WORLD AUTHORITY PRAISES A CAPPELLA CHOIR

SPRING CONCERT WILL OFFER "SONG OF FAITH," "BALLAD FOR AMERICANS"

Chi Sigma Epsilon To Give Scholarship Benefit Program

On Tuesday, April 22nd, at 11:00 A. M. Chi Sigma Epsilon will present its Annual Scholarship Benefit Program. This program is given yearly by the honor society to raise money for its scholarship fund. The award, covering a year of college expense, is made to a deserving graduate of some Humboldt or Del Norte county high school. The candidate must have a good scholarship record, participation in high school activities, and have the recommendation of his principal.

This year, for the first time, a new attraction will be added to the program. Representatives of several county high school, as well as some of HSC's most talented college students, will present numbers.

Featured on the program will be a humorous reading by Dr. Garff Wilson. In addition there will be numbers by Jack Sutherland, Katherine Jean Pratt, Allan Lowry, and a piano duet by Virginia Hill and Jane Lou Mahoney.

Tickets are now on sale for 10c. They may be obtained from members of Chi Sigma Epsilon and Rho Sigma, and at the door.

NOTICE TO SENIORS

All Seniors who expect to graduate with a teaching credential this June or July should file the placement information blank with the Placement Secretary at the earliest possible time. It is not necessary to finish student teaching before filing the blank which may be obtained from Mrs. Myrtle McKittick or Miss Claire Speier.

This blank should be filled out and filed whether you expect to teach next year or not, as it is easier to collect data now than it will be later on if you have been out of touch with the college for some months. Kindly indicate, however, if you do not wish to be considered for placement this spring.

For further details, consult the office bulletin board in the main hall.

Humboldt's annual Spring Concert will be presented Wednesday evening, April 30th, by the College A Cappella Choir, the chorus of 160 voices, the college Little Symphony Orchestra and Arcata High's A Cappella Choir, under the direction of Mr. Edmund Jeffers.

These combined musical groups will offer two famous compositions which local audiences will hear given for the first time by Humboldt musicians. The first of these two compositions is the "Ballad for Americans," a chronicle in music of America, from both literary and musical material. The soloists in both the orchestral and vocal parts have not yet been revealed, although it has been hinted that they will be from Stanford.

The second composition, entirely different in its construction (which is Modern Romanticism), is the "Song of Faith," a beautiful expression of faith in America's past, present, and future. Dr. G. B. Wilson, of the Drama department, will do the spoken part.

In addition, Humboldt's A Cappella choir will sing five numbers. They are now working on "Angelic Choir," from the library of the Chicago Eymphonic Choir.

Music lovers cannot afford to miss this concert. Some of the newest and beautiful of American music will be heard.

Council Names Williams For Co-op; Waters for Workday

At the Executive Council Meeting held Monday, April 14, it was announced that Dave Williams would manage the College Co-op next year (1940-1942). The council also decided that girls may qualify for work in the Co-op, and wishes that any who are interested would submit applications immediately.

The council appointed Forrest Waters as General Chairman of the All-College Workday, which will be held Friday, May 2.

It was understood by the Executive council that in respect to the possibility of Multiple cuts due to absence before and after Easter Week, no definite action had been taken by the faculty. This probably came about in consideration of the fact that several of the faculty members were absent at the same time, and it was considered unfair to penalize students for actions indulged in by the faculty.

CHOIR TO SING FOR TULIP TEA

The A Cappella Choir will sing for the Annual Tulip Tea tomorrow afternoon, given by the Humboldt County Federation of Women's Clubs, at the College Auditorium. A 20 minute program will be presented by the Choir, along with other musical and dramatic offerings by other organizations.

The purpose of this Tulip Tea is to raise money for the Musical Art, and Dramatic Scholarships of Humboldt State College.

The Choir will also sing for the District Meeting of the Business and Professional Women's Club at the Eureka Inn next Saturday evening. They will give a half hour program.

FRED SENDS REPLY

This telegram was received Monday, April 14, from Fred Waring.

Quote: Allan Lowry, chairman Music Committee Humboldt State College, Arcata.

Thank you very much for your original petition. Due to ASCAP negotiations we are unable at present to schedule any college songs. As soon as this is settled we will endeavor to consider your petition. Unfortunately there are a good many school ahead of you, so at present I cannot say just when this can be arranged. Many thanks and best wishes.

