

Representative Election Wednesday

Lumberjack

OF HUMBOLDT STATE COLLEGE

VOL. XXXI

ARCATA, CALIF., FRIDAY, JAN. 10, 1958

No. 14

SONG QUEEN TRYOUTS TODAY

Because of the loss of two of the five Song Queens, tryouts will be held today at noon in the band room for two more Song Queens. All interested women are eligible. Tryouts will be before the band to the tune of "H-U-M-B-O-L-D-T".

The group of the original five dwindled when Barbara Urkov failed to return to HSC this year and there were only four Song Queens in place of the five called for all during football season.

About three weeks ago Pat Duffy, head song queen, handed her resignation to the student council. Jacquelyn McLeod, a junior elementary education major from Fortuna, was appointed the new head song queen by the student council. Other song queens are DeAnne Brown and Pat Hodges.

Chamber Music Program Jan. 19

The fourth program in this season's Chamber Music series is scheduled for Sunday, Jan. 19, at 8 p.m. in the Music Building. Regular concert-goers will want to make special note of the date, which has been changed since the announcement made at the last program.

Dawn Wassmuth, a student at HSC and this year's recipient of a Women's Club Music Scholarship, will perform a Mozart Sonata for piano. Dvorak's American String Quartet will be presented by Dan Backman, violinist; Floyd Glende, violinist; Esther Thompson, violinist and Elaine Bux, cellist. This number is a particular favorite of concert audiences.

Charles Fulkerson and Floyd Glende will present Bach's Suite in A for violin and piano. Jean Fulkerson, cellist; Charles Fulkerson, pianist and Floyd Glende, violinist, will play Beethoven's Piano Trio in E flat.

Students as well as the public, are welcomed at these monthly concerts.

Four Participate In Speech Contest

Four Speech I students, chosen by their classes, participated in the third annual Speech Contest last night. It was jointly sponsored by the HSC Speech department and the American Institute of Banking.

Competing were Ralph Reike, Sec. 1; Jeannette Dick, Sec. 3; William Brandenburg, Sec. 4; and Don Daniels, Sec. 9. As required in the contest rules, none of the entrants have had any previous debate experience. The speeches were to be a maximum length of six minutes on any subject of the speaker's choosing.

Lyle Ocheltree, supervising groundsman of the college maintenance department, watches as fire consumes one of the old dwellings on the south end of the campus properties. This house and a neighboring two-story structure on 17th Street west of B were among several cleared away over the holidays. The site will be used for parking pending the erection of new buildings in the college master construction plan.

Vexing Parking Problem Continues To Be Of Vital Concern To College Officials

The vexing problem of providing adequate parking facilities on campuses in California continues to be of vital concern to college administrators according to a report brought back from Los Angeles by President Cornelius H. Siemens.

President Siemens has just returned from representing HSC at a joint meeting of the council of State College Presidents with the State Board of Education; at which the parking problem was widely discussed and examined.

He reported that the Presidents recommended to the State Board that no fees be charged for ground-level, open parking, but that a charge for parking should be made whenever multiple-level facilities should be built.

The State Board, however, agreed on a policy calling for parking fees on all campuses whenever new facilities of any kind should be provided by the state. President Siemens pointed out that this policy leaves many questions yet to be answered.

The President also took a strong stand against an increase in student registration fees on the basis that California is committed to a policy of providing full education at public expense and that this policy includes education at state colleges.

The Council sessions also considered the great shortage of college teachers and the need for greatly expanded training programs at the Universities. The Presidents felt that if the Universities could not or would not increase their training programs to meet the expanding need, then the larger state colleges might look into the possibilities of assisting with the load by adding programs, including the offering of doctorate degrees, to aid in preparation of college teachers.

SCHEDULES ON SALE

Class schedules for the spring semester were on sale this week in the College Bookstore. Price is 25 cents plus tax. The schedules list all classes set for the semester, registration information and a final examination schedule.

SIX HAVE DECLARED INTENTION TO RUN

Associated Student Body elections for representatives-at-large will be held Wednesday, Jan. 15. Voting hours will be from 8 a.m. to 4 p.m. as stated in the constitution.

Deadline for the completion of petitions was last Wednesday. As of Tuesday six candidates had handed in their petitions.

The constitution calls for the election of two male and two female representatives-at-large. These are to be students from the general student body and unlike the commissioners they have no particular affiliations other than with the general students, whom they represent.

The representatives-at-large hold office from the beginning of this spring semester until the beginning of next spring semester.

The six known petitioners are Joyce Hedburg, Pat Duffy, Pat Miller, Jon Mitts, Jack Johnson and Art Dalianes.

Joyce Hedburg is a freshman Art major from Eureka and one of the incumbents, she was appointed this Fall when Sandi Wahlund, the former representative-at-large took over her new post as Rally Commissioner.

Active Candidate

Miss Hedburg was active in student council, Quill and Scroll, the Rally Committee and was a cheerleader at Eureka High School. She was also voted Miss Senior her last year in high school.

Pat Duffy, also an incumbent candidate, is a junior social service major and a graduate of Notre Dame High School in Belmont, California. Miss Duffy has held the job of representative-at-large for a full year now. Pat has also served as head yell leader at HSC.

The third candidate for the job of female representative-at-large is Pat Miller, Miss Miller is a sophomore elementary education major from Arcata. At HSC she has been active in the Spurs, Choir and the Young Democrats. Miss Miller was a representative-at-large her freshman year at HSC.

The constitution states that two men shall also be elected as representatives-at-large. There are three candidates for this office: Jon Mitts, Art Dalianes and Jack Johnson.

Also An Incumbent

Jon Mitts, a senior social science major from Eureka, is an incumbent candidate. He has held the office for the past year. Mitts has been active in Circle K, Frosh Camp, band, Dad's Day, the Popera and was this year's co-chairman for Homecoming.

