LEGISLATORS TO HEAR SCHOOL NEEDS AT MEETING

SEVEN STATE COLLEGES WILL OUTLINE PROBLEMS AND NEEDS AT MEETING IN SACRAMENTO

Immediate needs of California's Seven state Colleges will be discussed with legislative representatives at a meeting of the State College's communities Association to be held Wednesday at Sacramento.

President Arthur S. Gist of Humboldt State College went to Sacramento Monday and will attend the session.

The association is composed of prominent citizens in the 7 communities which have State Colleges. Arcata delegates to the meet-

ing are J. J. Krohn and Henry Brizard.

Meeting with members of the Association will be Senators and Assemblymen of the districts concerned.

Humboldt State College's most important needs at the present time have been outlined by President Gist as follows:

1. A new dormitory
2. New Industrial shops
3. Additional book space in the college library.
4. A science building.

CIVIL SERVICE EXAMS WILL BE GIVEN BY U. S.

The United States Civil Service commission has announced open competitive examinations for six positions.

Full information may be obtained by consulting Bert Wilson of the Commercial Department, Humboldt State College.

Junior Warden, Federal Industrial Institution for Women, Department of Justice, Alderson, W. Va. Salary, \$1,320. (Open to women only). Applications must be filed in Washington D. C. not later than March 19, 1937.

Senior Educationist (Senior Specialist in Elementary Education). Office of Education, Department of Interior. Salary, \$4,600. (Open to both men and women). Applications must be filed in Washington D. C. not later than March 24, 1937.

Teaching Jobs

Principal, Indian Community and Boarding Schools, \$3,200.

Principal, Indian Community and Boarding Schools, \$2,600. Principal, Indian Community and Boarding Schools, \$2,000. Indian Field Service, including Alaska, Department of the Interior. Applications must be filed in Washington D. C. not later than March 26, 1937.

Medical Technician (Tissue Culture) \$1,620. National Institute of Health, U. S. Public Health Service, Washington D. C. Applications must be filed in Washington D. C. not later than March 19, 1937.

Jr. Varsity Selects All Opponent Team

In picking an all-opponent team recently, Franny Moore's Jayvee boys did so with the aim in view of according to the opponents a little of the credit that is due them.

The choice represents those players who played their best game against the Jayvees regardless of their seasonal play. The all-opponent team is composed of the five players who received the most votes regardless of position.

The first five chosen for the Jayvees all-opponent team are the following: Hodgson, San Jose Frosh; Biondini, Ferndale; Mozzini, Classics-Vance Log Cabin; Henderson, Classics, and Davis, Vance Log Cabin.

Honorable mention goes to the whole San Jose Frosh team; Lonzenski, Matsen, and Isackson of the Sparklers; Vallerga of the Samoa Sand Fleas; and Perrone and Wing, of the Classics.

High School Students Are Extended Drama Invitation

Students interested in Drama at Humboldt and Del Norte high schools have been invited to attend the dress rehearsal of "Pet-rified Forest" here on March 16, Garff Wilson announced today.

High schools invited are Eureka, Arcata, Fortuna, Ferndale, Del Norte, South Fork. Last year the high school students were invited to watch the rehearsal of the "Tavern" and about twenty students from each school responded.

Jay Jones Returns To Garberville Home, Will Enroll At H. S. In Fall

Jay Jones, senior student, dropped classes at the school this week on account of illness. A student teacher, and a science major, Jay was afflicted with the flu, and found it impossible to continue with his studies this semester.

He returned to his home in Garberville, and expects to be back at school in the fall.

Big Lagoon's Icy Waters Chill Lads

Brr! The 1937 swimming season was inaugurated by Humboldt State College students Sunday with an icy swim in the waters of Big Lagoon.

It took Garff Wilson, the grand old man of drama, to break the ice before the college tots piped up enough courage to hit the salty brine.

The Humboldt swimmers were Toy Ferin, John McGrath, Jim Harris, and Amadeo Sandretto.

TENNIS TEAM TO MEET SAN MATEO

Humboldt State this week organized a tennis team which is scheduled to meet the highly rated San Mateo squad in a practice tilt on Saturday, March 20.

Although the Humboldt team is newly organized it is expected that it will make a creditable showing against the southern outfit.

The San Mateo team is visiting Arcata on its way through to Oregon where a heavy schedule of games has been set. That Humboldt State has been chosen to meet this splendid aggregation is a mark of recognition.

