

LITTLE MAN ON CAMPUS BY BABER

Siemens Attending State Conferences

President Cornelius H. Siemens has been attending a series of four state-called meetings this week and last, to expedite policies affecting the Humboldt campus.

First in the series began on Oct. 29 on the campus of Fresno State College, with a meeting of California state college presidents. Among some of the common problems discussed there were student parking, a question currently being raised by all California campuses. Other studies were on adequate salaries for administrators and the management of new dormitories.

From Fresno, Dr. Siemens went to Yosemite for the semi-annual meeting of the California Council on Teacher Education in which around 140 California institutions preparing teachers convene to discuss problems of mutual interest. Two other delegates from HSC also attended this meeting. They are Dr. Donald F. Strahan, chairman of the Division of Education and Psychology, and Dr. Joseph C. Trainor, curriculum evaluator.

On Saturday Dr. Siemens traveled to Chico as the guest of President Glenn Kendall, where he took time out to root for the Lumberjacks in the annual Jacks-Wildcat clash.

While on the Chico campus, he studied the administration of Chico's new cafeteria for plans that can be adapted to the one soon to be built at HSC.

On Monday and Tuesday he was present at the annual budget hearing by the State Department of Finance in Sacramento. At this meeting Dr. Siemens began the first step towards defense of the proposed 1958-59 operating budget of \$2,200,000, an increase of 25 per cent over '57-'58.

He is attending the fall conference of the Western College Assn., with delegates from all accredited colleges and universities in California, Nevada and Hawaii. The conference opened Wednesday and closes today.

As chairman of WCA's committee on Research and Special Studies, Dr. Siemens reported on a study of new accreditation procedures employed during the past five years, for which his committee hopes to obtain a study grant from a national foundation.

Special speakers for this conference are T. S. Peterson, president of the Standard Oil Company; Dr. Henry T. Heald, president of the Ford Foundation, and Dr. Arthur S. Adams, president of the American Council on Education.

In commemoration of its 50th anniversary, the California School of Arts and Crafts, Oakland, California, is presenting an exhibit of commercial art. The exhibit opened Monday in the HSC art gallery in the lobby of the Art and Home Economics building. The exhibit will run through Nov. 22.

Included in the showing, which appeared in the Oakland Museum in Oakland this past spring and the De Young Museum in San Francisco this past summer are fashion illustrations, advertising layouts, package and bottle designs and photography. The exhibit will include originals and finished products done by students, faculty and members of the alumni of the California School of Arcata and Crafts.

Leadership Conference Home Ec Girls Attend Confab

(Continued From Page 1)

Held in the auditorium at 3 p.m. The various group leaders will compile their data and make suggestions and conclusions concerning their discussion groups.

The planning for the leadership conference is being done by the ASB officers. They are also leading the discussion groups.

The members of the student council are Dale Callihan, Roberta Johnson, Diane Johnson, Jim Ely, Tony Vasquez, Larry Westlake, Joe Chappelle, Sandy Wahlund, Joyce Hedberg, Don Petersoh, Warren Baker, Pat Duffy and Jon Mitts.

The agenda is as follows:
9:30 — Registration — Main Hall of the Administration Building.
10:15 — General Meeting — Auditorium.

Welcome — Dale Callihan, ASB President.
Introduction of ASB Officers.
Keynote Speaker—Jim Messenger

11 — Discussion Groups.
1. General Problems of Presiding Officers.
2. Student Participation in Activities.
3. Problems of the Secretary.
4. Functions of the Student Council.

12:30 — Lunch and Entertainment.
1:45 — Discussion Groups.
1. General Problems of Presiding Officers.
2. Student Participation in Activities.

Cupcake Sale Held By Spurs

A cupcake sale was held in the main hall Oct. 31 by the Spurs, sophomore women's service organization, to raise funds for the club's regional convention to be held in Flagstaff, Arizona.

A Halloween theme was used in decorating the cupcakes and the table used for selling them.

Mona Armstrong, president of Spurs and Pat Rouse, chairman of the sale, would like to thank the Student Body for making the cupcake sale a success.

LEADERSHIP CONFERENCE IS HELD HERE ON MONDAY

Representatives from eight Humboldt-Del Norte high schools attended the second annual leadership conference held on campus Monday.

Schools attending were Arcata, Eureka, Fortuna, St. Bernard's, Ferndale, Hoopa, Del Norte and South Fork.

Dale Callihan, ASB president, opened the morning's activities at 10:15 with his welcoming speech to the visiting high school students.

Jim Messenger, the keynote speaker and Stanford ASB president, followed with his speech on the leadership of tomorrow. Messenger is also the Pacific Students' Association President. This includes 14 western states and Hawaii and Mexico.

Messenger's speech outlined the path for the young leaders of today and the methods whereby they could lead intelligently. He spoke of it as path finding.

The first road in the path finding method is that of integrity. Integrity would unfold honesty, ethics and standards. This is in a large sense a sincerity in your work.

Messenger's second point along the path was that of loyalty. Loyalty would include cooperation and a constant working together with a problem until the final outcome.

The force along this path would be enthusiasm. This driving force would mean long range planning into the future, and working toward building a perfect goal.

The last point in Messenger's speech was positivism. Down along this road is where one finds his direction. A definite goal must be established and in the end success will come.

After the keynote speech discussion groups were formed. The first group, "General Problems of Presiding Officers," was led by Callihan and Messenger. The problems discussed were the orientation of new officers to their jobs and methods whereby they could have a better understanding of their responsibilities in office. The leading of effective meetings and election procedures were also discussed.

Joe Chappelle led the general group entitled "Student Participation in Activities". The aims and purposes of activities were discussed and the varied methods whereby wider participation might be brought about.

Warren Baker lead part of the (Continued on Page 8)

Sadie Hawkins Annual Dance Tomorrow Night

With this marking the 21st anniversary of Daisy Mae and Lil Abner adventures in newspaper comic strips, the Block H sponsors its seventh annual Sadie Hawkins dance tomorrow night at the Eureka Municipal Auditorium, from 9 p.m. to 1 a.m.

The highlight of the affair will be the Daisy Mae contest, in which the winner will be decided by applause. The winning girl will receive a trophy, given by the Eureka Newspapers Inc., and a \$25 merchandise order. Each girl in the contest will receive a bracelet.

According to Franny Givins, faculty adviser for the affair, there will be at least ten girls representing five schools in the Daisy Mae event. Del Norte will not be able to enter because they have a football playoff game scheduled for Saturday night.

There will also be several trophies given to the wearers of outstanding costumes at the dance. They will be presented to the best dressed high school boy and girl, college boy and girl and the most original dressed couple.

Claude Gribble and his orchestra will provide the music with general admission to be \$1.25. Soft drinks will be served.

