## CHIMES OF NORMANDY PERFORMANCE SOON

MUSIC STUDENTS TO GIVE  
GRAND FINAL ON  
MAY 17

Dorothy Jones, Clara Taubman, Calmer Kincaid, Leonard Hartman, Leo Schussman and Carl Owen have the leads in the light opera, "Chimes of Normandy", which will be given in the Eureka Junior High School auditorium at 8 o'clock Wednesday evening, May 17, under the direction of Edmund V. Jeffers, associate professor of music, and Mrs. Jeffers.

The cast is as follows: "Serpente," the good for nothing, Dorothy Jones; "Germaine", the lost marchioness, Clara Taubman; "Henri, Marquis of Cornville", Calmer Kincaid; "Jean Grenicheux, a fisherman", Leonard Hartman; "Gaspard, a miser", Leo Schussman; "Barliff", Carl Owen; "Registrar", Henry Bender; "Assessor", Thomas Dolf; "Notary", Fred Moore; four village maidens, Genevieve Hoaglan, Zdenka Poscic, Janet Woodcock, and Florence Brown.

The scene of the story is laid in one of the old-fashioned Norman villages of the seventeenth century. Henri, Marquis of Cornville, who has been in exile since childhood, owing to the civil war, returns to his ancestral home on the occasion of the great annual fair which is being celebrated in the village.

Gaspard, an old miser, wishes his niece, Germaine, to marry the principal magistrate of the district, the bailiff, but this arrangement does not suit Germaine, nor a young fisherman named Jean Grenicheux. To escape from the power of old Gaspard, Germaine takes advantage of the privileges of the fair and becomes the servant of the Marquis.

Henri determines to find out the real character of the ghostly appearances which have made the castle an object of dread, and discovers that it is all the work of the old miser, who has concealed his treasures in the chateau. The

## Senior Banquet & Ball Will Be Held on Campus

Because of the economical advantages which it offers, the College Commons was decided upon by the seniors as the location for their class banquet which will be held on Friday, May 19, according to Glenn Waldner, class president.

"The dinner will be offered for 50 cents a plate, and this nominal sum should enable a great many students to attend the banquet," Mr. Waldner said.

Ellen Johnson, head of the Commons, will be in charge of the food, and promises a good dinner.

An appropriate program is being planned for the occasion, and talks by several members of the faculty will be given. Following the banquet a dance will be held in the college gymnasium.

"The whole evening will be strictly formal. All college students and alumni, and their friends are invited," the class president said.

H

The scheduled track meet between Humboldt State and Fortuna High was cancelled on account of rain.

## JOINS EXPEDITION

Clarence Milotte, Humboldt State Teachers College junior, left for San Francisco April 23, to join the archaeological expedition of the Carnegie Foundation to Central America.

Milotte will do excavating and photographic work. He will return in about four months.

## STUDENT ELECTIONS MAY 8TH AND 10TH

A special Student Body meeting was held Monday noon in the auditorium for the purpose of receiving nominations for Student Body officers for the coming year.

The primary election will be held on May 8, and final election on May 10. Those nominated were as follows:

President—Oliver Viale, James Hemphill.

Vice President—Ugo Guintini. Secretary—Jessie Hinch, Elva Quarnheim and Amy Vance.

Treasurer—Delmore Slone, Fred Moore.

Publicity Manager—Gordon Hadley and Helen Marks.

Song Leader—Ione Hamilton.

Yell Leader—Donna Ivancich.

Board of Control—Mark Ely, Calmer Kincaid, Frank Mendes, William Horehouse, Earl Tatman, Ray Carson, William Ott, Janet Stewart, Maxine Belloni, and Ruth Carroll.

The elected officers will take over the reins of office on May 12 at a regular student body meeting.

## Social Science Major Profits From Knowledge

Proving that economics is practical and because he understands the subject, Oliver Viale, junior at Humboldt State Teachers College, is ahead ten dollars.