Art Dalianes is a junior psychology major from Eureka. Dalianes was appointed as representative-at-large this Fall when Don Peterson the former representative-at-large took over the post of Assemblies Commissioner. Dalianes has been active in ICS and was student body president at Eureka High.

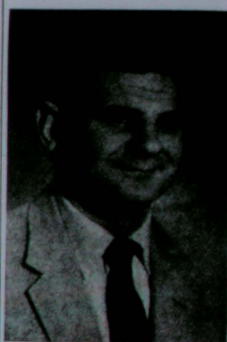

The third candidate is Jack Johnson a sophomore music major from South Fork High School. Johnson was president of his Frosh class and has been active in Key Club and Frosh Camp.

Modeling Assembly To Be Held

The Associated Women Students will sponsor a demonstration of modeling techniques for women students Tuesday, Jan. 14 at 11 a.m.

The demonstration is to be held in the auditorium and is primarily for women who are interested in modeling for the annual fashion show although all women may attend.

The model will be Jackie Brown.

Jackson Third Forum Speaker

Prof. William A. Jackson, chairman of the division of business, will discuss "The Federal Income Tax and the Teacher" in the third lecture of this year's Faculty Forum Series next Wednesday at 8 p.m. in the Wildlife Auditorium.

He will review taxable income and express allowable as tax deductions. The lecture applies especially to teachers, but will be of interest to all who file income tax returns.

Faculty Forum lectures are free and public and all students, faculty and staff are invited.

Prof. Jackson has his bachelor's and master of business administration degrees from the University of California and is a certified public accountant. He has been chairman of the division of business since it was organized in 1954 and an HSC staff member since 1946.

First Pentathlon Events Today

The first event of the NCAA Forensics Pentathlon begins today at 4 p.m. This event is the preliminary round of expository speaking. Two other preliminary rounds will be held this evening in interpretative recital, at 6:30 p.m., and symposium debate, at 8 p.m.

The first event tomorrow will be the preliminary round of Manuscript Oratory at 9 a.m. Preliminaries for after dinner speaking will be held at 10:30 a.m. Finals in these events will begin with expository speaking at 1 p.m., oratory at 2 p.m., interpretative recital at 3:30 p.m., and symposium debate at 4:45 p.m. Finals in after dinner speaking will be held following the banquet at Arcata Towers, which begins at 7 p.m.

Twenty-eight entrants will participate in the tournament. They are from San Francisco State, University of San Francisco, University of Santa Clara, Modesto Junior College, College of the Pacific, Stanford, Linfield College and HSC.

All events are open to interested persons. The headquarters of the activity is the Green and Gold Room in the Administration Building.

DANCE AT NELSON HALL

An all-school dance is scheduled in Nelson Hall Saturday night from 10 p.m. to 12:30 a.m., following the Humboldt-Sacramento State basketball game. The dance will be sponsored by Men of Nelson Hall.

Minutes of the Student Council

Dec. 18, 1957

The meeting was called to order by Vice President Robert Johnson. Those present were Joe Chappelle, Don Peterson, Jon Mitte, Art Dalianes, Dale Callihan, Warren Baker, Joyce Hedberg, Tony Vasquez, Jim Ely, Dr. Karshner and Diane Johnson. The minutes of the previous meeting were corrected to add that Miss Buchanan was present and reported on the school spirit investigation which is being launched by Inter Club Senate.

Correspondence

A letter was received from Dr. Karshner congratulating the council for the successful Leadership Conference.

Committee Reports

Jazz Concert—Thank you notes are to be sent to KENL, KIEM, I.K., Circle K, I.C.S. the maintenance department, Nelson Hall Women, Dr. Forbes, Larry Olsen and Mr. Van Duzer in appreciation for their cooperation in making the Jazz Concert a success.

Old Business

Board of Control — It was moved, seconded and passed to accept the appointment of Phil Arnot to the Board of Control.
Pop Band — A pep band will be at all home games.

Activity Hour — President Siemens has suggested that student members be urged to keep the 4-hour free for council meetings next semester.

Two Attending Meeting On TV

Dr. John Pauley, chairman of the Division of Language Arts, and Dr. William Ladd, A. V. Coordinator, are now in San Francisco attending a meeting for the study of the use of TV in California state colleges. The meeting began this Wednesday and will end tomorrow.

Representatives from all the state colleges are attending this meeting in order to examine results of research projects being done now at San Jose State and San Diego State. Also further plans are being made for the acquiring of TV equipment for each state college. This study of the use of TV on campuses of state colleges is given great urgency since this spring the HSC Speech Arts building is to be in construction which will house the TV equipment for HSC.

The representatives from the colleges are meeting in subcommittees for intensive work. Dr. Pauley is on the TV-personnel subcommittee and Dr. Ladd is a member of the subcommittee on the evaluation of learning.

Humboldt Happenings

TODAY, Jan. 10

All Day — Forensics Pentathlon, Admin. Bldg. Aud.
Noon — Song Queen tryouts, Music Bldg.
8 p.m. — BASKETBALL, Sacramento State vs. HSC, here.

SATURDAY, Jan. 11

All Day — Forensics Pentathlon, Admin. Bldg. Aud.
8 p.m. — BASKETBALL, Sacramento State vs. HSC, here.
9 p.m. — Nelson Hall Dance.

SUNDAY, Jan. 12

7 p.m. — Physical Education Major's Dinner, Big 4.
MONDAY, Jan. 13

All Day — California Drawings Art Exhibit, Art Bldg., thru Jan. 24.

TUESDAY, Jan. 14

11 a.m. — AWS Model demonstration, Admin. Bldg. Aud.
Noon — Circle K, Music Bldg. lecture room.

4 p.m. — ICS, Radio hut.

8 p.m. — WAA Recreation night, Women's gym.

9 p.m. — Board of Finance, Coop. basement.

WEDNESDAY, Jan. 15

All Day — Visitation Day, High School Seniors, Health and Physical Education major.
Noon — Spurs, Nelson Hall Little Dining room.

