PLAY TO BE GIVEN ON TWO EVENINGS

"OUTWARD BOUND" SET FOR
TUESDAY, WEDNESDAY
OF NEXT WEEK

There has been such a demand for tickets that two performances of "Outward Bound" will be given. They will be on Tuesday and Wednesday evenings, December 10 and 11. Season ticket holders will be given tickets for the first night. Others may reserve seats either night by calling Miss Sarah Davies, secretary to the President Gist.

The cast, composed of experienced players, includes Mrs. Paul Brizard and Mrs. Annie J. McKinnon of Arcata, and Director Garff Bell Wilson. The complete cast is:

Mrs. Cliveden Banks—Mrs. Paul Brizard.
Mrs. Midget—Mrs. Annie J. McKinnon.
Mr. Lingley—Don Inskip.
Rev. Wm. Duke—Julius Hooven.
Tom Prior—Garff Bell Wilson.
Scrubby—Richard Jarboe.
Ann—Violet Susan.
Phillip—Jack Lewis.
Rev. Frank Thomson—Lawrence Clark.

The production staff includes John VanDuzer, technical director; Devina Taggart, assistant technical director; Harold Jenkins and Oden Hansen, electricians; Zonna Murray, stage manager; Helen Mitchell, properties; Jack Boggess, construction; and Esther Ritola, house committee. The student orchestra under the direction of Lillian Snow, will play between acts and before the play.

Gilbert Wrenn Will Speak at Conference

Charles Gilbert Wrenn, assistant registrar in charge of student Personnel at Stanford University, will be the guest speaker at the sixth annual conference of the Northwestern California Educational Guidance Conference Saturday at Humboldt State College.

A breakfast will be held at 8:45 a.m. in honor of the speaker and the morning session will start at 9:45 in the Social Unit. President Arthur S. Gist will give greetings from the college and J. M. Bowersox will introduce the speaker. Mr. Wrenn will speak on the subject, "Picking College Material".

Luncheon will be served at 12:15 p.m. and the conference will be resumed at 1:45 when the guest will speak on "Further education for those who do not go to college". Panel discussions will be held in the morning and afternoon.

Honor Society Will Pledge New Members

New members of the Chi Sigma Epsilon, Humboldt State honor society, will be pledged at an Honor Assembly to be held Monday, December 9, at 10 a.m., according to Maewilda Speer, president.

"Traditions of West Point," will be the subject of the principal address of the assembly to be given by Lieutenant Tabor, a West Point graduate.

"This," yelled the archery class member as the bowstring hit his wrist, "is what I call a snap course."

Dakota School Asks For Humboldt 'Shots'

Dean Tom Stine of Jamestown College, Jamestown, North Dakota, has written C. Edward Graves, Humboldt State librarian, asking the loan of the moving picture taken last year of student activities at Humboldt and in return promises to send pictures taken at Jamestown.

Mr. Graves has taken moving pictures of three of Humboldt's football games this year in addition to some fine shots of the brawl and the college whiskerinos and plans to show them at an assembly some time before Christmas.

SENIOR BALL DATE FRIDAY THE 13TH

Friday the Thirteenth of this month is the date set for the Senior Christmas Ball. The seniors want to show that they are not superstitious by announcing the dance which they term the "big event of the year" on this date.

Although they will not disclose their plans for the decorations, the seniors say: "They are going to be different," and add that they will be an elaborate work of art, embodying, in the electrical effects, suggestions made by John Van Duzer.

The seniors who are going theatrical by describing their dance as "grand," "colossal," "nothing like it before," and "a dance of dances," urge everyone who wants an entertaining time to attend.

The affair is to be semi-formal and no stags are to be admitted. The usual bid system will prevail.

The chairmen of the various committees are: Eloise Aune, decoration; Ward Tinker, publicity; Laurella Frakes, dance programs; Zorie Ivancich, finance; Norma Thurston, refreshments; Larry Clark, music. Patrons and patronesses will be President and Mrs. Arthur S. Gist, Mr. and Mrs. Leo Schussman, Mr. and Mrs. Fred Telonicher.

Art Class Designs Clock False Faces

The dead clocks in all of the classrooms have caused enough trouble. At least Mrs. Stella Little's class in Applied Design thinks so.

Freshmen keep looking at them and wondering which is wrong—the clocks or themselves. Speakers and visitors who come to the college get the wrong impression everytime they look at the clocks and see that it is ten minutes to three at any time during the day.

