

Humboldt Lumberjack

VOLUME VIII

ARCATA, CALIFORNIA, FRIDAY, OCTOBER 18, 1935

NUMBER 2.

FIRST FALL PLAY ON NEXT TUESDAY

THIS MODERN DRAWING ROOM
COMEDY ONE OF THE BEST,
MR. WILSON SAYS

"The Last of Mrs. Cheney" will be presented to the public on Tuesday evening, October 22, in the College auditorium.

According to Garff Bell Wilson, director, the play is one of the best of modern drawing-room comedies. It is full of brilliant and witty dialogue containing as well, many exciting situations. "The Last of Mrs. Cheney" is of the same type as "Let Us Be Gay" which was presented at the college last spring. Anyone who enjoyed that play will like this spirited, sophisticated comedy, Mr. Wilson says.

Lord Elton, who is a high light of English business and social circles, is a pompous, self-righteous individual who falls in love with Mrs. Cheney. Lord Dilling, who in words of the play has an extremely bad reputation with women, also falls in love with Mrs. Cheney. The two nobles are much astonished to find that Mrs. Cheney is leader of a sinister organization and has made a place for herself in English society to further the purpose of this organization. At Mrs. Elby's week-end party, Lord Dilling lays a trap for Mrs. Cheney. What happens then will be disclosed at the production.

Members of the cast are as follows:

"Lord Dilling" -- Julius Hooven
"Lord Elton" -- John Vogle
"Lady Frinton" -- Helen Mitchell
"Joan" -- Catherine Bull
"Mary" -- Claire Speier
"Charles" -- Donald Inskip
"Mrs. Elby" -- Audrey Kjer
"Willie Wynton" -- Richard Jarboe
"Mrs. Wynton" -- Barbara Johnson
"George" -- Laverne Elmore
"William" -- Lawrence Clark
"Roberts" -- Jack Lewis

Many Season Tickets Sold for Dramatics

An exceptionally large number of dramatics season tickets were sold this year throughout Humboldt County. Each semester there has been a steady increase in the number of tickets sold. This semester's sale tops all those of the past.

It is advantageous for adults to hold season tickets since it ensures the holders of a reserved seat in the best part of the auditorium at all the college performances, according to Garff Bell Wilson, director. At the end of this semester, a questionnaire will be mailed to all season ticket holders in which they will be asked to state which of the plays given within the last two years at the college they have enjoyed the most and what type of play they prefer to see.

HEAR "Y" SECRETARY

Paul Campbell, county Y. M. C. A. secretary, spoke to the college "Y" at their meeting last week. He expressed his appreciation of the spirit of enthusiasm in the group and pledged his support to the local organization.

LIBRARY AVAILABLE

The Elementary School library is open from 8 a. m. to 4 p. m. to any college student, according to Mrs. C. E. Graves, assistant librarian.

A. W. SYMMES
NEW YORK LIFE

ARCATA

Phone 272-R

No "Slip-Horns" in This "Banana" Band

A "potato and banana band" is the subject of a full-page article by R. H. Jenkins of the Industrial Arts department, published in the November issue of the Popular Science Monthly.

Mr. Jenkins' article, illustrated by himself, shows all the steps necessary to construct home-made musical instruments of clay similar to the ocarina, or "sweet potato," which may be modeled from any common vegetable or fruit.

MUSIC DEPARTMENT TO GIVE "CARMEN"

The opera "Carmen" forms the center of the musical activities for the music department this fall semester. "Carmen" will be given in the college auditorium November 26.

The college choir, the men's and women's glee clubs, and the symphony orchestra will be combined for the performance. Carla Peterson, freshman, will take the mezzo soprano role of "Carmen." Mrs. J. M. Garrison of Eureka will take the soprano role of "Michela." The tenor and baritone soloists will come from the bay region. The chorus will consist of about seventy-five members.

The opera will be presented in concert form and will be sung in English. The production will be given under the direction of Edmund V. Jeffers, associate professor of music.

