Humboldt, Santa Rosa Gridders Meet Saturday at Albee Stadium

HARD GAME EXPECTED

WHEN RIVALS CLASH ON EUREKA LOT

With a capacity crowd expected to be in attendance, Humboldt State and Santa Rosa J. C. gridiron stars will renew their feud tomorrow afternoon at Albee Stadium. Humboldt will be attempting to avenge a 13-0 defeat inflicted on the locals last year by the Santa Rosans while the invaders will be endeavoring to uphold their reputation. Both are difficult tasks and the two teams are expected to display some dazzling football during the course of the afternoon.

Admission prices have been cut to 75 cents for adults, 35 cents for high school and college

students, and 10 cents for kids. This reduction is expected to bolster the attendance. This contest will be the last home engagement for Humboldt and everyone should see it. The local students are expected to have a large rooting section to atone for the poor representation at the San Francisco game.

Santa Rosa rules a slight favorite in the game tomorrow due to a very impressive record this year and her victory over Humboldt last year. The local team has promised to be in there fighting all the time and feels that it may take the victory. Although not at all confident, Coach Fred Telonichu says that the Humboldters have a chance to win and they may if they show the proper

spirit.

The green and gold warriors will be outweighed Saturday, the Santa Rosa squad averaging 180 pounds per man while we boast barely 175. This is not enough to make any great difference and what the Humboldt team lacks in weight will be made up for in fighting spirit.

The invaders also have the advantage of playing more games this year, having taken part in seven contests of which four were won. Humboldt has had but three engagements, winning one, tying one, and losing the other. The records of both teams for this season so far are as follows:

Santa Rosa—won from Mare Island Apprentice School, 70 to 0;

won from Modesto Junior College, 12 to 7; lost to Marin Jr. College 0 to 12; won from Weber College, of Ogden, Utah, 13 to 0; lost to California Polytechnic, 0 to 13; won from Moran Jr. College, 26 to 13; and lost to San Mateo Jr. College, 6 to 9.

Humboldt—won from Fern-dale High, 20 to 0; lost to Southern Oregon Normal School, 7 to 9; and tied San Francisco State Teachers College 7 to 7.

According to word from Coach Dick Blewett, of Santa Rosa, his team is well balanced and is the best squad ever to represent the school. Stars on the team include Mahoney and Salisbury, ends; Rose, guard; Braden, tackle; Mazza, quarter; Skinner and Holman, fullbacks, and Blanchard, Hart and Foster, halfbacks.

ZOOLOGY CLASS

WRITE PAPERS

Each member of the Zoology class has been asked to write a paper on some topic directly connected with animal science. These papers are to be thirty-minutes reading time long. After having been read to the class they are put on the zoology reserve shelf in the library for students to use. These papers are very interesting and worth while.

ZOOLOGY CLASS

TO "TAKE RIDE"

Some members of zoo. class plan "to go for a ride" for the cause of science. However this will not be the usual type of ride. They plan to take a boat ride out into Trinidad Bay to gather star fish from the rocks. They will be dissected in the lab.

TO THOSE WHO MADE PLAY DAY POSSIBLE

We realize the success of Play Day was due to the co-operation of many groups. We especially wish to thank the chairmen and their committees for their good work and also to thank Miss Sholty, Mrs. Gist, Mrs. Graves, and Miss Johnson for their assistance.

Have You Noticed---

Max Moore and Oscar Jordfald seem to be going strong. Say Max, you can't do that to Ugo and get away with it!

Did everyone notice how interested Ugo was in the Crescent City Yell Leader? He even came to the College Play-day to see her. Well! Well!! Well!!!

Say! Have you noticed Vera Linser and Paul Ely—if not—why not?

So you've decided to try your luck with another "College Girl", Reuel? Here's hoping you and "Libby" make a go at it.

Of late we have noticed Wayne Biord and Dot Williams together frequently. That's an elegant combination. Congratulations!

Mary Neilson and Don McMillan are always in the library together. Is it studies that cause this—?

The freshmen are at it again. One romance that seems to be of the enduring type is that of Alton McLaughlin and Alma Ruth Sweet!

"Christie" sure knew her onions when she saw what kind of people Chan usually goes out with, for instance the brunette from Africa.