Plans at the school call for the formation of a regular team and tournaments are scheduled at Santa Clara, Marin J. C., and San Mateo J. C.

The team will be picked from the following men who show much promise: Paul Hunter, Laverne Elmore, William Daly, Daniel Pezzotti, Carl M. Owen, James Cady, Francis Saunderson George Morgan, Darrel Wilson, Arthur Elmes, Michael Chetkovich, and Clare Quinn.

Owens Obdurate In Opening Up On Other Name

With tears of frustration in their eyes, and a big gulp in their throats the so-called Super-sleuths tearfully report that their frenzied efforts on behalf of the Middle Name Mystery have so far resulted in absolute nil. Beaten, black-mailed and berated with Third Degree intensity, Carl Owens remains sphinxlike in his obduracy. The notorious name is inscribed on his driver's license but in spite of frantic searching the fatal document seems to have disappeared.

Unless more cooperation is shown from a lethargic student body on this matter Oden Hansen will call in the U. S. Supreme Court, four welterweight boxers and three battalions of California militia. Yours for a speedy solution.

THREE MAJOR FOOTBALL SCHOOLS IGNORE HUMBOLDT ON SCHEDULES

California Aggies refuse to play Humboldt!
St. Mary's and Santa Clara Freshman teams are holdouts!

A seven or eight game schedule planned for Humboldt State football team next year!

These and many other problems face Coach Fred Telonicher, college athletic director, who is mapping the Humboldt State football schedule for the coming year.

Coach "Crip" Touney of Davis announced that Humboldt will not have a place on his schedule this year and Coach Telonicher has received no word from St. Mary's or Santa Clara frosh regarding their 1937 visit to Humboldt.

Meanwhile Telonicher announced that four games have been scheduled as follows:

University of San Francisco

Frosh, here on October 2 or 3.

Southern Oregon Normal, here on October 7 or 8th.

San Jose State, here on November 13th.

Marin Junior College, here on Thanksgiving Day.

In addition games are planned with California Poly of San Louis Obispo and Linfield College of Oregon, the latter game to be played in Oregon. The dates of these games are pending word from Santa Clara and St. Mary's frosh.

Tap Club To Give Program At Next School Meeting

Members of the Tap Club will present an amusing and delightful program on Thursday morning at the student body meeting. The group has been practicing diligently for this appearance.

Following a short business meeting of the student body the Tap Club will present its numbers. Carl Owen, John Elmore, and June Sundfors, will assist with musical selections. In addition to these the men's quartet, and other vocalists will be heard.

The Tap Club is under the direction of Mrs. Hadley; Goldie Tambourvich is president, and Oden Hansen is accompanist.

Coach Fred Telonicher To Entertain Hoopsters

The Humboldt State junior varsity and varsity basketball teams will be entertained by Coach and Mrs. Fred Telonicher at a basketball banquet to be held at their home next Thursday evening.

Team members and guests will speak and the season will be reviewed.

Varsity Basketball Squad To Be Feted

Paul Hunter, member of the successful current edition of the Humboldt Varsity cage team, and his mother will entertain the varsity at a victory banquet tonight at the Hunter Lunch Room at 6:00 o'clock.

Those who will attend the dinner are Thornton, Meneweather, Hunter, Moore, Givins, Seidell, Saunderson, Daly, Franny Moore, and Coach Fred Telonicher.

John Van Duzer, technical director for the Humboldt College Plays has returned to his work Monday after a week's illness.

More Swingtime Springtime Aids Listed By Hope

Man-bites-dog-news are the trimly fitted new Spring coats. The tailored finger-tip box coat is the favorite with the classic reefer a close second. Of angel-soft wools in luscious pastels they are good enough to eat.

Headlines in foot news are the swing-strap sandals which are so ingeniously wrought as to make even a number nine appear fragile. Spicy and nicy is the little numbah cleverly contrived of bright red, yellow and poiple strips of suede and very flattering to the footie.

The man tailored suit is scheduled to retain a goodish share of its popularity through the spring season. As comfortable as an old shoe, as changeable as the weather, you'd think there was nothing in the fashion world like it. (And you'd think right, my dears.)

Women's Inter-Class Cage Games To Start In April

According to Miss Anne Craig, director of women's athletics at Humboldt State, inter-class basketball games for women are scheduled to begin April 5.

Those interested in playing are asked to begin their practice immediately in order to get in the required six preliminary games before participating in the inter-class games. Class play and activity in noon games may be counted as practices. Billie Fielding is the general manager of women's basketball.

