NUMBER 11

VOCATIONAL CONFLAB TO START NEXT SATURDAY

ANNUAL GUIDANCE CONFERENCE FOR HIGH SCHOOL BOYS THIS WEEK END

The annual Vocational Guidance Conference will be held at Humboldt State Teachers College Saturday, March 4th. The object of the conference is to have boys consider their life vocations while still in high school. Professor C. Gilbert Wrenn of Stanford University, will give a series of talks to help the students choose their careers.

Ralph Doughty, principal of Ferndale High School, is president of the conference which includes boys from South Fork, Ferndale, Fortuna, Eureka and Arcata Union High Schools. The conference will open with registration in the Social Unit 9 a. m. Saturday morning and will last until 8 u. m.

Professor Wrenn will give his first address Saturday morning. He will also give one Saturday afternoon in the social unit. These addresses will be followed by group conferences and discussions. C. E. (Doc) Morrow of the Y. M. C. A., will take care of guidance of boys' games and recreation.

The conference will close with a banquet at 5 p. m. Saturday. The college "Y" will put on some stunts and there will be community singing.

Hereafter the Vocational Guidance Conference will be called Older Boys Conference.

J. Wendell Howe, assistant professor of biological science, is secretary of the association, and also secretary of the faculty Vocational Guidance committee.

Music Professor to Be Critic for Festival

Edmund V. Jeffers, associate professor of music at Humboldt State Teachers College, has been asked to be the critic for the annual North Coast Music Festival sponsored by the Humboldt State Teachers College and held in Arcata and Eureka every spring.

The music teachers of this section have asked him to give each participant a personal criticism as was done two years ago by Mrs. E. M. Bartlett, supervisor of the music department of the Compton Schools.

The participants of the Music Festival are the bands, orchestras, and choral organizations of the High Schools in Humboldt and Del Norte counties.

Critics in the past have been Glenn Woods, supervisor of music in Oakland; Charles Dennis, dean of music at College of the Pacific; Herman Owen, music instructor at Tamalpais High School; Earl Blakesley, Chaffey Junior College at Ontario, California; Mrs. E. M. Bartlett of the Compton Schools.

Miss Ann V. Craig, head of the Department of Physical Education here, spent the week end in San Francisco on business.

Commons May Be Used

The College Commons may be used for study fifth period Friday afternoons hereafter. The Rotary Club of Arcata, which had previously used the Commons at this time, now holds its weekly meetings at the Hotel Arcata.

JAPANESE PRINTS TO BE SHOWN

The Art department is offering an exhibit of Japanese prints in the art room beginning probably next Sunday, according to an announcement made by Mrs. Stella Little, professor of art. The prints have been borrowed from the Shima Art Company of New York for the occasion.

Included in this exhibit, which will probably last for three weeks, are prints by the greatest masters of the color print—Hiroshige and Hokusai. There are figure prints by Toyokuni, Kunsida Kuniyoshi and Yeisen. There are bird panels by Kōshin and Shōson, and landscapes by Koho and Yōshimune.

These prints have been borrowed chiefly to give the students in art an opportunity to study the Japanese masters, and to give college students and people.

(Continued on Page Four)

Humboldt Professor Gives Lecture Series

J. Wendell Howe, associate professor of science here, has been giving illustrated lectures on the Hawaiian Islands to the students in the High schools in the county. He has already appeared before Arcata and Fortuna students.

The men's quartet is accompanying him to the high schools and opening the programs. At the close of the lectures, they sing Aloha making the climax most effective.

Members of the male quartet are Howard Johnston, Leo Schussman, Mark Ely, and Calmer Kincaid. Miss Ione Hamilton accompanies them.

Engagement of Coed Recently Announced

The engagement of Miss Anne Brusch, student at Humboldt College, to Martin Pasarich of Eureka, was announced at a party given at the home of Miss Brusch's parents, Mr. and Mrs. Frank Brusch, in Arcata on Sunday evening, February 19, 1933.

Games, cards and dancing were the diversions of the evening. Refreshments were served at a table decorated in a color scheme of pink and white with streamers suspended from the chandelier and drawn to each place. The announcement was made by means of pink notes attached to the streamers leading to the place cards.