So the art class has spent the last couple of weeks making false faces for all of the dead clocks in the college. These false faces have been made by various methods, such as crayon, pastel, stencil, cut paper and painting.

Pre-Registration on For Second Semester

Pre-registration for the spring semester officially begins today. Every student has been assigned to a faculty advisor with whom the student is expected to confer and who will approve the student's program for next semester.

Notices to students of their hours for consulting their advisors have been placed in the students' boxes, or will be shortly. Each student should buy a registration booklet at the bookstore before going to his advisor. The schedule for next semester is posted on the bulletin board.

Students returning next semester who fail to pre-register will be charged an extra fee.

Only nineteen more days until Christmas—and not so very many more until finals.

ERB WANTS TO GET MORE GRID GAMES

MORE AMBITIOUS SCHEDULE
IS BEING PLANNED FOR
NEXT FALL

Attempting an even more ambitious schedule than that just completed, Coach Charlie Erb has announced that he is already making tentative plans for eight home games for the Humboldt State varsity next season.

Erb is seeking a game with the University of Nevada here on Armistice Day as the principal dish of football for the 1936 season. Another game equally important to be played here will be the San Jose State contest.

Several teams will be played away from home, including the California Aggies. Erb hopes to schedule games with the College of the Pacific, University of San Francisco Frosh, Stanford Frosh, Sacramento Junior College, and the Southern Oregon Normal, in addition to games with Santa Clara Frosh, St. Mary's Frosh, Chico State, and San Francisco State.

If plans for all these games materialize Humboldt will have its hands full to keep in the winning column. Tackling what appeared to be a "suicide schedule" this year, Erb whipped a practically green team into shape in a short period of time that won six games, tied one, and lost one.

Immigration Course For Next Semester

"Immigration and Population Problems," will be offered at Humboldt during the spring semester of 1936. Dr. Balabanis, who will instruct this course, has risen from the ranks of an immigrant laborer. While a student at the University of Chicago, he served as a social worker among the immigrants of Chicago with the Immigrants' Protective League. The League is one of the agencies maintained by the Hull House at Chicago founded by Jane Adams, philanthropist and Nobel Prize winner.

Among Jane Adams' many books, her "Twenty Years in Hull House" and "The Second Twenty Years at Hull House" attest to her forty years of service for immigrant welfare. Dr. Balabanis' personal connection with the work of Jane Adams and her institution brought him in contact with many phases of immigrant problems and he will contribute first-hand information from his experience in dealing with immigrants.

The course will carry three hours of credit towards the Social Science major or minor. Also it can be taken as an elective.

Alpha Psi Omega to Give One-Act Play

Alpha Psi Omega will present a one-act play as a part of an evening of one act plays to be given in January. The play will be "The Happy Journey from Trenton to Camden" by Thornton Wilder.

It will be directed by Louis Tallman, an alumnus member of Alpha Psi Omega, now supervising in the College Elementary School. The following members of Alpha Psi Omega will participate: Julius Hooven, Claire Speier, Helen Mitchell, Devina Taggart, Catherine Bull, John Van Duzer, and Oden Hansen.

OCCUPIES PULPIT

Substituting for Rev. Irvine Asken who was in a San Francisco hospital, Homer L. Arnold of the college faculty, delivered the sermon at the First Presbyterian Church in Eureka Sunday evening on the relation of history and science to religion.

Choir Will Present Annual Carol Service

The annual Candlelight Christmas Carol service of the Humboldt State College A Cappella Choir will be conducted Tuesday evening, December 17, at 8 p.m. in the college auditorium.

Traditional Christmas carols of Austria, Germany, England, France and many other countries, will be sung by the choir of thirty-seven voices, the largest in the history of the college.

Admission will be free and the public is cordially invited to attend according to Edmund V. Jeffeds, college music director.

BOOK BY PURYEAR ON NEAR EAST OUT

The Stanford University Press last week announced the publication of a new book by Dr. Vernon J. Puryear, professor of Social Science in Humboldt State College, entitled "Diplomacy and International Economics in the Near East." It is a research study in history, dealing with British Commercial policy in the Levant for the first half of the nineteenth century. The book has a foreword by Prof. Robert J. Kerner of the University of California, and end-page maps of the Near East.

Among the first to send the author a letter of congratulation was President Robert Gordon Sprout of the University of California, who called the work "an excellent example of scholarship."