Men's Coaching Class Sponsoring Track Meet

The men's coaching class is sponsoring a track meet for Humboldt State men. No date has been set.

There will be three teams: Freshmen, Sophomores, and Upperclassmen. All events will take place except the two mile.

Lets Read the Ads

It is possible that the reader wonders why advertising is, again and again, used as an editorial subject. It is also possible that the reader is not fully aware of the importance of our advertising or of the situation which exists between our advertisers and our paper. Advertisers pay for nearly two-thirds of our paper, and a few of them get nothing in return.

Is it true that the Lumberjack exists only through the charity of our local business concerns—and if this is true, are you satisfied and willing that a situation of this kind should exist?

Many business houses advertise in our paper because of a willingness to help a worthy enterprise. They do not expect direct results, if they expect only at all, but depend upon indirect results to compensate them; therefore, we should not expect too much of these concerns.

Many other concerns advertise in our paper and rightfully expect direct results. It is these advertisers whom we are concerned at this time. There is every reason why the Lumberjack should be a good advertising medium, and for many, it is. Nevertheless, the direct advertisers are slowly disappearing from our paper. Do you wonder that this is so? If the direct advertisers do not receive results from our readers, they will not advertise in our paper.

More and more our ad space is subject to charity. The names of benevolent givers appear more often. It should not be necessary for these to pay for our paper.

We have the means of paying, by shopping at our advertisers, for value received. We should use it.

The time may come when it will be impossible to sell real advertising in our paper. Lets hope that such a day does not arrive, but if it should, then, surely, the statement that the Lumberjack exists through charity, would, in every sense of the word be true. J. St. C.

HOOPS AND HARDWOOD

Humboldt clinched the Independent League championship by defeating the Sparklers last week. The boys have yet to play Samoa in the final game of the season.

Samoa was disposed of very easily the first round, and if the Humboldts repeat, an undefeated season will be chalked up. It has been a long time since the College has gone undefeated in the Independent League. One of the teams usually upsets the dope and hands the school boys a beating. Let's hope Samoa doesn't get hot!

The Varsity once again displayed that competitive spirit that makes champions when with three minutes to play they made up a six point deficit to tie the score with a little more than a minute to go. The Sparklers went into the lead with a free throw, and then a Humboldt bucket, a Sparkler bucket, a Humboldt bucket, another Sparkler bucket, and then the final Humboldt bucket.

Ten points were scored by the team in the final minute and a half.

What a contest!

Heroes of the final Thunderbolt drive were Paul Hunter, Jimmy Moore, and Vern Thornton. Vern got the last bucket. A long shot from about forty feet out. Cool as a watermelon he set himself and looped her in. A beauty.

The Jayvees could not overcome the Eureka High hoodoo. Losing

their third in three starts at the Eureka High gymnasium, Franny Moore's Jayvee boys have yet come out on the long end of the score; having dropped another this week to tie the fast Classic team, Eureka City League champs.

Training School Boys Win From Korbel Team

In a recent game with the Korbel Grammar School the Training School boy's basketball team won 26-8.

Of the series of eight games scheduled with other schools the Training School boys have lost the first two, won the next three, and expect to win the remainder.

Today they play the Arcata Grammar School team and Friday they will meet the Mitchel School team.

Tryouts for admittance to the Tap Club will be held soon. Watch the bulletin boards for announcement of the date.

The creative writing group met at the home of Mrs. Folsom last Thursday. Others interested in this group are invited to attend the meetings which are held Tuesdays and Thursdays at 2:30.

Tomorrow night is Men's Night on the College program. The Men's Association is cooperating with Eva Mathison for the broadcast.

Repetition makes reputation.

AN ARTICLE OF INTEREST

Humboldt State College Loan Funds

By Howard Barnes

The college loan fund known as the "Original Fund" was initiated and sponsored by six local business men in 1915. These six men secured donations from the following lodges; Arcata Lodge \$500.00, Arcata Aerie of Eagles, \$250.00, Arcata Chapter of the Native Sons of the Golden West, \$150.00, Arcata Lodge of Independent Order of Odd Fellows, \$100.00, Arcata Women's Club, \$50.00, Blue Lake Women's Club, \$2.60. In September, 1931, Mr. Robert G. Sprout, president of the University of California gave a talk to the Humboldt student body and through his generosity donated his fee, \$75.00, to the fund.

