14 Coeds Vie For Queen

Winner, Two Runnerups To Be Picked By ASB

A field of 14 Humboldt State coeds will vie for the 1962 Homecoming Queen next week as the 17th annual Humboldt State College Homecoming festivities commence.

A queen and two runnerups will be honored in Friday's coronation which will be held in Sequoia Theater.

Two major changes mark this year's elections, which will be held Tuesday and Wednesday. The queen will be chosen by a simple majority vote, eliminating the former system of choosing from five finalists.

Hilltop Calendar Of Coming Events

TODAY—Drama: "The Chairs" and "My Heart's In The Highlands", Sequoia Theater, 8:15 p.m.
TOMORROW—Drama: "The Chairs" and "My Heart's In The Highlands", Sequoia Theater, 8:15 p.m.
FOOTBALL: HSC vs. University of Nevada, Reno, 2 p.m.
TUESDAY—Queen elections: Men's Gym and cafeteria, 8 a.m. to 4 p.m.
WEDNESDAY—Queen elections
THURSDAY—Slides: "Beauty in Wilderness", Founders Hall Auditorium, 8:15 p.m.

The winner will receive a permanent trophy in addition to having her name engraved on the perpetual trophy. First and second runnerups will also receive permanent trophies.

Queen candidates are Lois Johnson, junior elementary education major from Eureka, sponsored by Delta Sigma Phi; Roylene Bishop, junior elementary education major from Fort Bragg, sponsored by the Sophomore class; Jan Mackins, junior English major from Arcata, sponsored by the Freshman class; Julie Fulkerson, junior from Trinidad, general studies.

(CONTINUED ON PAGE 2)

Hodges Cancels HSC Speech

United States Secretary of Commerce Luther H. Hodges has cancelled his scheduled appearance at Humboldt State today, but will be at the Eureka Inn at noon.

Arcata attorney Lawrence A. Truitt, local coordinator of Hodges' trip, said that the 64-year-old cabinet member "wasn't" physically able to fit in the college appearance.

Hodges will land at the county airport at 10:30 or 11 a.m., speak in Eureka at noon, make a television showing and then take off immediately, Truitt said.

NEW COLUMNIST

The "Lumberjack" today introduces a new columnist to its readers. Senior political science major Rod Mitchell has authored "Sometimes on Friday," which will appear every other week.

Mitchell's column will alternate with "The Faculty Reports."

Dr. Griffith Speaks At CAC Grand Opening Mon.

A speech by Dr. Harry Griffith on Monday and a free movie showing Tuesday will feature the grand opening of the Humboldt State Campus Activities Center next week.

The opening is scheduled to last through Wednesday. The CAC will be open from 8 a.m. to 5 p.m. and from 7 p.m. to 10 p.m.

Dr. Griffith, who spent several months in Jordan as an educational advisor to the government, is a member of the HSC Education Psychology Department. His talk will start at 4 p.m. Monday.

The free film showing of "Cyrano De Bergerac," starring Jose Ferrer, is to begin at 7 p.m. Tuesday. Free coffee will be served.

Homecoming buttons will be handed out along with purchases of items from the fountain or pizza stand during the grand opening.

Games including chess, checkers, billiards and pool will be available at the CAC. A jukebox and a player piano will also be on hand, and art displays are scheduled throughout the semester.

Three Films Left in Series

Three political films of a series remain to be shown in the small dining room of the cafeteria before the Nov. 6 election.

Glen Andersen, Lt. Gov. incumbent, will give his filmed views on Monday. His opponent, San Francisco mayor George Christopher, can be seen Wednesday.

Governor Edmund G. "Pat" Brown and candidate Richard M. Nixon will be shown Nov. 5. All films will be shown at 3 p.m.

The 14 candidates running for Humboldt State Homecoming Queen are (lower left) Miss Pat Leslie (left to right) Miss Pat Plessas, Miss Marilee Starkey, Miss Julie Fulkerson, Miss Jan Mackins, Miss Roylene Bishop, Miss Lois Johnson, Miss Lynn Loebner, Miss Anne Pierson, Miss Carolyn Samuelson, Miss Ellen Milhous, Miss Marilyn Woody and Miss Marge Jackson (lower right) Miss Sue Winnie.

Sometimes on Friday

Are You Propositioning Me, Sr?

By Rod Mitchell

The topic at hand this morning is Proposition 1A. More specifically, I call your attention to phenomena surrounding the efforts of certain parties in their quest to assure passage of Proposition 1A in November.

Political advertising has long been an established method of putting forth one's view to the public in the hope of gathering support. This is perfectly acceptable so long as the funds and resources used in the process are the property of the propagandist, and so long as he has the legal right to utilize these resources for political purposes.

I question the use of certain resources in the battle for Proposition 1A, and I question the judgment of certain public employees in their use of these resources.

One instance to which I refer occurred at the first home game of the current football season. Here we saw the culmination of hundreds of man-hours of practice during half-time as the Marching Band of Humboldt State College trooped into position forming a big 1-A, and proudly switched on their little lights, as the dulcet tones of the P.A. announcer extolled the virtues of 1-A.

Whether or not these musicians approve of Proposition 1-A is irrelevant. What is relevant is that their training, their uniforms, and some of their instruments were paid for by public monies, and the use of public funds to entice the public to supply more funds just is not kosher!

Poor Spectator

Consider if you will, the plight of the poor spectator at the game. He pays taxes to support education, and using a portion of money left to his own use, he buys a ticket to see a football game, only to be subjected, to proselyting activities attempting to convince him that more of this money should be handed over to the schools.

The sportsman, speaking for "The Humboldt State College Radio Service" certainly had no right

Homecoming Tops Business Club Meeting

Homecoming arrangements were the top decisions made at the regular Business Club meeting as the float was discussed and a queen candidate chosen.

