## ART TEACHER'S EXTENSIVE EUROPEAN TOUR INCLUDED ALL CAPITALS OF CONTINENT

### Points Of Interest Included In Trips Of H. S. C. Teachers

Miss Johnson treated herself to a real vacation during the summer in the State of Washington. She visited friends and relations and included Seattle, Okanogan, and Hood's Canal, Washington, and Victoria, B. C., in her itinerary.

Mrs. Hadley spent part of her summer in Idaho. While in San Francisco she took lessons in tap and ballroom dancing.

Miss Ballew scorching in Texas for the first part of the summer, and then began a six thousand mile trek in search of a cool place. After visiting San Diego, Los Angeles, and San Francisco, she gave up and came back to Humboldt for a little enjoyment.

### W. A. A. To Hold Swim Party At Essex Tuesday

Tuesday evening the W. A. A. is holding a swimming party at Essex in honor of the Freshman woman. All college women are invited to attend. The event will take place rain or shine as rainy-day chairman, Hazel Nickols has made plans for a party that can be held indoors. Lois Hedley and Frances Poulson are general chairmen for the affair. Billee Fielding is transportation chairman and is assisted by the following girls: Margaret Harris, Virginia Belloni, Virginia Torp, Marjory Cropley, and Rose Marianne Flowers. Marjory Hyner has charge of the food and Gladys Marke is publicity chairman.

### Second English A Exam Set For Friday Morning

A second examination in "English A" for students who entered late will be held Friday of this week at eleven o'clock in Room 200. All new students are expected to take this examination unless they have credentials showing that they have passed it elsewhere or have taken a course in "English A" in another college.

Joe Daly, '37, is teaching in the Eureka Junior High school.

### HOTEL ARCATA COFFEE SHOP

"Where the best of Food is Served"

WE CATER TO PARTIES AND BANQUETS

Reservations Phone 76

Mrs. Little of the Art Department took a trip abroad this summer, and some of the interesting details of her trip are here reported. Although Mrs. Little was primarily interested in Art, she was also very interested in the lives of the people in the different countries.

Sailing from New York on the "New York," Mrs. Little's first stop was Germany. She found Berlin a very clean and beautiful city. There are many new buildings and the city is very modern and up-to-date. Progress is the keynote. The people, though, are very sober and serious. They are busy but seem to have no joy in their work. The Art found in Berlin was of two kinds. There was much good, old Art, but there was also many, new and interesting paintings, Architecture and Landscape Architecture. From Berlin Mrs. Little went to Dresden, the city famous for its chinaware. The people here seemed much more lively than those in Berlin and were able to laugh and sing.

Prague, Czechoslovakia, was the next stop. The Czechoslovakians are devoted to the United States. They have copied our Constitution and our government. Here Mrs. Little saw a large statue of Woodrow Wilson, the largest she had ever seen. The hotel where she stayed was called Hotel Wilson. These things made Czechoslovakia seem more like home than Germany. Prague was the only city where the hotel manager met the travel group and personally conducted them through the Modern Art gallery. He appreciated the

(continued on page four)

### Physical Ed Required Of All Students

By college regulations every student carrying twelve or more units is required to take physical education, unless excused by Miss Ann Craig, director of health and physical education. A check is to be made in the office shortly to ascertain whether all students have complied with this regulation.

### Freshmen Given Initial Frolic Friday At Noon

The Freshmen were successfully rounded up Friday noon for an hour of frolic and (for the rest of the school) fun. Lunch was served by the Women's Hospitality Committee and afterwards there was folk dancing in the inner court. Miss Ballew and Garff Bell Wilson then addressed them.

### College Y To Open Yearly Program With Wienie Fete

The College "Y" is opening its yearly program with a party which will be held at Council Crest, September 28. Weenies and buns are to be brought along by the picnickers and the "Y" cabinet will furnish the coffee and watermelon.

## Charlie Erb

## FOOTBALL WINS CAMPUS FAVOR AS MANY CANDIDATES TURN OUT FOR POSITIONS

### Faculty Gives Welcome To All New Students

The President and the faculty welcome the Freshmen and the new students. They believe that college life and college education are invaluable to young people. They believe that Humboldt is a good place for students to attend. May this be a good year for all of you.

