

Humboldt Lumberjack

MARCH 1, 1939

Lumberjacks Split With Clowns And Davids

The Humboldt State Lumberjacks split a pair of games Monday night in the Eureka High gym. The Lumberjacks won from the House of David 18-14. The Lumberjacks led all the way against the bearded boys. Francis Givins, high scoring college ace, tanked 13 points during the evening to take scoring honors.

The Lumberjacks lost to the Broadway Clowns in the final game of the evening by the score of 17-14. The Clowns, as usual put on their comedy antics and fouling. The Lumberjacks, who appeared tired for their trip to San Jose, put up a game battle and the Clowns didn't get much of a chance to go into their comedy act.

The game between the Clowns and House of David ended with the Clowns emerging victorious 25-22. Brime, Mathews and Pullins were too much for the bewhiskered boys, as they potted their long shots from all angles of the court.

The Lumberjacks have finished the collegiate games but have several games in the Independent League, the toughest being with the Eureka Sparklers.

FAMOUS ACTOR USED COSTUME WORN HERE

In the last play, "Yellow Jack," Casper Torp wore the coat and cap previously worn by Errol Flynn in "Dawn Patrol." The Humboldt State drama department gets its costumes from the Western Costuming Company of Hollywood which supplies costumes for motion picture productions. Torp's part in "Yellow Jack" called for the uniform of an officer of the British Air Force. The uniform sent was identified as that of Errol Flynn by finding his name sewn in both the cap and coat.

SKIING ENTHUSIAST

The Humboldt students who enjoyed skiing over the weekend were Jack Lawyer, Gene German, Pete Domeyer, Keith Henderson, Franny Moore, Bob Madsen, Marjorie Bull, Margaret Easley.

INTERCLASS GAMES TO BEGIN NEXT WEEK

Interclass basketball games for girls will begin withing the next two weeks, according to Virginia Belloni, general manager of basketball.

Women who are interested may practice basketball on Tuesday and Thursday from 4 to 5 under the direction of Mrs. Monica Hadley, in the large gymnasium.

W. A. A. Delegates To Attend Meeting

Bessie Boehne, junior, and Rosie Ivancich, sophomore, will represent Humboldt State College at a conference of the Alta California Associated Women Students and the Women's Athletic Association to be held at Fresno State College on March 17 and 19. The girls were selected at a meeting of all women students Friday, February 24.

There will also be a conference of the college deans and women and W. A. A. advisors during this time which Mrs. Monica Hadley, dean of women at Humboldt, will attend.

Alternates to the convention are Barbara Crnich and Virginia Belloni. Other girls nominated were: Dolores Scholl, Ida May Inskip, Dorothy Watkins, Mary Floccchini, and Marion Swap.

Each college is allowed to send four delegates to this convention at which Fresno State will be hostess. Although Humboldt has been invited to attend these conventions in past years, she has never sent representatives. Because of the fact that accommodations for all four girls cannot be arranged, Humboldt will only send two delegates this year.

Mrs. Monica Hadley, dean of women, will accompany the girls on the trip.

LUMBERJACK STAFF IS ANNOUNCED

Rod Belcher has been appointed Sports Editor of the Lumberjack Staff. John Thornton will take over the assistant editor's position.

The present staff includes Jack Ellis, editor; John Thornton, assistant editor; Rod Belcher, sports editor; Rosie Ivancich, exchange editor; Martin Cabalzar, business manager.

CONTEST WINNERS WILL BE CHAMPS

The spelling championship of the classes will be at stake this Thursday when the senior class spellers meet the freshman class spellers in the Happy Hill contest. The Frosh defeated the Sophs and the Seniors vanquished the Juniors in the previous contests.

The frosh have lost their ace speller in Mose Musante who has left school. The Seniors will be represented by John McGrath, Ray Pedrotti, and Beryl Unsoeld.

Hazel Hagne, Marion Kemp, June McCombs and Beverly Bullock were the guests of Miss Imogene Platt at her cabin at Big Lagoon over the weekend. Nick Barbieri, William Farber, Dolores Scholl, and Grace McManus visited them there.

Helen Jones returned to school Thursday after a week's illness at home.

San Jose Takes Both Games In Final Series

The fast breaking offense of the San Jose Spartans proved too much for the Humboldt Lumberjacks in their basketball series with the Spartans last weekend in San Jose. The Spartans won the first game by the score of 57-40 and the second game by 44-31.