The fund is for seniors, who may borrow \$90.00 at the rate of \$10.00 a month. This loan is to be returned at 4 per cent interest per annum when the student leaves school and secures employment. To date there are 167 students who have made loans totaling over \$9,000.00. Approximately \$257.00 has been uncollectable at time of expiration of note. These overdue notes are placed in the hands of a collection agency after a certain length of time has elapsed since the note came due.

Many letters are received by the treasurer's office from students who have been benefited and helped by these loans, expressing their appreciation and thanks. There have been honor students, a few students who have been outstanding in their work, one student won the student teacher's cup, and one

is now teaching in Alaska.

The Humboldt Associated Loan Fund used by a large number of students to pay their registration fees was instigated by President Gist. During the latter part of the depression years Mr. Gist asked for donations from the faculty. They responded by donating \$500 towards the fund. The first loan was made on January 15, 1934. The loans are to be paid, at 6 per cent interest, by the end of this semester so as to be ready for stu-

dents desiring to make loans for the following semesters fees.

Over 200 students have been helped by this fund with the total loans to date amounting to \$3,000.

In January, 1936, there was a big demand for loans and since the fund was low the Arcata Rotary Club loaned the fund \$250.00 to be repaid at 6 per cent interest.

This loan was soon repaid to the Rotary Club.

How About Us?

Every college paper and every college editor sincerely wishes to present the finest news picture available to the readers. The sole aim, as we see it, in having a school paper is to make that publication representative of the students, the school, the faculty, and every part of the institution.

In the recent past the editors of the Lumberjack have been striving to reach the goal of transforming the paper from a "tattle-tale" gossip purveyor to a newspaper representing student life and activity on the Humboldt State College campus.

In brief, the Lumberjack is being made into a NEWS-paper.

Cooperation on the part of both students and faculty leaves much to be desired for the most part. The ranks of reporters dwindled to a loyal few.

An example of the indifferent attitude is this last week's case. We heard of a fine story that was in the hands of one of the faculty members. Wishing to give our best to our readers by presenting a newspaper filled with the week's news, a reporter was dispatched to this faculty member; who refused saying that all details would be forthcoming at the next student body meeting—ten days away.

Imagine our chagrin when we picked up a Eureka newspaper and found all the marvelous details of the story as given by the faculty member to a representative of that paper!

We are making an honest appeal to student body and to faculty members to give us a "break" sometime.

EXPRESSING

A P P R E C I A T I O N

FOR YOUR SUPPORT

We want to take this opportunity to express our sincere thanks to the many cooperative merchants who have so loyally given us your advertising support.

We also feel that we speak for all the students when we say that we are ever-watchful of your listings to guide us in making purchases.

Each Humboldt student should try to make it a definite point to patronize you. Realizing that it is only through your continued support that the Lumberjack can continue to be a publication representative of the institution.

There usually is
a "shock" in the
"sock" bill. . . .

.....but, you know, it's not
half bad when you go in for
the new Poppy Maid Silk
Hosiery.

Good looking? The best
you could find.....and you
can buy 'em sheer or heavy
as you please.....they come
in three weights. Spring
colors.

Better stop in, co-ed, and
see 'em.....

BOIL IT IN OIL

**Embryo authors wax hot over
Prof's skepticism**
Humboldt State Students;

It seems that a certain honorable professor is imbued with the misconception that our college today, is not potentially a moulder of literary propensities.

We, a certain minority, are of the opposite viewpoint. We hold that the inefficacy of this idea may be deduced from the fact that last weeks Boil it in Oil, signed, Just a Big Boy Scout, WAS definitely written by a student. For the edification of any who are in doubt proof will be furnished upon request. John Gallop and Paul Hunter.

**What this school needs is a good
set of traditions, claims student.**
Dear Editor,

In last week's Boil It In Oil someone asked for ideas to get the students together.

The chief reason for the lackadaisical attitude of most Humboldt State students is the lack of tradition at this college. Our college hasn't an activity that has been carried on for years. Things that have been done by small groups or cliques.

It is true that the Freshmen Reception and the Frosh Return are annual dances; but Humboldt doesn't have enough annual affairs to keep up interest in them.

If, for instance, semi-formal or formal dances were held more often there would be sure to be a big turn-out. You see, these dances come so far apart when the time comes everyone gets lazy, or independent.....they're just not interested. They hate to don their glad rags for just one night.

Bob Madsen is doing a fine thing in starting an All Campus Work Day. If more activities of this sort were introduced at Humboldt College affairs would be more successful.

