

# Humboldt Lumberjack

Humboldt Lumberjack, WEDNESDAY, OCTOBER 18, 1939

## Promising Candidate To Be Recommended For S. F. Schools

The Personnel Department of Public Schools has again invited Humboldt's placement bureau to recommend promising candidates for the San Francisco schools. The examination will take place sometime in March. The San Francisco schools are more interested in having experienced teachers than graduates without experience.

Mrs. Myrtle McKittrich will have complete information in ample time for this who wish to take the examination.

## Freshman Honored At W. A. A. Banquet

New students and freshmen were initiated into the Humboldt College W. A. A. last Thursday afternoon at a banquet held in the commons.

Frances Nye conducted the program, and Mrs. Monica Hadley, who is the advisor of the W. A. A., welcomed the new members and introduced the wives of the faculty and teachers present. Mrs. Fred Teloincher, who is a former student of Humboldt State College, told a humorous story of her initiation into W. A. A. Joan Pine played a piano solo, and Betty Sue Wilson sang, accompanied by Betty Jane Atwood. Miss Helen Garvin lead the girls in group singing.

All new members had to wear mittens and eat with their left hands. Singing of the Alma Mater concluded the banquet.

## DR. FISHER ADDRESSES TEACHERS' ASSOCIATION

"Neutrality" was the subject of a talk given by Dr. Raymond Fisher at the first meeting of the Student Teachers' Association last Tuesday evening in the social unit. After his address the group held a panel discussion on the subject.

The Student Teachers' Association is open to all upper division students who are taking a teacher's course as well as the student teachers themselves. The organization meets on the first Tuesday of every month. The officers are Charles Glenn, president, Fred Jackson, vice-president, Marjorie Wing, secretary, and Marjorie Croyley, treasurer.

## MRS. WOODCOCK ON TRIP

Mrs. Jessie T. Woodcock, Humboldt State financial secretary, and her husband left yesterday for San Francisco. While on her vacation Mrs. Woodcock plans to attend a financial secretaries' meeting in Sacramento, a National Youth Administration meeting in Stockton, and the U. S. C. versus Cal game.

She and her husband will return around the first part of November.

## RETURNS AFTER ILLNESS

Nadine Swan, freshman student at Humboldt State, returned to college Monday after being confined to her home for almost a week because of an illness.

## SKI CLUB SEEKING LUMBER FOR PROJECT

The Ski Club members want to build a ski hut on Grouse Mountain, but so far they have been unable to secure the lumber necessary. Therefore, they are looking for someone who would be willing to donate either some discarded lumber or perhaps an old building in the vicinity which could be torn down for the purpose.

Anyone willing to make such a donation is asked to see Leland Domeyer, president of the Ski Club, or some other member.

## Civil Service Test To Be Given Oct. 26

Four Civil Service examinations to be given October 26 may be of interest to Humboldt students. Applications must be filed before the examinations can be taken, however, and these applications should be addressed at once to the State Personnel Board, Sacramento or San Francisco.

The four examinations to be given and some of the qualifications necessary are:

Intermediate Stenographer-Clerk, Bureau of Vocational Rehabilitation (open to men and women), \$110 a month; evidence of some physical impairment is necessary in the applicant.

Junior Stenographer-Clerk, Bureau of Vocational Rehabilitation (open to men and women), \$90 a month; evidence of some physical impairment is necessary in the applicant.

Intermediate Stenographer-Clerk, Division of Fish and Game, Department of Natural Resources, starting wage not named but the work is promotional.

Group Supervisor, Ventura School for Girls (open to women only), \$130 a month; applicant must have had experience with Camp Fire or Girl Scout groups.

Anyone interested in any of these examinations is asked to see Bert Wilson of the commercial department immediately for further information.

## H. CONNICK TEACHING WILLOW FOREST SCHOOL

Helen Connick, Humboldt State, '39 is teaching at the Willow Forest No. 1 school at Willow Creek, near the Hoopa highway; She is the only teacher at the school.

Evidently she must have some future football material for Humboldt State because twenty of her twenty-seven pupils are boys. She is staying at the Willow Creek Lodge, one mile from her school and drives back and forth to school each day.

Kathryn Haley, another Humboldt State graduate, is in charge of a school with ten pupils four miles from Miss Connick's school.

## RADIO PROGRAM TONIGHT

The college radio program will be held tonight from 8 to 8:15 over station KIEM. The program will consist of vocal solos by Bob Brown; violin solo by Glenn Arklett, and sports comment by Francis Givins. Rod Belcher is the announcer for the college radio programs.

## Players To Visit Treasure Island With "Our Town"

The Humboldt College players will present their first public performance of "Our Town" in the Federal Guild Theatre on Treasure Island Thursday evening, October 26.

William Hoppe, of dramatics at Humboldt, announced Thursday that members of the cast and technical staff will leave by train for San Francisco and the Golden Gate Exposition Tuesday, October 24, for this biennial play trip, and will remain in the city until October 29.

Mr. Hoppe suggested that anyone wishing to accompany the players on the trip, taking advantage of the special low round-trip fare of \$6.45. May see him for information concerning the trip.

