NUMBER 2

HUMBOLDT STATE PROFESSOR DIES IN SAN FRANCISCO AFTER OPERATION

W.C.T.U. HEAD TO VISIT HERE OCTOBER 14-15

Miss Bertha Rachel Palmer, Director of Scientific Temperance Instruction National W. C. T. U. will visit the college October 14 and 15. She will speak to the Student Teachers, faculty members, the Hygiene classes and perhaps other classes at a faculty luncheon.

Miss Palmer was the former Superintendent of Public Instruction of North Dakota, and her visit is in the interest of a state program of Narcotic Education, which will comply with the laws of California for teaching the effects of alcohol and other narcotics.

Miss Palmer is a magnetic speaker and presents scientific facts in a delightful way. Her own enthusiasm in others. Comments on her work include such phrases as "her winsomeness gets things done," "the knack of getting other people to work with her and thus multiplying her own capacity," "a definite objective," "stimulates her audience to do part of the thinking," "particularly fine as a teacher of teachers."

Arrangements for her visit were made by the State Department of Education.

GRID PROGRAMS HEADS SELECTED

Following are the people who are working on the publication of the football programs now being issued for the football games:

Editor-in-chief and manager, Eddie Longan, the publicity writer of Humboldt State's football and also writer for several newspapers, Editor, Harold Langdon. Assistants Verda German, Ethel Walters, Frances Pouson.

Business Manager, Wesley Hunter. Assistants, Albert Gilman, Frances Etter, Jean Hood. Art Editor, Doris Marton. Photos, Jack Bartlett.

Advertising Manager, Ray Pedrotti. Assistants, Harold Walton, Carolyn Crane, Jack Schmidt, Leslie Ferrian, Alberta Starkey.

Circulation Manager, Frances Waters. Assistants, Virgil Hollis, Marjorie Cropley, Phil Peacock.

On the advisory board are Charlie Erb, head football coach; President Arthur S. Gist; Miss Imogene Platt, Homer Balabanis, Miss Zulla Z. Ballew of the faculty and Bob Madsen, student body president.

Prof. H. R. Poultney, who died Monday of last week after an operation, had been a Humboldt State College faculty member for twelve years. He came to Humboldt in 1925 from Pocatello, Idaho, where he had been head of the department of Biology and Nature Study at the Southern Branch of the University of Idaho. Before that he had taught at Rutgers College in New Jersey.

Mr. Poultney received his bachelor's degree from Cornell University and his master's degree from the Utah Agricultural College; he had done additional graduate work at Stanford, at the University of California, and at the University of Chicago.

He was active in college, student and community affairs. Besides his teaching and administrative duties, he was formerly president of the local College Instructor's Association which maintains contact between the state college faculties. Older students and alumni remember his work as manager of Humboldt Syceum, later known as the Humboldt Collegians, the student music and dramatic organization for a number of years toured Redwood Empire towns each spring, proceeds from the performances being used to advertise the college summer school. He was one of the charter members of the Arcata Kiwanis Club and a member of the American Legion. He founded the Marbled Murrelet Club, an organization of Humboldt County residents interested in bird life.

Though in ill health from some time past, he kept up his college work until this fall. He never complained; in fact, he never mentioned his condition to his fellow faculty members. Facing what he knew was to be a critical operation, he was cheerful to the last. As one of his friends remarked: "His courage, even in the tragedy of his death, will always be an inspiration to us."

Prexy Toastmaster At Empire Meeting

President Arthur S. Gist acted as toastmaster at the annual banquet of the Redwood Empire Association held last Friday, October 8, at Sonoma, California. President Gist introduced Mayor Rossi of San Francisco who gave the principal address of the evening. He also introduced the officials of the Redwood Empire Association and those of the Golden Gate International Exposition to be held in San Francisco in 1939 to the four hundred people in attendance.

Group Fetes Virginia Belloni's Birthday

A birthday party honoring Virginia Belloni was given at the "Soph Mansion" Tuesday morning, October 5. They played games and cards after which refreshments were served. Those present were: Irene Hinkley, Virginia Belloni, Alice Silva, Mary Flochini, Marjorie Cropley, Ethel Boehne, Myrtle Boehne and Bessie Boehne.