The people in charge of various activities are Harman Bonnikson, general chairman; Warren Smith, in charge of gate; Ben Crabbe, music; Tom Schubert, auditorium; Jim Richardson, refreshments; and Mike Ladd decoration.

Cambridge - HSC Debate Scheduled Here Monday

Whether the present power of labor unions is a threat to democratic government, will be discussed by two graduates of England's Cambridge University and two HSC students at the annual international debate on Monday at 8 p.m. in the college auditorium.

This year is the third in which Humboldt students have played host to overseas debaters. The two British speakers will come to the campus as one stop on a U.S. debate tour arranged by the Institute of International Education in cooperation with the Speech Association of America and participating United States colleges and Universities.

They will fly to Arcata from a debate at the University of Oregon, and will follow their HSC date with a debate at Stanford University.

The visitors will debate on the "split side," each taking opposing sides of the question with a partner from HSC.

The English visitors will be David Ritchie Fairbairn, a native of Liverpool. He is a member of the Cambridge University Labor Club and vice-chairman of the Federation of University Conservative and Unionist Associations. His traveling companion is James Neil Crichton-Miller a barrister-at-law from Dorset. He is a former president of the Union Society and the Africa Society.

Siemens Hits At Increase In Fees

President Cornelius H. Siemens spoke out sharply against a proposed increase in registration fees for state colleges at a budget hearing last week in Sacramento.

He attended the meeting in company with presidents of the nine other state colleges, and was one of several presidents who protested when the Department of Finance envisaged a deficit in the state education budget and suggested that the colleges might raise their registration and incidental fees from the present \$20 per semester up to a possible \$40 per semester.

In voicing his objections to the proposal, President Siemens emphasized the fact that state colleges have long been by tradition and by state policy a part of the California system of free education.

He pointed out that "all of the costs of going to college have gone up, and today's student is in no better position to absorb a fee increase than is the general taxpayer in California."

On the following day President Siemens and Frank Deery, HSC Business Manager, attended a day-long hearing in which the Department of Finance reviewed the 1958-59 budget of Humboldt State.

President Siemens said today that the new budget includes a total operating figure of approximately \$2,100,000 in contrast to the present budget of \$1,700,000. The new figure is based on an estimated enrollment of 1750, compared to this year's student body of 1600.

Looking toward the increase, the 1958-59 budget provides for around 40 new positions, of which about half will be academic, mostly new teaching positions. The other half will include staff increases of new secretaries, custodians, groundsmen, stock clerks and technical assistants.

Subject to approval Following last week's act, the budget becomes a part of the Governor's Budget Act subject to approval by the Legislature in March, 1958.

At this time the Legislature will also be asked to approve construction funds totalling around \$2 million for HSC, continuing the campus expansion program. Included in this segment of the building program will be a new cafeteria, a natural science building and a student health center.

He left HSC to become president of Arizona State Teachers College at Tempe, then served as president of Oswego State Teachers College, N. Y., until his retirement.

Dr. Sweetman was born in Camden, N. Y., in 1886, and attended public schools and high school, qualifying to enter college in 1907. He received his B. A. degree (continued on page 8)

Fine And Applied Arts Visitation Day Scheduled Here Wednesday

High school students from South Fork, Arcata, Eureka, Fortuna, St. Bernard's, Hoopa, Ferndale and Del Norte will be on campus next Wednesday participating in the second Visitation Days this year. The students will be ones with special interest in the fields of Fine and Applied Arts - Home Economics, Art, Industrial Art and Music.

The purpose of this Visitation day is to acquaint the students with the programs and facilities available at HSC and to answer questions that may arise as the students plan ahead for their futures. The third Visitation day for students interested in elementary education and psychology will be held Dec. 5.

In every participating department of Wednesday's Visitation day, there will be special displays and class visits. In the Home Ec Building will be found displays in textiles, nutrition, weaving and upholstery, sewing, child care and home management. Classrooms will be open and visitors welcomed.

Student projects will be on display in the Industrial Arts Building. Mechanical Drawing and General Shop classes will expect visitors. Besides student works, the art department has an exhibit from California Arts and Crafts in the gallery. This exhibit is of commercial art. There is also a display of luminous water color paintings by Al Porter of Los Angeles on display.

Music interest students are encouraged to visit and participate in Floyd Glende's Music Fundamental class at 11 a.m. If weather permits, the Lumberjack Band will practice on the football field under the leadership of Dan Backman, director. The college choir will sing informally at lunch time.

Teacher Placement Meeting Thursday

All those planning to teach during the 1958-59 school year are required to attend the Teacher Placement Meeting on Thursday, Nov. 21, at 7:30 p.m., in the Lecture Room of the Science Building.

Registration, information on teaching positions, ethics of application and responsibilities of candidates will be discussed. Members of the Division of Education and Psychology will cooperate with the Placement Office staff in the presentations. (Continued on Page 8)

Religious Emphasis Week Set Here

Religious Emphasis Week will be held on campus Nov. 24, 25 and 26.

Members of the planning committee for the affair are Ed Spencer, chairman; John Funk, John McCaddon, Mary Jean Jones, publicity chairman; Jill Lewis, secretary; and Dr. Donald F. Strahan, chairman of the Division of Education and Psychology and Miss Kate Buchanan, associate dean of activities.

The program Sunday, Nov. 24 will include an emphasis of church attendance with a car caravan to churches scheduled. Monday morning, Nov. 25, a film strip of Life magazine's series on great world religions will be from 9 a.m. to 12 noon. Also on Monday will be a panel of faculty members discussing "This I Believe." Faculty taking part are Philip J. Sarboe, director of athletics; Dr. Ralph Roske, assistant professor of history and Dr. Homer P. Balabanis, dean of instruction.

Tuesday, Nov. 26, Dr. Leland Barlow, chairman of the Division of Fine and Applied Arts, will speak on "Hymnology." He will compare hymnals of different religions.

Leadership Conference Held Here on Monday

Representatives from eight Humboldt-Del Norte high schools attended the second annual leadership conference held on campus Monday.

Schools attending were Arcata, Eureka, Fortuna, St. Bernard's, Ferndale, Hoopa, Del Norte and South Fork.

Dale Callihan, ASB president, opened the morning's activities at 10:15 with his welcoming speech to the visiting high school students.

Jim Messenger, the keynote speaker and Stanford ASB president, followed with his speech on the leadership of tomorrow. Messenger is also the Pacific Students' Association President. This includes 14 western states and Hawaii and Mexico.

Messenger's speech outlined the path for the young leaders of today and the methods whereby they could lead intelligently. He spoke of it as path finding.

The first road in the path finding method is that of integrity. Integrity would unfold honesty, ethics and standards. This is in a large sense a sincerity in your work.

Messenger's second point along the path was that of loyalty. Loyalty would include cooperation and a constant working together with a problem until the final outcome.