Barn Dance April 25th

—BY GOMER JONES—

On Friday April 25 the Associated Mens Students of Humboldt State College will provide the students with a delightful evening at their annual Barn Dance. The boys have gone to great deal of effort in order that the dance will be a complete success.

The decorations will be in the rural motif and the participants are expected to attend in rustic costumes of their own choosing.

Since the affair is a tradition at Humboldt and boys will take an active interest in the pleasure of the crowd, it was felt by the executive council that bids would be necessary.

The following committees have been appointed by General Chairman Thomas Oswald Hansen.

Publicity — Chairman, Gomer Jones, Dante Pezzoti, Chas. Moore.

Music, Tickets, and Programs — Chairman, Harold Foltz, Sub-chairman, Stanley Roscoe, John Paul Morton, Grant Ferguson, Gillis Courtright.

Decorations — Chairman, Clyde Eaton, Sub-chairman, Rich Tonini, Paul Thorn, Jim Simpson, and Haven Howatt.

FORMER HONOR STUDENT PASSES

Phillip H. Coons, 24, Former Honor student at Humboldt who had transferred to Sacramento Junior College, succumbed yesterday, April 15, to an illness of several years.

—H—

Marion Goss attended the California Student Teachers convention at the Palace Hotel in San Francisco.

Returning in giddy triumph from its 1941 Spring Tour, Humboldt State's A Cappella Choir is justifiably proud of the recognition accorded it at the California Far Western Music Educators' Conference, in San Jose April 7th by the world famous Reverend William J. Finn, of New York. He is better known to choral music enthusiasts everywhere as "Father Finn."

Father Finn was a special guest at the Promenade Concert presented by the choir, and afterwards the choir members were his special guests at a two-hour lecture and demonstration before one hundred and fifty Music Educators, teachers and critics. The first fifteen minutes of his time, Father Finn devoted to Humboldt's Choir, saying to Mr. Jeffers: "I want to remark about this to you. It is one thing to make the effort of great undertaking, and another thing to accomplish it, as you have. I cannot tell you how I enjoyed hearing the right kind of tone quality. If quality is not the quality of beauty, it defeats itself. It was beautiful singing." Father Finn predicted that Mr. Jeffers would be recognized in the very near future as one of the finest directors on the Pacific coast.

It may be noted here that while there was no official "Judging" of the musicians at the Conference, it is significant that Father Finn mentioned no other musical group except Humboldt's choir.

When the Choir began its tour last April 3, the group sang at many high schools before they arrived in San Francisco Friday evening, April 4. The first stop was South Fork, then Willits, then Ukiah. Friday, they sang at several Lake County schools, passing over flooded roads, barely getting through at all. Saturday night, the choir were special guests of the San Francisco Symphony.

IRMA HUGNIN WEDS DARREL SUNDQUIST

Coming as a surprise to many friends was the announcement of the marriage of Miss Irma Huginn to Darrel J. Sundquist, which took place last Saturday afternoon in Reno, Nevada. The bride, a slender, attractive blonde, was becomingly attired in a corn green afternoon frock with matching hat, and beige accessories. She wore a gardenia corsage. The wedding took place in St. Luke's Lutheran Parsonage at 5:30 P. M. Mrs. Sundquist has attended Humboldt State for the past two years.

It's a long lane that has no turning, OR at last the under-dog has his day! Figuratively, we refer to Humboldt State College, and more specifically, to the A Cappella Choir.

For years, "that little college 'way up in the big sticks" has faced the very stiff competition of far larger and more richly endowed institutions, and has met that competition with a growing, spirited student body and a progressive, enviable faculty. A particular example of this spirit and progressiveness has been very much in evidence this semester. Thirty-four students, inspired by their director Mr. Edmund Jeffers, put heart and soul into a united effort to achieve an almost unattainable goal. This goal—the near perfection of choral musical expression—was finally reached last April 7, when the A Capella Choir presented the afternoon Promenade Concert at the Far Western Music Educator's Conference in San Jose—and one very special guest was in the audience—the noted Priest, Father Finn.

After the long, often discouraging, and difficult hours of rehearsal literally "long into the night," when it seemed the group could never quite attain what they were striving for, was the choir not rewarded at last by the words of the world's greatest authority on choral music today when he said: "It was beautiful singing."

Those who never appreciated him fully before must now acknowledge the ability which approaches genius of Director Edmund Jeffers, without whom Humboldt's choir could not be what it is—and of whom Father Finn said: "I know that he is one of the finest choral directors on the Pacific Coast today—in a few years he will be recognized as such."