Learning that President Roosevelt had signed a bill authorizing the issue of currency which would be backed by assets other than gold, Viale believed there would be an immediate rise in prices and he persuaded his parents to purchase 100 sacks of wheat.

The order for the wheat was put in in the morning and that afternoon this feed rose in price ten cents to the sack.

## CLEVER PLAY TO BE PRESENTED TONIGHT

"MARTHA-BY-THE-DAY" TO BE  
SHOWN IN COLLEGE  
AUDITORIUM

"Martha-by-the-Day", a comedy in three acts, will be presented tonight in the college auditorium at 8 p. m. by the dramatic workshop students under the direction of Louis Tallman. Julie M. Lippman's play deals with a domestic intrigue brought about by Martha. Martha, through her kitchen philosophy and sympathetic understanding, manages to bring about reconciliation between the members of the chaotic household and stimulate a romance.

Janet Stewart will play the title role "Martha", and will be supported by the following cast:

Francie ----- Jessie Hinch  
Cora ----- Lois Jackson  
Steve Lundy ----- Julius Hooen  
Claire Lang ----- Alma Ruth Sweet  
Sam Slawson ----- David Bean

## CAMPUS TO BE SCENE OF GALA FESTIVAL

About one thousand high school students will be guests of Humboldt College tomorrow at the annual Music Festival, sponsored by the department of music. Mrs. Annie Marie Ostrander and students of music have completed arrangements for the affair.

A hi-jinx will be held Friday afternoon from 5 to 6 in the big gym, during which time, all schools will put on stunts between dances. Josephine McCurdy, Channing Hadley and Wayne Simpson will play for the dancing.

All through the day, those who have free periods are invited to attend the solo concerts in the morning and the chorus program in the afternoon.

Friday evening the ensemble program will be given, with E. V. Jeffers in charge. Committees are as follows:

Hospitality — Ione Hamilton

## Pi Alpha Pi to Conduct Campus Day

The planning of a Campus Day for May 18 was the main business transacted at the Pi Alpha Pi meeting last Friday evening in the Social Unit. Thirteen projects including a general cleaning up of the campus and a dance will take place on this day.

A debate on the inflation policy with Ruth Carroll affirmative and Olive Viale negative, was given and according to Dr. Balabanis, it was the "most intellectual discussion" he has heard, since he came to Humboldt State.

Following the meeting, cake and coffee were served. Those present were President Oliver Viale, Vice-President Paul Ely, Secretary-Treasurer Ruth Carroll and Dale Merriam, Glenn Waldner, Lucille Winter, Elva Baumgartner, Ugo Guintini, Wayne Keltner, Frank Mendes, C. W. Frost and Homer P. Balabanis.

## TO TAKE TRIP

The Botany 2B Class, Biology 1B Class and the Extension Class in botany will take an all day field trip to Horse Mountain Saturday, May 13, in the charge of J. Wendell Howe, assistant professor of biological science, if the snow is melted off the mountain enough to permit travel. They will study plant life from sea level to 5200 feet elevation.

## FRATERNITY TO GIVE HONORS TOMORROW

John F. Quinn, prominent Eureka attorney, will be the speaker at the Chi Sigma Epsilon assembly Friday at 9 o'clock, according to the announcement made Tuesday by Clyde Patenaude, president of the fraternity. Mary Jean Russell, president of the Rousers, will introduce the guest speaker, who will discuss some subject of interest to college students.

During the assembly the medal offered by Chi Sigma Epsilon to the freshman student who offers the best combination of scholarship and participation in college activities will be awarded. The award was presented to Mary Jean Russell last year.

Public election of new members of Chi Sigma Epsilon, and of the Rousers will take place Friday morning.

The honor assembly is one of the ways in which Chi Sigma Epsilon influences to scholarship attitude of the students of Humboldt College. Chi Sigma Epsilon is "giving honor to those who deserve it."