Members of the cast and technical staff who will make the trip are: William Inskip, Vivian Larson, La Verne Elmore, Karl Higgins, Marthabel Scott, Lela Locke, Charley Davis, Fern Blakey, Sadie Crnich, Roderick Belcher, Bob Pinches, Milton Villa, Sherman Washburn, Betty Fay, Oriel Poscic, Sue Dea Penturf, Helen Fox, Elinor Buck, John Van Duzer, and Channing Jenkins.

## Beauty Operator Speaks at Meeting

Personal grooming was discussed and a demonstration of the care of the hair was given by Mrs. Nell Nangum of Brizard's Beauty Shop, at a recent meeting of the Kampus Ko-eds at the home of the advisor, Mrs. Raymond Fisher.

During the business meeting the group discussed plans for parties and for a project which they will undertake in the near future. Elizabeth Ann Bartlett was welcomed as a new member. Alberta Starkey acted as program chairman for the meeting.

Members attending were Dorothy Hunt, Elizabeth Ann Bartlett, Marion Kemp, Joy Stockton, Helen Arnold, Ada Dean Regli, Irma Hugnin, Dorothy Fountain, Alberta Starkey, and Mrs. Fisher, advisor.

## NOTICES NOW POSTED

Notices have been posted in halls so that all girls who are interested can sign up for after school hockey. Each girl must have at least six practices in order to become eligible for competition.

Games will start in about three weeks. Anyone who cannot go out 4 to 5

for practice after school from 4 to 5 will be able to get practice in on Tuesdays and Thursdays from 2 to 3 with the freshman women's gymnasium class.

## S. POLITIS RETURNS

Sophie Politis, freshman student at Humboldt State, returned to school Monday morning after being absent for a week because of illness.

## COURSE FEES DUE STARTING MONDAY

Course fees will be collected on the seventh week of school, from October 23rd. to 27th., according to a notice coming from the financial secretary, Mrs. Jessie T. Woodcock. Lists of course fees were placed in the students' boxes on the 16th.

State regulations make it necessary that these fees be collected on this date, therefore the date of payment of fees cannot be extended for anyone.

## A. W. S. Planning Year of Activity

Plans to make the Associated Women Students an active organization at Humboldt College were started at the first meeting of the group Friday, October 13.

Rosie Ivanich, president of the club, opened the meeting with a welcome to freshmen and all new students. After the reading of the minutes and the by-laws by Ada Dean Regli, recording secretary, committee reports were given by Vivian Larson on the Frosh Round-up; Barbara Crnich reported on the drill team; and Dorothy Hunt gave the treasurer's report. Ada Dean Regli was asked to look into the matter of obtaining a charter for the organization.

After the business meeting a program was presented: Vocal solo by Betty Sue Wilson, "A Heart That's Free", accompanied by Betty Jane Atwood; tap dance, Frances Ensign, accompanied by Helen Arnold; imitations, Rollo Forman.

The meeting was closed with the singing of the Alma Mater.

## FIVE NEW STUDENTS ENROLL AT H. S. C.

There are now 406 students registered at Humboldt. Four of the new-comers are girls. Helen Fox who comes from Castlistogas, is here taking a kindergarten-primary course. She is now living at the home of Mrs. Gene Couey in Arcata.

Virginia Pease is planning to take an A. B. in English. She has recently moved to Eureka from Eugene, Oregon.

Jeanne and Beverly Bendorf from Scotia are taking business courses. Francis Mauzey, second semester freshman from Arcata, is also taking commercial work.

## COMPLETION IS NEAR

Mercer and Fraser, contractors, are now completing the final work to be done on the College Elementary Training School. This work includes finishing playrooms, auditorium, and economics room.

## Football Topic of Talk

A History of Football at Humboldt State College from 1934 was the topic of Graduate Manager Bob Madsen when he spoke before the Garberville Rotary Club Tuesday, October 17th.

Madsen also shows movies of the Humboldt State teams and the football development at Humboldt since 1934.

## Former Gael Star This Year's Coach Of San Francisco

San Francisco State College is expected to furnish strong opposition to Humboldt this weekend in Albee Stadium. Coaches Herbert Hart and Harry Griffith scouted the game between San Francisco and Chico State last Saturday night in San Francisco, after the Humboldt game at Davis. S. F. and Chico played a scoreless tie.

The starting line-up for San Francisco last week, which presumably will be about the same against Humboldt, was as follows:

Left end, Lee, 173 lbs.; left tackle, Fairbanks, 200 lbs.; left guard, de Ghetaldi, 180 lbs.; center, Gittens, 220 lbs.; right guard, Swannack, 195 lbs.; right tackle, Hanrahan, 195 lbs.; right end, Meller, 165 lbs.; quarter, Lowrie, 195 lbs.; left half, Machi, 143 lbs.; right half, Chandler, 165 lbs., full, Stein, 215 lbs.

San Francisco State is coached this year by Dick Boyle, the famous "Blue Ghost" of St. Mary's. Boyle was the leading scorer on the St. Mary's team in 1929. He scored 42 points and earned All-American recognition that year as halfback. His work as safety man was also one of the reasons the Gales' goal line was crossed only once that season.

The following season Boyle was selected as one of the best quarter-backs on the Pacific Coast because of his ability at signal-calling, at ball-carrying, and at blocking.

