties. Alpha House and Delta Sigma Phi Fraternity tied 13-13 and CU and Nelson Hall tied 7-7.

Monday, Oct. 21 found Redwood Hall emerging victorious over their traditional rival Nelson Hall. The score was 7-6 in the traditionally hard fought game.

KOHINKA WINS CROSS COUNTRY

Dale Kohinka, Humboldt's one-man cross country track team, outdistanced Cal Aggie runners last weekend at Redwood Bowl and is preparing to meet Southern Oregon at Ashland Saturday.

However, Coach John Black says he hopes to have a couple more trackmen besides Kohinka to wear the green and gold this weekend. Besides Kohinka, Coach Black expects Armand Baradet and Charles McDonald to make the trip.

Kohinka's winning time last weekend was 10:36.4 for the two mile run, which was held on the track at Redwood Bowl. Coach Black was pleased with the performance of Kohinka and stated that he showed mid season form in winning the event.

In other games Block H defeated CU 21-14. Comus club forfeited to the Humboldt Village, the IQ's defeated the fraternity 25-12 and the Ramblers stomped over Alpha House 31-13.

The standings are now as follows:

Team	W	L	T
IQ's	4	0	0
Ramblers	4	0	0
Redwood Hall	4	0	0
Fraternity	2	2	1
Humboldt Village	2	2	0
CU	1	2	1
Block H	1	3	0
Alpha House	0	3	1
Nelson Hall	0	3	1
Comus Club	0	4	0

Jr. Jacks Meet Lassen Tonight

Humboldt State's Junior Jacks football team will take to the road this week when they travel to Susanville to play Lassen Junior College tonight.

The Junior Jacks will be after their fourth win after losing their first game last week to Shasta. Several weeks ago the same two teams played in Redwood Bowl and Humboldt scored a lopsided 44-0 win over the Lassen team.

Coach Hank Couper will probably start the same team that started last week. If so, it will be Jim Ziegenbein and Dennis Gintanti at ends, Bill Nickols and Charles Atkinson, tackles; Ron Moore and Don Hall, guards; and Joe Francis, center. In the backfield it will be Ron Beynolds at quarterback, Ron Olson and Ron Petersen at the half backs and Bob Gay at fullback.

other activities he was instrumental in the formation of Humboldt's first fraternity Delta Sigma Phi. He is vice president of the fraternity.

Jim Ely was also selected as a new member of Green Key. Jim is a business administration major from Arcata. In his four years at Humboldt State College Jim has served as president of the frosh class, senior class, band, Circle K and is presently active as ASB treasurer.

The third "James" is James Shaver. Jim is a social science major from Pacific Palisades, Calif. Jim has been active in the College Y, the debating team, the International Relations Club and has served as president of Phi Kappa Delta.

Other members of Green and Gold Key are Diane Johnson, Roberta Johnson, Kay Escarda, Jim Mayo and Wally Sinclair.

Members of Green and Gold Key are nominated by a secret faculty committee. Student activities, character and grade point average are the major factors in the selection of the members.

1635 STUDENT CASES HANDLED

In the first 20 days of school the health unit has handled 1,635 cases of various types of student illnesses. In 1949 when Mrs. Beverly Griffith, college RN, came to HSC there was an enrollment of about 700 students, and for the entire year they handled 1576 cases.

Flu cases have declined sharply and there are now only a few isolated cases existing on campus. Mrs. Griffith said she and Dr. George Scheppeler, college physician, couldn't have handled the rush of cases if it hadn't been for the excellent help and morale of students and campus personnel. The cooks and head residents cooperated completely in taking care of students who were too sick to leave their bed. According to Mrs. Griffith, student assistants who were especially helpful at this time were Ann Metcalf, Don Maitre, Bill Anderson, Hugh Mondra, Ann Sullivan and Georgia Baird.

BOARD OF FINANCE

The Board of Finance meets every Tuesday at 9 p. m. in the basement of the Coop. All dance policies must be approved by the Board of Finance.

Dr. Wilson Speaks On Progress Of Education At Dedication

Dr. O. Meredith Wilson, featured speaker at the dedication dinner last Saturday, spoke to approximately 350 guests on the progress of education in America.

