Work Day Proves To Be Most Worthy Of School Year

Recognized as a day of greatest improvement and construction as well as cooperation ever held at Humboldt State College, according to President Arthur S. Gist, the traditional Work Day closed with a large group of college students and friends of the college singing the alma mater at the Work Day finale Friday night.

With the day's festivities starting off with a comedy of laughs presented by the faculty, the entire student body set to work to beautify the campus and its surroundings.

Project number ten, although not completely finished, took first prize for the work of building an arched redwood gateway over Redwood Lane; project nine took second prize for graveling, widening, and oiling the north half of Redwood Lane. Relandscaping the college triangle at Laurel Drive and the College hill took third prize while mention. All crews were awarded all other projects won honorable cakes.

Although not listed as a project much recognition was given to the extra project headed by Keith Henderson and Wes Ball of painting.

Frances Nye Is New Editor

Frances Nye of Eureka, Lumberjack reported this year, has been selected as editor for the Humboldt Lumberjack next year.

Miss Nye, a freshman liberal arts student at Humboldt State College this year, had four years of experience in high school newspaper work. She was assistant editor for a year and then editor of "The Junior High Log," the Eureka Junior High School publication. Then she was assistant editor and later editor of "The Redwood Bark," the Eureka Senior High School publications.

Miss Nye plans to spend next year at Humboldt State and then enter Stanford where she will major in English and journalism.

19 'Frosh' Picked In Rousers Group

Nineteen freshmen this year were named Rousers, sophomore honor society, at the "All Honor" Assembly. In former years the society has been limited to eight members, but Chi Sigma Epsilon felt it would be unjust to exclude a number of other students who have done outstanding work. This year's freshman class is the largest ever at Humboldt.

In the selection of Rousers the first qualification is high scholarship. The scholastic rating of each student selected was well above "B". Other standards are qualities of character, responsibilities assumed, and ability to adjust themselves to college life.

New members of the Rousers, the school from which they graduated, and the course they are taking are as follows:

Susan Wilson, Eureka, teaching; Frances Larsen, Eureka, teaching; Martha Dolson, Arcata, home economics; William Arvola, Eureka, engineering; Elizabeth Wilson, Eureka, commercial; Merwyn Riddle, Alliance, Nebraska, engineering; Billie Bunch, Glendale, teaching; Dorothy Hunt, Covelo, teaching; Vonnice Dunston, Eureka, pre-medical; Mary Borneman, Eureka, teaching; Merrien Miller, Crescent City, pre-medical; Wallace Look, Eureka, Teaching; Edith Cain, Arcata, commercial; Anna Hill, Arcata, commercial; William Sherf, South Fork, engineering; Audrey Hayes, Hayward, teaching; Verne Cooperrider, Arcata, engineering; Frances Nye, Eureka, letters and science; Leland Westerland, engineering.

COLLEGE PLAYERS GIVE SHOW AT CHICO STATE

"Her Master's Voice," under the direction of Theodore Little, was presented at Chico on May 20 by the Humboldt College players. Members of the cast and production staff also attended the Chico State production of "Hamlet" and were guests at a luncheon and costume ball.

The group went to Chico by way of Weaverville, through Red Bluff and Redding. They returned by Clear Lake and the Redwood Highway. Those making the trip were Theodore Little, Edith Jennings, Donald Falk, William Peugh, Eleanor Buck James Rasella, Casper Torp, Glenn Goble, Charles Davis, Jean Hood, Catherine Caltoft and Charlene Renfro.

Mrs. Myrtle McKittrick, Recorder at Humboldt State, and College A Cappella Choir have recently visited high school at Arcata, Ferndale, and Fortuna. Mrs. McKittrick told the seniors of the advantages of attending Humboldt. The choir, under the direction of G. Dana Kinsman, sang before the entire student body.

Washburn Is Prexy, Edsall Vice-President In Student Election

Sherman Washburn was elected president of the Humboldt student body in the regular primary election Monday. Other officers elected on the primary were, Clarence Edsall, vice-president; Hazel Hagne, secretary; and Fred Hibler, treasurer. Students elected to the board of control were Valerie Barker, Vivian Larson, Ada Dean Regli, Bill Farber, and Henry Trione. Stan Colwell and Bill Hodges, candidates for the board of control, received an equal number of votes necessitating a revote. Other officers to be determined in a final election are Publicity Manager, between Rod Belcher and Martin Cabalzar; song leader, between

Honor Assembly Well Attended

All organizations and individuals who have won honors of various sorts during the year were recognized at the recent "All Honor" Assembly. Ray Pedrotti, president of Chi Sigma Epsilon, was the master of ceremonies.

