Two Demonstration Schools Included In Summer Session

Two demonstration schools will be maintained during the Humboldt State College summer session. They will be held from 9:00 until 11 o'clock each morning.

One is to be the one-room rural type and will be held in the College Elementary School building in Arcata. Students enrolled in Education 139, Section 1, and Education 139A will be eligible to observe daily in this school. The work will be planned to demonstrate how an activity program based upon the needs, interests, and abilities of children can be carried out in the one-room rural school. Miss Belle L. Dickson, Supervisor of the Upper Grades, Humboldt State College Elementary School, will be the teacher of this school.

The other will be a school of the grade type and will be held in the Eureka Junior High School through the courtesy and cooperation of the Eureka Board of Education and Superintendent of Schools. This school will consist of two rooms—one for grades 1, 2, and 3, and one for grades 4, 5, and 6. Observation in this school will be open to students enrolled

WOMEN STUDENTS MAY FORM ORGANIZATION

The committee selected for organizing an Associated Women Students group at Humboldt State College will meet on Wednesday, April 19, at 12:30 in the office of the dean of women.

Members of the committee include Dorothy Hunt, Sue Wilson, Ada Dean Regli, Thelma Baker, Ida May Inskip, Barbara Crnich, Edith Jennings, Helen Connick, Eva Mathisen, Bessie Boehne, Rosie Ivancich, and Mrs. Monica Hadley.

Music Festival To Be This Friday

The annual Humboldt State College music festival for high school students under the general direction of Miss Helen Garvin and G. Dana Kinsman, will be held Friday afternoon and evening of this week; the afternoon program will be held in the college gymnasium beginning at 1:30 and the evening program in Eureka Junior High School auditorium beginning at 8 p. m.

High school and organizations which will participate are as follows:

Eureka: Band, orchestra, glee club, senior high girls' glee, senior high boys' glee, senior high boys' triple trio, junior high mixed chorus, and junior high boys' quartet.

Arcata: band, chorus, and a capella choir.

Fortuna: band, little symphony orchestra, a capella choir, girls' glee club.

Ferndale: double trio.
South Fork: glee club.
Hoopa: band.

FORMER STUDENT FILES INTENTION TO WED

Frank "Pee Wee" Dearing, former Humboldt State student has filed intention to wed Frances Marie Antoine of Coeur d'Alene, Idaho at the office of the Humboldt County Clerk.

While at Humboldt Dearing majored in commerce and last year went to Idaho where he was employed. Upon returning to Northern California Dearing has been employed at the Samoa office of the Hammond Redwood Company. He was a member of the original H. S. C. Big Apple team and a member of the A Cappella Choir where he was a soloist.

Following their marriage, the couple plan to reside at 1710 E street in Eureka.

Jack Walsh, former Humboldt State student now attending the University of California, was general chairman of the Bowles hall picnic held on Saturday April 1, at Walnut Creek. Walsh was placed in charge of the picnic because of his experience received as a committee member of the Men's Association picnics while attending Humboldt. Bowles hall is a men's dormitory at U. C.

Verne Cooperrider and Roger Batti were among the many Humboldt State students who visited Treasure Island during spring vacation.

College Trackmen Leave For Meet This Friday

Saturday at San Jose, Humboldt State's track team will make their first effort in big time competition when they meet San Jose and Cal Poly in a three-way track meet. It will be Humboldt's first track meet of the year, and the first since Humboldt defeated San Rosa J. C. two years ago. Eleven men will make the trip, but the exact travelling team will not be known till later this week. However, the team will be selected from the following men who have been out for track regularly: Fred Hibler, 40; Verne Thornton, field events; Wally Lozensky, mile; Snooky Edsall, 880; Don Mahan, sprints; Henry Trione, sprints; Richie Davis, 440; Len Longholm, pole vault; Al Biondini, hurdles; Marshall Rousseau, mile; Bob Madsen, mile; Rod Belcher, hurdles and two mile; Lee Flink, javelin; and

Cast Announced For College Play

The cast for "Her Master's Voice," to be presented April 27, was recently announced by Theodore Little, assistant professor of speech.

The characters are, "Queen," Edith Jennings; "Mrs. Martin," Jean Hood; "Ned Farrar," Donald Falk; "Aunt Min," Charlene Renfro; "Craddock," James Rasmussen; "Mr. Twilling," Caspar Torp; and "Phoebe," Wilma Peugh.

