Times like these can be rough
But we have to stay virtually together
To be tough
Washing our hands, and donating our cans
I'd rather be at school doing stuff

Elders and grandparents are still there
At home rocking in their La-Z-Boy chair
But now we have to treat them with even more care
And now everyone is cutting their own hair!

At the end of the tunnel there is a light
If everyone keeps going
The light will shine very bright
So people please stick with it
And give it all your might!