The Spartans used 15 men in the contests while Humboldt used 9. Those who were outstanding for San Jose were Bendiech, Allen, Thomas and Berry. The Lumberjacks rated Allen and Thomas as two of the best they have been up against this year.

For Humboldt Hank Givins was the only consistent scorer during the series. Hank scored 15 points the first night and 10 the

Continued on page 4

Ski Club Members In Holiday Outing

Members of the College Ski Club took advantage of the Wednesday holiday on Washington's Birthday to make their second trip in the week to the Grouse Mountain snow area. They left the college in cars at nine o'clock in the morning and reached Berry's Summit by ten. Many of the skiers took the three-mile hike up to the ski hut, while others remained to ski on the summit and the Big Oak Turn.

They reported that the snow was excellent at both points. Those making the trip were Bessie Boehne, Myrtle Boehne, Margaret Easley, Marjorie Bull, Pete Domeyer, Gene German, Ray Pedrotti, Jack Lawyer, Art Johnson, Keith Henderson, Cap Torp, Rod Belcher, Bill Inskip, Bruce Wylie, Mr. and Mrs. C. E. Graves, and Dr. and Mrs. William Lanphere.

VERMONTERS EMULATE OLD ROMAN EPICURES

Reclining in the manner of the ancient Romans, students of the classics at the University of Vermont recently ate Roman food cooked in the Roman manner, with attendant "slaves" to serve them and entertainment between courses, at a Roman banquet sponsored by the Classical Club.

No sugar or butter was used in the cooking, since in the days of the Romans they did not exist. In their place olive oil and honey were used. Reclining guests, clad in togas, ate with their fingers. Between courses banqueters dipped their fingers.

GIVES VIOLIN SOLO

A violin solo by Marianne Lambert, H. S. C. student, was the featured event of the program given at the Sunday night services of the First Baptist church in Eureka. C. G. Akins accompanied Miss Lambert.

ELMORE'S ORCHESTRA SPONSORS DANCE

Pedro Elmore and his Boys will sponsor a dance at the Green Light dance hall this Friday night. Dancing will be from nine to twelve. The admission is 25c a person.

The dance caters to college students and as the hall is situated near to Arcata there should be a large group of college students in attendance.

Lumberjack 'Grads' Take New Positions

All of the three newspaper men involved in the recent change in management of the Arcata Union are former Humboldt State students; two of them are former Lumberjack staff members.

Gene Smith, who retires as editor of the Union, took lower division work at Humboldt and then transferred to the School of Journalism at the University of Missouri.

Gordon Hadley, former sports editor of the Humboldt Times, who this week assumes management of the Union, was a student at Humboldt State for several years, was a member of the Lumberjack staff and later Lumberjack editor.

Francis "Pat" Waters of Arcata who succeeds Hadley as Times sports editor took lower division work at Humboldt and was a member of the Lumberjack staff.

WALL FOR PLAYGROUND BEING CONSTRUCTED

A needed improvement is being made at the College Elementary school playground. Forms for a cement foundation are being constructed for a wall to prevent further crumbling of the bank between the street and the east side of the playground.

The work is now being done is in charge of Jake Relac and his small crew. In the near future WPA men will be used to further the work.

After the two foot foundation is completed a sidewalk will be laid along the outside next to the road and a wall topped by a wire fence will be created on the foundation.

HERE'S WHY YOU FEEL LIKE A NEW PERSON

How fast do the elements in the human body change? A physiology professor at the University of Rochester reports these findings:

Water in the body changes every three weeks; salt every 22 days; nitrogen (the basic material of muscles) every 290 days; iron (vital constituent of the blood) every 300 days; phosphorous (important to bones and teeth) every 800 days. Certain cells, such as those in the brain, apparently last a lifetime.

PICTURES ARE WANTED

Informal snapshots, pictures of activities or buildings are needed for the Humboldt annual. Any amateur photographer who has available pictures is asked to confer with James Hall or Ray Pedrotti.

seems to be falling for a man's schemes, she may be just scheming for a man's fall.

Gov. Olson Will Be Speaker At Commencements

The first official visit of Governor Culbert Olson of California to Humboldt county will be made on Friday June 9, at the Humboldt State College commencement and twenty-fifth anniversary of the college. Governor Olson will be the commencement speaker.

