

# Humboldt Lumberjack

VOLUME VII

ARCATA, CALIFORNIA, APRIL 11, 1935

NUMBER 14

## A CAPPELLA CHOIR TO APPEAR APRIL 30

WILL GIVE MOST AMBITIOUS PROGRAM SINCE ORIGIN SAYS DIRECTOR

On April 30 the College A Cappella Choir will present its most ambitious program since its origin in 1932, according to E. V. Jeffers of the faculty who is directing the program.

Herbert Inskip, pianist, and the college little symphony orchestra will assist in the concert which will be held in the Junior High School in Eureka. Inskip will play the "E-Flat Minor Concerto" by Liszt, accompanied by the college orchestra.

The concert is given immediately before the choir's tour through Northern California, and the bay region.

Four groups will be sung by the choir consisting of compositions from the Polyphonic school of the 16th and 17th centuries, a group of English madrigals, several Russian compositions, and a group of modern compositions.

"Included in the program are the most difficult numbers the choir has ever sung," Mr. Jeffers added.

This is the first time a concerto with orchestra accompaniment has been played in Humboldt County, so far as is known.

College students will be admitted free upon their presentation of their student body cards at the book store.

## E. Renner, F. Moore to Appear Over K I E M

Evelyn Renner and Francis Moore will be featured speakers on Humboldt State's radio program over KIEM at 5:30 tonight. Miss Renner will speak on "International Trade" and Moore will give Humboldt's baseball prospects for this year.

Humboldt's Male Quartet will make its debut. The quartet is composed of George Hugo, Ray Posic, Frank Steele and Robert Anderson. Margaret Hessel will play two piano solos. The Harmony Debs, accompanied by Bill Slade, will sing several numbers.

Eva Mathisen and Lyle Thomson will give the latest gossip and scandal at Humboldt.

The program will be directed and announced by Leland Cloney, chairman of Humboldt's public relations committee.

## GOING TO HAWAII

Miss Carmen Alward, Humboldt '34, now teaching at the College Elementary School, will attend the University of Hawaii this summer. She will be accompanied by her mother, Mrs. Amelia Alward of Pepperwood.

Annabelle Stockton substituted at the College Elementary School last week, in the sixth grade, for Mary Emily Speier who was ill.

## L. Stinson

Independent Richfield

Dealer

Foot of College Hill

## Arts, Crafts Class Working in Leather

The members of Mrs. Stella Little's seventh period class in Arts and Crafts are now making many articles of leather. The students have the experience of designing, tooling, and lacing the leather. Purses, both large and small, book covers, bill folds, and key holders are being completed.

The members of this class are Neita Hinch, Dorothy McGovern, June Baumgartner, Helen Larson, Lois Hedley, and Ruth Hudson.

## TENNIS TEAM TO MEET SAN MATEO

Humboldt State's tennis team will play the wonder team from San Mateo Junior College Saturday morning at 9 o'clock on the local courts if weather conditions permit. Arrangements for the match were completed last Monday by Carl Owen, tennis manager.

The San Mateo team will arrive in Arcata Friday evening and will leave Sunday morning for Eugene, Oregon, where they will play the University of Oregon and Oregon State College next week end. Six singles and three doubles sets will be played on the local courts. The San Mateo team has defeated nearly every club in the Bay district and holds a victory over the University of California team.

Students who will represent Humboldt include Paul Hunter, Harry Zook, Eugene Fountain, Sam Davis, Howard Lester, Robert Hedley and Joe Lubin.

## Martha Sunnari New Basketball Manager

Martha Sunnari was elected women's basketball manager for the coming year at the annual basketball luncheon Monday noon, in the college commons. All members of the women's basketball teams were present and a program was given consisting of a tap dance by Marjorie Hyner, a piano solo by Margaret Hessel, and a vocal solo by Ethel Carroll.

Speeches were made by the various captains, Zorie Ivancich, athletic manager, and Miss Monica Wright. Yells were led by Goldie Tambourovich and community singing was led by Marie Nordquist.

## Seniors in Campaign For Raising Funds

A campaign to raise funds was decided upon at the last meeting of the senior class in the social hall. The money to be raised will be applied on the senior banquet and ball, May 25, also to purchase the senior gift for the college.

Among the activities to raise the funds will be a series of Friday noon dances, a "chautauqua" and others for which plans have not been completely made.

## TO ATTEND MEETING

Miss Imogene Platt, Humboldt registrar and appointment secretary, will attend a conference of the Eastern Division of Appointment Secretaries in San Francisco next week.