### Governor Honors H. S. Freshman As Best Farmer

Leslie Ferrian, who entered the Humboldt State as a Freshman last week and who hails from the South Fork has been figuring quite prominently on the front pages of the county newspapers recently. While attending high school Leslie went in for raising prize sheep, cattle, and goats. Last week at the State Fair, Governor Merriam was so impressed by the beauty and tonnage displayed by Leslie's animals that he named Mr. Ferrian the most outstanding future Farmer in the state of California.

### Frosh Rules Are Posted By Sophs

While flocks of fledgling freshmen feared and fretted, the Sophomores held their first meeting of the year. The business of electing class officers for the new year was the first order of the day.

Those elected were: President, Elwain Dreyer; Vice-President, Bud Villa; Secretary-Treasurer, Frank Saunderson. Next, rules and regulations for the freshmen to follow were drawn up and posted on the board immediately after the meeting. Two vigilante committees, one for boys and one for the girls, were appointed to see that there would be no infringement of these laws.

The rules are there for all to see, but what the punishment is NOBODY KNOWS.

### New Science Prof Makes Who's Who

After a long absence from Humboldt State, Dr. Doris Gillespie has returned to substitute for Mr. Poultny, former biology and zoology professor, during his illness. Since her last year at Humboldt, 1928, Gillespie has been married. She also spent four years in teaching at Arizona State Teachers College, and a year at Harvard continuing her studies. Her home has been Eureka for the past several years. Mrs. Gillespie was this year listed in Who's Who.

King Football, attended by Prince Charlie, came thundering into Arcata last week. With the arrival of this pair also came enthusiasm, color and activity. The campus is buzzing with conversation and the topic being discussed is the King. Long live the King!

Back from Hollywood with some flashy clothes and a new line of anecdotes, Charlie (I'll-be-alright-in-the-morning) Erb is looking forward to his best year at Humboldt. Let's hope for a perfect season.

Incidentally, girls, that cute one over there isn't on the squad. That's Charles Erb Jr. whom the boys affectionately call Charlie, master of Humboldt's football destiny. He's married,

The football squad came back dressed like a bunch of Hollywood gigolos. In about two weeks they will all be wearing sweatshirts and cords.

We think Charlie deserves the

(Continued to Page 4)

## STUDENTS CO-OP OPENING SET FOR TUESDAY

Talented amateurs from the ranks of Humboldt students will compete for valuable prizes at the grand opening of the college fountain next Tuesday noon. To date, five aspiring entrants have registered, and applications are flooding the chairman's wastebasket. Prizes will be tasty merchandise from the new dispensary.

In addition to the amateur contest there will be music for dancing by an eight piece band, playing special "killerdiller" arrangements by Benny Goodman. Prizes of delectable dainties will also be given to the fanciest and most sensational dancers appearing on the floor.

The event is in celebration of the gala opening of the new co-operative book store and fountain in the south wing. Ladies will be admitted free and gentlemen complimentary. Dancing will start at 12:15 sharp. President Bob Madsen promises everyone 45 minutes of real entertainment and fun. Be sure to attend!

## SINGERS TO TRY FOR PLACE IN A CAPELLA CHOIR

Tryouts for membership in the Humboldt State A Capella Choir are being held this week for selection of the thirty-two voices needed. There are more veteran members remaining in the organization this year than ever before, leaving a better nucleus upon which to build, according to Edmund V. Jeffers, director. The first choir meeting will be held on Thursday evening.

## FACULTY MEMBERS INTRODUCED AT STUDENT MEETING

A welcome to the freshman class was extended at the first student body assembly last Friday. Dr. Balabanis spoke briefly on college life after which President Gist introduced the new and returning faculty members, who responded with a few words. Those introduced were: Dr. Fisher, Mrs. Walters, Dr. Gillespie, Dr. MacGinitie and Mr. Howe. Myron Schussman played two violin solos, accompanied by Virginia Nelson. Student body president Bob Madsen presided over the meeting.

### School Auditorium Will Soon Have Alterations

Plans are being made for alterations in the college auditorium says an announcement of the Humboldt College Players. The rear seats will be elevated and good ventilation will be provided for all parts of the house. In this way every seat will have a good view of the stage, and in no place in the auditorium will the air be stuffy.