Dr. Homer P. Balabanis has been commissioned by the Stanford Press to review the book in this district. The work is already on sale at Humboldt bookstores.

Co-published by the Stanford University Press and the Oxford University Press of London, the book will be marketed in America by the Stanford University Press and the Baker and Taylor Company of New York, in England and the British Empire by the Oxford University Press, in continental Europe by the Nijhoff Company of Holland, and in Japan and the Orient by the Maruzen Company of Tokyo.

Sigma Tau Fraternity To Have Supper Dance

The Sigma Tau fraternity, social group of H. S. College, decided at their last meeting to give a supper dance at the Big Four Inn immediately following the college senior ball which will be held in the college gymnasium Friday, December 13.

The initial dues were paid at the meeting and the constitution of the order, which was read by Jack Lewis, president, was ratified by popular vote.

The attending charter members were: Jack E. Lewis, president; L. Wayne Cochran, vice president; Don L. Pozzo, treasurer; Lawrence A. Clark, secretary; Jack J. St. Claire, social chairman; William Leonard "Pinky" Anderson, Jay W. Jones, James H. Hall, Harvey E. "Porky" Patterson, Laverne "Pedro" Elmore, Winfred "Nate" Hauck.

ORDERS JAPANESE PRINTS

Mrs. Stella Little has sent to New York for an exhibit of Japanese prints which will be on display in her room as soon as they arrive. Three years ago, Mrs. Little had such an exhibit and she has had many requests for another since that time. These prints are copies of masterpieces by famous Japanese artists. All will be welcome to go to her room to see them.

BASKETBALL CALL ANSWERED BY 28

TELONICHER'S MEN TO FACE
TOUGH SCHEDULE; FEW
VETERANS BACK

Twenty-nine aspirants for positions on the 1935-36 Humboldt State basketball team reported to Coach Fred Telonicher Monday for their initial workout in the college gymnasium.

Facing the toughest cage schedule in years, Coach Telonicher has few letter men of the court returning. The college will play in the Independent League again this year in practice for several sets of tough inter-collegiate games.

San Jose State, Chico State, and San Francisco State will each meet Humboldt in a series of two games.

Several former Humboldt County high school stars have reported for practice in addition to members of the football team, many of whom have considerable basketball experience.

Those who reported for the first practice were Anders Nielson, Sal Nygard, Al Gomez, Len Stillings, Earl Menewether, Toi Ferin, Bill Farber, Harry Winthroth, Wally Lozensky, Ken Naye, John McGrath, Paul Hunter, A. Sandretto, Vic Hutchinson, Bruce Compton, Bill Inskip, Lee Seidell, Art Elmes, Bill Hutt, Clyde Brownlow, Jack Ellis, Ed Graves, Wes Hunter, Ernie Brownlow, Francis Givins, Geo. Feldmiller, Laverne Elmore, Larry Clark, and Raymond Carroll.

Frank Simas Is Out One Dollar in Cash

Because Frank Simas, Humboldt State football star, failed to ask for the Lumberjack dollar after making a purchase from one of the advertisers in this paper, he is one dollar poorer today than he would have been had he remembered the Lumberjack "Ads."

In the last issue of the Lumberjack it was announced that an advertising prize of two dollars would be offered in each issue. One dollar in Eureka and one in Arcata was placed with an advertiser in this paper. For every issue of the Lumberjack there will be one more dollar placed with the same merchants until someone after making a purchase of 20 cents or over says: "I want the Lumberjack Dollar."

As last issue's prize was not called for, somewhere in Eureka and Arcata there are now four dollars waiting for some Lumberjack "Ad" reader.

Photography Course For Next Semester

A course in photography will be offered at Humboldt State next semester, according to J. Wendell Howe of the college science department.

Collaborating with Mr. Howe in the presentation of the course will be Mrs. Stella Little, Mr. Harry MacGinitie, and Mr. C. Edward Graves, of the college faculty, and Oscar Swanlund, commercial photographer. The course will give two units and will have seventeen lecture periods and seventeen laboratory periods. Each student will be required to expose one roll of film each week taken of a selected subject. The photographs will be placed on display and awarded points for first, second and third prize work. At the end of the semester it is hoped to have a substantial prize for the winner. The course will be limited to fifteen students.

Football

Football is over and now the athletes will be turning out for basketball with the hopes of repeating the experiences of recent seasons when Humboldt has had a crack court team.