Douglass Schuler and Robert Schmuck will spend the Easter vacation in Berkeley.

## COMMERCE COURSE TO OFFER DIPLOMA

SUBJECTS COVERING FOUR SEMESTERS OF WORK SUGGESTED

The Commerce Department is planning to offer a one- and two-year course leading to commercial diplomas, beginning in the coming fall semester. The department is fully equipped with up-to-date office machinery to give such a course. The department also conducts an employment bureau for its students, to help them find positions.

The suggested courses with the credit hours for the first semester follow: For the first semester, Orientation, (1/2); Business Mathematics (3); Business English (2); Beginning Typing (2); Beginning Shorthand (4); Physical Education (1/2). For the second semester the courses are as follows: Bookkeeping (3); English 1A (3); Advanced Typing (2); Advanced Shorthand (4); Machine Calculation (2); Physical Education (1/2).

The suggested second-year course is as follows: For the first semester, Public Speaking 1A, (3); Salesmanship (3); Advance Typing (2); Advanced Accounting (3); Secretarial Training (3). For the second semester: Advanced Shorthand (4); Advanced Typing (2); Business Law (3); Business Contact (3); Filing (2).

## Purveyor Planning Long Summer Trip

Dr. Vernon J. Puryear, professor of social science in Humboldt State, and his wife are planning an extensive trip to various parts of the United States this summer.

They will leave here by automobile and travel to Southern California, Colorado, Oklahoma, and to Ohio, where Dr. Puryear will be a summer session teacher.

On the way back to California they will take a trip through the old south, Texas and then through Southern California to home.

It is expected that the trip will take about twelve weeks, six weeks of which Dr. Puryear will be teaching.

## Work Progressing on College Dark Room

Work on the college "dark room" is progressing gradually. Equipment for the room is arriving daily, and it may be finished in the next few weeks.

The science department will have charge of the room, which is being built in a room under the library.

## STUDENTS EAT WAFFLES

Mrs. Marie Clarke Ostrander was hostess to her music classes to a "waffle feed" in her home last Thursday afternoon.

## A. W. Symmes

New York Life

Arcata

Phone 272-R

## MacGinitie to Attend Geological Conference

Harry D. MacGinitie, assistant professor of physical science at Humboldt, will attend a meeting of the Western Division of the Geological Society of America to be held next week at Stanford University.

He will do some work at Berkeley and some field work near Coalinga, California.

## PAUL IN TRAINING FOR COMING PLAY

With fists flailing, and ponderous feet moving sluggishly, Joseph Paul has been spending his spare time the last three weeks at the Council Crest Training Camp wreaking havoc on an inoffensive punching bag as part of his training for Garff Wilson's next play, "Ladies of the Jury," in which Mr. Paul takes the part of a juror.

The part calls for a right hand smash to the chin by the "smasher," whereupon the "smashee" slumps to the floor, face downward as if unconscious.

"The trick" as Mr. Paul explained it, "is to make the blow look like I'm really smacking him, but I ain't. It's just make believe. But for the benefit of my audience I am developing my torso so that my muscles will act instantly in order that I may more perfectly portray my part. I must be in excellent shape by May 15, the day of the play."

Finishing the last remark, Mr. Paul, assumed his steady tattoo of the punching bag, lifting his feet with all the carefree abandon of a crocodile at bay.

## Paleontology Class Plans Week-End Trip

A two-day paleontology field trip to Redding Creek, fourteen miles southeast of Weaverville, is planned by Harry D. MacGinitie, of the faculty, for May 3-5.

The cost of the trip including transportation and meals will not exceed \$5. Other students may accompany the paleontology class if they wish. There are excellent examples of flora as well as fauna in this district, according to Mr. MacGinitie.

Mr. MacGinitie said that one of the most perfect beds of river fossils may be found at Redding Creek, this bed having been uncovered by hydraulic mining in the latter part of the last century. Gold miners are now reworking this deposit.

## TO COLLECT FLOWERS

The date of the Eureka Women's Club flower show has been changed to May 10 and 11. Humboldt botany students will assist in gathering wild flowers for the show.

## ADDRESSES WOMAN'S CLUB

J. Wendell Howe of the faculty recently addressed the Arcata Woman's Club on gardening. He showed how to plan an "outdoor living room."

## HONOR SOCIETY PROGRAMS

The "On to College" program sponsored by Chi Sigma Epsilon, Humboldt State honor society, will be given at Arcata high school today and Eureka high probably May 3.

