HUMBOLDT LUMBERJACK APRIL 20, 1933

NUMBER 14

FROSH MUST ABIDE BY COLLEGE TRADITION

BY-LAWS TO MEN'S ASSOCIATION CONSTITUTION PROVIDES PUNISHMENT

All frosh men and boys shall be required to live up to Humboldt traditions in the future, judging from the legislation passed by the Men's Association Monday noon.

Recently a committee headed by Gordon Hadley formulated the Ten Commandments, and Monday the same committee submitted rules for enforcement.

The rules are as follows and the commandments can be found on page four:

By-Law No. I

Section 1. Three upperclassmen shall be appointed by president of the Men's Association to act as judges in case of violation of any, or all of the Ten Commandments.

Sec. 2. Any sophomore or upperclassmen will have power to turn men over to custodian of the paddle, who will see that those who have broken any one or all of the Commandments are brought to court for a fair trial. While in court the custodian of the paddle will act as sergeant-at-arms.

Sec. 3. Men who are up for trial will be allowed to have an attorney to plead their case. No case will be allowed over five minutes, (unless more is granted by three judges).

Sec. 4. The power of three judges shall be equal. The decision of the majority of the judges shall determine whether or not a person is guilty. If they find

(Continued on page four)

Department Head Visits In Southern California

Miss Ann V. Craig, director of physical education, spent the Easter Vacation in Palo Alto and Long Beach. Miss Craig, who is a member of the executive committee of the Western Society of Departments of Physical Education for College Women, attended their 11th annual conference, held at Stanford University April 10, 11, 12.

Dr. Clark W. Hetherington, who was the first state supervisor of physical education in California and is now connected with the department at Stanford, led the round table discussion of physical education problems, mainly research problems needed in the field.

Following the conference, Miss Craig motored to Long Beach, where she visited the schools which are in progress on the school grounds under umbrellas and trees. Bungalows are being constructed on the grounds, rapidly and are probably in use now, she said.

Miss Craig said all whom she met in Southern California seem to be taking the recent earthquake philosophically. She also said she experienced a slight tremor the first night she was in Long Beach.

The Misses Eleanor and Margaret McCammon vacationed at their home in Fallon, California.

GIVE NAMES TO COMMITTEE

W. A. A. members who have preferences in the coming election are requested to hand the names of their candidates to the nominating committee: Janet Stewart, Eleanor Renfro and Lucile Winter, before 8 o'clock tomorrow.

NOVEL DANCE TO BE GIVEN FRIDAY

A Robin Hood Dance, sponsored by the Pi Alpha Pi Fraternity, will be given tomorrow night from 9 until 12 in the College Gym, music being furnished by Herb Inskip and his six-piece Collegiate orchestra.

Some of the decorations for the affair are being furnished by Jack Frost. Men are asked to wear either costumes or dark suits and the women may wear either costume, sport, or informal clothes. The bid rules concerning outsiders are to be strictly enforced.

Committees appointed by President Oliver Viale are as follows: Floor committee, Glenn Waldner; punch committee, Dale Merriam; orchestra committee, Oliver Viale; decoration committee, Paul Ely.

College Girls Go South for Vacation

Four Humboldt co-eds toured south for their vacations with Mrs. W. S. Boyd, from Arcata.

Bonita Hughes spent the week in Ukiah, Louise Johnston stopped at Petaluma, while Marjorie Torp and Janet Stewart went on to San Francisco.

Miss Torp visited the ancient frigate "Old Ironsides" in the San Francisco harbor.

Arcata Coach Speaks On Citizens Camps

The Citizens Military Training Camps constitute an important part of the national defense and are entirely supported by the Federal Government, according to Coach Claypool of the Arcata High School, who spoke to the Y. M. C. A. Tuesday noon in the Green Gate Room.

Eleven boys from Humboldt County will attend the largest of these camps this year at Monterey. Persons between the ages of 17 and 29 are eligible to attend.

MacGinitie German Gather Plants on Trip

H. D. MacGinitie, of the science department, and Dave German, Humboldt State Teachers College sophomore, collected specimens of fossil plants of their four day trip in Trinity County. They saw over 1000 leaf impressions while digging.