Have any of the girls over here got a chance with you, Buck, or are you going to follow your family tradition and go with Lois Canepa?

Was "Donnie" at the game with Gra-

ham, Dixie, Oh, if she could only cook!

We hear blondes are becoming extinct, but you wouldn't think so to look at "Jep" and "Libby."

"The Valiant" Coming Soon

After their successful production of "Grumpy" the members of the dramatic workshop are preparing a group of interesting one-act plays.

"The Valiant," a modern tragedy, will be especially featured by the Humboldt players. This story of a condemned youth who went to the gallows with his identity chained to his soul to save a mother's heart, is truly a powerful story and a dramatic masterpiece. Men tried and failed to pierce his conscience to probe loose the secret that he withheld from the world until a girl nearly melted his heart.

"The Valiant", by Halsworthy and Hall, has toured the large vaudeville circuits, featuring Bert Lytel. Later the motion picture was made by Fox, featuring John Mack Brown and Paul Muni.

The cast is as follows—
The Warden.....Louis Tallman
The Priest.....Chester Groom
The Girl.....Clara Taubman
The Jailer.....Buster DeMotte
The Condemned Boy.....James Usher

UPPER CLASSMEN

WIN FROM FROSH

The upper class girls' hockey team took a fast game from the freshmen girls Wednesday afternoon by a score of 2 to 1. The frosh played a fine game and are to

be complimented on holding the Junior and Senior girls to such a close score. Monica Wright and "Squeal" Winter refereed the game.

WM. LEE GREENLEAF TO GIVE PROGRAM AT ASSEMBLY MONDAY

William Lee Greenleaf, dramatic reader, will give a program at a special assembly to be held at 10 o'clock Monday of next week in the college auditorium.

Mr. Greenleaf is already well known to residents of this section. He has appeared at the college in previous programs, was one year the judge at the Speech Festival held at the college, and in the summer of 1929 was a member of the college summer session faculty.

The program, which will consist of reading from "The Merchant of Venice," from "Rip Van Winkle," and of some of the poems of Riley, will be open to the public. No admission will be charged.

LINEUP SET FOR SANTA ROSA GAME

Coach Fred Telonichu announced the following starting lineup for the game tomorrow:

LEE NELLIST.....	End
ED. JOHNSON.....	Tackle
GEORGE GREGORY.....	Guard
"RUDY" KASKI.....	Center
"DICK" DERBY.....	Guard

"THIS ROOM"

IS NOT TO BE USED AS A CLUB ROOM OR PRIVATE STUDY. ITS USE IS LIMITED TO THOSE STUDENTS WHO HAVE ACTUAL NEED OF THE BOOKS AND MAGAZINES."

The above notice hangs over the door which leads to the mezzanine room of the library. How many students have seen it we do not know, but we do know that there several students particularly freshmen, who take delight in ignoring the sign, and continually are found upstairs. There is nothing wrong with their being there—provided, they make use of their time in looking up some material which must be gotten from the books or magazines there. But these same students use this room for their private chattering and talk-fests or to do their other work which could just as well be done on the main floor. There are many others who are deprived of the privilege of using the magazines upstairs, and it becomes rather monotonous to find that day after day, the same students have taken their seats doing other work. A little more thought will be greatly appreciated, and, frosh, use your common sense!

More Improvements Needed

Mud and dust are not very agreeable, especially when collected on one's shoes, stockings, and other clothing. This seems to be the opinion of all Humboldt State practice teachers and training school students who have to make use of the path down the hill back of the college in order to reach the athletic field. This path is covered with a layer of dust, finely ground and easily stirred up, several inches thick when the weather is dry, and now that the rainy season is upon us, the path becomes a slippery trail that is apt to cause some one to slip and ruin a suit of clothes or a coat or dress. Several teachers of the elementary school have complained and the Lumberjack feels that the construction of a board walk down the hill would be a very worth while project for the College Civic Club, already the donor of many beneficial projects in the inner court. How about it, C. C. C? At least inquire into the matter and see how conditions are on the path back of our college.