Astronomy the Theme Of School Play Day

"Astronomy" was the theme of the high school play day held at the college Saturday, October 5. Each high school was an "observatory" and decorations were stars and comets. The 220 girls were divided into 16 squads with 8 squads being stars and 8 being planets.

Exhibition dances were given by college girls, the first being a folk dance called a "Morris Stick Dance." Three natural dances portraying the moods "Gusto," "Resignation," and "Fury" were given followed by a novelty ballroom dance routine, "The Dime Jig."

A program was held in the auditorium with each high school given a five-minute stunt.

Garff Wilson Moves Into Men's Section

Because it will be impossible for Tom MacFessel of the Humboldt State coaching staff to stay for the year at the men's unit in Sunset Hall, Garff Bell Wilson, director of dramatics, has moved in as sponsor and advisor for the men living in the "dorm," members of Lambda Theta Chi.

Mr. Wilson, it is reported plans to enforce strict rules, including the formation of a regular "study table" and a "lights-out-at-9:30" regulation.

Editor's Note: The Lumberjack staff was unable to get in touch with Mr. Wilson before press time and consequently is unable to say definitely whether the last regulation is 9:30 p. m. or a. m.

SOPHS PICK OFFICERS

The Sophomores Tuesday elected Harold Del Ponte president; Toivo Arvola, vice-president, and Jean Lawyer, secretary-treasurer. Arvola, Walter Schocker and Harvey Patterson were appointed to arrange for the Frosh-Soph Brawl.

ECONOMIC ORGANIZATION

Dr. Homer Balabanis is giving an extension course, "Our Economic Organization," in the Eureka Senior High School on Tuesday nights from seven to nine. The course carries two units of lower division social science credit.

"SAN JOSE OR BUST" IS THEME SONG NOW

SOME ARE WELL ON THE WAY
OTHERS STUCK JUST
OUT OF COUNTY

"San Jose or Bust" is the slogan of many Humboldt State students these days, who plan to see the San Jose-Humboldt football game at San Jose November 22.

"I'm only as far as San Francisco now," moans Emy Lou Grove as she counts her Chronicle subscriptions and tries to make them add up to more than seven points.

Art Durdan and Jack St. Claire are going around with big smiles. "Just imagine," says Emy Lou; "San Jose and home again for them and even a bed in San Jose's best hotel."

Ed Goodwin has made his transportation but he is still working so that he won't have to sleep on a San Jose park bench. And then there are those who are struck somewhere between Bucksport and San Jose.

Chronicle subscriptions, pennies, nickles and dimes (if any one has such a large amount) are all being tucked down into the old sock. November 22 is not far off—at 22½ cents a day.

Every one in Humboldt State and many alumni and other supporters, according to those in charge, have the same spirit as Emy Lou; they may never reach San Jose, but they "sure pity" the conductor who tries to throw them off.

Frosh Dance to Be This Friday Night

Green decoration in honor of the freshmen will be featured at the freshmen reception and dance Friday evening of this week at the college gymnasium, according to Jay Jones, general chairman.

The program will include a number of novelty dances. The dance will be informal, with tag-dances during the evening. Freshmen are to "tag in" only on freshmen; upper-classmen may "tag in" on anyone. Freshmen or expected to "drag." The bid system is in effect for this dance.

Lambda Theta Chi New Humboldt Group

The fall of 1935 may be remembered not only for the winning Erbmens but for the organization of Humboldt's first social fraternity and for the fact that the members had the temerity to move into the north unit of Sunset Hall.

Members of the new organization, Lambda Theta Chi, are Robert Caviness, Robert Cudlip, Harold Del Ponte, William Farber, Toivo Ferin, Albert Gomez, James Harris, William Hunt, Philip Littlejohn, Gene Lytle, Clarence Medo.

Caviness is president, Hunt vice president, and Farber secretary. Garff Bell Wilson, director of dramatics at Humboldt, was named an honorary member because of his interest and aid in organizing the group.