They explored two coal mines, neither of which showed any signs of plants.

At Redding Creek, which is 14 miles southeast of Weaverville, they dug for leaf impressions in old hydraulic workings of the Placer Mining Company.

Observations made on this trip will be used in a paper on fossil flora of Trinity County by Mr. MacGinitie.

PRESIDENT'S WIFE TO HONOR WOMEN

WOMEN IN COLLEGE ORGANIZATIONS AND FACULTY TO BE FETED

An informal tea honoring the women officers of the student body and other college organizations, the women members of scholarship honoraries and fraternities, women faculty advisors of the groups, and the members of the Women's Advisory Council will be given by Mrs. Arthur S. Gist at her home Friday afternoon from 4 to 6 o'clock.

Mrs. Gist is anxious to make it known that the tea is "most informal", and all invited guests may come at any time between 4 and 6 o'clock. Yesterday she extended an invitation to the alumnae, saying: "It is hoped that many of the alumnae of the district will drop in for tea during these hours."

The tea, which is in honor of those women in the school who

(Continued on page four)

HADLEY APPOINTED TRACK MANAGER

Channing Hadley, Humboldt State freshman, was appointed manager of the college track team yesterday by the Executive Council.

Mr. Hadley has had a great deal of experience with track, coming to Humboldt with four years of high school track under his belt. While in high school he starred in 120 yards high hurdles, 220 yards low hurdles, the high jump and the broad jump. He is also a sprint man.

Track meets have already been scheduled with the Fortuna High School at Fortuna on April 29, and with the Arcata High School on May 3.

All men who are interested in track are requested to see Mr. Hadley as soon as possible.

Floriculture Is New Course in Botany Here

Floriculture, a new course in botany, will be offered beginning the spring semester 1934 at Humboldt State Teachers College. It will be known as Botany 10, and may be taken without any prerequisites. It is a three-unit course. J. Wendell Howe, assistant professor of biological science, will be the instructor.

The course will be given by one lecture a week and laboratory work in the college green house, according to Mr. Howe.

"The course will include propagation of plants by means of cutting and grafting, planting of home gardens and grounds and school gardens and grounds, and ordinary garden practice such as rose bedding, growing of plants, flowers, etc," Mr. Howe said.

Miss Maple Preston, Humboldt student, accompanied her parents to Colusa Friday, April 14, to attend the funeral of her grandfather. They returned to Arcata Sunday, April 16.

WILL GO TO CHICO

Miss Lucy Neely McLane announced Tuesday that the members of the casts of "The Valiant" and "A Wedding," would go to Chico for performance May 15, with President Gist and herself. They intend to appear in a program with Chico players.

DEBATING TEAMS TO ORGANIZE IN SPRING

According to an announcement made Tuesday by Miss Lucy Neely McLane, the foundations for a debating squad here next fall will be made this spring. Miss McLane said: "I see no reason why trips to the various state colleges cannot be made by a debating team. Non decision debates would help much to increase the spirit here, and among the numerous colleges with whom we may contact."

This spring starting next week debating will be the major activity of the two public speaking classes. During the last month of school Miss McLane intends to invite interested college students outside of the classes to compete against them.

The Forensic, which will be started next fall, will aim to affiliate with Pi Kappa Del Va, national forensic fraternity.

A Cappella Choir to Sing in Eureka Concert

The A Cappella Choir plans to give a concert program for the general public in the Eureka Junior High School auditorium Wednesday evening, May 3. A charge of 25 cents will be made.

The same program will be given by the choir that it will sing in the bay region may 8 and 9.

Music Professor Attends Western Conference

Mrs. Marie Ostrander, assistant professor of music, with Mr. and Mrs. Carl MacDonald, attended the California Western Music Supervisors Conference held in Oakland April 10-12.

Mrs. Ostrander acted on the nominating committee and was one of the hostesses at the banquet Monday evening.

Carl MacDonald is a graduate of H. S. T. C. and is now music supervisor of rural schools in Humboldt County.

College Scouts Have Another Outdoor Session

The college scouting class recently held another cooking session on a nearby hill top. The class is in charge of J. Wendell Howe, assistant professor of biological science, who said the boys showed signs of improvement. The boys made biscuits and miner's stew.

