BALLOT NEXT WEEK ON FOOTBALL ISSUE

DISCONTINUING FOOTBALL FOR TWO YEARS IS IM- PORTANT QUESTION

The fate of football for the next two years will be in the hands of the student body next week when the question of discontinuing football until the completion of the stadium will be definitely decided.

Students should weigh both sides of the question very carefully before voting, and the influence of lobbying should be disregarded as much as possible. According to President Wayne Simpson, it is not the purpose of those definitely in favor of or definitely opposed to the continuation of football on the present basis, to force students to think their way. The real thing at present is to find out how the majority of the student body reacts to the question at issue.

If Humboldt is to be able to get contracts for football games with other colleges, the board of athletic control must know immediately the desire of the student body in reference to the football question.

President Simpson has an-

(Continued on page four)

President Gist and Miss Platt to Speak

The possibility for securing positions for the members of the Senior Class of '33 will be the subject of talks to be given by President Arthur S. Gist and Imogene Platt, registrar, at a meeting of the seniors on March 20, in Room 136.

The class colors and flower will be decided upon at this time and the design of the announcement cards will be chosen.

A speaker for the commencement exercises will also be considered, and the probable choice will be Dr. Paul Cadman, former faculty member of the University of California, according to Glenn Waldner, Senior Class president.

Thirty-One Courses In Twelve Years

Thirty-one different courses in 12 years is the record held by Homer L. Arnold, listed in the Humboldt College catalogue as Associate Professor of Education.

Mr. Arnold has been a member of the Humboldt faculty since 1921, and his original teaching program consisted of Thorndike Arithmetic, Logic, General Psychology, Educational Psychology, and Analytic Geometry and Calculus.

At present Mr. Arnold is teaching General Psychology, Mathematics and Philosophy. The engineering course is the thirty-first.

Kathleen Garner visited her parents in Upper Lake, Lake County, last week-end. She left on the night train Thursday, March 2, and returned Sunday, March 5.

The college male quartet sang at the Christian Church in Eureka Sunday evening.

SHRUBBERY TO BE PLANTED

Ten or fifteen kinds of native shrubs will soon be planted around the tennis courts of Humboldt State Teachers College. All of the plants will be obtained within 25 miles of the college.

The object is to improve the beauty of the grounds and to show the people of the community what can be done in the way of landscape gardening at little cost.

J. Wendell Howe, assistant professor of biological science, will select the shrubs.

AMENDMENTS WILL BE CONSIDERED

A group of four amendments have been posted on the student bulletin board, and will be voted on tomorrow by the students. They deal with matters which a number of students have felt needed attention for a long time. With the possible exception of one, all have been mentioned frequently during the year.

One of the amendments, if passed, will make the song leader responsible for the carrying out of a certain number of duties. The leader will be subject to the same rules and regulations as other student body officers, and grades and transcripts will be withheld if her office is not efficiently fulfilled.

A second amendment aims to prevent railroading officers through in elections. If the amendment passes, nominees will hereafter be required to have on a petition the signatures of 25 members of the student body, each of whom has paid his fee and has not signed another petition for the same office. This amendment will stop some of the confusion which is present at the meeting in which student body officers are nominated.

The amendment stating the duties of the executive committee in regard to the budget is the direct result of the happenings the last time the budget was adjusted. The desirability of the amendment is evident.

Museum Equipment In Natural Science

Equipment for a museum of natural science in the College has been added to the science department.

The equipment consists of two large cases especially adapted for the preservation of stuffed animals.

The animals on exhibition in the front hall just south of the library constitute the beginning of the museum.

Students Should Use Commons Lunchroom

Miss Ellen Johnson, head of the Commons Staff, issues an invitation to all of the students to use the Commons as their lunchroom. She says: "The students should feel free to use the Commons as a lunchroom even though they do not purchase a thing."

The Commons is open to all from 11:30 to 1 and those who do not like crowds should come early.

CIVIC CLUB WILL RESUME ACTIVITIES

C. C. C. TO BE CARRIED ON WITH PRINCIPLES OF EDUCATION CLASS

Monday morning a reorganization meeting for the College Civic Club was held in room 213. Eldrid Hogan, senior student from Loleta, was elected president, while Verda Gehell, another senior from Bayside, was chosen vice president. Lucille Winter, senior from Eureka, and Janet Stewart, junior from Arcata, were elected secretary and treasurer, respectively.