H. S. Rooter

**Irate Cage Fan is Scorched with
indignation over San Jose attitude**
Dear Editor:

I have just finished reading the San Jose Daily Spartan's story of our recent games with San Jose State. Of all the biased, small-time articles I have ever read that one was tops!

No credit at all was given our team for its Saturday night wall-owing handed the Spartans. Instead their loss was blamed on a "Lackadaisical defense," and a general let down of the entire Spartan squad.

Why not be honest, San Jose, and admit that the Spartans met a better team that night? Why not admit that San Jose played better ball than in the first game, but it wasn't good enough? And why not admit that Mr. Givins, "Humboldt crap-shooting forward" was simply the outstanding man on the court both nights? He was worth two Spartans anytime.

It appears that the "powerful" Spartan is just a little irked at being continuously beaten by the "Lilliputians" of the North, and

his only out is to sneer at the Thunderbolts, inasmuch as the Spartan just can't seem to win an athletic decision over Humboldt.

Briefly, their attempt to be "big-time" is a laugh. Why not give credit where credit is due?

Basketball Fan
(Name on Request)

P. S. That football score was 20-0, and not 20-7, as the Spartan Daily reported.

Campus Commentator

Birds are singing, flowers are budding; Esther is a "cast-off", has finally returned to school, so to Bess of down town Alton we dedicate this last fling.

We feel that those means of transportation which have faithfully carried our students to and from school have never been properly introduced to the student body, therefore we have taken upon ourselves the honors . . .

Students Meet:

The Moxon mower . . . Gilmore,
The Shocker absorber. . . Patricia,

The Petersen vehicle. . . John,
The G. Lowry rattletrap . . . Janet,

The Turner limousine. . . Sylvia,
The Ritola runabout. . . Henrietta,
The Boggess barge . . . Black Beauty,
The Tinker trap. . . Hector.

The long and short of the situation seems to be Merle Morton, and Snoopies Fautz, and by the way, who would have thought that Merle is carrying on a correspondence with someone in the Philippines—a common bond of interest between Merle and Barbara Harville.

If anyone has a more lengthy name than Victorine Hildegard Evangelisti please enlighten us.

Jim Harris has a competitor in regards to beautiful eyes and long lashes. Just take a gander at Jane

Harvilles respective glimmers.

Front Page Franny received a lot of undeserved publicity over his hitch-hiking episode. You can't pull the wool over our eyes!

We know you got a ride at Alton, and rode all the way to San Jose and back with Mel Roberts. Anyway, it was a good idea.

Springtime, of the atmosphere of the Social Unit, has stimulated a creative urge in students of H. S. C. Barbara Johnson is engrossed in writing a love story, while Elinor Buck is turning her genius toward a mystery thriller. Girls, this advance publicity may prove valuable!

While strolling on the campus we notice resemblances . . . Lois Hedley, and Howard Barnes . . . Katie Wrigley, and Richie Blackburn . . . (Who said opposites attract!) Amadeo Sandretto, and "Little Filbert". . . Charles Fulkerson, and Don Smith.

Last week Humboldt State presented a stirring romance, "The Return of the Toreador", starring Don Starr and Margy Bull.

In conclusion, do you or don't you like those hotter than hot shirts the boys have been wearing since their return from San Jose! We're undecided.

Hitther and Yawn

Cheerio, ladies, and cheerio, gentlemen.

I shall now proceed to hand out a bouquet to the person (most likely our harassed editor) who filled my column up as a pinch-hitter. Somehow or other my copy got lost last time. The pinch-hitter's job was as bad as any I've written, and that is saying some...

The last issue of the paper carried an article stating that some sort of writer's group was being established at college. I have been more or less figuring on joining it, but I'm deathly afear'd. When I start writing pieces with meaning in them, watch out! I tear my hair in true poetic frenzy, look up into the sky (if in the house, I look at a fly sleeping on the wall), and so on and so forth. The last time I wrote such pieces, I started losing so much hair that my barber complained I wouldn't have to come to him pretty soon if I kept on at that rate. And that is a pity. I like to give vent to my ideas on the confounded world, with a barber listening and comforting me, "Now, now; don't take on so."

Of all the literary aspirants I've had the fortune to meet, I remember one in particular. He was twenty-one. When in high school, he used to write editorials for the school paper and got more or less interested in writing. Upon graduating, he couldn't find a job, so he

joined the CCC's. (This was about three years ago, during the really hard times.) There he continued his prolific reading. And he wrote reams of stuff, beautifully written. Then he decided to leave the CCC's.