Gerald Henry used a lard pail to cook his stew, but had difficulty when handles melted off the pail. He dived for the pail and saved some of the stew.

Lew Erlich was the first to get his fire burning, and the first to finish making biscuits.

COLLEGE CHOIR WILL MAKE CONCERT TOUR

TO LEAVE HUMBOLDT MAY 6 TO SING AT BAY COLLEGES

The Humboldt Teachers College A Cappella Choir has accepted an invitation to sing at Mills College, San Jose Teachers College and Santa Rosa Junior College, and will leave for the trip on Saturday, May 6, accompanied by Director Edmund V. Jeffers, associate professor of music, and Mrs. Jeffers.

The choir will travel in private cars and will sing its concert program at the San Jose Teachers College assembly Monday evening, and at Santa Rosa Junior College Tuesday morning, May.

The A Cappella Choir, which will wear new black robes, will give about an hour and a quarter program, singing Russian compositions, English Madrigals, songs of religious character, and folk songs. Herbert Inskip, college student, will be piano soloist on the program.

Although the A Cappella Choir was organized only last fall, it has sung several times for college assemblies, twice for the University Club, gave a Sunday afternoon concert, sang for the Fortuna Monday Club, the Fortuna High School, and will sing at the baccalaureate service and commencement of the college.

A Cappella Choir Concert Program
Adoramus Te ----- Palestrina

(Continued on page four)

Van Duzer to Help With "Chimes of Normandy"

John Van Duzer, special student at Humboldt College, will be the stage manager for the light opera, "Chimes of Normandy," to be given by the music department May 17 under the direction of Edmund V. Jeffers, associate professor of music, and Mrs. Jeffers.

Mr. Van Duzer has had three years experience in stage work at the Eastman Theatre, Rochester, New York. He also directed one production at the Eastman Theatre.

Claude Kistner, Humboldt College student, is property manager for the opera and spent most of his Easter vacation collecting such articles as torches, spades, fishing nets, horse whips, and a picket fence.

According to the members of the opera cast, it might be a good idea to start a convalescent ward for students injured during rehearsals. It seems that Dorothy Jones sprained her knuckles pounding Janet Woodcock's shoulder during one scene, which made Janet's shoulder black and blue. It is said that Mr. Jeffers made the girls' chorus spend one whole period practicing courtesies which resulted in about sixteen stiff backs and many stiff legs.

Miss Sarah Davies, secretary to the president of Humboldt State Teachers College, spent Friday and Saturday in San Francisco and Oakland visiting friends.

Humboldt has lost one of its greatest men in the departure of Frederic M. Hollister for the East. Probably no member of the faculty has done more for deserving students than Mr. Hollister, and probably none was more loved by the students.

We regret that he left under such tragic circumstances, but we hope that he will find happiness and consolation in his children and his work on the "World Tomorrow".

H

Protection Needed

It seems that the archery targets have been sadly neglected in the past. No straw, however unperishable, can stand to be left out all night in the dense Humboldt fog, without some serious deterioration.

Possibly some department or organization might do a real service by getting a couple of canvasses to place over the targets in the evening. Targets are real expensive, so let's think it over!

H

"No Parking" Sign

What do you think of the suggestion of reserving about 30 feet of parking space of the college loop and placing "no parking" signs at each end?

We believe that whatever hardship it might work upon those who are accustomed to parking from the Redwood tree down the loop about 30 feet, would be compensated by the added convenience to those who bring oil, gas, and food to the Commons. At present, the deliverymen must double park in the loop, thus blocking all traffic. If anyone has a few minutes business in the school, he must double park or walk a fraction of a mile by parking down the hill.

The Lumberjack thinks that placing of a "no parking" sign on the loop would be beneficial. It would be a good project for a campus day squad.

H

SYMPATHY

Sympathy is extended to Earl Hemenway, whose mother passed away last week.

Sympathy is extended Mr. Frederic Hollister, whose wife passed away recently.

H

Mrs. Ruth Ballard de Menezes, a former student of H. S. T. C., and editor of the last edition of the "Cabrillo", has several poems in Mr. Harrison's book, "California Poets".