## DR. LANPHERE NOW IN NORTH

Dr. Lanphere, former Botany professor at Humboldt State, has recently been elected to a permanent position on the staff of the Bellingham State Teacher's College at Bellingham, Washington. This city is approximately one hundred and twenty-five miles north of Seattle on Puget Sound. Dr. Lanphere will teach a biology course in that college.

## Hi Frosh!

It looks like a gala year for Humboldt. Freshmen have appeared miraculously from everywhere. Ferndale, Fortuna, Eureka, South Fork, Garberville, Benbow and points north, south, east, west have all contributed their delegates. And most cordially do we welcome you. Take off your hats, park your gum, pull up your shoes and make yourselves at home.

Let your opinions be heard in all student body discussions. Raise high your vocal chords on our collegiate do-re-me-o. Make your presence felt as well as heard at every football game. After the tumult of initiations has died down you will be surprised to find out how really glad the rest of the school is to have you here.

## Brown Spots

There is a reason for everything even the brown spots on the lawn in the inner court. No, they didn't raise a crop of hay there this summer and let the hay stacks sit on the ground like some of our farmers have surmised. The reason for the spots lies in two facts. First, the sprinkling system is getting a little old and the spray doesn't completely overlap leaving a small space unwatered. Second, the students, here at the summer school used the Court for athletics, leaving it a bit the worse for wear. There is no cause for worry. Fall rains are due anytime now.

## Let's Settle Down

Now that Summer of 1937 can be gently packed away in mothballs, it is time for loyal Humboldters to direct their little grey cells once more to the business of Readin', Writin', and the Pursuit of Knowledge. Forget if you can, about sun-kissed beaches and lazy summer days, and get yourselves into the "Life-is-real-Life-is-earnest" mood.

A college is like a cafeteria with Learning stacked in a neat rows ready to be consumed. It is a sad, sad fact that many do not get their money's worth. They order a chicken pie and then content themselves with nibbling on the crust. Be thrifty. Be smart. Get what you pay for.

Confucious once said: "Learning without thought is vain: thought without learning is dangerous." Confucius really had some pretty smart ideas. The Chinese have thought so for many years.

## CAMPUS CHATTER

### Jabberin' by Jinger

Hello again—and right this way for the choicest and juiciest scandal. Freshmen freshmen everywhere and are they green! The Sophmores held a meeting Thursday noon and considered just what the fate of these poor creatures of Frosh, would be, and believe you me it will NOT be mild. The Sophs remember very vividly the green and gold beards and how they tickled, and the fish pond duckings—yes, yes my children you have my deepest symphy. And speaking of freshmen have you noticed the little blond that Roy Grand seems to have an option on? Oh no, this is nothing new—it has been going on several years, five I believe—Dona hails from dear old Arcata Hi—and ask her to tell you about the Spanish boys she met on her voyage to New York this summer. It's really good! Another coed who reports a marvelous vacation is our little Scotch lass, Sophie MacPherson. From the sound of her tales those Scotch lads didn't seem to show their famous characteristic while she was around. But Sophie still has a soft spot in her heart for the Navy—namely one LeRoy Starkey, who by the way, hitch-hicked 150 miles through the Mohave desert to see her enroute to Korbelt from

Scotland—that's devotion for you. What is the gag Carl Owen is trying to pull this time? Running around with one shoe on and one shoe off, depicting nursery rhymes Tsh, tsh, Carl, back to your baby days? Have you seen that cute little number from Fortuna that caught Deerings eye? Rita Sandlin is the name.

With all these gorgeous gals and handsome males we should have a grand old time a H.S.C. this year. But nevertheless we do miss: "Ole" Mathisen and her cheery smile; Katie Wrigley's "hello there;" Merle Morton's giggles; Walt Schocker and his sax; Junie Sprague's chatter, (how about it Chuck?); Audrey Morrell and her ivory tickling; Stan Colwell's humor (?); Harry Wineroth and his practical jokes; Tommy Tinker and Hector; Yes, it does seem funny without them. To you new students and Frosh, a hearty welcome to Humboldt (and my column I hope.) AND puleez do something exciting soon so this poor old news hound will have some juicy jabbering to do. Before signing off, Have you seen "Sadie?" If not it's that green and gold spectacle at the foot of the front steps, and for your further information is owned by Deering, McCready, Johnson, and Emmenegger Inc. So until next week ....bye now.