NOTICE!

An outline of each assembly program must be approved by Mrs. Monica Hadley, chairman of the assembly committee, at least 48 hours before the assembly. It is the responsibility of the person in charge of the program to see that this is done. For arrangements for the use of the stage Mrs. Jessie T. Woodcock, financial secretary, must be consulted.

Postponed Frosh Tea Set Thursday

On Thursday of this week, the Freshman tea, at which Mrs. Gist entertains the new students at Humboldt each year, will take place at the home of President Gist.

This tea was scheduled to have been held last week, but due to unforeseen difficulties had to be postponed. This gesture on the part of the President and his wife is one of the many hospitable entertainments that is annually featured here at Humboldt, and is always looked forward to with such anticipation.

Assisting in serving Mrs. Gist will be the following girls: Violet Susan, Beryl Unsoeld, Hjoridis Pelas, Gladys Hinman, and Eleanor McKay. Presiding at the tea table will be Miss Anne Craig, Miss Imogene Platt, Mrs. Stella Little and Mrs. Monica Hadley. The faculty members who have been invited to this affair are Dr. Raymond Fisher, Mrs. Elna Folsom, Mr. Edmund Jeffers, Miss Adella Johnson, Dr. Harry MacGinitie, Miss Zula Ballew, Mr. Fred Telonicher, Mr. Maurice Hicklin, and Mr. G. B. Wilson.

The entertainment provided for the afternoon will be furnished by Warren Elmore and Helen Taylor who will sing several songs; Jean Hood who will play some selections on her French horn; and Mr. Garff Wilson who will present reading.

Movies Show Many 1936 Grid Games

Moving pictures, showing scoring plays of the outstanding football games on the coast last season, were shown in the Social Unit Thursday afternoon between one and two o'clock. Coach Charley Erb, surrounded by members of his squad, took great interest in the program. Edward C. Graves, Librarian, ran the films which were donated by the Associated Oil Company.

Eighth Grade Preparing For State Examinations

Clark Gilman, student teacher of the eighth grade at the College Elementary School, reports that the eighth grade is busy learning the U. S. Constitution in preparation for the State Examination October 25.

As another special project, the grade is taking a unit in first aid.

ENTIRE HUMBOLDT SQUAD USED AGAINST SOUTHERN OREGON NORMAL; WE WIN 34-0

With every man on the squad given a chance to show his wares against Southern Oregon, Coach Erb's gridders Saturday night overwhelmed the northerners by a score of 34-0 at Albee Stadium. The visitors were held on even terms even when the third stringers were sent in.

Opening fast the first team received the ball after the Oregon boys had failed to make any yardage after the first kick-off, and easily pushed over the initial score of the battle. The famous "Meneweather to Ferin" pass play accounted for touchdown number one.

The second score was made when Windy Moore, Ferin, and Meneweather ganged up on the northern boys in a series of dazzling plays that ended in Minnie's getting across the goal line without being tackled. Franny Moore's educated toe again won extra points on both these touchdowns.

Meneweather again came up with one of his breath-takers, and the third touchdown. With the score now at 21-0, Erb gave his reserve squad their chance to prove themselves.

Collier, Edsall and Henderson did the ball carrying and showed up very well. The entire second string proved beyond a doubt that this year Humboldt has something she has never had before—a powerful reserve strength. The first string is far and above the best squad we have ever had. With this splendid reserve strength, it is predicted that Humboldt's 1937 team will be one to be remembered for many years.

HUGE CROWD AT INN AFTER GAME

About 150 students and friends of Humboldt State and members of the Southern Oregon football team danced at the Eureka Inn Saturday night after the game until about one thirty in the morning. Freshman

The dance was the Annual Freshman Reception combined with a welcome for the visiting football team. Music was furnished by Benny Lubeck and his five piece orchestra.