This is the first social fraternity group organized here, the other fraternities being honorary and professional.

FOOTBALL HOP OCT. 26

Halloween will be the decoration theme for the football dance in the Arcata Firemen's hall the evening of October 26. Cralle's Crooners will play. The dance is sponsored by Arcata organizations as a benefit to raise funds to buy equipment for the Humboldt State football team. Tickets are on sale at the office of Mrs. Jessie T. Woodcock, financial secretary.

EVA MATHISEN HURT

Eva Mathisen, who pulled some tendons in her right foot recently while skipping in one of the play-ical education classes, will be on crutches until the middle of next week.

Balabanis Speaker At "Fathers' Night"

"The New Patriotism" was the topic of the talk given Wednesday by Dr. P. Balabanis at the annual "Fathers' Night" sponsored by the Parent-Teacher Association of the Eureka Junior and Senior High Schools.

An attempt was made this year to develop the subject of relations among various nationalities constituting the American population and to point out the contributions these nationalities have made to American civilization.

A CAPPELLA CHOIR PROMISING GROUP

The Humboldt A Cappella Choir this year give promise of being an excellent group, according to Edmund V. Jeffers, associate professor of music. The voices as a whole are of much better quality than before, he said.

In the choir are seventeen old members, thirteen freshmen, and a few upperclassmen who have not been in the choir before. Members are:

First sopranos—Ethel Carroll, Carla Petersen, Lillian Snow, and Marie Nordquist; second sopranos: Helen Ruzic, Norma Thurston, Elizabeth Pomeroy, and Mae Spetz; first altos: Merle Morton, Maewilda Speer, Lorena Swanson, and Lois Hadley; second altos: Barbara Jean Russell, Emy Lou Grove, Violette Le Var, Mary Sammons, and Eloise Chase.

First tenors—Harry Wineroth, Robert Anderson, Robert Hedley, and Robert Morrison; second tenors: Frank Steele, Wilfred McCready, Keith Emmeneger, and Raymond Carroll; first basses: John Gallop, Myron Schussman, Irving Manson, Ward Tinker, and William Beer; second basses: George Hugo, George Inskip, William Inskip, Charles Fulkerson, and Robert Turner.

Large Staff Aiding In Play Production

The production staff for the "Last of Mrs. Cheney" is as follows:

Technical director, John Van Duzer; assistant technical director, Devina Taggard; stage manager, Violet Susan; properties, Evelyn Mitchell and Helen Larsen; electrician, Harold Jenkins; construction, Jack Bogges and Curtis Ruzic.

The Dramatic Workshop class assists these people at all the jobs of putting on a play except the directing. New scenery and new lighting equipment will be used for the first time. A student orchestra under Lillian Snow will make its first public appearance before the play and between acts.

Nimrod Had Nothing On Humboldt Hunters

Nimrod was a mighty hunter. That's Biblical.

Baron Munchausen manoeuvred for several weeks until he finally got thirty ducks swimming in a perfect line, then killed all thirty with one bullet. That's fiction.

Ernest Brownlow was walking through the woods near Bridgeville when he heard a noise ahead of him. Then he saw three deer. Two of them were bucks standing with their necks parallel. One was a forked-horn, the other a three-pointed. Ernest fired once and dropped both bucks. That's fact.

Harvey Patterson went a-hunting and brought home the bacon. That's mystery.

WOMEN PICK OFFICERS

Officers elected at Sunset Hall, women's unit, are Janet Robinson, president; Mary Shinn, vice president and social chairman; Norma Thurston, treasurer, and Arlene Thompson, secretary.

ST. MARY'S FROSH FORMIDABLE TEAM

MANY HIGH SCHOOL STARS
ON SQUAD DIRECTED BY
JIMMY UNDERHILL

That the undefeated Erbmens gridsters of Humboldt State have their work cut out for them when they meet St. Mary's Frosh next week is evident when one looks over the roster of the Babes from Moraga given in a recent issue of the St. Mary's "Collegian." Thirty-six former high school stars answered the call on the opening day.