## Class of '33 Will Leave Bench as Gift

The graduating Senior Class has decided upon a gift to leave to the school, it was announced recently by Glenn Waldner, Senior Class president. The gift is to be a cement bench, to be built at the foot of the main entrance stairs and available to Seniors only.

George Monroe, of the Senior Class, is in charge of this project and is also designing the plans for the bench. H. R. Jenkins, of the Industrial Arts department, is to assist in the work on this bench. It will curve around the wall on the north side at the foot of the stairs.

## Men's Association Will Picnic at Big Lagoon

A picnic will be held at Big Lagoon on the afternoon of May 12, it was decided at the Associated Men Students' meeting Monday noon. President H. William Ott appointed Clyde Patenaude and Ralph Goodwin co-chairmen of the affair, to which only men students will be allowed to go.

A challenge from the Eta Beta Pi Fraternity to the rest of the men of the school for a baseball game has been accepted and this game will be played at the picnic.

H

Mrs. Nathalie Derby, nee Nathalie Thornton, former Humboldt student, visited school Friday, April 21. Mrs. Derby is now residing in Chicago, but recently spent a few days with friends in Arcata.

## DRAMATIC GROUP TO SHOW COMEDY SOON

PLAY TO BE PRESENTED IN  
EUREKA JUNIOR HIGH  
AUDITORIUM MAY 10

"Mrs. Bumpstead-Leigh", a three-act comedy, will be given Wednesday of next week, May 10, in the Eureka Junior High School auditorium and on the following night, Thursday, May 11, in the college auditorium by college students under the direction of Miss Lucy Neely McLane of the faculty.

The story is as follows: Mrs. Bumpstead-Leigh, originally Della Sales of Indiana, won for herself an English rectory after a strenuous season or two in Washington society.

The family name has meanwhile become De Salle instead of Sales. Her father has previously died, and his widow and younger daughter anglicized themselves as much as nature will allow. To arrange the engagement of this daughter, Violet, to Anthony Rawson, Mrs. Bumpstead-Leigh brings the women over to the Long Island home of the Rawsons, where Violet—but the ensuing complications will be unravelled in the play itself.

The cast follows:

Justin Rawson — Leo Schussman

Miss Rawson, his sister -----

----- Madeline Kammerzell

Geoffrey Rawson, his younger son ----- Ralph Buxton

Anthony Rawson, his elder son ----- James Usher

Stephen Leavitt ----- Carl Owen

Mrs. Stephen Leavitt -----

----- Margaret Rogers

Peter Swallow ----- Dale Merriam

Kitson ----- H. William Ott

Mrs. De Salle ----- Birdena Rupert

Mrs. Bumpstead-Leigh -----

----- Harriet Finne

Violet De Salle ----- Frances Seidell

Nina ----- Jessie Hinch

A number of students and faculty are assisting. Jessie Hinch is assistant director. Cedric Jasper, Harold Moulton and Clyde Patenaude are looking after the stage. The Dramatic Workshop H are the stage designers and the Dramatic Art class is attending to make-up. Birdena Rupert is de-

## Industrial Arts Will Offer Practical Course

Industrial Education for Women is a course to be offered next semester in the industrial arts department.

Its purpose is to make hand-work for children out of material on the school ground. Another plan is to make use of the waste products of the community, as: burlap sacks, wall paper, and paper boxes which can be made into various articles, as: whistles, pop-guns and kites.

Hand-loom weaving or foot-power weaving will also be taught where it will be possible to learn how to weave scarfs, table runners, and dress goods.

This course is open to the public.

## Drinking and Smoking

### Among College Students

The Administration has been requested on several occasions to state the attitude and policy of the College on these practices. Ours is a teachers' college, training teachers for the schools of California. In this capacity the College must be doubly careful regarding the conduct of its students. A few students attend Humboldt without teaching as a purpose because many of the lower division courses for teachers are comparable to such courses in other fields, and receive credit elsewhere.