Owen's Pep Band Helps Rooters At S. O. N. S. Game

The College Pep Band under the leadership of Carl Owen has been organized and did much in keeping up the enthusiasm of the rooting section.

Members of the band and the instruments they play are as follows: Trumpets, A. Parton, W. Elmore, M. Fountain; Horns, L. Elmore, J. Hood; Trombones, G. Geiger, S. Washburn, J. Davis; Baritone, A. Pollard, R. Pedrotti, S. Foster, J. Schmidt, F. Ensign, A. Lester; Saxophones, G. Lowry, Schussman, M. Scott; Alternating Drum Majors, A. Gilman, M. Bradley.

PRE-GAME RALLY IS SUCCESSFUL

The addition of the word "mediocre" to the large sign in the front hall, advertising the Rally for Friday night was a rather misplaced adjective, as far as the atmosphere of the rally was concerned. The other words, "gigantic and colossal" were just the words wanted for the occasion.

With Friday's night big rally, the football season for this year at Humboldt was ushered in with a bang! Preliminary to the bean feed in the Commons was a dance in the little gym, the music for which was furnished by Charlie Fulkerson, Ida May Inskip, Warren Elmore, Myron Schussman, and Carl Owen. At the banquet of beans, Pep was the word that would only

(Continued to page 4)

John Van Duzer Assists Wilson

John Van Duzer, who graduated from Humboldt State last June, has been employed this year as a faculty assistant to Mr. Garff Bell Wilson. For the past four years, Van Duzer has been technical director of drama and has had charge of most of the activity in the drama department so he is well qualified for this position.

Previous to this he worked at the old Eastman Theatre in Rochester, New York, under able directors. In addition to his work in the dramatics department, John is also assisting Miss Helen Garvin with her music classes.

Season Ticket Sale Started Wednesday

The sale of season tickets for the football games was inaugurated at a short assembly held last Wednesday, October 6. Dr. Balabanis, Vice President of the college, spoke on the necessity of raising funds by a presale of football tickets. Mr. E. V. Jeffers of the music department led the assembly in a short song rehearsal.

Helene Hansen Elected President Of Sunset

Women students of Sunset Hall have elected the following officers for the first semester: Helene Hansen, president; Ellen Matthieson, Vice president; Joy Stockton, secretary-treasurer; Phyllis Benbow, social chairman; Ethel Walters, house manager.

CORRECTION

In listing the students in last week's Lumberjack to whom class honors for last year were awarded, Edwin Winkler's name was inadvertently omitted. Lois Bird's name should have been included among this receiving semester honors for the spring semester.

IN MEMORIAM

With the passing of Robert H. Poultney, Professor of Biological and Physical Science, Humboldt State College has lost a brilliant scientist and a beloved friend. Although at the time of his death he was not an active member on the staff, having been granted a leave of absence because of his poor health, he is known and remembered by many of the students from his work here last year. The college wishes to extend sincerest sympathies to Mrs. Poultney. Seek not to find him in a grave

Where saddened flowers make
 A fading tribute to his death.
 Seek not him there, and comfort take.

No shallow grave could hold a thing
 As great as God's own son
 What saddened heart would grieve for man
 When God and Love are one.

There is no place where we might walk,
 Or into clutching sorrows fall,
 But we may raise our eyes to see,
 That only Life is all in all!

GIVE THEM A BREAK!

Wildly do we support our husky heroes on the gridiron. Faithfully do we applaud our thespians before the footlights. Loyally do we attend the concerts and the operas staged by the music department. Now, what about the Lumberjack? True, everyone reads it. Granted, everyone criticizes it. But who supports it? (And answer there was none.)

The Lumberjack exists only as its advertisers pay for its existence. And how long will the advertisers pay for ads that get no results?

Patronize Lumberjack advertisers. Look them up. Find out who they are. Buy from them. Mention the Lumberjack at every purchase. Its such a small thing to ask and it can mean so much to you, to us, and to the college.