## COURSES IN MUSIC TO BE INCREASED

TWO YEARS WORK TOWARDS DEGREE TO BE GIVEN AT HUMBOLDT

Beginning next fall, Humboldt State College will offer two years of work in music, both in theory and applied music, towards the bachelor of music degree, and the bachelor of music education degree.

In line with this policy, the college will have, in addition to the present members of the department, a teacher of piano, a teacher of violin, a teacher of cello and probably a teacher of other orchestra and of band instruments. The names of these instructors will be announced.

The college at present is giving but one year of music theory work and is offering work in applied music in only one field, that of voice. Under the new plan, students will be able, in addition to courses in music theory, to obtain at the college itself not only lessons in voice, but also on any instrument, save harp and pipe organ.

This means that students intending to take degrees in music to become high school or college music teachers can now take their first two years at Humboldt State and then transfer to any other college or university department of music and receive two full years of credit for work done at Humboldt.

## Chemistry Students Study Photography

"The Chemistry of Fixation in Photopgraphy" was the title of a talk given by Sulo Paaso, Wednesday, April 2, in Harry D. MacGinitie's 1B chemistry class. James Curtis had previously explained the effect of light on a film, and Joe Lubin had explained the importance of a "developer" in producing the negative film.

With the conclusion of the talks in photography, the members of the class will have a chance to experiment along a practical side of chemistry. Each person will be given a plate on which he is to produce some picture by the methods explained in the talks.

Motion pictures of the World's fair in Chicago were shown Monday noon in the college auditorium by Edward Graves, college librarian. College students and pupils of the college elementary school attended.

## Do You Realize That---

Humboldt Motor Stage is a county-wide concern, with scheduled passenger and freight service to more than twenty different points throughout the county?

## HUMBOLDT MOTOR STAGES

**Humboldt Lumberjack**

Published every other week by the Associated Students of Humboldt State Teachers College at Arcata, California.

Editor — Grace Schell.

Assistant Editor — Eleanor Ritola.

Reporters — John Bauriedel, Don Chamberlain, Leland Cloney, Harry Falk, Margaret Frost, Emmy Lou Grove, Francis Moore, Vernita Rossen, John St. Claire, Annabelle Stockton, Muriel Thorne, Jeanne Van Vlack, Francis Waters.

Business Manager — Myron Schussman.

**Conference**

An invitation for a representative of Humboldt College to attend a meeting of Far Western Conference members to be held in Sacramento on May 3 and 4, has been received by President Arthur S. Gist in reply to his letter seeking the college's entrance into the conference.

George W. Graves, president of the Far Western Conference, stated that the unanimous vote of conference members is necessary for admission to the conference. On Friday evening, May 3, the conference coaches and managers meet to arrange the basketball schedule for next year. The conference president suggested that Humboldt send a representative to this meeting or arrange to have a conference member as representative.

Humboldt's location may prove a factor in the decision.

**Tennis**

Saturday, Humboldt and San Mateo tennis teams clash on the local courts, and students can show their school spirit by their attendance.

San Mateo is being represented by six men who are rated as the best ever to represent this Junior College. Members of the Humboldt team have had considerable experience; but the one thing, above all, is that they'll be out playing to win for Humboldt.

Students, your spirit has been commendable at football and basketball games, at plays and at concerts—so why not give your tennis team your support by attending the matches Saturday morning?

**Students Supervise Program at School**

The College Elementary School Clubs organized under the direction of the Practicum Music class gave a program Friday, April 5, at 11 o'clock in the College Elementary School building.

The number consisted of selections by the Rythm Band, under the direction of Jane Brigden and Dorothy Dillon; the Songsters Club, supervised by Maewilda Speer and Eloise Anne; the Intermediate Rythm Club, directed by Dorothy McGovern, Doris Clark and Patricia Crowley; the Rythm Interpreters directed by Minnie Parlow, Zorie Ivancich, Pauline Pegalotti, Barbara Unsoeld, Elizabeth Foutz, and Dorothy Yackley, and the Junior Entertainers, directed by Eloise Chase, Janet Woodcock, Dorothy Yackley and Norma Thurston.

**WITH OIL COMPANY**

Robert Coons, a former Humboldt State student, has taken a Job with the Shell Oil Company and will work at the company station at 4th and H Streets in Eureka. Coons plans to enter the University of California this fall. Since leaving school last May he has been working at the Holmes Eureka Lumber Company.

**Sewing Club Members Consider Answers to "Disgusted Female"**

The Men's Sewing Club met in Room 10 yesterday, as Room 11 was being used as a receiving point for letters from all over the globe, in answer to the article published in the Lumberjack, "Confessions of a Disgusted Female." Mr. Butch Caviness, president, after a few moments deliberation, estimated that if all the letters turned in were piled end to end, they would form a column.