## Teacher's New Home Ready By October First

For Mrs. Folsom this summer has made a cherished hope into reality. Her home in the past only an image created by her mind, has become a reality. The change was not as easy as it sounds. First the plans had to be made. Mrs. Folsom planned the house herself with the help of her contractor, Mr. Frank Johnson.

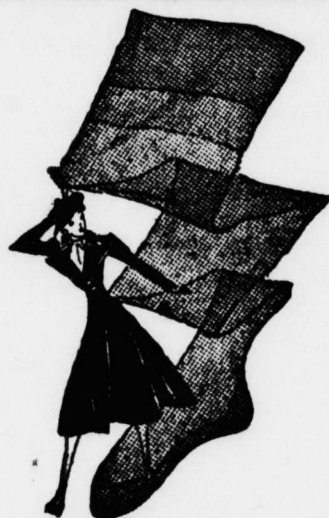

After the plans were completed, the work began. There were numerous decisions to be made. What to have and what to do without! The house is nearing completion now, and Mrs. Folsom hopes to move in the last of October.

The house, modern in style of architecture, is a study in balance and symmetry. Inside, a living room, kitchen, two bedrooms, and bath, are found above the basement and garages below.

The chief joy of the house, according to Mrs. Folsom, is the corner of her living room which is formed by two large windows. The view infolded through these windows spreads across the Arcata Bottom to the sea.

Beware you English students! Mrs. Folsom's own room will be completely equipped with desk, bookcase, and glass windows that permit the passage of Ultra-violet rays. She can sit and absorb Vitamin D as she corrects English themes.

Do we dare suggest an "open-house" someday after November

## Be A Glamour Girl

You don't want to sit out every dance, well, not everyone anyway, do you? You want them to laugh when you stand up to talk. How would you like to WOW the stag line? Of course most every Humboldt girl votes yes to all these propositions. Then you girls will be interested in Daly's Course "How to be a Glamour girl in 10 lessons. Let's start in with No. 1 lesson right now. How To Be a Glamour Girl lesson No. 1 are the new Phoenix Vita-Bloom Chiffon Hosiery. That give your legs the Eleanor Powell look and definitely do things to your personality, besides they cost only 89c a pair.

## DALY'S

## COMEDY TO BE FIRST PLAY OF SCHOOL SEASON

"The Bishop Misbehaves," a three act comedy by Frederick Jackson will be the first production of the Humboldt College Players, said Garff Bell Wison, dramatics director, today. Tryouts were held last week resulting in the following tentative cast:

Red Eagen, Laverne Elmore; Donald, Roderick Belcher; Hester, Beryl Unsoeld; Guy Waller, George Inskip; Mrs. Waller, Phyllis Benbow; The Bishop, Richard Jarboe; Lady Emily Lyons, Violet Susan; Frenchy, Norman Grumert; Mr. Brooke, Jock Schmidt; Collins, Leslie Fearrien. The first rehearsal was held Monday night.

## Program Changes Must Be Okayed By Dean, Advisor

New students are asked to familiarize themselves with the college regulations for changing one course to another, or for adding or dropping courses, Maurice Hicklin, dean of the lower division, said yesterday. No student should make any change in his courses without the approval of his advisor or without filing an approved petition in the office of the dean. Petition forms for change can be found on the counter in his office.

## Units For Class Standings Again Explained To All

Students frequently ask the Recorder's office for information concerning their class standing. Students having less than thirty semester units of credit are classified as freshmen. Those having from thirty to fifty-nine semester units are classified as sophomores; those having from sixty to eighty-nine units as juniors; those having ninety or more as seniors.

## New Professor Hails From L. A.

Our newest prof, Dr. Fisher, is from Los Angeles. He spent his first two years in College at Yale, moved to California and spent his Junior year at UCLA. At UC he finished his graduate work and his work towards his Doctor's degree.

He also has had four years of experience in teaching history, 4A and 4B at UC. He spent the summer doing research work in Russian history for Prof. R. J. Kerner of the Dept. of History at Berkeley.

When interviewed, the Doctor reiterated his pleasure at being in a smaller college where more personal contacts with the students are possible. Dr. Fisher has plans at present of finishing his Dr. thesis on the Russian fur trade into book form.

Kathryne Haley '37, is teaching in the Forest District school at Willow Creek.