That year he scored the winning touchdown against Fordham, against Santa Clara, and against Oregon. The title of "Dynamite Dick" was given him by Eastern sports writers following the Fordham game. The Fordham team had been unbeaten for two years and not a single touchdown had been made through their line until Boyle crashed through center for the winning score.

## FORMER HUMBOLDTER STUDIES FRENCH HORN

When Miss Helen M. Garvin of the music department attended a conference in San Jose recently, she met Karen Loft, a former Humboldt State student who was prominent in musical activities here.

Miss Loft is attending San Jose State College and is studying the French Horn there under a famous instructor from the east.

Miss Garvin also heard Miss Loft sing with the San Jose State A Cappella Choir while she was away.

**SELL MORE POM-POMS**

Last Friday the College W. A. A. placed their pom-poms on sale and only 18 were sold. Perhaps it was because not many students were able to go to the game over the weekend. Let's see more sold for the next game. Bright colored pom-poms make a very good showing in the rooting section.

H

**SENIORS, ATTENTION!**

An appeal to members of the senior class to show more interest in class activities has been issued by the president of the senior class. His message follows:

"Unless the members of the senior class display more interest in senior class activities, such interest being evidenced by attendance at scheduled meetings, the senior class as an organization will go out of existence.

"This means that there will be no Senior Ball or Banquet. Nor will there be a Senior Week. Seniors will be expected to take final examinations along with other students."

H

**DRAMATICS GROUP MEETS**

Alpha Psi Omega, dramatics fraternity, held its first meeting last week. After the business session, a play was read. Those present were William Inskip, president; Roderick Belcher, secretary; and Eva Mathisen, Elinor Buck, and James Rasella.

H

**REFERENCE CARDS TOPIC**

The use of reference cards will be the topic presented to the Orientation class by Mrs. Helen Everett, of the library staff Friday, October 20. Dr. Vernon Tolle announced that the full program for the semester will be completed soon. Many speakers are expected to discuss matters of importance and interest to the students it was stated.

H

Bob Pinches, freshman student at Humboldt State, visited relatives in Willits over the past weekend.

## Games May Come and Games May Go The Commentator Goes On Forever

'Twas midnight on the corner...not a bus was within sight...Yes, peace reigned for a while, but soon all was bedlam...the rooters were on their way to Davis. A prophecy had been made that all would be quiet after going six miles, but the prophecy didn't hold...after six hours they were still going strong...Helen Jones hadn't even stopped Monday morning when we arrived home...an endurance record it must have been.

Bettie McWhorter and Billie Goff got the jump on the rest by taking a Greyhound bus through Santa Rosa. What's Spring Valley got that Woodland hasn't? Yes, we know, Myron Schussman. The Schussmans were well represented at the Cal Aggie game since Mr. Schussman, his wife, and Jean were also down. Notice work...But to go back to Billie Goff, she came to the game with Ken Bauer.

Shades of geology...Peter Schmitt saw some foothills that were practically mountains and tried to prove they were deltas. Don Mahan just couldn't seem to talk Peter out of the idea...And then there was the time we had to wait for Peter and Leonard Juell to get some film with which to take pictures. "Smile, smile, let me see you smile."

Chicken sandwiches, Aili Eggert and Audrey Chase will come to mind every time I get hungry on a bus. Gosh, but somebody else's food smells good when you don't have any of your own...No matter how many times you stop there's always somebody ready to eat.

Up, up, up on the benches climbed the Humboldt rooters as the shade (what shade?) on their side kept shifting. One more row and they would have had to drop behind the bleachers and watched the game from under the stands...Virginia Hunter must not like hot weather from the looks of the ice-cold drinks she consumed...well, the rest would have done the same if they'd had any money...Patsy Logan, the plutocrat, came home with three dollars...For a while we thought Jack Davies had designing ways.

"Boom...t...rat!"... "I love a parade."...especially when you're seven stories above, have a nice comfortable chair to watch it from. Bev. Bullock, Frances Nye, Lolly Scholl, and Carol Hixon really picked the right room in the right hotel...but they

picked the wrong places to eat...nothing like trying to figure out in Russian what you're paying for that you didn't have...Carol was still in a fog when she got home, for she couldn't find her suit case...It all turned out that Ledo Matteoli had it...now where's his?

Talking about food, you should have seen the frantic way in which Rollo Forman was hurrying everybody in Vallejo. There it was eight o'clock and Rollo was to meet Bev Roberts in San Francisco at nine-thirty. No wonder he was in a rush!...Somebody who didn't look as though she was ready to come home quite yet was Dotty (Belle) Watkins. Yes, he was nice looking...And...why didn't Charlie Arnold have any dinner? Ask him what he enjoyed most about the fair.

Orchids by the bushel are to be handed out to Carl Owen. Maybe it helps to have Marie along...? Margaret Monroe was keeping our little mascot Jimmie happy on the way down...Maggie really looked warm sitting out in the broiling sun at the game with that heavy Lumberjack shirt on.