Among the projects undertaken by the club are the lighting system on the campus, the fountain in the inner court, free ink in the library, pencil sharpeners, study room in the south end of the commons, and many others.

The club will do some construction.

(Continued on page four)

PRIZES OFFERED TO ARROW SHOOTERS

Mr. C. W. Frost, master bowyer and fletcher, is offering to all students and faculty archers, the chance to win a number of choice prizes. Participation for these prizes will commence as soon as weather permits and will last until May 12. Rules for participation will be posted on the main bulletin board this Friday.

The prizes are:

First, A yew bow worth \$15, for women, and a similar bow for men students of the novice class. That is, students who have done their first shooting since the opening of school last August. The winners of these prizes to be recognized as the novice champions of the school.

Second, The choice of a good yew bow or a set of footed matched arrows for men and a similar choice for women for the open championship of Humboldt.

(Continued on page four)

BOARD ANGLING FOR GAMES

Negotiations for a baseball trip to San Francisco constituted the principle business transacted by the Board of Athletic Control at a meeting held Monday noon, according to William Ott, chairman.

The board is attempting to get games with San Francisco State, St. Mary's Frosh, California Frosh, Stanford Frosh and the University of San Francisco Frosh.

PI ALPHA PI IS NEW FRATERNITY

The social science majors here at Humboldt have organized a new fraternity called Pi Alpha Pi. For its purpose the club has the discussion of current problems, world, national and college affairs.

Oliver Viale, '34, has been elected president of the fraternity, with Paul Ely, '33, as vice president. Ruth Carroll '34, is secretary-treasurer. Charter members include the upperclass social science majors who are in addition to the above officers Glenn Waldner '33, James Hemphill '34, C. W. Frost '34, and Dale Merriam '33.

Pledges of the organization are Helen Gregersen, Edgar Sammons, and Wayne Keltner, all '33; Lucille Winter, Elva Baumgartner, Maxine Belloni, Ugo Giuntini, Frank Mendes, all '34; Darol Fielding and Ralph Buxton '33.

Honorary members include Homer P. Balabanis, Frederic M. Hollister, and Monica P. Wright. The qualification for membership in the club make it rather exclusive. Pi Alpha Pi, in addition to certain personal things, demands at least one year's residence at Humboldt college, a definite number of social science units, and a scholarship average of 1.25.

The first open meeting of the group will be held Wednesday evening at which time discussion of the present banking situation will probably ensue.

Light Opera Cast Already at Work

"Chimes of Normandy", a light opera, will be the next main project of the Music department of Humboldt College. The tentative date for the opera is May 17.

Work has already begun on the "Chimes of Normandy", which has a cast of 45 people. There are 13 main parts and the chorus has 32 select voices from the men's and women's glee clubs.

Botany Group Will Take One-Day Trip

The advanced botany class in charge of J. Wendell Howe, assistant professor of biological science, will take a one-day field trip to the northern end of Mendocino County, in the vicinity of Fort Seward, March 25, to study flowers and plants growing away from the influence of salt air and fog.

STRUGGLE LOOMS FOR WOMENS GAME

EQUALLY DIVIDED TEAMS TO TAKE FLOOR THIRD PE- RIOD TOMORROW

Tomorrow at 10 o'clock, the regular assembly period, the two girls basketball honor teams will battle it to a finish in the H. S. T. C. gymnasium. Donna Ivanich, basketball manager of the Women's Athletic Association, has arranged this game and the two competing teams will be composed of the best girl players in the school divided as equally as possible.

An added feature of the battle will be the fact that Miss Craig and Miss Wright are each coaching a team, the former having team 2 and the latter coaching team 1.

The fact that the game is scheduled for Friday at 10 o'clock means that the whole student body is expected to attend. Much pep and spirit is expected to show itself during the contest. An element of surprise will be the result of a carefully planned program.

As the students go through the doors, every other one will receive a green card while yellow cards will be given to those in between. Those who get green cards are to sit on the north and the same is true of the yellow sit on the south bleacher.