We Want Cooperation, Students

Students! Do you wish to have a regularly printed paper or a mimeographed edition just occasionally. If it is the former, we hope sincerely that you realize that it will be possible only by soliciting advertisements from Humboldt County business men. In order to get ads and not leave the impression that the money we receive is charity we must show the men who advertise in our paper that they will get good returns for this investment. This will be accomplished only by you students, readers of the paper, and for whom the paper is being printed, patronizing the advertisers or at least showing them preference when you have something to buy. It would be a good idea if you could just drop a hint that you "saw the ad" in the "Lumberjack" and dropped in to make a purchase.

W.A.A. PLAY DAY GOES OVER BIG

The Play Day, held Sat. Oct. 31, was one of the most successful ever sponsored by the college girls.

Nearly 200 girls participated in the various events of the day. There were girls from Eureka Hi., Del Norte Hi., South Fork Hi., and Fortuna Hi.

Pep, sportsmanship, cheer, loyalty, team-play, fun and friendship were the watchwords of the Play Day. Humboldt represented hospitality, and acted as hostess to the high school girls representing schools from Humboldt and Del Norte Counties.

These eight watchwords were used to adorn the program covers, appeared in the theme song which was sung upon several occasions, and were placed upon the tables in the Commons and formed the basis for the toasts given at the luncheon.

In the morning at 10:30, all girls assembled in the gym, and were grouped in their respective color teams. The day started with the Virginia Reel, followed by relays of different types.

Then the Posture Parade was held by all schools with the Junior Hi School of Eureka winning the pennant offered for superiority in this event, while Ferndale placed 2nd. Helen Runzie of Eureka Jr. Hi. School was awarded the blue ribbon for 1st place in the individual posture parade, with Audrey East of Fortuna 2nd and Vilena Bryant of Fortuna 3rd. Judges for this event were Mrs. Graves, Miss M. Wright and Miss A. Craig, of H.S.T.C. faculty.

In the exhibition hockey game, played on the college athletic field, the team composed of Fortuna Hi. School girls in the forward line, and of H.S.T.C. girls in the backfield defeated their opponents (constituted in exactly opposite formation) by score of 1-0. The match was played with Fortuna and H.S.T.C. girls as these are the only two schools in the county having hockey in their athletic program.

At 12 o'clock, everyone went to the Commons, where a grand dinner was served under such names as "Spud Mashies," "Wrestling Mat Loaf," "Sliced Red Tennis Balls."

The tables were decorated with colors of eight schools represented. Each school had its own section and there was a crepe paper hat in respective school colors for

each girl.

Ione Russell made an excellent toastmistress and Janet Stewart, song leader. The theme song to the time of "Ho Hum" was introduced by 'Deevei' and Clara Taubman. Florence Theophilus was pianist, and Squeal was yell leader. Short talks were given by A. Craig and M. Wright, by Pres. A. Gist and by Christie, Pres. of W. A. A. Many of the songs and yells which were given during the course of the luncheon were clever original ones presented by the different schools.

The program in the Auditorium following luncheon was given by W.A.A. under direction of Marie Adams.

Selections by Pep Orchestra.

Reading—Freyja Christiansen.

Tap Dance—"4 Wonders, Amy, Squeal, Melpha and Christy—It's a wonder they got along."

Skit "High-powered Advertising"—Louise Johnston, Natalie Thornton.

Piano Solo—Florence Theophilus, where stunts were given by the visitors. The Eureka Junior Hi. gave an excellent tumbling exhibition. Tap dances and acrobatic stunts were given by Eureka Hi girls. Arcata Hi. girls presented an old time circle dance in old fashioned costumes.

For the remainder of the afternoon, games—basketball, volleyball, baseball, tennis and dodge ball were played; the teams being designated by colors and each team composed of 9 girls, there being 17 color teams in all.

The Play Day closed with an hour of social dancing in the gym. Music was furnished by the Pep orchestra. The members—Ruth Carroll, Barb. Stewart, Amy Vance, Wilma Wagle, Dee Henders and "Gook" Cochrane.

Much credit is due the committees in charge of the Play Day, of whom the chairmen were—

Ione Russell—Gen. Chairman
Publicity—Al Renfro
Refreshments—M. Carter
Registration—Edith Cameron
Reception—A. Combs
Games, plays and posture—Christy
Orchestra—R. Carroll

Also to Miss Craig and Miss Wright for their untiring efforts to make Play Day a success.