Humboldt didn't need but one man to cheer the team on...Say, when "Windy" Carr got near the mike it teetered from the vibration set up by Walter...Same idea goes with Alan Lowry, who kept shouting, "Trow de bum out" to everything from the football game to Pedro's much talked of "love dice" I mean "dove lice"...Now, there was the singing troubador of the bus...From solos to rounds went Mr. Elmore...Round 1...round 2...round and 'round...Clifford Olson has a nice voice, hasn't he Dot Mackins?

Mrs. Hadley managed to look cool even while sitting out in the hot, hot sun. Husband Gordon hovered near the cooler spots however...Side-line glances...Jim Moore looking very happy with Carmen Baldwin...Kenny Newell

**PARLEZ-VOUS OUTDOORS**

"Plenty of sunshine and fresh air" must have been the moto of the "French C and D" last Friday afternoon.

Instead of spending their class hour inside of the building the students picked up their belongings and urged their teacher out into the sunshine on the north balcony.

being an aristocrat by watching the game from his car...Marjorie Cropley bobbing up and down.

But back to the days of yesterday...Twas told to me that a certain Miss Scott is playing the stock market again, yep she is one hundred per cent for Steel...Mrs. Fred Telonicher won the gals over at the W. A. A. freshmen initiation banquet by telling them how she was embarrassed at a certain initiation of her own. It seems as though she had to repeat the phrase, "Please, make Mr. Telonicher as me for another date"... And she was so afraid it would get back to him...at the banquet the one gal who couldn't make a false move and start eating with her right hand was Frances Rutledge...there were too many upper-classmen sitting across the table.

When Marlyn Stover returned home his mother asked him if he had slept any—to which he replied, "No, there was too much to see."

Peeking—is that it?

## Wire Says H. S. C. To Train Pilots

Humboldt State College was, through a wire, today officially notified that it has been granted a civilian air-pilot training course. Press associations yesterday reported from Washington that Humboldt was one of certain additional colleges that have been included in the program.

Improvements at the Humboldt County airport, according to stories in Eureka papers, will be rushed to comply with government specifications for flying fields to be used in the training program.

## Humboldt Suffers Its First Defeat In Current Season

The Humboldt State College football squad was defeated by an alert Cal Aggies team on a hot Davis gridiron last Saturday by a 12 to 2 score.

The Aggies scored late in the second quarter when Herringer tossed a long pass to Nitta, an aggressive end for the Aggies, putting the ball on Humboldt's five-yard line. From there it was carried over center by Marioni for the touchdown. Again, in the middle of the fourth quarter the Aggies took advantage of Ellis's fumble on the ten-yard line, to recover it for a touchdown. Neither of the conversions after touchdown were made.

Humboldt scored two points on a safety when Marioni, a Cal Aggie halfback, was spilled back of his own goal line after intercepting a Humboldt pass and made an illegal pass.

Throughout the first quarter, pass-interceptions were made by both teams. The ball see-sawed up and down the field with neither team scoring.

In the second quarter the Aggies gained largely on punt exchanges. Taking advantage of Humboldt's weak pass defense, Herringer completed a long pass to Nitta. The try for conversion was blocked. The score remained 6 to 0 until the last quarter.

At the beginning of the final quarter the Aggies got a break when Nitta blocked Longholm's kick on the 12 yard line. Nitta again starred when he fell on a Humboldt fumble for a touchdown in the middle of the fourth quarter. The conversion was again blocked, leaving the score at 12 to 0.

Marion Kemp, Joy Stockton, and Charlene Renfro, all Humboldt students living at the dormitory, spent the past weekend in Shively. Marion and Joy visited their parents, and Charlene stayed at the Kemp home.

## Athletics, Music Were Attractions In Early Days of Humboldt; Men, Too

Even in the early days when Humboldt State College was Humboldt State Normal School, athletics and music were attractions, although athletics seems to have been confined to baseball.

The catalog for 1915-16, the second year of the school, has this to say under the heading "Athletics:"

"About thirty-five, fine, clean, young men, such associates as you would want for your sons and daughters are attending. During the spring term a baseball team was organized (i. e., evidently in the preceding spring.) Encouragement will be given every form of clean, wholesome athletics among both young men and young women."

In the section devoted to music one reads that a choral organization glee clubs, single and double quartets were maintained. The section continues:

"A large instrumental musical organization forms an important part of the school activities. Instruction is given on all wind and string instruments. The following is a list of instruments now in use: ten guitars, eight mandolins, three ukuleles, one double-bass, two cellos, two violas, two cornets, one horn, one flute, forty violins."

"And then the proof reader of the catalog must have 'slipped,' for there is the item: 'and two pianists.'"

The music department, according to the catalog, gave one or two bf-i-eT-a two "operas" each year and at least one big concert. "The opera 'Pinafore' was very successfully presented this year," says the catalog. Participants were selected from the choral and instrumental organizations.

Some of the present Humboldt State students, when they learn that the school had four terms, may sigh for the "good old days" under the impression that a vacation followed each term. However, students in those days seem to have had fewer holidays than now. At any rate, the school year 1915-16 opened its first term on August 2 and closed on Friday, October 8. The second term began on the following Monday, October 11, and closed Friday, December 17.

Christmas holidays intervened, and the third term began January 3 and closed on Friday, March 10. The fourth term opened again on the following Monday and closed Friday, May 19.