DAYS OF "BARN DOOR" ORDER ARE GONE BUT NOT FORGOTTEN

A semicircular group of college students surrounded the bookstore window; they also surrounded a lone unsuspecting boy who was gossiping with the keeper of the store. Suddenly the group, in concerted action, unceremoniously lifted the victim's feet from the ground. At precisely the same moment, the dispenser of school supplies took hold of his hands. The howling subject struggled vainly while he was being dragged back and forth over the rough concrete which lines the window sill. Two college professors poked their heads out of adjoining rooms in which they were administering knowledge and voiced their solemn disapproval of the unseemly racket.

Such was an initiation into the "Fraternal Order of the Barn Door," now extinct. This organization had its beginnings in the remote past and reached its climax of effectiveness in 1930. At that time Lawrence "Kurzmann" or "Shorty" Morris was president of the lodge. He was also the originator of the secret number which was "57," the same being the number of times Shorty received the honorable treatment described above. Besides a secret number, the order had secret handclaps, actions and words, to say nothing of the facial expressions.

Although not "okehed" by the student body, the Order of the Barn Door boasted a membership of at least half the male population of the college. But alas! its days are gone forever. No more can the halls re-echo with the shouts of anguish of the victims or the exclamations of glee of the torturers.

Why?

Because Jim Spiering and Alvin Burns no longer work in the bookstore; because a glass counter has been installed in the famous old window.

And so, gentle reader, the only remnants we have of this once famous society are a few wistful-looking students and a number of well-defined notches in the bookstore window.

H

TWO QUALIFY FOR H. S. T. C. ARCHERY FINALS

Archers had better get busy before May 12. That's the last day when the qualifying scores will be accepted by Coach Fred Telonicher.

Up to date only two have qualified for the novice tournament. Strangely enough the two are the editor and the associate editor of the Lumberjack who decided to take up archery during the spring vacation, and really decided to keep on with the sport. Gordon Hadley shot the score of 163 at 40 yards, and Ruth Carroll shot 156 at 30 yards. Hadley was required to shoot but 125, while the latter needed but 100.

Get going archers!

Pacific Archery Association Tournament Dates Announced

The Pacific Archery Association announces the following open tournaments:

Sacramento Archery Club — May 14.

Sixth Annual Tournament Pacific Association, Hilgard Field, University of California— June 24th and 25th.

Annual Tournament, Western Association, Del Monte, July 14th, 15th, and 16th.

Events scheduled for these tournaments include Columbia, National and Clout Rounds for women; York, American and Clout Rounds for men. Flight shooting and Robin Hood's legendary wand shoot for both men and women.

H

BREAKS ANKLE IN FALL

Katherine Crivelli fell and broke her foot at a party at the home of her uncle, Wednesday evening, April 5. Miss Crivelli, while dancing, slipped and in falling, her partner landed on her foot. She was taken to the Trinity Hospital for treatment. She has returned to school aided by crutches.

H

Mrs. Abel Rocha, graduate of Humboldt class '32, is the mother of twins; the boy, Tommy Lee, born at 7:15, and the girl, Sidney Lynn, at 7:30, Friday, April 14, at the General Hospital in Eureka.

College Nine Wins Over High School

The Humboldt State varsity defeated the Arcata High School nine Tuesday afternoon on the Arcata field in a five-inning game, 6 to 0.

Brownlow pitched good ball for the college, allowing the high school three scattered hits. Franny Moore received Brownlow's slants.

Bernardi held the college out-fit to six hits, but each hit was turned into a run by the hill team.

Lin Hartman, college short-stop, led the hitting for the day with a single and a double out of three times at bat. Brownlow garnered the longest hit of the day, knocking a home run with two men on.

HUMBOLDT DEFEATS EUREKA PREPPERS

The Humboldt State Teachers College baseball team defeated the Eureka High School nine recently at Albee Stadium by a score of 10 to 4. Rossig pitched three innings and Shively four for the locals, while Marshall pitched the entire seven for the college.

Guintini with a record of three hits for five times up took the batting honors for the game. Fortunately for the high school, the game does not count in the C. I. F. competition as the college is only filling in.