Extended observation seems to indicate less excessive drinking among college students now than a generation ago. Young people as well as more mature persons are susceptible to sentiments and influences. Therefore, it is possible that drinking may increase for a time because of the agitation for beer and the repeal of the 18th amendment. Humboldt adheres to the following principles of conduct regarding drinking:

1. No drinking of alcoholic beverages on the campus or in any of the college buildings.
2. No bringing of such beverages to the college.
3. It is the policy of the college to recommend no student who drinks, for a certificate or for a position.
4. There should be no drinking in rooming and boarding places where students reside while living away from home.

The responsibility for integrity and temperance among our students when off the campus is the shared responsibility of the college and the public. No college can assume full responsibility for the conduct of its students off the campus. Information as to misconduct should be reported to the college authorities or to the police. This information should be of such a nature that action can be taken.

Smoking among women students is not favored by the College. Many administrators of higher institutions have found it expedient to provide smoking rooms for women upon the campus. This is thought to be preferable to public smoking in cars and in eating places. Furthermore, the centralizing of the smoking reduces the fire hazard. Humboldt has adopted this policy. However, women students are warned that excessive smoking may interfere with the granting of certificates and with recommendations for positions. Some superintendents and school trustees will employ no woman who smokes. The public often demands more rigid conduct for its teachers than it observes.

Young people today are no more careless in their conduct than formerly—possibly they are more reliable today. No college and no group of young people should be judged solely by the

### Janitor's Aide Will Be Dismissed in June

The janitor force of the college has received invaluable aid in scavenging the litter that is made by the half discarded lunches of the students eating in the parking area. This service has been rendered enthusiastically by a jaunty little fox-terrier who makes his appearance every noon to nose out choice bits of food from the paper bags strewn among the cars.

Upon interviewing this little canine hustler, the representative of The Lumberjack discovered that he did not readily take up with a casual acquaintance, but was prone to stand off with cocked ears, tilted head, and the offshore eye closed (due to one having a black circle around it) and coolly regard his tempter as to whether or not there might be a piece of cake in the offering. Cake, it was soon discovered, is this little chaps weakness, especially if it contains chocolate. For a bit of cake he will gladly walk on his hind legs or jump through your arms to show his gratitude, provided the reward is withheld until his performance is given.

With the coming of the summer vacation the little fellow will probably have to be reluctantly dismissed from the school staff or have to remain and be content with the somewhat meagre stipend offered by the summer session. It is hoped, however, that he will return next semester.

### W. A. A. Officers Will Be Elected Friday

Officers for the Women's Athletic Association for the coming year have been nominated and will be voted for on tomorrow, May 5.

Those nominated are: President, Ruth Carroll and Leora Hunter; vice president, Janet Stewart and Elva Baumgartner; secretary, Dorothy Yackley and Louise Parker; treasurer, Eleanor Renfro and Jean Baldwin; song leader, Kay Garner and Janet Woodcock; yell leader, Dorothy McGovern and Helen Marks; point chairman, Alma Ruth Sweet and Edith Reback.

### Freshmen Girls Give Coed Bridge Party

Minnie Barlow and Alice Barter were hostesses at a bridge party at the home of Miss Barter in Arcata, Thursday evening, April 27.

Their guests were: Alma Ruth Sweet, Lois Jackson, Claire Morgan, Marian Logan, Jeannette Peterson, Grace Shaw, Clarion Moxon, Frances Seidell, Janet Robinson, Louise Parker, Frances Monahan, Barbara Unsold, Jean Baldwin and Mrs. O. L. Edwards. Prizes were won by Lois Jackson, Jeannette Peterson and Clarion Moxon.

### FORMER COED VISITS COLLEGE

Mrs. Arthur Derby, of Chicago, formerly Miss Natalie Thornton, H. S. T. C. student, was a visitor here with her husband a week ago last Thursday.

