GET REACQUAINTED WITH THE LOWER LIBRARY

By Shannon Berge

After a years-long seismic retrofit project, The Center for Community Based Learning, along with our campus friends and partners, are delighted to be settling into our long-awaited new offices in the Lower Library. The freshly remodeled Lower Library space provides a convenient campus hub for student support, learning, and engagement. Several departments are new to this space as well, including the Academic and Career Advising Center (ACAC), the Retention thru Academic Mentoring Program (RAMP), and Youth Educational Services (YES).