However, one cannot dismiss football without a word of comment. It is too bad, of course, that we lost to San Jose. But the fact remains that Humboldt had a very successful season, with but one defeat and but one tied game. With a comparatively small squad and hampered by injuries, sickness—and an operation—Charlie Erb, Tom Meckfessel, and Fred Telonicher turned out a team which made a record few colleges make and one that all can be proud of.

With the momentum gained from this season Humboldt has an excellent opportunity to "go places and do things" next fall.

Carmen

Two crowded houses, people turned away from both performances, those in charge forced to open the side doors and place some thirty chairs in the outside corridor—these facts attest the success of the recent presentation of "Carmen" in the college auditorium under the direction of Edmund Jeffers of the music department.

The work of the large chorus, of the orchestra, and of the singers who had the solo parts was most pleasing to the large audiences. The guest soloists were very complimentary of the college singers and orchestra musicians. It would be difficult of course, for the average member of the audience to single out any one part or any one singer for discriminating praise, but one cannot help saying that our own soloist, Carla Petersen, completely won her audience not only by her voice but by her poise.

Outward Bound

There will be an innovation in dramatics at the next week performances of "Outward Bound" under Director Garff Bell Wilson.

Not only will Mr. Wilson himself appear in the cast but two well known residents of Arcata will also take part, along with the regular student actors.

As a result of the interest already aroused, two performances instead of the usual single production have been advertised to accommodate the audiences and to prevent having to turn away patrons; in the past some have come from a distance, only to find that they were unable to obtain seats.

Arcata is a long way from San Francisco—as those homeward bound from San Jose game perhaps would be the first to admit—but we who live in this community also have the opportunity of seeing new shows well presented at Humboldt College.

Group Gives Play In San Francisco

Garff B. Wilson and five members of the Humboldt State College drama department attended the convention of the Western Association of Teachers of Speech held last week in San Francisco and presented "The Tumbler," a short play by Everett Glass.

"The Tumbler" was presented as part of the fine arts program on Friday night. San Francisco State gave a series of dramatic dances and San Jose presented a one-act play by Moliere and their verse-speaking choir gave several selections.

Wilson gave two talks at the convention, one before the high school division of the meeting on "The English Style of Debating," and an after-dinner speech at the Thanksgiving banquet. The speech is to be published in a volume of after dinner speeches being edited by Professor Lindsey of Occidental College.

Those who made the trip were John Van Duzer, Julius Hooven, Lawrence Clark, Harold Del Ponte, and Ed Warren.

Staccato Notes on Excursion
By Member of Humboldt Band

Eureka—everybody rushing to windows as train moves out; under way, considerable traffic congestion in aisle, everybody exploring the train and sizing up the bunch.

One brave foursome attempting a quiet evening of cards without much success.

Band parading through cars, a certain member with an abbreviated model horn—same band member parading through cars later on hand and knees looking for screws from horn (he found 'em).

The candy butcher staggering back for more (fifth trip).

A few hopefuls going to bed at midnight—train stops; where are we? must be Willits; let's get off. Nope, still 15 minutes to Willits.

Two musicians trying to sleep under one overcoat with indifferent results.

A publicity man roving the train incognito with naught save overcoat as garb. And speaking of overcoats, has anybody seen mine?

Train stops, one a. m. Is this Willits? No, still fifteen minutes to Willits.

The candy butcher staggering back for more (fifteenth trip). Train stops, two a. m. Willits at last; a few disembark, the remainder are aroused and circulate through the train.

Yawns and sighs and creaking joints are heard as grey dawn breaks and it's no use of try to sleep any more. What a night! Scramble for breakfast on ferry, followed by feeble noises from the band on boat deck. New talent discovered on ferry; ask our leader!

Saturday morning, everybody up. The parting of the ways.

Saturday night in Frisco. Careful listener might have heard an occasional On-O-Humboldt mingling with the thousands of Come-join-our-band's issuing from all parts of the city.

Sunday night—most of us back together at ferry building, looking rather weary and worse for wear, but still life in the old bunch. Let's sing "On O Humboldt!"

Monday morning—Administration conference to ascertain cause for sudden drop in attendance.

Spartans Turned Out To See Humboldts

"When the Southern Pacific Special poured its burden of loyal Humboldt rooters onto San Jose soil," says read a story in the Monday, November 25, issue of the Spartan Daily, San Jose State paper, "the San Jose State band and a goodly representation of Spartans were on hand to bid them an appropriate welcome."