The force along this path would be enthusiasm. This driving force would mean long range planning into the future, and working toward building a perfect goal.

The last point in Messenger's speech was positivism. Down along this road is where one finds his direction. A definite goal must be established and in the end success will come.

After the keynote speech discussion groups were formed. The first group, "General Problems of Presiding Officers," was led by Callihan and Messenger. The problems discussed were the orientation of new officers to their jobs and methods whereby they could have a better understanding of their responsibilities in office. HAS RUSSIA REALLY SURPASSED AMERICA IN SCIENTIFIC KNOWLEDGE?

"Only time will tell if the Russians have actually surpassed America in scientific knowledge," E. Charles Parke, associate professor of physics, said in an interview this week.

Meanwhile, the attitude Americans should have is the Russians are ahead of the U. S., so let's dig in and catch them, he pointed out.

It is true America has lost a psychological battle. Until "Sputnik" was launched by the USSR, America was considered the world's leader in science, but now there is a great question.

"The real truth is probably between the views that there is nothing to the Russians' claims of vast superiority or that we are so far behind we will never catch up with them," Prof. Parke said.

The long range "technological war" will be won by the nation having the most people trained in the sciences and engineering.

The winning of this war will be in the colleges and universities of America. There are two approaches to winning this war. The long range approach is to train more elementary and secondary teachers and the short range approach is to increase the number of students from high school who are interested in majoring in science.

"Most research is done by people who have a doctor's degree and it takes a minimum of six to eight years to produce a doctor in science. This will mean at least a six to eight year lag while the Russians continue at their present pace."

To add to the seeming dark picture there will be a large increase of students in our high school and colleges and at present the number of science teachers is at low ebb. With this situation facing American students there probably will not be the science training available for all who seek it.

HSC has two important functions in aiding America to win. One is implementing the long range program of teaching more people to teach science in the elementary and secondary schools. The other is implementing the short range program of (Continued on Page Three)

Humboldt Happenings

TODAY, Nov. 15

11 a.m. — Senior Class meeting, Green and Gold Room.
7:30-10 p.m. — Beginning of Scandinavian Folk Dancing, Eureka Jr. High gym.

SATURDAY, Nov. 16

8 p.m. — FOOTBALL, HSC vs. Southern Oregon, Redwood Bowl.
9-1 a.m. — Sadie Hawkins Dance, Eureka Municipal Auditorium.

MONDAY, Nov. 18

7:30 p.m. — Business Club, Green and Gold Room.
8 p.m. — Cambridge University Forensics Team, Admin. Bldg. Aud.

TUESDAY, Nov. 19

11 a.m. — AWS Assembly, Fashion Modeling Demonstration, Admin. Bldg. Aud.
Noon — Open constitution exam for Board of Control, Room 131, Admin. Bldg.
Noon — Circle K, Music Bldg. Lecture Room.
Noon — Intercollegiate Knights, Coop Basement.
4 p.m. — ISC, Radio Hut.
7 p.m. — College Y, Potluck dinner, Dr. Parke's home.
7-9 p.m. — WAA Recreation night, Women's gym.
9 p.m. — Board of Finance, Coop Basement.

WEDNESDAY, Nov. 20

All Day — Visitation day for high school seniors, Art, Home Economics, Industrial Arts and Music majors.
Noon — Spurs, Little Dining Room, Nelson Hall.

THURSDAY, Nov. 21

Last Day Commercial Art Exhibit, HSC Art Gallery.
Noon — Comus Club, Room 110 Admin. Bldg.
7-9 p.m. — HSC Recreation night, Men's and Women's gyms.

Ross Koen Speaks On Conflicting Tendencies In American Foreign Policy

By LINDA DOLF

Americans cannot expect to conduct good foreign policies in other countries if they cannot agree on a fundamental philosophy or approach. This was the essence of Prof. Ross Y. Koen's speech in "Conflicting Tendencies in American Foreign Policies" Tuesday evening in the auditorium of the Wildlife building.

The speech was the second in this year's Faculty Forum series. Prof. Koen's main objective in giving the speech was to inform people of the need to understand the complicated American foreign policies. He did this by a review of certain policies America has pursued in the past, and the way they conflicted with each other.

Prof. Koen said the United States cannot expect to have good foreign policies if it lacks agreement on a fundamental approach. He said three conflicting philosophies cause the major differences in American foreign policy. These three philosophies are: 1. classical American approach, which is based on a neutralist theory; 2. monistic moral based policy which is concerned primarily with one's own country and cultural background; 3. materialistic, pluralistic, power politics approach, in which the main idea is that each nation must pursue its own interests through complete acquisition of greater power.

These three completely different approaches are the reasons there are so many apparent conflicts in the application of American foreign policies, and why for example the United States seems unable to either achieve its aim of stopping communist aggression, or of winning the friendship and cooperation of non-communist countries.

Two To Attend AWS Convention

Representing Humboldt State at this year's annual Intercollegiate Association of Women Students convention will be Ann Ritola Forbes, AWS vice president, and Judy Shaw, AWS secretary.

The convention will be held tomorrow on the Stanford University campus. Meeting there will be representatives from Chico State, University of California, University of California at Davis, San Francisco State, City College of San Francisco, Fresno State, University of Nevada, San Jose State and University of Nevada.

Theme of the convention will be "College Women in the World." Representatives will participate in panel meetings on such problems as freshman orientation, integration of off-campus standards and the role of the AWS on campus.

Minutes of the Student Council

The meeting was called to order by vice president Robert Johnson. Those present were Joyce Hedberg, Jon Mitts, Don Peterson, Jim Ely, Dr. Karshner, Sandi Wahlund, Joe Chappelle, Howard Goodwin, Tony Vasquez, Warren Baker, Dale Callihan and Diane Johnson.

LETTER was received from Henry Vasconcellos, Athletic Director and Head Football coach from the University of Hawaii, expressing his appreciation on behalf of the team for the nice time they had while here.

It was moved, seconded and passed to accept with regret Larry Westlake's resignation as Assemblies Commissioner.

Literature from the World University Service concerning their Leadership Conference and their news bulletin was received. National Students Association — The N.S.A. Conference is to be held from 3 p.m. on Friday, Nov. 29 through 1 p.m. on Sunday, Nov. 31. Any interested Council members may attend but they must notify Don Peterson by next Wednesday.

America - USSR Scientific Battle

(Continued from Page Two) teaching the major programs in the physical sciences.

If the high school senior-science day is a firm indication, the number of students who will enter HSC next fall as science majors will double.

Anyone interested in unlimited job opportunities and service should consider teaching in science in elementary or secondary schools, Prof. Parke said.