(Continued on page four)

Sunset Hall Gives Dinner for Faculty

A supper was served in the Social Unit of the girls' dormitory Sunday evening by Sunset Hall girls. They had as their guests several faculty members who proved themselves adept at working jig-saws.

Those present were: President and Mrs. Arthur Gist, Mr. and Mrs. J. Wendell Howe, Miss Ellen Johnson, Miss Imogene Platt, Miss Anne Craig, Miss Isabelle Craven, Adelaide Wethern, Louise Parker, Mary Shinn, Louise Johnstone, Annabelle Stockton, Bonita Hughes, Dorothy McGovern, Edith Reback, Kathleen Garner, Blanche Charles, Harriet Finne, Janet Robison, Margaret Burchell, Eleanor Renfro and Alyce Finne.

Noon Lunch Group Organize "Frat"

It seems as though the last two weeks have been "fraternity weeks". Monday came the announcement of the formation of a noon luncheon group among the men, called Eta Beta Pi.

Officers are: President, Ugo Giuntini; first vice president, Clyde Patenaude; second vice president, Ellis MacMillan; third vice president, Louis Tallman; secretary, Buster DeMotte; Treasurer Carl Penn; sergeant-at-arms, Harold Brogan; yell leader, Bertil Munther; song leader, Dale Merriam; chief sampler, Oliver Viale; head chief, James Usher; house manager, Harold Moulton, and publicity manager, Frank Mendes.

Eat in Commons

One custom we must try to break is that of eating lunch every place but in the lunch-room. We eat in cars, in halls, in classrooms; in fact, everywhere but where we should eat.

Probably the reason for this is a misconception on the part of the students that one must buy his lunch in the commons before one can eat there, or that one is looked on with disfavor because one does not buy his lunch. But, on the contrary, the commons is primarily a place for eating; it makes no difference where you get what you eat. The cafeteria service is merely an accommodation for those who wish a hot lunch.

It would be better from every point of view if the entire student body would use the commons as a lunchroom. Let's do it!

Success Is Yours

The last of the musicales was another success last Sunday and the boys certainly enjoyed the tea following it. From all sides we have heard comments to the effect that the concerts have done more for Humboldt college in the way of favorable advertising than anything else we have done this year. And we believe it! The Musicales and Teas certainly were grand. Mr. Jeffers, music students and W. A. A. Let's all look forward to the "Chimes of Normandy" in May.

Pennies Come Out

The United States may still be on the gold standard, but a great many of her citizens have been forced to employ the use of a copper substitute, according to William Morehouse, cashier for the College Commons.

There was a time when pennies were badly needed by the commons, for it received few of them during the day's business, but times have changed.

Of all the coin received by Mr. Morehouse, copper heads the list. "In one day we have taken a sum of pennies amounting to four dollars," Mr. Morehouse said.

Mr. Morehouse believes that the bank holiday brought this deluge of pennies out from the hoarder's home savings.

Method of Making Prints
Told By Art Instructor

(Editor's Note: Mrs. Stella Sankey Little, in answer to a number of questions she has received from students attending the exhibit of Japanese prints, has written the following article for the Lumberjack.)

"The Japanese prints are made from wood blocks. Cherry is the wood that is most used. The artist draws the design with a brush point in outline upon thin paper. It is then pasted, face down, on the wood block. The wood is carefully cut away, leaving the design lines in relief. A number of impressions are taken from this pattern block. Then the color areas are painted.

"The printing of the works is done on moist paper with Chinese ink, the color being applied with flat brushes. The key or pattern block is the last block printed, since the color blocks are the first blocks printed.

"The method of printing is by hand with the use of a pad called a 'baren'. A circular movement of the hand on the back of the paper and the amount of pressure

used determine the color of the finished print.

"Many experiments have been tried by varying the color scheme used.

"Many of the Japanese artists are worthy of note. Hokusai (1760-1849) is credited with thousands of drawings. We know him best by 'The Wave' which expresses so many of the fine qualities of his work. It has a big simplicity of concept expressed in eloquent line and harmonious color, vigorous rhythm, and sensitive balance. He is versatile in subjects, representing people and costume almost as well as Utamaro, who is noted for his type of beautiful women and interesting costumes.

