Is It Not Too Late?

By: Pearl Koepke

We have all suffered, heartbreak, grief and losses

But I have a question for you

Is it not too late to dry our tears?

Is it not too late to trust in our hearts?

Is it not too late to believe that someday things will change,

Is it not too late to welcome reality and adjust?

Is it not too late to reunite and become whole once again?

Is it not too late to fight back?

Is it not too late for us to heal?

Is it not too late for us to rise accept this change,

Is it not too late to hold hands and face this together?

Because I can feel that our air is still polluted with mistrust, and anger.

And it's not going to help if we fight each other,

We need to stand strong and fight this virus together.
