Affirmations for a Virtual Semester

affirmations AS WE MOVE INTO DISTANCE LEARNING

The best I can do is my best.

How human of me to feel nervous about trying
something new.

I will give myself the same grace I give others.

I may not be able to control this situation, but I
have control over my attitude.

This is only temporary.

I can do difficult things.

I don't have to have it all figured out to move
forward.

I will make mistakes, and that is okay.

ON Campus Printing Options

When face-to-face instruction begins, we will have 6 print kiosks open in the following locations:

- JGC (Klamath room)
- KA
- FOR
- NR
- SciA
- GH

Unfortunately, we do not have any on-campus printing available for these first two weeks, which is causing quite a problem. Housing is working on moving the JGC print kiosk to the Klamath room. These printing kiosks are mainly for students when they are on campus, and we encourage students to avoid coming to campus, unless they live on campus or it is for a class

Eviction Prevention Program

There are two programs providing rent and mortgage assistance. One is through the City of Eureka, and one is through the county. If you live in the city limits, you apply to the city program. If you live outside of Eureka city limits, you use the County Program.

The contact person for the City of Eureka program is Kristen @ 707-441-4209. You don't have to provide a social security number to apply. You do have to prove a decrease in hours/pay due to COVID. You also have to show proof of employment which could be a pay stub or a letter from the employer. They have applications in Spanish. To have an appointment in Spanish you need to schedule in advance to ensure interpretation services are available. This program offers up to \$2500.

The number for the County of Humboldt Program is 1-877-410-8809. It is through social services. This program provides up to \$5000.