Verne Cooperrider and Miss Faye Jackson played a two-piano selection, "Mozart's Concerto in d Minor." Miss Marianne Lambert played a violin solo, "Liebesfreud."

Myron Schussman announced the presentation of special awards. Beryl Unsoeld announced the officers of various college organizations. Valerie Barker named the Rousers and Freshman Medalists.

Dr. Homer Balabanis, President Arthur Gist, and Dr. Vernon Tolle addressed the audience briefly. Further information will be found throughout the paper.

Hed To Kum
The baccalaureate services to be held this coming Sunday afternoon in the courtyard at the college, beginning at 2:30, is unique in one respect for Humboldt State College in the United States.

For a member of the graduating class will preach the baccalaureate sermon.

This member is C. Barrett Kirby, pastor of the Nazarene Church in Arcata, who will receive the degree of A. B. in social science at commencement.

The Rev. Mr. Kirby, a Texan by birth, is a graduate cum laude of Bethany Peniel College, of Bethany, Oklahoma, which he attended for four years and from which he received the Bachelor of Theology. He entered Humboldt State this fall.

Glenn Is Installed As Group Head

Charles Glenn of Eureka was installed as president of the Student Teachers Association at the last meeting of the year held at the home of Roberta Hood of Arcata. Other new officers of the organization are Fred Jackson, vice-president; Marjorie Wing, secretary; and Marjorie Cropley, treasurer.

The meeting was called to order by President Myron Schussman. The string ensemble consisting of Marianne Lambert, Doris Gunderson, Dorothy Williams, and Myron Schussman played several numbers. Under the head of old business constitutional discussion was held and the group voted to accept the report of the constitutional committee.

A discussion period was held in relation to several present legislative bills concerning teaching and tenure laws. At the close of the discussion refreshments were served and the meeting was adjourned.

Those present were Myron Schussman, Charles Glenn, Bettie McWhorter, Marian Swap, Pauline Knudsen, Gladys Hinman, Frances Paulson, Jack Bartlett, Fred Jackson, Glenn Waldner, Walter Schocker, Marjorie Cropley, Nathalie Brenner, Grace McMannus, Blanche Lowry, Helen Connick, Marjorie Wing, Roberta Hood, Jean Lawyer, Ida May Inskip, Bob Madsen, Bessie Boehne, Myrtle Boehne, Vesta Moxon Beryl Unsoeld, John McGrath, Alex Smith, Franine Moore, Dick Baldry, and Mrs. Estelle Koch Dorothy Williams, Eleanor McKay, Henry Cluxton, and Verno O. FRESHMAN MEDAL FOR OUTSTANDING STUDENTS

It has been customary to award the Freshman Medal to the Humboldt College students who the members of Chi Sigma Epsilon consider outstanding in the group selected as Rousers. This year's medals were awarded to two students, Frances Nye and Verne Cooperrider.

Miss Nye was chosen because she has the highest scholastic ranking for the freshman women, has been active in dramatics, has participated in many other college activities, and has been chosen editor of the Lumberjack for next year. Cooperrider was chosen because he is one of the highest ranking men of the freshman class, has participated in dramatics, and has rendered outstanding services in music to the school and other outside organizations.

Commencement And Silver Anniversary At College June 9

The Humboldt State College commencement this year on Friday June 9, is more than a commencement; it will also commemorate the silver anniversary of the college, for the first commencement exercises were held in May 1915. In addition the day will be a homecoming for former students, with a program for both afternoon and evening.

At 1:45 p. m. there will be a ground-breaking or other appropriate ceremony for the dormitory the state will build at the college. This is the part of the program for which the Arcata Chamber of Commerce urged local business houses to close to show their appreciation for what the state has done for the local college. The program calls for brief talks by local and state officials, besides the breaking of the ground.

Incidentally, the state department of architecture is now taking

Unsoeld, Gregory Receive Honors

Beryl Unsoeld and Lanette Gregory were named as the winners of the Faculty Women's Club Award at the "All Honor" Assembly, by Mrs. Elma Folsom. This award is given to senior women for scholarship and for the degree to which a senior woman has been self supporting. It is aimed to recognize and encourage scholarship and especially attained by partial self support. The number of awards is based on scholarship records and grade points.