Which is conclusive proof that size is far from meaning everything to a college—that against the stiffest competition Humboldt can claim to be outstanding—and that Humboldt State is going on from here at no mean rate of speed.

SIGMA EPSILON RHO SPONSORS ASSEMBLY

Pictures of the Grand Canyon run for all makes of stock cars were shown at a general assembly, sponsored by the Science Club, Sigma Epsilon Rho, last Tuesday morning, at 11:00 a. m. in the college auditorium. The pictures were sound films in natural colors.

They were shown by representatives of the Gilmore Oil Company. Mr. Graves, College Librarian, showed natural color slides of New Mexico as an additional feature of the program.

Shirley Kirkpatrick spent the week at Santa Rosa with relatives.

"Just Incidentally"

BY
JONES AND MOORE

Just incidentally wasn't it too bad about Greece? But the defeat in the Balkans should have no effect on the final outcome of the war. As long as the Allies can control Suez and the Nile Valley, American supplies can be delivered to the scene of action and the British fleet should be able to retain control of the Eastern Mediterranean. However, the picture at the moment doesn't look too rosy in that quarter for our British friends. According to latest reports the Germans have taken Sidi Barrani and another hundred miles will put them on the rail head at Matruh. That rail road is a scant 300 miles from Alexandria and is the beginning of a system that links the entire middle east from the Bosphorus to Bagdad, from Baku to Port Said.

If the British loose control of Egypt and the Canal they can't hope to survive except outside of the Eurasian sphere. And that means India as well. The nationalist movement in India could very well, under the impetus of lost British power as well as prestige go to Nazi as did Persia.

With India gone the British empire would loose the basic reason for its existence and would remain only as an Anglo Saxon nation of six states. Which in the long run, might be the stronger unit.

Thus at the moment the key to the situation is the Nile Valley and the Red Sea route to the middle east. But to reiterate a little—after Poland, Norway was the key, after Norway they would stop him in France and after France they would pin his ears back in the Balkans, after Greece, North Africa was to be his Waterloo and after Egypt—whoops—that's as far as we've gone.

Helen Woodcock visited San Francisco over the holiday, where she renewed an army of acquaintances.

Community Concert Group Hears Choir

Tuesday evening, April 15, the A Capella Choir, under the direction of Mr. Edmund Jeffers, presented a half hour concert for the Community Concert Association. The affair, held at Nelson Hall, was in the form of the Association's Annual dinner, at which time the membership drive for the ensuing season is begun.

The concert presented by the choir was the same as that given at the Music Educator's Conference held last week in San Jose. Eight numbers, of varying styles and background from early Roman Catholic Church Latin compositions to modern British compositions were included in the program.

College Librarian Has Extensive Trip

Mr. and Mrs. Edward C. Graves of Arcata have returned from a trip to the desert regions of Southern California and Western Arizona. Graves, who is librarian of Humboldt State College, is a camera enthusiast and, in addition to taking the trip for a vacation, spent much of the time photographing the flora of the desert.

Points of interest touched by Mr. and Mrs. Graves were: Palm Springs, Joshua Tree, National Monument, Borego State Park, Boulder Dam, Imperial Valley, and the Mojave Desert.

While on this trip, Mr. and Mrs. Graves visited Mr. and Mrs. Harold Welsh in San Diego, both former Humboldt State students. At Carmel the Graves visited with Miss Ann Craig, formerly of the Humboldt State College faculty.

"WHAT'S THE BEEF?"

What's the Beef SH
TO THE EDITOR:

Our tennis team has planned a trip to Davis, to participate in the Far Western Conference being held there on May 3. This is the first time that a tennis team from Humboldt has been able to participate in such a match.

Our schedule is complete, but the Executive Council has deemed it unnecessary to appropriate the money for this trip. In past years money has been appropriated for this trip (\$50.00). This year they say there will be none. Why?

If the Executive Council would appropriate \$25.00, Coach Hart is willing to take \$10.00 out of the track fund and give it to the tennis team. This would make the total amount appropriated \$35.00, which would help to defray trip expenses. This is not too much to ask for when you realize that H. S. would have the chance to participate in this important tournament, and also have the chance to act as host to the other members of the Far Western Conference.

If a petition should be presented before you and you are asked to sign, we would appreciate your support! Help promote this sport which half of the student body has played at one time or another.

"WANNA-BUY-A-DUCK!"

