INTRODUCTION

Camp Hall is an idea for a summer camp-esque program that could be hosted at the Vet’s Hall for elementary aged children. It would take place over the course of a few days and would not be overnight.

Veterans/Fellows would be encouraged to participate in the camp and share things like crafts, basic survival skills, story telling, gardening, cooking, and science/exploration themed activities.

OBJECTIVE

Fellows and Veterans would work together to turn the Great Hall into a fake campground, develop activities to share to the campers, and teach children in the community valuable lessons in leadership, collaboration, and intergenerational understanding.

OUTCOMES

Aside from being a fun, engaging activity for children in the community, this idea would:

- Bring the Veteran’s Hall closer to its goal of being involved in K-12 education.
- Provide Fellows from all sites with opportunities for hours. Planning activities, decorating, advertising, etc.
- Give Legion Members the opportunity to be creative and work with kids.

CONCLUSION

I understand this project is a lofty goal and would require a lot of support from other fellows, College Corps, the Veteran’s Hall, and the local elementary schools. But, I believe it could be a really beneficial program for everyone involved. It could even become an annual thing. I want to start generating interest now so we can plan for next school year.