The dinner, part of the dedication ceremonies for the five new buildings on campus, was held at the new men's gym, one of the new buildings.

Dr. Wilson, speaking from his vantage point as an educator, entitled his talk, "Education from My Window." He pointed out that early American schools, first established as ministerial schools, gradually expanded to include first law schools and then the concept of schools as a means for preparation for life and citizenship.

Dr. Wilson cited two recent incidents, The Little Rock crisis and the Russian "Sputnik" and stated that we have been too complacent about the things we now have, warning, "It is time, now, to re-assess our progress."

"As we dedicate these beautiful new buildings," Dr. Wilson said, "we must also dedicate ourselves to make every sacrifice to maintain the eminence of our country."

He offered congratulations in ending, that other colleges of the Pacific Northwest are envious of Dr. Cornelius Siemens, president of Humboldt State, who is able to dedicate five new buildings at

this time and can look forward to many more.

After the dinner, the distinguished guests formed a motorcade procession behind a color guard and proceeded to Redwood Bowl for dedication ceremonies.

Dr. Lawrence E. Turner, Executive Dean of the college served as narrator for the dedication ceremony. He introduced the speakers in order of their appearance and commented on the highlights of the program.

Included among the honored speakers was a tape recording of a talk by Governor Goodwin J. Knight. He said, "The new additions to this campus which you are dedicating today were most important, due to the development of this part of our state."

Governor Knight added, "I assure you that I am watching the development in this area carefully, and will continue to make constant studies of the needs of Humboldt State College."

In his part of the ceremonies, Dr. Siemens stated, "These splendid additions form the first installment of many more buildings and facilities to be constructed in the near future. You are all invited to keep your eye on this campus as it blossoms out into a greater Humboldt State College. For such a bright future, I wish to express a sincere thank you to the great team of state officials here assembled, who are serving us so well."

CLOTHES MAKE THE BMOG

Last week we passed along some fashion hints for coeds. Today we will do the same for college men.

The most important thing to remember, gentlemen, is to dress with verve, with dash, with inventiveness. Don't be imprisoned by the traditional conservatism of men's clothing. Brighten up your appearance with a single earring, or a cavalry saber, or a gold derby.

Guard Against Gaudiness

However, guard against gaudiness. If, for instance, you are wearing a gold derby, do not also wear a cavalry saber. This is too much. Wear a dagger instead, or, for formal occasions, a bowie knife.

Let us turn now to a persistent rumor that a garment called the "suit" is on the verge of making a comeback. Some of you older students may remember this "suit." It was an ensemble consisting of a jacket and trousers, both of which—this'll kill you—both of which were made out of the same material!

The last "suit" ever seen on an American campus was in 1941, and I ought to know because I was wearing it. I was an undergraduate then, and in love—hopelessly in love with a beautiful statistics major named Harry Sigafos. (She is one of the two girls I have ever known named Harry. The other one is her sister.)

I loved Harry madly, though her expensive tastes were the ruin of me. But by bit I sold off my belongings to pursue this costly courtship—first my books, then my clothes, until finally I was left with nothing to wear but a "suit." One night I came calling for her in this garment and she, of course, slapped me across the face with a riding crop and sent me from her door.

I slunk home and lit a Marlboro and sat down to think. I always light a Marlboro when I sit down to think, for their good mild flavor is a great aid to cerebration. I always light a Marlboro when I don't sit down to think, too, because Marlboro is my favorite cigarette, and I know it will be yours, too, once you make the acquaintance of that filter, that flavor, that flip-top box. As the man says, you get a lot to like with a Marlboro.

Well, Mrs. smoking and thinking thus, my eye happened to fall on an ad in a campus newspaper which said: "WIN A COMPLETE WARDROBE! Touhy's Toggery, the campus's leading men's store, announces a contest to pick the best-dressed man on campus. The winner will receive absolutely free a complete new wardrobe!"

Struck by a sudden inspiration, I took pen in hand and wrote a letter to Mr. Touhy of Touhy's Toggery: "Sir—I see by the paper that you are giving a complete new wardrobe to the best-dressed man on campus. What a ridiculous idea!"