Wayne Hess and Bill Williams, co-chairmen of the float project, reported the entry will have the shape of a sailing ship and carry 22 flags representing the countries of Humboldt State College's exchange students.

Miss Carolyn Samuelson, a junior education major, was selected as the club's homecoming queen candidate by Mrs. Virginia Williams and a committee of five.

Officers for this term include Robert Whitter, president; Richard Schmelch, vice president; Virginia Williams, secretary; Dorothy Sloma, treasurer; and Kay Fielding, ICS Representative.

How can you become an Air Force Officer?

If you are a college senior and not currently enrolled in ROTC, Air Force Officer Training School provides an opportunity to qualify for a wide variety of career fields. The graduate of this three-month course receives a commission as a second lieutenant. As the Air Force continues its technological advance, officers with college training will move into positions of increasing importance.

For full information—including the opportunity to earn graduate degrees at Air Force expense—see the Air Force Selection Team when it visits your college, visit your local Air Force Recruiting Office, or write: Air Force Officer Career Information, Dept. SC210, Box 805, New York 1, New York.

U.S. Air Force

Among the young people being graduated from college in these times, there are some who think and feel—perhaps a little more deeply than the others—about the world we live in, the future we face. They ask, "How can I make my career really meaningful? More than just personally rewarding?"

And many of today's most successful young people are finding a fulfilling answer to these questions as officers on the Aerospace Team... the United States Air Force. They can tell you that no career could better combine the opportunity for achievement—and the deep inner

FOR AMERICA'S FUTURE AND YOUR OWN...JOIN THE AEROSPACE TEAM.

New Constitution To Go Before Council Tuesday

Three years of work will go on the line Tuesday as Constitution Committee Chairman Miss Pan Schoenbeck attempts to get the new document reapproved by the Humboldt State Student Council.

In the final meeting of last semester the Council accepted the proposed constitution, but wording and several other changes makes it necessary to put the document before the body again.

Miss Schoenbeck read the word changes to the board in Tuesday's meeting and presented the all-important Code on Codes which will be the backbone of the new government.

"We will try to get it approved next week after the members have a chance to look over the Code on Codes," Miss Schoenbeck said following the meeting.

In other business, the board approved prices for both homecoming dances, the after game dance

on Nov. 10 and the sales of the Freshman class mums at Homecoming.

The proposed trade of the old ASB bookstore for the Butler Building ran into another snag when Graduate Manager Howard Goodwin reminded the Council that the State still owes ASB \$2,400 rent for the use of the old store as an engineering building for two years.

ASB President Jack Moore will report on this new development this week.

Bill Wagner, ASB Treasurer, and Moore are investigating the possibility of holding an Associated Student Body meeting in the latter part of November. This will be the first time the entire student body has met since 1957, according to council members.

The Board also approved a 50 cent per copy sales rate for the student directory being compiled by the Business Club.

Gym Open To Sun. Recreation

To meet the recreational needs of the students living in the Humboldt State dormitories, the recreational facilities of the PE department will be open for all students this Sunday from 1-4 p.m.

This new program is an extension of the present one, open Thursday nights, 7:30-9:30. The program was primarily opened for dormitory students because of the lack of HSC activities available on Sundays.

All students off campus as well as dorm students, however, are urged to take advantage of this new program. This includes the Men's Gym and the equipment for indoor sports.

Students have to provide only their suits and towels as these will not be available.

The program was suggested by the PE Department, who had the facilities but no funds to carry the program through. The residence halls and the Student Council backed it financially on a split-cost basis.

The cost of the program will be \$75 a year and this covers operating expenses and wages for a qualified supervisor, who must be present under California State Law.

Sunday recreation is available and scheduled for these dates: Nov. 4, 11, 18; Dec. 2, 9; Jan. 6, 13, 20. There will be approximately 20 Sundays available for recreation with the fall semester presently scheduled and the spring semester only tentative.

Lonely Ghost Haunts KHSC Halloween Night

A lonely ghost goes haunting Halloween night over station KHSC.

The Halloween drama, "The Ghost of Benjamin Sweet," will be presented on Wednesday from 9:30 to 10:00 p.m. The spooky story takes place in a graveyard complete with hooting owls and clanking chains.

The play, under the direction of Glen Dreher, features Bob Graham as Benjamin Sweet, Bill Thompson as Tubbs and Lila Evans as Mrs. Tubbs. Included in the cast are Jeff Davis, Lila Cooper, Bill Roberts and Cathy Brown.

This annual production can be picked up in the dorms at 700 kilocycles on A.M. radios and off-campus on 90.5 megacycles on F.M. radios.

KHSC, in its third year in operation under the Speech II class, now has a direct A.M. hook-up with the dorms through a cable leading from an A.M. transformer in the underground conduit.

The radio station will broadcast the remaining home football games direct from Redwood Bowl. The half hour pre-game warmup includes band music and scores. Bill Bender, Dennis Hunter, Bill Tur-

ner, Norm Kava, Pete Silva and Tom Leitz will staff the gridiron series.

Brochures containing the quarterly program schedule can be obtained in L.A. 111 or by sending a card to KHSC.

Nine Seniors Record 4.0 GPA For Spring Term

Nine seniors achieved perfect 4.0 grade point averages to top the President's Honor List for the 1962 spring semester.

A freshman and three juniors also had 4.0 averages to head the 88 undergraduates who earned an index of 3.5 or better in 12 or more units of work during the semester.