Back to San Francisco, moneyless. He obtained an occasional job. He stayed at the house of a kind friend who saw his talents. He did not want to burden them with his presence, so he left.

He came back up to Eureka, in which vicinity he had had his CCC job. He looked for work, got a job or two, all short-lived.

The poor devil was losing weight all the time. No, dear friends, he did not die, melodramatically. He just lost weight from worry over not obtaining work. . . . And all this time he read, and wrote.

When he left Eureka back for Frisco, he was over a hundred dollars in the hole, twenty pounds less in weight, and nervous over the future.

That, my friends, is how authors are born in this mad hard-boiled world. Either die from lack of finances, or slowly fight your way up. All the time society is trying to administer that lethal rabbit punch. . . .

CAMPUS CHATTER

By KATHERINE WRIGLEY

Say...was that a dance or was that a dance last Friday night? Our hats off to the Freshman Class.....And are we full of gossip as a result of that dance.....

For one thing whom should we see but Prexy Oden Hansen with Mable Light, a former H. S. C. student....and that big, handsome, dashing Cocky Mahan was escorting Myrtle Boehne..... a

Oh yes, the evening was full of surprises. Ray Pedrotti, that poetic romeo was being gallant with that little frosh, Bessie Boehne, Myrtle's sister....And Harry Langdon will you kindly oblige by saving our curiosity as to the identity of your girl friend? Folks, isn't this the first time we've seen Harry with a girl?

Imagine this...two of our mighty frosh men and a mightier sophomore dragged high school girls! (Could we stand it?) Clare Quinn was the one who surprised us..... Meredith Young was the lucky girl.

Mitchy Chetkovich, that man of brawn, was there with his girlfriend, Marian Goss. (Is she a sweet creature!) And Bob Goss was among those present with none other than Lois Gardner.

Jack "What-a-man-am-I" St. Claire is breaking into a print because of Ethel Bjorkland to whom he appeared most attentive on the occasion of the Frosh Return Dance.

They say there is a romance which has been blooming for quite some time now.....the couple concerned appeared at a College function Friday night.....Who?.....Emmaline Winkler, and Reginald Petty. We don't know whether this will get into print or not.....(It didn't).

And here we are still going on about that super-fine Frosh Return. Audrey Kjer and Bill Inskip decided that it was just a mighty fine occasion.....And didn't Audrey knock your eyes out?

We're still gasping about some of the new combinations we saw.... Notable among them were Junie Sundfors and Bill McCready, we probably should also mention that Bud "Watch-Me-Swing-It" Villa and Maxine Maxwell were there together. And didn't Alfa and Harry Wineroth look a bit of all right together?We think so; but maybe we're prejudiced. There is still another new, hot, and flaming romance with Annette Henders and "Diamond Jim" Cady reported as being that way about one another. Could it be spring?

This week we terminate this lengthy chatter by quoting that determined little James Moore. Said Jimmy, entering the Social Unit the other day, just as Franny was leaving, "Much Moore is coming in than going out." Oh, with Much Moore conceit! Could he stand it?

Frosh Dance Makes Attendance Record

The muchly postponed and muchly advertised Frosh Dance was at last held Friday night, and to the pleasant surprise of everyone, was hugely successful.

The affair was attended by a larger-than usual crowd, and everyone was emphatic in his and her insinuations that the dance was "great." Music was furnished by Benny Lubeck's orchestra.

Decorations in the gym left more than a little to be desired, and more careful preparation and arrangements might have been helpful. However, the dance, we repeat, was very enjoyable.

Patrons at the Frosh dance included Mr. and Mrs. Arthur S. Gist, Dr. and Mrs. Anderson, and Dr. and Mrs. Lanphere.

Speedball will be the next women's interclass game of the spring semester.

On Other Campi

Students at San Jose State are annually offered \$75.00 for the prize winning music composition entered in the music composition contest. Numbers may be any type such as vocal solos, quartet parts, both vocal and instrumental, or any original musical arrangements.

A special train carried 300 San Jose State students of Nature study classes to Davis to view the California Agricultural College farm as a part of their study of domestic animals.

SUITS

195

It's hardly believable that such perfectly tailored suits could sell for so terribly little! But they're here. Come see them for yourself! Cotton Crash and imitation Seersucker. Some use colored scarfs, lacing, or contrasting buttons ever so effectively!
