My dream for my community
Is for us all to get an opportunity
Although we are a bit scrappy
I know everyone can be happy
And with a little more love
And we'll lift off like a dove
My dream for my community
Is for us all to be in unity

For my school have a dream just like King
For us all to be team and fly under one wing
If we all try
I know we can fly
But not just fly, I know we can soar
The everyone will adore my precious school
Then we can restore