There may have been special holidays. But if there were, no mention of them is made in the college catalog; and one day, at least, had not yet been made a holiday: Armistice Day, November 11.

Expenses at the seven California State colleges today are kept at a minimum, with Humboldt probably being one of the least expensive. But in 1915, although cost of board and room does not seem to have been lower than for present students, other expenses were less.

Tuition was free. With fewer activities, there evidently was no student body fee, because no mention of such a fee was made in the catalog. Since the course was shorter, less money was spent for books. There was one dollar fee per term for domestic science, for manual training, and for "elementary manual training." A \$2.50 diploma fee was charged.

"The expense connected with graduation is very small," the catalog reads. "The second term of Domestic Science is given during the last term of the senior year and the sewing class devotes whatever time is necessary to the making of graduating gowns. Each student is limited to an expenditure of five dollars on her gown and when finished, it must represent her own work."

## J. V.'s Make Debut; Win First Game

In their first appearance the Humboldt State College Junior Varsity eleven trounced Hoopa High School at Hoopa last Friday by a score of 20 to 0.

The Jayvees scored early in the first quarter with nine plays after the kickoff. Stashuk, in his first game, scored the first touchdown, when he carried the ball over center. The conversion was not made.

In the second quarter they scored again when Speier packed the ball over after making long ground gains. The try for extra point was made and the score remained 13 to 0 until the fourth quarter.

During the fourth quarter the Jayvees scored again when Speier packed the ball over after making long ground gains. The try for extra point was made and the score remained 13 to 0 until the fourth quarter.

From the last clause one might infer that even in those days some of the co-eds could use a helping hand—and did.

Jayvees made another power-march down the field which was featured by the long runs of Ted Speier.

Speier crashed over center for the third Humboldt touchdown. The conversion was made and the score stayed at 20 to 0 until the game ended.

This Friday afternoon the junior varsity squad will tangle with the Arcata High School Tigers who will be led by big Warren Simas, their star open-field runner.

## LEAVES FOR SCHOOL

Miss Ann Eden, who assisted in the commons during the past month has left for San Francisco to attend school. Miss Eden will specialize in a laboratory technician course.

Faye McCord and Eleanor Shaw, both Humboldt State sophomores, visited friends and relatives in Iaquia last weekend.

**Games May Come and Games May Go  
The Commentator Goes On Forever**

'Twas midnight on the corner...not a bus was within sight...Yes, peace reigned for a while, but soon all was bedlam...the rooters were on their way to Davis. A prophecy had been made that all would be quiet after going six miles, but the prophecy didn't hold...after six hours they were still going strong...Helen Jones hadn't even stopped Monday morning when we arrived home...an endurance record it must have been.

Bettie McWhorter and Billie Goff got the jump on the rest by taking a Greyhound bus through Santa Rosa. What's Spring Valley got that Woodland hasn't? Yes, we know, Myron Schussman. The Schussmans were well represented at the Cal Aggie game since Mr. Schussman, his wife, and Jean were also down. Notice work. But to go back to Billie Goff, she came to the game with Ken Bauer.

Shades of geology...Peter Schmitt saw some foothills that were practically mountains and tried to prove they were deltas. Don Mahan just couldn't seem to talk Peter out of the idea...And then there was the time we had to wait for Peter and Leonard Juell to get some film with which to take pictures. "Smile, smile, let me see you smile."

Chicken sandwiches, Aili Eggert and Audrey Chase will come to mind every time I get hungry on a bus. Gosh, but somebody else's food smells good when you don't have any of your own...No matter how many times you stop there's always somebody ready to eat.

Up, up, up on the benches climbed the Humboldt rooters as the shade (what shade?) on their side kept shifting. One more row and they would have had to drop behind the bleachers and watched the game from under the stands...Virginia Hunter must not like hot weather from the looks of the ice-cold drinks she consumed...well, the rest would have done the same if they'd had any money...Patsy Logan, the plutocrat, came home with three dollars...For a while we thought Jack Davies had designing ways.

"Boom...t...r...rat!"... "I love a parade."...especially when you're seven stories above, have a nice comfortable chair to watch it from. Bev. Bullock, Frances Nye, Lolly Scholl, and Carol Hixon really picked the right room in the right hotel...but they

picked the wrong places to eat...nothing like trying to figure out in Russian what you're paying for that you didn't have...Carol was still in a fog when she got home, for she couldn't find her suit case...It all turned out that Ledo Matteoli had it...now where's his?

Talking about food, you should have seen the frantic way in which Rollo Forman was hurrying everybody in Vallejo. There it was eight o'clock and Rollo was to meet Bev Roberts in San Francisco at nine-thirty. No wonder he was in a rush!...Somebody who didn't look as though she was ready to come home quite yet was Dotty (Belle) Watkins. Yes, he was nice looking...And...why didn't Charlie Arnold have any dinner? Ask him what he enjoyed most about the fair.

Orchids by the bushel are to be handed out to Carl Owen. Maybe it helps to have Marie along...? Margaret Monroe was keeping our little mascot Jimmie happy on the way down...Maggie really looked warm sitting out in the broiling sun at the game with that heavy Lumberjack shirt on.