The box score:

Our Co-Eds Attend The Baseball Game

Ione Hamilton thinks a "fly chaser" is a newly invented insect powder.

"Marg." Rogers thinks a "slide" is more or less an irresistible descent of some hillside or mountain.

Harriet Finne says a "short-stop" is a brief sojourn at a jazz party.

Barb Stewart believes an "out" is "unconscious" Cedric.

"Mahoney" Ivancich thinks a "double" is two fellows taking her to a dance.

Eileen McNally says it was a "sacrifice" when Dottie turned down Peggie.

Elma Biasca, when she hears the phrase, "forced-run into home," thinks of James Guy and his love-sickness.

Evelyn Renner thinks "second base" is part of the college quartet.

Jessie Hinch: "Oh, who brought in that wild man with the muzzle on his face?"

Adelaide Wethern: "I think they ought to have a bargain day once in a while and give Gus more than three strikes."

Madeline Kammerzell: "What is 'Buz' going to use? A spit-ball? How disgusting!"

Dolores Henders: "Paul, I wish you would tell that pitcher to stop making all those motions. I'm getting nervous watching him."

Kay Garner: "Sh, Buck, I think we ought to report it. I heard someone saying that the player was going to 'steal a base'."

Eleanor Renfro: "I'm sorry I didn't bring my smelling salts. I just heard someone say that the player was going to 'die on third base'."

Amy Vance thinks a "delayed steal" is waiting for the proprietor to leave before taking action.

Catherine Englehart thinks a "grass cutter" is a sharp instrument which is used only in trimming lawns.

Zorie Ivancich thinks that when a player "strikes out" he is setting out on a long journey.

Louise Parker thinks a "home run" is a more or less rapid walk to one's place of habitation.

Arcata Nine Loses To Loleta Cannors

Playing good ball behind the airtight pitching of Seidner, the Loleta Cannors defeated the Arcata All-Stars 5 to 1, in a Humboldt Mid-County baseball league game held Sunday afternoon on the Loleta diamond.

Seidner let the All-Stars down with two lone hits, garnered by Guintini and Hemenway. He struck out seven batters and allowed three walks.

Timmons, pitching for Arcata, was touched for five hits. He struck out seven and walked two.

Jerry Grinsell, Loleta first sacker, walloped out a triple for the winners.

The lineups and scores:

The Low Down on Our Baseball Team

By L. H.

Coach Fred Telonicher's horsehide tossers are whipping rapidly into shape, tossing the old pellet around, and labeling that apple in their games just as if it were batting practice.

Wayne Simpson the younger of the Simpson brothers is going great guns behind the plate, but watch out Wayne for Franny Moore, he has a bullet arm, and when he hits them he sends the outfielders their carfare home.

The mound boys are having quite an argument about who is going to pitch the next game. Timmons looks plenty sweet and seems to have everything on the ball even the cover. Marshall has that old fast sinker ball that sends them back to the bench wondering what it is all about.

Brownlow hasn't had any starts yet, but looks right in there when he is warming up.

Gus Gregerson is sure getting a run for his money at the initial sack by the slender chap Calkins. Gus is a plenty sticker, but Calkins is a little weak with the willow.

The keystone sack seems to be well taken care of by Guintini, the heaviest sticker on the team, but one slip Ugo and the "Bear Cub" Canepa will be right out there.

"Jimmie" Hemphill has that torrid zone anchored, it takes a sweet hitter to hit one by Jim.

CO-EDS—your demands for a Silk Hose that would "stand the gaff" of campus wear and still be ultra smart, are the reason for the new

Brizards of Arcata

John Davitt is right their and takes advantage of Jim not showing up for practice.

Hartman seems to be having a tough time bending his back at the hot patch, he better watch his step or this guy Wilson is liable to show him some tricks he's never seen. Len has plenty of speed and when he zips the ball to first, it stays zipped.

In the outer garden Coach

Telonicher has an abundance of material, he has outfielders to burn. Hemenway has left field taken care of quite well being one of the fastest men on the team and very valuable.

Coach Fred has a lot of possibilities with the aggregation, if the fellows will get in and practice and play ball like they can, they will go plenty far.