She attended Humboldt until January, 1932, when she married Arthur Derby and moved to Chicago. Her husband is a pilot for the United Airlines which runs between Chicago and Cleveland.

Mr. Derby is the brother of Dick Derby, former Humboldt football star.

Several of the Humboldt College members are planning to attend the "Y" Camp at Redway this summer as Camp leaders. They are Paul Ely, Francis Moore, Herbert Moore, Glenn Waldner, Richard McCoy, and

### Summer Session to Be Self-Supporting

Continuance of the summer session at Humboldt is practically assured, President Arthur S. Gist said today. The session as planned is to be on a self-supporting basis, without, however, any increase in tuition fees over last year.

The six-week session will be divided into two three-week sessions. The tuition fee will be \$20 for the entire six-week session, as last year, or \$15 for one three-week session. Since the new plan means a difference in the method of handling the funds, a bill is being introduced to legalize this method.

### Horace Jenkins Has Article in Magazine

"The Passing of an Ancient and Fascinating Art," an article by Horace R. Jenkins, associate professor of industrial arts, was published in the April issue of Design Magazine.

The "ancient and fascinating art" is that of making pottery by hand which is passing because of mass production, and the perfection of machine made pottery.

### Industrial Art Students Are Making Furnace

The silver and gold plating of natural objects, and the reconstruction of an electric arc furnace are two projects being carried on by the industrial arts department.

The silver and gold plating of natural objects is a process discovered a number of years ago by a man in Seattle. This process makes it possible to silver and gold plate any non-metallic objects, as: beetles, flowers and lizards. After the article has been plated, it can be used as an ornament.

An electric arc furnace loaned by Mr. Piel of Eureka High School has been enlarged to fit the needs of the department. The department expects to reach 6000 degrees Fahrenheit in this furnace.

## H.S.T.C. TENNIS TEAM TO PLAY SAN MATEO

The Humboldt State Teachers College tennis team will leave by auto tomorrow morning for San Mateo, where they will tangle in a tennis tournament with the San Mateo Junior College "Racketeers" Saturday morning and afternoon.

This is the first time that Humboldt has ever sent a tennis team to any section of the country, and we know that our team will make a good showing, win or lose. Much credit is due Monica Wright, coach, and Harold Brogan, manager and player of the team, for organizing and working so hard to prove to our student body that the team is worthy to represent our school.

Six men will make the trip: Harold Brogan, playing manager; Herbert Moore, Herbert Nelson, Ugo Giuntini, and Harry Zook. The sixth member of the squad has not been chosen, but will be either Terry Atkinson, Bill Blakeley, Carl Owen or Arthur Baldry. The doubles teams will be Brogan and Moore; Nelson and Zook; Giuntini and ?

The team will return home Sunday.

## Essay on Singing

By Bill (William) Jones, Jr., Esq.  
Singing is a great deal like making music only you do it with words instead of noise produced on an instrument such as violin, horn, piano, ukelele, etc., which requires being a musician so you can read the notes except the ukelele which does not use music, but has spots. Thus a person who does not prefer to be a musician may take up singing and save the expense of buying an instrument.

There is many kinds of singing, including the kind you do yourself and the kind you listen to somebody else do, such as choir singing and solos, which sometimes sound very good. There is also Sunday School singing, male quartets, usually consisting of four fellows, yodeling, tenor and do ray me. It is also possible to sing music notes. This is sometimes called sight singing and is apt to be difficult especially if you don't know the tune, or if there isn't any, which is worse yet.

It is not necessary to take lessons in order to sing, but a great many do. My sister has been taking for two years, but I don't notice much difference except she can sing louder and holds her arms different. She has a Slave who is a tenor and they sing together. This is called a duet and is one kind of singing I neglected to mention. Tenors are fellows who can't sing bass. They can't help it. Their voice just turned out that way.