President Arthur S. Gist of Humboldt College announced that the governor's acceptance of the invitation for commencement was received through the cooperation of Irwin T. Quinn, State Senator, now in Sacramento, and A. L. Nelson, County Democratic Chairman.

Governor Olson has approved a quarter-million-dollar building program for the college. President Gist will be in Sacramento next week to confer with state architects and expects a definite construction schedule to be announced within a few weeks.

Maurice Hicklin, professor of English, has been named by Denny Willis, president of the college alumni association, to plan for an alumni home-coming and participation in the program. They are Ethel Pedrazzini, William Morehouse, Leslie Stromberg, James Speiring, and William Daly.

Kirkpatrick Lauds Safety Campaign

Captain Sam Kirkpatrick of the California Highway Patrol stated that people of this community as well as all California should be proud of Humboldt State students for their interest in Safety on the highway.

When a group of young people take upon themselves to organize a safety campaign the results are very effective and those youths are setting a fine example said Captain Kirkpatrick. The California Highway Patrol is ready and willing to cooperate with Humboldt State College at any time Kirkpatrick added.

ATTEND S. J. GAMES

Myron Schussman, Charles Fulkerson, Esther Ritola, Betty McWhorter, students at H. S. C. attended the basketball series between San Jose and H. S. C., at San Jose last weekend. They also visited the fair in San Francisco.

E. C. Graves, college librarian, took colored movie snapshots of college skiers on Washington birthday at Berry Summit.

HUMBOLDT LUMBERJACK

Published weekly by the Associated Students of Humboldt State College at Arcata, California.

Editor Jack Ellis
Exchanges Rosie Ivancich
Business Mgr. Martin Cabalzar
Reporters: Bob Madsen, Rosie Ivancich.

By the time this paper will have gone to press the Social Unit in the College building will have been opened in evenings only. Certain members of the Board of Control took it upon themselves, under pressure of students who reside at the Dormitory, to open the Social Unit in the evenings only. This means that only a CERTAIN CLASS OF STUDENTS WILL ENJOY THE SOCIAL UNIT. Those students who bought pressure to bear on the Board of Control members, and the members themselves, contend that the students who live at the Dorm, and they are the sole students who use the Social Unit, with the exception of the Elmore residents, were not responsible for the closing of the Unit, that they should not be kept from the use of the Social Unit because of the misdemeanors of a few students.

Those students and members of the Board of Control should not forget that the entire Student Body has been kept for the Social Unit because of the misdemeanors of a few. One member of the Board of Control uses the extremely intelligent argument that the students should have stopped the mis-use of the Social Unit and therefore have no complaint coming. This member forgets or forgives the conduct of the users of the Unit in the evenings. The member also forgets to add that the students who use the Unit at night made no effort to stop the rowdyism in the Unit.

This action by the Board of Control shows a definite Class Prejudice. That only a certain group of students should use the Social Unit is regrettable in view of the facts of the case. Those who will use the Social Unit in the evenings are just as much responsible for the closing of the Unit as any other student in the school.

It is the opinion of the writer that the students of the school should ask for at least a modicum of justice from the Board of Control at the next Student Body meeting.

**CAMPUS
COMMENTATOR****GREETINGS**

Greetings and salutations, followers of love... (and scandal)—With the early advent of spring weather (according to the almanac it's still winter,) we find Bill Inskip arm in arm with Doris Gunderson.

LONG ROMANCE

Lee "Stellar Guard" Seidell and Marjory Wing take this week's honors for being one of the campus' longest romances.

Henry Trione, the elite dresser seems to keep an eye on both Jean Burton and Marjory Barnes, red and black or rather brunette, and redhead.

The John McGrath and Beryl Unsoeld combination is just ducky. "Bee" can be regarded as H. S. C.'s best tamer of the Irish. (Just 17 more days til St. Patrick's Day.)

LEAP YEAR

Luck for the ladies next February? We wonder... next February will have 29 days which means Leap Year, so men beware of Sadie Hawkins.

With such weather we wonder whether or not Jitterbug Belcher will break into the female limelight again this spring.

Well with the return of Mary Scholl, "Ott" McGrath will again be seen strolling in the evenings.

FULL MOON

Attention: a full moon is scheduled for the 5th! And here is hoping the W.A.A. has another Steamboat Shuffle and the dance will include moonlight. Oh! it was so beautiful last year.