"Hiroshige, a noted landscape painter, has a 'Whirlpool' that shows his love for rhythmic line that almost rivals Hokusai's 'Wave'.

Some of the versatile modern artist of Japan are Shoson, Shoto, Kosui, Koga, Gikko, Koho, and Seiko."

Coed Bridge Club
Entertained at Party

Francis Seidell and Kathrine Forsyth entertained a number of friends at a bridge party given at Miss Seidell's home in Arcata, Thursday evening, March 9.

The prizes were won by Jean Baldwin, Eleanor Renfro and Barbara Unsoeld. After the bridge playing, refreshments were served and Miss Renfro entertained with some readings.

The guests were: Alice Barter, Jean Baldwin, Minnie Barlow, Alma Ruth Sweet, Lois Jackson, Bernice Rasmussen, Evelyn Renner, Eleanor Renfro, Barbara Unsoeld, Francis Monahan, Louise Parker and Peggy Gregory.

Louise Parker left Tuesday evening, March 14, for Clear Lake Highlands, in Lake County, where she will spend the remainder of the week with her parents. She will return to Arcata Sunday evening.

Professor and Wife
Breakfast at Howes

Earl Linsley, professor of astronomy at Mills College and also director of Chabot Observatory, and his wife, were guests at a breakfast given by Mr. and Mrs. J. Wendell Howe, at their home in Arcata, last Friday morning. Mr. Howe has known Mr. Linsley a number of years.

Mr. Linsley, a Humboldt University Club speaker, gave an address on astronomy in the college auditorium last Friday morning and another in the Eureka Junior High School auditorium Friday evening.

Program Today in
Third Grade Room

A program summarizing the work of the past nine weeks will be given by the third grade pupils of the College Elementary School at 2 p. m., March 16, in their room.

Talks and recitations will be given on spring weather, animals, trees, insects, early flowers and vegetables, and birds.

Student teachers in charge of the group are Juanita Larson, Donna Cavo, Anita Calanchini, Esther Genzoli and Herbert Inskip.

Alice Carr, Humboldt State College co-ed, from College Heights, Rhonerville, has moved to Arcata, where she is living at the Furber residence.

News Writing Class
Visit Standard

Members of the News-writing class of the Humboldt State Teachers College visited the Humboldt Standard recently and saw how a newspaper is printed.

Members of the class included Florence Brown, Anne Brusch, Frances DeVoy, Edwin Fowler, Treasure Furber, Helen Marks, Richard McCoy, Mary O'Brien, Leo Schussman, Marseille Spetz and James Usher. Other visitors in the party included Ruth Carroll, editor of the Lumberjack; Gordon Hadley, assistant editor; Janet Woodcock and Darrell Furber, a former member of Humboldt State College.

Faculty Woman Is
On Discussion Group

Miss Myrtle Sholty, director of training and professor of education at Humboldt State Teachers College, has been named on the discussion group for one of the problems to be taken up at the Northern California conference of supervisors and directors of instruction which is to meet March 24 and 25 at the San Francisco State Teachers College.

TEAMS FETED AT
BASKETBALL RALLY

The College Comomns was the scene of the Basketball Rally Luncheon at noon yesterday when the Varsity, the Reserves, and the upperclass women's champion basketball teams were the guests of the W. A. A.

The theme of the affair was "jig-saw", and green and gold were the predominating colors in the decorating scheme. The four sides of the jig-saw were represented by Coach Telonicher, Miss Monica Wright, the Varsity, and the Reserves. Each of the four sides responded to the toast-mistress, Elva Baumgartner, with a short speech. Yells, songs, stunts, speeches and food occupied the time of the Student Body from 12 o'clock until 1 o'clock, when the affair ended with the singing of the Alma Mater.

Committees in charge of the affair were as follows:

General chairman, Donna Ivanchich; tickets and clean-up, Mary Nielsen; luncheon and decoration, Eleanor Renfro; publicity, Laurella Frakes.