"Amid much confusion a parade was organized and finally headed into the heart of San Jose, led by the bands of both institutions, accompanied by considerable blowing of horns and the cannon-like reports of exhausts, which all reminded the good citizens of our fair metropolis that silence is only a temporary thing and collegiates no end vociferous."

"Moving down San Antonio, the parade turned left on First and proceeded to the Sainte Claire Hotel, the designated headquarters of the Humboldt students, traffic being terribly demoralized in that vicinity—much to its general annoyance. "All was a success, the rally committee arranging what few details there were; and entertainment not expected was rendered by the little gentleman of mysterious origin who was slightly confused as to time and place, but who possessed remarkable potentialities in the way of leading yells, bands and traffic."

MATINEE SHOWING FOR "THE TUMBLER"

"The Tumbler" which was presented last week in San Francisco will be given at a special matinee in the near future for the Student Body. There will be a charge of ten cents for the play. This fee is being charged in order to pay the expenses of the trip of the "Tumbler" to San Francisco.

"The Tumbler" was first given at Humboldt in the spring of 1934 and, according to Mr. Wilson, is the most popular one-act play ever presented here.

The cast for "The Tumbler" is:

The Abbott—John VanDuzer
Pierre—Harold Del Ponte
Brother Barnabas—Ed Warren
Brother Blurbus—Julius Hooven
Brother Gobalus—Lawrence Clark

Brother Philabus—Garff Bell
Wilson

L. Thomsen Attending College in Nebraska

Lyle Thomsen, who attended Humboldt last year, is now in Midland College, Fremont, Neb.

Midland College has about 700 students and about 30 campus organizations including two fraternities. Practically all the men live on the campus. Thomsen has been invited to join one of the fraternities and has been accepted into a dramatic society, the Midland Players.

Thomsen met Sir Malcolm Campbell, the famous British racing driver, on his trip to Fremont just after Sir Malcolm set the world's record over 300 miles an hour.

FORMER STUDENTS MARRY

Miss Peggy Gregory of Crannell and William F. Moorehouse were married recently at the home of Mr. and Mrs. Henry Gregory in Crannell by the Rev. Mr. Burnham of Crannell. They will live in Fortuna. Moorehouse is now a timekeeper at Carlotta, where he is employed by the Hammond-Little River Lumber Company. Both Mr. and Mrs. Moorehouse are former students of Humboldt State, and both were members of the college symphony orchestra.

HANDS ARE COLD

There may be two girls whose hands get cold these frosty mornings because they lost their mittens. If those girls would go to Mrs. Jessie Woodcock's office they could get them back from the lost article department. Other articles Mrs. Woodcock has are: three keys, four pencils, four fountain pens, a ring, several umbrellas and a book "Modern Hero."

SIX POPULAR BOOKS

Six new popular books have been placed on the rental shelves at the college library:

"The Stars Look Down," by A. J. Croning; "Edna His Wife," by Margaret Ayer Barnes; "The Twenties," by Mark Sullivan; "Green Rushes," by Maurice Walsh; "The Longest Years," by Sigrid Undset, and "Eat Drink and Be Wary," by F. J. Schlink.

FOR WOMEN READERS

The rental shelf offer four new books for the feminine reader. "The Longest Years" by Sigrid Undset and "Edna His Wife," by Margaret Ayer Barnes are both stories of a girl's life. "Eve's Orchard" by Margaret Widdemer tells of a girl returning to her home after a successful business career in the city. "Green Rushes" by Maurice Walsh is the story of five interwoven romances.

Well, Anyway, We Lost To a Good Grid Team

The combined force of San Jose's attack and superior reserve strength turned the trick for the Spartans in their defeat of the Erbmens, says a sports writer in the Spartan Daily, the San Jose State College paper. The story, in part, reads as follows:

"Battled to a standstill for nearly two full quarters by the invaders who were playing under the inspiration of a contingent of 500 rooters from Eureka, Coach Dud DeGroot's Spartans capitalized on two blocked kicks to gain a touchdown minutes before the first half ended and then came back to blast over two scores in the third period and one in the fourth as the out-weighted Humboldt men wilted under the combined force of San Jose's attack and superior reserve strength."

BAND IN PARADE

For the fifth consecutive year the Santa Barbara State College band will represent Santa Barbara in the Rose Tournament parade on New Year's day. The city is expected to pay the expenses of the trip, as this has been the practice in former years.