"Obviously, to be the best-dressed man on campus, you must first have a lot of clothes, and if you have a lot of clothes, what do you need with another wardrobe?"

"Touhy's Toggery should give a new wardrobe to the worst-dressed man on campus. Me, for instance. I am an eyesore. There isn't a crowd in town that will come near me. Three times this month the Salvation Army salvage truck has picked me up. *Esquire* has canceled my subscription."

"I submit that a vote for me is a vote for reason, a vote for equity, a vote for the American way!"

With a flourish I signed the letter and sent it off, somehow feeling certain that very soon I would be wearing a complete new wardrobe.

And I was right—because two weeks later I was drafted.

Always fashionable, always correct for any occasion, is the bright red and white flip-top box of Marlboro, made for your pleasure by the sponsors of this column.

HSC BLASTS CAL AGGIES, 25-0

SPORTS

BARNUM MAKES DIFFERENCE IN FIRST JACK VICTORY

By DON NIELSEN

Lumberjack Sports Writer

Homecoming festivities came in and went out with a bang last week as the Lumberjacks won their first game of the 1957 season to make the weekend a complete success. Blanking the Cal Aggies from Davis 25-0.

Halfback Earl Barnum looked like the Barnum of old as he carried the ball 11 times for a net of 149 yards and a 13.5 yard average. Barnum also electrified the huge homecoming crowd with touch down runs of 20 and 82 yards to pace the Jacks in their win.

Humboldt's win over the Aggies gave them a 1-1 record in Far Western Conference play. It also helped to christen the new field lights, which were used for the first time Saturday.

Barnum, Warren Baker, Dave Thomas and Chuck McAninch shouldered the offensive showing and Carl Carlson, Dick Cahill and Gordon Moore were the defensive workhorses.

The first quarter was scoreless, but Barnum gave the crowd a thrill midway in the period when he rambled 15 yards to the Mustang 20. The Jacks were unable to score however, and missed an attempted field goal.

McAninch returned an Aggie punt to the Mustang 28 to set up the score. Two plays and a penalty brought the ball to the 25 and from there Barnum went over right tackle through a big hole to the goal line. McAninch's kick was wide.

Four minutes later an Aggie punt fell dead on the Jack 13. Ralph Mayo got 5 on the next play. Barnum then started over left tackle, cut up the middle of the field and headed for endguard as Gordon Moore cut down the last remaining defender with a crushing block. McAninch's kick for the extra point this time was good.

In the third period the Aggies picked up a lot of ground and were beginning to make things tough for the Jacks. Interesting as it may be, Humboldt trailed in first downs 13 to 6, but lead in total yards gained with 292 to 136 for the Aggies.

Looking for another score badly needed to sew things up, Warren Baker hit and Dave Thomas with a quickie over the middle with Humboldt's only game non-pleasure of the second half for 76 yards as Thomas looked like a scared rabbit after he had the ball tucked away.

A blocked punt gave Humboldt their first TD when early in the fourth quarter Tiny Hubler got in front of the ball and tackle Dick Cahill recovered for the Jacks on the three. On the next play Marion Mayo skirted right and for the score.

Carl Carlson turned some brilliant defensive work as he trapped Aggie half carriers for four times four different times.

	THUNDERBOLT	CA AGGIES
First drive	13	5
First downs	10	6
First downs passing	4	2
First downs rushing	6	4
First downs punting	0	0
First downs kicking	0	0
First downs blocked	0	0
First downs fumbled	0	0

First downs by offense	10	6
First downs by other	0	0
First downs by total	10	6

down, but a pair of 15 yard penalties halted the drive and ended the scoring happen.

HSC Victory Flag 'Pulling An Axe?'

Humboldt State's Victory Flag flew from the Coop for the first time this year Monday. But Monday night two HSC students stole it.

William T. Johnson, superintendent of maintenance, reported that he was passing by the Coop in his truck at dusk Monday when he saw the two students carrying a ladder around the Coop. When the students saw Mr. Johnson's truck they ran through the field behind the Coop, drawing the ladder down Hut 4.