OLD BUSINESS
Jazz Concert — Since Van Tonkins could not be contacted in time and the Intercollegiate Knights did not take the Cal Tjader group, the ASB has signed a contract with Cal Tjader for a jazz concert on Monday, Dec. 16. The Humboldt Jazz Society will back us and have guaranteed \$300. Cal Tjader wants \$500 so the ASB need sell only \$300 worth of tickets to break even. It was moved, seconded and passed to have the Council act as a committee for the Jazz Concert on Dec. 16. Ken Stodder has volunteered to give us backing over KHUM. It was suggested that the tickets be made up early. Jim Ely and Dale Callihan will take care of the tickets.

Lumberjack Axe — A note is to be sent to Comus Club thanking them for taking the axe to Chico.

Fly Committee — Howard Goodwin is trying to get the State to put screens on the Coop. If they won't we will have to pay for the screens ourselves.

Student Directory — Conservation Unlimited is working on the directory and hopes to have the stencils cut by next week.

Homecoming — Jon Mitts, Homecoming chairman, gave the Homecoming budget report. The evaluation meeting is to be held at Jon's home at 3 on Sunday afternoon.

NEW BUSINESS
It was moved, seconded and passed to accept Gordon Turner as chairman of Homecoming for 1958.

It was moved, seconded and passed to accept Sid Fauerbach and Dick Fauerbach as co-chairmen of the All Day Picnic.

COMMISSIONERS' REPORT
Activities — The Freshman class is taking over decorating the tree for Christmas.

Publications — A subcommittee of the Publicity Committee met and made recommendations as to their trip south to publicize Humboldt State. They plan to emphasize the minor or little-known courses that are offered by the college.

Jim reported that he has not heard from President Siemens regarding the Senior Day allocation.

DEAN OF STUDENTS REPORT
Dr. Karshner reported that he has been contacted by Mr. Barnes

Toyon Publication Set For March

Dr. Ralph Samuelson, faculty adviser for the ASB creative writing magazine, Toyon, has announced that it will be published in March.

Last Tuesday evening the Board of Finance heard Dr. Samuelson outline plans for the forthcoming edition and agreed to subsidize the magazine contingent on the fact that all profits from sales will be turned over to the ASB.

The HSC Business Club is planning to manage all sales and publicity in conjunction with the Toyon staff.

Todd Collins has been named editor for this year's edition. Collins was also editor last year.

This is the third year of Toyon's existence, and this year's edition promises to be very different from the two preceding issues, said the staff. With ASB financing this year's edition will be of much higher quality in both the paper and type of printing that is to be used for the magazine.

PUBLISHES ARTICLE

The weekly Christian Century magazine, one of the leading denominational journals of religion, has published an article titled "Perilous Politics" by Dr. Archie Jones, assistant professor of history and philosophy at Humboldt State College.

CONSTITUTION TEST

A constitution test to fill a vacancy on the Board of Control will be given Tuesday noon in Dr. John W. Baker's office, room 131B in the Administration building. Copies of the constitution are also available in Dr. Baker's office for those wishing to study it before taking the test.

Interested In A Limerick Contest?

Boys and girls, were YOU born with a silver tipped pencil in your mouth? Are you harboring the secret theory that you could be the bard of the brainfart at the flip of a lid? Here's your chance, children. Step right up — the line forms on the left, and don't you be - left, that is.

Here's your chance to let yourself go and be paid for it. In fact you can win yourself a radio. It's the campus limerick contest sponsored by Radio Station KENL in Arcata. You can get full details by listening to the HSC hour Sunday (Nov. 17) from 2-4 p.m.

So grab a pencil, start the wheels turning, and go after that radio. There's nothing to buy, beg or borrow, and besides, it's fun!

PUBLISHES ARTICLE

The weekly Christian Century magazine, one of the leading denominational journals of religion, has published an article titled "Perilous Politics" by Dr. Archie Jones, assistant professor of history and philosophy at Humboldt State College.

Jazz Concert Set

A Cal Tjader jazz concert will be presented here on campus Dec. 16.

The student council is to handle the details of the concert. Ken Stodder and the Humboldt Jazz Society have promised monetary and publicity backing.

Admission to the Jazz concert will be \$1 with a student body card and \$1.50 without a student body card. This also applies to high school students.

The ASB sponsored a highly successful concert last semester which featured Pete Jolly, Donna Fuller, Jack Montrose, and Sonny Criss.

Moore's Orchestra For Sno Ball

Jerry Moore's orchestra will furnish dance music for the eighth annual Sno Ball Dec. 7, according to committee chairmen. The five-piece orchestra will play from 9 p.m. to 1 a.m.

The entire Humboldt State faculty will be guests of the Associated Student Body. The line will have Cornelius H. Siemens, president; Dale Callihan, ASB president; class presidents and Sno Ball chairmen.

Speech Contest Today At 3 p. m.

An interpretive reading contest will be held today at 3 p.m. in the Science building auditorium. First prize is \$10 and second is \$5.

The purpose of the contest is to select two students to represent HSC at the Northern California Regional finals to be held on Feb. 1 in San Francisco. The readings are to be a maximum of 12 minutes and a minimum of seven minutes in length. They will be judged mainly on the speaker's understanding of the material and his communication with the audience.

The contest is sponsored by the Speech Arts Association of California. The director at Humboldt is Mrs. Evelyn McCurdy, assistant professor of speech.

DEANS TO L. A. CONFERENCE
Dr. Don Karshner, dean of students and Dr. Homer P. Balabanis, dean of instruction, left Humboldt State college Wednesday to attend the California State College Deans of Students and Deans of Instruction meeting in Los Angeles yesterday and today. The meeting was called by the State Department of Education and representatives from ten state colleges are attending.

Mu Epsilon Psi Music Organization Has Recently Been Reactivated

Charles Fulkerson, faculty adviser for Mu Epsilon Psi, has announced that the music society has recently been re-activated for the 1957-58 school year and will hold its initiation of new members Monday, Nov. 25, at 7:30 p. m. in the Music Building. Following the initiation, a banquet will be in a local restaurant.

Membership to this very active organization is open to all students and faculty, who are members of the HSC Student Body, and it can be attained by simply paying dues of 50 cents a semester. No initiation fee is required. Invitations for membership in Mu Ep will be or have been distributed in the boxes late this week, so old members and prospective new members are urged to either sign and return the invitation to student box 169, or sign the sign-up sheet that will be placed on the bulletin board in the music building as soon as possible.

Mu Epsilon Psi has long been an active participant in Humboldt State College activities and is responsible for many of the recitals given here by famous performers.

TRIP TO L. A.
A trip to the National Music Educators Conference in Los Angeles will highlight this year's events. It will be made possible by funds raised from sponsoring a dance and other activities.