SECOND MUSICAL WILL BE PRESENTED

THE A CAPPELLA CHOIR AND COLLEGE ORCHESTRA TO BE FEATURED

Edmund V. Jeffers, professor of music, has announced the full program for the next vesper musicale to be given next Sunday afternoon, March 5, by the A Cappella choir and the orchestra.

Arrangements for the concert are being made by J. Wendell Howe who states that there were over 400 people at the concert last Sunday, not counting those he had to turn away because of lack of seats. He will have about a hundred more chairs in the balcony this Sunday.

The orchestra has not made a public appearance this semester, but Jeffers thinks the public will enjoy the type of music they will play. The Ozark Suite, com-

(Continued on Page Four)

MUSIC SUPERVISOR TO NOMINATE NEW OFFICERS

Mrs. Marie Ostrander, associate professor at Humboldt State Teachers College, has consented to act on the nominating committee of the California Western Conference to be held in Oakland, April 10-15.

The conference is made up of music supervisors and special music teachers from California, Nevada, Arizona, Colorado, and the Hawaiian Islands.

They meet every other year in California. On the alternate year there is a meeting of the National Music Supervisors Conference of which this conference is a branch.

Both Mrs. Ostrander and Edmund V. Jeffers, also of the music department, hope to attend this meeting.

W. A. A. to Give Reception

The Women's Athletic Association which sponsored the reception and tea last Sunday, will again give a tea following the musicale here Sunday, March 5. The same committee will be in charge of arrangements, and the W. A. A. board will act as the reception committee.

ONE ACT PLAYS SCORE BIG HIT

The dramatic workshop presented a fine selection of one-act plays in the college auditorium last Tuesday night. The plays were directed by the students of the department under the direction of Miss Lucy Neely McLane.

Of the plays presented not one failed to interest the audience from every point of view.

The five plays were "The Heart of a Clown", "A wedding", "Figureheads", "The Still Alarm", and "The Game of Chess".

The capacity house showed the interest of the public in the productions of the dramatic workshop H.

Tomorrow two of the plays will be presented at the assembly.

Mrs. Bumstead Leigh Is Next Production

Students of the dramatic department have begun working on "Mrs. Bumstead Leigh", three-act comedy by Harry James Smith. Janet Stewart will be featured as "Mrs. Bumstead Leigh" and will be supported by a clever cast from Dramatic Workshop H. Miss Lucy Neely McLane is directing the play which will be given in about six weeks.

Cancer Film Has Interesting History

Though much interested in the film presented in the College auditorium recently by Dr. Charles Kofoid of the University of California, few of the spectators knew that the film is the only one of its kind in the world and was years in the making.

Dr. Kofoid first saw the film at a scientific meeting in Munich, Germany. He immediately tried to get the film, but was refused because it was still in the experimental stage.

Two years later he went to Europe and saw the same film being shown in Budapest, Hungary. He tried again to get it, but was again refused for the reason given two years earlier.

He then went to England and saw the Huxleys, who have been connected with science for generations. They intervened with Dr. Canni, the man who made the film, and started negotiations which made possible the film's coming to America. It arrived at Dr. Kofoid's home in Berkeley a few months later. (About three

RESULTS OF CIRCULAR MADE PUBLIC

\$50 ANNUAL STUDENT FEE WOULD CAUSE IRREPARABLE INJURY

The adoption of any proposal either to close Humboldt State Teachers College or to charge a \$50 annual student fee would cause irreparable injury both to education and culture and inflict a serious injustice upon the people living in this section of the state.

That is the concluding statement of the study made in the state department of education at Sacramento of the questionnaires which students here filled out on registration day and which were mailed to Sacramento for tabulation and study.

In the questionnaire were three questions on the effect a substantial increase in tuition would have upon students here.

The first question was: Would you attend Humboldt college if the state registration fee were \$50 a year? A total of 282 students answered this question. Forty-three of these, or 15.2 per cent, replied in the affirmative. Only 10.1 per cent of the lower division students could pay such a fee, while 24.3 per cent of the upper division students signified their ability to do so. This means that 84.8 per cent of the students said they would not attend at Humboldt if a \$50 annual student fee were charged. Some of this group, of course, might attend some other college.