4 p.m. — Student Executive Council, Coop. basement.

8 p.m. — Faculty Forum, Income Tax and Teachers, Wildlife Aud.

THURSDAY, Jan. 16

11:30 a.m. — Press Club, Lumberjack Office, Upstairs in Coop.
8 p.m. — Co-rec. night, Mens and Womens gyms.

Music Programs Being Presented

HSC's music department wishes to call the reader's attention to the series of music programs being presented by students in the department. Called "Music-At . . .", these programs are informal and are presented weekly at either 1, 2, 3 or 4 p.m. This makes it possible for everyone to attend at some time during the month.

Last Tuesday, the current Book-Of-The-Month Club Music Appreciation selection had just been received, so the audience listened to a recording of the London Symphony, conducted by Norman Del Mar, Wagner's Overtures to "Tannhauser" and Die Meistersingers' were the numbers, and the commentary was done by Thomas Sherman.

The programs being informal, it is perfectly acceptable to bring a lunch or reading assignment to the program. The next will be given Tuesday at 2 p.m. and will feature a group of students currently studying under Mr. Don Beckman, Claudine West, Frank Metcalf, Joan Stempka, Bernice Shepperd and Marjorie Stockton will present selected compositions for flute ensemble.

Board of Finance

It was moved, seconded and passed to pay \$3.74 from unallocated to Jon Mitts for candy purchased for the Leadership Conference.

Dean of Students' Report

Dr. Karshner reported that the south side of the gym will be used for a rooting section for basketball. Students are asked to enter through the south-east door.

Representatives At Large

The question of having band stunts for the rooting section was discussed. Band stunts are for the purpose of entertaining the paying guests and one side must be selected since there is not time

to do the stunts twice.

Respectfully submitted, Roberta Johnson, ASB Vice President, Diane Johnson, ASB Secretary

Modern Theme For Annual Ball

It has been announced by the decoration committee for this year's Sweetheart Ball that instead of the customary hearts and flowers theme, a modern impressionistic type of decoration will be used.

Color and lights will be used to a great extent to set the mood of the dance. The gym will be divided into different areas by partitions onto which different paintings and drawings by modern artists will be put.

The Sweetheart Ball is to be held on Saturday, Feb. 22, Joyce Hedberg is general chairman of the dance.

Respectfully submitted, Roberta Johnson, ASB Vice President, Diane Johnson, ASB Secretary

Dick's Dungeon Man, It Bugged Me . . .

By Dick Wassmuth

I was sitting at the typewriter the other night, going strong on a term paper, when suddenly there was an unearthly scream right behind me. It was really piercing me, man. I shuddered, but keeping up my steady pace of 10 words per minute, I managed to emerge from under my blanket of concentration long enough to give out with a raspy, "Shut up — shut up — shut up!" and so saying, sank back into the depths of my subconscious with wads of mental cotton in my ears.

Things went along fine for a while and then "EEEEAAA KRRGGHHH!!" It happened again. It bugged me. I mean but good, man. It wasn't the "eeeeeaaar" part that was so bad, but the "rrrrggghh" — it gurgled, the vase on the shelf above me shattered and tumbled down around my ears. This was the last straw. I turned around, ready to do battle with who ever was letting loose with the UNcool sounds.

No one was there. This couldn't be. It was spooky! By this time I was back to earth and the little wheels were turning over in my head about 2000 RPM. (Most people have brains in their heads but I like to keep up with the mechanized age).

One idea kept coming into my head over and over again — squeek — squeek — squeek. At first I thought the squeek was a mouse around somewhere but soon decided that it was just one of the little wheels that needed oil.

After thinking it over, I decided that this was a case for Algernon Winterbottom—Private Eye. (In fact, his eye was so private no one had ever seen it — he kept it locked in a safe all the time).

I reached for the phone to call him but a gruff voice behind me said, "Don't touch that phone or I shall be forced to blast youse." "Blast YOU!" I corrected as I turned around and came face to face with nobody.

"EEEEAAARRRRGGGGHH!!" — This time it was me doing the screaming. I got so upset over little things. And besides, when I turned around I bumped the table and knocked the typewriter over onto my toe.

This was beginning to get ridiculous. There had to be someone around. Maybe I was having hallucinations with my ears. With term papers coming due and finals just around the corner I'll admit I was getting a little shook, but let's face it, man, hearing voices is carrying it a little too far.

Then it came to me. The answer to the whole mixed-up mess. I felt like Mike Hammer on the next-to-last page of a Mickey Spillane novel. It must be the TV in the next room. I went in to turn it off.

It wasn't on.

I sure wish they would give me something else besides a piece of chalk to write with in here but the keeper said I couldn't have anything sharp.

After approximately 16 weeks of continual programming that ran from 9 a.m. to 11 p.m., Monday through Friday, the personnel of KHSC take time out for final examinations and alterations in the program presentations of KHSC.

Early in the spring semester, KHSC will resume broadcasting with a better, bigger program schedule than ever before. Featured in the NEW SOUND of KHSC for 1958, will be a greater variety of programs — ranging from such scripted shows as "The American Story"; to the fascinating series — "Great Broadway Musicals." The rock 'n' roll enthusiasts; the news hounds; the sweet-music lovers will all be served with new shows and additional special features. Sports, campus events, personalities will all be heard over KHSC.

In view of the NEW SOUND of KHSC, plan now to keep tuned to 700 kilocycles during the spring semester for the very best in listening from KHSC. And, if you are interested in participating in this activity . . . think about us at registration time.

'Glass Menagerie' Will Be Next Humboldt State Drama Production

For the third production in a season of distinguished plays this academic year, the Humboldt Players will present Tennessee Williams' "The Glass Menagerie" Feb. 28, Mar. 1, and Mar. 7-8, in the college auditorium.

