We are pleased to announce the release of Volume 2, Issue 1 of Humboldt State University's [REDWOOD ROOTS Digital Magazine](https://digitalcommons.humboldt.edu/rr/). Redwood Roots highlights the many wonderful ways that students, faculty, and community partners are engaging in community-based learning practices in and around Humboldt County.

Redwood Roots is a collaboration between the Center for Community Based Learning and HSU Press. We publish stories that promote deep and enriching connections through learning, and enhance inclusivity within the community through efforts and examples of social and environmental justice. Redwood Roots is a magazine of place and community.