That ordinarily wide grin that perpetually decorates Frosh Football Coach Jimmy Underhill's Irish physiognomy grew wider, says The Collegian, "at the freshman football sign-up as thirty-six husky gridsters, representing nine state and more than thirty cities placed their respective monickers on the squad roster."

"The roster contains eighteen names that lay claim to 'All-something or other,' ranking from Jim Laman's All-Washington honors, clear on down to the half dozen men from San Francisco, who came in for all-city recognition."

"States decorating the group specifically are California, Utah, Washington, Illinois, Oregon, Colorado, Idaho, Arizona and New Jersey."

"There are seven huskies who scale two hundred pounds or more, and fifteen of the thirty-six, when stretched at full length, go six feet or over in height."

The Collegian says that the average weight of the whole squad, linemen and backs included, will come to approximately 185 pounds "on the hoof."

State Thespians Will Present Play in S. F.

The cast of "The Last of Mrs. Cheney" will leave on Thursday, October 24, for San Francisco to participate in the third annual Humboldt-San Francisco State play festival.

San Francisco will present "The First Mrs. Fraser" and Humboldt will give "The Last of Mrs. Cheney." The Humboldt players will stay at the Hotel Field in San Francisco and will probably attend the University of California vs. University of Southern California football game. The players who will return Sunday evening, October 28, will be chaperoned by Garff Bell Wilson and Miss Louise C. Struve, dean of women. The trip will be made by autos.

TO SEE ST. MARY'S

To see the St. Mary's freshman team which Humboldt State plays two weeks hence, Coach Charles Erb will leave for the bay region Friday evening. The St. Mary's babes will be playing the Marin Junior College team which he regrets is not on Humboldt's schedule. While away he will also attend the University of California and Santa Clara game in Berkeley Saturday afternoon.

Jack St. Claire.

The Pep Band

Humboldt is also proud of its "pep" band. With their snappy music and their snappy uniforms the musicians literally lend a touch of color to the game that is needed and that would be really missed if it were not there.

Don't think for an instant that it doesn't mean work, there are rehearsals and the constant practice at home necessary to have "a good lip." Incidentally, while the piccolo player may carry his instrument in his fountain-pen pocket, most of the players are put to a real inconvenience in transporting their instruments. Just try being nonchalant when you are in the folds of a helicon bass or looking over the top of a bass drum.

Carl Owen has performed a real service in organizing and leading the band. And this is not the first time, for he has always "produced the goods" when a band was needed for school activities.

H

Honor Students

The Lumberjack wishes to join with the faculty and students in doing honor to the students who recently received class and semester honors. Their scholastic attainments deserve recognition. To be eligible, the students had to be carrying not less than twelve semester units and to make grades of not less than "B" except in certain activity subjects which give the grade of "Plus."

And not only did they do good scholastic work: a glance over the list on the bulletin board will show that most of the students in addition participated in one or more college activities successfully.

H

Attention of students is again called to the box for Lumberjack contributions at the left of the lobby; also, to the fact that every article dropped into the box should bear the name of the writer, not for publication necessarily, but for the information of the Lumberjack staff.

H

Rental Shelf Has New Best Sellers

Best sellers on the library rental shelf include: "Europe," Robert Briffault; "Honey in the Horn," H. L. Davis; "The Golden Corn," Warwick Deeping; "Best Short Stories of 1935 and the Yearbook of the American Short Story," edited by Edward J. O'Brien; "North to the Orient," Anne Morrow Lindbergh; "My Country and My People," Lin Yutang.

Act Two: Scene—Albee Stadium. Time, Saturday afternoon, October 12. Humboldt State defeating Santa Clara frosh fourteen to seven.

Act Three: Scene—Pool in inner court at college. Time, Monday noon, October 14. Wally Lozensky in with the goldfish, teaching them the gentle art of swimming. A group of self-appointed vigilantes looking on.