The seniors almost accounted for half the President's List,

placing 37 members on the honor roll. Leading the senior's with 4.0's were: Franklin F. Frank, Forest Management major from Arcata; Gary M. Harlow, Forest Management major from Escondido; Christine R. Hawkins, Elementary Education major from Arcata; Sandra L. Lawrence, Business Administration major from Arcata; and Janet M. Nelson, Elementary Education major from Eureka.

Other seniors with perfect averages include: John D. Pinto, Zoology major from Banning; Viola J. Pratt, Elementary Education major from Casper, Wyo.; Stephen H. Rader, Forest Management major from Redding; and Ross E. Stromberg, Political Science major from Arcata.

Dennis M. Cavallo, Pre-Medical from Alameda; Ellen R. Milhous, Elementary Education major from Arcata; and Margaret N. Rice, Elementary Education major from Leta lead the 23 juniors with perfect averages.

Elaine S. Dettelsen, Elementary Education major from Eureka, had the only perfect average among the 13 freshman to make the list.

Karen L. McFarland (3.96), a Business Education major from Eureka; Reginald H. Barretti (3.81), a Game Management major from Orinda; and Lucy A. Santino (3.76), Elementary Edu-

cation major from Eureka lead the 15 sophomores on the honor list.

TEKE RUSH OVER

The TKE's fall rush was closed recently with the formal ceremonies marking the formation of Theta Epsilon fall rushes. This is the fifth pledge class for the HSC chapter.

The rush class is made up of juniors and sophomores and is considered to be a small class by the president Rene Vit.

Campus Casuals
By Peggy

Hello again, dear HSC students. How does it feel to be back to the old grind again!

Congrats! Judy Thompson and John Ammon are pinned. I say but 1814 F St. has been the place for more TKE pinnings in the past couple years.

Poor Harriett Keith. While in Hawaii, she had to climb down a fire escape to avoid the cops who came to break up a little party. And Harriett is so scared of heights! But she must have been more scared of the police force.

Hooray! The Bookstore issue is finally settled. As soon as the details are worked out, Lumberjack Enterprises, Inc. has the ownership, management and headaches of taking over the place.

Congrats to Roger Paine and Karen Gregerson who are newly pinned. What—no more bachelor TKE's!!!!

Hope that everyone had a blast down at Davis's Homecoming last week-end. Me no say nothing about game!!

Who was the party responsible for putting a keg in a garage to hide it from their fraternity brothers!!!! They must have flunked sharing in Kindergarten—what about it, Rook?

Poor Al Petrovich! I hear that he's set some sort of record over at the DSP house.

But he does look sharp wearing a Brower styled packet from Daly's. By Sunset House, of Crompton Corduroy, and water repellent. They are \$27.50. Featuring leather buttons, in sizes 36-46, in olive green, pecan or oyster.

Comus Club is back in the social swing. Their new membership drive commenced with their traditional "Happy Hour" (st).

Congratulations to newly engaged couples on campus. Richard Tomasini and Sharon Vinum, Marlyce Olsen and Paul Corbin, Colleen Kinard and Bob Garzee, and Lynn Ricker and Fred Deurr.

Ed Cockerham is so happy for Lynn and Fred as he gets a fifth because Fred is getting "hitched" first.

And Lynn looked so nice student teaching up at McKinleyville High School when wearing a new car coat from Daly's—where else!

They come in a rainbow of colors, in corduroy, poplin, coffeehouse denim, twill or 100% wool. They have fur, pile, or convertible collars, are hooded or collarless.

Most are washable and are by White Stag, Mr. Jackets, Tammy and Sunset House make.

What happened to Bill Halterman over at the TKE house? He ran into a tree and required five stitches. What is the story behind that?! He wasn't really running away from a lighted firecracker, was he!

It was fun to see Nadine Christie back on the HSC campus. She is now enrolled at Washington University in St. Louis, Missouri and is home for the wedding of a former HSC student, Jan Gundlach.

Nadine is also a former employee of guess who—Daly's.

If all these rhymes seem out of place It's a sneaky way to fill up space.

See ya' 'round.

PEGGY

(Paid Advertisement)

DINING OUT?

EAT AT THE VARSITY on the PLAZA

Bill Roberts (left) and Lila Evans (right) will appear along with Bob Graham tonight as Sequoia Masque's production of "The Chairs" opens in the HSC theater. Eugene Ionesco's three-character experiment in drama

will be playing with "My Heart's in the Highlands," by William Saroyan. Curtain time is 8:30 p.m. The two plays will also run Saturday night and Friday and Saturday of next week. For reservations call VA 2-4372.

Season Opens Tonight

'The Chairs', 'Highland' First Two Productions

The production of "The Chairs" and "My Heart's in the Highlands" opens the 1962-63 Humboldt State Sequoia Masque Theater tonight at 8:15 in Sequoia Theater under the direction of D. Jerry Turner.

Tonight marks the first of four performances that follow tomorrow and next Friday and Saturday with "The Highlands" to be presented in a special matinee the last day at 2:30 p.m.

The season will open with Loresco's tragic farce or "The Chairs," followed by "My Heart's in the Highlands" for the second production of the evening.

Under the direction of Dr. Turner and assistant direction by students, Peter Silva and Rager Wakeman, the two plays will show "strong contrast." "One concerning older people and the other concerning very young people."

"The Chairs" is an unusual play written by Rumanian playwright-in-exile, Eugene Ionesco. Featuring two very old people, a man and his wife, who are waiting in a light house to deliver their mes-

sage of salvation to the world.

They host many imaginary visitors as they run through experiences from childhood "or second childhood" to death.

"My Heart's in the Highlands," is the first play professionally produced by Pulitzer prize winner, William Saroyan.

The play is a very "sunny" pastoral type, whose star performer is a nine year old boy, played by Harry Thurston, a student, attending the college elementary school.