The first of Williams' plays to bring him fame, "The Glass Menagerie" won the Drama Critics' award for 1945, playing for two years in New York City before touring. Helen Hayes played the leading role in a later Broadway revival and the late Gertrude Lawrence in a movie version.

Although Williams is best known for his "A Street Car Named Desire," "Summer and Smoke," "The Rose Tattoo," "Cat on a Hot Tin Roof," and the recent movie, "Baby Doll," all of which are marked by poetic-realistic treatment of frustrated Southern women, "The Glass Menagerie" has become a college theater favorite, possibly because it lacks the violence and sordidness of his other plays.

Williams terms it a 'memory play,' presenting it as if it were the recollection of an episode in a family's life. Briefly, the story treats of a shy, withdrawn girl (who collects glass animals), threatened with spinsterhood, and the unsuccessful efforts of her mother, a faded Southern belle in a St. Louis tenement apartment, to find security for her in marriage. The play is simultaneously tender, poetic, and touching, and at the same time extremely funny.

Only four characters appear in the play: the mother, the daughter, and the "gentleman caller." Mary Ellen Turner returns to the HSC stage to portray Amanda, the mother; and Joan Evans also returns to appear as Laura, the daughter. Earl Lewis, late of "The Rivals," has been cast as Jim, the "gentleman caller"; while Bob Lloyd, who portrayed Captain Sizelove in "The Barbic Scapell," has been cast as the brother, Tom.

The director, Mrs. Evelyn McCurdy, new to the campus this year, has selected an excellent example of contemporary drama, for her first production at HSC.

Ralph Johnson Fraternity Prexy

Ralph Johnson, a junior group major from Eureka, has been elected the new Delta Sigma Phi Fraternity president. The election was held Monday evening, Jan. 6, regular meeting night.

Johnson is replacing Gordon Moore who is to be married to Kay Price, a former HSC student and co-editor of last year's Semperparis. The fraternity constitution states that the president of the organization must live with in house therefore making Gordon Moore ineligible to continue in office.

Johnson, who graduated from Lincoln High School in San Francisco, has participated in three years of varsity football and track and has been active in ICS and CU. Johnson also held the office of Student Body president at Lincoln High School.

Previous to his election, Johnson held the office of social chairman and pledgedmaster in the fraternity.

HSC Student Directory, CU Project, To Go On Sale In 'Near Future'

By DAVE MAXON

CU President

The annual issue of the Student Directory will be on sale within the near future. The only bid submitted was by Conservation Unlimited and was therefore granted to it.

The Directory posed several problems, due to the greatly increased size of our student body. Among these were the problems of selecting a suitable size so as to economically utilize each sheet of paper, and the enormous task of actually transcribing the information onto stencils.

As in the past, the Directory will include the full name of each student in school this semester, along with his marital status, major field of study, year in school, local address, permanent address, and lastly and most important, his telephone number. Hence, by buying a copy you can get lots of pertinent information about anyone in school. Having the telephone number of each person and being able to check on his major field should be invaluable to the various campus organizations. Although many students forgot or neglected different items, there is sufficient information on nearly all the entries to locate the person.

Production has been held up for various reasons but the stencils are complete and with a final

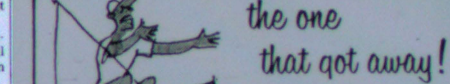

editing for mistakes, will be in the hands of the printer by the first of this spring semester. It is anticipated that there will be an addenda to include the names of entering freshmen. Any artist is encouraged to contribute ideas for a cover design.

Price will be 50¢ per copy, the proceeds (after the large production costs) will be used in support of the Conservation Education Fund in the C. U. treasury, with a portion set aside for the general fund.

FWC ACTION BEGINS THIS WEEKEND

Sacramento State Hornets To Invade Hilltop Campus In Two Night Stand In League Opener

The 1958 Far Western Conference basketball season gets underway with a bang this weekend with a full schedule of games on tap for all FWC teams. Humboldt State opens the conference against the top rated Sacramento State Hornets in Arcata tonight and tomorrow.

Other action sees the University of Nevada at San Francisco for a twin bill and the Cal Aggies at Chico for a single game Saturday night.

Sacramento State showed better than any other FWC entry in the Holiday Tournament held in the state capital, and must be rated as the team to beat, along with the San Francisco State Golden Gators. The Hornets lost to Whittier in the championship game in the last minutes of play.

Chuck Mobley, who was one of the three unanimous selections to the all tournament team, is the Hornet's big gun. Mobley tanked 28 points against the Jacks in the tourney's opening round, so the Hilltoppers will be working their defense to stop the high scoring forward.

Don Fausett, the other regular forward, and Frank White, the starting center, are the team's leading rebounders. Fred Scott, who football fans remember as the Hornet's top notch quarterback, is the floor leader and is a good shot from the outside. Ken Yokota is the other starting guard.

As for Humboldt's chances, coach Franny Givins is quite optimistic. Although the Lumberjacks have the not too spectacular record of five wins — eight

losses against college competition, Givins pointed out that the Jacks have played the toughest competition in the school's history.

Givins also seems optimistic about the FWC chances for the Jacks. Humboldt beat Chico State by a good margin in the tournament. This helps, since the Jacks must travel to Chico to play the Wildcats. However, Humboldt must overcome the old jinx at Reno, where they must face the Wolfpack. The schedule is exactly the same as it was two years ago, when the Jacks represented Northern California and Nevada in the NAIA playoffs.

As for a starting lineup Givins was unsure at presstime but indicated that he would start Larry Taylor, Warren Baker or Don Robinson at forwards. Jerry Hathaway at center. Bob Lawson, Jack Evans or George Millionis at guards. Any five of these players are likely to be on the court at any time.

Preliminary contests this week held the Junior Jacks playing the Bernie Anderson Chiefs of the Eureka Adult Recreation League tonight and the Klamath Air Squadron tomorrow.

Next week the Lumberjacks take a vacation, but return to action during finals week to play the Southern Oregon Red Raiders. Humboldt returns to conference play in three weeks, when they host the San Francisco State Golden Gators in Arcata.

