Mixed Emotions

Emily Ibarra

Yes, I know how it feels to lose someone you look up to; especially when it is someone you live with every day.

Yes, I know how much you wish for that person to come back.

Yes, I know how hard it is to overcome something hard in life.

Yes, I know that everyone struggles in life in different ways.

Yes, I know everyone can overcome it at one point in life but everything takes time.

Yes, I know how it feels to be out of place.

Yes, I know that you can be the best at anything if you put your heart and mind to it.

Yes, I know you have a voice, don't stay quiet say what your mind is thinking.

Yes, I know we can all stand up to anything if you believe you can do it.

Yes, I want to be able to shout out things I know instead of remaining quiet.

Yes, I want to be able to help those who don't have a voice.

Yes, I want to be able to overcome my fears.

Yes, I want to stop being judged by our different appearances.

Yes, I want to be able to say I conquered and I achieved.