Humboldt didn't need but one man to cheer the team on...Say, when "Windy" Carr got near the mike it teetered from the vibration set up by Walter...Same idea goes with Alan Lowry, who kept shouting, "Trow de bum out" to everything from the football game to Pedro's much talked of "love dice" I mean "dove lice"...Now, there was the singing troubador of the bus...From solos to rounds went Mr. Elmore...Round 1...round 2...round and 'round...Clifford Olson has a nice voice, hasn't he Dot Mackins?

Mrs. Hadley managed to look cool even while sitting out in the hot, hot sun. Husband Gordon hovered near the cooler spots however...Side-line glances...Jim Moore looking very happy with Carmen Baldwin...Kenny Newell

"Plenty of sunshine and fresh air" must have been the moto of the "French C and D" last Friday afternoon.

Instead of spending their class hour inside of the building the students picked up their belongings and urged their teacher out into the sunshine on the north balcony.

being an aristocrat by watching the game from his car...Marjorie Cropley bobbing up and down.

But back to the days of yesterday...Twas told to me that a certain Miss Scott is playing the stock market again, yep she is one hundred per cent for Steel...Mrs. Fred Telonicher won the gals over at the W. A. A. freshmen initiation banquet by telling them how she was embarrassed at a certain initiation of her own. It seems as though she had to repeat the phrase, "Please, make Mr. Telonicher as me for another date"...

And she was so afraid it would get back to him...at the banquet the one gal who couldn't make a false move and start eating with her right hand was Frances Rutledge...there were too many upper-classmen sitting across the table.

When Marlyn Stover returned home his mother asked him if he had slept any—to which he replied, "No, there was too much to see."

Peeking—is that it?

**Wire Says H. S. C.  
To Train Pilots**

Humboldt State College was, through a wire, today officially notified that it has been granted a civilian air-pilot training course. Press associations yesterday reported from Washington that Humboldt was one of certain additional colleges that have been included in the program.

Improvements at the Humboldt County airport, according to stories in Eureka papers, will be rushed to comply with government specifications for flying fields to be used in the training program.

## Humboldt Suffers Its First Defeat In Current Season

The Humboldt State College football squad was defeated by an alert Cal Aggies team on a hot Davis gridiron last Saturday by a 12 to 2 score.

The Aggies scored late in the second quarter when Herringer tossed a long pass to Nitta, an aggressive end for the Aggies, putting the ball on Humboldt's five-yard line. From there it was carried over center by Marioni for the touchdown. Again, in the middle of the fourth quarter the Aggies took advantage of Ellis's fumble on the ten-yard line, to recover it for a touchdown. Neither of the conversions after touchdown were made.

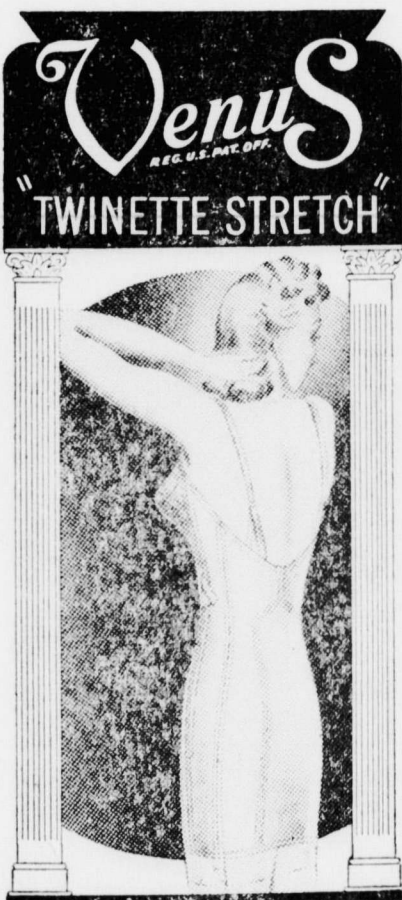

Humboldt scored two points on a safety when Marioni, a Cal Aggie halfback, was spilled back of his own goal line after intercepting a Humboldt pass and made an illegal pass.

Throughout the first quarter, pass-interceptions were made by both teams. The ball see-sawed up and down the field with neither team scoring.

In the second quarter the Aggies gained largely on punt exchanges. Taking advantage of Humboldt's weak pass defense, Herringer completed a long pass to Nitta. The try for conversion was blocked. The score remained 6 to 0 until the last quarter.

At the beginning of the final quarter the Aggies got a break when Nitta blocked Longholm's kick on the 12 yard line. Nitta again starred when he fell on a Humboldt fumble for a touchdown in the middle of the fourth quarter. The conversion was again blocked, leaving the score at 12 to 0.

Marion Kemp, Joy Stockton, and Charlene Renfro, all Humboldt students living at the dormitory, spent the past weekend in Shively. Marion and Joy visited their parents, and Charlene stayed at the Kemp home.

## Athletics, Music Were Attractions In Early Days of Humboldt; Men, Too

Even in the early days when Humboldt State College was Humboldt State Normal School, athletics and music were attractions, although athletics seems to have been confined to baseball.