CARD STUNTS USED

At the recent San Jose-San Diego football game, the San Jose State rooters used the first "big time" card and game stunts in the history of the school. A special section was blocked out on the east side of the field for the exclusive seating of students. The men rooters wore white shirts and the women white dresses. Directions for the pictures were printed on the backs of the cards used.

PLANS CHRISTMAS FROLIC

Santa Claus will visit Humboldt December 18 to take part in a school frolic to be held on the campus from 5:30 till 8 p. m. A "feed" is being planned by students for that date and the recreational class will conduct games in gymnasium to round out the program.

An article on glazes for pottery written by Horace Jenkins, Humboldt State faculty member, appeared in the December issue of the Industrial Arts magazine.

In the November 19 issue of the "Daily Californian," the student publication of the University of California, the following appeared on the editorial page in the "Merry Go Round" column:

Humboldt State Teachers College today indicated that they would flatly refuse an invitation to the Rose Bowl. Humboldt is the leading western representative having lost the astounding total of no games to date. In fact they have lost no games to nobody.

The Rose Bowl was denounced as a "commercial classic" by the student publication, a statement which flabbergasted the sporting world. A similar institution in the east came through with a similar hair-brained mouthing yesterday.

"If the sports writer will take cognizance of the fact that Humboldt does not care to play in the Rose Bowl, once and for all, they will find themselves free to direct their propaganda some place else, other than toward Humboldt."

"We play our own hand-picked, lolly-pop schedule. If the sports writers want to play us up as the greatest team in the west, why that is their lookout. Besides, why should we jeopard-

dize our unbeaten record by playing a hard team?"

"We do not deny that a game between Humboldt and Princeton would be a classic. They play such teams as Lebanon Valley, Cornell, Michigan, etc. The fact that none of these teams has won more than one game during the season does not detract from Princeton's unbeaten record.

"And the fact that we have defeated such teams as the Cardinal A. C. of Oakland, the Eureka Boys' Club, etc., does not detract from our brilliant record.

"We ask that the sports writers refrain from directing their propaganda toward Humboldt. We don't want to play the filthy game. Beside if they keep it up we may have to admit we're afraid of playing."

Two students, former staff members of the Lumberjack, felt that such a classic should not go unsung. Consequently, they asked that the original article be reprinted from the Daily Californian and to it they have submitted the following reply:

Humboldt is not denying the subject matter of an article dealing with Humboldt's refusing a Rose Bowl bid which recently appeared in the student publication of California U. But the big question in the Humboldt's mind is: What were the reasons behind the story's appearance?

Could it be that Humboldt was the only unbeaten team on the coast, besides California? Or was it that several A-1 athletes suddenly decided that Humboldt was the better school.

In speaking of the Rose Bowl bid, we offer the following statistics: In the last eight years, Cal has had eight chances at the Rose Bowl bid and has been selected zero times. This gives Cal a negative percent. (Incidentally, you may remember that a wrong-way touchdown was the result of their efforts in 1928, the last time they did receive the bid.) In the last eight years Humboldt has had zero chances at the bid and has been selected zero times hence making an average far above that of Cal.

The subject which the author obviously avoided was that of school spirit. When Cal played Oregon, approximately .0002 per cent of the student body enthusiastically accompanied their great "wonder" team. Or should we just say "team"?

But when Humboldt went "south", 700 went with the team. The student body enrollment is about 300. This gives Humboldt a percentage of 233 1/3 per cent. Humboldt scores again.

There goes the final gun; the score:
Humboldt 13, California 0 (As usual)

Humboldt People at
U. C. Organize Club

Officers elected at a recent meeting of Humboldt county people attending the University of California were Helen Lee Fleming, president; William Edson, vice-president; and Josephine Brizard, secretary treasurer. Herbert Moore presided at the meeting, which followed a dinner at the Berkeley Women's Club and a boating trip on Lake Merritt.

Among other former Humboldt State students attending were Dale Merriam, Jean Baldwin, Claire Cooperrider, Ernest Turner, Darol Feilding, Mary Jane Russell, Marseille Spetz, and Alton McLaughlin. The group plans to meet each semester.

"FLUNK NOTICES" MOUNT

"Flunk-notice" statistics compiled at Santa Barbara State show that scholastic standing this semester has "hit an all-time low," according to El Gaucho, the college paper. Fifty per cent of all registered students received notices in comparison to the usual number of thirty-five per cent. Sixty-five per cent of the men students and thirty-nine of the women students received notices.
