

Humboldt Lumberjack

ASSOCIATED STUDENTS HUMBOLDT STATE COLLEGE ARCATAS TEACHERS COLLEGE

VOLUME VIII

ARCATA, CALIFORNIA, OCTOBER 4, 1935

NUMBER 1

CAST IS CHOSEN FOR FIRST PLAY

G. WILSON ANNOUNCES PLANS FOR PRODUCTIONS THIS FALL

"The Last of Mrs. Cheney," "Outward Bound", and some one-act plays are to be presented by the dramatics department this fall under the direction of Garff Bell Wilson.

Frederick Lonsdales's "The Last of Mrs. Cheney" will be the first play to be presented at Humboldt this fall.

The cast chosen for the performance includes experienced college players as well as a number of new students.

Members of the cast are as follows:

"Lord Dilling"—Julius Hooven
 "Mrs. Cheney"—Beyrl Unsöld
 "Lady Frinton"—Helen Mitchel;
 "Joan"—Catherine Bull;
 "Mary"—Claire Speier;
 "Charles"—Donald Inskip;
 "Mrs. Ebley"—Audrey Kjer;
 "Willie Wynton"—R. Jarboe;
 "Mrs. Wynton"—B. Johnson;
 "George"—Laverne Elmore;
 "William"—Lawrence Clark;
 "Roberts"—Jack Lewis;

This play is a comedy of the same type as "Let Us Be Gay", which was presented at the college last spring.

The second play to be given this semester will be "Outward Bound". It deals with the supreme problem of death: what happens to us when we are "Outward Bound"?

Carl Owen Directs 24-Piece Pep Band

The "pep" band organized by Carl Owen to play at all pep rallies and games, has twenty-four members.

Trumpets, June Sundfors, Lorena Swanson, William Beer; altos, Merle Morton, Laverne Elmore, Irving Mason; baritones, Mae Spetz, Maybeth Nellist; trombones, Gerald Geiger, Clark Gilman, Evelyn Quarnheim; bass, William Inskip; piccolo, Charles Fulkerson; clarinets Eugene Fountain, Marie Nordquist, Virginia Nelson, George Lowry, Ray Pedrotti, Leon Myers; saxophones, Jean Lawyer, Wilfred McCready, William Moulton; drums, Raymond Poscie, Edward Warren.

INCREASE IN STUDENTS

Salesmanship and secretarial training are two new courses being offered in the commerce department this semester. There is a total enrollment of 135 to date this semester which is nine more than were enrolled in the fall of 1934.

CANDY SELLERS, NOTICE!

Candy sales which are to be held in the hall must be scheduled at the office of Miss Sarah Davies, secretary to the president, the same as other college events. This is important to any organization if it wishes to profit by such a sale.

A. W. SYMMES
NEW YORK LIFE
ARCATA
 Phone 272-R

Frances Poulson Is College "Y" Head

Officers have been elected by the College "Y" for the present semester as follows:

Frances Poulson, president; Claude Kistner, vice president; Alma Lois Gallagher, secretary; Ray Predotti, treasurer. Miss Louise Struve and J. Wendell Howe of the faculty, continue as advisors.

The "Y" is an organization combining the Y. M. C. A. and the Y. W. C. A. Meetings are to be held the second Wednesday noon and the last Wednesday night of each month. Any student body member may apply for membership.

FIRST FALL DANCE IS SET FOR OCT. 18

The opening dance of the fall semester will be the Freshman Reception dance to be held from nine to twelve Friday evening, October 18. This dance is to be a "get-acquainted" affair.

Freshmen men attending are supposed to bring a girl. According to tradition here, upperclassmen will be permitted to "tag in" on the freshmen at any time but the freshmen may "tag in" only on freshmen.

Any student who wishes to invite a guest must obtain a "bid" for the guest which will be available at the bookstore. The person invited to attend the dance must accompany the person who invited him, or pay fifty cents at the door. Any Humboldt student may attend the dance free upon presentation at the door of his student body cards, "bids" not being necessary for Humboldt students.