Tink Belfis, it seems, has no sales resistance. An enterprising Oriental salesman so imbued our hero with the Happy Easter spirit that the latter, on departing, found himself he proud possessor of a trio of ducks. Things apparently progressed satisfactorily, the webbed-footed fowl paddling contentedly in a reasonable facsimile of their native habitat, the hotel bath, until Lido "Scoop" Matteoli decided to pursue a scientific investigation on the possibilities of literally ducking a duck. A usually reliable source informs us that Tink managed to nurse them through the trip without a single fatality. Which we suppose makes him a good "Quack" doctor.

QUIZ ANSWER OF THE WEEK

Unfortunately (or fortunately, depending on whether one is writing the paper or in a position to enjoy it) someone in History 4B is a bit hazy on geography. We quote, "he marched his men over the mountains of Sicily to Naples." We hope the boys wore their rubbers, splashing across the Tyrrhenian Sea.

WASN'T HUNGRY ENNYHOW

Patrons of the local eateries are just a bit confused. "Karl's" formerly at "Karl's" has moved to "Ma's." "Karl's" former address is being occupied by a third person who also goes under the name of "Karl's." But "Karl's" is at "Ma's" instead of at "Karl's." Just incidentally, "Ma" has moved out.

OMIT

Someone told us a joke about a sheep herder who was refused a drivers license because he couldn't make a ewe turn, but we heard it before so we decided not to print it.

IT'S HERE AGAIN!

The laest bulletin on the Mens Association Barn Dance activities informs us that a concerted effort will be made to keep the pigs, etc., in their pens and, just incidentally, keep Barn Dancers out of them.

phony Association, and also heard the new Color Symphony, presented for the first time in San Francisco.

The choir rehearsed constantly between concerts, the next of which was presented Sunday night, April 6, in a Methodist Church in San Francisco. Monday morning, the 7th, the group arrived early in San Jose in order to rehearse before their most important concert that afternoon at 1:30 p. m., the Choir presented the Promenade Concert before a very select audience of Music Teachers and critics. Back in San Francisco that evening, the entire group attended "Fantasia."

Tuesday night, April 8, the choir presented a concert for the Secondary Schools' Principles' convention at the Hotel Oakland. More than 1000 persons heard the choir at this banquet. Immediately afterwards, the choir presented a half-hour concert at the Fairmont Hotel for the Elementary Principles Convention. Dr. Walter Dexter, head of education in this state, praised the choir saying, "It is one of the best choirs I have ever heard. These students are representative of the students who attend Humboldt State. We have not been represented by Humboldt State at these conventions before, but from now on, I believe we shall be." The choir, as guests of the Elementary Principals, attended the private showing of the Water Follies, which featured world's champion woman diver, Helen Cerlenkovich.

Important musical directors from all over the state congratulated Mr. Jeffers upon the choir's outstanding achievement.

Humboldt Will Send Nine Delegates to Conventions

Humboldt will be well represented at the joint A.W.S. and W.A.A. convention which is to be held at San Jose when nine women from the two organizations journey to San Jose this weekend, accompanied by Mrs. Monica Hadley, dean of women.

This is the first year that Humboldt has sent such a large number of delegates to my convention.

Leaving so that they will arrive in time for the opening tea to be held in the Student Union on Friday afternoon, the delegates will also be guests at a formal dinner and dance as well as a water carnival preceded by dinner. While in San Jose the representatives will be housed in boarding houses.

W.A.A. delegates will be Mary Caprile, Nadine Swan, Glenna Colwell, Rosie Ivancich, and Barbara Heasman, while those representing the A.W.S. will be Lois Wrigley, Vivienne Nelson, Eleanor Shaw, and Betty Fay.

Tap Club Assembly To Be Held May 1

Humboldt Tap Club will sponsor its Annual Tap Club Assembly May first. For only 10c, Humboldt students may witness one full hour of sanppy entertainment featuring the most glamorous, as well as the handsomest, students on the campus. Certain special numbers are: The Shaginata, a Military number, a Rupsian Act, Skeleton Dance, and solos.

Members of the Tap Club are: Kay Nelson, Bety Fay, Dot Hornbrook, Barbara Heasman, Dorothy Hunt, Helen Newell, Ruth Sundquist, Eilene Jepson, Bill Lee, Helen Arnold, Barbara Bird, Rosie Ivancich, Eleanor Shaw, Susan Wilson, Jean Schussman, Leon Flink, Serge Stasuk, Bud Villa.