Frank Steele, a new member of the Sewing Club, was delegated to read the more important letters aloud. From England, William Shakespeare, an up and coming playwright, delivered a scathing editorial on women ending with the catch line, "Frailty, thy name is woman."

Then there was the poem from the Japanese poet laureate, Hitchi Stichi, entitled, "Ode To a Disgusting Female." Here is an excerpt from the poem:

"Oh Ode to thou Disgusting, Why are so few of not too many:

In those Penny Arcade." Following the poem, Mr. Steele picked up a letter trimmed in black, and embossed in green gold. It was from the Imperial Mogul of the United Federations of Sewing Circles. The president writes that he is very much pleased with the activity that Humboldt State's Sewing Club has shown but wishes to know when the club is going to do a little sewing.

At this point Mr. Irving Manson, President of the Club's secret honor society, The Thread and Thimble, open only to those members able to hook rugs with their nose, said the entire club should get together and contribute to a Gigantic Hope Chest to send to the Imperial Mogul.

as a symbol of the type of work that the Humboldt Sewing Club has made itself famous for.

Mr. John Van Duser, usually a Stoic, turned Epicurean for the moment and claimed to have a hope chest in his attic, a relic of his freshman days, that could be used for just such an occasion. This hope chest could serve a two-fold purpose as it makes a delightful and very striking summer cottage, with its lace borders of cobwebs and sow bug tracks.

Mr. Van Duser, as you remember, has not spoken at a meeting since the gala card party at Sequoia Park. It seems that Bill Henders spread a rumor that John had sent away for a reduco belt. At the card party, a few of the more lively members had heckled Mr. Van Duser, and hurled wise-cracks pertaining to John's reduction attempts while he was giving his original monologue, the sneezing romance of the goldenrod, "Hay Fever, er, Kerchoo! Jack Dalton."

"And anyway," Mr. Van Duser concluded after breaking his silence, "far from sending away for a Reduco Belt, I was writing to the American Balloon Corporation for a book on "Inflation for Dr. Balabanis, So ha-ha-haw."

At the close of the meeting a Basting Speed Test was held with Richard Albert capturing high honors and the grand prize of a spool of basting thread. Mr. Albert set a new record for the course, having negotiated the hem of Mr. Inskip's grey overcoat, in three under par, and snaring a hole-in-one on the third button-hole. Mr. Albert, face flushed with success, remarked with becoming modesty:

I owe my quickness of finger to Miss Davies and Typing which gave me the fundamental principle of Basting, "The Tiger Stroke."

**In Other Colleges**

By B. J.

The San Jose State A Cappella Choir has returned home from a northern California tour of ten days duration. It sang in Santa Rosa, San Rafael, San Francisco, Susun, Galt, Sacramento, Marysville, Willows, Gridley and Corning.

From the "Golden Gater," San Francisco State's paper, one learns that 80 per cent of their graduates are placed in teachers positions.

One of the students at Villanova answered a magazine advertisement promising to give information as to a means of acquiring much money easily. Of course a nominal sum of one dollar was charged for the issue of this valuable information. In a few days the embryo Midas received this answer: "Do as I did, brother," St. Mary's College "Trail Blazer."

Saturday classes are popular at Central State Teachers College, Edmond, Oklahoma. The enrollment in the classes given now on Saturday is larger than their enrollment before.

One of the poems published in the Spartan Daily, reads: "Pretend to be as much in love With me as I with you. This romance game is much more fun

If cheated at by two, Or Else If you love me as I love you We'll be friends and both untrue."

Another which was submitted as an example of how poetry should not be written was:

"If I ask you to wed me Don't be alarmed, It's only because I need by sox darned."

A fieldday for Humboldt and Del Norte County high school boys is being planned for the near future, it has been announced by Virgil Hollis, track manager, and Robert Caviness, president of the men's association.

**Like Mental Tests? Then Here Is One**

It is said that concentration due to effort is easily tested—that the most common and fairest test is the most ludicrous. Can you fill in the following blank spaces correctly in a minute and a half?

If George Washington was once King of England, write the time of the day here.....  
..... If he was not, do nothing here.....; but spell your last name backwards here..... Cross off all the latters you just wrote except the last. If this one of your initials, write hte other two here..... However, if the noon is made of green cheese, write the names of all presidents from Hoover to Roosevelt here..... If Humboldt State College is not in Humboldt County, place the number of "O's it would have if it were here..... If it is in Humboldt, what is the shape of the fountain in the college court.....?