The assistant director is Eleanor Duck; Catherine Caloit and Helen Woodcock will have charge of properties. The set, which is under the supervision of John Van Duzer, is nearing completion.

The San Francisco play "George and Margaret" under the direction of Jessie Casebolt will be presented April 23.

STUDENT TAKES ROUNDABOUT COURSE

Maurice Davis, a Humboldt student, took a different route from most of the students from Humboldt State College. Instead of going to the fair at San Francisco, he went to visit his parents at Yreka, California. After spending a few days with his parents, he went to visit his aunt and uncle at Klamath Falls, Oregon. He returned here by way of Grants Pass, Oregon, at which place he stopped to visit his grandparents.

ON BUSINESS TRIP

Bus Foster, State student and local Arcata business man, spent the weekend in the bay area on a business trip.

Bus who has just purchased a home on the outskirts of Arcata, went to Oakland to bring back some household equipment. He returned Sunday evening.

SENIORS GIVE DANCE

The first in a series of noon dances, sponsored by the senior class was given on Friday with Pedro Elmore's boys furnishing the music. These dances will be continued with one being given weekly.

CAMPUS WORK DAY PLANS ARE COMPLETED

Plans for Campus Work Day are progressing rapidly, according to the report given by the General Committee composed of Bob Madsen, Don Pedrazzini, Ralph Hinkley and Jeanette Christiansen.

The committee at present is drawing up projects and would appreciate suggestions for Work Day. Next week the committee will consider and complete work preliminary to the official Work Day, May 26.

Student Teachers Assigned Classes

Student teachers training in the College Elementary School have undergone the mid term re-distribution of classes.

Francis Poulson now has the kindergarten class. Gerald Geiger and Jean Lawyer have the first grade. Marjorie Bull and Vesta Marke have the second grade; Lanette Gregory has the third grade. Nathalie Brenner and Robert Madsen have the fourth grade. Grace McManus and Helen Gruhn have the fifth grade. Blanche Lowry and Franny Moore have the sixth grade. Glenn Waldner and Walter Schocker have the seventh grade. Edith Nellist and Lois Watkins have the eighth grade.

Miss Eleanor McKay is the supervising teacher of the lower grades, and Henry Cluxton and

VIRGIL HOLLIS HAS CHARGE OF ASSEMBLY

In an assembly held at the College Elementary School last Thursday pupils joined in the singing of spring songs and Virgil Hollis showed and explained several movie reels taken of birds by Ralph Graves.

The pictures were of blue cranes, sea gulls, and other local birds. There was a scene of ducks and mud hens on a lake near Freshwater. Songs that were sung are, "The Coming of Spring," "Beautiful Spring," and "Welcome Sweet Springtime."

KAMPUS KOEDS PLAN TEA ON MOTHERS DAY

A talk on "How to Give A Tea" was given by Carol Hine at a regular meeting of the Kampus Koeds on April 10. The members of the group are planning a tea in honor of their mothers to be given on Mother's Day.

Among those present were: Marion Kemp, Joy Stockton, June McCombs, Alberta Starkey, Helen Arnold, Beth Nixon, Shirley Davis, Evelyn Lehrman, Jeanette Anderson, Ada Dean Regli, Mary House, Carol Hine, Dorothy Fountain, and the advisor, Mrs. Raymond Fisher.

VISIT S. F. FAIR

Milton Carlson and Warren Haughey accompanied the Dr. Harry MacGinitie on his trip to the University of California during Easter vacation. While Dr. MacGinitie was doing research work at the university, Carlson and Haughey took in the fair at Treasure Island.

Harry E. Griffith Will Be H. S. C.'s Assistant Coach

"Harry Griffith is swell guy and a producer of championship teams. He is a prince."

These were the words used by Sherman Washburn, Humboldt State student and former resident of Riverside, to describe Harry E. Griffith, former University of California at Los Angeles star athlete who is coming to Humboldt next fall.

At present Griffith is head coach of basketball and baseball and also football line coach at Riverside Junior College. He is six feet-one, is thirty years old, weighs 190 pounds, is married and has two children.

While attending U. C. L. A. Griffith competed in football, basketball, and baseball until his junior year when an injury forced him to stop competing in varsity sports. Griffith was baseball captain and pitched for the U. C. L. A. team. He was accredited with defeating the Stanford nine 1 to 0. He has a master's degree from U. C. L. A. Besides having charge of practical classes and other class room teaching, Griffith will coach basketball and baseball and assist Coach Herb Hart with football.