This essentially ageless boy and his father, "One of the greatest unknown poets living," participate in many adventures with a Scotch actor, Mr. MacGregor, a fugitive from "an old people's home, who plays tunes on a battered bugle."

"This play being very non logical is very hard to memorize as was Alice and Wonderland," said Turner.

Other youngsters supporting Harry Thurston are his brother Mark Thurston and Jeliery Houle, have all had previous acting experience. Making his debut, is Michael Turner, son of the director, Dr. Turner.

Student-body card holders need only to call in reservations to Ext. 395 between 1 and 4 p.m. weekdays. Individual seats are tickets for all five productions \$1.50 and those wishing season may pick them up at the office for \$3.50 for five plays.

TYPE II AVAILABLE

Type II oral polio vaccine, will be administered Nov. 6 and 7. Although it is the type that is usually given last in the series of three, type one will be distributed later and type three is held up until its safety and effectiveness is approved by the State Board of Health.

The number of respiratory infections on the HSC campus has been far above average. This is in accordance with the national trend of a great many of these influenza cases.

Nine Humboldt Instructors Attend Institute

Nine Humboldt State College instructors took part in the annual Teachers Institute last week working around the theme of "Communication-Education: The Tools for World Understanding."

Francis Givins, physical education teacher at HSC, demonstrated and discussed free materials available to schools and teachers for cancer education.

A discussion of how to use literature to teach creative writing was given by Miss Hazel Hagne who is an education advisor and a teacher at the College Elementary School.

Dr. Louise Watson, Miss Leela Zion and Miss Barbara Van Putten, all physical education instructors, gave an informal exchange of ideas regarding the instruction of physical education.

Also from the health and physical education department were Dr. Ford Hess, Dr. Larry Kerker and Mrs. Kay Chaffey who gave a description and demonstration on the development of fundamental skills for physical activity.

Cal Aggies Knock Humboldt From Undefeated Ranks

KAVA'S
by Norm Kava
KORNER

Humboldt State lost to a good Cal Aggie team last Saturday, but in our opinion the men from Davis weren't as good as either Willamette or San Francisco State. This will probably cause some to ask, then why didn't the Lumberjacks win? There is more than one answer to that question.

First of all, at one point in the game Frank Buda, Frank Maltagliati, Wendell Hayes and Scott Nelson were on the bench with injuries. The loss of the first three was very damaging because each time HSC threatened late in the game inexperienced backs failed to get key yardage. Earl Love was the only veteran back available and he was pretty well pooped from going both ways.

Mental attitude, of course, had a lot to do with the Cal Aggie victory. The men from Davis didn't forget last year's Humboldt State game and were really dedicated to win this one. Let's not forget Humboldt's enforced two-week layoff also did them no good.

We'll make a prediction that may surprise you. Humboldt State will WIN the Far Western Conference football championship, if they win the remainder of their league games. The Aggies have three more FWC games left, against SF State, Chico State and Sacramento State. They will lose at least one and maybe two of these contests. Aggie coach Will Lotter deserves lost of credit for getting his team ready for HSC, however he's going to have a rough time doing the same this weekend against the Gators.

Now that Humboldt State has been bounced from the ranks of the unbeaten, the race for the Camelia Bowl is really a scramble. Linfield (once tied), Southern Oregon, Lewis & Clark and Cal Poly of Pomona are the only NAIA remaining on the undefeated list. And Linfield will really be put to the test when they face Willamette. Everyone who saw the Beareats perform here knows what they are capable of doing.

Lewis & Clark, a member of the Evergreen Conference, hasn't faced much competition as yet, but they too will face Willamette and Linfield before long. That leaves us with Cal Poly and Southern Oregon. The Mustangs from Pomona have beaten the San Diego Marines, SF State, Pomona College, SD State and Sacramento State.

Southern Oregon has two good wins over Chico and Sacramento, however, they play in a weak conference and this may hurt their chances of reaching the Western Section playoffs.

If Cal Poly should lose, it could be that the West Coast won't be represented in the sectional playoffs or the Camelia Bowl. Remember, the Western teams can be from anywhere this side of the Mississippi.

JACKS OF THE WEEK

DENNIS GROTTOING
Defense
(No. 75)

Dennis Grotting never played football until his senior year at Eureka High School, but you would never know it from the way he performs for HSC.

A standout as a sophomore last year, this powerful defensive ace made numerous tackles against the Cal Aggies. Dennis, a 240 pounder, is very agile for his size.

Grotting also lettered in wrestling as heavyweight on that team in 1961. One of his best performances as a football player came in last season's 7-6 victory against San Francisco State.

DREW ROBERTS
Offense
(No. 85)

Drew Roberts, Humboldt State's great two-time All-American end, played a tremendous game in defeat. He caught five passes with men draped all over him.

Roberts, who also plays basketball and baseball, set an all-time NAIA reception record of 75 in 1960. He also was named the most valuable lineman in the '60 Holiday Bowl game against Lenoir Rhine.

Drew went to Del Norte High School, but didn't develop his pass-catching ability until he reached HSC.

Aggies Ruin 'Jack Dream On TD Pass

DAVIS—The bubble has burst for Humboldt State.

There will be no undefeated season, no Camelia Bowl and possibly no Far Western Conference championship for the Lumberjacks gridmen.

An inspired Cal Aggie football team cut Humboldt's hopes short Saturday afternoon before a partisan homecoming crowd of 4,000. A fourth down Dick Carriere to Ken Gardner pass from the 'Jack 28-yard line was the lone TD scored and gave the Mustangs a 7-0 victory.

The upset win moved the underdog Aggies into sole possession of first place in the FWC. Humboldt is now 3-1 on the year and 1-1 in conference tilts.