Miss Unsoeld received her award because of the fact that she had the highest scholarship of any woman in the senior class. It has been the custom to present this award as a recognition of high scholarship on the evening of commencement ship.

Miss Gregory received her award because of her high scholarship and the degree to which she has been self supporting.

Lanette Gregory is the student to have her name inscribed on the president's cup this year as the outstanding student teacher.

THE RADIO HOUR

The last student radio program of the year was held last Wednesday evening in a musical half hour featuring the Arcata High School A Cappella Choir.

A fine level of entertainment has been carried on in these weekly programs under Directors Keith Emenegger and Sherman Washburn. Programs were given for each class, a play was given, "The State versus Joe Miller," and there were many worthwhile musical presentations and featured speakers.

Rod Belcher deserves much credit for his cooperation and service as sports announcer, swing announcer, and general pinch hitter.

As the nucleus of the program committee, these students wish to extend thanks to the local musicians—Marianne Lambert, Vern Cooperrider, Marthabel Scott, Frank Steele, Al Biondini, Warren Haughey, Beverly Bullock, and Ben Bornham and the musical groups appearing on the college program, namely the College A Cappella Choir, and director G.

CAMPUS COMMENTATOR

"And a good morning to you all." Your Campus commentator is now doing a last piece of scandal for the "dear old Lumberjack." With the close of college rapidly arriving, everyone can safely say, "Humboldt has a real activity program in the spring." The pancake feed was the largest ever, Work Day was a great success, the weather has been grand, the Barn Dance was great, the Steamboat Shuffle novel and exciting (especially the late arrival of a few neighbors,) the faculty are really regular people, and to climax the spring activities will be finals and then the senior ball and graduation. Of course we should attend the baccalaureate next Sunday, too.

Now for scandal. Although many of the lads and lassies were very tired and had calloused hands and aching backs, they attended the big Finale dance. What a tradition this Work Day! Aching backs and callouses once a year! But what fun it is!

Lolly Scholl and Duane Godden seem to carry around together in romancing style. Diamond Jim Cady and Marj Barnes were enjoying themselves at the dance as well as on the campus these last few days. Your Commentator wonders if you noticed Keith Henderson and "Doorbell" Watkins at the hop? Jack Walsh and Rosie Ivancich just forgot Keith and Dotty Bell were along. The result was that a bit of hitch hiking was done by the Henderson-Watkins troupe.

Prexy Nick (now an ex) and Vesta Moxon were swinging around the dance floor. Nick and Vesta also enjoyed the Steamboat

Danna Kiusman; the Eureka High School Girl's Triple Trio, and director Pearl Jacobsen; the Arcata High A Cappella Choir and director Ruth Carrol; the College Male Quartet, composed of Willard Woodcock, Ted Speier, William Inskip, and LaVerne Elmore; and the College String Quartet, composed of Myron Schussman, Doris Gunderson, Marianne Lambert, and Dorothy Williams, and the speakers featured Bob Madsen, Ray Pedrotti, Carol Hine, and Mrs. Elma Ruth Folsom.

They also wish to join with the college in extending special thanks to the management of KIEM and its announcers Dean Metcalf and Julius Hooven.

Humboldt College Was Normal School When It Was Founded 25 Years Ago

Since commencement this year commemorates the twenty-fifth anniversary of Humboldt State College, an account of the founding and development of the college may be of interest.

In 1913 the California legislature passed an act, introduced by Hans Nelson of Eureka, creating the "Humboldt State Normal School", as the college was first known. The act provided that Arcata must for a time provide rent-free, suitable

quarters.

Charlie (not the radio artist) Glenn and Ida Inskip are always together these days. Brother Bill Inskip is now twirling about Marian McPherson, our last year's student body treasurer now visiting here.

Bus Foster and Hazel Hagge get along together wonderfully. Don Falk, Charlene Renfro, Elinor Buck, and a few other Humboldters enjoy the company of Chico men and women.

Well in another ten days dear old H. S. C. will lose (we hope not spiritually) many famous lovers, activity do'ers, etc. It will be many a year before the famous freshmen of '35 will be forgotten. It was they who won the first frosh-soph brawls, started off the "wonder teams," and took over the college in general. This class will leave many memories and challenges to other students.