Regular election of officers will be held in the near future. In the meantime the following people will serve temporarily: Jerry Davies, acting president; Ted Hamilton, acting vice president and committee coordinator; Joan Bullock, secretary and publicity director; Bernice Scheppler, treasurer and Judy Packard, decoration committee. Keith Anderson is coordinator for the Los Angeles trip.

MUSIC AT 3

Next week the "Music at 3" recital will be at 3 p. m. Tuesday, Nov. 19, in the Music Building. Dr. Leon Wagner, next week's "Music at 3" faculty co-ordinator, announces Tuesday's program as follows:
Rondo in C.....Beethoven
Barbara Souigny, pianist
"Tell Me, Fair Ladies" from Marriage of Figaro.....Mozart
"Where the Bee Sucks" Dr. Arne
Jeanette Dick, soprano
Divertimento in B flat (for winds).....Haydn
Carolyn Downing, flute
Margaret Peterson, oboe
Keith Anderson, clarinet
Bob Swede, French horn
Iris Osborne, bassoon
Another special selection will be announced.

These informal recitals are given weekly by HSC students, and are held at a different hour each time to enable all who are music lovers to listen to live music of a professional caliber at least once a month, without conflicting with other academic "endeavors".

Registrar Attending SF Conference

Mrs. Mary Ann Smith, Humboldt State college registrar, is attending the annual three day Pacific Coast Association of Collegiate Registrars and Admission Officers which began Monday in San Francisco at the Hotel St. Francis.

Business sessions were held Tuesday on the University of San Francisco campus with a luncheon program jointly hosted by the Rev. John F. Connolly, University president and William J. Dillon, USF registrar.

Speakers at the conference included Dr. Philip H. Rhinlander, dean of Stanford University's school of humanities; Dr. Thomas R. McConnell, department of education at University of California; Lee Roy Armstrong, director of admissions at the University of North Carolina and president of the American Association of Collegiate Registrars and Admission Officers; and Dr. John E. Arnold, professor at the Stanford Graduate School of Business.

Sheridan's Comedy, 'Rivals,' Is Next HSC Production

Next month will see, on the stage of Humboldt State College, one of the most widely discussed plays in the English repertoire, Richard Sheridan's glittering comedy, "The Rivals." This major production of the Humboldt College Players will be presented on two weekends, Dec. 5, 6 and 7, and 13 and 14 in the main auditorium, under the direction of Dr. W. L. Turner.

"The Rivals," since its first meeting with success when Sheridan presented it at Covent Garden in 1775, has remained to this day one of the most popular and delightful of English comedies. The play, created with a remarkable mastery of stagecraft, attacks weak sentimentalism and the comedy of manners. In so doing, he allows us to laugh at our own weakness and foibles, and in such a way as to not cause us to lose face.

Sheridan turned conventional practices into a brilliantly satirical comedy which has as much entertainment today as when it was written, human nature being what it was and is now, and doubt will continue to be for some time to come.

Members of the cast are Sir Anthony Absolute, Herbert McLellan; Captain Jack Absolute, Wallace Sinclair; Faulkland, Jerry Flora; Bob Acres, Bill Livingston; Sir Lucius O'Trigger, Earl H. Lewis; Fag, Sandy Wilbur; David, Louis Francisco; Boy, Roger Peithman; Thomas, David Maxon; Servant, Truman Worlick; Mrs. Maloprop, Patricia Hammond; Lydia Languish, Margaret Douglas; Julia, Jean Huckfeldt; Lucy, Claudine West; and Maid, Judith Pospychala.

Tickets for "The Rivals," at one dollar for adults and 50 cents for students, may be obtained by writing the college drama department, or by telephoning VAndyke 2-1771, extension 74. All seats for all performances are reserved.

3rd Dads Day Deemed Success By 150 Fathers

The third annual Dad's Day was deemed a success by approximately 150 Dads and students who attended the banquet in Nelson Hall cafeteria, toured the campus and later saw the Lumberjacks trounce the University of Nevada Wolfpack 26-7 last Saturday.

Sheriff Albert A. Nickols, "Father of the Year" expressed regret that his son, William, a freshman industrial arts major, was unable to attend because he was playing with the Junior Jacks football team at Klamath Falls. Nickols talked about the benefits of college education.

Dr. Cornelius H. Siemens, college president, welcomed the Dads and briefly outlined the campus additions and future improvement.

Dale Callihan, Associated Student Body president, explained the student body set-up and introduced cabinet members from the floor.

Dr. Don W. Karshner, dean of students, talked about the various funds designed to aid the HSC student in financial matters.

Capping the activities was the Dad's Day dance sponsored by the Intercollegiate Knights.

Sandi Wahlund Fraternity Queen

Sandi Wahlund, senior primary education major, has been chosen queen and sweetheart of the Delta Sigma Phi fraternity for the 1957-58 school year.

Miss Wahlund has taken part in many school activities. In 1955 she served as ICS secretary. In 1956 she was chairman of a highly successful Sno-Ball. Last semester she was representative-at-large and this semester she is Rally Commissioner.

Four girls were nominated for the crown of Miss Delta Sigma Phi for 1957-58. The other girls were Melinda Roberts, Linda Sarboe and Anne Metcalf. Miss Wahlund won the title on the fourth ballot. After three tie votes the choice was narrowed down to two and the deciding ballots were cast.

Miss Wahlund will reign over all Delta Sigma Phi social events.

Mary Anne Reagan Elected To Home Ec Office

Mary Anne Reagan, a home economics major at Humboldt State, was recently elected vice president of the Northern California and Nevada Division of Home Ec Clubs. This Division is called Province 15 and includes college Home Ec clubs from the Oregon border to Yosemite.

Miss Reagan and two other girls from HSC will travel to Santa Rosa next Friday and Saturday to participate in a planning session and start making arrangements for the 1958 Conference of Province 15. This conference is to be held at Santa Rosa with the HSC club as co-hostess. Humboldt State is too far away from other colleges in the Province for it to be held here.

The Home Ec Club held a potluck dinner last Monday evening in the food room of the new Home Ec Building. The primary purpose of this meeting was to initiate new members. The girls also spent some time planning for coming events.

By JIM ADAMS
Pheasant season opens this Saturday, with shooting hours from 8 a. m. to 4:30 p. m. The bag limit is two birds, and you are allowed either ten male birds or nine males and one female for the season. Be sure to have your pheasant tags.

For you nimrod who can't afford or don't care to make a trip to the Central Valley for your birds, there is pheasant hunting in Humboldt County. Through the efforts of Capt. Walt Grey and his staff of wardens in the California Fish and Game Department, various landowners have opened 640 acres of public shooting area in the Loleta bottoms. This acreage, located north of the Eel River, will be clearly posted. Dr. Genelly of the College Wildlife Department states that approximately 85 birds from the school rearing pens will be released in the area Friday. In addition, there is a possibility that the Fish and Game will acquire other birds from the Valley for release in the same area. This is a "first" for this county, and may well point the way to better upland game shooting for the unattached hunter in this region. However, if the rains don't let up, you might need a scull boat to reach the birds.