## COLLEGE AIR PROGRAMS TO BE IMPROVED

"We want to give the students the best radio programs this year that our student talent will permit," said Keith Emmenegger student chairman of the college radio programs, last week.

Keith was then winging his way, airily, from prospect to prospect as he garnered in new and old student material for the initial broadcast. The first program will be at seven p. m. Wednesday, Sept. 22. As the reporter begged for details Keith capably replied, "We think we have something good, but we do not want to do any boasting. You had better listen in and hear for yourself."

With this Keith departed with three harmonizers for a rehearsal. We do know, however, that President Gist will speak; that there will be sports news; that Charlie Fulkerson and Marthabel Scott

## FACULTY TEA HELD AT GIST HOME THURS.

To welcome the new fall term in the proper manner, and to get the instructors off to an enthusiastic start, Mrs. Arthur S. Gist, wife of our president entertained at a faculty tea on Thursday afternoon at her home. Assisting Mrs. Gist in greeting the faculty men and women, old members and new, was Mrs. Edmund V. Jeffers, and Mrs. Fred Telonicher. At the beginning of each fall term, Mrs. Gist extends her gracious hospitality at teas, first to the faculty and then to the new freshmen.

Presiding at the attractive tea table, covered with madeira linen, with a centerpiece of rust, yellow and orange zinnias were the wives of four faculty members, namely: Mrs. J. Wendel Howe, Mrs. Homer P. Balabanis, Mrs. MacGinitie and Mrs. Leo G. Schussman. The small tea cakes which were served were of the college color scheme, green and yellow.

The college girls who aided Mrs. Gist in serving were Marjorie Wing, Marion Swap, Frances Poulson, Eleanor Buck, Barbara Johnson, Mary Scholl and Valerie Barker.

The invited faculty members were the following: Mrs. Little, Dr. Gillespie, Mr. Howe, Mr. MacGinitie, Mr. Bert Wilson, Mrs. Carstens, Miss Dickson, Miss Ballew, Mrs. Folsom, Mr. Hicklin, Mr. G. B. Wilson, Mr. Jenkins, Mr. Arnold, Miss Johnson, Miss Garvin, Mr. Jeffers, Miss Dale, Mr. Telonicher, Miss Craig, Mrs. Hadley Coach Erb, Dr. Fisher, Dr. Balabanis, and Mr. and Mrs. Graves.

will play the piano.

There will be a new song hit, and several other features not yet announced.

Jane Cotter, '37, is teaching at Bridgeville.

## Withdrawal With No Explanation Is Frowned Upon

"French leave" is frowned upon just as much in college as it is in the army. If you must leave, let us know about it, the administration says.

In other words, students who are are compelled to withdraw from college before the end of the semester should file a petition for a withdrawal with Mrs. Ruth Carstens, recorder. Leaving without notifying the office may result in a list of failures on the student's record which may prevent his return to Humboldt or his transferring later to another institution.

## Senior Graduating Candidates Must Sign Up With Dean

All students expecting to graduate from Humboldt State College this year...either at the end of the first semester or in June...are requested to sign up in the office of the dean, according to the catalog regulation, which reads as follows:

"Students should notify the dean of their candidacy for graduation not later than the beginning of the senior year. This notification makes it possible for the student's record to be checked and for the student to be notified if current student programs do not fulfill graduation requirements. Failure to make proper application may cause a delay in graduation."

## "To Horse" Is Cry Of G.B.W., Riding Artist

Garff Bell Wilson, popular dramatic coach, has always had a secret desire to be master of a horse. When he returned home this summer after teaching at summer session at San Diego State he found that his two younger sisters were taking up horseback riding. Not to be outdone he duly enrolled in a riding academy and was given "Morgan" the second oldest nag in the place to start on.

They would have given him "Paint" but old "Paint" was blind in both eyes. "Morgan" who never got out of a slow walk proved very easy to master and so he was graduated to "Molly" with whom he got on much better.

When Mr. Wilson reached the cantering stage he graduated to "Cotton" and he ended his enrollment in a blaze of glory when they awarded him "Joe Louis" a high spirited prancer. So now, he goes through the halls singing "Boots and Saddles," the picture of a satisfied man who has at last found his true station in life.

## New Manager Of Commons Oldtime H.S.C. Teacher

Mrs. Walters, remembered by many as Miss Ellen Johnson, has returned to Humboldt State after years in the capacity of the Colan absence of three and one-half lege Commons.