Volleyball Off To Busy Start In Intramurals

By Dave Foster

In the Intramural volleyball tournament Block H has lost its lead to the Fraternity. IQ's are in second position. Nelson Hall is still holding third but because of a forfeit is forced to share it with Circle K.

At the rate teams are losing points for forfeiting and failure to enter enough players, second and third place are open to anyone. It doesn't look as if the Fraternity will jeopardize its lead with a forfeit, so we would like to see some of the other teams give them a little competition.

It seems that the Faculty isn't holding up its volleyball reputation. Last year they won the crown. But so far this year, they have not shown up for one game. Come on, Faculty, let's get those

Jayvees Garner Pair Of Games Over Arcata Hi

Humboldt's Junior Jack basketballers won a pair of contests from the Arcata High Tigers last Friday and Saturday. In preliminaries to the Varsity-San Francisco Persidsito tilt.

Friday the Junior Jacks coasted to a 54-47 win over the preps, despite a second half surge by the Tigers. Saturday night's contest was closer, but the Humboldtians managed to stave off a last minute rally and win 41-39.

Bob Kays hit for 12 points as all but one Jack player got in the scoring column Friday. Ken Matias was high man for the game with 16. Dennis Macomber added 10 more for the losers.

Saturday it was Kays and Jerry Buda who scored eight markers apiece to pace the Jacks to their win. Macomber put on a one man scoring show for the Tigers, blazing the nets for 19 points.

FRIDAY

old joints oiled up and show this young blood what you can do.

Many teams are still losing valuable points. Alpha House, who at this time could be in second place, find themselves tied for fifth because they can't seem to get enough players on the court. A total of 240 points have been lost by the following teams for forfeitures and not entering the required number of players. Alpha House, Block H, Nelson Hall, Circle K, C.U., Ramblers, Redwood Hall and the Faculty.

Standings			
team	W	L	Pts.
Fraternity	5	0	75

SPORTS

HUMBOLDT STAGES STRONG SHOWING IN FWC TOURNEY

The Lumberjacks of Humboldt State served notice on the rest of the league that they are a team to be reckoned with over Christmas Vacation as they took the Consolation Championship in the Fourth Annual Far Western Conference Invitational Tournament at Sacramento State.

After an opening loss to the host Hornets the Jacks came on to score successive wins over Chico State and San Francisco State to win their bracket of the tourney.

In the first contest on Thursday, Dec. 26, free throws made the difference as the Jacks went down to defeat 60-54 at the hands of Sacramento despite the fact that HSC outscored them in field goals, 22 to 19.

But the Jacks were charged with 21 infractions of the rules and the Hornets took advantage of it to score 22 points from the charity line and that proved to be the difference.

Humboldt jumped to a quick 8-2 lead as forward Larry Taylor hit on his first four shots. By the time the half rolled around the Hornets, led by Chuck Mobley scored 28 points during the evening, had moved into a 34-27 lead.

In the third period the Jacks cut into the lead, whacking it to three points. But then Mobley went to work again, scoring nine points in the last quarter to ice it.

Center Jerry Hathaway, a unanimous choice for All-Tournament honors, led the HSC scoring with 13 points.

In other first round games Willamette defeated San Francisco 48-46, Whittier edged Nevada 51-50, and the Cal Aggies upset the Chico State Wildcats 58-55.

Humboldt went on a scoring binge the second night of the three day affair as they romped to a 75-58 triumph over the Chico State Wildcats.

After the 'Cats had held an early edge Humboldt began to hit and by the half it was 35-26 in favor of HSC.

The Jacks coasted through the first ten minutes of the second half and then exploded for 29 points in the final quarter to win going away. Hathaway was the big gun for the winners as he burned the nets for 22 points. Jack Evans and Don Robinson added 11 and ten, respectively.

In other second round games San Francisco edged Nevada 45-39 to advance to the Consolation with the Jacks, Whittier moved into the Championship finals with a 77-76 win over Willamette.

LUMBERJACKS DROP PAIR TO ARMY

SOMETHING

By TOM FAY

After an active two weeks of basketball during the Christmas vacation the Humboldt Hoopsters prepare for their first Far Western Conference game with Sacramento State this weekend. The Hornets will be favored on the basis of their showing in the FWC tournament but the Jacks should be ready and up for the game, and could come up with one or even a pair-of wins. HSC has been improving with each game, both offensively and defensively, and with a few breaks could make a bid for the Conference title.

The strongest opposition to this hope will come from the Sacramento and San Francisco teams. Whittier beat the Hornets in the FWC tournament despite the fact the Sacramento referees fouled out four of Whittier's first-string. Humboldt took fifth place in the double elimination tournament by beating a well-balanced S.F. squad. HSC was the highest scoring team in the tournament averaging 67.5 points per game. Center Jerry Hathaway was unanimously selected to the all tournament team.

The basketball team made a good showing but lost two games to San Francisco Presidio over the holidays. Although the Presidio team was loaded with former college stars the Jacks kept both games close enough to be interesting and picked up a few pointers to be used against their conference foes.

The surprise football games of the holidays turned out to be the two commented on before vacation. The Detroit Lions beat the Cleveland Browns 59-13 to win the professional football championship, but the real thriller came in the Rose Bowl when Underdog Oregon held the mighty Ohio State Buckeyes to a 10-7 win. Ohio State was favored to win by 2-3 touchdowns. The Oregon team carried coach Len Casanova off the field at the end of the game, giving tribute to a great coach even though the only victory was a moral one.

One of the most reliable performers for the Lumberjacks is Forward Warren Baker, who last season was the team's top scorer and rebounder. Baker will be in for plenty of action tonight and tomorrow night as Humboldt hosts the Sacramento State Hornets in FWC openers for both schools.

By David Maxon
(substituting for Jim Adams)

The holidays gave the local residents who didn't go South a fairly limited amount of good duck shooting, although the stormy days did improve things.