This is your humble Commentator saying, "Thank you friends! for reading."

**SCHOCKER NEW HEAD
OF SCIENCE CLUB**

Walter Schocker was recently elected president of the Science Club. Other officers elected were vice-president, Valerie Barker; secretary, Jean Hess; and treasurer, Ardis Goff.

The science club had dinner at the commons last evening and witnessed scientific sound films afterwards. These films shots were, "Frogs," "Flowers at Work," and "Water Power."

Last Saturday the club made a field trip to the Table Bluff Lighthouse where they were shown through the Coast Guard section which includes foghorn and light. Those making the trip were Mrs. William Lanphere, Jane Abrahamson, Eleanor Nelson, Richard Petty, Virginia Fredericksen, Ellen Nelson, Walter Schocker, Frances Ensign, Roberta Hood, Roger Battie, and Helen Woods.

PICNIC AT SAMOA

A group of Humboldt students picnicked at Samoa on Washington's birthday. Those making the trip were Marian Goss, Jean Ellen Burton, Frances Nye, Meredythe Young, Verna Schocker, Lois Gardener, Mitchy Chekovitch, Phil Coons, Julius Hoooven, Al Blondini, Jim Cady, Bob Young, Bob Goss, and Dan McClure.

JUNIORS NAME OFFICERS

Harold Langdon was elected president of the junior class last Thursday noon. Other officers elected were: vice-president, Marjorie Wing; and secretary-treasurer, Valerie Barker.

FORMER STUDENT AT TRAVIS

Miss Geneva Kendall, former commercial student at Humboldt State, is now in Travis, California where she is visiting friends and relatives. Before returning to her home in Blue Lake, she is planning to take a short trip to Catalina Islands.

**Jitterbugs and Swingsters
Are Reviewed By College Hepcat**

Every once in a while a person suggests, "Why don't they have a column on Swing in the Lumberjack?" So this will be the first one of its kind to ever decorate these here pages, in answer to many (?) requests.

In the first place, a great many of Humboldt's students don't know what a real swing band is. Now this isn't exactly a definition, but it will give those who don't know an idea of what is and what isn't. First there are the bands who are not real swing bands that are mistakenly called by the name by the uneducated, such as Larry Clinton's, Kay Kyser's, Hal Kemp's, and Buddy Rogers. Then there are bands who are primarily swing bands, but put a little "schmaltz" in to spoil their good work on hot pieces, such as Artie Shaw's Tommy Dorsey's, Glen Gray's, and even Benny Goodman's. Third and lastly, there are the bands who are out and out swingers, those who play almost completely hot, such as Count Basie's, Duke Ellington's (even his "schmaltz" is hot) Bob Crosby's, and Roy Eldridge's.

What really makes a swing band are the soloists. Probably the bands with the greatest collections of soloists are the Bob Crosby and Duke Ellington groups—Crosby with Bob Zurke, Bob Haggart, Ray Bauduc, Eddie Miller, Fazola, and Warren Smith, and Ellington with Johnny Hodges, Barney Bigard, Rex Stewart, Cootie Williams, Juan Tizol, Laurence Brown, and Harry Carney. However, many bands get

**FORMER STUDENT
EMPLOYED IN EUREKA**

Miss Lililan Nicholson, former Humboldt State student, is now employed as a member of the office staff by the Humboldt Credit Association in Eureka.

Miss Nicholson attended Humboldt State two years, in that time having completed both a one year and a two year commercial course. Miss Nicholson has made her home on F street in Eureka.

ENTERTAINS AT DINNER

Mr. and Mrs. W. B. McKittrick entertained at a dinner party at their home Wednesday evening, February 22. The color scheme was red, white and blue, to observe Washington's Birthday. After dinner bridge was played. Mr. and Mrs. Tom Groom won the prizes.

Those present were: Dr. and Mrs. Vernon O'Tolle, Mr. and Mrs. Maurice Hicklin, Mr. and Mrs. Herbert Hart, Mr. and Mrs. Bert Wilson, Mr. and Mrs. Tom Groom, and the host and hostess, Mr. and Mrs. W. B. McKittrick.

STUDENTS ENTERTAINED

Frances Larson entertained a group of girls after the Elijah performance Tuesday night of last week. The evening was spent playing Chinese Checkers. Those attending were Susan Wilson, Frances Nye, Mary Eads, Virginia Williams, Mary Borneman, Beverly Bullock, Frances Petty, Fay McCord, and Marianne Lambert.