Because of the resignation of Miss Ann Craig of the physical education department, effective at the end of the present semester, it was necessary to reorganize the department to a certain extent. In addition Humboldt this year, President Arthur S. Gist pointed out, for the first time in its history now has more men than women students and men's athletics is requiring more faculty assistance.

Annual Conference By Y. M. C. A.

The Y. M. C. A. will hold its fifteenth annual Older Boys Conference at Humboldt State this Saturday. The theme of the conference will be "To Thine Own Self Be True."

Registration will start at nine o'clock. Program highlights will include an address at the morning session by Dr. Raymond H. Fisher on international affairs, a speech by Rev. Gary Rousch of Fortuna in the field of personal living, and a panel discussion on democracy conducted by President Arthur S. Gist. The boys will have a period of recreation from 4:30 until 6.

Officers of the conference are president, Stanley Roscoe, Eureka; vice-president, Warren Johansen, Fortuna; secretary, Bradley Barnes, Arcata; and treasurer, Elmo Guilleri, Ferndale.

If its good eats you want and plenty of it stop in and see Bus Foster.

A GOOD CAUSE

At last a group of students have aroused themselves to give the students of Humboldt some noon entertainment in the form of noon dances, something the school has had a crying need for sometime.

The senior class will sponsor a noon dance every week in the little gym. The admission will be only ten cents per person. All dances are tag dances and the music is good so everyone should turn out and put these dances over.

The senior class is sponsoring a popularity contest in which the votes are to be bought for one cent apiece. You can vote for anyone as long as you pay one cent.

THE MEN'S ASSEMBLY

One of the men faculty members of Humboldt has written to the Lumberjack as follows:

"I should like to take this opportunity to commend the assembly presented last week by the Men's Association.

"I enjoyed it thoroughly and I think other faculty members who were fortunate enough to attend liked it as well as I did.

"It seems to me that some of our men have been 'hiding their light under a bushel,' so to speak. With such talent available in the student body, both among the men and among the women, I wish we could have more assemblies of this type each year, assemblies in which various organizations in the school vie with one another in entertaining the student body.

"The hilarious burlesque French boxing bout, written and directed by local men students, proves that we have some creative talent, too."

BIRTHDAY PARTY

A birthday party in honor of Miss Ann Craig of the physical education department was given on Friday evening, April 14, at the home of President and Mrs. Arthur Gist.

Graduate physical education majors planned the affair with Mrs. Gist.

CAMPUS COMMENTATOR

And a good, good day to you, genial readers of this column, everyone was so congenial and "neighborly," as some say, at the Barn Dance it is hoped such friendly spirit will continue to dominate the rest of the year.

The scoop of the evening was when Wally Lozensky was seen to arrive and glide over the maple floor to the swing, corn and commercial tunes given off by Pedro Elmore and His Boys.

Keith Henderson was there with our former student co-ed, Mary Eleanor Parks.

Again Moore stepped into the column, this time with Shirley Davis. Our Not the Radio Arist, Charlie Glenn was the escort of Idie Inskip. Tall and small, the Barn Dance welcomed them all.

Jim Cady, had a gal from Eureka, should be congratulated for being chairman of the 'swing rassel,' it was swell.

Short, dark and handsome Henry Trione was a courtin' Marj Barnes the other night according to supposition.

Roger Battie, our English gentleman, was seen with Doris Waldron, while Rosie Ivancich and Bill Sherf were seen together.

Yes, folks, the dance must have been a success; it was so crowded that the Paul Jones couldn't be held. (Too bad for the novelty of the dance, but swell for the gate receipts.)

Jack Lawyer, Mitch Chetkovitch, Eva Mathisen, Bill Madsen, and a few others had escorts or escorted "imports." The best part of the thing was that nobody cared.

The Givens-McGrath boys certainly put on a program superb Friday. And didn't the winners of the "Guess 'em Swing Concert" fool you. Poor Belcher was just too nervous to intercept the melodies and themes of "corn."

Gee, people, this column is getting harder an' harder to write—not enough sleep, excitement or supin'. So your tired, sleepy, humble writer will now close saying, "Thanks for reading this and hope the editor don't get too mad." (You too!)

'Puppetry' Taught Vermont Students

Future teachers who graduate from the University of Vermont will be prepared to teach the art of making and of presenting marionettes.

