I was enjoying a typical Saturday afternoon at home the other day. I was sitting on the couch with my feet up, my belly button and getting my Moet on. I suddenly noticed a strange noise coming from outside. I went to the door and opened it, and to my surprise, I saw a giant parrot perched on the branch outside. I realized that it was a new type of parrot, and I decided to make use of it to test its potential as a pet. The parrot was very friendly and seemed to enjoy being fed, so I decided to keep it as a pet. A U.S. Marine Corps Officer was on the phone, and he asked me if I could deliver a message to him for a couple of weeks. I agreed, and I was able to deliver the message on time. Major Charles R. Stephenson III and Captain W. G. Cowherd were also present at the meeting, and they both seemed interested in the new type of parrot. Rep.-At-Large Elections Are Set

Elections for four representatives-at-large will be held Jan. 15. Petitions from the candidates must be turned in by Jan. 8.

The representatives-at-large will undertake the job of representing the general student body in the student council. They are elected in the fall semester and hold office for one year. The representatives-at-large take office at the start of the spring semester. Any regularly enrolled student with an activity card and a "C" average is eligible to run. Two men and two women are to be elected.

The present representatives-at-large are Joyce Hedburg, Jon Mills and Pat Duffy. Joe Chappelle, activities commissioner, has been named chairman of the polling place and counting of the ballots.

The first Marine Corps recruiting station was in Ten Tavens in Philadelphia, Pa.

BASKETBALLERS LAUNCH SEASON AGAINST SOC.

Humboldt's 1957-58 basketball team will face one of the toughest schedules in the school's history, with a 22-game schedule plus the Far Western Conference Tournament. Included in the schedule are such powerful clubs as the Pacific Lutheran College, which placed third in the NAIA national playoffs last season; Central Washington and Whitworth, who finished second and third to Pacific Lutheran in the Evergreen Conference; and the San Francisco Presidio, which finished fourth in the NAIA playoffs.

Defenders Loaded.

Tonight the Junior Jacks, bolstered by the addition of a potential Highland Jamboree teammate, will take on Hamilton. The Violets, with an inexperienced starting line-up, will be vulnerable to Humboldt's experienced starting unit.

Thanksgiving Day Contest Against L&C Ends Season

Humboldt State's Lumberjacks will wind up a grueling football schedule in the annual Thanksgiving Day game with the Spartans. The contest will not only serve as a finale to the regular season, but also as a preview of the upcoming Far Western Conference contest that will start in January.

The Pioneers are a young team, made up largely of freshmen and sophomores, and boasting several strong returning performers. Humboldt will face one of the toughest teams in the school's history.

HUMBOLDT EXPLODES FOR 33 POINTS IN FIRST HALF IN ROMPING TO 39-14
TRiumph For Third Win Of Year

Humboldt captured its second straight and third win of the 1967 Far Western Conference season last night by throttling the Southern Oregon Red Raiders 39-14. The Jacks scored 33 points in the first half alone to move in command of the entire game, with the outcome playing right out of the second half.

The Lumberjacks played for their best game of the season and Tom Zunino, quarterback on offense, departed to the local fans of what they really could do. Humboldt's楼房 off fast when, only with three minutes gone, halfback Chuck McAninch on a punt return and cut his way through the entire Red Raider team for 73 yards and the first Jack touchdown.

Humboldt lead 16-0 after Jim Crowell had recovered the fumble before, picked up two more to set up the next score. Easy first recovery gave Humboldt the ball on the Raider 28. McAninch moved again, this time on a 10 yard jaunt up the middle.

The fourth score was set up and a pass from Wolfner, who practically made a one man show out of it. Foster intercepted a S.O. pass on the H.S.C. 22 and returned it 64 yards to the 14.

On the second play Foster circled left end for 14 yards and the TD. Then he kicked the extra point.

Southern Oregon came back quickly for their first score when halfback Delmar Bracum scampered for 34 yards to paydirt on the third play after the kickoff.

After missing kick off, Humboldt marched downfield once again, this time scoring on Jim Zigenbein's 42 yard aerial to End Dave Thomas.