Miss Helen Garvin of the music department spent the weekend in San Francisco. She was accompanied by Glenn Goble who visited his family in Martinez.

**H. S. C. Students
Recieve Licenses**

Climaxing the "Safety Week" campaign at Humboldt State College automobile drivers' examinations were given to college students desiring them last Friday. Persons successful in the examinations were issued new or renewed automobile operators' licenses.

The examinations were given by H. M. Doyle, automobile license examiner, of the Department of Motor Vehicles and the California Highway Patrol. This opportunity of securing drivers licenses at H. S. C. was a new experiment and one of the first attempts to conduct such examinations in any school or college north of San Francisco.

According to the examiner, Mr. Doyle, the issuing of licenses at Humboldt State was fairly successful; however, because many students seeking new licenses or renewing them were under twenty-one, he was unable to issue licenses directly to them. The state law requires the signature of both parents in the presence of an officer when a person under twenty-one is issued a driving permit.

CAKE FOR CAST

Mrs. William Lanphere won the appreciation of the "Yellowjack" cast by baking them a large cake which was served in the make-up room after the public performance of the play. The cake was an extra special one for a cast of thirty-five, being chocolate frosted and trimmed with a yellow "Yellowjack." Mrs. Horace Walter served coffee to the cast.

State Will Be In Tri Meet

Humboldt State track men will participate in a triangle track meet at San Jose on April 22. Cal Poly and San Jose State will oppose Humboldt. The meet, originally set for a dual meet between San Jose and Humboldt on April 15 has been changed according to Coach Hart who has just returned from San Jose.

Coach Herb Hart will have a great deal of material to coach as track is a popular sport at Humboldt. Those who are expected to try-out for the team are: Don Mahan, Henry Trione, Len Longholm, sprints; Al Biondini, Rod Belcher, hurdles; Fred Hibler, Snooky Edsall, Robert Humphries, Bob Madsen, middle distances; Dick Baldry, Vernon Thornton, Nick Barbieri, Frances Givins, Chuck Glenn, Len Longholm, field events.

Tentative Date Set For Annual Picnic

Plans for the picnic, sponsored by the Men's Association at Humboldt are being made. The tentative date for the annual outing is being set in May. In a recent meeting of the Men's Association, President Francis Givins appointed Roderick Belcher general chairman.

Committees named by Belcher are as follows: General Planning Committee—Jack Ellis, Francis Givins, Nick Barbieri, and George Hartman. Food—Bus Foster, chairman, Cap Torp, and Nick Barbieri. Refreshments—George Hartman, chairman, Bruce Wylie, and Bill Inskip. Transportation—Herb Gomes, Ted Speier, and Don Pozzo. Activities—Willard Woodcock and Al Biondini.

STATE'S SKI CLUB IN 'PARENT' GROUP

Humboldt State's Ski Club is now affiliated with the Humboldt Ski Club. Humboldt students have been given special rates of fifty cents dues a year.

Last Wednesday several Humboldt students and faculty members were up skiing on Grouse Mountain. Among them were Mr. and Mrs. C. E. Graves, Dr. and Mrs. W. M. Lanphere, Keith Henderson, Jack Lawyer, William Inskip, Roderick Belcher, Casper Torp, Bruce Wylie, Pete Domeyer, Eugene German, Art Johnson, Louis Hibser, Bessie Boehne, Myrtle Boehne, Ray Pedrotti, and Margaret Easley.

HUMBOLDT STUDENTS ENJOY PARTY

The employees of the A. Brizard stores in Arcata held an annual dinner and dance Tuesday evening at the Bella Vista Inn. The Italian dinner which was served at 7:00 o'clock was enjoyed by everyone. Dancing then took place, lasting until 1:30. The college band under the direction of Pedro Elmore furnished the music for the evening. For entertainment, a reading was given by Miss Eva Mathisen and a modern tap solo by Miss Vernice Alanen.

Over seventy-five guests were present. Among some of the college students attending were Joy Gastman, Al Biondini, Eva Mathisen, Charles Fulkerson, Laverne Elmore, Myron Schussman, Marjory Barnes, Henry Trione, Robert Mitchel, Vernice Alanen.