The Lumberjacks outgained the Mustangs, but every time they got near paydirt, drives fizzled out. HSC's biggest chance came late in the third period when they reached the Aggie six. The march was stopped when a fourth down and one yard to go play failed.

Humboldt also had a good drive in the final period, but some poor backfield play ended it at the 20. In the opening quarter tight end Mike Bright was all alone, however he had to wait for Roger Toft's pass and by the time he did receive it the Aggies recovered well enough to stop the 33-yard gainer from going for a TD.

Even in defeat the Lumberjacks were not without individual standouts. All-American end Drew Roberts caught five passes including a fantastic one-handed reception. HSC's other end Mike Bright also had a fine day, catching two passes for 48 yards. Backs Frank Maltagliati, 60 yards in 13 carries, and Earl Love, 29 yards in four carries, were the 'Jacks top runners.

The Green Chain played another top notch game and now have allowed only 27 points in four encounters. Tackles Dennis Grotting and Ron Treat led the defensive charge.

The Aggies were led by quarterback Carriere, fullback Bob Foster and tackle Dale Weishahn; all three are good bets to make the all-conference team.

Humboldt actually did a good job of containing Carriere and the Aggies, holding them to 179 yards in total offense. Foster led the Mustang running attack with 56 yards in 13 carries.

The HSC football team was defeated by Stanford University's "B" team in 1946.

Givins Compares Cagers To Good Team of '59

"I would compare this team to the one we had three years ago when we finished second in the conference," stated Humboldt State basketball coach Franny Givins as he reviewed his team's progress after the second week of practice.

Givins went on to say that the conference is stronger now than in 1959 when his team almost went all the way. Tom Hope rejoined the squad this week and the head coach believes Wendell Hayes will be a member of the squad as soon as football comes to a halt.

Felix "Punky" Rogers and Larry Krupka, two members of the 1959 team, who also missed all of last season, are described by Givins as, "out of shape", but slowly and surely coming along."

The Lumberjacks will miss two of last year's scoring leaders, Ron Good and Joe Taylor. The former fell to the scholastic axe, while the latter is in the service.

Junior Jacks

The Junior Jacks cagers are getting into condition for their debut against the Shasta Junior College.

Varsity coach Franny Givins is

Running the team until the end of football season when assistant coach Hank Cooper will take over the reins.

Givins singled out these players as having "good backgrounds": Gary Owens, Jim Consentino, Ken Kline, Ron Harmon, Mike Thumber, Marion Chandler, Don Teegem and Darion Houpt.

KHSC ON IN DORMS

Dormitory rooms are once again receiving broadcasts from radio station KHSC, following completion of repairs to the transmitter.

Sound boards to enable AM radios to receive the broadcasts are available from the head residents. Reception in the dorms should be superior to previous semesters, according to station manager Ron Malone. KHSC broadcasts at 700 kilocycles.

'Jacks Face 'Sleeping Giant'

Sarboe Rates Nevada Personnel FWC's Best

Faced with the possibility of losing two straight games for the first time since 1959, the HSC football team travels to Reno tomorrow afternoon for a contest against talent-laden Nevada University.

Nevada got off to a very impressive start this season with victories over Whittier, 21-6 and Redlands, 33-0. However, for some strange reason the Wolf-Pack has not won since. They were upset by Chico, 21-7; and the Cal Aggies, 8-6. The "sleeping giant" came awake a little bit last week and tied SF State, 14-14.

Speaking on Nevada, Lumberjack coach Phil Sarboe says, "They have the best personnel we've faced all season. If they jell this week we'll be in trouble." Sarboe feels his team will be mentally ready for Nevada, but that the weather and the breaks will go a long way in determining the outcome.

Bob Enzell, a transfer from Bakersfield JC and Houston, has beaten out the 1961 'Pack quarter-

back Jack Renwick, who also is from Bakersfield. Both of the mentioned played on the Renegades' 1960 Junior Rose Bowl squad.

Another member off of that '60 Bakersfield team is speedster Cal Campbell, a 170-pound senior. Campbell scored both of NU's touchdowns in its 14-16 losing effort to HSC, last year. In all, Nevada has 25 returning lettermen and many players from all corners of the United States.

One of coach Dick Trachok's top linemen is Tony Klenakis, a 220-pound all-FWC tackle from North Agawam, Mass. Klenakis is used mostly on offense, but can go both ways.

Another outstanding lineman is Dick Pinion, a watch-charm guard from Alameda, Pinion, who stands 5'7" and weighs 185, is regarded as Nevada's team leader on defense. Center Dave Lundy (6'1", 213) has the big job of filling Max Culp's shoes. Culp, a two-time all-FWC selection, graduated last year.

There's good news for Humboldt as far as physical condition is concerned. Wendell Hayes, slowed for two weeks with a leg injury, should be ready to go full-blast Saturday, according to coach Sarboe. Frank Maltagliati and Frank Buda also have recovered from minor injuries against the Aggies.

Earl Love, an outstanding performer in HSC's first four games, returns to the offensive backfield at fullback-wingback. Replacing Love on defense will be Mike Sotina. Scott Nelson, who suffered a concussion against the Aggies, is expected to be back at his tackle spot. This means that Bill Vines can return to his defensive end spot where he is sorely needed.

Just who will start at quarterback for Humboldt is a big question mark. All three signal callers saw action at Davis and no one is too sure whether Toft, Sousa or Feekees will get the call.

Feekees, a starter all last year and the "forgotten man" in '62, came off the bench to almost pull the Aggie game out of the fire. Toft and Sousa both had their good and bad moments against the Mustangs.

Unless there is some last minute changes the 'Jacks will go with the same teams, except for the above mentioned switches. If Humboldt scores a TD this week or attempts a field goal, Drew Roberts will probably handle the kicking. Ike Peterson will continue to do the punting for the Lumberjacks.