QUAIL
Quail season opened this month with a bag limit of 8 birds. Quail hunters are an odd breed, and probably expend more shells per pound of bird bagged than any other hunters. Admittedly, the birds are attractive and tasty, but the shells invariably outweigh the birds. The tempo is increasing for the duck hunters, as the winter storm cycle brings down more birds. Rumor has it that the bottom lands around Humboldt Bay are subsiding with the weight of the yearly accumulation of empty shotgun shells. A walk along the dikes looks like a visit to the local skeet range.

For you hunters with a more exotic yen, you might try European Wild Boar in Monterey County if you're not satisfied with bear, tree squirrels, and mountain lions. Incidentally, if you hunt bear, you'll need a bear tag, obtainable from any sport shop.

The angling outlook is about as dismal as the Humboldt sky. Aside from the unseasonable rains of the last month, the King salmon runs to the local rivers seem to reflect the general scarcity of Kings in the ocean this year. Possibly the same factors that caused the appearance of such southern fishes as Bluefin Tuna and White Sea Bass off the Humboldt Coast this year were responsible for the scarcity of Kings. Several large Bluefin Tuna were actually brought into Eureka this summer. On the other hand, ocean Silver Salmon populations were high, although the fish have not entered the streams in quantity so far. Winter Steelhead should be in the streams by Thanksgiving.

Both Malm and Murray's and Luther Hunt's Sport Shops are sponsoring steelhead contests this year, with monthly prizes for the largest fish. Sign up - they're free. Fishermen on the Mad River have been plagued by muddy water caused by gravel operators upstream. There has been talk of passing a county ordinance to prohibit this during fishing season. Humboldt County is one of the few counties which does not have such a law on its books. Its frustrating to find the stream muddied by graveling when it would otherwise be clear.

Four Humboldters Are Burned Out

Before a fire alarm could be sounded, fire Friday afternoon had devoured most of the Crawford Apartments in which four Humboldt State men had been living.

Clarence Swiestra, Keith Miller, Lyle Brown and Lloyd Clark lost all personal effects including a typewriter, radio, clothing, books and notes.

The Arcata volunteer fire department threw everything they had at the blazing two-story structure and managed to save at least two rear units after a two-hour struggle. The building was located at 15th and H streets. Several men gulped too much smoke and had to retreat from action. Harman Bonnicksen suffered an injured knee. He was taken to Trinity Hospital for examination and was released later.

The structure was partially covered by insurance. C. L. Starkey, the owner, stated. The four students have all found a place to live since the fire, it was reported.

passing a county ordinance to prohibit this during fishing season. Humboldt County is one of the few counties which does not have such a law on its books. Its frustrating to find the stream muddied by graveling when it would otherwise be clear.

New Extension Course Offered

An extension course in techniques and methods of administering Snellen and Plus Sphero eye screening tests is being offered by HSC on Monday, evenings from 7-9:30 p.m. in Room 110 of the new Men's Gym.

Dr. Ivan C. Milhous, dean of extended services, said that a few more students may be accommodated in the class, which began Monday evening and will run for six sessions, ending Dec. 16.

The course is open for college credit to students with upper division standing and may be applied toward a minor in Health Education. A tuition fee of \$8.50 payable upon registration, will admit students to the course, which meets qualification standards for certification of eligibility to administer eye and sight tests by teachers.

Dr. Joseph Forbes, professor of health and physical education is the class instructor.

Red Raiders Invade Tomorrow

SOC Defeats Seattle Ramblers

Southern Oregon's Red Raiders spotted the Seattle Ramblers two touchdowns and then came back to hand the semi pro outfit their first loss of the year by a 24-21 score last week in Ashland.

Seattle got two quick tallies in the first seven minutes. Quarterback Tom Hulett hit Len Randall with a seven yard flip for the first one and Hulett carried over the second one himself from one yard out after a SOC fumble.

Halfback Lee McGill countered with two long runs for the Red Raiders, scoring six pointers on gallops of 42 and 50 yards. Before the half fullback Ron Maurer added the third SOC on a 12 yard run.

JACKS TO BATTLE CHAMPIONS OF ORE. CONFERENCE AT 8 P.M.

Back on the victory trail once more, the Humboldt State College Lumberjacks will be striving to stay there tomorrow night when they host the powerful Southern Oregon College Red Raiders in a rivalry-spiced non-conference meeting slated to start at 8 p.m. in Redwood Bowl.

An exciting game appears in the offing, as the two clubs are pretty well matched despite the comparative records. The Red Raiders are the newly-crowned champions of the Oregon Collegiate Conference and are currently enjoying one of their best seasons in history.

Only last week Southern Oregon smacked the Seattle Ramblers 24-21 to hand the semi pro team from Washington their first defeat of the season. The Ramblers, it will be remembered, defeated HSC 12-0 in the Lumberjacks' opening game.

Humboldt came through last week's fracas with the University of Nevada in pretty fair shape physically. Only Dave Thomas, who starred in the contest, is on the doubtful list. Thomas has several bruises and was working out earlier in the week with no pads. However, it was hoped that the senior ballhawker will be ready to go.

Humboldt still has three games to go. Next Friday the Jacks will host Hamilton Field, with Junior

Varsity and varsity reserves expected to see most of the action, and Saturday HSC will play a make-up game with the Sacramento State Hornets. The Jacks will close out their season Thanksgiving Day in Redwood Bowl when they meet Lewis and Clark.

The brother combo of Ron and Larry Maurer supplies much of the punch of the Red Raiders' running game. Both are listed as fullbacks although Larry, the younger of the two, sometimes used as a halfback to make full use of the duo.

Freshman halfback Lee McGill has been coming along well for the Raiders and is another top threat. Last week he broke loose on two long touchdown romps against Seattle.

Lance Lock, a sophomore with one year of experience, is the team quarterback and has developed into a top rate signal caller.

Along the line end Chuck Crandall and guard Chuck Romine are the standouts. Crandall is in his fourth year for SOC and is a good receiver that also can hold up more than his share on defense. Norm Olive, a second year man, is likely to be the other end.

At the tackles Herby Colley, a 207 pound three-year letterman, and Troy Bellah, 212 transfer, are the big guns. Romine is rated the top guard in his conference, being an all-league selection the past two seasons and a sure bet to repeat this year. The other guard will be Modesto Jimenez, a 5 foot 7 inch, 221 pound stand-

SPORTS

Basketball Coach Givins Expresses Optimism About Forthcoming Season

A general feeling of optimism has been expressed by basketball coach Franny Givins, as his 1957-58 Lumberjack crew ends its fourth week of practice. Blessed by many of last year's lettermen, plus Larry Taylor from the FWC championship squad of two years ago and Jerry Hathaway, scoring ace of last season's Junior Jack squad, Givins has expressed plenty of praise of his rapidly developing team.