SOD and SAWDUST

Humboldt beat Southern Oregon Normal for the second time in two years. But for the second year S. O. N. showed it could gain consistently thru the Humboldt line. S. O. N. made 10 first downs to H. S. C.'s 8. But you don't pay off on first downs, it takes touchdowns.

"Bronco" Moore, the Crescent City Crusher, looked plenty swell to this writer. Tackling, blocking, and plunging like an All-American, Windy still found time to intercept a pass or two.

Halfback Hudson of the Southern Oregons made our secondary defense look like a group of training school boys when he cut back

between our guards and thru our bewildered backs for 60 yards, and was on his way for six points when Ronny Collier came from out of nowhere to make a very fine stop.

Earl "Sleek" Meneweather looked pretty fine pounding the S. O. N. right end and then going all the way for six points. He was aided by two nice down-field blocks executed by Art McGrath and Francis Givins.

The sports writers claim that Humboldt averaged 28.1 yards from scrimmage on punts. We wonder if they counted that towering 70 yards from a section of the bleachers.

CAMPUS CHATTER

Installment Two.....Did you miss me last week? Probably not. Anyhow due to the fact that yours truly's column was missing you get a double dose this week.

If you happen to be feeling a little low some day, I'd advise you to keep out of Joe Akins sight, as he has his eyes open for likely customers. He is intending to be a mortician. John Van Duzer says, "Keep out of his way or he will mortify you."

Mel Roberts reports a very enjoyable trip to San Jose last weekend to see girl-friends Audre Morrell.

In case you're interested, and even if you're not Cocky Mahan's local address is "Social Unit." Anyway that's what he put on his registration card.....which reminds me.....Wendy Moore when asked how many units he was taking replied, "15, Social Units." Wendy doesn't seem to be the only one either.

Friday nite H.S.C. students certainly showed Arcata, Eureka, and surrounding territory that they had plenty of pep, although after our little jaunt through the streets of Eureka and our work out at the Skating Rink I think most of us had lost a good deal of aforesaid pep. Chuck Glenn was heard to remark as he struggled along in the serpentine, "Much more of this and they'll carry me home." Can't you take it Chuck?

Buddy Boy Villa seemed to be doing O.K. both Friday and Saturday nites with that cute little red-headed frosh, Helen Hartsook.

Dr. Fisher certainly showed a few of us up when it came to skating. By the way he seemed to be the only faculty member (to use his own words) "Who let down his hair," and didn't lack "The lack of dignity."

Wee Willie Inskip got quite a collection at the game when he and his horn were showered with peanuts, paper bags, etc. That's one way to get free peanuts!

Shirley Davis and Larry Wurtz seemed to enjoy each others company at the game and dance as did Phyllis Benbow and Phil Coons.

Did you note that Charlie(H—with the ball, let's go on with the game) Erb is taking it out on his overcoat this season, and giving his hat the rest?

And that's all there isn't any more, ain't cha glad?

Writers' Club Is Formed; To Hold Meeting Friday

Under the auspices of Mrs. Elma Folsom of the English department, students interested in creative writing have organized a Writer's Club. The first meeting was held Friday, October 11, at Mrs. Folsom's home. A definite time for meetings has not been decided upon.

Mrs. Folsom will be in the north room of the Social Unit from nine to eleven on Thursdays to meet students who wish help on writing problems. She is also inviting any interested students to her home on Tuesday evenings from 6:30 to 9 p. m. Students interested in any form of creative writing or who are interested in coming to the meetings as critics are asked to see Mrs. Folsom.

Civic Club Formed At Training School

The eighth grade of the College Elementary School has formed a Civics Club as a project of the Social Science class. The purpose is to learn to be good citizens, to learn the process of social science by actual performance, to carry out club projects, and to learn how to have only the right sort of good times.

Officers of this club are: President, Homer Arnold; vice-president, Arnold Rasalla; secretary, Betty Bray; treasurer, Norman Woodbury; sergeant-at-arms, Carl Sequist.

Mary Shinn, '36, is now teaching at the Mattole Union School at Petrolia.

Howe's Laboratory Manual Now Used At Washington U.