**Ugo Giuntini Pays Visit to College**

Ugo Giuntini, Humboldt grad, visited here last week. Giuntini took an active part in athletics, playing baseball, basketball, football and tennis, and also won the student teaching cup for the Practice teaching in 1934.

Giuntini was the coach of the championship Hawkins Bar basketball team, and he will also coach the Hawkins Bar baseball team.

### Balabanis Kept Busy In Making Addresses

Homer P. Balabanis, vice-president of Humboldt State and professor of social science, has addressed six organizations during the past three weeks on topics of Old Age Security and the Townsend plan.

He has spoken at meetings of the following clubs: Eureka Lions Club, Forum Club, University Club Round Table, Rotary Club, Kiwanis Club, and the Arcata Rotary Club.

On Saturday, March 23, Balabanis was the principal speaker at the district convention of the California Scholarship Federation held at the Fortuna High School.

### Poultney to Attend Instructors' Meet

Robert H. Poultney, professor of biological and physical science at Humboldt, will attend the state council meeting of the College Instructors' Association to be held in Fresno tomorrow and Saturday.

Poultney is president of the Humboldt College Instructors Association. He will spend some time in Berkeley and will return here next week.

## A Man Student Believes That 'Disgusted' Female is Wrong

In friendly spirit, may we respond to the article written by "A Disgusted Female" and appeared in the last edition of the Lumberjack.

Students of Humboldt, hasn't there been harmony and unity in support of all our activities this year? Hasn't there been an ever-prevalent atmosphere of co-operation? Has there been any real discord? Then, why should any person be disgusted and state facts which can apply to both sexes, and not merely to one?

The Men's Association recently sponsored a barn dance without the financial assistance of the student body. The W. A. A. gave a dance with the aid of student body finances. Both dances were well attended by students and friends and everyone had a good time. On the third of April the girls gave a demonstration basketball game. About half the students present were boys and

they did their share of the yelling. Do these statements coincide with those in the article in consideration? If they don't, just what is the "Disgusted Female" driving at? Why not be more specific?

So far this year, every group in school has been co-operating with each other and why not continue to do so? Just think of the football special, the dramatic trip, the Chi Epsilon trips, the wonderful support at collegiate basketball games and last Monday's concert. Isn't it better that everyone work hand in hand? Humboldt is on a "New Deal" basis and the only way it can succeed is by one hundred per cent co-operation.

If the article is true and the boys are at fault—and also if the "Disgusted Female" is wrong—why not forget all about it and do things which will set marks for future students to try to better?

Signed: A Humboldt Male.

### Annual Golf Tourney For Sam Beer Trophy

Competition for the Sam Beer perpetual golf trophy has been announced by Coach Fred Telonicher. The winner who will have his name engraved upon the cup presented by Sam Beer of Arcata, will be decided by elimination matches. Play will be at the golfers convenience, but all matches must be played within the time limit, to be set later. Any Humboldt student is eligible.

Those who have signed to enter so far are William Henders, William Beer, Howard Lester, Eugene Fountain, Collis Mahan, Jay Jones, Harry Falk, Don Inskip, George Hugo.

### Instructors Are Going To Physical 'Ed' Meet

Miss Ann Craig and Fred Telonicher, of the Humboldt physical education department, will attend a meeting tomorrow in San Francisco called by Hal Orion, chief of the Division of Physical Education in California. Physical education directors from all parts of the state will meet at the Fairmont Hotel to discuss teacher training problems.

On Saturday the Humboldt Representatives will attend the conference of the California Association of Health, Physical Education, and Recreation at the Fairmont Hotel.

Other representatives of the Redwood Unit of the association who will attend are Miss Marion McMillan of Eureka, and Miss Robertina Pace of Fortuna.

### DIRECTS EUREKA PLAY

"Whistling in the Dark," a three-act mystery drama to be given by the Sequoia Little Theatre the last week in April, is being directed by Garff Bell Wilson, dramatics instructor at Humboldt State. Dale Merriam, a graduate of Humboldt State, has a part in the play.

### Committees Selected For Senior Banquet

Committees for the senior banquet and ball have been announced by Alma Ruth Sweet, general chairman of the affair.

Committees are as follows: Decorations, Barbara Stewart, chairman; Evelyn Renner, Kathryn Cloney, David Nielsen, Mary Emily Speier, Annabelle Stockton, Dorothy Dexter.

Dinner and intermission program: Coyita Cooper, chairman; Jessie Hinch, Margaret McCammon.