Singing is very healthful and teaches you that you have a diaphragm which is considered very important by the teacher. Singing comes natural to most everybody and is enjoyed by most persons, especially those who do the singing. The only trouble is you

## Arcata All-Stars Drop Game to Freshwater

Pitcher Ed Hash limited the Arcata All-Stars to four bingles Sunday afternoon at Freshwater, and the undefeated Loggers won by a 4 to 1 score. Hash pitched fine ball, striking out seven men, and although he was a bit wild, walking six, he kept the hits well scattered and had the situation in hand at all times.

The Loggers played airtight ball behind Hash's pitching, and did a lot of damage with their bats, touching Timmons of Arcata for seven bingles. Finley, Lockwood and Hill, with two safeties apiece, were the big stickers for the winners.

Timmons was the only Arcatan to garner a pair of wallops.

Officials: Umpire, Allie Dutton; Scorer, Buster DeMotte.

## TENNIS TOURNAMENT SLATED FOR SAT.

Upperclass, sophmores and freshmen girls will compete in a inter-class tennis tournament Saturday, May 6, at the H. S. T. C. courts.

During this last week the classes have been holding elimination contests to see who will represent their class in the tournament Saturday. The first three in each class will represent their class in competition with the other classes.

Upperclass girls who are out for team, include:

D. Ivancich, R. Carson, R. Carroll, A. Vance, E. McCammon, L. Winter.

Sophomore girls:

R. Sweet, J. Russel, K. Forsyth, F. Seidell, M. Neilsen.

Freshmen Girls:

B. Unsoeld, A. Barter, J. Baldwin, M. Preston, C. Swanson, L. Tuohey, F. Monohan.

## Young Dancer Guest Of Clogging Class

Claire Anderson, sister of Lois Anderson, Humboldt State Teachers College co-ed, danced for the second period clogging class which is under the supervision of Monica Wright, instructor of physical education, Wednesday, April 26. She did toe-tap, acrobatic, wing-tap routines and character dancing.

Miss Anderson returned recently from San Francisco where she danced in an Easter revue for Nina Frellson, theatrical producer.

Many students outside of the class attended.

## THE INSIDE DOPE ON OUR INFIELD

By LEN HARTMAN

Talk about your heavy stickers, how would you like to be a chucker and see these fellows facing you with their bats waiting for a taste of the old horsehide; Giuntini, Hemphill, Hemmenway, Gregersen, Penn, Court-right, Marshall, Timmons and Merriam.

"Fran" Moore, the fellow with the least experience on the team, has plenty of possibilities as a catcher. "Fran" has a bullet arm and a lot of fire, but he is a little weak with the willow. As soon as he gets a little confidence, and grabs a toe hold up at the plate, he'll knock the ball out of the lot.

Wayne Simpson, the guy that never misses a practice in any sport, never gets nervous in a ball game. He is what anyone would call a cool catcher, has a good arm and gets rid of the ball fast. He keeps his head up and is always in the game. Wayne's only trouble is that he calls for too many fat ones when the pitcher has the batter in a hole.

"Gus" Gregersen the kid that clicks 'em on the nose and they stay clicked, covers a lot of territory around that first sack, adds plenty of pepper to the infield.

Olin Calkins, the fellow that makes a hard catch look easy, doesn't know what it means to miss a ball and it seems just like child's play for him at first.

Ugo Giuntini, no weak sister with the stick, hasn't any trouble at all around second base, chases them all around the diamond and brings them out of the sky.

"Jim" Hemphill is the lad that will knock down any ball coming his way. If any batter around here tries to hit one through him, they'll find it plenty tough going. Jim has no trouble labeling the agate, and it takes a ride what am.

Coach Fred should be pleased with this infield, all the fellows on the squad play the game because they like it and they all work well together.

"Lou" Canepa, more or less called the "Bear Cub" by the fellows on the squad, has a lot of fight and enjoys playing the game when he takes Ugo's place at second.