This semester your commentator has eluded those who wanted to know "who the commentator is." If there have been ill feeling toward this column please remember it is all in fun. It will be many a year before this column will again be as good as in the days when Bess Ritola was the secret writer or as struggling as it is this present day. Yours for happiness, good luck in finals, long memories of dear H.S. C. and for continued spirit. Thanks friends for reading and not complaining.

degree; and in May, 1926, Humboldt conferred its first A. B. degree on its first graduate from a four-year course; this graduate was Mrs. Estella Culp, now Mrs. Estella Tener, of Southern California. In 1936 Arthur S. Gist succeeded Ralph W. Swetman as president, and under him a number of important developments have taken place.

In 1932 the tennis courts and parking space in front of the main building were completed. Eureka students used to commute by means of train which came up on a spur to the foot of the college hill, to where the present sign advertising the college now stands.

In 1933 the present College Elementary School was completed and occupied; it is the "laboratory" for students preparing to be teachers.

The year 1935 is noteworthy in that the California legislature then changed the seven state teachers colleges into "state colleges." This change is much more than a change in name. Before this the colleges were not supposed to offer course unless these courses could be directly utilized by students preparing to teach. Now, however, Humboldt and other California state colleges give an A. B. in Letters and Science as well as continuing to train teachers.

Vesta Marke, Humboldt College senior, substituted for Miss Evelyn Fielding, physical education instructor at the Arcata Union High School, recently when Miss Fielding received another injury to her ankle.

Miss Marke is a physical education major and will be graduated at the commencement exercises June 9. She was awarded one of the W. A. A. honor sweaters in the recent Chi Sigma Epsilon honor assembly.

Basketball Sked Tentatively Set

A tentative basketball schedule for next year has been released by Coach Herb Hart. Continuing on the Humboldt schedule next year will be Chico, San Jose, and San Francisco State Colleges and Southern Oregon Normal. A new foe will be the Cal Aggies of Davis. Also, two or three more games may be scheduled for a trip into Oregon. Humboldt will play four games against the SONS, two at Ashland, and two at home. Also on the Humboldt Schedule for next year will be the second annual State College Basketball Clinic, which is tentatively set at San Diego. Besides these collegiate games, Humboldt will probably again compete in the Humboldt County Independent League and will have games with various other independent and athletic club teams.

Another step that may be taken by the coaching department is the abolishment of baseball next year at Humboldt. The feeling is that Baseball and track cannot both exist successfully at Humboldt, and either one or the other must be abolished. Since more interest was shown in track during the past year, baseball will probably be the one to go by the board if any.

First Spring Practice Held

The past two weeks should be if not in the Humboldt calendar in matters of the gridiron, for the first spring football practice ever to be attempted has been held by Coach Herb Hart. With courses are winding up and the staging of social activities, it was no easy job to ride hard on a bunch of huskies worthy of the "uniform," but in spite of these things, and periods of wet weather thrown in, Coach Hart managed a practice average of around a dozen men.

Coach Hart was especially interested in the newcomers.

Among those reporting most regularly were Len Longholm, Richard Davis, Melvin Eskelson, Billy Lee, Frank Sanderson, Bob Tunnell, Charles Davis, Archie Forson, Lee Domeyer, Warren Haughey, Snooky Edsall, Don Goff, Jim Cady, Herman Jones, and Herb Gomes.

2 Women's Teams Playing Baseball

Baseball games have been in progress among the Humboldt College women in the physical education class after school. Two teams captained by Barbara Crnich and Betty Vlaardinger have been playing. Each team has won two games. The playoff for the championship will be played soon.

Mrs. Monica Hadley of the physical education department is in charge of the class.

Members of the teams are: Vlaardinger — Merrien Miller, Dorothy Watkins, Bessie Boehne, Rosie Ivancich, Eleanor Shaw, Elaine Johnson, Hazel Hagne, Gladys Grove, June McCombs, and Lynette Swan.

Crnich—Dorothy Fraga, Nathalie Brenner, Jane Hawley, Audrey Hayes, Virginia Belloni, June Muir, Rose Foster, Helen Fuher, Jennie Hart and Mary Borneman.

Six Athletes Are Awarded Sweaters

To men students at H. S. C. who earn four letters in one major sport or six letters in two or more major sports, a white honor sweater is awarded. This year at the honor assembly Earl Meneweather and Bill Farber, four-year football stars, were awarded sweaters, while Francis Givins and Lee Seidell were awarded sweaters for four years varsity basketball. These sweaters are in coat style having four green stripes and a block "H" over the heart. Pedro Elmore was awarded an honor sweater for four years tennis.