Plans have been drawn for "bigger and better" dances this year, according to Jay Jones, social chairman.

Committees for school dances are: Advisory, Miss Struve of the faculty; lights, Harold Jenkins; music, Carl Owens; decoration, Beyrl Unsöld, Eloise Chase, Esther Ritola, John Samuelson, and Oden Hansen. The "bid" system will be used at all student body dances.

Chicago Publishes Book by Balabanis

Official publication of "The American Discount Market" by Dr. Homer P. Balabanis of Humboldt, has just been announced by the University of Chicago Press. The book appears under the University of Chicago business series, and treats of the organization and functioning of the American discount market for the financing of domestic and international trade and for the control of money and credit.

According to a report from the Chicago Press, reviews of this book are expected to appear in over forty professional periodicals and metropolitan dailies in the United States and England.

TO MEET OCTOBER 8

A freshman dinner is planned for the next meeting of the Science Club at 8 p. m. Tuesday, October 8. There will be a speaker, two reels of film and music. Those wishing to attend will be asked to sign up before 4 p. m. Monday, October 7. June Solee is dinner chairman.

VOLUNTEER PATROL

A volunteer corps to patrol and take tickets at the football game at Albee Stadium last Saturday was organized at the meeting of the Associated Men Students. Student Body Athletic Manager Harry Falk instructed the crew in their duties.

ERB'S MEN WORKING FOR FRIDAY'S GAME

TILT IN ALBEE STADIUM TO START AT SEVEN O'CLOCK SHARP

Fresh from their recent twenty-to-nothing victory over the Cardinal Athletic Club last Saturday, Erb's Humboldt State gridders are ready almost to a man for the California Aggie game Friday night of this week in Albee Stadium, beginning at seven o'clock.

Coach Erb plans to start his full strength with the exception of Franny Moore, Barney Hut-siniller, and Clarence Mede who are out with injuries.

Replacing Mede at right half will be Sel Nygard, who with Wendal Moore at fullback, Earl Meneweather at left half, and Toivo Ferin at quarter compose the backfield.

Jim Harris and Phil Littlejohn will be at right and left guard respectively. The rest of the line will be Anders Nielsen, right end; Frank Simas, right tackle; Harry Wineroth, center; Captain Bob Caviness, left tackle, and Bill Farber, left end.

Officials for the game will be Sidney Bartlett, referee; Harry B. Tucker, umpire; George Waldner, head linesman.

Since Coach Twomey's Cal Aggie eleven dropped its opening contest to the University of California last Saturday forty-seven to nothing, the Aggies will be out to make up for this defeat Friday night.

Fans are asked to remember that the game will start at seven o'clock sharp.

High Schools Coming To College Play Day

Bowling, bicycling, skating, hoop-rolling, volley ball, and kick ball are some of the games to be participated in by girls of Ferndale, Fortuna, South Fork, Eureka Junior and Senior, Hoopa and Crescent City high schools at the college play day given for high school girls next Saturday, October fifth, in the big gymnasium.

The decorators say that the girls are going to "play in the sky," at the luncheon which will be served in the college commons. Each school is expected to present a stunt at this time, and an exhibition of folk, tap and natural dances will be presented by the college.

Committee chairmen in charge of the affair are: Zorie Ivancich, sports; Virginia Torp, program; Devina Taggart, serving; Barbara Unsöld, registration; Catherine Bull, publicity; Marie Goff, reception and information; June Solee, clean up and serving; Eleanor Ritola, decoration; Merle Morton, orchestra; June Sundfors, bugler, and Marian Jerchow, checking.

EUROPE SINCE 1914

Dr. Vervon Puryear is giving an extension course in upper division history, "Europe Since 1914," on Monday nights from seven to nine at the Eureka Senior High School. The course will meet for fifteen weeks and carries two units of credit.