PROGRAM FOR PRO MUSICA

Flute solos by Peggy Gregory, accompanied by Alma Ruth Sweet, vocal duets by Alice Person and Zdenka Poscie, accompanied by Barbara Stewart; trumpet solos by Marseille Spetz, accompanied by Ione Hamilton, and the usual radio program will be the entertainment of the Pro Musica group which will meet at 8 p. m., March 23, at the home of Mrs. Marie Ostrander, associate professor of music.

HUMBOLDT SPORTING NEWS

COLLEGE WINS OVER FORTUNA

The Humboldt State Teachers defeated the Fortuna Independents in a fast and clean game last week in the college gymnasium by a 37 to 27 score.

The game started out fast with Humboldt taking the lead and keeping it throughout the game. In the middle of the second half the score was 33 to 14 but the college started to take things easy and Fortuna dropped in 13 points to Humboldt's 4.

Earl Hemenway and Gordon Hadley were the stars for the winners dropping in 16 and 14 points respectively. Leo Sullivan played a great game at guard for the college. Swett led the scoring for the losers making 10 points. Edson also played a good game for the losers.

College (37)				
	FG	FT	PF	Pts.
J. Simpson	1	1	0	3
Kincaid	2	0	0	4
H. Moore	0	0	1	0

Buxton	0	0	2	0
Totals	11	5	10	27

Officials: Frank Mendes, referee; Vernon Cirby, umpire; Leo Schussman, timer; Buster DeMotte, scorer.

Reserves Victors In Hectic Game

Playing an extra period with but four men on each side, the College Reserves defeated the Crescent City All-Stars in a sensational game 37 to 35.

The game was fast and clean up to the extra period when excitement must have overcome both teams and numerous fouls were committed.

Harry Zook led the reserves with 9 points. Charlie Timmons played a great game at center, controlling the tip, and recovering the ball at both ends of the court. Dee Spann, forward for the losers, was the outstanding man on the court, accounting for 14 points.

The line-ups and Scores:				
	FG	FT	Pts.	PF
Reserves (37)

Griffin, g	0	0	0	1
Fraser, g	0	2	2	2
Totals	16	3	35	13

Officials: Wayne Simpson, referee; Clarence Ross, umpire; Gillis Courtright, timer; Buster DeMotte, scorer.

The Inside Dope

Ugo Giuntini, instigator of the "Royal Kick" plan on the Reserve Basketball team finally tasted the results. After the Fortuna Epworth League-Reserve game, Captain Giuntini and Harold Brogan shared the honors of receiving a "Royal Kick" from each member of the squad.

With practically the same team back from last year, with the exception of pitchers, Humboldt will put a strong baseball team before the public this year.

Coach Fred Telonicher will not have to worry about his pitching material this year. With men such as Buster Marshall, Charlie Timmons, Ernie Brownlow, Buster DeMotte and Don Chamberlain on the pitching staff, everything in the way of baseball seems to be taken care of as far as material is concerned.

Humboldt Nine to Play High Schools

The Humboldt State Teachers College baseball team will enter the Humboldt-Del Norte C. I. F. Baseball League this spring. This was decided upon by the Board of Athletic Control of the college when they received an invitation for the college team.

Humboldt will fill in the byes that are drawn by the different high schools. The games will give the college team a lot of good practice as well as the high teams, and will not be classed as official C. I. F. games.

Efforts are being made to arrange a series of games in the San Francisco Bay region during the coming spring vacation. San Francisco State, California, Stanford, and St. Mary's Freshmen, University of San Francisco, and Chico State are among the schools that Humboldt is attempting to line up contests with during the vacation.

College Reserves Win Over Fortuna

The College Reserves defeated the Fortuna Epworth League 24 to 23 in the preliminary game to the Fortuna-College game last week.

Charlie Timmons, center for the reserves dropped in his only goal in the last 30 seconds of the game to give the reserves a victory.

Four New Books Added to Shelf

Four new books have been added to the library rental shelf:

"The Young Mrs. Meigs", by Elizabeth Corbett, is a sympathetic and humorous study of an old lady 80 years young.

"The Eyes of Love", by Warwick Deeping, is a romance of the English countryside in the typical Deeping style.