For three years in track and three years in football a similar sweater, except that it had three green arm stripes, was awarded Bob Madsen.

These honor sweaters are recognized by the student body as the highest athletic honor given for services at Humboldt State.

MRS. FOLSOM CALLED AWAY

Mrs. Elma M. Folsom of the college English department received news Saturday of the sudden death of her sister, Mrs. Bernard Baber, of Colfax, Washington, that day. Mrs. Folsom and her mother, Mrs. Mary McCann, left for Colfax via stage Saturday evening.

Four Teams Are In Softball League

Four teams representing the Humboldt State College Intramural Softball League are battling for championships of this noon league. These teams under the leadership of captains, Lee Seidell, Rod Belcher, Curt Wilson, and Henry Trioni are entering the second round with Seidell's team in the lead with two wins and no defeats. Scores of the games to date are: Seidell 7—Wilson 0; Belcher 8—Trioni 7; and Seidell 5—Belcher 2.

Members of the teams are: Belcher (c) Frank Sanderson, Francis Givins, Don Falk, Charles Glenn, Ray Pedrotti Earl Meneweather, and Dan McClure.

Team No. 2—Seidell (c) Mitch Chetkovich, Marshall Rousseau, Nick Barbieri, Harold Langdon, Don Mahan, Lee Flink and Vic Lorenz.

Team No. 3—Wilson (c) Preston Connick, Wally Lozensky, Wes Ball, Sedolph Johnson, Len Longholm, Keith Henderson and Bob Goss.

Team No. 4—Trioni (c), Rich Davis, Pedro Elmore, Jim Cady, Willard Woodcock, Ted Speier, Archie Forson, and Martin Cabalar.

Don Starr, former Humboldt State student and dramatist, is now playing a minor part on the professional stage in New York according to word received here. Starr is playing in the Fredric March production, "The American Way."

Susan Goldschmits of the College Commons will spend her vacation, which begins August 1, on a trip to North Dakota with her mother.

Work Day Dance Is Huge Success

From the conversation heard throughout the evening, all indications were that the Grande Finale Work Day dance was one of the most successful dances of the year. Many high school students attended the affair and all stated that they had a good time, many are planning to enroll at H. S. C. within the next year.

Every half hour a floor show was held with Billy Lee, Rosie Ivancich, Vernice Alanen, Dolores Scholl, Rod Belcher, Vesta Moxon, and Freddy Jackson entertaining. A pick-up orchestra organized by Laverne Elmore played at the dance. Jayne Harville was dance chairman of the Work Day finale affair.

TEA PLANNED

Starting at 2:30 there will be a tea in the college social unit given by the college faculty wives for women graduates. Those who are married and have children are urged to bring them.

At the same time, on the college athletic field it is planned to have a soft-ball game between a team of college athletes and former men students. TO CONDUCT FIELD TRIP

Dr. and Mrs. William Lanphere of the Humboldt College science department will spend nine weeks of the summer vacation as co-conductors of a University of Washington botany field trip. The rest of the time they will spend in Seattle and on Whidby Island.

Margaret Easley of Covelo, Humboldt College senior, has been elected to a teaching position at Scott's Bar in Siskiyou county.

For this dinner, at one dollar a plate, should be made through the college, it has been announced. At this time it is planned to "introduce" a number of those who had a part in the early days of the college.

The place of the dinner has been tentatively set at Hotel Arcata. It is necessary to begin at the hour set, 6:15, so that commencement will not be delayed.

Commencement will be open to evening in the college gymnasium, at which Governor Culbert Olson has promised to deliver the commencement address and Dr. Joseph Burkman of Sacramento, assistant director of education, also will be a speaker.

Commencement will be open to the public, although it is planned to reserve certain seats for the immediate family and friends of the graduates.

20th Anniversary Also Celebrated

Five years ago Humboldt State College celebrated its twentieth anniversary which was attended by Humboldt County residents and by the state director of education and members of the State Board of Education.

The celebration was held on Friday, April 6, 1934, as this was the exact twentieth anniversary of the beginning of instruction at the local school. Incidentally, it had been originally planned to hold the coming silver, or twenty-fifth, anniversary on April 6 of this year. However, the fact that the state legislature was in session it was discovered, would prevent the attendance by state officials.

The celebration in 1934 consisted of a banquet at 6:30 in the college commons and a formal program after that in the gymnasium, open to the public.