Humboldt Eleven Battles San Francisco to 7-7 Tie

Showing the spirit that a team which won't be beat can't be beat Humboldt's eleven scored a moral victory over the S. F. T. C. where they battled the southern team to a 7-7 tie at Albee stadium, Saturday, October 24th.

San Francisco took the lead in the second quarter when they scored a touchdown and converted. However, Humboldt came back strong in the second half, led by Val. Parton, hard hitting fullback. Twice they marched down the field only to be stopped within the one yard line.

The third time they would not be denied and Simpson passed to Tatman for

the touchdown. On a faked dropkick Parton carried the ball through the center of the line to tie the score.

Leo Sullivan at end was the outstanding player on the Humboldt team. "Sully" was in on every play and made more tackles than any of his team mates.

The following players took part in the play for the green and gold team:

Nellist and Sullivan, ends; Nielsen, Penn, and Johnson, tackles; Derby and Gregory, guards; Kaski, center; Simpson, quarter; Moore, Murphy, and Tatman, halves; and Gould and Parton, full.

Trojans Start Volley League with 28-14 Win

Evan Aikins' Trojans started the volleyball tournament at H. S. T. C. with a 28 to 14 win over Bert Munther's Stool Pigeons. The winners displayed better teamwork than their opponents and won handily.

The play of Aikens, Fred Goodwin and Ruth Carroll was outstanding for the winners, while Munther and Samons stood out in the Stool Pigeon lineup.

The teams line up as follows:

Trojans:	Stool Pigeons
Aikens	Munther
Carroll	Samons
E. Johnson	Cannam
A. Johnson	Williams
Goodwin	Ehrlich
Mendes	Bryant
Gallagher	

Giuntini New College Champ

Ugo Giuntini won the college tennis championship last week when he defeated Wilson Woodcock, 6-1, 6-0, in the finals of the mens singles with the loss of only one game. Giuntini had won his way to the final round by scoring a surprising upset over the former county champion and favorite, Harold Brogan, 7-5, 6-2.

MIXED PLAY TO BE ENDED

Wilson Woodcock and Al Renfro entered the finals of the mixed doubles tennis tournament by defeating the Patenaude-Warren combination, 6-0, 6-1, last week. They will meet the winner of the Brogan-Winter vs. Giuntini-Vance match for the school championship.

Volley League Now Under Way

With eight teams entered in competition a volleyball tournament has started at H. S. T. C. The captains met with Edith Cameron, volleyball manager and chose the team.

Samons, D. Ivancich, Cannam, Bryant, Williams and Ehrlich.
Evan Aikins' Trojans—
Carroll, Gallagher, Mendes, R. Goodwin, Alice Johnson and Ed. Johnson.
Wilson Woodcock's Bronchos—

Upsets Prevail as Preppers Win

Upsets seem to be the rule in tennis this season rather than the exception. Laurence Elmore, quarter-pint high school player won from Ugo Giuntini of the college in 3 hard sets in the first match of the H.S.T.C.—A.U.H.S. tournament. Sam Davis defeated Wilson Woodcock in straight sets while Dick Derby and Arne Sundberg lost single matches to Leslie Linser and Howard Kester of the prep school.

Matches remaining are: Harold Brogan vs. Wayne Schorlig.

Eddie Samons vs. Angelo Fanucchi.

Dave Nelson vs. Myron Schussman.

Peppy Student Meeting Held

The first real student body meeting of the semester was held last Friday with President George Gregory presiding. Following the reading of the minutes by Secretary Ione Russel a report of the college's finances was given by Ugo Giuntini, Treasurer.

Under new business the project of publishing an annual was brought up by George Monroe, who had been appointed to investigate the possibilities of such a step. After much discussion Monroe was instructed to make a survey of the county and find out the approximate amount of advertising the annual would be able to expect from Humboldt business men.

President Gregory announced that there would be a regular student body meeting once each month for a full hour.

A motion was passed to ask the administration to place soap in the men's shower room in the gym.

The president was then instructed to appoint a tennis manager to investigate the possibilities of an inter-collegiate schedule for our tennis team.

A reduction in admission prices for the Humboldt-Santa Rosa football games was voted. The new prices are: Adults 75 cents, College Student Body members and High School Students 35 cents, and kids a dime.