DANCE FRIDAY NIGHT

Another football dance is to be held in the Eureka Inn Friday night of this week until one o'clock. This dance is being sponsored by the rally committee, the W. A. A. dance committee, and the hospitality committee. Carl Owen's orchestra will play.

Four Students Have Music Scholarships

Four Humboldt students hold scholarships in music, won in recent competitions: Charles Fulkerson, piano; Kenneth Samuelson, cello; Carla Peterson, voice; Myron Schussman, violin. Each scholarship, worth fifty dollars, gives the holder a year's instruction in his particular field.

Money for these scholarships was donated by the Humboldt County Federation of Women's Clubs, and they are open to Humboldt students majoring or minoring in music. The next contest will be in May.

CLASS ATTENDANCE IS EXPECTED HERE

New students may not be aware of the fact that attendance regulations exist at Humboldt State. Instructors and departments are authorized to make any attendance regulations though necessary to secure efficient work.

In addition, however, all entering freshmen and any student who has attended Humboldt for a semester or more and has a college scholarship average of less than "C" are subject to the following:

(a) If the number of unexcused absences is equal to twice the number of credit units in the course, the grade in that course is automatically reduced to a "D."

(b) If the number of unexcused absences is equal to three times the number of credit units in the course, the grade is reduced to "F."

Each hour's absence from a laboratory is counted at one-half or one-third value according to the number of laboratory hours required for a unit of credit. All excuses for absences are to be filed with Miss Sarah Davies, secretary to the president, within forty-eight hours after the student's return to class. The type of excuses deemed acceptable may be found on Page 23 of the current Humboldt catalogue.

Telonicher Offers Course for Boxers

Because of the enthusiasm of several student boxers who worked out in the Humboldt State gymnasium and participated in the CCC-De Molay boxing tournament last spring, Fred Telonicher of the physical education faculty is offering a class in boxing this semester.

This is the second course to be given in boxing, the first having been given several years ago by Archie Forson, former student, who has frequently appeared in boxing tournaments.

Enrolled in the class are Joe Lubin, Arthur Elmes, Toivo Arvola, Earl Meneweather, Jack Lewis and John Bauriedel. Virgil Hollis, light-heavyweight who won the runner-up cup in the recent tournament, could not enter because of conflicts in his schedule.

FOOTBALL DANCE

All students and faculty are requested to save this date: the night of Saturday, October 26. At this time the Arcata Chamber of Commerce and the Arcata Fire Department are sponsoring a dance, the proceeds of which are to go to the athletic fund to buy much-needed equipment. Go to the dance, have a good time, and also help get equipment for the team.

NEW INSTRUCTORS FOR MUSIC WORK

PIANO, VIOLIN, CELLO AND STRING BASS LESSONS TO BE GIVEN

The music department at Humboldt State is now giving the work required for the first two years of the course leading to the bachelor of music degree and to the bachelor of music education degree. In addition there are three new members of the staff who will come to the college and give private lessons.

Piano lessons will be given by William C. Nicholls. He studied piano and harmony under William Sherwood of the Sherwood Music School, Chicago; he was one of the advanced artist students under Guy Maier, Leopold Godowsky and Alfred Mirovitch, and he studied theory and composition under William McCoy. He has traveled as a concert pianist and accompanist, is a composer of music, and is the author of a work on piano teaching principles. He is now head of the Oakland Conservatory of Music.

Cello and string bass will be taught by Wenceslao Villalpando, a graduate of the National Conservatory of Music. He was formerly first cellist in the Washington, D. C., symphony orchestra and later was with the San Francisco symphony for a number of years. He was a member of the famous Rakeman string quartet and in addition has travelled with an opera company and as a concert artist. He is now head of the cello department at the Oakland Conservatory of Music.