Place cards and dance programs: Sadie Ambrosini, chairman; Dorothy Williams, Claude Kistner.

Publicity: Frank Look, Carl Pen.

Patrons and patronesses and faculty invitations: Lydia Lovejoy and Dorothy Dexter.

### Mrs. Ostrander Will Attend Music Meeting

Mrs. Marie Ostrander, associate professor of music, will attend the California-Western Music Conference to be held in Pasadena on April 15, 16, 17. She is a member of the committee of piano class instruction for the conference.

The music conference is held in California every two years and a meeting of the national organization of which this section is a unit, is held on the alternate years.

The organization is made up of public school music teachers, supervisors, high school music heads and college music directors.

### Jeffers Will Speak At Pasadena Meeting

"Vocal Technique" is the title of an address to be given by E. V. Jeffers of the Humboldt College faculty, at the California Western Music Educators Conference at Pasadena in the spring vacation next week.

Mr. Jeffers is the chairman of the North Coast division of the conference which includes California, Nevada, Arizona, the Hawaiian Islands and the Philippines.

Miss Frances Devoy, former Humboldt Commerce student, who was a member of the Lumberjack staff and of the college orchestra, is now a secretary in the Welfare Department, Eureka.

Leo G. Schussman of the faculty, recently talked to the Parent-Teacher Association at Willow Creek on "Psychology of Adolescence" and to the Eastern Star of Arcata on "The School and Home."

Women planning to attend the second annual College Women's Play Day, April 23, are asked to sign-up this week. The play day, for women of the college only, will end by 8:30 p. m. when a bus will leave for Eureka.

### Two College Fighters Train for Tournament

Virgil Hollis and Arthur Elmes, two of Humboldt State's leading pugilists, have been working out for the coming De Molay amateur boxing tournament.

Hollis, a light-heavy weight, has officially entered the tournament, and has been training for several weeks.

Elmes, a feather-weight, has not as yet turned in his official blank, but may do so in a day or two.

Elmes recently fought, in practice, Don Smith, a national amateur champion. Smith says that Elmes has an excellent chance.

Hollis won the runner-up trophy in his class this year, and hopes to be able to win the championship this year. He will have to defeat Larry Tiller, CCC champion, in order to get the trophy.

### This Class Covers A Lot of Territory

Slides illustrating plant and animal life on the earth ages before man existed were shown Friday, April 5, and Monday April 8, by Prof. Harry D. MacGinitie to his Paleontology class, which met in Mrs. Stella Little's art room.

Many of the pictures were startling contrasts to the present life on the earth. Most of the plants such as are recognized today as Horse-Tails and Ferns were, in Upper Paleozoic and Carboniferous times, trees, which were 100 to 200 feet tall. Insects dimly related to the Scorpion of today were equipped with stingers and measured over eleven feet long.

### VISIT WEATHER BUREAU

Six members of the college physics class: Eugene Fountain, Richard Meade, Bernard Hutsinpillar, Robert Schmuck, John Bauriedel, and Paul Hunter, visited the Weather Bureau in Eureka Monday.

## COLLEGE TO ENTER IN EUREKA RELAYS

Humboldt State Teachers College has accepted the co-sponsorship with the Eureka Kiwanis Club of Eureka of the Eureka Relays which will be held on Friday night, April 24, at Albee Stadium. President Arthur Gist and Coach Fred Telonicher accepted the invitation of the Eureka Kiwanis Club, yesterday morning after a conference with Charles Daly and Frank McGaragan.

Coach Telonicher stated that the college will be able to aid in putting over the meet by supplying officials for the various events.

Humboldt State will put a team in the meet that contains such former high school luminaries as the following:

Collis Mahan, Fortuna Union High School, who can gather points in the 100-yard dash, 220-yard dash, broad jump and the low hurdles; Virgil Hollis, former Westwood High School sprinter and 440-yard dash man who has run the hundred close to 10 flat, Hollis has been appointed track captain for this season; George Inskip of Arcata High, winner of the mile in the county track meet; Wally Lozensky, Fortuna High miler; Julius Hooven and Harold Jenkins, Arcata High School high jumpers; Arthur "Slipery" Elms, diminutive miler; Dick Buxton, Fortuna High, a middle distance prospect; Joe Paul, Bill Hnders and Robert Caviness, former Eureka High School shot-putter, and Tovo Arvola, Eureka High School, who will run the 880-yard dash.