H

MIDNIGHT SURPRISE

Janet Robinson was Honored at a surprise birthday party in the form of a handkerchief shower at one minute after midnight, October 10, in the women's unit at Sunset Hall. Norma Thurston, Mary Shinn, Evelynne Rhea, and Frances Poulson, the hostesses selected the hour in order to be the first to wish Miss Robinson a happy birthday.

Freshman Student At Humboldt Spent Five Years In Denmark

Carla Petersen, freshman at Humboldt, has spent over five years in Denmark, having made two trips there with her parents. The first time she was only four years old, so she does not remember a great deal about it. The second time she and her family went, however, they lived there for five years. At that time she enrolled in a small rural school which had only two teachers. Her teacher became her personal friend and she still corresponds with him in Danish.

Since the winters in Denmark are very cold, there is much snow and ice. The people do not ski in that country because there are no hills, but do ice-skate a great deal. As there are no rivers, they use the numerous ponds. The young children have steel strips on the bottom of their wooden shoes which make good skates. The older children, however, have regular ice skates.

The people of Denmark who live in the country wear wooden shoes as a protection against the cold. They usually get their shoes, which are leather on the top and wooden on the bottom, several sizes too large. This enables them to pad the shoes with straw to keep their feet warm during the

cold winters.

None of the little girls cut their hair when Miss Petersen was there, but instead wore it in long braids. When she came back to America, it was a long time before she would cut her hair.

The landscape of Denmark is different from that of Humboldt County in that it has no hills, but is flat or rolling. Because of the small size of the country, everyone is acquainted with the ocean which is very blue and is dotted with green islands. There are no rivers, but there are fiords as in Norway. Denmark has no evergreens. The beech is considered the national tree and everyone looks forward to the time in the spring when its leaves open.

Miss Petersen said that although she had to learn English all over again when she returned to America, she thought the experience very worth while because she learned to read, write and speak the Danish language.

Miss Petersen, who is a member of the college choir, holds a scholarship in voice at Humboldt. This is one of four offered college students by the Humboldt County Federation of Women's Clubs.

IS CLUB CHAMPION

K. B. McCarthy, Eureka Plymouth and Dodge dealer who last week presented two football trophies to Humboldt State, comes by his interest in sports naturally: he is an enthusiastic golfer and is the club champion at the Humboldt Golf and Country Club.

Ferndale Is Winner Of Posture Contest

Ferndale was winner of the school posture contest held in connection with the high school girls play day at Humboldt State College October 5. Marian Swap of Arcata high won the individual posture contest with Chescent City and Ferndale contestants placing second and third respectively.

Miss Ann Craig, Mrs. Gordon Hadley, and Ethel Carroll of Humboldt State were the judges.

Community Interested In State Grid Team

The Chambers of Commerce and Service Clubs in Eureka and Arcata, recognizing the value of successful football at Humboldt State and the difficulty of adequately financing this activity, have organized a committee composed of men from various parts of the county to sponsor the financing of football. Dr. V. L. Hunt has been appointed as director of this committee, working in an advisory capacity on the football budget and advertising and directing ticket selling campaigns.

This plan has met with the hearty approval of the college, according to President Arthur S. Gist.

Traffic Patrol Is Formed at School

A student traffic patrol was organized at a recent college Elementary School assembly. Four upper-grade children were given official badges, furnished by the California State Automobile Association, which will make them junior officials of the State Highway Commission.

State Highway Patrolman Kirkpatrick talked on traffic safety and presented the badges to Peter McCready, Imogene Elmore, Dorothy Todd, and Eleanor Nielsen. The duties of this new corps will be to safeguard the children by reporting all cases of reckless or unsafe driving in the vicinity of the Elementary School, and by regulation of traffic during noon and other congested periods.

Balabanis Is Giving Course for Bankers

The average citizen listens respectfully to his banker, but one Humboldt State faculty member has the bankers listening to him.