Violin will be taught by Mrs. Maurine Miller who studied in the Kansas City Conservatory and with Edith Lane Brown, Antonio de Grassi, and Michel Piastro. She has taught violin since 1922.

Voice will be taught by Mrs. Marie Clarke Ostrander and by Edmund Jeffers of the Humboldt State department of music.

Evelyn Quarnheim Science Club Head

Evelyn Quarnheim has been elected president of the Science Club for this year. Other officers are John Gallop, vice president; Devina Taggart, secretary-treasurer. These officers were chosen at the first meeting of the club held during registration week.

Plans for the year include talks on the different fields of science by leaders in these fields who live in Humboldt County or who may be visiting here. The club will make an excursion to the site of Eureka's new water supply. Harold Jenkins is chairman of the excursion committee.

Bill Hutt, who broke his leg in the opening football game with San Francisco State, was able to return to school Monday morning, despite crutches and a cast.

The Football Team

Let's all plan to attend the football this Friday night in Albee Stadium. Humboldt has a team and coaches that any school may well be proud of; and if there is anyone connected with the school who has not seen the team in action, he has missed some real thrills. Staid faculty members have been shouting themselves hoarse, and three of them were in the serpentine—one on the end of a crack-the-whip line—between halves at the last game.

Besides the joy of a game well played for the squad and a thrill for the spectators, football has the additional value of arousing school spirit since it has resulted in community action.

The City of Arcata has recently experienced the solidarity that came from many persons working for a common end; namely, the highly successful three-day admission celebration. Humboldt students and faculty members are experiencing the same feeling.

Anent Smoking

At a conference in the past, the students and the administration decided that all smoking at Humboldt was to take place in the men's and women's smoking rooms.

Smoking has been permitted in the social unit after dinner because of the small number of students that go there and because they have not abused the privilege of smoking there. There is liable to be much adverse criticism on the college if women smoke in cars in front of the college. It would be better if they used the smoking room. Again, smoking in the auditorium constitutes a real fire hazard.

If students are dissatisfied with the existing regulations and wish to change them, they should feel free to confer with the executive committee members. If no student sentiment is voiced to executive committee members, the present regulations would seem to be satisfactory and will be expected to be observed.

A Clean Campus

What impression would visitors to Humboldt College receive when they look over the campus? At present the campus is littered with scrap-paper, lunch-bags, and debris of all kinds. The students here should have more civic pride than to litter up the campus with such trash.

Cans have been provided for trash that is at present scattered at the south end of the commons, on the tennis course, on the parking space in front of the school, and in the auditorium. Students eating their lunches and doing school work in the above-mentioned places are requested to use waste cans and thus keep the campus clean.

Attend Class

The attention of students is called to the fact that there is still an "attendance rule" at Humboldt State despite the impression to the contrary; also, to the fact that students wishing to change courses or to drop courses are expected to comply with certain regulations.

The rules are in no sense intended to hamper the student but are necessary to "keep his record straight" and especially to facilitate the transfer of credits to other institutions in the case of a student who is taking one or two years at Humboldt.

What has become of the social dancing class which one year ago was teaching freshmen how to dance?

**Want A Civil Service Job?
Information Bureau Here Now**

Humboldt State College is offering a new, free service to students and the community in that it is now prepared to give information on all civil service examinations and appointments. Realizing that there was a need for some place where one might obtain definite information about state and national positions that are being thrown open to civil service employment, Humboldt State College authorities decided to organize such a service.

Prof. Bert F. Wilson of the faculty applied to the United States Civil Service Information Headquarters for the northwestern coast cities. His application was approved and he has received notice that Humboldt College will receive copies of all bulletins as they are issued. Humboldt College will also be on the civil service commission's list to be notified of examinations.

It is Professor Wilson's intention to keep on hand at all times up-to-date and complete information regarding both the national and state examinations, including the kind of test, description of test, dates and places for holding the examinations.

The government now employs through the civil service systems of test examinations practically every kind of worker that exists. Today in the classified service alone are embraced approximately 450,000 positions.