Students of elementary education are receiving instruction in industrial arts in connection with the principles of mental hygiene. Handicrafts are useful in teaching children who are handicapped either mentally or physically.

The teacher training students are now learning to make marionettes, which combine many of the principles of industrial arts, such as clay modelling for the dolls' heads, sewing for their clothes and the complicated process of manipulating the completed mannequins.

Such a project also makes possible later work teaching the of dialogue for the performances of the marionettes.

MRS. WOODCOCK HOME

Mrs. Jessie T. Woodcock, Humboldt State College financial secretary, who underwent a major operation at Trinity Hospital April 4 returned home from the hospital last Saturday. She hopes to be at her office in the college for a short time by the end of the week.

Youth Must Be Trained for Leisure Says Mrs. Hadley in Radio Address

Youth Must Be trained

That the youth of the United States must be definitely educated for leisure was the statement made by Mrs. Monica Hadley in an address over KIEM last week. Since it is the parent who has a fundamental interest in his own child, the responsibility for his training should rest first in the home, she said. Great responsibility also rests on the schools.

"Not only should there be new methods and stress in teaching but the buildings and facilities should be used more, said Mrs. Hadley." Schools must learn to stress not only the academic intelligence but the social intelligence as well. Each school must provide rich recreational experiences for its student body. The avocational aspect of all subjects must not only be realized but developed. We are too apt to professionalize all subjects.

Certain subjects are rich in opportunities for developing hobbies and avocations. And here I wish to define a hobby as participation in some form of creative art, some act which is socially significant in which there is a chance to attain a certain measure of success and perfection of feeling of accomplishment and development within the individual.

"The first field I would like to stress is Science, not science which is taught by a teacher who keeps his book open and has the children keep theirs closed, but taught so that in the minds of the children the question of why? why? why? is raised continuously. A boy came into his mother's kitchen and saw the steam from a boiling teakettle and water raise the lid again and again. Of his mother he asked the question why. That boy, Robert Fulton, developed the steam engine.

Then there are the crafts, doing something with the hands: art, weaving, pottery, painting. When a child works with materials he not only makes things but makes himself.

"Music and drama also offer a field rich in opportunity for creation and development.

Finally there are the sports which can be carried on: golf,

tennis, archery, swimming, dancing. Physical educators would aim to develop not only skills but basic organic vigor.

"Next in responsibility to the home and school are private, semi-public agencies and the community: our churches, Y. M. C. A., Boy Scouts, Campfire Girls, etc. The community and these agencies should see that their programs stimulate the creative side of each individual.

"As a result of rich recreational experience in school and college, these young people can step out into community life as trained leaders in the field of recreation because they have experienced it. "Recreation must be recognized as a necessary phase of living. Recreational programs must take in all ages, consider all interests and be a year around program.

"May I have you with these questions: What recreation experiences are available in your home, in your schools, in your community? Are they being used?"

FORE !!!
When the bite of the golf bug that bit you

Is 'bating and cooling once more And you doze in your armchair in comfort

You no longer listen for—fore! While you think of the putts you have fozzled

And the drives that went into the rough

You recall how your enemy took you

Then you realize you're not so tough.

But you know you will sleep off the anguish

On the morrow you'll wake fresh and then,

You'll fondle your old wayward putter

And head for the golf course again.

—The Wildcat.

Men's Association Has Annual Program

The Men's Association outdid itself this week by putting on two events that rank near the top in Humboldt's entertainment lists. The Barn Dance was one and their assembly program was the other. The program lasting an hour and a half included movies, music, music quiz, and slapstick comedy.

The movies were furnished by librarian, C. E. Graves; they were pictures of last seasons football games. Verne Cooperrider, Al Biondini, Red Belcher, and John McGrath furnished the music solos. The slapstick comedy was furnished by Bill Inskip, Bill Sherf, Jack Ellis, Earl Meneweather, and John McGrath. The House of Elmore boys, Glen Goble, and Henry Trione sang a short ditty. Rosie Ivancich was the winner of the music quiz. Francis Givins was the master of ceremonies.

INTERNATIONAL AFFAIRS

He was telling her of his travels, and the things of international significance he had observed.

At eleven he was talking about the situation in Spain.

At twelve he started to explain Germany's recognition of the Italian conquest of Ethiopia.

At one he was expounding on the influence of Russia.

At two her father started down the stairs.

"Have you been in China too?" asked the girl.

"Yes, certainly."

