Sawdust in our hands
red beets
coloring it
water dripping
connecting us
to the memories of
thousands of trees
to water traveling
many miles
all turned into
dust.

Memory
connecting us back
to those who have past
connecting us back
to our ancestors.

Rooting us in art
in imagination
in collectivity.

Creating beauty
throughout the world
with ephemeral
sawdust murals
which remain
in our collective memory.

Augmenting our
imagination for a
future based on
Solidarity.

Arte Solidario

Aserrín en nuestras manos
betabel rojo pintandola y el agua
corre entre nuestras manos
corre por nuestras venas

Conectandonos
con la memoria
de miles de árboles

Conectandonos con
nuestro pasado
nuestros ancestros

Recordandonos
de nuestra colectividad
de pensar en comunidad
de nuestro deber
de crear colectivamente

Creando belleza en el mundo
a través del arte efímero
las alfombras colectivas
que quedan en la memoria

Aumentando cada vez más
nuestra imaginación creativa
para un futuro solidario.