J. J. Krohn of Arcata, president of the College Improvement Association, presided at both banquet and program. This association is composed of Arcata business and professional men who have been instrumental in aiding the college in many ways. At the banquet there were introduced Rease M. Wiley, the only member of the original board of five trustees present; and Mrs. Eugene Fountain of Blue Lake, who was the first person to complete the diploma course for a credential at Humboldt. Mrs. Fountain, then Miss Susie Baker, was a graduate of the University of Nebraska, who entered Humboldt to obtain a California teaching credential.

At the program in the gymnasium, music was furnished by the college A Capella Choir, directed by Edmund Jeffers. The late Mayor Frank Sweasey of Eureka, the first speaker, related the his-

Balabanis to Give Sacramento Speech

Dr. Homer Balabanis of Humboldt State College has accepted an invitation to be one of the speakers at the "Institute of Government" conducted annually by the California State Employees' Association for the state employees.

The institute, which will be held Friday and Saturday, June 16 and 17, at Sacramento, consists of lectures and discussion groups on subjects of interest to state employees. Besides the technical subjects, there will be a section of a general and cultural nature, the theme of which will be "Living in Today's World."

Dr. Balabanis will speak to this

tory of the college.

Then President A. J. Hamilton of Chico State College, a boyhood friend of President Arthur S. Gist of Humboldt, spoke as a representative of the other California state colleges.

Vierling Kersey, then state director of education, was next introduced and he in turn introduced the members of the State Board of Education who had come with him to the celebration. They were Armisted V. Carter of San Diego, Dr. Lewis P. Crutcher of Lang Beach, J. Harold Decker of Los Angeles, and Robert Golway of Sacramento. Mr. Kersey then spoke on "Education and the National Recovery."

He was followed by President Gist who spoke on "The College of the Future."

After his speech, men students quickly cleared the floor of chair and there followed a dance for all the guests. Patrons and patronesses were Mr. and Mrs. Henry Brizard, Mr. and Mrs. Hans Nelson, Mayor and Mrs. Frank Sweasey, Mr. and Mrs. Joseph Glenn, and Mrs. Bertha Murray.

Scholarships Are Given On Assembly

The athletic scholarships consisting of a semester's tuition were awarded by the Men's Association to Ivan Olsen of Ferndale and David Risling of Hoopa at the honor assembly held at H. S. C. recently. Acceptance of these scholarships by the winners of these awards have not been officially received by the scholarship committee of the Men's Association.

These scholarships are based on the athletic performance and scholarship ability of the high school senior of Humboldt and Del Norte counties together with the recommendation of the high school principal.

Last year's winner of the award was Kenneth Newell of Fortuna, former high school basketball player.

WANT GRADES? LEAVE ENVELOPE

Students desiring to obtain their grade cards for the present semester are asked to leave a self-addressed stamped envelope in the Recorder's office before they leave college this semester. It has been the custom here "to give out no grades over the counter."

ing Humboldt State College on the with an arrow pointing toward the road at the foot of the college hill college. Henderson and Ball were assisted by several alumni who visited the Work Day and a group of Humboldt co-eds.

According to a highway engineer, completing a job of oiling and graveling roads and general projects as done this Work Day is something that the entire community should be proud of.

Jim Hall, official Work Day photographer, plans to have the pictures of the activities ready for sending to "Life" magazine as requested by the magazine's construction staff in hopes of publication.

Tools for the projects were secured from the California State Highway department and the Works Progress Administration. The City of Arcata furnished a truck while the City of Eureka furnished a road oiler. Various college students furnished trucks

Senior Women Are Guests of Faculty

The senior women were guests at a dessert party given by the faculty women Saturday evening at Mrs. Stella Little's home in Arcata. Whist was played. Beryl Unsoeld received a prize for the highest score.

As each guest entered the living room, which was decorated with spring flowers, she was presented with a diploma bearing credentials for a different profession. The guests assumed the roles indicated on their diplomas.

Those present were: Helen Connick, Lanette Gregory, Margaret Easley, Robert Hood, Beryl Unsoeld, Esther Ritola, Betty McWhorter, Pauline Knudsen, Vesta Moxon, Blanche Lowry, Edith Nellist, Jean Lawyer, Lois Watkins, Gladys Hinman, Frances Poulson, Mrs. Irma Brizard, and the faculty women.

NO EARLY EXAMINATIONS

According to faculty ruling, students are not to be given early examinations; that is, before the regularly scheduled examinations. Only in the most exceptional cases will this rule be broken, it was said, and only then on recommendation of the Scholarship Committee.