The second question concerning the effect of fee-increasing was: Would you attend this col-

(Continued on Page Four)

State Men Made Official Inspection

State officials made an inspection of the new Teacher Training Building here Thursday. Frank Georgeson, architect, conducted the visitors through the building which now is practically completed. While at Humboldt the officials made an inspection of the college gym and the new football field.

Visitors included Andrew Hill, chief of the division of school-house planning for the State of California.

WITHDRAWS FROM SCHOOL

Archie Forson, student for the past term at Humboldt State, has withdrawn from school.

Mr. Forson has obtained a position with the Continental Life Insurance Company. He will work in both Humboldt and Del Norte counties.

years ago.)

The film is getting old and probably will not be shown many more times because it keeps breaking.

The purpose of the film is to show the relationship between normal cells, and abnormal cells or cancerous cells.

Shall We Keep Football

Shall we keep intercollegiate football at Humboldt on its present basis? This is the question which we have heard repeatedly in many discussion groups since the completion of the last football season. The question is one which must be decided before the end of this semester, and the Lumberjack feels a definite responsibility in placing the facts before the students.

Those who would like to see football maintained on its present basis have some good arguments on their side. They claim that there is a certain value in the fact that the college name is placed vividly before the people in the county and out of the county. Football should be a source of income for the student body both from receipts and increased student body dues. The game is interesting to watch and fun to play. It is not as brutal and dangerous as claimed. Those in favor of football say that any college with co-education should have a football team.

Against these arguments we have the fact that football at Humboldt has never paid here at Humboldt. This year the students of Humboldt paid out about \$550 during the season, and in return saw (not free either) one college football game. In good years the results on the treasurer's books have been similar, if not worse.

And what about the advertising value of a losing football team? Everyone in Humboldt County, in Oregon and in Northern California laugh at Humboldt's football team; even the student body has become disheartened and jeers the players. The whole team is the victim of poor psychology which is the result of continual defeat.

The players themselves admit that they don't enjoy playing under the present conditions.

In addition to the fact that we have the wrong spirit we have not the proper facilities. We have no football field on which to play games and on which to practice.

State officials say that our stadium will be completed in two years first class condition.

There is a possibility that our college will become a regional college and that we will be able

to keep our players longer than two years. Doesn't it seem feasible to discontinue at least intercollegiate football for two years during which time our stadium will be completed, and our spirit will be improved? Think about it, students, because the question must be settled soon.

Deserves Credit

We owe Miss McLane, dramatic coach, loads of thanks and lots of credit for the performances of the five one-act plays that were recently put on before the public and student body. The plays were coached by a group of students under the supervision of Miss McLane, and proved not only to be successful, but that the dramatic possibilities at Humboldt State are without bounds.

Cleverly Done

This week we take our hats off to Herb Moore, and Leora Hunter for efficient arrangement of the Barn Dance last Friday night. The dance was cleverly put on and everybody had a good, snappy time. Let's have such pep exhibits in all our activities.

College Fellows Try Fetes of Boy Scouts

The college men studying scouting under J. Wendell Howe of the faculty, now have a greater respect for scouting than they had two weeks ago. Building a fire with two matches is not as easy as it looks.

Mr. Howe and members of his class, a class designed to teach the students leadership in boys' clubs and scouting, went to a nearby hillside recently to take the "fire test" which prescribes that the fire must be built with not more than two matches.

Buster DeMotte carried some dry wood over hill and dale to the specified hillside for the test. Then the other members of the party helped themselves to DeMotte's wood.

After about an hour the fires burned briskly enough to broil steaks, and the coals were deep enough to bake potatoes.

DeMotte won most of the honors of the day. It is said he was the champion fire builder as well as champion potato baker. Louis Ehrlich carried off the honor for having the best steak.

Mr. Howe, "chief taster", was in good physical condition after sampling all steaks and potatoes. However, according to reports, it is believed a few more sessions should be held before guests are invited.

Mr. Howe, assistant professor of biological science, who is greatly interested in boys and boys' work, is teaching this course in addition to his regular schedule.

Golden Gate Coeds Guest of Humboldters

Two San Francisco Teachers College students, Betty Rands and Marion Heathorn, were the guests of Elva Quarneim, Humboldt College student, at her home in Eureka over the week end when the San Francisco State Teachers College basketball team played here.