"Good, then I won't have to explain about the free-booters and the Open Door policy."

State Team Beats Samoa-Arcata Nine

The age of miracles has not ceased. The College All-Stars, composed of college players, defeated the Samoa-Arcata baseball team for the second consecutive year. Both years have seen the Samoa-Arcata team win the championship in the Redwood League. Last year the score was 4 to 1, and this year it was 11 to 10.

Bill Faust, college moundsman, pitched superb ball in the pinches and his teammates gave him better support than they have in the past two games. Faust limited the Redwood Leaguers to eight bingles, two of the very flukely ones that came in the seventh inning.

Outstanding players for the college were Lee Flink and Bill Farber. Flink, who has heretofore shown himself to be a weak stick, came through with a single, triple, and a homer. The homerun came with two mates on the bases and tied the score at eight all. Bill Farber collected a single and a homerun for himself. Flink also turned in an all but faultless performance around the initial sack and his handling of low throws saved the infielders from errors. Art McGrath was spiked in the big toe during the last half of the ninth inning and had to be taken from the ball game. The injury necessitated three stitches being taken on the toe.

The College All-Stars have tentatively scheduled a game with the Eureka Merchants next Sunday at Albee Stadium.

STUDENTS EAT CRAB

Following the Barn Dance Friday evening, a crab "feed" was given by Evelyn Lehrman at her home in Eureka. Those attending were Franny Moore, Shirley Davis, Charles Glenn, Ida May Inskip, Doris Gunderson, Bill Inskip, Sherman Washburn, and the host, Evelyn Lehrman.

Sports Columnist Lauds Baseball Nine; Comments on Track Meet

Sports Commentator 'uffty-o' Variety is the spice of life, so they say, and the College baseball team can surely give the spectator plenty of it. First they lose to Eureka high by an outlandish score, then to Fortuna High by a worse one, then they come back on Sunday to defeat the Samoa-Arcata Redwood League Champs of last year 11 to 10 in a very, very see-saw game. Errors seem to be the team's forte, although they came through pretty well in the Samoa-Arcata game.

Except for a few errors and tough breaks, the score would have read about 11-5 in Sunday's game. Bill Faust really pitched fine ball, but the team had the uncanny knack of making their errors just when a few hits were mingled in. Almost everyone on the team had a field day at the bat setting the pace was Character Flink the first baseman (?) with a homer, triple and single, and the others did almost as well.

The college has a team of good hitters, and when a few more games smooth out the fielding they are capable of, Humboldt will be hard to beat. The next game of importance will be with

the Eureka Redwood League team, probably a week from Sunday. Can they repeat? Your guess is as good as mine.

Next on the sports calendar is the colossal track meet with San Jose and Cal Poly. San Jose should win, of course, but I look for Humboldt to make a good showing. Every man on the team could win points at the meet, but whether they come through under fire or not is problematical. However, Verne Thornton should be good for a few points, and I look for him to take at least one first and possibly two out of his four events, the javelin, shot, discus, and high jump. He can place in all of them. And here's a dark horse pick—I pick Don Mahan to win the hundred in this meet. Don is capable of doing under 10 flat and if he ever does it, the San Jose meet would bring it out. Others who probably will win points are Wally Lozensky, Fred Hibler, Snooky Edsall, and Al Biondini. Also Humboldt can put in the track a pretty fair relay team—Fred Hibler, Rich Davis, Len Longholm, and Snooky Edsall. All we can do is hope that our boys will be at their best next Saturday!

Journalism Course Rated for Schools

A recent issue of Editor and Publisher announced that "sixteen school and departments of journalism in as many leading American universities had been recognized by the American Press Society's board of governors as journalistic educational institutions of the first rank.

The list follows: Boston University, University of Georgia, University of Illinois, University of Iowa, Marquette University, University of Minnesota, University of Missouri, New York University, Medill School of Journalism at Northwestern University, Ohio State University, University of Oregon, Pennsylvania State College, Stanford University, Syracuse University, University of Washington and University of Wisconsin. In addition Rutgers University has applied for conditional recognition, pending an increase in facilities to meet the requirements.

"The society is planning to set up machinery to co-operate with these schools of journalism to aid them in finding employment for their graduates. Officers of the society hope to have this machinery functioning in time to help the June class this year."