The catalog for 1915-16, the second year of the school, has this to say under the heading "Athletics:"

"About thirty-five, fine, clean, young men, such associates as you would want for your sons and daughters are attending. During the spring term a baseball team was organized (i. e., evidently in the preceding spring.) Encouragement will be given every form of clean, wholesome athletics among both young men and young women."

In the section devoted to music one reads that a choral organization glee clubs, single and double quartets were maintained. The section continues:

"A large instrumental musical organization forms an important part of the school activities. Instruction is given on all wind and string instruments. The following is a list of instruments now in use: ten guitars, eight mandolins, three ukuleles, one double-bass, two cellos, two violas, two cornets, one horn, one flute, forty violins."

"And then the proof reader of the catalog must have 'slipped,' for there is the item: 'and two pianists.'"

The music department, according to the catalog, gave one or two bf-'ii-eT-a two "operas" each year and at least one big concert. "The opera 'Pinafore' was very successfully presented this year," says the catalog. Participants were selected from the choral and instrumental organizations.

Some of the present Humboldt State students, when they learn that the school had four terms, may sigh for the "good old days" under the impression that a vacation followed each term. However, students in those days seem to have had fewer holidays than now. At any rate, the school year 1915-16 opened its first term on August 2 and closed on Friday, October 8. The second term began on the following Monday, October 11, and closed Friday, December 17.

Christmas holidays intervened, and the third term began January 3 and closed on Friday, March 10. The fourth term opened again on the following Monday and closed Friday, May 19.

There may have been special holidays. But if there were, no mention of them is made in the college catalog; and one day, at least, had not yet been made a holiday: Armistice Day, November 11.

Expenses at the seven California State colleges today are kept at a minimum, with Humboldt probably being one of the least expensive. But in 1915, although cost of board and room does not seem to have been lower than for present students, other expenses were less.

Tuition was free. With fewer activities, there evidently was no student body fee, because no mention of such a fee was made in the catalog. Since the course was shorter, less money was spent for books. There was one dollar fee per term for domestic science, for manual training, and for "elementary manual training." A \$2.50 diploma fee was charged.

"The expense connected with graduation is very small," the catalog reads. "The second term of Domestic Science is given during the last term of the senior year and the sewing class devotes whatever time is necessary to the making of graduating gowns. Each student is limited to an expenditure of five dollars on her gown and when finished, it must represent her own work."

## J. V.'s Make Debut; Win First Game

In their first appearance the Humboldt State College Junior Varsity eleven trounced Hoopa High School at Hoopa last Friday by a score of 20 to 0.

The Jayvees scored early in the first quarter with nine plays after the kickoff. Stashuk, in his first game, scored the first touchdown, when he carried the ball over center. The conversion was not made.

In the second quarter they scored again when Speier packed the ball over after making long ground gains. The try for extra point was made and the score remained 13 to 0 until the fourth quarter.

During the fourth quarter the Jayvees scored again when Speier packed the ball over after making long ground gains. The try for extra point was made and the score remained 13 to 0 until the fourth quarter.

From the last clause one might infer that even in those days some of the co-eds could use a helping hand—and did.

Jayvees made another power-march down the field which was featured by the long runs of Ted Speier.

Speier crashed over center for the third Humboldt touchdown. The conversion was made and the score stayed at 20 to 0 until the game ended.

This Friday afternoon the junior varsity squad will tangle with the Arcata High School Tigers who will be led by big Warren Simas, their star open-field runner.

## LEAVES FOR SCHOOL

Miss Ann Eden, who assisted in the commons during the past month has left for San Francisco to attend school. Miss Eden will specialize in a laboratory technician course.

Faye McCord and Eleanor Shaw, both Humboldt State sophomores, visited friends and relatives in Inagua last weekend.

## Squad Loses Man Yet Total Is Same

Here is a regular "Believe-It-or-Not."

In last Saturday's football game against the Cal Aggies, one 'man' disappeared from the Humboldt State squad during the game, and yet at the end of the game there was the same number of players in uniform as there was at the beginning.

The answer? Yesterday afternoon Richie Davis, member of the squad checked with thirteen members of the squad and got the following results:

Longholm lost seven pounds during the game; John McGrath, nine; Chiodo, twelve and a half; Cady, six; Crichton, four; Goble, ten; Caro, twelve; Bill Lee, eight; Rousseau, seven; Sanderson, ten; Henderson, six; Givins, thirteen; Foster, twelve; Edsall, six.

That makes a total of 122 pounds lost during "the heat of the game" by these thirteen players. Add to that the fifteen reported lost by Gomes and the other poundage dropped by men who did not report and one has a regular depression.

In fact, a pretty good middle-weight must have disappeared from the squad.

## Humboldt Freshman Can Sympathize With Plight of War Zone Refugees

Everyday one hears of bands of refugees fleeing from the dictatorial reings of many European countries, and one can only try to realize the troubles of these people, but one of Humboldt State's freshman students, Sophie Politis, can confirm the terrors of such a flight. She has been told the story of the flight made by her and her family in 1922 when she was only a year old.

She was born on the northern coast of Asia Minor near Constantinople in 1921. When she was a year old the Greco-Turkish War broke out in Turkey as a result of the treaty made between the Allies and Turkey which gave a portion of Western Asia Minor around Smyrna to Greece.

