## Change Comes from Anywhere

By Emely Ortega

My abuelita is the kind of person who helps anyone and everyone. She is the prime example of role models and how change comes from anywhere. My grandma is very involved in the community and regularly handmakes different kinds of clothing for members of the community. She also “steps” in as representors in school for children whose parents/family are unable to be present. My abuelita’s name is Maria and if you ever need help she comes running.

“Lo mejor de vida es ayudar nuestra comunidad”