Mr. and Mrs. Walters with their twenty months old daughter plan to make their home permanently in Arcata, where Mr. Walters is opening a Real Estate and Insurance office. Since she has been gone, Mrs. Walters has lived in Portland and Salem Oregon.

## "MESSIAH" TO BE MAJOR PROJECT OF MUSIC DEPT.

"The Messiah," famous oratorio by George Frederick Handr, will be the major project of the music department at Humboldt this semester, according to Edmund V. Jeffers, musical director. The great work will be sung by a chorus of about one hundred voices, featuring two male and two female soloists, with accompaniment by the little symphony orchestra.

The oratorio will be presented sometime near the Christmas holidays, according to present plans. Musical organizations participating will be the A Cappella Choir, The Men's and Women's Glee Clubs, and the College Little Symphony. The presentation of "The Messiah" is a continuation of the music department policy of giving one combined concert during the first semester. In 1935 the opera "Carmen" was performed; and last year, the opera "Faust" in concert form was sung. According to Mr. Jeffers, "The Messiah" is technically more difficult than either of the previous productions.

Clarion Moxon, '37, is teaching at Hayfork, in Trinity county.

Marie Nordquist, '37, is teaching in the Arcata Grammar school.

## SNAPPIEST PEP BAND IN SCHOOL HISTORY TO BE ORGANIZED; CARL OWEN DIRECTOR

The biggest and noisiest pep band in the history of Humboldt will be heard on the campus this year according to a statement made by director Carl Owens following their first rehearsal Thursday. A novel addition to the organization will be an expert drum major to lead the band. Several candidates for the post are being considered, among them Harley Bradley, Albert Gilman, and Joe Gump, all with high school experience.

Personnel of the band this year consists of: Warren Elmore, Annette Parton, Matthew Fountain, trumpets; Laverne Elmore, horn; Al Pollard, baritone; William Inskip, bass; Charles Fulkerson, piccolo; Marion Swap, Stuart Foster, Ray Pedrotti, Alta Lester, Donald Malone, Jack Schmidt, Jeanette Christiansen, clarinet; George Lowry, Geno Biondini, Bill McCready, Norman Grunert, saxophones; Gerald Geiger, Robert Ferguson, Sherman Washburne, Jack Davis, trombones; Myron Schussman, Charles Arnold, Maxine Maxwell drums.

Ethel Bjorklund, '37, is teaching in the Fortuna public schools.

## Art Teacher's

(Continued from Page 1)

art of his countrymen and wished to explain it to them.

Then to Vienna, Austria, where the world renown Cizek School of Art is situated. Prof. Franz Cizek talked to the group for 2 hours personally explaining the work of the school and also showing them illustrations to be used in his new book to be published in New York soon. From Vienna Mrs. Little travelled down the Danube River to Budapest. Now the "Beautiful Blue Danube" isn't blue; it is muddy; Nor is it called the Danube; it is called Duna from which the song "Duna" receives its name.

Budapest, Hungary, was one of the nicest and most interesting cities that Mrs. Little visited. In reality is two cities, one on each side of the river, Buda and Pest. Each city is distinct in itself with its own history and customs.

Italy came next. Italy the great Art center of all times, and also a shopper's delight with its glass, lace, leather and gloves. Venice with its water ways was most unique. The only streets on land are very narrow being from four to six feet wide. They are used only for walking. All other travel is on the waterways. The next city visited was Florence which alone holds enough art for a years study. Three days stay there was enough to give a few "high spots." Leaving Florence the small hill towns of Italy were visited by the traveler. Of these, Perugia was the most beautiful. It combines the very old and the very new. The people love their traditions and are eager and willing to please the tourists.

Rome is rising in new splendor. Mussolini has built a new Forum, called the Mussolini Forum, which is used for the physical training of the youth. The Forum which is only half complete is constructed much the same as the old one being ornamented with many statues, which is typical of all of Rome. Each state in Italy gave a marble statue to grace the Forum. Many beautiful apartment houses are being constructed in Rome. Much is being done to help the poor. Mrs. Little attended a concert in the old Roman Baths for the price of only fifteen cents. The music was selected from the best of the classical composers. The ruins were lighted, and the orchestra, so large that it utilized twelve bass viols, was placed in an old arch. The effect was on not easily forgotten.