Dr. Homer Balabanis is giving a course on "Negotiable Instruments and Banking" on Monday and Wednesday nights at the Eureka Senior High School. The course is offered under the auspices of the American Institute of Banking and the class is composed of bank employees and officers. This is the fifth year Dr. Balabanis has given a special course for bankers.

Cyclorama Plan Is Used in Project

Jane Bridgen is directing the third graders at the college Elementary School in a project-study of the prehistoric European lake dwellers' villages.

The children are using the cyclorama method, much used at the World's Fair, in which small models of the buildings are constructed in the foreground, and the background is painted on the surface in perspective, thus giving the illusion of reality.

STAMPS AT BOOKSTORE

Students and faculty are requested by Mrs. Jessie T. Woodcock, financial secretary, to buy their stamps hereafter at the college bookstore instead of in her office, and likewise to drop their letters in the new wooded mail box at her office door. These arrangements have been necessitated by the increased work this fall in the financial secretary's office.

GIVES FOOTBALL TALK

Charles Erb, Humboldt coach, gave a talk on football to members of the W. A. A. at a meeting last week. He explained some of the more common penalties such as that for offside, holding, and for a player illegally in motion. He also explained the fair catch, safety, and touchback.

TEACH AT HIGH SCHOOL

Two Humboldt students, Betty Boggess, junior, and Edward Warren, freshman, will conduct the beginning French and Spanish classes at Arcata Union High School for about two weeks in the absence of Miss Lillian Hagopian, regular instructor.

GRIDMEN SEE SELVES

C. Edward Graves, college librarian, recently showed the football team a movie of themselves in action. The boys were able to criticize their own playing by watching movies of themselves in practice and in the game with San Francisco State. The movies were taken by Mr. Graves.

TO IMPROVE PROGRAM

To continue and improve the football programs sold at the games will be one of the main projects of the College "Y" during the next few weeks. They plan to substitute the poster-type of cover used by all the large universities in place of the advertising that has been on the covers of the program.

HAVE TEA GUESTS

Each member of the hostess class invited a guest to a tea at which they gave Wednesday, October 2, in the social unit. The office staff and President and Mrs. Arthur S. Gist were also invited. A program was given: Ethel Carroll sang and Eva Mathisen gave a reading.

Just One Year Ago This Was Live News

Publicity man gets "in" the money. Buster DeMotte, one year ago today, at the A. & M. College at Stillwater, Oklahoma, won \$5 for guessing correctly the winner of the World Series baseball games.

With the exception of Captain Robert Caviness who had been handicapped by a rib injury, the Humboldt football team gave promise of being in good condition for the Lick Wildmerding game.

The new pep band, organized and directed by Carl Owen, made its initial appearance before the student body one year ago today.

Humboldt State gave its first publicity program over station K. I. E. M. Speakers included were Fred Telonicher, H. S. C. coach; Robert Caviness, football captain; and Charles Erb.

Hill billies, wranglers, rangers, rustlers, cow punchers, pioneers and dudes were visiting at H. S. C., one year ago today. It was the annual college play day which was known as "The Round Up."

A "pep" telegram was sent to the football squad last week-end by the Men's Association at San Francisco.

The "Vitalized School Journalism," publication of the National Association of Student Editors showed in a survey one year ago today that parents read school papers extensively. Give your parents a "break." Take home your "Lumberjack."

San Francisco State College team defeated the H. S. C., 21 to 7, at Ewing Field.

Claude Kistner, who had been out of school since he severed an artery in his side two weeks before, returned to classes Monday.

Because Fred H. Schmuck had always planned that when his son, Robert, started to college, he himself would go back to school, both father and son enrolled at Humboldt.

Frank Simas, Coach Erb told the football squad recently, plays the game just as hard when he is not carrying the ball as he does when he has it. He is in there every minute. One year ago today, or to be more exact, in the Friday, October 12, 1934, issue of the Arcata Union Newspaper it was written: "Coach McKittrick said 'Simas is a real football player. He works just as hard when blocking and in other departments of the game as he does when packing the ball'."