The pair apparently had found the ladder under the hut and decided that snatching the flag would be grand fun.

Mr. Johnson said he would recognize the pair again and know where the two lived. "I guess," he said, "they were just having fun. But there's a limit to pranks on good jobs."

Well, Call It

SOMETHING

By TOM FAY

The Lumberjacks really gave the student body something to crow about last weekend — a 25-0 score over the favored Cal Aggies. A large homecoming crowd left Redwood Bowl pined with the HSC performance — and with Earl Barnum, who scored

twice on runs of 20 and 82 yards, and rucked up 144 yards in 11 carries for an average of 13.5 yards every time he got the ball.

End Dave Thomas turned in a pretty run after he took a Warren Baker pass on the Jack 40 and outran the secondary for the remaining 60 yards to paydirt.

Along with the offense of Barnum, Thomas, Baker and Marion Mayo, it was a tough defense which held the Aggies scoreless. Carl Carlson, Gordon Moore, Chuck McAninch, Mayo and Dick Cahill, who suffered a shoulder separation and will be out for a week or two, all turned in terrific defensive performances. At one point in the third quarter Carlson trapped the Aggie quarterback for consecutive losses on 11 and 12 yards.

The Junior Jacks didn't fare so well, losing their first game to Shasta, 28-0. But they still have a fine 3-1 record. The JV's meet Lassen JC tonight at Susanville.

The Junior Jacks and the varsity reserves are going to have another game added to their schedule, Hamilton Air Force

Junior Jacks Lose To Shasta, 28-0

The Humboldt State Junior Jacks lost their first game of the season last Saturday night, when they received a 28-0 thrashing at the hands of the Shasta Junior College Knights at Redding. This leaves their overall record at three wins and one loss.

The Knights divided their scoring evenly, scoring and converting in each quarter. In winning their fourth straight game, Shasta racked up a total of 429 yards to the Jacks 134.

Humboldt, threatened in the third quarter when quarterback Bob Reynolds intercepted a Shasta pass on the Humboldt 10 and returned to the Knight 30. Two complete passes got a first

Journalism Day

(Continued From Page 1)

Eureka Independent and president of Wood Advertising Co., Eureka, and V. V. Arnautoff, journalism instructor at Eureka High School.

A newswriting contest is scheduled for students who wish to participate in room 216, Administration Building, during the critique hour.

Guest speaker at the luncheon will be Prof. Charles T. Duncan, dean of the School of Journalism at University of Oregon, who will talk on "Is There A Place for You in Journalism?"

Dr. Cornelius H. Siemens, college president, will make the address of welcome at the luncheon and Mr. Turk will be toastmaster. Entertainment will be provided by an HSC student instrumental combo and by the "Newnotes," a vocal trio.

CONTEST AWARDS

Awards in the first Northwest California High School Press Contest will be made at the conclusion of the day's program. The contest will be judged by ENI members, including Mr. Genzoli and Elmer Hodgkinson, managing editor of the Humboldt Times; Bill Chambers, reporter, and Don Terbuah, sports editor of the Humboldt Standard; and Neil Hulbert, chief photographer of the ENI.

Five exhibits have been scheduled for the day. In the library is a display of foreign newspapers and an exhibit of the route of a news story from the Teletype writer to the finished newspaper. In the foyer of the Administration Building is an exhibit of high school and college newspapers and yearbooks and a United Press teletypewriter arranged by Pacific Telephone and Telegraph Co., and in the Green and Gold room is an exhibit of outstanding news photos arranged by the staff photographers of the ENI.

HSC Librarian Attends Meetings On Library Work

Mrs. Helen A. Everett, head librarian of HSC, has returned from a series of meetings on library work which she attended.

Oct. 10 she attended a meeting in San Francisco which was a hearing on a proposed revision of regulations of distributing U. S. government documents. Congressman Wayne L. Hays of Ohio presided. About six other congressmen who compose a committee studying sales and publication of U. S. publications were also in attendance. At this meeting they discussed various methods of making government publications available to people more efficiently and give better service at less cost.