DREW ROBERTS

Harriers Down Cal Aggies In Season Opener

Transfer Bill Farlatte set a new University of California at Davis cross country course record as he led the HSC thinclads to a 19-36 victory in their opening meet. Farlatte covered the 4 mile course lane in 22:29.6, as the harriers posted an identical score as last year's win over the Aggies. Teammate Tom Beck placed second in 23:31, edging Aggie Bruce Zoller. Beck passed Zoller in the second half of the race to give the 'Jacks a 1-2 edge. Cross country is scored by positions at the finish of the race, with the team with the lowest number of points winning.

Freshmen Pete Sturman and Jim McLaughlin finished fourth and fifth. Senior Len Ehlers placed seventh, bringing the 'Jacks to within four points of a perfect score.

Junior Jacks Seek First Win Tomorrow Against Chico 'Kittens'

Humboldt State's Junior Varsity looks for their first victory of the year tomorrow morning when they meet the Chico State Wildkittens at Chico.

The Junior Jacks dropped their first three decisions and will be hungry for a win. In the season opener against San Quentin the Pirates came out on top 35-6.

The following week it was all Santa Rosa as the Bearcats ran over the Hilltoppers 32-0. Two weeks ago in muddy Redwood Bowl the Shasta Junior College Knights "swam" their way to a 14-0 win.

Coach Jim Musik said he had no information on the Chico eleven and named his starting offensive lineup with: Gary Gans and Carl Del Grande at the ends, Dave Sinjem and Dave Larison at tackles, Mike Farley and John Nissen at guards, and Bob Laustalot for center. In the backfield it will be Dan Ball at quarterback, Jim Brown and George Muzio at

halfbacks and Larry Miller Wingback.

On defense it will be Joe Menzies and Ken Miller at ends, Laustalot and Larison at tackles, Larry Johnston and Sinjem at the guards. In the defensive backfield it will be Cal Lusk, Ron Maher, Dan Post, Tom Holden and Dan Lewis.

The Wildlife Club and the Knights were formed in 1946.

Cross Country Kicks Off Mural Season

The 1962-63 intramural season was kicked off yesterday with the running of the intramural 2 mile cross country course.

Included in the next two weeks are tennis and golf tournaments.

Over twelve teams have expressed interest in the flag football program. Student director Jim Malone is holding a meeting for those interested today at noon in the brown house. A minimum of six players is required to enter a team.

Malone is assisting Dr. Ford Hess in the program.

Malone released the winners of last year's intramural season. Dave Ostelo of Redwood Hall second. Bob took "Mr. Lumberjack" honors while teammate Joe Sargis was runner-up.

Vargas captained Redwood Hall second floor, which took the overall team honors with the highest number of points accumulated over the year.

Practice for flag football begins next week with games to begin as soon as the field house is available.

Harriers Try For Second Straight Win

HSC's cross country team try to make it two in a row tomorrow as they meet the Chico State Wildcats in an inter-conference meet.

The 'Jacks, fresh off last week's win over University of California at Davis can break last year's dismal 1-4 win record with a victory.

Approximately the same team that defeated the Aggies will compete against the Wildcats this weekend.

Coach Ford Hess rates the team as much stronger than last year's group even though this is a building year with three of the first five freshmen.

Evidence of this is shown in the positions of the team members. The two returning lettermen, Eber Lusty and Len Ehlers, were among last year's top three and this year they are battling it out for the number five spot.

Making the trip will be: Bill Farlatte, Pete Sturman, Tom Beck, Jim McLaughlin and Eber Lusty. Lusty beat out Len Ehlers in Tuesday's time trials to make the travel squad. He barely edged Ehlers at the finish line of the four mile race for the spot.

Moore Attends CSCSPA Meet At San Jose

Jack Moore, ASJC president, attended a CSCSPA (California State College Student President's Association) convention at San Jose State last week.

Sixteen colleges were represented by their various ASJC Presidents. Presiding officer was Bill Hauck, ASJC President at SJSC. The main topics of discussion included the progress of the college union program. Money will be available through the sale of bonds for college union construction.

A resolution was passed for the acceptance of and support of proposition 1A. All state colleges are in support of the proposition and have set up individual programs for the campaign.

The issue of out-of-state tuition for intercession students was brought up. The CSCSPA generally felt that they should be admitted as regular students and need pay no extra tuition fees.

Among those attending the meeting were Dr. M. Bruce Fisher, Dean of Instructional Relations and Student Affairs, Mr. Don Muchmore, Vice-Chancellor of California State Colleges and chairman of the state executive committee for proposition 1A; Mr. Louis Heilbron, chairman of the Board of Trustees for California State Colleges and Dr. Stanley C. Horst, Dean of Students, SJSC.

HSC Students Dazed By Kennedy's Speech

On a campus that was nearly deserted because of the late hour, groups of students and staff gathered Monday wherever there was an available radio or TV set to hear President Kennedy announce to the nation his 7-point program for containing Soviet aggression from Cuba.

In the cafeteria, the clink of silverware and the buzz of conversation was stilled as approximately 60 students gave absorbed attention to the historic message delivered over the P. A. system.

"I hadn't known the President was to speak," said Mrs. Mike Lagen, a junior music major, "and when I came into the cafeteria after the broadcast had begun, I couldn't understand at first the incredible quiet." Mrs. Lagen, who reported that her husband was of draft age, expressed fears for his future.

Reports from all campus areas emphasized the quiet that prevailed during the President's address.

"You could have heard a pin drop," was true, according to student statements, of all campus listening posts.

A half-hour after the broadcast,

students still seemed prompting before they were able to express their reactions. "It sort of dazes you," said Corliss Haakon. "I don't know what to say because it's so overwhelming."

