## Clubs Updates for Next Semester

- Clubs Recognition/Reactivation process will be virtual for next fall
  - Training will be available as early as August 1st, 2020 to complete. More information will be sent to your Summer Point of Contact.
- If you have not completed the Spring 2020 semester survey sent out on 4/17/20, please complete here: <https://forms.gle/FPFbhCHn7PR4rjXs8>
  - The summer point of contact will be kept informed of all Recognition/Reactivation Processes.
- We will be on-boarding a new Student Organization Management system, Lumberjack Link, to replace OrgSync.
  - We will export as much information as we can so we can upload it to your new Presence Page.
    - To ensure nothing gets missed, we recommend Organization Leaders download any necessary information as well.
  - This platform will be used campus wide by several different campus departments, so it will function better for campus event marketing

# End of Year Clubs Office Survey

Hello Club Leaders,

We facilitate a yearly Student Organization leader survey to get feedback on our office processes, policies, and procedures. This year has been an unprecedented year with power outages and campus closures due to Covid-19. Even with all this, we still want to ensure we are providing you the best services we can and are continually trying to improve. This survey will provide us critical feedback on your understanding and satisfaction with campus resources. If you are not aware of something, that is ok! It means we have to do a better job supporting you all in your knowledge development around campus processes. If you should have any questions, comments, or concerns, please email us at [clubs@humboldt.edu](mailto:clubs@humboldt.edu).CLUBS

# Virtual Commencement Information

Humboldt State University's Class of 2020 will celebrate in an unusual way, with three **virtual Commencement ceremonies on Saturday, May 16.**

On the day of Commencement, HSU will be broadcasting a video for each College on YouTube, including messages from students and faculty, a student music performance, and addresses by President Jackson and others. Links to the ceremonies will be available on the HSU Homepage and the Commencement website. If you aren't able to watch live, archived videos will be available on the Commencement website. Ceremonies will be broadcast at the following times:

- College of Arts, Humanities & Social Sciences—10:00 a.m.
- College of Natural Resources & Sciences—1:00 p.m.
- College of Professional Studies—4:00 p.m.

HSU is hoping to be able to hold an in-person Commencement ceremony, possibly next spring. But given the circumstances due to the COVID-19 pandemic and everyone's safety, the virtual ceremony will be the first step in recognizing the class of 2020.

More than 2,100 students will earn credentials and bachelor's and master's degrees this year, and more than 600 have submitted videos to be aired during the celebration. Humboldt State's first graduation event took place at Arcata's Minor Theatre in May 1915, with 15 women receiving teaching certificates.

*Congratulations  
Graduates*

# Outstanding Student Awards Winners

Each year, students are nominated by faculty and staff to be recognized for achievement in academics, community service, or leadership. Two were selected as the Outstanding Students of the Year for their overall excellence in academics and community service:

## Doug Cherry

Psychology major, Doug Cherry, has reached a level of involvement in the field of Psychology that's rare for an undergraduate student. As HSU's Student Council Representative for the Western Psychological Association, he advocates for students at the yearly council meeting. He has demonstrated academic leadership as a graduate assistant for the Psychology Department and within academic clubs and organizations.

## Ellen Colegrove

Child Development & Native American Studies major Ellen Colegrove, a member of the Hoopa Valley Tribe, has spent four years balancing academics and cultural responsibilities with community service. Recognized for academic excellence as a Udall Scholar, she is actively involved in numerous organizations and projects that support the campus and local Native American communities.

# El Centro (LCAE) End of Year Survey

We are reaching out to ask for your feedback about El Centro Academico Cultural, formerly known as Latinx Center for Academic Excellence (LCAE). It is extremely important for us to hear your opinions and perspective. This survey will take about 5 minutes to complete. If you have used any of our services, attended any events/activities, or have something to say about our center please take the survey here: [El Centro Survey 19-20](#)

Thank you so much. We wish you all the best finishing this challenging semester and look forward to seeing you (virtually) next semester.

SPRING 2020

We are pleased to announce the inaugural edition of Humboldt State University's REDWOOD ROOTS digital magazine. Redwood Roots highlights the many wonderful ways that students, faculty and community partners are engaging in community-based learning practices in and around Humboldt County. Community-based Learning is a signature program of HSU! Redwood Roots is a magazine of place and community. Our mission is inspired by the overwhelming natural beauty of our region and the great human potential that it fosters. In this magazine, we honor the impassioned and dedicated work of people from all around Humboldt County: from local tribes, to community partners, students, faculty, and residents who volunteer and advocate for change. Bringing together the stories of students, community leaders, faculty, and staff, we will—in this and future issues—highlight a wide array of community-based learning opportunities available here at HSU. Please enjoy this first edition, and share with your friends and colleagues.