An informant claims that he has dug a specimen of the "Gooneyduck," common from Alaska southward. Since this species of clam has been dug in Humboldt Bay, I withhold judgment, but its extreme rarity leaves much doubt in my mind, which will be cleared upon examination of the shell. The only other clam which might be confused with the "Gooneyduck," is the "Horseneck," genus Schiobothraeus, which is common in the Bay, with two species represented. There is an excellent pamphlet put out by Calif. Fish and Game on the clams of this coast, and interested persons can check in the library, or purchase one from the State Printing Office in Sacramento.

Pheasant season wound up a few weeks ago, down in the Sac-

ramento Valley, with one of the best seasons for some time, due to the excellent hatching conditions last spring. The State-managed Cooperative Hunting Areas in the Delta and farther north in the Sacramento Valley, were still turning in low, but better than average kill reports for the last weekend during the Thanksgiving holidays.

Since the pheasant hunting in California is largely a put-and-take proposition, a high percentage of State-reared birds in the game bag is desired, since the remainder will seldom survive the following winter or be available for the next hunting season, due to the high winter mortality rates for gallinaceous birds. I feel however, that this is a travesty of true sport, since I could have nearly as much sport by buying chickens from a farmer and blast them as they fly away.

A chicken ranch is run in essentially the same manner as a game farm and shooting pheasants appeals to me about as much as clobbering a fat Leghorn chicken. An extenuating circumstance is present because of the inherent genetic makeup of the Chinese pheasant, which has defied domestication, making the pen-reared birds quite wild, the tame compared to their 'natural' cousins. One thought which many don't pay much attention to is that, being corn fed and confined, the game-farm varieties are usually fat and lazy, tending to be excellent for a fine fricassee or casserole, while a wild horn rooster is often a match for the best of cooks!

In the past few years California has changed its policy, and with my greatest praises! Few pheasants, which in the past have been fully protected, are now included with roosters in the bag, 'tho' with a maximum of one per hunter per season. This is a step in the right direction, since winter mortality is no respecter of sex and surplus hens as well as the extra roosters face the same low odds when one calculates their chances for surviving over the winter.

Star-Studded Presidio Hoopsters Hand Lumberjacks Pair of Defeats

The Presidio of San Francisco repeated its performance of last year by sweeping a basketball double header from the Lumberjacks in the new HSC gym last weekend. The Toreros won Friday night's contest going away, 6-46, and then defeated a stubborn Jack squad 61-49 Saturday.

Friday's games was the Toreros all the way, as the Jacks were trailing after the first five minutes and never caught the ser-vicemen. But Saturday, the Jacks played solid defensive ball for some 35 minutes before the Presidio squad started breaking down the zone defense and finished fast.

Jerry Hathaway led the Hill-toppers Friday with 10 points and Larry Taylor was high man Saturday with 16.

Carroll Williams, former San Jose star, lead the Presidio with 13, and John Vicovich added 12 more. Allen Herring, formerly of UCLA tanked 18 Saturday and Hubert Brown, Niagara star of a few years past, hit for 14.

Faculty Drama Trio To Give Christopher Fry Reading Here

A reading of Christopher Fry's "A Phoenix Too Frequent" will be presented by a faculty drama trio Sunday, Jan. 26 at 8 p. m. in the Administration Building Auditorium.

Admission will be by drama club season ticket, ASB card or 50 cents.

Dr. Giles Sinclair, assistant professor of English, is directing the production. Dr. Sinclair appeared in the faculty reading of "Don Juan in Hell" in 1956 and "The Applecart" last year.

Mrs. Lyn Fauley, instructor in drama and costume, will read the part of Dynamene, a widow resolved to join her husband in death. Mrs. Kathryn Barlow, assistant professor of English and language, will read Doto, the widow's maid, who while not tired of this world is willing to take a chance on the next. Dr. Frank Wood, assistant professor of modern foreign languages, will read the part of Tégues, a soldier who has six bodies and a romantic spirit.

Mrs. Fauley, in addition to creating the costumes for HSC productions, directed both "Don Juan in Hell" and "The Applecart." Dr. Wood appeared in "The Applecart."

Dr. Sinclair pointed out that Christopher Fry is the foremost dramatist writing in English today, having received not only wide critical acclaim but also vast public acceptance. "Fry definitely is trying to turn modern drama back to the robust theatrics of the Elizabethan drama. He uses sparkling verse dialogue plus startling juxtapositions of farce and philosophy," Dr. Sinclair said. "Like the Elizabethans, Fry adapts old stories to modern characters, showing the universality of the human comedy. The scene of the 'Phoenix Too Frequent' is the ancient world, but the questions of what humans owe to this world or the next or to this lover and the next are twentieth century ones, also."

POETRY AWARD TO BE MADE

With the Dorothy F. Kerr Poetry Award in mind, several HSC students are working diligently on writing poems. The \$100 award will be given in May to an HSC student whose poem or poems are selected by a panel made up of faculty members of the HSC English Department.

This is the second award given by Mrs. Kerr, of Kerrydale Ranch, Corbel, who is a poet herself. Last year the \$100 was divided between Mrs. Ann Johannsen and Keith Barnhart, HSC seniors. The poetry was based on nature. This year more general subjects done in traditional forms will be accepted. Students may submit as many poems as they desire.

Interested students should turn their work into Dr. James McNeil of the HSC English department. Dr. McNeil will assist and discuss poetry with aspirants. The award is given to arouse interest in the writing of poetry, is considered a search for poetic interest and ability rather than a contest. The winning poems will appear in Toyon, the SC literary magazine.

From 1880 to 1904, U. S. Marines wore spiked helmets as a part of their uniform.

the lookout

The OCE LAMRON of Oregon State College of Education reports that a committee has been set up to investigate the traffic and parking problems. The committee finds that issuing parking stickers is part of the solution. They have set up one answer to the problem which would be preferential parking. Certain parking areas would be designated as "commuter parking only" and diagonal parking would be initiated on one side of the street dividing the campus.