All women students and most men, however, freely admitted to having had sensations of fear. The fears of women were expressed most usually in terms of their concern for male relatives.

"Yes, I was afraid," said Pam Schoenbeck, a physical education major in her senior year. "I thought sure the President was declaring war, and I have a brother in the air force in Germany."

"Why wasn't he more specific about his plans for service men?" asked Mrs. Margaret Falkenberg whose husband, a marine, is stationed in San Diego. "Will present enlistments be extended? What about the reserves?"

"It had to be done," said Rock Warlick, a veteran, "and while I believe war is ultimately inevitable, I don't think this will trigger it."

Bruce Bury, third year zoology student, while approving of the President's action, indicated that

he believed some episode growing out of the blockade would trigger nuclear warfare.

"It was the only thing to do," agreed Ed Kreps, a sophomore psychology major. Kreps stated that emotionally he felt that war was inevitable, but that present action on both sides would be "limited to skirmishes."

Les Schmitter, a business administration major with three years' active service behind him expressed an opinion that was typical of campus ex-service men. "So far, so good. He hasn't called up the reserves yet."

Health Service Available For HSC Students

It's "hand out pills, and cure the ills" as the Student Health Center is once again busily administering to the aches and pains of HSC students.

Director of Health Services Dr. Donald Bux heads the staff which includes Dr. Kenneth Smith, college physician; Dr. Philip Dohn, team physician and orthopedic consultant; college nurses Drs. Jeanne Brown and Mrs. Ilene Rickard; Mrs. Toni Rosasco, receptionist; and Mr. Bruce Pesia, lab technician.

Office hours are 10:00 a.m. to noon and 2:00 to 4:00 p.m., but on-campus residents may, in case of emergency, contact the center employees during the week-ends.

The Health Center cares for all routine examinations, medical needs, medication and immunizations free of charge. Excuses from classes are also given if the patient has been treated either at the center or by his own physician.

The center treats an average of 75 students daily, but occasionally the list runs as high as 100. Throughout the day, broadcasts from KINS radio station are played in the lobby. Magazines and a study desk are also available for student use.

Polio-prevention Sabin-on-sugar cubes—type No. 2 and type No. 1—will be available soon.

Any student may begin or complete his series of inoculations during the coming series. But he may not take all types during October as there is a four to six weeks waiting period between type shots to insure their complete safety and effectiveness.

New Machines Aid Students in Library

Students and other users of the Humboldt State library may obtain reproductions of pages from newspapers, books or periodicals through the services of two types of machines, according to Mrs. Helen Everett, College Librarian.

The machines include a photocopy, which will reproduce a page from a book or magazine, and a microfilm reader-printer, which scans and reproduces anything on microfilm.

New microfilm readers are also available at the library.

Reflections of Telstar

Remember the picture above? It flashed across your television screen on a hot night last July. Perhaps you remember that it originated from France. And that it reached the U. S. via Telstar, the world's first private enterprise communications satellite.

Since that summer night, the Bell System's Telstar has relayed electronic signals of many types—television broadcasts, telephone calls, news photographs, and others.

But there's one Telstar reflection you might have missed. Look into the faces of the Bell System people below and you'll see it. It is the reflection of Telstar's

success that glowed brightly on the faces of all who shared in the project.

Their engineering, administrative and operations skills created Telstar and are bringing its benefits down out of the clouds to your living room.

These Bell System people, through their talented, dedicated efforts, make your phone service still better, more economical, and more useful.

The reflections of Telstar are many.

1-A from the Ballot

FOR BONDS TO PROVIDE STATE COLLEGE, JUNIOR COLLEGE AND UNIVERSITY FACILITIES; TO PROVIDE FACILITIES TO CARE FOR MENTALLY RETARDED AND MENTALLY ILL AND TO PROVIDE NARCOTICS CONTROL, CORRECTIONAL AND FOREST FIRE FIGHTING FACILITIES. (This act provides for a bond issue of two hundred seventy million (\$270,000,000). Eighty percent (80%) of the total amount of the bond issue will be used for the building construction, equipment and site acquisition needs for the California State Colleges, the public junior colleges, and the University of California.)

Prop. 1A Series Ends

Measure Means Million Dollars In Area Projects

Editor's Note: This is the second of a two-part series on Proposition 1A, which will appear on California voters' ballots Nov. 6.

By DON CARLTON
Assistant Editor

Proposition 1A means \$270,122,098 in funds for State of California building projects. \$1,125,700 for Humboldt County, and \$805,700 for Humboldt State College.

It also means a boost in the state's net bond debt, from \$2.54 per \$100 of personal income to \$3.02 per \$100 (excluding self-liquidating veterans and harbor bonds).

Stated in terms of finances alone, that's what Proposition 1A means to California's voters. But there are other ways of pointing out the impact of the measure that will be before the voters Nov. 6.

In terms of the needs of higher education, Proposition 1A means room for 120,000 new students who will be asking for junior college, college and university training starting in 1965.

The huge post-World War II baby crop, now reaching college age, could not be accommodated by present educational facilities in California. The addition of 120,000 students represents a 40 percent increase over present enrollment.

Eighty percent of the \$270,122,098 will be earmarked for higher education. A list of 327 projects has been set up for the branches of the University of California, the 18 state colleges and the junior colleges.

Humboldt State College's projects, along with their priority rankings, are among the 327 projects, include:

Priority 2 — child development laboratory, \$82,000.
Priority 20 — marine fisheries facility, \$512,000.
Priority 39 — women's athletic fields and tennis courts, \$176,150.
Priority 40 — gymnasium remodeling, \$85,550.
Priority 67 — equip marine fisheries facility, \$50,000.