The last score of the first half came when the Raiders got the ball on the H.S.C. 22 where a short Jack punt had gone out of bounds.

It took four plays to get the touchdown, with quarterback Bob Kays at center. Mike Sylvestre, Darol Mortenson, Darol Foster and Jerry Bade at end.

The final score of the game was set up by Darol Foster, who practically made a one man show out of it. Foster intercepted a S.O. pass on the H.S.C. 22 and returned it 64 yards to the 14.

On the second play Foster circled left end for 14 yards and the TD. Then he kicked the extra point.

Humboldt scored three more in the fourth quarter. The last one was the final go-ahead score, an 82 yard 11 play drive and the TP. Then to top it off, McAninch scored again, this time on a 16 yard jaunt up the middle.

Senior guard Jim Ennis who had recovered the fumble before, picked up two more to set up the next score. Easy first recovery gave Humboldt the ball on the Raider 28. McAninch moved again, this time on a 10 yard jaunt up the middle.

**TB Christmas Seal Has Fascinating History; Reads Like "Wizard Of Oz"**

The fascinating history behind the Christmas seals seems to make an appearance in all student mail boxes on campus reads like something out of the "Wizard Of Oz".

Did you know that the crusade to stamp out TB was begun only 10 years ago by a man who thought he had only a few days to live? Or that even the scientific advances in combating the disease have been made in only 50 years since then? In 1904, tuberculosis was known as the "White Plague" from which there was no known cure. So that when a young graduate of medical school named Edward Trudeau learned he had contracted the dreaded malady, he retired to the Adirondack Mountains of New York, to wait to die.

Instead the quiet rest and fresh air restored his health, and he lived to pioneer the "Rest Cure" that is still the most effective treatment today. In 1904, the man who had gone to die remained to live became the first president of the National TB Association and launched the first organized effort to promote a nationwide fight.

**LETTER RECEIVED FROM CHICO STATE**

A letter commending Humboldt State students for the "fine spirit" they displayed at the HSC-Chico football game in Chico last week has been received here from Bruce B. Baker, Chico student body president.

"On behalf of the students of Chico State College I congratulate Humboldt State College for the fine spirit they displayed at the game held on our field last week. There has been much discussion about the spirit your song leaders possess. I was quite pleased that there were no arguments over the Humboldt Chico Lumberjacks' victory axe and I feel that your song leaders were a necessary help in keeping your tooters in good just as did ours."

"Thank you for the axe and we shall look forward to meeting you next year when once again the two teams will meet on the gridiron to vie for the axe. We shall also look forward to the same type of goodmanship that was displayed this year."

**HUMBOLDT**

The Christmas seal used so widely today was borrowed from Denmark, where the idea was conceived by a Danish postal official. The first step in promoting the sale of these seals in the U.S. was that of making public aware of the need and potential effectiveness of a nationwide cooperative fight.

"To do this, the National Association enlisted the aid of an active Red Cross worker, Miss Emily Callihan. It was she who suggested the use of the seal, and she was, like an inspired Joan of Arc, who battered down public lethargy by persistent insistence on attention. It was her enthusiasm which enamelled the seal of Leigh Bissell, who caught the vision of "not a piece of pinholed paper, but a sort of flaming herald to vanguard the fight against a dread foe."

How well Hodges told the story to the American public during this first sale was demonstrated by the ragged little street clerk in New York who tipped up the year seal, spoke in the post office, stood on tiptoe to pass over two pennies clinched in a grasp of little fingers and whispered tidally "Ginza two of em, my sister, GINZA two!"

The first seal sale raised $3000, an amount sufficient to secure operation of the first TB hospital in the city. It was a war on TB, a war in which the people were forced to kill the killer by their own hands.

From that first beginning, the double barred cross that was chosen as the symbol of the battle has grown to be international . This means that the people may spend for the seals any amount sufficient to help the protective double bars to hover over the HSC campus and over Humboldt County.

The Humboldt County TB association is one of 300 local associations operating under the name of a program that includes adult education, public education, education and services, research, school health, worldwide cooperation,