The University of Washington has accepted and is now using a lab manual written by J. Wendell, assistant Professor at Humboldt. Mr. Howe intends to rewrite this edition for future use at Washington.

Mr. Howe who has written all lab manuals used by his classes for the last five years intends to write a textbook after he has completed his research work.

The botany manual is used by all Freshman students majoring in Forestry.

HUMBOLDT AIR PROGRAM WELL RECEIVED HERE

"The best radio program ever put on by the college students," this was the comment heard in the halls at Humboldt State on Thursday. Hope Dondero's feature, Warren Elmore, and Dr. Fisher's talk on the Constitution of the United States.....all were enjoyed. The interviews, although, all the answers were impromptu, were very well given by the freshmen who participated.

We would like to have more suggestions for the "Song Hit of the Week." There have been a few suggestions, but we would like to have more. It doesn't necessarily have to be the latest song, but any song that the students choose as their song hit of the week. If we are going to have a Barn Dance, why shouldn't we have a song like Turkey in the Straw; or when a football rally is scheduled, why not choose a football song?

Tomorrow night the program will be dedicated to the Sophomore class, and next week the pep program called Alma Mater Hail.

Commons Proving Popular With All

Approximately forty people eat breakfast in the Commons and about fifty eat dinner there. This is an increase of about twenty per cent over last semester.

The twenty cent plate lunch, introduced, this semester, is proving very popular with the noon diners. Those who bring their own lunches are welcome to eat in the Commons.

New drapes and lighting fixtures have been installed and many other improvements in the food, service, and comfort of the patrons have been made since Mrs. Ellen Johnson Walter has returned to take charge of the Commons.

Elementary School Has Assembly On Fire Prevention

Fire prevention was the theme of the assembly at the College Elementary School Thursday.

Following the flag salute, the fourth grade put on a skit explaining how to put out fires. Those participating were Virginia Anderson, Peggy Brookins, Buna Lindquist, Phyllis Sequist, Beverly Thomson, Alma May Arnold. Hazel Nichols, college senior, is the student teacher.

A fifth-grade skit explaining how to prevent fires in buildings was given. Those participating were: Grant Davis, John Dolson, Gordon Frost, Glenn Furber, Donald Kern, Norman Lindquist, Robert Wrenn, Marilyn Brizard, Lucille Davis, Betty Jane Griffin, Donna Jacobs, Doris Walkenshaw. The student teacher was Ruby McAllister, senior.

Carl Sequist then gave a short talk on the world series baseball games.

A harmony quintet: Homer Arnold, Jr., Jessie Vincent, Betty Bray, Amelia Relac, Gene Orlandi, sang "Now the Day is Over," after which all the grades sang it. "Smile Awhile," was the closing song.

When the pupils had returned to their rooms a fire alarm was sounded and all immediately formed in lines and marched outside of the building.

Pretty Frosh Is Dunked Thursday

Louadine Russell, Freshman girl student, had a rendezvous with the gold-fish last Thursday noon; that is, she was "dunked" in the fish pond. This move which was greatly favored by public opinion, was actuated by the Sophomore Women's Vigilante Committee.

It was charged by some that she had been directly responsible for four Freshman men being thrown in before her for "Queen-ing." The story goes that Miss Russell approached the Freshman with these ulterior motives in view and so the boys, unable to resist the siren's call, were given what John McGrath would call a lesson in subjection to control, but it was just a cold plunge to the Frosh.

At the same time eight Frosh men, George Hartman, Bill Crowley, Bill Nellist, just three hours out of the fish pond, Harvey Harper, James Wylie Stickles were acquitted on a charge of walking the inner court. R. J. Laurey, Don Falk, one of the party before mentioned when found guilty of the same charge.

County Fair Theme To Be Carried Out In Annual Play Day

"A day at the races under the big top" has been chosen by the Women's Athletic Association as the theme of their Twelfth Annual Play Day to be given for the high schools of Humboldt and Del Norte Counties on Saturday, October 23. Activities typical of a county fair will be carried out.