TAKES COLORED PICTURES

Bill Faust, Humboldt State student was absent from his work at the California Barrel Factory as well as many of his classes last week recovering from the effects of a cold.

Sports Commentator Reviews Basketball; Spring Sports

Sport Commentator

The collegiate basketball season is over and with only a few independent league games left, they will be rather anti climactic for both the team and spectators.

SUCCESSFUL SEASON

With an all-veteran team, probably the best in Humboldt's history, Coach Hart guided the boys to a very successful season, beating Southern Oregon and San Francisco State twice, splitting

with Chico, and dropping two to San Jose. Humboldt also made a very good showing in the State College Basketball Clinic at San Jose.

TRACK ON TAP

A real track schedule is on tap for this year for the first time, topped by a triangular meet at San Jose with Cal Poly and San Jose State, so track men will start unlimbering their legs this week with a real object in mind. In track also, Humboldt should put their best team in history on the cinder lanes. Veterans in almost every event will carry the lion's share of the burden.

SPRINTS STRONG

A big factor will be the presence of two great all-around men—Verne Thornton and Dick Baldry, and three fine sprinters, Don Mahan, Henry Trione, and Rich Davis. Coach Hart says he enjoys coaching track very much, so everything points to the development of real track interest for the first time at Humboldt.

BASEBALL TOO

Baseball men will begin working out soon, too, with such proven

RENFROE'S BASKETEERS DEFEAT IVANCICH'S

Dorothy Renfro's basketball team won from the team captained by Rosie Ivancich on February 21.

Mary Flocchini and Dorothy Watkins were referees.

Members of the teams who played are: Renfro—Mary Caprile, Helen Connick, Vesta Moxon, Bessie Boehne, and Elizabeth Wilson. Ivancich—Virginia Belloni, Barbara Crnich, June Muir, and Mary Borneman.

STATERS SKI SUNDAY

Humboldt State Ski enthusiasts spending last Sunday at Horse Mountain were: Keith Henderson, Francis Moore, Ted Speier, Willard Woodcock, Eugene German, Pete Domeyer, Jack Lawyer, Bob Lawrence, Bob Madsen, Jean Lawyer, Margaret Easley, and Marjorie Bull.

STUDENTS VISIT FAIR

Bill Sherf, Kenneth Newell, Bud Myers and Ralph Hickley, students at Humboldt, were visitors at the Worlds Fair in San Francisco over the weekend.

talent as Jack Ellis, Ted Speier, Lee Seidell, and Franny Givins, infield; Earl Meneweather, Mike

O'Donnell, Bruce Wylie, and Bill Farber, outfield; Nick Barbieri and Bill Faust, pitchers; and Art McGrath, catcher. College games are being arranged for the team by Coach Hart.

H. S. C. Coeds Are Cyclists

Evelyn Mitts and Betty O'Kane took two hours and fifteen minutes to make a bicycle trip between Eureka and Arcata last Sunday. The two girls made the round trip between the towns via the new and old Eureka Arcata roads.

Starting from Eureka at 1:25 P. M. Sunday they returned to the city limits two hours and fifteen minutes later. Slow progress was made to Arcata because of strong head winds but tail winds aided the cyclers on the homeward trip.

Casualties were few, the worst being caused by a defaulting brake which sent "Mitzie" sprawling under the bicycle near the Indianola cutoff. She was uninjured. A faulty chain kept Betty O'Kane busy doing mechanical work along the road. Leaky tires necessitated the stopping for air very often.

BARKER'S TEAM WINS TILT FROM ANDERSON'S

The basketball team captained by Valerie Barker won from Jeanette Anderson's team in a noon game played on February 23.

The game was one in a series conducted by the Women's Athletic Association under the direction of Virginia Belloni. Barbara Crnich and Virginia Belloni acted as referees for the game.

Members of the teams are as follows: Anderson—Myrtle Boehne, Mary Flocchini, Jeanette Anderson and Jean Hood.

Barker—Dorothy Fraga, Ardys Goff, Valerie Barker, Lynette Swan, and Merrien Miller.

Course Fees Due Monday

Course fees from Humboldt students are due the sixth week of the semester; consequently these fees will be collected beginning next Monday at Window No. 130, according to Mrs. Jessie T. Woodcock, financial secretary.

"Since all course fees must be collected during the sixth week," Mrs. Woodcock announced, "the last day will be Friday, March 10. In other words, the date on our duplicate receipts, according to a ruling of the state department of education, must show that fees were paid that week and not later."