If you are planning to leave your registration to the last minute or schedule your classes without consulting your adviser you might heed this piece of verse taken from the Chico State WILDCAT:

I think that I shall never see
A student sorer than he
Who finds on registration day —
With cash in hand his fees to pay.
With perfect program in his hand,
That he and he alone has planned —
That closed doors at the gym

Drama trio (l to r) Kathryn Barlow, assistant professor of English and language; Dr. Frank B. Wood, assistant professor of modern foreign languages and Etheilyn Fauley, instructor in drama and costume, rehearse for their Jan. 26 reading of "A Phoenix Too Frequent" by Christopher Fry. The 8 p. m. performance in the Administration Building will be directed by Dr. Giles Sinclair, assistant professor of English.

Halsey Stevens, Famous Composer To Be On Campus

Halsey Stevens, prominent American composer, will be on the HSC campus Feb. 6 and 7, for a series of lectures and discussion on contemporary music. Stevens will emphasize particularly the great Hungarian composer, Bela Bartok. Stevens is considered America's leading authority on Bartok.

Stevens' main lecture will be given on Friday, Feb. 7, at 11 a.m. in the college auditorium. The program will be for faculty, students and any other interested people. By the use of recordings, slides, and "live" piano illustrations, Stevens will show Bartok's musical treatment of his main source of inspiration, the Hungarian folk music. This lecture will serve to introduce and clarify many of the mysteries of contemporary music in general.

A successful composer himself, Stevens has had his works performed by many leading musical organizations in America. Among them are the Louisville Orchestra, currently heard on the CBS radio network; the Los Angeles Philharmonic Orchestra; and the Vermont State Symphony Orchestra, as well as many smaller groups, which play his chamber music compositions. Reviewers and critics consistently praise Stevens for his simplicity of expression and the habit he has of not "filling in" just for sonority. Of his Sonata for Viola and Piano, Henry Cowell says in the "Musical Quarterly": "... there is no feeling that the work is too rigid and pedantically through out, or the result of some sort of mechanized system. It is agreeable, flowing music."

Chamber Program To Be Sunday

The monthly chamber music program will be presented Sunday at 8 p. m. in the Music building.

The program is as follows:
Suite in A.....Bach
Floyd Glende, violin
Charles Fulkerson, piano
Sonata for piano.....Mozart
Dawn Wassmouth
Piano Trio in A flat.....Beethoven
Jean Fulkerson, cellist
Charles Fulkerson, pianist
Floyd Glende, violinist
American String Quartet

Dvorak
Dan Backman, violist
Floyd Glende, violinist
Esther Thompson, violinist
Elaine Bux, cellist
Coffee will be served during the intermission.

THREE DEBATERS WIN HONORS

Three HSC debaters won honors in the recent Pentathlon held here. Gary Brennan took third place overall in the upper division. He also tied for third in expository speaking, symposium debate and after dinner speaking. Ed Spencer of HSC won first place honors in manuscript oratory and tied for second in interpretative reading. Don Price placed second in after dinner speaking and took third places in both expository speaking and debate.

Other winners in the upper division were: Fred Minifie of Linfield College, first; Lloyd Crisp of San Francisco State, second. In the lower division in the order of total points, were Henry McGurkin of San Francisco State; Grant Sherlock, also of SF State and Don Price of HSC.

The 45 judges, from the faculty and the town, spent a total of 454 man-hours on the judging of the meet.

The council decided, after a report from Jacquie McLeod, who replaced Miss Duffy as head song queen, that it would not be wise to select two more song queens this late in the semester.

Only four home basketball games remain and new song queens would not have time to learn the intricate dance routines. It would also not be worthwhile for the new song queen to buy the new \$16 uniforms, the council was advised.

Sandi Wahlund Resigns Office

Sandi Wahlund, student body Rally Commissioner, has resigned from the office. Miss Wahlund gave her reason as lack of time to do the job required of her in office.

The resignation was accepted, with regret, by the student council. Student body president Dale Callihan will make a recommendation to the student council in the near future for a new Rally Commissioner.

(Continued on Page 6)

RE-ELECT INCUMBENTS

Joyce Hedburg, Pat Duffy, Art Dallanes and Jon Mitts, all incumbent candidates, emerged victors of Wednesday's representative-at-large election that saw a scant 369 voters go to the polls.

Pat Miller and Jack Johnson were also candidates for the four positions to be filled. George Steele, as a write-in choice, received five votes.

Miss Hedburg was active in student council, Quill and Scroll, the Rally Committee and was a cheerleader at EHS. She was also voted Miss Senior her last year in high school.

Pat Duffy is a junior social science

major and a graduate of Notre Dame High School in Belmont, California. Miss Duffy held the job of representative-at-large for a full year prior to this election. Pat has also served as head yell leader at HSC.

Jon Mitts is a senior social science major from Eureka. He has held the office for the past year. Mitts has been active in Circle K, Frosh Camp, band, Dad's Day, the Popera and was this year's co-chairman for Homecoming.

Art Dallanes is a junior psychology major from Eureka. Dallanes was appointed as representative-at-large this Fall when Don Peterson the former repre-

sentative-at-large took over the post of Assemblies Commissioner. Dallanes has been active in ICS and was student body president at Eureka High.

The constitution calls for the election of two male and two female representatives - at-large. These are to be students from the general student body and unlike the commissioners they have no particular affiliations other than with the general students, whom they represent.

The representatives - at-large hold office from the beginning of this spring semester until the beginning of next spring semester.

MARDI GRAS COSTUME BALL SCHEDULED FEB. 8

Humboldt State's Newman club will sponsor its annual Mardi Gras costume ball in the carnival theme Feb. 8 from 8:30 p.m. to 1 a.m. in the Women's gym.