John Davitt, who turned from a catcher to a third baseman, looks plenty sweet at the torrid zone, and he knocks them down in the same manner Jim does.

"Woody" Woodcock is a kid that is always trying, never misses a practice, and is ready to play ball anytime. He handles himself nice on the diamond and has a good arm, shooting those balls from short stop to first like nobody's business.

The outfielders and chuckers we'll be taking their bow in the next edition.

## "What Whiskers Did" By RUTH CARROLL

No foolin', people, that's the name of the book and the author, and anyone doubting this fact can find the book in the Eureka Free Library in the Children's Department.

An H. S. T. C. student happened to discover this. The book is a 1932 edition of the McMillan Company and is called a story without words because it is almost entirely made up of sketches.

Of course, you understand that "ye editor" is no author—it's bad enough being an editor! But the fact remains that whoever is responsible for this book is called Ruth Carroll—with two R's and L's, too!

Louise Parker of Sunset Hall, returned to Arcata Wednesday morning, April 26, from her home in Lower Lake, Lake County. Miss Parker left for Lake County Friday evening, April 21.

## Humboldt Y. M. C. A. Hold Regular Meet

The Humboldt College Y. M. C. A. held their regular meeting Tuesday noon, May 2, in Mrs. Ostrander's Music Room. B. F. Wilson, faculty advisor for the "Y", led the discussion, "Advantages and Disadvantages of Community Churches." This discussion was participated in by a number of "Y" members.

One advantage brought out was that by combining churches there is union and strength, and in this way finances, efforts and membership can be pooled. Still another one is that the expenses are lessened with one church to keep and one minister to pay.

One disadvantage brought out was that there is bound to be a lot of bickering, because different churches would not agree on different subjects. Another disadvantage is that it might convey the impression of weakness by all going together.

The meeting in the Arcata Auto Park, which was scheduled for today, was postponed, because of the weather, until next week.

## A LOVER'S STORY OF PROPER NAMES

By DICK MCCOY

The card catalogue of the students and teachers of Humboldt may be just a place of reference for most of us, but to Dick McCoy it tells a story.

The hero of our story is a Tallman with a heart of Stone, and has Brown hair. He is a fast Runner and likes to Chase women. He rather Close, but Still he is a Goodwin.

At last he meets the girl of his dreams, and he says he wants to Mary her, but she says he Ott not; it wouldn't be Wright. But Howe long will this last? Aw Shaw, he learns that she is only a Minor so she can't Merriam anyway.

Having lost one girl of his dreams, he thinks there must be another, so he sets out to Hunter. At last he finds her. She can't walk so he has to Carter home.

Look, his home is Fleming, and in a voice Sweet and Bland he Marks time to a Carroll while it burns. Now he has no Morehouse. Having never lived on a farm, he is a Baumgartner, so he makes himself a Speier, and travelling over Hill and Dale he comes to a river where he lands a few Samons. But what will he do for food in Winters to come? Says he, "I'll take my fish and Cannam."

The Wethern everything being perfect, he takes his Carr and goes for a ride through the Brownlow hills that in the spring were all Green. And as he goes, the Russell of the trees is music to his ears. Suddenly he is over taken by a messenger who tells him to come home at once that his Poscic. In a quandery as to what to do, he scratches his Bean. In the mad rush for home he tears his pants on a Thorne, and taking them to a Taylor he says, "Mendes for me will you".

Now this might be a lot of Belloni, but it is Oliver now.

### Student Teacher Takes Children to See Library

Miss Elva Quarnheim's second grade training school class of Humboldt State, accompanied by parents, visited the Eureka Free Library Monday morning, April 24th.

The children were given full liberty of the library and investigated such things as the stuffed animals and birds in the museum, the stamping machine, the catalogue drawers, the furnace and the basement where old books are rebound.

The trip was taken in connection with a study of libraries which the second grade children are working on at present.