Students were much more prompt in paying last semester. Mrs. Woodcock said, and the financial office appreciated their cooperation.

Bill Jackson and Roger Beattie went to Dyerville last Wednesday.

Mary Scholl At Dow's School

Mary Scholl, of Ukiah who graduated at the mid-year from Humboldt State, is now teaching at Dow's Prairie school as an emergency teacher.

The position was filled through the office of Humboldt County superintendent of schools G. Elrid Hogan and the placement bureau of Humboldt State College. Miss Scholl is teaching in the primary grades at the Dows Prairie school which is eight miles north of Arcata.

MARIAN GOSS HOSTESS TO COLLEGE FRIENDS

Marian Goss was hostess to a group of friends at her home Saturday afternoon. Marion Crowley Marjorie Ohman, and Frances Nye won prizes at the whist games. Jean Ellen Burton assisted in serving light refreshments.

Guests included were Barbara Bird, Jean Ellen Burton, Marion Crowley, Helen Alberts, Helen Jones, Frances Nye, Doris Gunderson, Marjorie Ohman, Betty Johnson, Meredythe Young, Verna Schocker, Dorothy Peterson, Marjory Barnes, and Marjory Wing.

Albert Mendes, former student of Humboldt State, is now employed at the Federal Outfitting Company in Eureka. Mendes is assistant manager and cashier for the company.

While at Humboldt State College Mendes was a special student in the commercial department.

RECORDS HEARD FROM SHAKESPEAREAN PLAY

John Van Duzer entertained members of the dramatic workshop class and others interested with recordings of Shakespeare's "Richard II" by Maurice Evans after school last Monday. Mrs. Elma Folsom gave a brief synopsis of the play. These recordings were loaned to Mr. Van Duzer by friends from San Francisco.

Those who attended were Mrs. Elma Folsom, Theodore Little, Dr. Vernon O'Tolle, Maurice Hicklin, Frances Nye, Roderick Belcher, Julius Hooven, Casper Torp, Eva Mathisen, Ray Pedrotti, Charlene Renfro, David Williams, Vivian Larson, and Virginia Frederickson.

Take 'Gym' Classes Despite Handicaps

There's a branch of physical education at Ohio State University minus pomp and pageantry. To those in the physical education field it is called I. P. E. To the uninitiated it is Individual Physical Education. This quarter at Ohio State 95 male students are enrolled in the I. P. E. Class.

Included in this class are three boys who have had a leg amputated, 13 suffering from hernia, 12 with heart disease, five with defects from infantile paralysis, some with only one arm, some with a withered arm or leg, dislocations of all types, skull fractures, posture cases, spinal injuries and many other ailments.

But I. P. E. offers a wide range of subjects for these lads and each is assigned to an activity that meets with the medical diagnosis of his particular defect and which may improve the individual physically. One that has a "carry-over" value into adult life.

At present all of the 95 students are taking part in golf, archery, badminton, baitcasting, swimming, volleyball, hiking, bowling or in special exercises devised for special cases. Charts are kept on all students to determine the effect of the exercises and the development or improvements of the defect.

OPENS VIOLIN STUDIO

Doris Gunderson, sophomore student, has opened a violin studio at her home, 35 Hawthorne street, Eureka. Miss Gunderson won the Federated Women's Club music scholarship to Humboldt two years ago. She has studied here with Vasa Bauer, Mrs. Maurine Miller, and Marvin D. Hurd of San Francisco. Miss Gunderson will specialize on beginners and intermediate pupils.

GRADUATE IN CHICO

Miss Lorene Atwell, graduate of Humboldt with the Class of 1930 is now acting as Claims Agent for the State Employment Bureau in Chico and vicinity.

Miss Atwell passed her first civil service test in Eureka in 1937 and was sent to Chico shortly thereafter. Since then she has passed several promotional tests.

GOING TO SACRAMENTO

Marian MacPherson, former Humboldt State student, plans to leave the latter part of March for Sacramento to accept a position with an insurance company. While at Humboldt Miss MacPherson was active in student affairs and was secretary of the student body last year. She has recently been employed in Eureka.

Eleanor Buck went home to Santa Rosa over the weekend.