"Let the Hurricane Roar", by Rose Wilder Lane, is a story of pioneer days in the Dakotas, a story of hardship and courage and fortitude, designed to make our present troubles pale into insignificance.

"Jenny Wren", by E. H. Young, is a quiet story of English middle class life, the main interest of which is in its character drawing.

A lie belongs on the evil side of life. It cannot become a helper of righteousness.

ATHLETIC BOARD TO BACK TRACK TEAM

Track possibilities at H. S. T. C. are better this year than any year previous. This is due to the large enrollment of freshman track men from the different high schools in this section.

The Board of Athletic Control will back track this season, something which has never been done before. Intra-Mural track meets will probably be held to find out just how much strength Humboldt has in her track aspirants.

An invitation from the San Francisco State Teachers to have a dual meet sometime this spring may be accepted, provided ample funds can be provided, and Humboldt's possibilities are fairly good.

An added attraction to those who turn out for track, will be the chance for those men who have proven themselves outstanding, to compete in the annual track meet at Fresno during "Raisin Week". The men will be picked by Coach Fred Telonicher who will divide his time between the track team and baseball team.

H. S. T. C. and Sparklers tied for second place in the County League this year.

Mrs. Harriet Dundas, Mrs. Arthur S. Gist's mother, was a recent visitor to President and Mrs. Gist. Mrs. Dundas is from Kerby, Oregon.

Champions Lose to Intra-Mural Stars

The Intra-Mural All-Stars defeated Clyde Patenaude's Intra-mural champions 20 to 15 last week in the college gym.

The All-Stars took an early lead and kept it throughout the game. The Patenaude five rallied in the second half, but the lead was a little too much to overcome.

Channing Hadley of the winners, and Earl Tatman of the losers, each made 8 points to lead their teams in scoring.

The lineup and scores:	
All-Stars (20)	Patenaude (15)
Samons, (4)	Carson, f
Jasper, f (2)	Tatman, f (8)
Hadley, c (8)	Moulton, c (1)

FOOTBALL

By Dick McCoy

There are those who are sufficiently inconsistent in their arguments to advocate the maintenance of Humboldt State Teachers College, and at the same time support the abolition of football in this institution. They say that football incurs too heavy a financial burden upon the student body. Let us remind these carping critics that the upkeep of the gridiron sport is no greater a burden upon the student-body than the support of our college is upon the state.

The educational advantages offered by this college cannot be measured in terms of money, neither can the good derived from football playing be measured in monetary terms.

Like all other courses in an educational institution, the purpose of football is to enlighten and enrich the character of the student. Football is the greatest character builder that any college can offer to its students. It develops a sense of sportsmanship in the play. It teaches him teamwork. It teaches him mental alertness, and how to cope with immediate situations rapidly.

The game of football might well be compared to the game of life. Football is a hard game for hard men, and its successful players are limited to the survival of the fittest. Competition is keen and only the smartest, fastest, and most physical fit ever reach the top. In this game one learns the necessity of co-operation and fair playing. One learns how to take them on the chin without complaint and still come back for more. And so it is in life.

There is no more reason for abolishing football from college for two years than there is for eliminating any other course. The team has managed without a playing field this long; what difference will two more years make? Abolish football for two years and all that has been accomplished is lost. After the two years are up it will take two three more years to institute the present system as we have it today.

If the gridiron game is eliminated from the activities of Humboldt State, the college will defeat one of its principal aims: that of developing good character. Wherein, then, lies the logic of those who stand for education and at the same time advocate the abolition of football.

Ballot Next Week

On Football Issue

(Continued from page one)

nounced that only those who have paid their student body dues will be allowed to vote.

I. O. U.'s will be considered, also; but the students must remember that if the I. O. U. is used for any student body purpose at all, grades and transcripts will be withheld until the matter is settled.

Voting on the amendment will take place at the same time.

Civic Club Will

Resume Activities

ARTICLE ANSWER BY VARSITY MAN

In response to the article "Varsity vs. Reserves", which appeared in the last issue, a member of the varsity has volunteered an answer.

"Maybe the Reserves outfought, outgeneraled, and outplayed the varsity in their recent encounter, but when is and was their sportsmanship?"

