The old joint-policy, purchased State Provides Insurance Travel insurance for all recognized ASB clubs or organizations in the past has been provided through a new policy adopted by the State Board of Trustees, Aug. 31, 1962, for all State colleges. The new plan was approved to cover student travel as a result of the Cal Poly-Pineapple crash two years ago. The new insurance will cover three classes of student travel.

0. Travel activities which are mandatory or elective in fulfilling course requirements, i.e., field work or travel studies.

2. Activities which are sponsored, budgeted, and scheduled by the ASB, i.e., athletic, drama, foreign, band, etc.

3. Student activities sanctioned by the ASB based on its filing of a resolution recognizing official recognition by college officials, and having been assigned a faculty advisor, i.e., social, religious, honor, service, governmental or fraternal organizations.

The cost of this bill will be approximately $8 per P.T.E. full (one equivalent student) and will be billed to the ASB. This will total approximately $760 and the insurance is in effect at the present time. The insurance coverage includes at least $5,000 for accidental death and $5,000 for medical and hospital expenses complying with Senate Bill 722 requiring this as a prerequisite.

The new policy has solved many problems that the administration had in previous years. Many instructors have held field study involving travel time with no protection other than liability insurance which involves no application to prove State negligence in order to receive insurance benefits. The new policy will cover students traveling while on official college business without liability procedure to receive benefits.

The old joint-policy, purchased by Lumberjack Enterprises and the ASB, however, is still in effect in order to cover students for travel other than student travel. This coverage includes $50,000 personal injury and one million dollars for group coverage.

Library Opening Postponed Until Mid-November

Occupancy of the new HSC library, postponed by unavoidable construction delays, is tentatively scheduled for Nov. 15. It was burned out this week.

Dr. Franklin Matsu, Assistant to the President, said the State Division of Architecture has approved the construction of the library's occupancy date, and barring further problems, the move will take place then.

The rage building will offer extensive study in all fields. The library's conference rooms for study and research, a growing microfilm collection with facilities for making copies, and increased coverage of Humboldt County history.

Dr. Matsu said the opening of the new library, originally slated for the start of this semester, was postponed when "the concrete top for the ceiling floor failed to bond properly with the structural floors. He explained that problems of this kind are frequently encountered in large construction projects.

Danforth Offers Fellowships for Teachers

Editor's Note — In order for Humboldt to continue its high standards of education and to understand and take advantage of the Danforth fellowships for college teachers, the Lumberjack runs the following re-election to the Dean of Extended Services.

The fellowships, offered by the Danforth Foundation of St. Louis, Missouri, are open to male college seniors or recent graduates preparing for careers in teaching, counseling, or administrative work as the case may be. Applicants may be planning to major in any field of study common to the undergraduate liberal arts and sciences curriculum, at the American Graduate School of their choice, but should not have already undertaken graduate work. Nomination close Oct 28.

Approximately 100 fellowships will be awarded to outstanding candidates nominated by Liaison Officers at more than 300 institutions of higher learning in the United States this year. Nominees will be judged on intellectual promise and personal qualities, including concern in religion, high potential for effective teaching, and aptitude for research.

Winners will be eligible for up to four years of financial assistance, with stipends varying from $1,500 for single men and $2,000 for married men to $500 per semester for married women. In addition, teachers will be paid $500 per semester for their teaching and administrative responsibilities.

Students and Faculty: Humboldt Business College cordially invites you to its First Anniversary October 9 & 10, 9 o'clock to 5 o'clock. Come see the facilities available to assist in your education, as Cordially, Students and Faculty Humboldt Business College
'Jacks Edge Bearcats 21-13

Clutch March Clinches Second Straight Victory

BY LARRY WINGFIELD
Sports Writer

Humboldt State's Lumberjacks, rating a disaster, scored a 21-13 victory late in the game in poet over the mighty University of Willamette Bearcats Saturday at the Redwood Bowl. More than 5,000 fans turned out for this international club which saw the Bearcats from Oregon score a touchdown when phosphorylating to within a whisper of ending the game at 13-13.

The scoreboard showed eight minutes left in the contest to 21-6 and the Lumberjacks by only a scant point, as the Green Chaff gang came off the field after holding the Bears on the three-yard line five times and on goal line once. From that point the Hilltoppers, with Frank Malagutti, Earl Love, Kramer and Wendell Hayes displaying their running power, bolted their way up the field. On 97-yard march Malagutti capped the drive with a three-yard plunge as the Jacks scored on the affair with just 10 seconds left.

The Lumberjacks drew first blood when Don Ford recovered a Willamette fumble on the 56. Eleven plays later Hayes amassed over from the three and with Dan- ny Sousa place-kicking the extra point the home-town eleven led 7-0.