Soilless Crop Production Still Leaves Place for "Dirt" Farmer

The next time one hears some extravagant story about soilless crop production he should take it with a grain of salt until it is confirmed, said Dr. W. M. Lanphere of the Humboldt State College science department over Radio Station KIEM Monday evening.

In soilless crop production, tanks filled with chemically treated water are used instead of soil for growing plants. Seeds are "sown" in shavings or other shredded material on screens placed above the water; or plants are "set out" in the same material with roots in the prepared water.

"One of the popular misconceptions," said Dr. Lanphere, is that this method will enable us to grow crops the year around, thus producing three or more crops instead of the usual one. However, for obvious reasons, we have to conduct our soilless production in greenhouses, because this method is not well adapted to growing plants out of doors, except in very warm climates.

"Again, some claim that as soon as the method is sufficiently well known, people will be growing all or most of their vegetables in water tanks placed in unused cupboards, in spare space in the basement, and that large apartment houses will be able to furnish food for all the occupants by means of tank farms on the roof. However, one of the important factors in plant growth is light, a fact that precludes growing plants in closets or basements. It is true that it is possible to grow plants under artificial light, but the expenses of this would be prohibitive. For instance, should you decide to use a spare bedroom for soilless growing of plants, to obtain sufficient light you would have to paint the walls and ceiling white and install enough fixtures so that you could space 100-watt bulbs about six inches apart all over the ceiling. Then when the lights were turned on, you would have another problem: you would have to install a ventilating system to get rid of the excess heat.

"Another extravagant assertion has been made that in a few years soilless plant production will constitute a major social problem because "dirt" farmers will be deprived of their means of livelihood by the new technique. It is true that plants can be grown successfully in tanks during periods when light is not a limiting factor. Then could not crops be grown during the summer, or in more southerly climates? Yes, they could. You might grow a crop of sugar beets in tanks; but since sunlight would again be the limiting factor, you

would get a very slightly higher yield per acre of tanks than your neighbor who planted his beets in soil. However, your neighbor would probably make a profit on his crop; at least he would not sustain the enormous financial loss that you would if you attempted quantity production.

"The myth conveyed by many popular discussions of the water-culture method is that the productive ability of a given surface of water-culture solution far surpasses that of an equal surface of soil, even though the soil conditions may be of the best. Our difficulty lies here in the lack of controlled experiments; that is, in experiments carried out on good soil and in water-culture tanks side by side. A few of these experiments have been made with tomatoes. These experiments, so far, indicate that there is no significant difference between the two methods if all of the conditions are the same."

Instructor Asserts Many Are Misfits

It is the view of Dr. William S. Learned, staff member in charge of the Carnegie Foundation's Pennsylvania studies, writing in the Thirty-Third Annual Report of the Foundation, that an unjustifiably large proportion of American college students are misfits.

This misplacement of undergraduates exists not only in colleges and universities but even in teachers colleges. "The numbers of students who withdraw before completing their college course certify the importance of the problem, but they do in themselves suggest the solution. The characteristics that differentiate the misplaced students must be more fully understood.

Of withdrawals from college, "the largest single group was eliminated by faculty action on academic deficiency. The second largest group falls in the unexplored category 'reason unknown.'"

The reasons given are very often superficial. "Whatever the true causes may have been the essential dissatisfaction which led to the withdrawal of these students is not available in the records and so far as is known, is not available to college officers."

Quentin Cash was out of school part of last week because of sickness.

San Jose Games

(Continued from page 1)
last night. Vernon Thornton showed flashes of good playing but was not consistent throughout the game.

The San Jose series winds up intercollegiate basketball games for this year and gives Humboldt five wins and three losses in collegiate play.

Marjory Barnes Guest At Party

A group of college students motored to Crannell recently to attend a luncheon given by June Gregory, honoring the birthday of Marjory Barnes. Miss Barnes received a lovely decorated birthday cake and many gifts from her friends.

During the afternoon games were played and prizes were won by Dorothy Peterson, Jane Anderson, and Dorothy Hunt.

Those who attended were: Marjory Barnes, Jane Anderson, Dorothy Peterson, Carol Hixon, Dorothy Hunt, Audrey Hall, Jimmie Barnes, and the hostess, Jane Gregory.

HAD SEVERE COLD

Frances Petty, freshman commercial student, was confined in her home Thursday and Friday with a severe cold.

Wallace Look spent Washington's Birthday in Weott.