HOW TO READ A BOOK

First, be sure to spit on your fingers. You will find page-turning much more easy.

Next, take the open book in both hands and give it a resounding "thwack" across your knees. This will break the back and add atmosphere. It will also provide against surreptitious page-turning and the consequent loss of a place.

Don't worry about soiled hands—be a "he-man," show you are not bound by conventions.

Be sure to "dog-ear" generously. Everyone does it. Besides, it is effeminate to use a book-mark.

Skip all the four to twelve syllable words. They don't mean anything. They're only put there to take up space.

Underline a sentence you especially like. Be sure to pepper the margins and chapter endings with aimless designs and sketches. This shows you are of a deeply sensitive and philosophical nature.

In reading a detective story, start with the last chapter. You can then witness the villain wrap his dastardly toils around the heroine with an easy mind.

Don't mind dropping or throwing a book or reference tome. The volume will soon take on a worn, antique appearance which will add to the value of a library.

Always remember that a book can be a much more capacious recipient of odds and ends than a pocket or purse. It makes an ideal resting place for a ruler, blotter, pencil, old test-papers, or even a vanity case.

Don't neglect tearing out an illustration or a poem which you especially like. It will never be missed, and everyone should have an art collection of some sort.

Don't worry if you skip a chapter or two, especially in historical biography. Most authors rave on and say nothing. You won't miss the gist of the plot; they're all alike anyhow.

If you come across an especially humorous passage be sure to share it with everyone around you. Slap your knees and chuckle loud and long. Let people know you have a sense of humor.

During the afternoon Mrs. Gist will be assisted by the following faculty wives: Mesdames E. V. Jeffers, J. W. Howe, H. P. Balabanis, F. Telonicher, and M. Hicklin. The Rousers will also assist in serving.

H

In the game at Loleta last Saturday between the Arcata All-Stars and the Loleta Cannons, Ugo Giuntini thought his legs were long enough to steal third when the pitcher dropped the ball. How fast can you run Ugo? Can you catch a clam?

College Class Is Sponsoring Series

The children's Literature class this spring is sponsoring a series of story-telling hours for the children of Eureka. Every two weeks three members of the class go to the Eureka City Library and tell stories for two hours.

Those conducting the period this Saturday, April 22, are Madeline Kammerzell, Jessie Hinch and Margaret Rogers. Miss Violet Stone is in charge of the class in Children's Literature.

H

Moore and Ely Take High School Boys to Camp

Francis Moore and Paul Ely took 13 Eureka High School boys to the Y. M. C. A. camp at Redway, April 8-13.

Paul Ely cooked for the bunch and collected some specimens for the Field Biology class, among which was a buzzard, the only one collected so far.

The boys went swimming the last day, but didn't stay in very long.

H

WATCHES ALMA MATER WIN

Miss Monica Wright of the college faculty spent her Easter holidays in San Francisco, where she visited with friends. Miss Wright left Friday night after school and returned last Thursday.

While in San Francisco, Miss Wright saw the University of Washington-California crew race in Oakland last Saturday. She also visited the San Francisco State Teachers College.

ARCHERS!

Frosh Must Abide

(Continued from Page One)

the accused guilty they will levy any punishment within reasonable bounds, on the guilty party. The custodian of the paddle shall execute all orders and all punishments levied by the judges.

Sec. 5. The custodian of paddle shall be a sophomore and shall be appointed by the sophomore class president. In case there is no organization of the sophomore class, the custodian of the paddle shall be appointed by the president of the Men's Association, not later than the first week of the fall semester. The custodian of the paddle shall be assisted by all Sophomore men.

Sec. 6. The trial for the defendant will take place not earlier than the next noon-hour after the crime has been committed.

Sec. 7. The sargeant-at-Arms will have official charge of the Ten Commandments. He will see that a copy is posted on the bulletin board, and a copy posted in the men's smoker.

H

The gymn class is getting kind of ritz of late. The boys play so hard that it is necessary to take a rest. During the rest period Herb Inskip renders a piano selection, while the boys become rested. Herb played between five and six numbers the other day. What a lucky class, or what a lazy class.