Examinations are held, as the needs of the service require, by the civil service commission for all kinds and classes of positions.

**Just One Year Ago
This Was Live News**

Some one yelled "Fire! Fire!" and seven girls, forgetting to use the sign-out book and clothed in whatever came handy, dashed from the dormitory to run one mile to a vacant building which was afire. A faculty member was about to ask the girls where the fire was, but they flitted by his open window too rapidly. Pajamas have their place, but they are not exactly "see-going" costumes someone was heard to remark.

The college library received the new 1934-35 "Who's Who" in which appear the names of Arthur S. Gist, president, and Charles Edward Graves, librarian, both of H. S. C.

Handicapped by total blindness, Richard "Dick" McCoy, Humboldt student of the high I. Q. enrolled at the University of California to major in economics.

Buster DeMotte, present college publicity manager, was mentioned in this paper as having won the student championship golf tournament for the two previous years.

Athletic Manager Gillis Court-right urged the use of the Albee Stadium for the home football games.

from that of the unskilled laborer to that of the highest grades of technical, professional, and scientific positions—from that of physician or attorney to camp cook or plasterer.

Within the last two months examinations have been given for about fifty different kinds of positions, including positions for the following:

Seamstress, ship's carpenter, carpenter foreman, student interne, representative for the department of social welfare, multilith operator, junior fruit and vegetable inspector, hospital attendant, information clerk in the Department of National Resources, librarian, cook, teletypewriter operator, stenographer, typewriter operator, stenographer, typist, assistant state park warden, student personnel assistant, oil gauger, plasterer, graphotype operator, addressograph operator, inspector for state athletic commission, billing machine operator, bridge tender, statistician, attorney, physician, petroleum engineer.

Asilomar Meeting Goal of Students

"Ten student delegates to Asilomar" was the goal set for this year by the college "Y" at its first meeting last Wednesday evening. The Asilomar conference of the Pacific Southwest Field Council of Associated Y. M. C. A.'s, is held during Christmas holidays at Asilomar, on Monterey Bay near Carmel. From four to five hundred students from colleges in California, Nevada, New Mexico, Territory of Hawaii, China and Japan attend.

Humboldt has been represented in the past by Barbara Jean Russell and John Vogel in 1934, Herbert Moore and Myron Schussman in 1933, Frank Mendez and Harold Moulton in 1932, Orman Oak and Prof. J. Wendell Howe in 1931. Prof. Bert F. Wilson accompanied Humboldt the delegates in 1933.

Procedure Outlined For Study Changes

The administration wishes to call to the attention of students who have entered late the procedure for changes in study schedules.

Each student before making any change is asked to consult his advisor first. If the advisor approves of the proposed change, the student is asked to obtain from Mrs. Alice Sequist the card used in making changes. The student fills in the necessary data and then obtains his advisor's signature. He next gets the signature of the instructor for the new course he is taking and that of the instructor whose course he is dropping. The cards, properly signed, are then returned to Mrs. Sequist.

This procedure has been adopted so that all concerned can "keep their records straight."

Students Can Work On Christmas Gifts

Horace Jenkins of the industrial arts department is offering a course in gift-making. Students wishing to enter are asked to "sign up" for pottery or some other vocational course. They will then be taught to make articles which can be used as gifts—hammered metal work, trays, rings, pottery, woven rugs.

Incidentally, Mr. Jenkins thinks it may be worth while to give some time in this course to instructing students in making the ordinary repairs around the home and thereby enable them to save the time and expense of calling in some one to do the work.

GOES TO SAN JOSE

Miss Elva Baumgartner, former Humboldt State student who has been in the California Automobile Association office at Eureka, has been transferred to the association office in San Jose. She is a sister of June Baumgartner, Humboldt student.