Saturday evening Miss Quarneim entertained a group of friends in honor of Miss Rands and Miss Heathorn. Games were played and refreshments served. The girls returned to San Francisco on Sunday night's train.

MENS GLEE CLUB IN LAST CONCERT

The third and last of the series of Sunday afternoon musicales under the direction of E. V. Jeffers, associate professor of music, will be given in the auditorium beginning at 3 p. m. March 12, by the Men's Glee Club, and Herbert Inskip, piano soloist.

The program for this last concert is as follows:

Grant Us to Do With Zeal—Bach
Miserere Mei Deus—Allegri.
The Long Day Closed—Sullivan.

Men's Glee Club
Home on the Range — Cowboy Song.

Poor, Lonesome Cowboy— Cowboy Song.

Whoopee Ti Yi Yi—Cowboy Song
Men's Glee Club

Toccata and Fugue in D-Minor—Bach.

Herbert Inskip.

Where My Caravan Has Rested—Lohr.

Sylvia—Speaks.

Song of the Jolly Roger—Candish.

Men's Glee Club

The Men's Glee Club is composed of the following:

First tenors — Howard Johnston, Calmer Kincaid, Len Hartman, Paul Ely, Homer Balabanis, Thomas Dolf, Buster DeMotte, Hamilton Linser.

Second tenors—Ernest Brownlow, Ernest Lampella, Henry Bender, Clarence Milotte, John Davitt, Jack McClure, Ralph Buxton, Charles Edson, Wayne Simpson, Rudolph Renfer, Wilson Carter.

First basses: Lloyd Wasmuth, Mark Ely, Eldon Anderson, Darol Feilding, Harold Gregersen, Roy Hudson, Frank Mendes, David Nielsen, Richard Nelson, Arthur Baldry.

Second basses: Neville Crosby, George Inskip, Fred Moore, Herbert Moore, Bertil Munther, Leo Schussman, Carl Owen.

Herbert Inskip is the accompanist.

Miss Imogene Platt, registrar, spent the week end in Everett, Washington, attending the 80th birthday of her father, who lives there.

Miss Ellen Johnson, of the Home Economics Department, accompanied Miss Platt as far as Portland, where she visited friends.

Reserves Chalk Up Tenth Straight Win

In the preliminary game to the Sparkler-College contest the College Reserves took the "Run" out of the Order of Runeberg by a 32-22 score for their tenth consecutive victory.

Things looked bad for the Reserves for a while, but after their slow start they came through to lead at half-time 12-10.

Harry Zook, reserve guard with 10 and Harold Brogan, the old reliable forward, with 9 led the scoring attack. Herb Moore and Charlie Timmons did some fine recovering at both ends of the court as did Captain Giuntini, a past-master in the art of recovering.

Larry Nelson and Herb Head played good ball for the losers with 8 and 7 points respectively.

Reserves Lose to Eureka Jewelers

In a slow but interesting game the Hollander Sparklers defeated the College Reserves 30 to 24 Tuesday night in the college gymnasium.

At half-time the Sparklers led by a 12 to 11 score.

Harry Zook and Charlie Timmons starred for the college, while Haven Howatt, Lemon, and Ed Hash played good ball for the winners.

Jeremiah Scott, who attended Humboldt State Teachers College last term, has opened a law office in Eureka, in the Bank of America Building, at 5th and G Streets.

HUMBOLDT SPORTING NEWS

COLLEGE VICTORIOUS IN THRILLING GAME

With Earl Hemenway dropping two field goals and Leo Sullivan the winning "bucket", the Humboldt State Teachers College nosed out the Hollander Sparklers in an extra period 36 to 35 last week in the Eureka High Gymnasium.

Humboldt took the lead at the beginning of the game but at half-time the Sparklers had gradually forged ahead and held a 17 to 13 advantage.

Beginning the second half the college rallied and after 10 minutes of play tied the score at 25-all. From then on one team was ahead and then the other, but never by more than one or two points. A free throw by the Sparklers just before the final whistle tied the score at 30 each, causing an extra period to be played.