Monday Givins broke the squad up into varsity and Junior Jack squads. Many local high school stars of recent years plus several others, should give coach Hank Cupper a good goop to work with.

The varsity squad will consist of 15 men, including one freshman, George Millonis. There will be only one football player on the team, Warren Baker, last year's scoring and rebounding leader.

Givins pointed out that the team is coming along extremely well as a squad and that several players have looked very good.

Several players, however, have been handicapped by injuries or sickness. Jack Evans has been hampered by a leg injury and out. Tom Findlay will be the center.

Coach Phil Sarboe indicated that he was pleased with his team's showing in the Nevada game. He added that the line is looking well, and two approx-

has not been able to practice regularly. Tom Schubert has been slowed down considerably by a back injury and Taylor has been suffering from several bruised ribs.

Other than these injuries which should be mended soon, the squad is in good shape. Taylor has looked very good, along with Bob Lawson, who Givins thinks is a match for anyone in the FWC.

Hathaway, who paced the JV's last year with nearly a 50 point average, is looking like his usual self. Guards Billy Caver and Eddie Thomas were also singled out for good appearance, as was Ben Garrison.

LUMBERJACKS RALLY TO TOP NEVADA

SOMETHING

By TOM FAY

Through rain or sleet or snow, (only rain in this case) the Lumberjacks will carry the football over the goal line, and carry it they did last Saturday night... three times in the fourth quarter to beat the University of Nevada.

After Humboldt scored in the first quarter, but missed the extra point, Nevada came back to tally and converted to lead 7-6 at the half. In the second half it was "stop Fujii". Nevada's sharp passing quarterback, and stop him they did... he lost a net of two yards in the second half.

Guard Jim Ennis starred defensively as he recovered three Nevada fumbles, and Marion Mayes was the offensive sparkplug as he picked up 121 yards in nine carries.

The JV squad ran into a pretty rough bunch of "Owls" from Oregon Tech last weekend, and came out on the short end of a 50-13 score. The powerful O. T. I. team scored four times in the first quarter and didn't stop there, but kept on with the scoring attack. HSC scored in the second and third quarter.

With only three home football games left, the big sport coming up is basketball, and Coach Franny Givins' squad is really working to get in shape for the first game on Dec. 6. This year's cage squad looks pretty fine. With nine lettermen back and several others who are experienced ball players, they should be able to better last year's FWC standing of 5-5.

Inexperience was a big draw-

back last year, but now most of the team members have played together, and should be a smooth working unit. This seems to be proven by the fact that the combination of Warren Baker, Grant Erhart, Jack Evans, Bob Lawson and Don Robinson won the last four league games of last season and all are back. Defensively, the Jacks were the best in the league last year, limiting FWC opponents to 52.1 points per game.

The Lumberjacks are going to be in for some tough sledding tomorrow night. They meet the Southern Oregon Red Raiders, who took first place in the Oregon Collegiate Conference. In their last outing the Raiders defeated the Seattle Ramblers 26-21. The Ramblers beat HSC in the first game of the season, 12-0. The reason for tough sledding... the Raiders? No... the Jacks will come through... just NO SNOW!

OTI Owls Blast Junior Jacks

The Junior Jacks lost their third game of the season last Saturday in the high flying Oregon Tech Owl by the score of 50-13 at Klamath Falls.

Oregon Tech appeared to be out of the JV's class and showed it by taking complete command from the opening kickoff. Humboldt did its scoring in the second and third periods of play.

The first score came when Ron Reynolds completed a 15 yard pass to halfback Ray Fleming. Jim Ziegenhein kicked the extra point. Humboldt got its other touchdowns on a one yard plunge by Reynolds after the Jacks had driven 71 yards.

THREE FOURTH QUARTER SCORES CARRY HUMBOLDT TO CAPTURE SECOND WIN

By DON NIELSEN
Lumberjack Sports Writer

Humboldt's Lumberjacks won their second game of the season last Saturday with a terrific fourth quarter effort, coming through in their final ten minutes to take a 20-7 win over the University of Nevada Wolfpack at Redwood Bowl before a Dad's Day crowd of 1800.

The Jacks spotted the Nevadans a 7-6 lead at intermission and came back strong in the second half. Humboldt's defense, which looked something like Swiss cheese the first half, was the difference as Kenny Fujii, ranked as one of the top passers in the land, was limited to two completions in the two final periods for a minus two yards. Fujii completed 11 of 16 in the first half for 104 yards.

Marion Mayes came out with sparkling runs of 19, 18, 54, 15 and 16 yards all in the second half, to lead the Jack ball carriers. Mayes ended the game with a total net of 121 yards in nine carries for an average of 12.9 yards per carry.

Jim Ennis played one of his best games of the season, recovering three Nevada fumbles in the first half, setting up the Jack score and halting two other Wolfpack drives.

FIRST QUARTER SCORE

The first Lumberjack score came with four minutes left in the opening period after Ennil had recovered a fumble on the Nevada 23. On fourth down Warren Baker hit Mayes with a screen pass and Mayes was stopped on the one foot line. On the next play Nevada's captain Ralph Mayo played over left guard for the TD. Chuck McAninch's kick for the conversion was low.

Ten minutes into the second period Nevada scored their only touchdown. A bad pass from Nevada on an attempted punt gave Humboldt the ball on the Jack 17. Six plays later Fujii hit fullback Red Cook with an aerial on the one and Cook scampered into the end zone.

The third period was scoreless, although Humboldt showed a definite improvement in their pass defense and stopped the Wolves offense effectively.

JACKS BOMB

Humboldt scored their go-ahead touchdown with 9 minutes, 32 seconds remaining in the game. The Jacks started from their own 33 after Mayo had returned a punt from the three. Three running plays brought them to the Wolves 20. Baker then hit end Dave Thomas on the west sidelines for a first down on the eight. After three plays had failed to gain anything, McAninch faked a field goal attempt from the 25 and Baker threw to Thomas alone in the end zone. This time McAninch kicked the extra point.

With less than four minutes remaining, the Jacks scored again. This time it was McAninch who scored from the eight after a Nevada punt had given them the ball on the HSC 46. The 56 yard drive took seven plays with Barstom and McAninch taking turns eating up the yardage.

McAninch again booted true and Humboldt lead 20-7.

With 25 seconds left in the game, Pete Dye came in the ball game for one play and made it a good one, as he threw to half back Joe Beason alone in the end zone for the final score.

Red Raider Tilt

(Continued from Page Six)

ately equal unit will be alternating.