## Sunset Hall Residents Will Visit at Homes

Sunset Hall will be vacant during the Easter vacation. Miss Louise Struve, head resident, will leave Friday for her home in Watsonville, and will be accompanied by Eleanor Renfro, who will transfer to her home in Kelseyville; Margaret McCammon will be a passenger to Petaluma, Doris Clark to Potter Valley.

Marjorie Brenner, Dorothy McGovern and Emy Lou Grove will visit their homes in Scotia, Carmen Alward in Pepperwood, Gladys Marke in Carlotta, Evelynne Rhea in Cummings, Evelyn Renner, Lydia Biasca, Barbara Gries, Janet Robinson in Bandon, Oregon; Eleanor Robinson in Bridgeville, and Annabelle Stockton in Shively.

Miss Mary Shinn will be unable to visit at her home in Honeydew because of teaching in the College Elementary School, which will remain open during the week.

Couples must pull together or will pull apart.

## Miss Johnson Gives Lecture On France to Delphian Group

Miss Adella Johnson, associate professor of French at Humboldt State Teachers College, gave an illustrated talk on France at a joint meeting of both chapters of the Delphian Society April 2nd at 7:30 o'clock in the art room at the college. She was assisted at the lantern by Mrs. Stella S. Little, professor of art.

Miss Johnson visited France in 1929 with the "International French School" as a member of a group of twelve French Teachers and students under the direction of Prof. Arthur Bovee of the University of Chicago. French was the official language of the group during the tour, which lasted about three months. The party landed at Cherbourg and traveled by motor through the interesting provinces of Normandy and Brittany and through the chateau country in the valley of the Loire. Lectures were given at each city en route. The party then moved on to Paris, where they spent six weeks. There were classes every morning and directed sight seeing in the afternoon. Evenings were free and were often spent at the theatre or the opera. On week-end trips from Paris, Miss Johnson visited the cathedral cities of Chartres, Rouen, Amiens and Rheims, and the war-torn battle fields between Rheims and Verdun, some of which had been left just as they were at the close of the World War. She also visited the palaces of Fontainebleau and Versailles. From Paris, the group went by rail to southwestern

France, to Bordeaux, the Basque country, and the shrine at Lourdes to which nearly a million pilgrims come every year, together with thousands of patients, many on the point of death, who hope to be cured by the waters of the miraculous spring. After motor-ing through the Pyrenees, the group proceeded to the valley of the Rhone, visiting Nimes, famous for its old Roman buildings, Arles renowned for its beautiful women, and Avignon, once the residence of the popes. They then motored along the Riviera, on the Mediterranean coast, stopping at Nice, Cannes and Monte Carlo. From Marseille, the great southern seaport, they returned to Paris, having completed a comprehensive tour of the country. Miss Johnson said that the thing that impressed her most was the great diversity of beauty and interest offered by France. She liked nearly everybody and everything she encountered over there, except the telephones and the coffee. But there were substitutes for both—taxis and chocolate, for example.

She refused to divulge whether she won, lost, or even gambled at the famous casino of Monte Carlo. She would not name her favorite brand of French wine, although she admitted having seen fourteen million bottles of champagne in the big wine cellar at Rheims, and she refused to explain why six handsome gendarmes tried to arrest her on a bridge in Paris at midnight.

## "Dunking Doughnuts" Features Class Party

A "doughnut dunking party" was given by Horace Jenkins and his students in industrial education classes last Wednesday in the social unit. Ping pong and dancing furnished additional entertainment.

Those attending were Harry Zook, David Hummel, Myron Schussman, Emy Lou Grove, Charles Timmons, Richard Buxton, Lena Brambani, Frank Look, Barbara Jean Russell, Martha Sunnari, Goldie Tamburovich, Harold Del Ponte, Paul Hunter, Gillis Courtwright, Arthur Elmes, Francis Moore, Doris Clark, Dorothy McGovern, Ward Tinker, Jay Jones, William Beer, Eva Mathisen, Jack Lewis, David Nielsen, Mary Nielsen, Norma Thurston, Annabelle Stockton, Virgil Hollis, Wallace Lozensky, Collis Mahan, Ariel McClaskey, Bernard Hut-sinpillar, William Moulton, Clyde Patenaude, Gladys Marke, Evelynne Rhea, Robert Caviness, John Van Duzer, Harold and Channing Jenkins and Horace Jenkins, instructor in industrial education.

## Games Being Played In Soft Ball League

Play in the college softball league started this week, after the postponement of the two opening games because of conflicting activities. Three teams are entered composed of both men and women students with at least four women on each team.