The number of girls representing each school has been increased from the one hundred and sixty of past years to two hundred and sixty. This will enable more girls from the larger schools to share in the event. The W. A. A. feels that by increasing the number of girls in attendance they will be able to provide pleasure for a greater number of girls.

Dorothy Yackley, '36 is now teaching at the Port Kenyon School at Ferndale.

BOIL IT IN OIL

Is this a college or a high school?

This year hazing at Humboldt seems to have taken a peculiar turn. The traditional freshman-sophomore rivalry is usurped by the obsession that a certain very worthy (in its place) organization is lord over the campus.

Power is intoxicating in this case, has led to some rather childish actions, never before seen on Humboldt's campus. The referred to is the ducking of a certain junior in the pond, for allegedly supporting the freshmen in breaking of the commandments.

On other campi, collegiate initiations and hazings are often violent and even bloody at times,

Library Receives More New Books

The library has recently received three new books which are now available on the Pay Shelf. "The Seven Who Fled," by Frederic Prokosch; "You Can't Take it With You," by Moss Hart and George S. Kaufman, and "The Citadel," by A. J. Cronin, complete the list.

These books are chosen by Mr. Graves, the librarian, from lists published in the "Publishers' Weekly" which comments on the desirability of these books in a college library as well as reviews them.

Many of the books pay for themselves, and this method has been the means of procuring a greater variety of books for our library. Of course, the state allotments, (variable amounts each year) provide for books needed by various departments.

Former Humboldt Gridder To Play Here Saturday

According to word received from Harry Wineroth, former Humboldt student, now attending Polytechnic; the college has a very good football team this year, and Harry says they are already planning a campaign or plan of attack to defeat Humboldt State.

On September 24 Cal Polytechnic and Modesto Junior College played to a scoreless tie. During the first half of the game Harry received a cut on the chin, and was rushed to an emergency hospital where five stitches were required to sew up the wound. Harry's remarks were, "I got a little cut on my chin—they took two or three stitches, and my chin is a little sore; but I will be able to play next Saturday."

Harry sends his regards to all of his Humboldt friends. He also remarks that he will see us when Cal Polytechnic defeats Humboldt State.

LITERARY CORNER

THE AIRMEN

I see two airmen sailing by
Out on the dark and stormy sky.
Whence they are going,
I know not.
Whence they have come,
I know not.
I only know,
I see two airmen sailing by
Out on the dark and stormy sky.
Helen Woodcock

I often think, when we're asked
to pray
As we're told to bow our heads,
How fitting if we would lift our
eyes,
And bow our hearts, instead.
Phyllis Benbow

but personal feelings are always secondary to the class cause. The writer has never seen or heard of upperclassmen ducking upperclassmen while both freshmen and sophomores stood around wondering what it was all about.

Usually such pranks are outgrown after the embryonic stages of the first green years. Regardless of the facts of this particular case, should not any upperclassman have the right to act as he pleases and retain his individuality? And if his actions do not seem to uphold Humboldt traditions, should not his own respect for school laws rather than the snap judgement of any group, serve as his judge? At any rate, who has the right to duck him?

Yours for a little maturity in campus life,
A bewildered senior

CIVIL SERVICE EXAMS SET FOR THIS MONTH

Our college is again offering civil service information. We have received notices of many examinations to be given in the near future in order to find qualified applicants for positions in both United States and State Civil Service. The applicants for United States Civil Service Examinations must be on file in Washington D.C. not later than the following dates:

Associate Medical Officer, October 21, 1937.

Medical Social Worker, October 21, 1937.

Associate Botanist, October 21, 1937.

Assistant Botanist, October 21, 1937.

Associate Dentist, October 21, 1937.

Principal Animal Husbandman, October 28, 1937.

State Civil Service Examinations will be given on the following dates:

Calculating Machine Operator, October 16, 1937.

Junior Payroll Classifier, October 23, 1937.

Structural Engineering Office Aid, October 23, 1937.

Assistant Meat Inspector, October 30, 1937.

Institution Carpenter, October 30, 1937.

Carpenter, October 30, 1937.