Mrs. Stella Little, member of the Humboldt State College faculty, was the holder of the winning ticket at the drawing held by the local merchants of Arcata, Saturday, October 5. This meant that she received forty dollars.

Mrs. Little advises the students to watch the bulletin board for a notice to see how they can share in the prize money she received.

Hostess Class Busy On Social Affair

Instruction in social etiquette and in the giving of dinners, luncheons, formal teas, are taken up in the hostess course, a class conducted by Miss Louise Struve of Humboldt State.

For the past several weeks, the women in this class have been learning how to make tiny tea sandwiches and other technique in making a tea a success. The class made the sandwiches for the freshman tea given by Mrs. Arthur S. Gist, and several members of the class served.

During teachers' institute, the class served a luncheon for the home economic teachers of the district.

Each girl in the class is making a study of some subject such as glassware or silverware and later in the year will give a report on it. A formal dinner will be given as a final test of the girls' ability to be perfect hostesses.

Members of the class are Hazel Smith, Mary Samons, Jeanice Hornbrook, Helen Ruzic, Mabel Light, Rose Katri, Emmalena Winkler, Billie Fielding, Dorothy Biddings, Anna Belle Christie, Pauline Pegalotti, Lena Brambani, Mary Shinn, Phyllis Quinn, Devina Taggart.

The third grade of the College Elementary School, with Ruth Hudson as teacher, has built a complete library in the school-room. A card-index system is used, and everything is like a modern library. The children are their own librarians.

K. K. K. of Humboldt Opens Social Season

Last Wednesday afternoon the college terrace on the northwest-ern slope of the campus was the scene of a delightful dawn party for the members of the Eta Bona Society, exclusive Kollege Kanine Klub, Kristtorn av Cragwood, the Hicklin's Norwegian elkhound, presided, and was as-isted by Scotty, the Gist's col- lie, unofficial college mascot.

Refreshments consisted of tea and biscuits (dog) and a con-coction of old slippers and tennis shoes. Wags, the Graves' Boston bull terrier, juvenile member of the society, nearly precipitated a riot when he mistook Ching, the Jeffers' chow, for a part of the second course. Only by virtue of his extreme youth and impetuosi-ty, plus Scotty's ardent defense, was Wags spared annihilation.

Mike, the Jenkins' fox terrier, contributed to the program with vocal solos, accompanied by Wim-py, the Arnold's wire-hair. Mike apologized for his efforts, explain-ing that he did his best work at 5:30 every morning upon the advent of the paper boy, and that furthermore his voice wasn't what it used to be since he caught cold bathing in the Jef-fers' pool.

Kristtorn av Cragwood then barked the meeting to order and was calling for the minutes of the previous meeting when Mimi, the Woodcock cat, appeared on the scene. All business was im-mediate declared out of order, and without further ado, the meeting adjourned. So did Mimi.

Willow Creek Picnic For Choir Members

Splash! and there in the mid-dle of the river were E. V. Jef-fers and Harry Wineroth ducking Maewilda Speer with all her clothes on. Burr fights, flat tires, swimming eating, baseball and ducking were featured at the re-cent A Capella Choir picnic at Willow Creek. A man came by the group in a rowboat in which he had a five-pound fish. Harry Wineroth borrowed the fish and posed for several pictures.

During the afternoon, the group went up to Camel Creek where there was a swinging bridge. The girls of the crowd were reported to be nervous when the bridge started to swing. After spending the afternoon at Willow Creek, the group returned to Arcata and danced in the college commons.

Oh yearh, dont be too sure.

"Personality" was the subject of a series of talks given by the students in the Salesmanship class last week. Discussion was held on the positive and negative qualities of a person.

"Thumb-Nail" Biographies Of Humboldt Football Players

The Lumberjack this issue is starting a series of "thumb-nail" sketches of the Humboldt State football players, beginning with those from outside the county. Others will follow.