Gordon Hadley, college center, with 14 points led the scoring attack with his team-mate Earl Hemenway close behind with 11 points. Haven Howatt, former college forward, scored 12 markers for the losers. Leo Sullivan played a great defensive game, dropping in the winning goal. "Buster" Brantley, former star for the college, played great ball for the Sparklers.

Escorted by State Players in Big Bus

Imagine having a whole bus all by yourself to ride in. That is the experience of two Humboldt State co-eds, who rated dates with those San Francisco basketball players.

Unable to escort these girls to the game and dance in Arcata because of lack of transportation, the players sent the basketball bus over to Eureka to call for the girls. And during the dinner dance what fun one of these girls had driving the bus over Arcata and surrounding territory.

LOST TO TEAM

Lucille "Squeal" Winter is lost to the upperclass basketball team this season because of a SEVERELY sprained ankle. She slipped while playing in the gym last Thursday, third period. There's a big dent in the floor now, according to "Deever" Stewart.

Patronize Our Advertisers

The Inside Dope

Who said there wasn't any school spirit at Humboldt State. Well, whoever said there wasn't any is all wrong. The two games with San Francisco brought out almost the entire student body and their yelling certainly made our gymnasium shake.

Now that the school spirit has been found, let us keep it. Athletics is not the only outside activity. We have an orchestra, band, dramatic club, etc. O Let us support them like we did the basketball team when they played San Francisco State.

The way Harry Zook and Herb Moore have been playing on the reserves lately should warn some of the regulars to watch out. More with his relentless ability to get hold of the ball at all times, and Zook with his "feeding" ability and dead eye shooting will make any team dangerous that they play on.

The Reserves were beaten after winning 10 straight games. It took their "big brothers" (Varsity) to do it though, so nothing was really lost. If the Reserves can confine all of their defeats within the family we won't kick. Here is wishing them luck against all other opponents. Keep on winning, Reserves, and maybe you can get another game with your "big brothers". A 37 to 29 score is not so bad for your first try.

Attention coaches! Here is a solution to your problem of free-throw shooting. The College Reserves have a rule that the fellow missing the most free throws during a game will receive the "Royal Kick" from each member of the team—the time for the kick takes place as the victim emerges from the shower following the game. It is thought that Ugo Giuntini is the instigator of this plan because of his high record on dropping in free throws. It is not publicly known who has missed the most shots, but maybe Harry Zook can tell you.

Leo Sullivan, Humboldt State guard and center had the honor of dropping in the winning goal, to give the College a victory over the Hollander Sparklers last week. Herb Moore, forward, was so happy that he said he could have kissed Sullivan for making that winning bucket. Watch out "Sully", we don't want any "necking" on the basketball squad.

The men are already looking forward to the baseball season as there are only a few more games of basketball left. Some of the old reliables that will be back this year are: Jimmy Hemphill, Carl Penn, Ugo, Giuntini, Dale Merriam, Gillis Courtright, Wayne Simpson, "Gus" Greger, Buster DeMotte and Jick Simpson.

Humboldt Loses to San Francisco Five

The Humboldt State Teachers lost a double header to the San Francisco State Gators last week. The first game 41 to 29, and the second 36 to 29.

Both games were hard fought, but there was too much Gelatt and Mahoney on the San Francisco team. Earl Hemenway, Humboldt forward, was the only man on the home team who could do anything. Hemenway scored 26 points during the two games.

"Big Brothers" Put Reserves in Place

Playing a great game but not quite good enough, the College Reserves lost their first game after 10 straight victories to the Varsity 37 to 29, last Thursday night in the college gymnasium.

The game was fast throughout with only few fouls being made, 7 by the Varsity, and 6 by the Reserves.

Charlie Timmons, Reserve center, played a great game for the losers with 11 points to his credit for scoring honors. Jack Simpson and Gordon Hadley led the attack for the winners with 10 points each. Captain Giuntini of the Reserves played an outstanding game at guard, breaking numerous shots and passes. Wayne Simpson and "Doggie" Waldner played their usual old fighting game at defense for the Varsity.

Varsity vs. Reserves

Old man experience chocked up a victory for varsity basketball squad when they met the reserves last Thursday night in the College gym. It was their superior experience that enabled the varsity to defeat the green basketball material. The reserves revived a bit of that scrapping spirit for which the College has lately been in quest, and although at the short end of a 37 to 29 score, they were morally victorious.