Live music will be provided along with free refreshments for \$1.50 per couple and \$1 tag.

Promptly at 12 midnight a king and queen of the Mardi Gras will be selected from among several faculty couple contestants. The king and queen candidates will be announced in advance of the dance and balloting will be held during the week prior to the dance.

Prizes for the best couple, boy and girl and comical costumes will be awarded.

The balloon drop will hold a door prize for some lucky winner. Josephine Fagundes is general chairman of the dance. Other committee chairmen are Cathy Katrli, refreshments; John McCaldon, dance; Joan Stempka, invitations and tickets; Ariene Donne, decorations; John Funk, publicity; Ella Jean Selvaggi, cleanup.

Sunday, Jan. 19, Newman club will attend mass and receive communion at the 9 a.m. service at St. Mary's in Arcata. Breakfast will be at Bim's following mass.

Registration Set For Feb. 1, 2, 3

Spring Semester registration is scheduled for Feb. 1, 2, 3. Students planning to carry six units or less will be permitted to register on Feb. 1, all other students must register at their regularly scheduled time or after. To avoid confusion and to save time the registration procedures as outlined on page two of the schedule of classes should be followed.

It is the student's responsibility to study the catalogue and schedule and to plan his program. If assistance is needed the adviser should be consulted, but it is not his responsibility to organize a student's course of study — only approve it.

Students should bring residence cards with them when planning to register. This card must be presented and stamped during registration before registration books are issued. Considerable delay in registration will result for students without (Continued on Page 6)

Work Progressing On Tearing Down Of Old Buildings

Work is progressing steadily on the clearing of the block between the College Elementary School and Nelson Hall, as workmen have been tearing down, burning and moving the buildings located there for the past two weeks.

The south section of the block, just below the new Music Building, is being cleared to make way for the new Speech Arts Building which will house the facilities and classrooms for the journalism, radio, television, speech and drama departments.

The north section of the block, behind the Coop, is being cleared to make room for the new Administration - Business Building. Both buildings are expected to be ready for use by fall, 1959.

Workmen are also in the process of clearing the land behind Nelson Hall. The pheasant pens have been removed, along with the other buildings there, and the Sigma House will be either torn down or removed within the next month.

According to a statement from President Cornelius H. Siemens, the Coop will be saved until the new ASB offices and the new lounge and fountain will be made available. The present Nelson Hall cafeteria will be moved to its new location in the fall of 1959 and the space that it occupies now will be used for the Coop fountain.

Federal government approval of a \$14,785,000 statewide loan has opened the doors for the construction of two dormitories on campus.

The dormitories, which will cost an estimated \$1,580,500, will provide housing for 200 men and 200 women students. Construction is expected to start by June 1 of this year.

Dorm Fire Is False Alarm

Considerable excitement reigned at Nelson Hall Sunday, Jan. 12, when someone reported a fire in the girls wing.

The call came in at 8:15 p.m. and Arcata Fire Chief Roy Sorenson brought 22 men and six pieces of equipment to Nelson Hall. The hall was evacuated and no fire was located. The "fire" and false alarm was someone's idea of a practical joke.

Chief Sorenson took his men and equipment back then came up to the dormitory for a talk with the girls on the seriousness of a joke of that type.

New Plan Adopted For Awarding Grad Honors

A new plan has been approved by the faculty for the awarding of graduation honors at Humboldt State College, beginning in 1958-59.

At present, graduation honors are awarded to students at commencement, subject to the approval of the faculty on the basis of the student's scholastic index achieved in undergraduate work only at Humboldt State.

Sixty units of work completed at Humboldt is the normal requirement for graduation with honor.

Under the new plan, graduation honors will be based on scholastic achievements not only at Humboldt but in a student's total undergraduate work.

Index 3.00 to 3.34 is with honor; index 3.35 to 3.74 is with high honor and index 3.75 to 4.00 is with highest honor.

Sixty units of work completed at Humboldt State is the normal requirement for graduation with honor.

The new plan was proposed by Mrs. Mary Ann Smith, registrar, and approved at the monthly college instructor's meeting last week.

Mrs. Smith pointed out that the old plan often made it harder for Humboldt State students than for transfer students to qualify for graduation honors. "A number of transfer students who qualified for honors and high honors last year would not have qualified had their total undergraduate point been considered," Mrs. Smith pointed out. "Furthermore, the more units a student takes the harder it is to raise the grade point."

Students who win scholastic honors are cited by having their names published in the commencement program. The honors are listed on the diploma and on the student's official college record.

FASHION SHOW TO BE HELD

The Associated Women Students will hold their annual fashion show on Wednesday, Feb. 14 at 8 p.m. in the College Elementary School auditorium.

The theme will be Valentine Fantasy and the garments worn will be supplied by the White House Fashions of Eureka. The admission price will be 25 cents and everyone is invited.

WHAT IS A MARCHING BAND THAT NEVER GETS A LUCKY BREAK?

(SEE PARAGRAPH BELOW)

MEMO TO MAESTROS: is your band dawdling instead of tootling? Is it full of feeble fifers and drooping drummers? Well, this musical slowdown may be traceable to lack of Luckies. Better give your band a break—and make it a Lucky one! A Lucky, you see, is a light smoke—the right smoke for everyone. It's all cigarette—all naturally light, wonderfully good-tasting tobacco. And Luckies' fine tobacco is toasted to taste even better. Now then, what's a marching band that never gets a Lucky break? Why, it's a Sore Corps! (Wasn't that tymbal?)

STUCK FOR DOUGH?
START STICKLING! MAKE \$25

We'll pay \$25 for every Stickler we print—and for hundreds more that never get used! So start Stickling—they're so easy you can think of dozens in seconds! Sticklers are simple riddles with two-word rhyming answers. Both words must have the same number of syllables. (Don't do drawings.) Send 'em all with your name, address, college and class to Happy-Joe-Lucky, Box 67A, Mount Vernon, N. Y.