STUDENT ENTERTAINERS

June Sundfors played a trumpet solo at the joint meeting of the Arcata service clubs at Hotel Arcata last Friday night when Sydney Snow of the Cardinal Athletic Club was the speaker and also showed two reels of his big-game hunting expeditions. Virginia Nelson played her accompaniment.

WILSON-KALLIO

Miss Sigrid Wilson of Freshwater, Humboldt State graduate who has been teaching at Cranell, was married to Edward W. Kallio of Elk River last Saturday in Reno, Nevada. They will live in Eureka.

PROJECT ON FRUITS

The fourth grade of the College Elementary School has finished a project on the value of fruits in the diet. Minnie Barlow is their teacher.

C. Edward Graves, librarian, showed motion pictures of school activities he had taken last year.

Patrons Of Sportman's Club Are Given Start By Students

Patrons of the Arcata Sportsmen's Club were startled the other night when Emy Lou Grove walked in and said, "Come up and see me sometime." The waiter at the club replied, "Not tonight, Josephine." Miss Grove seemed to be quite embarrassed.

In another restaurant on the Plaza, the patrons, clerks, and proprietor were amazed when a number of students came in and said, "Come up and see me sometime." In fact, after the students went out, the customers and employees of the restaurant followed them into the street and stared at them amazed.

All this was a part of the treasure hunt arranged by Garff Bell Wilson for the Dramatic Workshop party held Tuesday, September 24. The hunt started from the Big Four Inn after an Italian dinner. During the dinner, between courses, the group sang college songs, and were entertained by Mr. Wilson's singing of several old favorite songs, including "Daisy, Daisy." The hunt went from the Big Four to Hooven's, thence to Clam Beach; to several places in Arcata and Eureka; to Field's Landing; to several places in Eureka and Arcata again, and to an end with the treasure under Mr. Wilson's house. The treasure consisted of two watermelons, three boxes of candy and \$2.60 in cash. It was won by Miss Struve's car. Close in the running were Julius Hooven's car, Donald Inskip's car, and Lyston Baldwin's car.

After eating the melons and the candy, the group went to the Big Four Inn again, where they danced until a late hour.

Some typical clues were: " 'Tis woe to think what slumber sad the 'gater boys in this

place had." This led to the Travelers Hotel in Eureka.

"Past some gardens, up a path, a woody place that's clear. Look on a large stone edifice. You'll need no password here. This led to Mrs. Ostrander's outdoor fireplace.

"The lady with the silver hair and gracious manner liveth here." This led to Mrs. Palsom's home.

Those taking part in the affair were Jack Lewis, John Van Duzer, Ethel Carroll, Curtis Ruzic, Lois Bird, Emy Lou Grove, Marie Goff, Eva Mathisen, Edith Nellist, Devina Taggard, Helen Mitchell, Barbara Unsoeld, Virginia Nelson, Lyston Baldwin, Oden Hansen, Katherine Wrigley, Esther Ritola, Casper Torp, Beryl Unsoeld, George Inskip, Donald Inskip, Catherine Bull, Robert Morrison, Barbara Johnson, Paul Hunter, Jack Boggess, Harold Jenkins, Marjory Bull, Eleanor Buck, Audrey Kjer, Harry Wine-roth, Ethel Bjorklund, Evelyn Mitchell, Bill McCready, Robert Caviness, Virginia Torp, Elizabeth McWhorter, Viola Stansberry, Claire Speier, Julius Hooven, Miss Louise C. Struve and Garff Bell Wilson.

Miss Johnson Spends Summer At The University Of Paris

Miss Adella Johnson, associate professor of modern languages, spent the summer in Europe, with six weeks at the University of Paris.

She sailed from New York on the French liner, the Normandie, and returned on the Ile de France. The Normandie carrying 1510 passengers, made the crossing in four and a half days. On the return trip, the Ile de France encountered stormy weather, but crossed in six days in spite of rough seas.