PORTRAIT OF A WEARY

Hep-Tee-Hootie (Tony Pastor). For those of you who like dirty vocals, this one is recommended. Speaking of surrealistic lyrics! Also a cornet solo—O.K. stuff. Bottom gives us "Pale Moon." Dirty vocal (by Pastor, again); full ork with heavy drums—good. In contrast, we give you some lullaby stuff by the Casa Loma gang. It's called "Blow the Smoke Away"—veddy mellow. Good Sargeant vocal. Back of this, called "I'd Rather Dream," is just music. Harry James' outfit grooves one called "Music Makers" and gives promise of being one of the very best ork's in the business. Saxes, recordingboss, srums and bras do the work. Mellow and easy. The susal punk side is called "Montivideo."

The Larry Clinton man flashes out with the easiest-going bit of jive to be grooved into many a moon. The much-mangled "Camp-town Races" gets some very new kicks into it with Clinton's sax and brasses coordinatng and answering beautifully. Plattermate is one which H.S.C. students will appreciate. "Abercrombie Had a Zombie" is the last word in wacky but realistic) vocals. Lyrics save the vocalist.

BY DON MAHAN

The question of who is to be the grid coach at Humboldt State College next year will (probably) be revealed this week.

Prominently mentioned is Earl Hoos, a Stanford University graduate at the present head coach at San Luis Obispo J. C. Previously, Hoos was the assistant back-field coach at Stanford University under Tiny Thornhill's reign. Several other candidates who fill all the requirements for the position have put in their application. One other likely man is a former star athlete from Oregon University who holds his master's degree out of Columbia University. Another candidate, highly regarded, is a graduate of the University of Michigan.

What about these noon league softball games that we have always had about this time of the year? Will they be discontinued because of lack of a playing field?

Even rainy weather fails to daunt the men out training for track. When they can't find a track to train on they use the highways. One day they jogged out to Mad River; another day down the Arcata bottom road; and finally out to Bayside.

Bill DuMond, veteran high jumper, cleared the bar at 6 feet 11 1/2 inches while jumping at the Albee Stadium recently. Although there was a bar sag this jump is not half-bad.

Time trials will probably be held for the trackmen this week and best individual performances will be revealed.

Ornithology Class Takes Field Trip

Members of the Ornithology class taught by Mr. Telonicher recently went on a field trip in order to study various kinds of birds.

Different techniques were used to study the birds by individual members of the class, but nevertheless, the whole trip proved educational as well as entertaining according to those attending.

Among the members of the class are the following: Marion Goss, Joy Stockton, Rosie Ivanich, Marion Stickels, Herb Christie, Gene German, Manuel Oliveira, Marshall Rousseau, Bob Bryan, Harold Walton, Harry Manning.

ON The Choir Trip

BY TIZZY AND COBINA

These events did truly occur betwixt Arcata and San Jose and back again—

Mildred Lewis was out with an unknown "bodyguard," but she had a bell-hop as part-time chaperon—Those concerned have dedicated "The Sheik of Araby" to Ledo Matteoli—how come, Ledo???

Reno "Dawn Partol" Orlandi, under the influence of his cousin's car and ONE girl, forgot that Saturday night's "get in" hour was midnight—In the latest drive to Boycott Japa, Rico Bongio says "NO." In fact, Humboldt nearly last Rico when he spied an adorable little Japanese trick way up high in the skyroom—

Jean Schussman and Ward Falor saw Jean's brother Myron Wed—and Jean caught the bridal bouquet—aha?—Lois Johnson and Bert Speer have announced they can actually stand to be apart for 3 minutes at a time now—The Speier—Pratt trip to Chinatown wasn't their only time together—Bev. Gosselin, after the Acquacade at the Fairmont, went to San Rafael to see her "aunt?"—Betty Morrell was stepping high in S. F.—Somebody said it was hard to get Wally Look to go out with Bob Pinches and his cousin—but it was even harder to get Wally back to the hotel!

Bob Pinches, by the way, had more than one date with a former teacher—Wiggs Elmore broke drinking restrictions and went out with Alumnus Jim Hall for a coke—B. Bird missed a swell time with the gang of fifteen which "did the town" the last night in San Francisco.

Allan Lowry and Nancy Jo Birnie were the new twosome of the trip—we hear that Helen Arnold WAS WITH A MAN on Observation Hill in the cold S. F. fog.

People we didn't really know until the trip—Vera Vincent, Eugene Hammond, Karen Loft, Belva Walch, Dave Sammonds—we hear "Brenda" Hartsook's age wasn't questioned until she took a "group of the lads" to the Mark—(sweet sixteen???)—Jim Roscoe and Tink Belfis got along fine until Tink brought the trio of ducks from Chinatown into the hotel room—and quartered them in the bath-tub.