After Rome the traveler reached Milan. The chief points of interest were the Cathedral and Leonardo da Vinci's Last Supper.

Next Mrs. Little visited Switzerland, not for the background, but for the present day activities and the beauty of the mountains. The trip from Interlake to the foot of Young Frau was especially beautiful. Riots of flowers bloomed along the road as the mountain was ascended. The wood carving, embroidery, and books in the Swiss shops were particularly charming.

Then Paris, the high point of the trip, Mrs. Little attended the International Art Congress which was in session there. The talks were given in three languages, French, German and English. One very interesting and unusual session of the Congress was held in the Louvre. The states were all lighted producing magnificent effects. The Congress opened with a large reception which included a fine orchestra, lots of French speeches, and plenty of champagne. From Paris Mrs. Little went to Belgium and Holland. Holland, in

## Football Wins Campus

(Continued from Page 1)

palm for his offering at Friday's assembly, but.....When we heard the joke it went 'college president' and not 'college professor.'

Rumors have it that Butch Caviness, erstwhile captain of Humboldt's '34 and '35 squads is returning to complete requirements for his degree. He has been quoted as saying he would like to earn another honor sweater at Humboldt. The Erb doctor will welcome him with open arms.

Saw Jim Harris and Futz Littlejohn putting in the new Humboldt "turf." It is rumored that the boys are working off the mortgage on the home before donning the mole skins for dear old Southland — I mean Humboldt.

An official roster of the football squad has not yet been published. But as we go to press the following men have been working out: Earl Meneweather, Snooky Edsall, Bob Madsen, Bill Farber, Jack Ellis, Vernon Thornton, Nick Barbieri, Harry Langdon, Pooky Saunderson, Franny Moore, Herb Gomez, Phil Littlejohn, Moon Mullins, Jim Cady, Art McGrath, Ronald Collier, But Sullivan, Darrel Schorlig, Hank Givens, Jim Evans, Harry Foster, Al Stapp, and Amadeo Sandretto.

Prominent among the missing are: Toy Ferrin, Jungle Jim Harris, Windy Moore, Frank Simas, Fred Sievert, Woody Uttke, and Ely Sandstrom.

And there was the freshman football player who took a physical exam the other day, and when asked if he had taken the Schick test replied, "No, thanks, I'm satisfied with my straight razor."

particular, took her fancy. The people seem calm and unaffected by world politics and crisis.

Across the English Channel England, Wales, Scotland, and Ireland were visited. In England Mrs. Little attended two performances given in the Shakespeare Memorial Theater. One was a presentation of old English dances and songs; the other was King Lear.

Then homeward over a smooth sea on the SS Columbus.

Amy Anderson, '37, is teaching at Mina, in Mendocino County.

Marjory June Brenner, '37, is teaching in Ferndale.

Ethel Carrol '37, is teaching in Crannell.

## FROSH BEAUTY TO VANISH FOR ONE FULL WEEK

Even before the "fun" starts for the Freshman, to say nothing of the fun in store for the Sophomores, the Frosh girls at Sunset Hall, otherwise known as the Dorm, have had grave consultations concerning their sad, sad plight. Thursday evening, last, many words were spoken at a Frosh bull session, about black stockings, no makeup, various and sundry other items, which those insignificant beings have to put up with.

One girl went so far as to call up a Sophomore in Eureka (at the cost of ten cents to herself) to find out just what would happen should the freshmen gals neglect to wear above mentioned stockings, and what would happen if they did. Inasmuch as it wouldn't be the most ethical thing to do, names will be omitted.

However, she happens to have a part in the first fall play to be put on by the Dramatics department, "The Bishop Misbehaves."

But Dorm Freshmen aren't the only perplexed individuals. The younger sister of one of our tennis players and a prodigy of Mr. Wilson is quite disappointed about the fact that her shapely (?) limbs will be swathed in black lisle for a period of one week. Another frosh girl is going to do things up correctly, a la middy, skirt, and black

hose.

These are just a very few fore-hand observations dealing with the plight of the Frosh—all being preliminary to THE gala day, when the Freshmen become the most welcome guests of the Sophomore class in the Gym.

Girls, Freshmen of course, beware of that little red notebook; it greatly concerns your destiny as a good, bad or indifferent member of the Freshmen class.