One unit is made up of Thomas and Carl Carlman at ends, Dick Cahill and Bill Hicks at tackles, Pete Carpio and Roy Endercraig at guards and Zeke Vandevanter at center.

The other seven finds Bernard Mouton and Jim Colwell at ends, Jerry Bartlett and Dave Patterson at tackles, Gordon Moore and Jim Ennis at guards and Dick Dossy at center. Of course the two units are not definitely set and competition is raging all along the line for first unit spots.

The same backfield will start for the Jacks. That means Warren Baker will be at quarterback, Earl Barstom and Marion Mayes at halfbacks and Chuck McAninch at fullback.

Wildcats Blast Aggies, To Meet Gators For Title

DAVIS — The Chico State Wildcats set the stage for their showdown battle with the San Francisco State Golden Gators last weekend by upending the Cal Aggie Mustangs 20-6 to rack up their fourth straight FWC triumph.

After a scoreless first period, Chico State tallied with two minutes left in the second quarter. Carl Bloss passed to Manuel Trango from the Aggie 17 into the end zone. Bloss converted.

In the third period the Wildcats took over on their own 30 and in five plays scored again — with Bloss passing from the 11 to Jim Eaglin. Bloss again converted.

The Chico squad added one more in the third on a one yard plunge by Bloss and topped off the scoring with seven more points in the final period.

Chico State will meet San Francisco this week in a game that will decide the conference champions. Both teams are 4-0 in league play.

Golden Gators Scuttle Hornets

The San Francisco Golden Gators breezed to a 41-6 triumph over the Sacramento State Hornets to gain their fourth straight league win without defeat.

The Gators will face the Wildcats of Chico State in a showdown meeting that will determine the FWC champ.

San Francisco scored early and often in subduing the outmanned Sacramento eleven, who now own a 1-3 record for league play.

Humboldt State's Symphony is shown in a rehearsal as they practice for their Nov. 21 performance. Dr. Charles Fulkerson, associate professor of music, is director.

HSC Symphony To Perform Thurs.

Humboldt State's Symphony makes its first appearance of the season next Thursday at 8 p.m. in the St. Bernard's auditorium in Eureka.

Charles Fulkerson, associate professor of music at Humboldt State College, is back as director of the Symphony. Last year he was away in Europe on sabbatical leave.

- The program is as follows:
- I Præliudum for Strings _____ Bach
 - II Dvorak's Fourth Symphony _____ Dvorak
 - Intermission
 - III The Overland Overture _____ Strang
 - IV Holberg Suite for Strings _____ Grieg
 - V Peer Gynt Suite _____ Grieg

Placement

(continued from page 1)

The Placement Office is anxious to assist both candidates and administrators in every way possible, and this meeting is the best opportunity for the student to learn what help is available. For example, last year 3322 specific teaching vacancies were listed with the Placement Office, and many school districts throughout the state sent representatives to interview on our campus.

Dr. Ralph Swetman

(Continued From Page 1)

from Hamilton College, N. Y. After receiving his degree he was supervising principal of elementary and junior high schools in New York state for eight years. He entered Teachers College of Columbia University in New York City and in 1917 received his master of arts degree. He received the doctor of philosophy degree at Stanford University in 1927. At Columbia and Stanford he majored in school administration and psychology.

Before coming to HSC he was director of teacher training and extension services at Ellensburg (Wash.) State Teachers College, now Central Washington College of Education. He taught as a teaching fellow at Stanford and in the summer courses at Stanford, UCLA and University of Hawaii.

Of commanding appearance,

he stood 6 feet 3 inches tall and weighed 220 pounds, and known for his cordial manner. The Humboldt Times commented that his resignation from the presidency of HSC was "a distinct loss to the northern California institution and the people of Humboldt County."

"The reflex from the announcement," The Times commented, "was a distinct jolt. There is heard no demuror to the oft expressed opinion here today that the district can ill afford to lose so forward looking and estimated a citizen. He has been foremost in stirring civic pride and in the can of all progressive movements in the city. The city he will soon adopt as residence is indeed to be congratulated. Arcata shall sorely miss his splendid vision and influence."

Dr. Swetman also served a term as president of the Arcata Rotary Club.

Leadership

(continued from page 1)

activities group in a discussion entitled "Awards." Methods of enhancing school spirit and participation were discussed as well as the awards systems in practice today.

Sandi Wahlund led another part of the activities group. Her panel undertook to discuss the problems of rallies and other school spirit raising activities.

Diane Johnson led the group entitled "Problems of the Secretary." The group discussed the form and general rules, which should be followed when taking the minutes of a meeting. The use of a file and the resources at the disposal of the secretary were also taken into consideration. Ruth Summich helped Miss Johnson with her group.

FINANCE DISCUSSED

Jim Ely aided by Carl Walters led the group entitled "Financial Operations." Various money making projects were discussed as were the various ways in which funds are handled. Taken into consideration were concessions, student stores and other such money making projects.

The fifth and last group was entitled "Functions of the Student Council." Roberta Johnson headed this group. She was helped by Jon Mitta and Don Peter.

In this group an imaginary motion was set up and it was sent all through the processes that a motion might go through. This included amendments, additions, points of order and other possibilities. The importance of an agenda was also stressed in this discussion group as was the publication of the minutes.

That in general covers the five discussion groups. The high school students were entertained at lunch time by the Dutchess. The group featured Frank Metcalf on tenor sax and James Washington in the vocal spotlight.

A booklet is to be published by the ASB containing all the conclusions reached in the various discussion groups. After the booklet is published 25 shall be sent to each school that participated in the leadership conference.

An interesting sidelight to Jim Messenger's stay in Humboldt county was the dinner and swim

ming party which he was treated to Sunday evening after his arrival at the McKinleyville airport. Dinner and swimming were procured in Eureka. The swimming was in a private pool.

Messenger flew back to Stanford via San Francisco Monday evening after the culmination of the leadership conference.

Sticklers!

WHAT'S THE RESULT OF A GLEE CLUB REHEARSAL WITHOUT A LUCKY BREAK?
(100 PARAGRAPHS AT MOST)

MUSIC MAJORS! Know how to change a glee club from a loud crowd to a lyrical miracle? Simple: just promise 'em a Lucky break! A Lucky's a light smoke—the right smoke—for anyone. It's all cigarette—all fine tobacco! And that naturally light, wonderfully good-tasting tobacco is toasted to taste even better. Hold your rehearsal without a Lucky break, and you'll get nothing but *Choir Ire!* Chorus: Light up a light smoke . . . a Lucky Strike!

WHAT IS IT D D T F?

Don't just stand there...
STICKLE! MAKE \$25

Sticklers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (No drawings, please!) We'll shell out \$25 for all we use—and for hundreds that never see print. We send stacks of 'em with your name, address, college and claim to: Happy-Joe Lucky, Box 67A, Mount Vernon, N. Y.