The second quarter was a see-saw touchdown battle in the backfield, which saw safeties Don Peterson bat- tled down a "sure" scoring pass in Jesus Christ Saints. The theme for Dance will be "Autumn Leaves" will be the theme of the after-game dance to be held Saturday evening in Redwood Bowl.

The Lumberjacks led by only a scant 7-1 in 11 plays. But, two line plays threatened for a third. On the end of the Bearcats on the three yard line, Tom Toombs on downs on their own 44. And two incomplete passes stopped the drive.

Seconds later the Bears had the turnover back to within a whisper when safetyman Ike Peterson halted HSC's win streak at 1. the Willamette bid.

The second half kickoff from their own 24-yard line went 66 yards in eight plays. From that point the Hilltoppers, with Frank Maltagliati, Earl Love, Kramer, and Wendell Hayes, ran the ball up the field, and two incomplete passes stopped the drive.

On return the Bearcats came with a good kick, but no one was able to return it. The Lumberjacks scored on the next play, but it wasn't enough at the end zone, and the Bears came through with a 21-13 win.

Green Chaff The Bearcats retained posse- tion on this play, but it wasn't enough at the end of the game to put the game on the scoreboard. They were unable to get past the 20-yard line. The Bears came through with a 21-13 win.

Tom Toombs, Willamette halfback, fumbles on this play, but it wasn't enough at the end zone, and the Bears came through with a 21-13 win.
Those of you who figure a Humboldt State victory to make night will see up a Far Western Conference championship. For the first three weeks of the hat had been checked off. The University has been making big noises—Championship Noise. The Wolfpack opened its season by soundly drubbing a usually strong Redlands team, 33-0. To prove that the game opener was in the books came right back and whipped highly-touted Whittier, 21-6. This is virtually the same Whittier crew which made it to the NAIA Western Section playoffs in 1961 before losing to Linfield.

The Cal Aggies also have won their first two games in convincing fashion and even though the opposition hasn't been tough you can bet the boys from Davis are no slackers.

And need I remind you that the two above mentioned teams went away from Redwood Bowl last season very unhappy with both Humboldt State and the officiating.

Quarterback Joe Menzia talked a fumble on the SQ three-yard J J line. Quarterback Joe Menzia talked a fumble on the SQ three-yard / J

And need I remind you that the two above mentioned teams went away from Redwood Bowl last season very unhappy with both Humboldt State and the officiating. Sacramento State, an upset winner over HST in 1961, was rated a pre-season pick to win the Far West and nowhere is the HST signal a damper on the Humboldt State Jackson duplicated his two-point conversion with another burst into the end zone.

San Quenfins Romps To Lopsided Win Over Outstanding Junior Jacks

The Pirates of San Quentin put a damper on the Humboldt State Junior Jacks opening game as they handled the visitors a romp 52-6 set Saturday in San Quentin.

In warm 95- degree heat Del Basta ran for two touchdowns and passed for two more as the Pirates were just two much for the HSC's junior varsity.

Humboldt State couldn't appear to have much, but any time the Wildkats and the Lumberjacks tangle with the AXS at stake—look out! Speaking of Chico we note an interesting name appearing in the line-up.

Listed as number 25 in Richard Toeff, a 6' 175 pound junior. Yes. he is the brother of Humboldt quarterback Roger Toeff. Richard also is a signal caller and is currently playing second string. We wouldn't be at all surprised to see Chico coach Glen Waters use a little psychological play and start the younger Toeff in the big game against the Jacks.

Williamette certainly provided Humboldt with as stiff an argument as possible with their quarterback Carl Dean (20) and he is a player to watch. Yearbook 200 Pages Of Fairy Tale World

by HARMONY MORELAND
Staff Writer

Between the red covers of the 1962 "Sempervirens," Humboldt State yearbook currently on sale on the campus, lies an enchanted, fairy tale world. In 200 pages of pictures and text, the girls are all lovely, the men all handsome, brave and stalwart, and the professors benevolent and wise. We find a faithful representation of "college atmosphere," as set forth in song, story and text in which the girls are all lovely, the men all handsome without need to justify subsidies from Lumberjack Enterprises, Inc.

Much credit should be given to the "Sempervirens" staff itself which appears only under the auspices of "Sempervirens." The "Sempervirens" staff has insured that the yearbook, the "Sempervirens," is a faithful representation of "college atmosphere." The layout, the makeup, and the pictures themselves are imaginatively planned, and in general, well executed.

The delightful color photographs, the graceful calligraphy, the organization of the school calendar, the selection of the pictures, the choice of the layout, all these are evidence of a subtle and careful planning.