Three HSC Pilots Make Solo Flights

James Simpson, William Feidler, and Amedeo Sandretto, Humboldt State College C. A. A. students completed their first solo flight the first part of this week. A wet field and too much wind kept the plane in the hangar during most of Easter vacation. This kept more of the students from soloing but it is expected that Howard Lee, Eugene Hammond, and Don Mahan will be eligible to solo the latter part of this week.

Late entrants into the class Leon Flink and Paul Thorn will take another week before they will be ready for solo flight.

Lee Flink, the other member of the class completed his solo flight last March 28.

Lumberjack Track Men Will Compete

Humboldt State tracksters scheduled to compete in the Far Western Conference track meet at Davis on May 3 have been practicing regularly to condition themselves for the meet. Some individual training was done by the men during the Easter vacation.

Coach Hart expects to send a small squad to compete in the meet with the other three colleges in the conference, College of Pacific, Cal Aggies and Chico State.

Practice has been hampered by the lack of an adequate field because the stadium is being rebuilt. Several long distant practice runs to Bayside and Mad river have been undertaken by the squad.

Betty Morrell Passes Tests

Betty Morrell, second semester freshman at Humboldt, has been notified that she passed successfully the necessary psychometric tests which she had to take April 4 in San Francisco before she could be accepted for nurses training. Upon completion of her freshman year at Humboldt, she will begin training September 2, 1941, at St. Luke's Hospital, San Francisco. Miss Morrell is an honor student at Humboldt.

Mrs. Everett drove her mother home to Eugene, Oregon and visited there for the Easter week.

Thirty-Four Mounted Birds For College Science Department

Announcement of the recent acquisition of thirty-four mounted birds by Humboldt State College, was made by Fred Telonicher, assistant professor of biological science. The birds will be used for study by the ornithology class, and will supplement those already in the college collection.

Eight of the birds were acquired from the United States Biological Survey. These birds are from the Tule Lake area and include Black Crowned Night Heron, Virginia Rail, Varied Thrush, Killdeer, California Murre, Wood Duck, and Lewis Woodpecker.

Wilson's Tackle Shop in Arcata presented twenty-six mounted birds to the college. These include Barn Owls, Screech Owl, Pygmy Owl, Red-tailed Hawk, Valley Quail, Mountain Quail, (Hairy) Harris Woodpecker, Red Breasted Sapsucker, Red Wing Blackbird, Red Shafted Flicker, California Jay, Stellar Jay, Robin, Meadowlark, Varied Thrush, Water Ouzel, Killdeer and Canaries.

At Davis May 3

A six man tennis team will represent Humboldt State at the Far Western Conference tennis meet at Davis, May 3, providing the necessary funds are appropriated, according to Ellis Williamson, Tennis Manager.

Arrangements are being made by Williamson for a match between the Humboldt netsters and the Eureka Tennis Club for Sunday April 20. If the match is scheduled, the team to represent Humboldt will be chosen from those on the tennis ladder.

Those on the tennis ladder battling for positions are Bill Lee, Ellis Williamson, Frank Crichton, Loy Montgomery, Paul Thorn, Bert Johnson, Mel Thayer, Gene Sutton, Charles Sweet, Warren Haughey, Maury Ayala, Don Mahan, and Kenny Newell.

Graphic Art Class Shows Water Colors

Of particular interest to all would-be artists who say: "Oh, I'd love to paint that, but I can't even draw a straight line" is the work done by Mrs. Little's Graphic Art class.

With one or two exceptions, the members of the class are comparative novices in the art field, yet the work they are turning out would be a credit to any larger art school. They have started with water color, the most difficult medium to work with successfully—and the results so far are most encouraging.

On display in the art room are seven new reproductions by famous American artists, including such well-known names as Winslow Homer, Charles Burchfield, and Adolph Dehn. These pictures are Collotype prints, one of the finest reproduction processes yet developed, and are the type chosen by all leading museums in the world for their art galleries. They are indeed a valuable asset to Humboldt's growing collection, and are of a subject matter which will appeal to everyone.

MORTON, SANDRETTO PASS PHYSICALS

Jack Morton, graduate of the college C.A.A. course and Amedeo Sandretto, member of the present C.A.A. class, returned from Oakland where last Monday they passed the physical test to enter the Navy Air Corp. They will be eligible for entrance sometime in September.