Other projects in Humboldt County, which boost the county's total benefit from 1A to over a million dollars, include:

Alderpoint Forest Fire Station, \$110,000; and Leggett Valley Forest Fire Station, \$110,000.

The two forest fire stations are included among 68 projects for the departments of Corrections, Youth Authority, Mental Hygiene and Conservation.

1A Means Work, Colleges
Outside of Humboldt County, Proposition 1A means two new University of California campuses, two new state colleges, major student capacity increases at seven University campuses and 15 state college campuses, and new classroom construction for public junior colleges throughout the state.

In terms of employment for the construction trades, Proposition 1A means work on \$270 million worth of projects.

Opponents of the proposition believe that California should go back on a pay-as-you-go basis for state construction with bond issues used only for financing non-recurring capital expenditures.

Education needs have traditionally received high priority on bond issues and public approval, they say. Therefore, only the amounts necessary for the State University and colleges should be included in this bond act.

Junior colleges should continue to finance their own construction

programs, as they have done before.

Those against 1A believe that large amounts of money should not be committed to such areas as mental hygiene and correctional facilities until ideas and policies have been clarified.

Students Support Proposition

A committee of Humboldt State students supporting Proposition 1A has scheduled a variety of activities and promotions to be staged before the election Nov. 6.

Door-to-door campaigns in Redwood and Sunset Halls have been arranged. Banners are to be displayed at prominent campus locations urging students to "SUPPORT PROPOSITION 1A" and "WRITE A LETTER HOME."

Because the HSC Committee for Yes on 1A has estimated that \$200 is needed in student body donations to support the local area promotion, a "Dime a Student" campaign is also staged.

Literature on the proposition is available from the committee members, who are Ange Pierson, Rene Vit, Jennie Barnes, Carolyn Ziegler, Pam Remmers, John Curry and Stephanie Horel.

Committee members hope to enter a noncompetitive float in the Homecoming parade, supporting Proposition 1A.

Dr. William Ladd, assistant to President Cornelius Siemens, is local area coordinator for support of the proposition.

Leaders Back Proposition 1A

Local organizations and community leaders have joined the list of backers of Proposition 1A.

Among the local supporters of the measure are the Arcata City Council, Arcata Chamber of Commerce, Arcata Union High School Board of Trustees, Humboldt State Student Body, Beta Rho Field chapter of Phi Delta Kappa, HSC chapter 151 of the California Employees' Association, Eureka Chamber of Commerce, Humboldt County Board of Supervisors, Humboldt-Del Norte Committee on Political Education of the AFL-CIO, Humboldt State Academic Senate, HSC Advisory Board, and Trinidad Chamber of Commerce.

Individuals who have indicated their support of 1A include Dr. Homer Balabanis, John Mitts, Jr., Dr. Ralph Roske and Dr. Fred Telonicher.

Council Passes Resolution

For Prop. 1A

EDITOR'S NOTE — Three weeks ago the Humboldt State Student Council passed the following resolution pledging its support to Proposition 1A that will appear on the California ballot Nov. 6.

WHEREAS, California's future rests with its young people, and being depend on their education; its leadership and economic well-and

WHEREAS, in the next four years the chamber of California high school graduates seeking a college education will increase 40 per cent, and classrooms and laboratories will be needed for 120,000 additional students; and

WHEREAS, the State Legislature and the Governor have placed on the November 6 ballot Proposition 1-A, a \$270 million bond issue, 80 per cent of whose funds is directed toward expansion of California's Junior Colleges, State Colleges, and University campuses; and

WHEREAS, 20 per cent of these funds is committed to meeting specific and critical needs in the areas of assistance to the mentally retarded and mentally ill, forest fire fighting and conservation, and control of crime, delinquency and narcotics; and

WHEREAS, this organization strongly supports California's commitment to provide its most able young with a college education;

THEREFORE BE IT RESOLVED, That Executive Council of the Associated Student Body of HSC, meeting on this day of Oct. 9, 1962, does publicly endorse the passage of Proposition 1-A to make necessary provisions for the future of California higher education; and

BE IT FURTHER RESOLVED, That this organization does urge its members to work individually and as a group toward passage of this Proposition in the election of November 6, 1962.

Yes on Prop. 1-A

— EDITORIAL —

Governor Edmund G. Brown has called for Californians to stage a celebration as 1962 ends to mark the state's moving past New York at national population leader.

That celebration could be a period of lament for California's educators and future college students, however, if Proposition 1A fails to be approved Nov. 6.

The population explosion can be viewed with mixed reactions. While it has some positive sides, it also means that California's educational facilities are to be strained as never before.

A 40 percent increase in college candidates is predicted by 1965, just three years from now. Proposition 1A would go a long way toward giving those candidates an opportunity to receive the education they want.

If Proposition 1A is not approved this November, California may lose future benefits it would have gained from thousands of educated citizens.

These considerations have motivated dozens of professional and trade organizations to endorse passage of Proposition 1A. Some of the backers include the California Taxpayers Association, the California State Chamber of Commerce, the California Congress of Parents and Teachers, the California Teachers Association, the California School Boards Association, the County Supervisors Association of California, the California Farm Bureau Federation, and the California Federation of Labor.

Governor Brown and Richard M. Nixon also are in favor of the measure.

The "Lumberjack" joins these organizations and leaders in advocating approval of Proposition 1A.

SECRETARY VISITS HSC

Patty Brown, traveling secretary of Delta Zeta Sorority, spent this week visiting at Humboldt State with Zeta Iota Chapter of Delta Zeta. Brown, a graduate of Ohio State University, is from Cincinnati, Ohio.

This is her first trip to the West Coast, where she will be visiting colleges in California for the next several weeks.