This territory had been inhabited by the Greeks for some 2,000 years even though it had been controlled by Turkey for many years. In 1922 about one million Greeks were in Turkey to welcome the liberating Greek army.

At the same time a Turkish patriot, Kemal, reorganized the broken Turkish army in the interior of Asia Minor and led it against the Greeks who had come to take their rightful territory. The two armies clashed and the Greek army had to retreat to the coast. One million Greek refugees, fearing extermination, fled from Turkey and were transported across the Dardanelles, or to the Aegean Islands.

Miss Politis' father had come to the United States in 1909 and had become naturalized while here. After the World War, he returned to Asia Minor to live. When the Greco-Turkish War broke out, her father, because he was a citizen of the United States, was able to obtain help from the American consul. He secured passage from Turkey on a Greek ship. The first part of the journey was almost unbearable because of the great number of people crowded into the small boat, but travel became a little easier as the passengers debarked at points along the way, including Greece,

Italy, France and Gibraltar. After passing from the Mediterranean Sea, all passengers left on the boat were headed for the United States.

The Politis family, whose name means "person from the city" stayed on the eastern coast of the United States only a short time. They then moved to Eureka and have lived there the rest of the time.

Miss Politis entered Humboldt State College the second semester of last year and is enrolled in the teachers course.

Miss Politis went to Eureka High School before coming to Humboldt State. She was radio editor for the "Bark," the high school paper, during her last year.

For two summers she worked part of the time on the society page of the Humboldt Standard.

## Humboldt Teachers Appear On Program

President Arthur S. Gist was the first of a number of Humboldt State instructors this week to appear on the Tri-County Institute program. On Monday President Gist discussed a "World Congress for a War Education in a Democracy." Last August he attended this meeting in New York in which five countries were represented, twenty-six organizations outside of education. Out of the 3,000 persons there, 300 were selected for two days of seminar discussion, 150 representing education and 150 representing other groups. President Gist was one of those chosen for education. In another part of the program he discussed remedial reading.

Dr. Vernon O. Tolle conducted a rather extensive program for the elementary teachers yesterday morning at the training school.

G. Dana Kinsman appeared on the program as director of community singing. In a section meeting on music he discussed music with the music teachers of the county.

Miss Dorothy Dale, instructor in music, had charge of several sections of music teachers.

William Hoppe, drama instructor, directed a one-act play, "The Morning After," at yesterday morning's section. Members appearing in the cast were: William Inskip, LaVerne Elmore, Vivian Larson, and Eleanor Buck.

## Humboldt Dogs Take Blue Ribbons

"Bruni," Dr. William Lanphere's golden cocker spaniel, won a blue ribbon from the dog show at the Sacramento State Fair grounds, Sunday.

Mrs. Lanphere who took the dog down last week, accompanied by Mrs. William Morehouse entered her springer spaniel, also a first-prize winner. They arrived home Monday evening. Mrs. Morehouse is a former H. S. C. student; her husband was graduated from Humboldt last year and is now teaching.

Both dogs were entered in the limited class; that is, with dogs who have won less than five first prizes.

"Bruni," who is only a little over one year old, took a first prize last July at the World's Fair in the limited class.

## HORACE JENKINS ILL

For the first time in sixteen years, Prof. R. Horace Jenkins is absent from his industrial education classes at Humboldt State because of illness. "Pop", as he is known to all his friends, was stricken ill with the "flu" more than two weeks ago and spent the first five days of his absence in the Trinity Hospital. Dorothy Fountain and Harold Jenkins are taking charge of his classes at the college during his illness.

## Attempt Made for Trip

An attempt was made by Graduate Manager Bob Madsen to get San Francisco to send a rooting section up for the game next Saturday. This however was impossible since the school had already planned a trip to Chico and two trips were not advisable.

## BIONDINI AT KLAMATH

Alvin Biondini, former Humboldt student, who attended college last year, is now employed at Brizards store in Klamath, Del Norte county.

## New Members Join Humboldt Ski Club

Five new members were admitted to the Ski Club at the meeting held Friday noon in the botany lab. Newcomers were Ivan Olsen, Jack Lennox, Fay McCord, Marianne Lambert, and Betty Anne Carlson.

A committee consisting of Fred Jackson, Betty Anne Carlson, and Gene German, was appointed to draw up a club constitution. After being accepted by the members, the constitution will be presented to the student body executive council, when the club petitions for a charter.

An evening meeting and dinner in the social unit will be held soon and the constitution will be voted upon then.

As soon as lumber can be secured, the club will begin construction of a ski hut on Grouse mountain.

Marianne Lambert was elected to fill a vacancy in the office of secretary-treasurer. Other officers elected last year are Leland Domeyer, president, and Fred Jackson, vice-president.

Those present, in addition to new members were Delores Scholl, Fred Jackson, Leland Domeyer, Gene German, Bob Bryan, and Fred Price.

## SCIENCE CLUB TO MEET

The first night meeting of the science club will be held Wednesday October 17, at 6:30 p. m. in the social unit. There will be a business meeting and a dinner at that time. The dinner will be twenty five cents. This money should be paid to Fred Jackson, vice-president.