Veterinary Meat Inspector, October 30, 1937.

Student Dental Intern, December 31, 1937.

Senior Dental Intern, December 31, 1937.

State Park Custodian, October 23, 1937.

Examinations for the following will be given in Eureka on October 16:

Janitor.

Junior Stenographer-Clerk.

Intermediate Stenographer-Clerk.

Junior Account Clerk.

Intermediate Account Clerk.

Junior Clerk.

Pre-Game Rally Successful

(Continued from page 1)

adequately describe the atmosphere. Short talks were given by Dr. Fisher, Earl Meneweather, Toy Ferin, Jim Harris, and Coach Charlie Erb. Mr. Jeffers, the man who can bet musical notes out of Humboldters as no one else can, led pepsongs; Rich Blackburn, the yell leader, led the group in yells that would feature the game on Saturday night; and Carl Owen was there with his band, which had several new renditions in its repertoire, appropriate to the occasion.

After the feed, a caravan was formed in front of the school; and the invasion to Eureka was started. After arrival in said town, a serpentine was formed in front of the County Court House, which proceeded through the business district, amid the smiles of approval on watching onlookers. After a rousing march through the streets, the group adjourned to the Occidental Skating Rink, where practically the entire party of Humboldt Students wound up the preliminary event of what we all hope is going to be H. S. C.'s best year of football victories. After Friday evening, the entire Student Body of Humboldt State was ready and waiting for the kick-off whistle on Saturday night which ended to the tune of 34-0.

The plans for the bean feed and rally were laid and executed by the Rally Committee with Rich Blackburn as chairman.

Student's Entries Win At Eureka Fair

Miss True Dolson, sophomore and pre-agriculture student at Humboldt, exhibited some stock at the First Annual Ninth District Agricultural Fair held last week in Eureka. Cora Belle's Rex, pure-bred Guernsey yearling bull, won third premium in the junior division and fifth premium in the senior division. Frannie, grade Guernsey heifer calf, won sixth premium in the junior division. Miss Dolson won tenth premium in junior division showmanship.

Dr. Howe Again Heads Committee

Dr. H. L. Jenkins, college physician, who is president of the Arcata Chamber of Commerce, has reappointed J. Wendell Howe, of the college faculty, as chairman of the Entrance Marker Committee. Mr. Howe was on this committee previous to his vacation.

This committee is working to beautify the entrances to Arcata. Mr. Howe has drawn plans which are now being studied by the State Highway Dept. Many trees are to be planted on both sides of the highway. The work is expected to be finished by Christmas.

Miss Elizabeth Fautz, '36, is now teaching at the Rio Dell School.

WEST POINT TO HOLD EXAM FOR ENTRANCE HERE

Resignation of a West Point cadet has created a vacancy for this district comprising 11 northern California counties according to correspondence received here from Congressman Clarence F. Lea at Washington D. C.

Requirements for appointment as listed by Lea are that applicants must be over 17 years of age and under 22 on the day of admission to the academy, and not less than 5 feet 4 inches in height.

Young men interested are asked to write to Lea at his Washington D. C. office, Room 1332 House Office Building before October 16. Following receipt of application, appointment will be made in 1939, Lea explained.

Two Former H. S. Students Wed In Eureka Saturday

On Saturday evening the marriage of two of Humboldt's former students took place in Eureka at the parsonage of St. Bernard's Catholic Church. They were Mary Jane Nelson and Clyde Brownlow. Mary Jane who lived in Eureka, and Clyde who lived in Ferndale both attended Humboldt until last June.

While in school both of the young couple were prominent in school activities; Clyde was active in athletics, taking part in both football and basketball. Mary Jane was a member of the A Cappella Choir and the glee club; she also was part of the tap-dancing team with Gail Byard, which performed many times for the pleasure of the students.

The next morning, Sunday, Clyde's brother Ernest, another former Humboldt Student took for his bride, Beatrice Shields of Ferndale at the home of Mr. and Mrs. W. A. Shields in Ferndale. The two brothers were best men to each other.