Bill Hutt, center; had the mis-fortune to receive a broken leg in the opening game of the sea-son; born in Iowa, the source of many a good Californian, an all-round athlete; played three years of high school football, four of basketball and was track captain for two years; played center on the Cardinal athletic club last year and baseball and basketball with several amateur clubs. Weighs 175 pounds and stands 5 feet, 11 1/2 inches.

Bill Farber, end; born in Berkeley, attended Berkeley high school, but because of outside work was unable to participate in athletics; however, found a way eventually by playing with the Franklin Ramblers, a group of boys who met once a week for the sheer joy of playing foot-ball; played in Rambler back field; later played end with Car-dinal Athletic Club, the position he plays at Humboldt; is also a basketball player. Weighs 170 pounds and stands 5 feet 10 in-ches.

Clarence "Chauncey" Mede, blocking half; claims Ferrytown, Mendocino County, as his home town; attended Berkeley high, where he played quarter on foot-ball, forward in basketball and was outfielder and pitcher in baseball; quarterback on Cardi-nal athletic club. Weighs 163 pounds, stands 5 feet 5 inches.

Phil Littlejohn, guard; born in Butte, Montana, but came to California before high school age. Attended Emerville high where for three years he played at dif-ferent times in every position on the football team and was a basketball guard for two years. Weighs 185 pounds, stands 5 feet 9 1/2 inches—"What's in a name, etc."

Jim Harris, guard; came to Oakland from Everett, Washing-ton; spent two years at Fremont high in Oakland, but transferred to Roosevelt high when Fremont burned; played for two years at Roosevelt as halfback in football and guard in basketball teams; played half last year with Cardi-nal Athletic Club. Weighs 171 pounds, stands 5 feet 11 inches.

Earl Meneweather, fleet-footed halfback comes from San Fran-cisco though he attended Fremont Hi in Oakland, where during three years he played in every backfield position on the foot-ball team; was a Fremont Hi basketball guard for a year and in the outfield for their nine three years; on the Marin Junior College baseball team last spring; has played additional baseball with bay region amateur outfits. Weighs 162 pounds, stands 5 feet 7 inches.

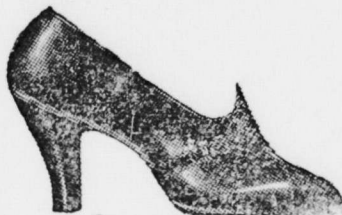

Toi Ferin, signal-calling quar-terback; born in Minnesota, but arrived in California when six years old; attended Berkeley Hi where he played halfback for two years; also played half for the Cardinal Athletic Club foot-ball team and basketball guard for the same club. Weighs 173 pounds, stands 6 feet.

Al Gomez, halfback; comes from Oakland; played two years at quarter in football, three years as forward in basketball, and three years in the outfield in

baseball, all at Emeryville Hi; played half with Cardinals' grid-men and with a champion ama-teur basketball outfit. Weighs 150 pounds, stands 5 feet 9 inches.

Don Pozzo, center; comes from Santa Monica, though he attend-ed school in Los Angeles where he played center on the foot-ball team for three years and ran the mile in track; also played center for Highland Park Athletic Club. Weighs 168 pounds and stands 6 feet even.

Prof. Howe to Attend Science Conference

J. Wendel Howe, assistant professor of biological science, will attend a conference of the science sections of all the state colleges November 22-23 at San Francisco State College called by the editorial staff of the Science Guide for Elementary Schools of which Mr. Howe is a member. Mr. Howe was appointed to this position by Miss Helen Heffernan, chief of the division of elementary education in the state department of education.

The conference is to review the publication for the next year and to discuss the revision of the course of study of science in elementary schools. Mr. Howe will have an article in the magazine soon on liverworts, mosses and ferns of California.

The College Kindergarten Club has had a candy sale and with the proceeds has purchased paint with which the members are painting the chairs and tables in the kindergarten room at the College Elementary School.