The loser was to give the winner a feed. Because of the aforementioned qualities or what have you, do the reserves figure they won. The final score always tells who won. Yeah—and figures don't lie. Speaking of figures—the reserves did have some nice ones in the bleachers. Ask some of these figures what they lost on the game—????

The losers were also to let their whiskers grow for two weeks. Can't the reserves grow any? We will admit that Herb Moore has that school girl complexion so we will have to excuse him. Was you there Charlie? Cousin Ugo was.

Maybe we didn't get the feed because the banks have declared a holiday.

The reserves, classed as a miniature "House of David" outfit—can't grow whiskers—is it dandruff? Nine out of ten have it. When do we eat? ?? ?

One of the reserves took a sneak and read the letter which you have just finished and wishes to have his answer published.

Whaddya mean, feed? Who made the bet? The Varsity. Who accepted the bet? The Varsity. Who won the game? The Varsity. Who was the favorite? The Varsity. Who wants to look like a bunch or hoboes with black beards? The Varsity. Who are well nourished in a basketball sense? The Varsity. What team plays the main event? The Varsity. Who gets the big write-ups? The Varsity. Who should get the feed? THE RESERVES.

Struggle Looms

For Women's Game

(Continued from page one)

Five minutes before the whistle blows for the game, the captains will draw for colors. Everyone on the green side is obligated to root and yell for the green team, and the same is true of the yellow side. Harlan Still is the green yell leader and Herbert Moore is the leader for the Yellows.

Officials for the game will probably be Ann Craig and Monica Wright, referees; Jeanette Peterson and Edith Reback, scorers; and Dorothy Yackley, timer.

The starting lineups are as follows (except the color):

Team 1 Color ?

Donna Ivancich (captain) f
Lucille Winter, f
Eleanor Renfro, c
Ruth Carson, sc
Amy Vance, g
Grace Shaw, g
Substitutes: Leora Tuohey, Jean Baldwin, Melpha Cannam.

Team 2 Color ?

Alice Renfro (captain) f
Ruth Carroll, f
Phyllis Howard, c
Zorie Ivancich, sc
Dolores Henders, g
Elva Baugartner, g
Substitutes: Ruth Trabing, Lois Jackson, Mildred Green.

The A Cappella Choir made a fine appearance at the Monday Club in Fortuna Monday evening. They sang their concert program and the Alma Mater.

CALENDAR

Wednesday, March 29: 12:20 p. m. Executive Committee Meeting, Room 136.

Prizes Offered to Arrow Shooters

(Continued from Page One)

College. This championship to be open to both students, faculty, graduate students now enrolled; and regular employees if you think best. The only one disqualified for this trophy being Mr. Telonicher, and I will not shoot for it.

Third. The choice between a dozen target arrows and a dozen hunting arrows to any student, teacher or regular employee who wins first prize in an open archery tournament sponsored by either the Oregon or the California State Archery Association. There will be a number of such tournaments which might be entered during the spring and summer.

Fourth. An osage orange hunting bow to any student, faculty member or employee who enters one of the tournaments mentioned and in winning first place in target shooting, clout shooting, or flight shooting breaks the recognized national record for the event.

Coach Fred Telonicher wishes to announce that anyone who cares to shoot, either for practice or for prize competition, may report to him on our own athletic field each Friday noon.

WINS SPEECH CONTEST

Helen Arnold, 10, sixth grade student in the training school, and daughter of Homer P. Arnold, professor of education at Humboldt College, was awarded a silver pin as medal for the best speaker at a contest held Sunday, March 5, by the W. T. C. U., at the Methodist Church. She recited "They Don't Think."

Fourth Grade to Present Program

A portrayal of the history of California from the time of the early settlers up to the present day will be given by the fourth grade pupils of the College Elementary School at 2 p. m. March 17, in their room.

The Indians, missions, Spanish settlers, Russians, Bear Flag Republic, discovery of gold and California today will be talked on. The pony express, the discovery of gold, the Bear Flag Republic and a scene in a frontier store will be dramatized.

Lucille Winter and Wayne Biord are the student teachers in charge of the class.

Calmer Kincaid sang a solo at the Baptist Church in Arcata last Sunday. He was accompanied by Ione Hamilton.