Regular softball rules are being followed and games of four innings with a 30-minute time limit are being played to determine the college championship. The college gymnasium will be used for games when the weather is too bad for outside games. Special rules will be applied to the indoor games, it was announced.

Gillis Courtwright, athletic manager, has charge of the league play.

Edgar L. Samons, former Humboldt student and winner of the president's cup for teaching in the semester ending in January of 1933, has secured an elementary school position on the pima Indian agency at Sacaton, Arizona. Samons, who lived in Eureka, has been working in Samoa.

## Instructor Follows Record of Students

The spring semester zoology of 1930 gave promise of being an exceptionally good class, according to Robert H. Poulton, professor of biological and physical science, and so he kept track of the class members.

Three are now practicing dentists. Each took his first work at Humboldt and then attended the College of Physicians and Surgeons in San Francisco. They are Chester Stromberg, now at Scotia; Leonard De Martin, practicing in Crescent City, and Merced Wrigley, in Eureka.

Another one in the same class was Emil James Spiering, now principal of the Korbel schools. Mr. Spiering is also president of the Humboldt State Alumni Association.

Miss Dorothy Johnson took her master's degree in biological science at University of California, after she had left Humboldt and now is a biology teacher in the Eureka Junior High School.

Another graduate in biological science is Audrey Boydstrom, who transferred to Stanford University after leaving Humboldt.

Two other students are still completing their education: Max Todd spent three years at Humboldt and transferred to Stanford. Todd will start his year as an intern next fall, after which he will be eligible to practice medicine. Walter Monohan went to University of California after he left Humboldt, and is now taking a course in the College of Physicians and Surgeons in San Francisco.

## DELEGATES ENTERTAINED

Mr. and Mrs. H. D. Renfro, parents of Miss Eleanor Renfro of Sunset Hall, entertained the members of the W. A. A. Conference group at their home in Kelseyville, last Wednesday evening. The members of the party were: Miss Monica Wright, Frances Poulson, Frances Monohan, Virginia Torp, Evelyn Quarenheim and Miss Eleanor Renfro.

The joke is on the neighbor's chickens when you fail to plant a garden.

## MEN THINK WOMEN HAVEN'T A "KICK"

What have Humboldt State's women got to kick about?

Think of the plight of the poor female peacock who can't even dress as well as her beautifully plumaged and quite arrogant husband.

An opportunity to study the peacock is afforded Humboldt students as here are two of them, a male and a female, virtually in the college back yard. They can be found below the college across the road that runs on the south side of the Elementary school playground.

The female peacock came running up to see the visitors, while her husband refused to turn around, as some of the visitors were wearing cords.

After several of the visitors had clucked like a hen, barked like a dog and rapped on the wires of the cage, the male turned around for a second, giving everyone a breath-taking glimpse of a deep royal blue on his breast, but presto, haughtily turned his back on his audience. Then, thinking that his wife was getting all the attention, he rattled his upright feathers and screamed shrilly until his brow-beaten wife scurried under the shed.

Finally, fearing that his visitors would leave, he turned around and posed gracefully for several minutes without moving.

**MAKES PORTABLE LOOM**  
David Nielsen has completed, in the industrial education department, a loom four feet wide and five feet long which will turn out cloth forty inches wide.

Somebody will come out with sweater-quintuplets, but right now, you'll be satisfied with our sweater-twins. Two of a color, or we'll give you your color choice so you can combine a white pull-on with a canary yellow or vice versa.

There are always sweaters, you know, and particularly twins—but they change quite a bit when spring shows up—they take on those ravishing pastels—warm oranges and corals—bright yellow or green. Everything that is typical of spring. We've a special group of twin sweaters especially for you co-eds. They have action backs and Gable backs that you'll adore. \$3.45 a set.

## High School Quartet Radio Guest Artists

Members of the Excalibur Club quartet of the Arcata Union High School were guest artists on Humboldt State's radio program on March 28.

Humboldt students who were on the program include, Oden Hansen who played three piano solos, Lyle Thomsen who gave the latest facts on foolishness at Humboldt; Elaine Haley, accompanied by Mrs. M. R. Helsley, who sang two songs; Miss Eva Mathisen interviewed Jessie Hinch and Julius Hooven, members of the cast of "Let Us Be Gay". Zorie Ivancich, women's basketball manager who gave information concerning the semi-annual girls' basketball game.

The Excalibur Club was composed of Harry Wineroth, Robert Morrison, William Inskip, and Keith Eminegger and was accompanied by Miss Audrey Morrel.

The program was sponsored by the Public Relations Committee of the Associated Students of Humboldt State College and was under the direction of Le-land Cloney.