Mrs. Everett attended a meeting Oct. 15 of the California State College Librarians' Council which was held in Fresno. Head librarians from all California State colleges were present for the meeting. Mrs. Everett was chairman of the meeting and led the discussion of policies and standards of library service in state college systems. She was re-elected chairman for the next year and Harold Wells, librarian of Kellogg-Voorhis campus of California State Polytechnic College, was elected secretary.

October 16 to 19 Mrs. Everett and William Haverstick, assistant

RHYTHM COURSE OFFERED

A workshop-type course providing a great variety of games and rhythm activities for children is being offered by Humboldt State College at the Morris Elementary in McKinleyville on Tuesday evenings from 7 to 10 p.m. The first class was held on Tuesday evening, Oct. 15.

tant catalogue librarian at HSC, attended the annual conference of California Library Association at Fresno. This meeting afforded librarians an opportunity to get together and discuss their problems and accomplishments. Four members of HSC library staff were elected to offices in the California State Library Association. They were Mrs. Everett, vice president of College University and Research Librarian Section, William Haverstick, president of the Redwood District, Mrs. Raphaella Kingsbury, vice president of the Redwood District and Leland Peizer, secretary-treasurer of the Redwood District.

Ladd Attending AV Conference At Sacramento

Dr. William Ladd, coordinator of the audio-visual department, will attend the annual fall conference of the northern section of the Audio Visual Education Association of California today and tomorrow. The conference is being held at Sacramento State College.

Today there will be a tour of KCRA TV station in Sacramento. Following this there will be a session discussing audio-visual needs. This evening the annual dinner will take place. Saturday there will be the Audio Visual Fair which consists of many booths containing various audio-visual equipment with technicians operating the equipment to demonstrate the use of each machine.

arises, and how the problem is treated. Such situations could occur anywhere in the professional fields; such situations could occur here.

Reserved seats for tonight's performance and tomorrow night's may be obtained in the office of the division of Language Arts, at 50 cents each for non-activity card holders. Those with cards and/or season drama tickets will receive their tickets without cost; however, reservations must be made in advance of the 8:15 p.m. curtain time.

Playing the leading role in "The Barbaric Scalpel" will be sophomore psychology major Bob Lloyd from Arcata, with another sophomore psychology major, also an Arcatan, John Smith, playing the role of Major Cowan. Wally Sinclair, senior drama major from Chowchilla, takes the part of Corporal Haney, while Larry West, junior political science major from Biggs, California, will be seen as Lieutenant Mar. Hal Lord of Eureka, speech drama major, and Buck Downard, sophomore geology engineering student from Loma, will be seen as Sgt. Stigitz and Sgt. Summle, respectively. Sandy Wilbur, freshman game management major from Oakland, takes the role of Private Boose.

OTHER CAST MEMBERS

Completing the cast are Casey Conner, Lt. Smith, Bill Livingston, Inspector General; Herman Bonickman, first colonel; Don Wright, second colonel; Lawrence Beebe, litter patient; John McCadden, first patient; Phil Schwartzell, second patient; Winford Teasley, third patient; Truman Werlich, fourth patient; Javi Predin, fifth patient; and Jerry Flora, sixth patient.

Working back stage include Donna Heckman, Tom Brown, Paula Seustrom, Bonnie Barbour, Jean Wagner, Alice Gilman, Joe Kemple, Dr. Ben, Bala Nam, Irene, Grace Cawtray, Barbara Soulligny, Kay McDaniel, Diane Anderson, and Linda Woodruff.

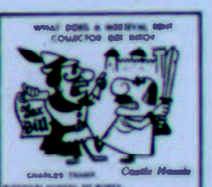

ANY SALT worth his salt will gripe when told to paint a dull hull, varnish a vast mast, or swab a dank plank. How to make him break out in smiles? Just break out the Luckies! He'll be a *Beamin' Seaman* in no time—and no wonder! A Lucky's a light smoke—it's one cigarette that's packed end to end with superbly light, golden rich, wonderfully good-tasting tobacco. And Luckies' fine tobacco's toasted to taste even better! Now, hear this: Want to go light? Just go Lucky!

STUCK FOR DOUBT?