It was decided to hold an informal dance in the gym following the Santa Rosa game, which is to be held at Albee Stadium in Eureka. The rally Thursday is to be "Pajama Rally" it was decided. All students who can are to come attired in Pajamas.

Through a misunderstanding, the faculty members present thought they were not wanted and left in the middle of the meeting. The secretary was later instructed to invite all faculty members to the student body meetings because the majority of students really wanted them to be present.

Upon a motion by Ruth Carroll the meeting was adjourned to allow students to attend their 4th period classes.

"I'll be pulling out tomorrow. Wish me luck."

"Leaving town?"

"No. Opening a dental office."

Standards Set for those Who Plan to Teach

An average of "C" in all studies and the possession of certain desirable personal qualities—as well as the absence of certain undesirable ones—will in the future determine whether students enrolling in Humboldt State Teachers College will be permitted to do student teaching in the college elementary school.

Since a semester of practice teaching is necessary to obtain a teaching credential, this means that students who do not meet the standards will not be allowed to teach.

The grade-standard ruling, adopted at a meeting of the faculty this week, reads as follows: "That this College have a scholarship requirement of a general 'C' average as a pre-requisite for entering student teaching, this regulation to go into effect with the freshman class entering in the fall semester of 1931."

The faculty also adopted the recommendation "that this college have a personality rating for prospective student teachers." This personality standard is necessarily more indefinite than the "C" grade standard in all subjects; and the exact list of qualifications to make up the personality rating and the mode of handling will probably have to vary in different cases, according to President Gist. Among the qualities that probably will be taken into consideration will be personal neatness, dependability, industry, refinement, character.

Although it is difficult, according to President Gist, to state in advance the exact degree of a positive qualification that will be considered necessary, there are two practices which are certainly undesirable because they make one's student teaching less effective, because they interfere with one's obtaining a position, and because they may jeopardize a position once obtained. These are public "petting" and smoking.

Speaking from long experience as a

public school administrator, President Gist said that he had come to the conclusion that no matter what the parents may accept in other people with whom they come in contact, they do not want these traits in those who teach their children.

This week a committee from faculty members outside the elementary school has been interviewing prospective student teachers and rating them. President Gist said that he wanted the instructors in the academic subjects to do the first rating, because Humboldt is primarily a teacher-training institution and it was important that instructors in academic subjects get the teacher-training viewpoint by close contact with prospective student teachers.

The judgement of the various committee members will be made into a composite rating. Any student who was rated and desires to know his composite "grade" can obtain it by calling at the office of Miss Imogene Platt, registrar.

President Gist Leaves for East

President Arthur S. Gist of Humboldt State Teachers College left Arcata Wednesday night for Los Angeles where he has gone to attend a conference called by Director Kersey of those engaged directly in teacher-training work in the state teachers colleges, and of the state teachers college presidents.

From Los Angeles President Gist will go to Des Moines, Iowa, where he is scheduled to make three addresses before the Iowa State Teachers Association meeting.

He will also give three addresses at Maryville, Missouri: two at the state teachers college there, and one at the Maryville Rotary Club.

President Gist will be away from Arcata for about three weeks.

Neville Crosby Winner of \$200 Character Prize

Neville Crosby, Arcata High graduate, and now a member of the Freshman class here, has earned a \$200 scholarship prize. This has come about after three years of association with the Leopold Schepp Foundation of New York.

Mr. Leopold Schepp started this fund after rising from a poor boy to a very wealthy man. He wanted to give other boys a chance to better their character by living the best life. He therefore appointed a committee of Trustees, who carry on the work of the Foundation.

Crosby became acquainted with the Schepp Foundation during his first two years in High School. After taking everything into consideration, he signed the Leopold Schepp Foundation Pledge. Some of the pledges were as follows:

1. To be loyal to my country, to obey the laws of the land which I live in, or in which I may sojourn.
2. To honor my parents and all to whom honor is due.
3. To be honest in all my dealings and endeavor to observe the rule: "Whatsoever ye would that men should do unto you do ye even so to them".
4. To abstain from all intoxicating drinks and harmful drugs.
5. To avoid the practice of gambling in any form.
6. To shun evil companions and avail myself of such moral and religious influences as are within my reach.
7. To cultivate those manly qualities which will fit me for good citizenship