Careers for Girls Steps To Marriage

The college girl is definitely committed to a professional career, though in many cases that career is only preliminary to marriage according to a survey of University of Tennessee first year co-eds. Naming their choice occupations, only two of the 181 girls selected "homemaking" as a life work now, but 34 indicated they would prefer to be housewives 10 years from now.

First choice of vocations for girls was teaching, with 69 of the 181 co-eds planning to enter that field. However, only 30 of these girls hope to be teaching for longer than 10 years, the survey revealed.

The second largest group, including 37 students, is interested in one of several home economics vocations, such as costume designing, dietetics, etc. The next largest with 31, plans to enter the business field.

The question, "What Work would you like to be doing 10 years from now?" showed an entirely different ranking among the vocations. Home-making, which was last in the other list, was the choice of the largest group, while teaching was second and the home economics field was third.

By nothing do men show their character so much as by the things at which they laugh.

All brutes are imperfect animals. Only man is a perfect beast.

Annual Barn Dance Is Successful Event

Over a hundred pleasure seekers crowded the college gym last Friday night for the Men's Association Barn Dance.

The gym was completely renovated for the gala affair; farm wagons, sleds, plows, sheep bovines, and one burrow helped create an effective barnlike appearance.

The music, Pedro Elmore's Boys, swung out with the latest list and the solo effects of Lolly Scholl, Frank Steele, and Red Belcher furnished the best music ever heard at a college dance.

The dance headed by Jim Cady was the most successfully held speaking in both social and financial terms. The proceeds of the dance funds will go toward the annual Men's picnic.

President Francis Givins and general chairman Jim Cady wish to thank everyone connected with the dance for their help.

DRAMATICS WORKSCLASS COMPLETES PLAY SET

A group of students in the class of Dramatic Workshop worked Sunday on the set for "Her Master's Voice," the Spring play to be given by the dramatic department on April 26-27.

Those working were Technical Director John Van Duzer, Sherman Washburn, Charles Glenn, Bob Madsen, Dave Williams, Don Falk, and Eva Mathisen.

In the late afternoon the group journeyed to Mad River near Lake Lake where they had a picnic.

Edmund Jeffers Given More Leave

Edmund Jeffers of the Humboldt State College music faculty who is now on leave working towards the Ph. D. at Columbia University has been granted a year's additional leave, according to an announcement yesterday by President Arthur S. Gist of Humboldt. His position at Humboldt next year will again be filled by G. Dana Kinsman.

In recognition of his work this year Mr. Jeffers has been awarded a scholarship for next year at Columbia. Only fifteen scholarships were awarded and for these there were more than five hundred applicants from the United States, Canada, England, Australia, and South Africa.

On April 28 a choir of which Mr. Jeffers is a member will sing in Carnegie Hall with the Philharmonic orchestra.

HEARS PEDEREWSKI

Miss Marthabelle Scott, who spent her vacation at her home in San Francisco, attended the concert at Paderewski at the Civic Auditorium Sunday afternoon.

Progressive Dinner Enjoyed by Students

Prior to the Barn Dance Friday night a progressive dinner party was held by a group of Humboldt students. The group journeyed to Eureka where fruit cocktails and appetizers were served at the home of Carol Hine. Returning to Arcata, the party ate salad at the home of Myron Schussman and they then progressed to Sunset hall where the main course was served under the supervision of Miss Imogene Platt, head resident of the dormitory. Dessert was then served at the residence of Marjorie Barnes and the group left for the Barn Dance.

Those attending the affair were as follows:

Glenn Goble, Esther Ritola, Beryl Unsoeld, John McGrath, John Van Duzer, Carol Hine, Henry Trione, Marjorie Barnes, Art McGrath, Mary Scholl, Jim Hall, Viola Stansberry, Betty McWhorter and Myron Schussman.

Student Teachers

Dr. Balabanis Is Speaker At Club

"The British people, at last, and with them most of the civilized world, now realize that they have exhausted the possibilities for averting war by compromise, and that from now on the entire responsibility in decisions between war and peace must be borne by the dictators," was the opinion expressed by Dr. Homer Balabanis Wednesday as he gave a brilliant and stirring lecture on "The Dictators March On" at a meeting of the Cruise Study Club held at Hunter's in Arcata, following the regular noon luncheon.

"For years defeatism succeeded in postponing the risk of war by making its eventual arrival more and more certain and catastrophic, but world democracy, finally realizing its peril, is arming in earnest to defend the principles of freedom which make life worth living."