Miss Johnson landed at Plymouth, England, and enjoyed a brief but interesting trip through England, Holland, Belgium and Northern France before the opening of the university.

While in Paris Miss Johnson lived at a pension or family hotel where one usually finds people of many nationalities. At her pension Miss Johnson found an interesting group made up of Hungarians, Algerians, Germans, Americans, and French.

The summer session at the Sorbonne is for foreigners only. The placement examinations are given on Sunday so that class work may begin promptly on Monday. Every student who attends classes regularly and does the required work receives a certificate of attendance. If, in addition, he takes the final examinations, he receives a second certificate, which the French call a diploma.

Miss Johnson found the work at the University both pleasant

and worthwhile. There were no holidays. The fourteenth of July the national holiday, fell on Sunday and was celebrated with unusual enthusiasm this year. There was a very imposing parade in the morning accompanied by an "air parade" in which 600 army planes participated. In the afternoon there were free performances in the national theatres, and in the evening, dancing in the streets, and fireworks as in America.

Profesor Vallas, of the University, commented upon the great enthusiasm displayed by the spectators at the parade. He explained that, for the first time since the World War, the French people believe that they have an army capable of defending their country, in case of war. He added, "You people who are fortunate enough to live in a country like America cannot understand what it is to live, as we do, in constant fear of invasion." After the summer session at the Sorbonne, Miss Johnson travelled by automobile through Brittany and Normandy. Brittany is especially picturesque for the people have retained most of the ancient customs and costumes of their province.

Miss Johnson said that she found France as fascinating as at the time of her first visit there. The cathedrals are as beautiful, the chateaux as magnificent as ever, the coffee just as strong, the rolls just as hard, and the wine just as abundant.

W. A. A. Initiation Held for Freshmen

The W. A. A. initiation for freshman women was held on Thursday evening, September 19. A short business meeting was held during the banquet to elect a vice president and a song leader in place of Prudence Brundin and Margaret Hessel, who are not attending Humboldt this year. Evelyn Quarnheim was chosen vice president, and Merle Morton song leader. Freshman women were called upon for entertainment. This was part of their initiation, everyone went to the little "gym" which was decorated to represent a pom-pom factory. The rest of the evening was spent in making pom-poms for the football games.

Committees for the initiation were as follows: General chairman, Zonna Murray; decorations, June Baumgartner, Catherine Bull; program, Jean McLean, Virginia Torp; initiation, Eva Mathisen; invitations, Jean Lawyer; cleanup, Helen Ruzic, Lois Bird; serving, Hazel Smith, Clarion Moxon, Frances Paulson, Mary McCutcheon, Ruby McAllister.

H

The sixth grade at the College Elementary School, with Elizabeth Fautz, teacher, have completed a study of seed types and their distribution. A summary of this unit was the topic of a special program in a recent assembly.

"Y" Holds Meeting At Shaw's Crossing

Swimming at Shaw's Crossing was the principal diversion at a College "Y" meeting held Wednesday evening, September 25. The students ate hamburger sizzled by Advisor J. Wendell Howe, and played games directed by Barbara Jean Russell.

Frances Poulson, president, presided at a business meeting. The "Y" will sponsor the printing of football programs for five future games, and will run a candy and "hotdog" concession.

H

See Nygard who has been on the shelf with a bad ankle, got back into practice last week, both at halfback and at end, and played against the Cardinals last Saturday.

CHILDREN STUDY PETS

The first grade at the College Elementary School, under the direction of Muriel Thorne, is beginning a study of pets. A cage for a guinea Pig from the Eureka zoo has been built, and the children will bring other pets from home for study and comparison.

HOSTESS CLASS TEA

Fifteen students, members of Miss Louise Struve's Hostess Class, were guests at a tea Wednesday afternoon in the Social Unit. A program of piano solos by June Melendy, vocal solos by Carla Petersen accompanied by June Melendy, and a reading by Violet Susan was heard. Emalina Winkler acted as hostess.