The varsity quintet was out-fought, out-generalled, and out-played. The reserves put the spectators in an uproar when they gained a three to nothing lead in the first couple of minutes of play. Most of the half was played within the shadow of the reserves' hoop, and the substitutes seemed to be able to shoot at will, but the hoop proved too small for the ball in most cases. The veterans of the contest took advantage of what few opportunities they had for shooting, and at the end of the first half they were leading 22 to 14.

The varsity has had a tough season, and their showing in the game might be attributed to this fact; or, perhaps, it was because of a lack of support, for the spectators were unanimously for the reserves.

In the beginning of the last half, the first string's lead was reduced to two points. As in the first period, the boys spent most of their time around the second string's basket. During this half, the contest was anybody's. The sides were even as far as points were concerned. The varsity held the reserves to 15 markers, and managed to score that many themselves.

Charles Timmons, center for the Reserves, merited high-point honors for the night by sinking 11 scores.

Considering that they went into the game with the betting odds heavily against them, and under the psychological handicap of the underdog, the reserves acquitted themselves well.

Japanese Prints to Be Shown

(Continued from Page One)

ple of Humboldt interested in art an appreciation of the Oriental Works.

Mrs. Little announced that there would be no charge made for looking at the exhibit, but that if anyone should want any one of the prints, the company would sell it at a small charge. The art department will receive a small commission from sales, but Mrs. Little wishes it to be known that the "exhibit is not a money-making proposition."

After the concert in the Auditorium next Sunday, the art room will be open so that students and friends may see the exhibit.

Breakfast at Howes For Guest Speaker

Dr. and Mrs. Charles Kofoid and President and Mrs. Arthur S. Gist were guests at a breakfast given by Mr. and Mrs. J. Wendell Howe at their home in Arcata January 20.

Dr. Kofoid was a speaker at Humboldt State College recently.

Mrs. Howe is president of the University Club which sponsored Dr. Kofoid's appearance in Humboldt County.

Second Musicale Will Be Presented

(Continued from Page One)

posed by Busch, is expected to be especially pleasing.

The A Cappella choir sang several selections at a recent assembly, so their ability is known to college students.

It is rumored that arrangements are being made whereby the A Capelloicalriwhfourffiffiffi the A Cappella choir will make a good will tour of some of the bay colleges, Mills College and San Francisco State College at least.

The following will be the program for March 5:
Rosamunde Overture—Schubert.
Andante from "Surprise" Symphony—Haydn.
March from Nutcracker Suite—Tschaikowsky.

Ozarka Suite—Busch.
College Orchestra.
Adoramus Te—Palestrina.
My Bonny Lass—German.
Autumn—Gretchaninoff.
He's Gone Away—Kentucky Mountain Song.

A Cappella Choir.

Trombones—Clark Gilman, William Morehouse.
Piano—Josephine McCurdy.

Result of Circular Made Public

(Continued from Page One)

lege if the upper division state registration fee were \$160 a year. A total of 278 answered this. Only one and four-tenths per cent of the students signified their ability to pay a \$160 annual division fee.

The third question asked was: Could you afford to attend any college in which the tuition charge is \$50 a year? Twenty-nine and three-tenths per cent of the students replied in the affirmative.

The replies show, the report states in summing up the matter of fees, that the charging of a \$50 annual fee would prevent 70.7 per cent of the students from securing any kind of collegiate education. Further, that if such a charge were imposed, only 15.2 per cent of the present student body would continue to attend at Humboldt.

Bridge and Puzzles Consume Evening

Lois Anderson, Humboldt State co-ed, entertained a group of college and high school friends recently at her home on Harris Street in Eureka.

The evening was spent playing auction bridge and solving jigsaw puzzles.

Refreshments were served to the following:

Frieda Phillips, Barbara Collins, Rosalena Ragon, Portia Collins, Melba Dougherty, Madeline Kammerzell, Phyllis Quinn, Margaret Rogers, Blythe Cottrell, Ramona Conry, Elma Biasca and Mildred Swanson.

H

Mildred Swanson, former student of Humboldt State, is now working at S. H. Kress in Eureka.