Dr. Balabanis will speak on "The International Scene" before the Business and Professional Women's Club at a banquet in the Commons, April 24, and will give an address before the Young People's Forum at Eureka on April 23. The latter will be an evening meeting sponsored by Paul Campbell of the Y. M. C. A. and the address will be on "The United States in World Affairs."

Summer Session

in Education 39, Section 2, and Education 139A.

Students will be given an opportunity to see how an activity program can utilize child experience in the promotion and growth and development of the child. Appropriate units of work will be pursued by the children in each of the two rooms. Miss Ruth Bestor, Supervisor of the lower grades, Humboldt State College Elementary School, will be the teacher of Grades 1, 2, and 3. Mrs. Nene Pinkerton, Supervisor of Reading, Eureka City School, will teach grades 4, 5, and 6.

Texas U. Students Learn Folk Dances

"Swing yo pahdnrs, one and all!" And "swing" they do--about fifty University of Texas student members of a recently organized folk dancing club.

Let their fellow students practice their "truckin'"—these "swingsters"—are concentrating weekly on such old standbys as the square dance, the old-fashioned schottische, the polka, the varsoviene or "little foot," or the mazurka. Fiddles furnish the music.

The students are members of the Swing and Turns club, and their self-styled purpose is to keep alive the dances of long ago. The club itself came to life suddenly after a recent party for students majoring in physical education. Folk dances were part of the program and the habit stuck.

"Folk dancing itself is not only great fun but a valuable expression of folk culture which should not be lost," according to Miss Ruth Bass, club sponsor and assistant professor of physical education. She states that the students themselves "discover" new folk dances and teach each other. Some of the dances date as far back as 1500, she declared.

Akin to the sailor who takes a boat ride on a holiday, and to the mailman who takes a walk on his day off, is the college student who spends his vacation loafing.

College Women To Give Tea

The Women's Hospitality Committee of the student body in conjunction with the Home Economics Department will give a Mother's Day Tea on Sunday, May 13.

Thelma Baker, social chairman of the student body, will be general chairman of the tea assisted by Marjorie Wing, Mrs. Ellen Walter of the Home Economics Department and Mrs. Monica Hadley, dean of women, will be advisors for the tea.

If there is a certain committee which the girls would like to work on, they are to sign up with Mrs. Hadley.

Michigan U. Dean Favors Discussion

Discussion of "New Deal" legislation and controversies surrounding legal principles and institutions should not be barred in the classroom as long as it is objective and the instructor does not undertake to urge his own opinions on his students, according to Henry M. Bates, dean of the University of Michigan Law School.

If instructors will use good judgement and a sense of propriety and proportion in discussion of current affairs, Dean Bates points out, there will be no justification for the suspicions and fears which have generated much unjust unfounded comment on the work of educational institutions in political, economic, and social fields.

The schools should not be excluded from discussion, Dean Bates insists. No instructor capable of doing first class work, he says, can fail to reveal his own opinions regarding matters over which he has achieved mastery and with which he deals thoroughly in the classroom. Further, he says, any law school worthy of the name should give to its students as complete a picture as possible of the problems involved in the courses offered.

Betty O'Kane and Marjorie Newman spent the spring vacation visiting friends and relatives in Portland. They returned home last week.

Ardys Goff To Be General Chairman

Ardys Goff, junior student, has been appointed general chairman of Individual Sports Day which is conducted annually by the Women's Athletic Association. She will be assisted by Bessie Boehne, chairman of badminton, and Rosie Ivancich, chairman of tennis.

Any women who is interested in participating in either tennis, archery, or badminton must sign up before Friday, April 12.

The requirements are that the participant must have had six practices before the tournament, at least a "C" average, and participate on the Individual Sports Day in the sport for which she has signed.

College Trackmen

(Continued from page 1)

John Thornton, mile.

San Jose has an impressive track record so far this year, having defeated Fresno State and San Francisco State, and making a good showing against the Olympic Club. Not much is known about the strength of the Cal Poly team, but this school has good teams in other sports, so track will probably be no exception.

The team will leave Friday morning from Arcata in two private cars, arriving in San Jose in time to get a good night's sleep before the meet.

PROFESSOR IS SPEAKER

Theodore Little, assistant professor of speech at Humboldt State, was the guest speaker at the Eureka Woman's club's open session last Wednesday. He presented a poetical reading of, "Forsaking All Others," by Alice Duer Miller and several humorous poems by H. P. Herbert.
